

STREET DANCE SPONSORED BY CHI LAMDAS

Second annual Street Dance sponsored by the Chi Lambda fraternity will be held Friday, September 19, at the Stout Circle for your dancing enjoyment. An exciting evening of entertainment is in store for you tonight with dancing from 8 to 11.

Admission, of course, is free! Refreshments and snacks will also be provided. So, get into your street clothes and dance to a variety of collegiate long-play dance records.

In case of inclement weather, the dance will be held in the small gym.

All work and no play makes Johnny a dull boy... What will it do to you? Come to the Street Dance. See you there!

FOB'S TO OPEN DUFFY'S TAVERN ON SATURDAY

It's here at last, the dance of all dances. Yes, that's right, the annual FOB Duffy's Tavern dance is scheduled for Saturday, September 20, from 8:00 to 12:00. The Stout gym will be realistically transformed into that institution which has become the famous Duffy's Tavern. The bartenders will wear their usual black derbies, black bow ties and white shirts. There will be plenty of music, dancing and free cider; best of all, lots of fun.

SIX NEW INSTRUCTORS JOIN STAFF AT STOUT; NEW DORMITORY DIRECTOR ALSO APPOINTED

The names of six new faculty members who join the instructional staff of Stout state college this September have been announced by Dr. Verne C. Fryklund, president of the college. A new director of dormitories also has been appointed.

Dr. Anna Lee Stensland has been named assistant professor of English. She was granted her Ph.D. and her master of arts by the University of Wisconsin and her bachelor of arts by Northland college.

In addition to teaching experience in the secondary schools of Boyd and Merrill, Wisconsin, Dr. Stensland was supervisor of English studies at the college of Peru, Nebraska, and then accepted a position on the faculty of Dakota Wesleyan college. Her doctoral research has dealt with "Current Issues and Concerns in the Teaching of Poetry in the Secondary School."

Assistant professor of industrial education is Dr. Peter F. Christianson, who comes to Stout from the faculty of Mankato state teachers college. In addition to his doctorate, earned at the University of Wyoming, he holds both the master of science and bachelor of science from Stout state college.

While at the University of Wyoming, Dr. Christianson was a member of the graduate school faculty. At Mankato, his responsibilities were in the division of industrial education, especially in the areas of engineering and architectural drawing. Dr. Christianson is married.

Head football and basketball coach at Stout state college is Robert R. Bostwick, for the past two years di-

rector of football and swimming in the public high school of Fort Dodge, Iowa. The new coach will hold the rank of assistant professor.

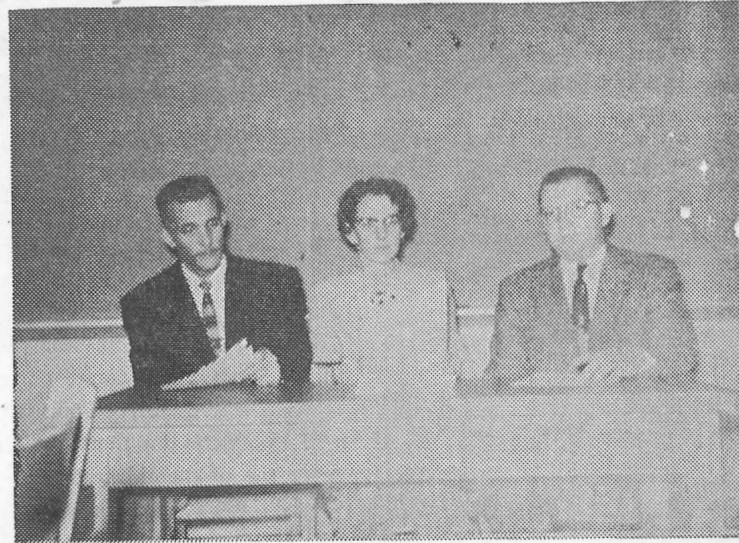

Possessor of both the master of arts in education and bachelor of science in commerce from the University of Iowa, Bostwick won major letters in football at Iowa under coaches Eddie Anderson and Len Raffensberger and minor letters in basketball with "Pops" Harrison. Married and the father of three children, Bostwick is a veteran of service with the U.S. Merchant Marine and with the U.S. Air Force during the Korean conflict.

Robert J. Melrose has accepted appointment as instructor in the social science department of Stout state college. He will also serve as line coach in football. Melrose has earned his master of arts from the University of Minnesota and his bachelor of arts from the Wisconsin state college at Eau Claire.

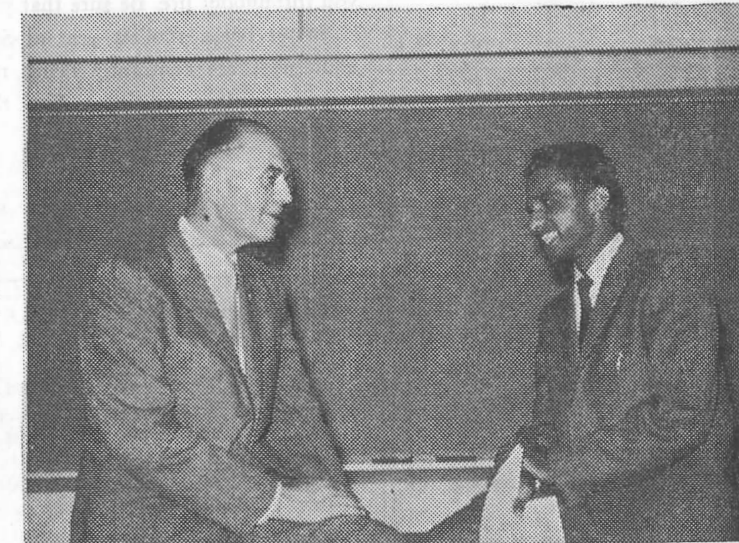

A veteran of service with the U.S. Air Force from 1943-45, Melrose has had extensive experience as a teacher and line coach. He was successful in both areas at Bruce high school and, in 1954, accepted a position on the faculty of Menomonie high school, teaching in the social science field and assisting with the coaching of both football and basketball. The new instructor is married and is the father of three children.

Instructor in the department of printing at Stout state college is Gerald Schemansky. He has earned the master of science degree in the graduate studies program of Stout state

Continued from page 3

Three new members of Stout's faculty are shown above at their first teachers meeting. They are, from left to right, Gerald Schemansky, Dr. Anna Lee Stensland and Dr. Peter Christianson.

1. Pictures taken of all candidates.
2. Responsible for the publicity of all student government work.
3. Submit articles of general interest to students from the other colleges to STOUTONIA

TAINTER HALL HAS TWO NEW WINGS ADDED; ADDITIONS TO HOLD 192 MORE WOMEN

Ready for occupancy at a time when the enrollment of freshman girls at Stout state college has risen, are the two "wings" recently added to Bertha Tainter residence hall for women.

Completed at a cost of \$600,000, the two additions will house a total of 192 girls. Added to the 135 coeds living in the center unit, the \$1,266,000 residence hall now provides accommodations for 327 young women. Expense of construction and operation of the residence hall will be paid by girls

living there and will not require expenditure of tax funds.

Exterior of the new additions is of famous Menomonie red brick, selected to harmonize with that of the original residence hall unit, which was opened in the fall of 1956. Each wing consists of three floors, with a picture window in each room. Until arrival of window draperies about September 15, windows of both wings will present a ghostly appearance, from a layer of white chalk applied to give residents some measure of privacy.

Lower cost of the new additions, in comparison with that of the original building, has been made possible by use of an "efficiency plan" developed by the state of Wisconsin to provide comfort and convenience to its dormitory residents on may campuses but at greater economy. The economy was made possible by efficient and extensive use of such "built-ins" as study desks, chests of drawers and shelves.

Each room, in addition to its many built-in features, contains two davenport beds, chairs and closet space. Pastel colors are used throughout, blending with draperies and bedspreads of harmonizing colors.

A kitchenette is provided on the second floor of each wing. The recreation room, laundry area, luggage space and storage room are located on the ground floor. A special infirmary room is also maintained at all times.

Food service for residents will be provided in the dining room of the main unit. The college tearoom is also located in the central building. The east wall of all dining facilities features picture windows overlooking beautiful Lake Menomin.

To accommodate traffic to and from the residence hall, a new "turn around" and a parking area have been constructed on the site of a prefabricated housing unit formerly located to the north of the hall. Curbing has been installed along the sides of a new asphalt driveway.

Residing in Bertha Tainter Hall will be all freshmen women of the college who are not permanent residents of Menomonie or who do not commute daily from their homes. A number of sophomores will also live in the hall. New director of the hall is Mrs. Josephine Pierce, formerly of Wisconsin state college at Stevens Point. She takes the place of Mrs. Charlotte Sims, who retired this summer.

Assisting Mrs. Pierce will be Mrs. Manilla Ohnstad, former resident head of Boeing house on the Stout campus. Also participating in the operation and counseling service of the hall will be student resident assistants.

ENROLLMENT AT STOUT HIGHEST IN ITS HISTORY

Enrollment at Stout state college has reached 1263 students, highest in the 65 year history of the college and 8.3% above last year's record 1166. Much of the increase is due to a freshman class of 465, as compared with 385 first year students a year ago.

Young people attending Stout come from 16 foreign countries and 12 states in addition to Wisconsin. Students are registered from Turkey, Indonesia, Republic of China, Finland, Costa Rica, Greece, Jamaica, Panama, Ethiopia, Malaya, Canada, Jordan, Japan, Korea, the Philippines and Bolivia.

The majority of students are, of course, Wisconsin residents. They come from 68 of Wisconsin's counties. Dunn county residents total 195, 66 women and 129 men.

Of the 1263 total, 574 are women and 716 are men. Veterans number 243, with the great proportion, 204 persons, attending under educational benefits resulting from service in the Korean conflict.

On the basis of classes, Stout State college has enrolled 465 freshmen, 208 women and 257 men; 277 sophomores, 151 women and 126 men; 214 juniors, 80 women and 134 men; 275 seniors, 105 women and 170 men; and 30 graduate students, three women and 27 men.

Two additional men have enrolled on a part time basis for a limited number of specialized courses.

PANHELLANIC PARTY OPENS FALL RUSHING

"Hollywood holiday" is the theme for the fall Panhellenic rushing party to be held tomorrow morning at 9 o'clock in the small gym.

Each sorority is in charge of specific duty for this annual event. Alpha Phi is in charge of the program. Alpha Sigma Alpha, decorations, Sigma Sigma Sigma is in charge of general arrangements and Delta Zeta is in charge of food and cleanup.

Fifteen minute skits will be given by each sorority so the girls may become better acquainted with the different groups. The girls in each sorority will be dressed alike, carrying out the theme of the party.

Prizes will be awarded to the girls dressed most keeping with the theme.

This party is the official opening of fall rushing for the sororities on campus.

GETTING RECOVERING FROM AUTO INJURIES

Dr. E. R. Oetting, Stout professor of psychology and education, is convalescing at Sacred Heart hospital, Eau Claire, in room 105, reported Mrs. Oetting who is also resting at home following a car accident Sunday, August 24, at Watersmeet, Michigan.

Dr. Oetting had been at Northwoods hospital, Phelps, Wis., for the past 16 days. He was transported by ambulance to Eau Claire last week said Mrs. Oetting. He is suffering from seven separate fractures and he will be out of school for some time. Mrs. Oetting is resting at home, 224 13th Street, Menomonie, and is an out-patient at Memorial hospital, Menomonie.

TOWER ANNOUNCES PICTURE SCHEDULES

Group pictures for the 1959 Tower will be taken Tuesday and Wednesday evenings, September 23 and 24, in the Stout auditorium. The schedule is as follows:

Tuesday, September 23

The junior class will meet at the following hours. Students with last names beginning with: A-D, 6:30; E-J, 6:40; K-O, 6:45; P-S, 6:50; and T-Z, 6:55.

The sophomore class will meet at the following hours. Students with last names beginning with: A-C, 7:00; D-G, 7:10; H-K, 7:15; L-N, 7:20; O-S, 7:25; and T-Z, 7:30.

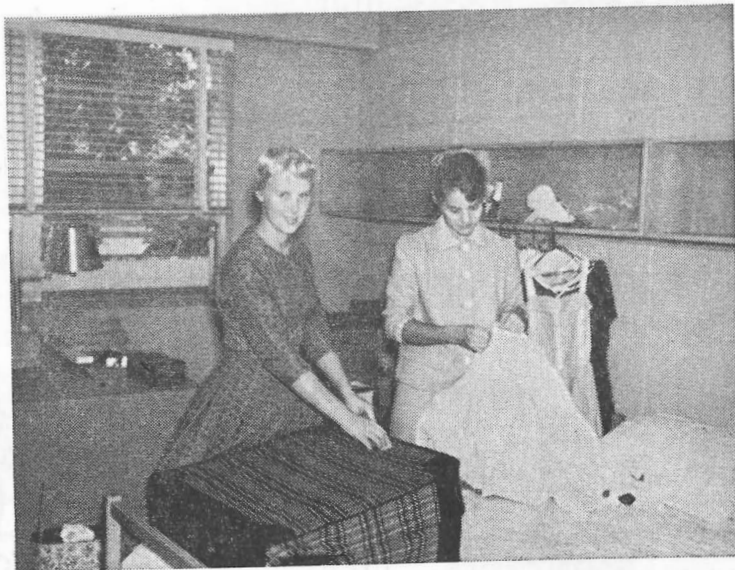

Freshmen will meet at the following hours. Students with last names beginning with: A-B, 7:35; C-E, 7:45; F-H, 7:50; I-K, 7:55; L-M, 8:00; N-R, 8:05; S, 8:10; and T-Z, 8:15.

Wednesday, September 24

The following organizations will meet at these assigned hours:

Alpha Phi, 6:30; Alpha Phi Omega, 6:40; Alpha Psi Omega, 6:50; Alpha Sigma Alpha, 6:55; Arts and Crafts, 7:00; Chi Lambda, 7:05; Delta Kappa, 7:10; Delta Zeta, 7:15; Dietetic Club, 7:20; Epsilon Pi Tau, 7:25; Home Economics Club Council, 7:35; Inter-Religious Council, 7:40; Metals Guild, 7:45; Panhellenic Council, 7:50; Phi Omega Beta, 7:55; Phi Sigma Epsilon, 8:00; Phi Upsilon Omicron, 8:05;

Radio Club, 8:10; Rifle Club, 8:15; S Club, 8:20; Sigma Sigma Sigma, 8:25; Sigma Tau Gamma, 8:30; Ski Club, 8:35; Stout Christian Fellowship, 8:40; Stout Student Association Governing Board, 8:45; Stout Typographical Society, 8:50; Stoutonia, 9:00; Tower, 9:05; WRA, 9:10 and YWCA, 9:15.

Sharon Peterson and Karen Johnson unpack their things in one of Tainters new wings.

New students and their parents enjoy coffee at a reception party on the opening day at Tainter Hall. From left to right they are: Mrs. Leonard M. Johnson, Mrs. Tony Schmitz, Barbara Schmitz, Romana Johnson, Mr. Tony Schmitz, and Mr. Johnson.

'HAPPY NEW YEAR'

This year will be a big new year for Stout state college. Our enrollment has reached 1263, the largest total in Stout's history. And just at the time when the student body has increased so greatly, we are fortunate to have ready the new additions to Tainter Residence Hall for Women and, if construction continues at its present excellent rate, we shall use our new student center early next semester.

The capacity audience which attended the Tamburitzan lyceum Monday evening has already enjoyed our completely remodeled and renovated, more, comfortable auditorium. Plans will soon be complete so that construction can begin on a men's dormitory on "Stout Lot" and a new shop-classroom building on the site of the old Dunn County Agricultural School.

It is certainly pleasant to talk of new buildings for our campus, but there is another type of "building" that should be of vital concern to you. The building to which I refer is the personal record which you are creating for yourself at college. You should devote to that record the very best that is in you. Do not scrimp on the time and effort and concentration which your studies demand. Your college transcript is something which accompanies you throughout life. Be sure that your transcript will be a worthy companion!

So we begin another year at Stout state college. Improved facilities and equipment are constantly being made available to you. The college itself is growing. It is my sincere hope that you will grow in equal measure.

Sincerely yours,

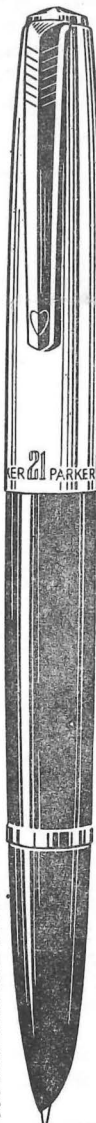

Verne C. Fryklund

CLUB NEWS

September 11 found the Alpha Kappa chapter of the Sigma Tau Gamma national fraternity holding their first meeting of the year at the Sig Tau fraternity house.

It was decided that the second hour of two meetings a month will be set aside as house meetings, and the other two weeks are to be set aside for an intellectual hour. It was further decided that one meeting a month would be set aside as a dinner meeting to be held at the house.

The members also decided that the fraternity would sell popcorn and caramel apples at the homecoming game this year.

Roger Kirstner announced that he became the father of a boy over the summer. John Moore announced that he was getting married over the week end, Joe O'Leary announced his engagement, and Bob Papas announced his pinning.

At the end of the regular meeting, the house manager, Chuck Hornich took over, and rules were set up to govern the house.

The Metal's Guild held its first meeting Monday, September 15, in the audio-visual room. Topics of discussion were a longer field trip to be taken next spring instead of two short trips; changing the attendance regulations; ordering pins and school shop; finishing the potentiometer for the physics department; and new members.

Sophomores, juniors and seniors majoring in metals who are interested in joining the professional organization must have a 1.5 grade point average in metal's courses and a 1.0 overall average (old system). Application

CLUB NEWS

First meeting of the Chi Lambda fraternity for the '58-59 season was held Thursday evening, September 11. Strategy and organization of the Street Dance were discussed and acted upon.

The monthly dinner meeting was planned for September. Plans for homecoming and pledging also received considerable attention at this meeting.

Chi Lambda members gave blood at the local blood mobile Friday, September 12.

There will be a Home Economics club meeting Monday night, September 22, at 7:15 p.m. in the auditorium. This month's program includes a fall style show and a report on the AHEA convention in Philadelphia. All girls are welcome to attend.

September 11 was the first meeting of Alpha Sigma Alpha sorority. The sorority is very happy to welcome back all of its members. The sweetheart song was sung to Gerry Krueger who is engaged to Dick Tepp, and to Jean Goehring who is engaged to Rich Schendel, and to Alice Marshall who is pinned to Lucky Lundin. The Alpha Sigs are busy making plans for the Panhellenic rush party. The juniors are responsible for the planning of the Alpha Sigma Alpha rush party which is September 27. Gloria Walstad gave a report on the Alpha Sigma Alpha national convention she attended this summer in Galen, Pennsylvania.

forms may be picked up in the machine shop or contact Dr. Wiehe. This should be done immediately as new members will be accepted during the month of October. Business meetings are held every first and third Monday at 7:00 p.m. and work meetings in the shop the second and fourth Mondays. A movie on design from General Motors was shown after the meeting.

ORGANIZATION NEWS

The first regular business meeting of this year was held Thursday evening, September 11. News of the summer and float ideas were discussed.

During the past summer the following members had additions to their families: Ron Critser, Carl Brooks and Chuck Smith. During this same period three members were married and three members MISS placed their pins. Those married were Ted Nick, Dick Dirschel and Bob Tews. Those pinned are H. Robert Gussel, Fred Slaby and Lucky Lundin.

The National Conclave of Phi Sigma Epsilon was held at the Statler Hotel in St. Louis, Missouri, on August 28 and 29. Omega chapter of Stout had the largest representation at the conclave. Representing Stout were Rick Steckel, Don Anderson, Dick Kveton, Lucky Lundin and Chuck Bartel.

The original frat house was also completely redecorated during the summer. Plans for painting the outside of the house are in progress and the job is hoped to be completed in the next two weeks.

Coming events include the marriage of two more members. Mickey Schallen will be married Saturday, September 20, in Menomonie, and Dave Zakrzewski will be married October 4, in Milwaukee.

NEWS OF OUR ALUMNI

Two alumni of Stout state college have been granted master of arts degrees by the University of Minnesota. They are Robert Crowley, who received his bachelor of science from Stout in 1950, and Roy Seitz, who earned his bachelors degree here in 1948.

Mr. and Mrs. Jim Castagna are now living in Bemidji, Minnesota, where he is teaching at Bemidji state teachers college. Jim graduated from Stout receiving his B.S. in 1953, and L.S. in 1955.

It's a girl for Mr. and Mrs. Frank Rafford of National City, California. Kathryn Frances, who weighed 7 lbs. 1 oz. was born August 26. Frank graduated from Stout in 1956.

Cliff Ingwell, (B.S. 1948) is assistant principal at Hazel Park junior high school in St. Paul, Minnesota. He Ingwells and their two daughters live at 3899 No. Victoria, St. Paul, Minnesota.

Dr. Don W. Nantz, (B.S. 1949 M.S. 1950), Stout state college, has been promoted to professor of industrial technology at Western Michigan University, Kalamazoo, where he has taught since 1952.

John L. Bendix, (B.S. 1949), Stout, has been promoted to associate professor of industrial arts at Western Michigan University, Kalamazoo, where he has taught for the last three years.

POST OFFICE REQUESTS COMPLETE ADDRESSES

All students now in attendance who lived in Menomonie last year and gave the post office a change of address will please notify them where you are living this year. The order you made out last spring is still in effect unless you notify otherwise.

Please check all mail to see that it is completely addressed and that you have your return address completed. If you live in a dormitory use the name of the dormitory and room number. Many letters are just coming through with Stout state college for an address.

Be sure you give your correspondents your correct address. Be sure to indicate the street or avenue. Menomonie has many streets and avenues with the same name or number.

BIG-LITTLE SISTER TEA HELD SUNDAY BY YWCA

On Sunday, September 14, many big sisters of Stout state college accompanied their little sisters to the annual Big-little sister tea, sponsored by the YWCA. The tea was held in the Harvey memorial from 2:00 to 5:00. Small cookies, mints, and punch or coffee were attractively served.

Although the weatherbird did not cooperate, many donned their best clothes and had a fine time. Upper classmen welcomed the new students and became better acquainted with them. Freshmen and transfer students are also urged to attend all of the teas held throughout the year.

Campus-sister chairman was Bobette Mulock. Plans were being made and carried out throughout the summer by the various chairmen and their committees. Chairmen for this event were as follows: food, Shirley Bouvin; decorations, Marlys Vieths; publicity, Donna Enders; music, Carol Bibby; and invitations, Annette Hanson.

FACULTY CONT. . .

college. Earlier he was granted the bachelor of science by the college.

Schemansky is a veteran of two years of military service with the U.S. Army, serving as a tank commander in Austria. He was active in all the printing activities and organizations of the college. The new instructor is a married man.

An honors graduate of both the master's and bachelor's curriculum of Panjab university, Hoshiarpur, India, is Gian C. Sud, newly-appointed instructor in biology and chemistry. He is also a candidate for the Ph.D. degree in the science area.

Sud has been engaged in his doctoral studies at the University of Missouri. While there he was selected as both a research assistant in chemistry and also a teaching assistant in zoology.

New director of dormitories at Stout state college is Mrs. Josephine M. Pierce. A graduate of the Wisconsin state college at Milwaukee, she has also completed advanced work at the University of Iowa and has had a number of years of successful teaching experience.

Mrs. Pierce has transferred to Stout from the Wisconsin state college at Stevens Point. Prior to her transfer, she served for two years as director of dormitories at that college.

Accepting an interim appointment in the department of psychology, following injuries to Dr. E. R. Oetting in an automobile accident, is Glenn D. Tinkham, former superintendent of the public schools of Marshfield, Wisconsin. He will teach courses in secondary school administration and in marriage and the family.

Tinkham holds both the master of philosophy and bachelor of science degrees from the University of Wisconsin. He is well-known in Wisconsin educational circles, having served on many state-wide education committees, and is a veteran of military service in World War I.

Parting from their usual style of music, the Tamburitza band take off on Rock and Roll at last Monday night's lyceum.

CAPACITY CROWD FILLS AUDITORIUM FOR MUSIC OF NATT GOUZE'S TAMBURITZANS

SUMMER ENROLLED 501 DURING SESSION

Enrolled at the recent six weeks session of Stout state college were 501 students, the largest registration since 1951. An additional 235 persons attended Stout's post session offerings August 4-15.

Of the 501 total, 374 were men and 127 were women. This group was divided according to class as follows: graduate students, 222; post graduates, 40; specials, 38; seniors, 91; juniors, 65; sophomores, 35; and freshmen, 11.

Also present were students from twelve foreign areas: Indonesia, Korea, Philippines, Republic of China, Thailand, Vietnam, Cuba, Greece, Canada, Ethiopia, Nicaragua, and Turkey. Of the American registrants, 106 were veterans of the armed services.

Four offerings were available to persons registering for the post session. These included driver education, the largest such offering in the nation; plastics; semi-conductors, and a workshop on offset lithography, a national seminar, which attracted printing teachers from throughout the United States.

A gangster rushed into a saloon, shooting right and left, yelling, "All you dirty skunks get outta here."

The customers fled in a hail of bullets—all except an Englishman, who stood at the bar calmly finishing his drink. "Well?" snapped the gangster, waving his smoking gun.

"Well," remarked the Englishman, "there certainly were a lot of them, weren't there!"

WINONA WARRIORS BLAST BLUEDEVIL GRIDDER 20-12 IN SEASON'S OPENER; HARKE INJURED

A 20 to 12 victory for the Winona state teachers opened Stout's 1958 football season. The Peds capitalized on penalties and a blocked kick to prove the superior team.

On paper the teams were evenly matched, except in the air-ways, as Winona garnered 102 yards to 34 for the Bluedevils. The arm of Wayne Asing pumped three passes for a total of 14 points to provide the margin of defeat.

Winona opened the scoring in the first period when Asing hit Bob Welsh with a 35 yard pass behind the Stout secondary and Welsh galloped the remaining 44 yards to pay dirt, unmolested. The PAT was no good.

The second period found Stout's Glenn Harke plowing into the end zone from the 6. The PAT attempt failed for a 6 to 6 game. Again Asing found a target in John Quist who took the 10 yard aerial in the end zone. The Warriors' PAT went for naught and the half time score was Winona 12, Stout 6.

The third quarter provided plenty of action but no scoring as both teams moved the ball but with no sustained drives.

Winona struck for 8 points in the

fourth quarter when Chuck Snyder blocked Stout's punt. Dick Brown carried the mail from the 4 and once again the arm of Asing struck as Quist caught the pass for the 2 point PAT. Stout ended the scoring as Bob Bundy flipped a 15 yard attempt to Ron Unertl in the end zone for the Bluedevils' second and final scoring of the game. The PAT was no good and the score board gave the ending Winona 20 and Stout 12.

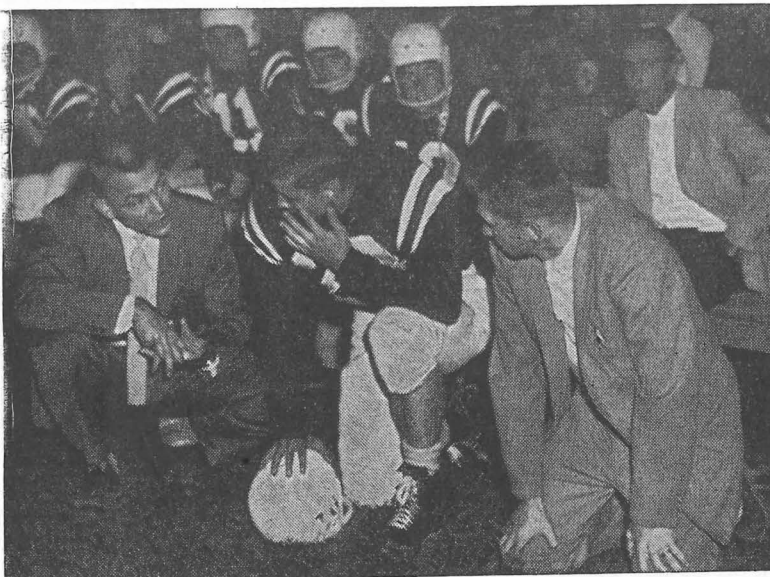

Turning points: One penalty nullified Mitchell's 34 yard romp to the Winona 3. One blocked punt gave Winona six points.

Stout	0	6	0	6	12
Winona	6	6	0	8	20

FUTURE FOES

Scores of the teams the Bluedevils will meet this year.

St. John's 33, St. Cloud 0
St. Norberts 30, Eau Claire 14
Milwaukee no game
River Falls 31, Augsburg 6
La Crosse 26, Macalester 7
Superior 14, Duluth Branch 6
Oshkosh 44, Northland 0

New Head Coach Boswick and Line Coach Melrose prompt veteran performer Joe O'Leary during crucial moment in Winona contest.

STOUT TRAVELS TO ST. CLOUD FOR 2ND TILT

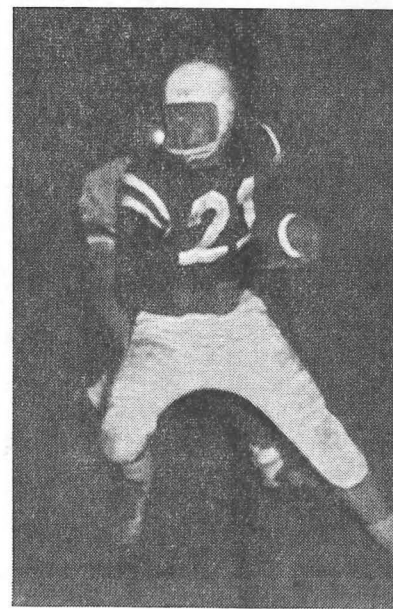

Tomorrow the Bluedevils journey to St. Cloud, Minnesota, for an evening contest with the St. Cloud state college Huskies. St. Cloud is a member of the Northern states college conference.

The Huskies have seven lettermen returning from a team that had seven losses and one tie last season. The team that dropped their season opener to St. John's of Minnesota, had five seniors, four sophomores and two freshmen in the starting 11.

Head football coach for the St. Cloud team is Jack Wink who formerly coached four seasons at Stout before joining the Huskies coaching staff in 1956. Wink will be fielding the youngest and greenest squad St. Cloud has had in years. Graduation, ineligibility and injuries have forced a heavy rebuilding program for coach Wink.

Stout has had heavy drills during the week in defensive end play, pass defense and in learning new offensive patterns. The Winona game and practice injuries have forced lineup changes. The starting 11 will also have new faces because of the aggressive showing of 2nd and 3rd string members since last Monday.

The Bluedevils will be without the

Sophomore Halfback Lanny Anderson rips left end during Stout's sustained touchdown drive against Warriors.

services of Vern Verkiulen, HB, shoulder separation, out three weeks; Glenn Harke, HB, leg injuries, out two weeks; Ned McDonald, FB, out one week. Dick Brehm will possibly see limited action because of a sprained hand.

"S" CLUB REMINDS ALL OF LETTER STANDARDS

Every year at this time, many high school letter sweaters are seen on the Stout campus. This is in rather bad taste and should be considered as impolite.

The "S" club, composed of Bluedevils major monogram winners, requests that all high school letter sweaters not be worn on campus or in town. The sweaters, however, are permissible provided that all numerals and monograms are taken off.

The "S" club realizes that all of you enjoy wearing your high school colors but it is felt that high school days are over now, and that college life has started.

So, from now on, let's try to remember to comply with the wishes of the "S" club and the student body by leaving the lettered sweaters at home. Come out and win a college letter!

- A trained cosmetician to help you girls with any beauty problems and to help you select your cosmetic needs from a complete selection of Revlon, Tussy, Dubary, Coty, Rubenstein and many others.
- That you may have a charge account at Jones.
- That we carry a complete selection of greeting cards, gift wrapping and ribbons.

Architect's drawing of the new union.

UNION TO BE READY FOR OCCUPANCY DETAILS GIVEN ON \$525,000 STRUCTURE

With the definite possibility that the new student center of Stout state college will be ready for occupancy soon after the first of the year, a more specific description of the building and its interior is now possible.

Work is well along on the \$525,000 structure. Erection of the outside walls is nearly complete and the roof is in place. This progress provides assurance that finishing of the interior will go forward rapidly, no matter what the weather.

According to Dr. Verne C. Fryklund, president of Stout state college, the new student center will provide facilities long-needed at the college:

"For over a decade, we have done our best to meet the social needs of our students in a temporary student union created from a portion of our outmoded physical educational building. That temporary facility has served us adequately, but Stout's enrollment is expanding and we require greater space.

Stout's new student center, gleaming with much glass and aluminum, will stand directly behind Stout's present physical education building, between that structure and the college library. It will be possible to enter the center from three sides, with a serv-

vice entrance located on the east side.

Because of the 120 x 100 foot dimensions of the new center and the requirement of a service entrance, it was necessary last summer to raze the wooden farm-shop building and the Bowman model school of the former Dunn County Agricultural school and Normal school.

The center will also occupy the present playground area of the Stout nursery school. Thus, to provide adequate playground space, Boeing house, next to the physical education building, was also removed. For the past year the Boeing residence had been occupied by 14 college students as a co-operative house with adult supervision.

The exterior of the student center will be basically brick and masonry panels. However, it is the plan of the architect to make maximum use of glass and aluminum.

On the first floor will be a snack area, game room, hobby room, and room for equipment maintenance. An elevator, strictly for service purposes, is to be located at one end of the first floor.

A large part of the second floor of the new structure will be a spacious area equipped both as a ballroom and as a center for use by large gatherings. A round fireplace will be located in the center of second floor. Conference rooms, office space and additional lounges are also to be included.

The roof is to be constructed of Alcoa aluminum and covered with layers of gravel. Both the first and second floors will have vinyl as floor covering.

Built on a self-liquidating basis instead of from tax funds, the student center will be paid for over a long period by the college students who use its facilities.

Responsible for much of the social program of Stout state college is Dr. Ralph G. Iverson, director of student personnel services. In summing up the significance of Stout's new student center to that program, Dr. Iverson points out:

"More than at many colleges, Stout students enroll from distant points and are therefore on the campus each week end. Such young people have real need of facilities for social activity. For students from our own vicinity, many of whom live at home, the new center will be a place in which they can gather with the rest of the student body for more active participation in college life. Thus these splendid facilities will help Stout toward its goal of encouraging development of all phases of student endeavor."

BERMUDA BLAST IS TO BE HELD TONIGHT

The Alpha Sigma Alpha sorority is making plans for the Bermuda Blast which will be held in the Stout gym on September 26th, from 8:30 to 11:30 p.m. The music will be on record and refreshments will be served.

Admission will be 25¢ for couples, 15¢ for singles, and all fellows in Bermudas will be admitted free.

Committees for the Bermuda Blast are: Gerry Krueger; tickets, Alice Marshall; publicity, Joan Braunworth, Katchen Kubitz and Ann Moore; floor managers, Kay McSweeney; clean-up, Katy Camplin, Kay McSweeney and Sarah Albrecht; decorations, Sandy John, Jan Beckman, Jane Thompson and Nancy Jensen.

JOHN WINGEN

JOHN WINGEN, STOUT STUDENT, PASSES AWAY

It is with great regret, that we announce the death of one of our fellow students, John Wingen.

John was a freshman last year, and was one of the leaders of that class, taking part in many extra-curricular activities. His pleasing personality and winning smile will surely be missed by all of his fellow students.

Funeral services were held last Wednesday at Neenah, Wisconsin. A memorial of \$34 was given to his mother which was collected from many of his fellow students.

PLANS FOR HOMECOMING ARE UNDERWAY

"October Harvest" is the theme chosen by the student body for our 1958 Homecoming at Stout state college. The date for this event is October 25 and already the organizations on campus are busying themselves with plans to make this Homecoming better than ever.

The various groups are to have their queen candidate chosen by October 7 and actual campaigning for the new queen will begin on Saturday, October 11. The Homecoming convocation will take place October 15 and the queen candidates will make their final campaign appearance. Afterwards the student body will cast their ballots for the girl they want to reign as queen.

We still will not know who our new queen is when we see the girls together at the Queen's tea on October 22. Then, at 8:00 p.m., Friday, October 24, the secret will be disclosed and our new Homecoming queen will receive her royal crown.

The coronation will be followed by the torch light parade out to the fair grounds where we will watch Superior's letters fall in flames. Our cheerleaders will guide us in the singing of our school songs and lead us in some rebel rousing cheers. The alumni and students will then meet in the Stout gym for an all school mixer.

Saturday afternoon, October 25, the Homecoming parade will be held and our Stout Blue Devils will meet Superior on the gridiron. What we all hope will be the perfect end of a perfect day will be the dance in the high school gym, beginning at 8:30. Music will be furnished by Jules Herman.

CLASS LEADERS ELECTED FOR THE COMING YEAR

PHI U SPONSORS TEA AS HONORS RECOGNITION

One of the new events on the school calendar this year is the Recognition Tea which will be held on October 1. Phi Upsilon Omicron, the professional home economics fraternity on campus, is sponsoring this tea in honor of all women students who were on the Dean's list last year.

Being named to the Dean's Honor List is the highest scholastic achievement which can be earned by a student at Stout. To have her name placed on the Honor List, a student must have a grade point ratio of 2.50 or above the previous semester. Students who are included on the Honors List for two or more consecutive semesters are exempt from class attendance regulations.

Sophomore, junior and senior honor women will be guest at the tea which will be held in Harvey Memorial from 7:15 to 8:45 p.m., October 1. Ruth Stratman has been appointed as general chairman with Sylvia Felland as her assistant. Other committee chairmen are: Mary Parkel, invitations; Patty Jo Hovde, decorations; and Peggy Deering and Loretta Wittig, refreshments.

COLLEGES REACH ENROLLMENT HIGH

Wisconsin's 10 state colleges reported an enrollment of 13,480 students this month, a record high almost 12 per cent above last fall. Late registrations are swelling the total even more.

"The increased enrollments at the colleges is surprising," said Director Eugene R. McPhee, "particularly since the increased birth rate of the 40's is not yet in college. The big increase is still coming."

In the past five years the colleges have more than doubled in size. Greatest growth has come at the college at Oshkosh, now the largest in the system. But Platteville, Stevens Point, and Whitewater have also more than doubled since 1953 and every school has grown at least 75 per cent in size.

Freshmen enrollment is 5,074 at the colleges, compared to 4,550 freshmen last fall.

Shortages of teachers and supplies were worrying the college presidents as they planned for the new school year. Thirty-nine new teachers were requested and the Regents planned to seek financial help from the State emergency board.

Early enrollments reported by the college presidents for the fall term were: Eau Claire, 1,584; La Crosse, 1,764; Oshkosh, 1,836; Platteville, 1,280; Platteville Institute, 325; River Falls, 1,265; Stevens Point, 1,511; Stout at Menomonie 1,258; Superior, 1,123; and Whitewater, 1,534.

Carol Barber, Pat Choitz, Nancy Fruit, Mary Livingston, Mary Schultz Are New Cheerleaders

Highlighting last Wednesday's convocation was the election of class officers and five cheerleaders for this school year. The program began with the cheerleading tryouts. Following the classes divided into groups.

Automatically returning cheerleaders are Bette Zander, senior; Shirley Aitken, junior; and Jerry Porter, junior. Elected for their second year were Carol Barber, junior; Pat Choitz and Nancy Fruit, sophomores. Freshmen Mary Livingston and Mary Schultz were also chosen to lead cheers.

The senior class chosen John Kasten as their president for their last year. Other senior class officers are Jim Schnitzler, vice president; Jan O'Grady, secretary; and Wilhelmina Claseman, treasurer.

Don Stoddard will lead the junior class as their president. His assistants are John Sherry, vice president; Nancy Feuerstein, secretary; and Jo Hanson, treasurer.

Newly elected sophomore class officers are Tony Pollino, president; Fred Schleg, vice president; Pat Wenner, secretary; and Carol Bishop, treasurer.

The freshmen are beginning their college careers with Lyle Buss as their class president; Phil Livermore, vice president; Mary Schultz, secretary; and Carol Mueller, treasurer.

The class officers will begin their duties with plans for the Homecoming festivities. Each class will be in charge of one phase of the week end.

GIRLS' RUSHING PARTY HELD AT STOUT

"Hollywood Holiday" held at the small gym was the destination for many girls last Saturday morning, September 20. It was the first Panhellenic fall rushing party.

Prizes were awarded for keeping the most with the theme of the party to the following girls by Dean Cunnaw.

Most beautiful were the girls from 'Oklahoma,' Pat Wenner, Jean Smith, Deanna Howell and Avalene Drake. Marilyn Schley and Mary Jane Fleury as Ma and Pa Kettle, were given the most humorous award. Bev Voight, Sondra Maxwell and Virginia Scott got the most original award for their version of 'The Vikings.' Honorable mention went to Kay Koeper and Candy Sjuggarud.

Punch and cookies were served as refreshments. Games were played and the skits were given by each sorority. The girls also were given the rules and procedure for rushing.

Panhellenic president, Audrey Schroeder, served as mistress of ceremonies.

Candy Sjuggarud signs in at the Panhellenic fall rushing party. Her costume won honorable mention in the theme of "Hollywood Holiday."

GIRLS AT 'IKE' OFFER INVITATION TO WOMEN

Twenty-seven peppy, fun-loving, and studious girls are the occupants of Eichelberger hall for the current school year at Stout. The majority of these girls are members of the Delta Zeta sorority and many of them have lived at 'Ike' previously. Since the facilities of Tainter Hall have become available to freshmen, sophomore and all women transfer students, Eichelberger is predominantly occupied by juniors and seniors. The fact that its residents are mostly DZ's does not mean that it is a sorority house. 'Ike' is run just like any other dormitory housing any group of students. All the girls, DZ's and independents, think living at 'Ike' is wonderful and they enjoy it tremendously.

A special invitation is extended to all girls at Stout for the first time to visit the DZ's at Eichelberger Hall. They'll be glad to see you and are willing to help you if they can. So 'hats off' to a swell bunch of gals who are always willing to lend a helping hand—the girls at 'Ike'!

FRESHMEN TAKE HEED

This editorial is directed mainly at the freshmen, however, I also feel many of the upper classmen might do well to read on, and see just how the shoe fits.

College does far more for a student than just further educate him in the field in which he plans on entering, it also teaches him how to live. Living away from home as most of you are, you are learning another important aspect of life, that of living. Decisions face you now that never faced you before. It is no longer the simple life of arising in the morning, finding breakfast waiting for you, go to school, come home to a home cooked meal, ask Dad for a couple of bucks, and take the family car out on a date. Now you are faced with a big problem of a budget, and numerous other things which you encounter in a day.

Some of us don't seem to be able to take this, however. We evidently are not adult enough yet to face the world. As a result, we have to run home to Mommy every week-end.

When you came to Stout, you were stepping from the dependent age of a high school student, into the age of an adult. You must prepare yourself for the day when you can no longer ask your parents for advice.

Stout's social calendar is a well planned one by your S.S.A. Many organizations on Stout's campus are putting on events for you. So well planned is this calendar, that there are only a few week-ends in the year where there is not an event taking place.

Why don't we all take this opportunity offered us to better learn to face life, and stay at school on week-ends and enjoy the life of a college student.

ORGANIZATION NEWS

The FOB fraternity held their first meeting of the school year last Thursday evening. President Jerry Foth welcomed all the members back and wished them all a successful school year.

Otto Klaus gave a report that Robert Ott of Menomonie had been presented the FOB athletic scholarship. Bob was chosen by the athletic department to be the recipient of this grant in aid.

Ray Pitch and Otto Klaus, co-chairmen of Duffy's Tavern, gave a detailed report on the dance to be held on September 20. The dance will run from 8:00 through 12:00 and will have music by a five piece band from Eau Claire. Cider will be served through out the evening at the bar.

The annual back to school picnic with th Alpha Sigma Alpha sorority was discussed and the meeting was adjourned.

The first meeting of the Married Lutheran Student Association (M.L.S.A.) will be a pot luck picnic at Wakanda Park at 5:30 p.m. on Saturday, September 27. Bring a dish to pass and your own utensils. Beverage will be provided at the picnic. In case of inclement weather, the meeting will be held in Our Saviours Lutheran Church. The picnic activities will conclude early enough to allow those who wish to attend the Stout-Eau Claire football game to do so.

There are nearly 90 married Lutheran families represented in Stout state college's enrollment this year. This is an increase of twenty potential Married Lutheran Student Association families over a year ago.

CLUB NEWS

Thursday evening, September 18th, Phi Sigma Epsilon held their second meeting of the current school year. Plans for future dates for all related activities were discussed. We plan to hold a Pizza Party in the near future and we hope you will all watch for the date.

During the past week John Simmons was pinned to Yvonne Sharkey. Bob Gussel is still pinned after three weeks of school.

Saturday, September 27th, the Phi Sigs will be sponsoring a car wash at Phil's Standard Service at the corner of 7th and Main. We invite all to come in for a fine wash job and especially invite those who plan on taking their favorite girl to the game at Eau Claire.

Members of Phi Sigma Epsilon regretfully announce that John Wingen, a fraternity brother, passed away on September 22. A number of members went to his funeral on Wednesday.

Church night was well attended by Stout's Catholic students. A delicious supper was served by the ladies of St. Joseph's for all Newman club members and for their faculty advisors.

After supper, the Newmanites were well entertained as m.c., Mr. Ed Phalen, and other members of the club led them in group singing and square dancing.

The officers of the club were introduced and Father O'Lenny gave a few introductory remarks.

This year the Newman club hopes to be bigger and better than ever. Many new ideas were gotten when Jim Schnitzler and Brother Joseph O.S.A. attended the Club president conference in Columbus, Ohio, from August 29 to 31. Sharon Athorp represented the club at the Representative convention in Columbus during the first week of September.

At a meeting held on Monday, September 22, the Stout Arts and Crafts club voted to accept applications for new members. There will be a discussion of all applicants at the next meeting. Their applications will be sent to the Dean of Men for approval and there will be a formal initiation for all those accepted in mid-October. Anyone wishing to join, contact any active member of either of the advisors, Ray F. Kranzusch or Mr. Reneson. Freshmen are ineligible to join.

STOUT'S PRINTERS RECEIVE HONOR

Excellent work done by the printing department of Stout state college has received national recognition, as honors day programs and commencement programs prepared by that department have been placed in the permanent display of fine printing maintained by the Strathmore Paper Co., Springfield, Massachusetts.

The honors day and commencement programs were chosen because of the high quality of printing skill which they exhibit. These programs will now be placed on display by the Strathmore Paper Co. as models of printing excellence. They will also be used in advertisements by which that company depicts for printers throughout the nation examples of the printer's art.

On Thursday, September 11, Alpha Phi sorority held their first meeting. Immediately following the meeting the members went down to Riverside park for a picnic. Plans for rushing were discussed and congratulations sung to the summer brides, Loretta Sletton Wittig and Nancy Fisher Swanson. Congratulations were also sung to the engaged girls, Jean Sprain, Pat Soldner and Bobbie Mulock.

On September 18, the second meeting of Alpha Phi sorority was held. President Bo Brown gave a report on the business side of the national convention held in Pasadena, California, this summer. Plans for rushing and Founder's Day were discussed.

NEWS OF OUR ALUMNI

Dr. Irvin T. Lathrop has been appointed as assistant professor of industrial arts at Western Michigan University, Kalamazoo, and will take up his new duties in September. Dr. Lathrop, who received his B.S. from Stout in 1950, has his M.S. and Ph.D. degrees from Iowa state college.

Mr. and Mrs. Herbert Lehmann and sons, David and Tommy, have moved

from Augusta, Wisconsin, to Menomonie. Herbert graduated from Stout in 1948.

A 1937 Stout grad, Manvell A. Olson, is teaching mechanical drawing at Roosevelt high school in Atlanta, Georgia. 2241 Ringsmith Rd., Chamblee, Georgia, is his address.

123 Elm St., River Rouge 18, Michigan, is the address of R. H. Carrington (B.S. 1929.) He is the director of Vocational Education in the River Rouge schools.

Rosann Bongey, (B.S. 1949), is manager of a college dormitory at Michigan state university. Rosann lives at 701 Cherry Lane, E. Lansing, Michigan.

BOOK REGULATIONS GIVEN BY LIBRARY

The library circulates books and magazines and houses the textbook room.

If library books are not "on reserve," they circulate for a two-week period, and may be renewed when not in demand by another borrower. Magazines circulate for one week, and may not be renewed.

"Reserve" books may be taken for two hours, one day, or three days, according to the wish of the faculty member for whom they are "on reserve." Such books may not be renewed, and are subject to quite heavy fines, since rapid turn-over is important in this collection.

A fine schedule is posted on the bulletin board at the library.

"Reserve" books may be taken for overnight between 8:45 and 9:15 p.m., Monday through Thursday, and are due at 8:30 a.m. the following day.

"Reserve" books may be taken for the week-end between 3:20 and 4:45 p.m. Friday, and between 8:30 and 11:45 a.m. Saturday. All are due at 8:30 a.m. Monday.

Monday through Friday, the lib-

Students enjoy dancing at the Chi Lambda street dance.

ANNUAL STREET DANCE GIVEN BY CHI LAMBDA'S

A good crowd responded to the Chi Lambda Street Dance held in the Stout Circle last Friday evening, September 19. Dancing under the stars to the melodious strains of Columbia, Capitol and Epic recording stars. . . Ray Anthony, Les Brown, Ray Conniff, Les Elgart, Benny Goodman, Whoopie John, Little Richard, the Six Fat Dutchmen, and many more, those present enjoyed an evening of dancing and listening pleasure par excellence.

Dr. and Mrs. Nitz, and Dr. and Mrs. Farmer, dance chaperones, were delighted by the variety of modern, old time, and jazz numbers featured in long-play selections. Refreshments, including coke and potato chips, were served at the dance.

rary opens at 7:15 a.m. in order that "reserve" books may be returned before 7:30 classes; desk service begins at 7:30 a.m. during the last fifteen minutes of the day, the library is available for study only; desk service is discontinued fifteen minutes before the closing hour.

The library is open:
Monday-Thursday.....7:15 a.m. - 9:30 p.m.
Friday.....7:15 a.m. - 5:00 p.m.
Saturday.....8:30 a.m. - 12:00 noon.

Textbooks are serviced from the textbook room window in the ground floor lobby of the library. Mrs. Kay Smith is in charge of textbook service. The textbook window is open daily, 10:15 a.m. - 11:45 a.m.

It was one of those blistering days. I had called on a student to read aloud a brief paragraph from an essay. This he did, laboriously. When he finished, I asked him to comment on the significance of the passage which he had just read. His earnest reply brought even the sleepest student to an hilarious awakening. For he said, "I am sorry, sir, but I wasn't listening."

SCHULTZ BROS. CO.
MENOMONIE • WISCONSIN

know your . .
kampus

This week finds the first in a series of articles appearing in the "Know Your Kampus" column. This column is designed to better acquaint students with the various organizations on campus.

This week we are introducing the Gamma Sigma chapter of the Alpha Phi International Sorority. Alpha Phi was founded in 1872 at Syracuse University, Syracuse, New York, and is the third oldest national sorority in this country. The Gamma Sigma chapter was established here at Stout in 1958.

Their main objectives are to promote scholarship, cooperation and responsibility to college, sorority and society as a whole. Several other chapters in their district include the Universities of Illinois, Minnesota, Milwaukee, Wisconsin and Northwestern.

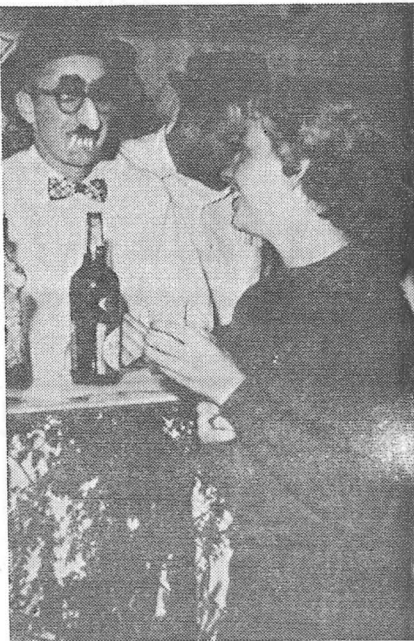

Included among their activities during the school year are a fall rushing party in which they traditionally follow an "Alice in Alpha Phi Land" theme and homecoming festivities. They sponsor an annual trip to the Twin Cities for shopping and theatrical entertainment. Panhellenic activities include rushing parties, the Panhellenic Ball, and a Greek Dance.

At the conclusion of the winter carnival festivities the Alpha Phi's give a Sno Ball. In the spring a May Day Tea is held in which the decorations are centered around the traditional May pole. They also have a dinner dance and give a scholarship to a worthy sophomore girl.

The officers for this year are: president, Bovaird Brown; vice president in charge of scholarship, Diane Davis; vice president in charge of pledging, Mary Ann Parkel; corresponding secretary, Sandra Sorenson; and recording secretary, Cynthia Bauer; treasurer, Alice Schweizer; Panhellenic representative, Rita Casey; and chapter advisor, Miss Anne Marshall.

SINCERE THANKS

Audrey Schroeder and Rick Koenig wish to thank those who donated to the John Wingen memorial fund. The donation was gratefully accepted by John's family.

Carol Barber gets set up at the bar at "Duffy's Tavern" held last Saturday night in Stout's small gym. The event is sponsored annually by the F.O.B. fraternity.

VICKROY NAMED NAIA DISTRICT 14 MEMBER

William Vickroy, football coach at Wisconsin state teachers college, La Crosse, has been named district 14 member of the National association of intercollegiate athletics football rating committee.

The appointment was announced by Ray C. Johnson, athletic director at Stout state college, and chairman of NAIA district 14.

Vickroy replaces Joseph Gerlach, former coach at Stout state who has moved to the football staff of Minnesota state teachers college, Winona, Minnesota.

Stout state college is a member of NAIA district 14.

JONES
MENOMONIE PHARMACY

"No gain" as the Bluedevils close in on the St. Cloud ball carrier in last Saturday's contest. Bill Ott and unidentified teammate plug the hole.

STOUT'S GRIDDERS DROP NUMBER TWO TO THE ST. CLOUD HUSKIES 24-12; LOHR, BUSS HURT

KINDSCHY WILL HEAD GRIDDERS THIS SEASON

The captain of this year's Bluedevil football team is William Kindschy from Galesville, Wisconsin. This 6'2", 210 pound tackle is playing toward his third major letter at Stout.

His high school sports included 3 years of football; also he won all conference recognition, 3 years of basketball, also all conference and two years of track, in which he participated in two state track meets.

Besides his endeavors in football, Bill has two years of varsity basketball and is president of the letterman's organization, the "S" club.

Kindschy graduated as salutatorian of his class at Gale-Ettrick high school and chose a Knapp Scholastic-Athletic scholarship to the U. of Wisconsin. Other enticing offers came from Ripon College, Wyoming, and Winona state teachers. Bill won his freshman numerals at Wisconsin as a tackle before coming to Stout.

Besides sports and the "S" club, Bill is a member of E.P.T. and maintains a 2.3 average. His hobbies include building model air planes and collecting records. His active campus life still leaves time for part time work.

Comments on football: "I love defensive play, but like to play the full 60 minutes and like the rest of the team, I like the abilities of the new coach and feel this will be our best year since I've been at Stout."

* * *

She: "Would you like to see where I was operated on for appendicitis?"
He: "No. I hate hospitals"

St. Cloud snapped its prolonged losing streak at the expense of the Bluedevils last Saturday night, 24 to 12. The first quarter found the Huskies crossing the goal marker twice for 12 points and the opening play of the second stanza was good for six more counters. The Stoutmen never recovered from the 18 point deficit.

A five yard penalty and a 44 yard pass moved the Huskies to the Stout 23, where two first downs and a three yard plunge through the middle gave St. Cloud its first score of the game.

When St. Cloud again received possession of the ball, a 49 yard sustained drive set up Wesloh's crash into the end zone from the five. The second PAT of the evening was missed by the Huskies.

The opening play of the second quarter was a 31 yard Ott to Wesloh pass. Wesloh took the aerial back of the Stout secondary and stepped into the end zone. Again—no PAT.

Stout made its bid for a comeback, opening with a down field march consisting of seven first downs coupled with a 15 yard St. Cloud penalty on Stout's fake kick. Mitchell plowed the last yard on a fullback plunge. PAT, you guessed it, no good.
Half 18 to 6

The Bluedevils assumed control of the ball midway into the third quarter. On first down a 45 yard Bundy to Sopata aerial carried to the Huskies' four yard marker. A five yard penalty delayed the score, but again Bundy tossed to Sopata for four yards and six points. PAT—NG.

Stout moved well in the last stanza and held the Huskies at bay. St. Cloud punted to the Bluedevils, where a reverse fumble set up the Huskies' last scoring opportunity on the Stout 13. The line held for three plays before St. Cloud broke through to the Blue and White's three and on the next play cashed in for six more points and the game. Ott blocked the attempted PAT.

Final: St. Cloud 24, Stout 12

Stout 0 6 6 0 12
St. Cloud 12 6 0 6 24
Turning point: Fumble by Stout on their 13. Up until that point the Blue-

ROBERT BOSTWICK IS NEW FOOTBALL COACH

The new look in Stout state football is due to the addition of head football coach Robert Bostwick to the Stout athletic staff. His energetic brand of coaching has given renewed life to area sports enthusiasts, as witnessed by the number of players and the size of last Saturday's crowd at Nelson field.

Coach Bostwick played high school ball at Washington H. S., Washington, Iowa. He participated in football, basketball, track, and was an All State Iowa halfback.

Mr. Bostwick won two major letters in football at the U. of Iowa in 1949-50. His athletic accomplishments also included two minor letters in basketball.

Upon graduation from the U. of Ia. with a B.S. Commerce degree, he entered the Air Force for two years and served as an athletic personnel officer. After his release from duty, Mr. Bostwick returned to Iowa to complete graduate studies in Education.

His first coaching duties were at East Peoria high school in Illinois as assistant coach for one year. He then accepted a position as assistant coach at Fort Dodge, Iowa. After one year as assistant, he assumed the capacity of head coach and held that position upon coming to Stout this fall.

Coach Bostwick uses the split-T offensive pattern and utilizes a few plays with variations, such as splitting the ends and inside, outside belly series. The defensive patterns are basic plans adjustable to the ability of the player and to the opponent. "I feel this builds confidence in my men and allows him to participate to his capacity," says Bostwick.

"I prefer a man with desire, speed and the will to work; the rest we can teach him," he stated. "Fumbles, penalties, poor calling of plays, missed assignments, and intercepted passes can lose the games."

Upon this foundation rests a bright future for Stout football.

devils had a chance to get back into the game.

Injuries: Chuck Lohr and Lyle Buss.

* * *

Old-time mosquito to young mosquito: "And to think that when I was your age, I could bite girls only on the face and hands."

LEAGUE OPENER AT EAU CLAIRE HARKE TO PLAY

Tomorrow night's contest at Eau Claire will be the Bugolds' second league start and the opening conference game for the Stout Bluedevils. Both 11's have 0-2 records for the year, Eau Claire dropping their opener to St. Norberts 30 to 19 and last week's game to Oshkosh, 7 to 6.

In the St. Norberts' game the Bugolds were impressive in the middle of the line, but that was all. The contest between Eau Claire and Oshkosh left much to be desired from both teams. The Bugolds used 11 offensive patterns, favored Berseth, an end, on passing. Lee threw most of their long ones, and they gained little through the air. The ground work consists of a loose and tight T, guard slant and left slant pattern.

The passing defense looked strong against Oshkosh and 8-2-1 and 8-1-1 defense is alternated with a 4-4-2 and sometimes a nine man line.

Stout has been working on new offensive plays, pass defense and heavy line work. The Bluedevil's pass defense at St. Cloud was about par with the Winona game. Chuck Lohr and Lyle Buss are running strong after their injuries at St. Cloud, and Glen Harke will be back in the line up. Barring practice injuries, the team should be in top physical shape for the game.

Both teams are about even on paper with neither showing any outstanding football to date. Both will be gunning for that first win. Stout with Harke back, hard line play, two straight defeats and a desire to give Bostwick his first Bluedevil victory, should come home a winner.

MILWAUKEE BRAVES

The FIRST NATIONAL BANK
MENOMONIE, WISCONSIN
HOME OF STOUT STATE COLLEGE

Happily pinpointing each location in North America in which a print of the high tension electric film, "My Pop's a Lineman," has been sold are Dr. David Barnard (left), head of the audio-visual center at Stout state college, and H. C. Potthst, director of Job Training and Safety committee of the Wisconsin schools of vocational and adult education.

STOUT CREATES FILM AROUSING WIDE INTEREST

International interest in a recent motion picture created on the campus of Stout state college has resulted in a distribution contract signed between officials of the college, the Board of Regents of Wisconsin state colleges, and International Film Bureau.

Since its release last December, the film, "My Pop's a Lineman," has been purchased by various organizations in the United States; Canada; Australia; Pretoria, South Africa; and in Manila, Philippine Islands.

Signing the contract were E. R. McPhee, secretary of the Wisconsin state college regents, Dr. V. C. Fryklund, president of Stout, and officials of the International Film Bureau Inc., Chicago.

Sale already of 41 prints of the motion picture, and the desire of a number of Spanish-speaking countries to purchase the film with sound track in Spanish, led to the decision that an international film distributing bureau should undertake the many responsibilities of previewing and selling prints.

STOUT NAMED AS ONE OF LEADING INSTITUTIONS IN TEACHER PREPARATION FOR SECONDARY ED.

"One of the leading University institutions in the United States for the preparation of teachers in various fields of secondary education is Stout state college in Menomonie, Wisconsin." So states the "Educazione Professionale e Istruzione Technica in U.S.A." an educational journal recently sent to Dr. Verne C. Fryklund, president of Stout.

The journal is a publication of the Counsel of the Ministry of the Italian government, with headquarters in Rome. Evidence of Stout's international reputation is the stress which the Italian author-educators placed on the fact that they studied the college "three whole days" and also toured the "small city of Menomonie."

According to the committee, its visit was extremely interesting and useful, and revealed to us one of the most serious, concrete and suggestive aspects of the American school organization.

Because the committee believed it "is necessary to print in detail the or-

ganization of a Teachers College which is considered one of the most important in the United States," they enumerated in detail Stout's educational aims and goals.

The Italians evidently were much impressed by the "ever-present, precise goal of preparation of conscientious and responsible citizens." The report also made considerable mention of "Stout's comfortable library," wide use of discussions, training in public speaking, and large measure of student self-government.

During their three days on the Stout campus, the visiting committee members conferred with Dr. Verne C. Fryklund, college president and Dr. John A. Jarvis, dean of Stout's school of industrial education.

Stout has a long-standing reputation for attracting foreign students. Among enrollees last semester were students from 11 nations including Turkey, British Honduras, Ethiopia, Costa Rica, Cuba, Nicaragua, Jordan, Thailand, Korea, Indonesia and Canada.

HOMECOMING PLANS ARE WELL UNDER WAY

Numerous Committees Are Busy Organizing Their Various Activities

Homecoming is October 25 and with this date looming ever nearer, the committees are busy organizing their various activities. Some of the activities included in this October Harvest festival will be the decoration of the school, town, and football field, the parade, the bonfire, the all-school mixer, the Queen's tea, the coronation and the beautiful Homecoming dance.

The chairmen of these activities have been chosen carefully so that the very best may well be expected.

In charge of the school decorations and the Friday night mixer will be seniors, John Kasten and Jim Schnitzler.

The sophomores will take charge of the town and Nelson field decorations. Tony Pollino and Fred Schleg are the chairmen of this committee.

Bob Gussel and Don Gibbons are in charge of the float entries, arranging a route for the parade and contacting marching bands from around this area to join in the celebration.

Each year it is the job of the freshman class to build the letters of the opposing team's school. These letters are built out at the fairgrounds and preceding the regular bonfire, they are burned to show how the "enemy" will go down in defeat. Lyle Buss and Phil Livermore the in charge of the erection of these letters.

The combined forces of Tony Pollino, Al Hammerschmidt, Dale Wahl and Virgil Gottwalt will work together to organize the materials for a huge

bonfire. While this fire burns, the student body will cheer for the Stout team and listen to votes of confidence for the school from the faculty and alumni.

In charge of the annual Queen's tea are Jane Thompson and Mary Tickler. This is a beautiful event and well worth attending.

Marlowe Zoberski and Nancy Feuerstein have the important job of getting the decorations, gifts and corsages for the coronation of the 1958 homecoming queen.

The homecoming dance will be put on by the juniors with Don Stoddard and John Sherry in charge. This is the grand finale to the homecoming activities.

Amidst the hustle and bustle of all these preparations, the real meaning of homecoming may seemingly be passed over. It is the Stout football team that makes this gala event possible and it is they who have the most important job of all—making Stout a school to be proud of in victory or in defeat.

MEMBERS OF FACULTY IN EDUCATIONAL MEETS

Taking part in educational meetings this week are three members of the faculty of Stout state college. On October 2, Dr. Thomas Fleming, associate professor of English at the college, addressed the industrial arts sectional meeting of the Regional Lake Superior Education association on the topic, "Writing Articles for Industrial Arts Magazines."

On October 3, Dwight D. Chinnock, associate professor of industrial education and supervisor of student teaching in the Stout school of industrial education, and Miss Margaret Perman, instructor in home economics education and supervisor of the off-campus student teaching program for school of home economics, participate in the annual meeting of the Wisconsin unit of the Association for Student Teaching, to be held at Mayville, Wisconsin.

Mr. Chinnock will report to the gathering as chairman of the auditing committee. Miss Perman will serve as an analyst for a group discussion devoted to "Responsibilities of Institutions of Higher Education, the State Department and the Public Schools for Post-Teaching Experiences."

SIG TAU HOUSE IS REMODELED FOR RESIDENTS

This year, as last, the majority of the Sigma Tau Gamma fraternity members are living in their fraternity house located at 118 4th Avenue West.

The fraternity purchased the house in 1957 and after extensive remodeling began residence last year.

The three story mansion had been the property of the T. B. Wilson family for nearly half a century, but had been vacant for the previous five years.

Last year the building was fire-proofed, kitchen remodeled and the porch made into a dining area. Last year there were twenty in the house, but this year they have raised the total to 33.

This summer much time was spent in remodeling. The old kitchen and dining room are now an apartment for the new house mother, Mrs. Voight. The apartment which was occupied by the houseparents last year, Mr. and Mrs. Richard Hagstad, has been converted into an apartment for seven men.

The recreation room in the basement is now also the dining room with a kitchen in the rear.

Third floor also received attention with more closet space and a fire escape being added.

Officers at the house this year include, Chuck Hornich, house manager; Tom Rosenthal, food manager; and John Kasten, treasurer.

All work done in the house is on the cooperative basis. Each member has a specific job, whether it be working in the yard, or K.P. Work sessions are held for large projects in which all residents participate.

SORORITIES GIVE OUT NEW PLEDGES' NAMES

BULLETIN BOARD

Classes will be dismissed on Thursday, October 9, at 11:30 and will not meet on Friday, October 10 because of the Northwestern Wisconsin education association meeting to be held in Eau Claire.

Tickets for students at a special rate of 50 cents are available in President Fryklund's office.

Thursday morning is a no-cut day.

Reserve library books, for the week end of October 10-11, may be taken any time after 3:20 p.m., Thursday, October 9, to be due at 8:30 a.m., Monday.

Library hours for the week end will be: Thursday, 7:15 a.m.-5 p.m.; Friday, 8 a.m.-12 noon and 1 p.m.-4 p.m.; Saturday, :30 a.m.-12 noon.

MANAGEMENT HOUSES REGAIN OCCUPANCY

The two home management houses are open for another year. Miss Kube is in charge of the 5th Street house; Miss Trullinger is in charge of the house on 6th Street.

Each girl at Stout is required to live in one of the home management houses for approximately six weeks. While there she will learn the principles of budgeting, meal planning and general home management.

Living in the 5th Street house are: Betty Schomburg, Opal Burton, Myrna Shearer, Carol Bibby, Ruth Olson, Mina Clausman, and Louise Grant.

Mary Tickler, Beverly Madsen, Sonja Weaver, Annabelle Ballard, Chris Ostertag, and Peggy Handlos live in the 6th Street house.

Announcement Ends Hectic Two Weeks of Fall Rushing

Climaxing the hectic two weeks of fall rushing was the announcements of the new pledges for the sororities on campus. Invitation arrived on Wednesday.

Fourteen sophomores were initiated as pledges of Alpha Phi last night in the tea room at Tainter hall. They are Rita Bouham, Mary Diedrich, Ann Hedler, Sharon Horsch, Deanna Howell, Karen Kotts, Fern Krueger, JoAnn Schoemer, Jean Smith, Anne Thiel, Irma Thompson, Sally Weiss, Pat Wenner and Skippy Williams.

The Alpha Sigma Alpha sorority initiated 12 sophomore girls as pledges last Wednesday evening in the tea room at Tainter hall. They are Carol Bishop, Dorothy Braunworth, Pat Choitz, Donna Dempsey, Mary Jane Fleury, Cynthia Goehring, Kay Koepfer, Sondra Maxwell, Marilyn Schley, Virginia Scott, Beverly Voigt and Sandra Wilcox.

The Delta Zeta sorority held their formal pledging on Thursday, October 2. The following girls were pledged to the sorority. They are Wilhelmina Claseman, Patricia Boettcher, Barbara Dickinson, Carole Joy Hoppe, Irene Kettunen, Nancy Fruit, Kathie Shattuck, Marjorie Rauverdink, Mary Price, Jean Moran and Susan Smith.

New fall pledges for the Sigma Sigma Sigma sorority are Jean Arneson, Ruth Brill, Bonnie Conrad, Anne Dahl, Jean Koltunski, Mary Metz, Janice Smith, Bunny Stehr, Bonnie Vanderbilt and Jackie Zielinski. Formal pledging for the new Tri Sigma pledges was held last Thursday evening.

Located at 118 4th Avenue West, the old Wilson mansion has been turned into the Sigma Tau Gamma fraternity house. Extensive remodeling was done on the house this summer.

Relaxing in the living room of the Sig Tau fraternity house are the house mother, Mrs. Voight, and Joe Jajtner, Jerry Porter, and Chuck Hornich.

LETTER TO THE EDITOR
PERCEPTION WITH APPRECIATION

As I entered the auditorium and walked down the aisle I stopped, sat down, and peered into the darkness. The auditorium was lifeless. What makes our auditorium come to life? Sitting there, I thought, then concluded that light surely would bring this room to life. With a snap of my fingers there was light. It shone in every corner of the stage, and the reflected light illuminated the seating area. As I gazed about, admiring the new features of our auditorium, I still was not satisfied. Surely with light showing the wonders of our stage, there should always be a feeling of happiness, but there wasn't. I knew what we needed, activity. Blinking my eyes I observed an orchestra, playing soft sweet music. Now I felt sure everything was just right. The music echoed and re-echoed. What can be wrong? I have light and activity. Ah, but to satisfy the art of light and we need perception. As the human being has basic needs, so does our auditorium. These needs are light, activity, and perception. Looking about, I see that faculty members and students are filling the seats. Now I know that the auditorium is alive, because we have light and entertainment which enables perception. Our projecting factor is an educational, cultural and entertaining group.

Our auditorium is equipped with light, and many groups provide us with entertainment, but only you, a faculty member, or a student, can provide our auditorium's third basic need, perception with appreciation.

ORGANIZATION NEWS

Eichelberger hall was the place where the Delta Zeta sorority members met for a work meeting on Thursday evening, September 25, at 7:15. All the members were very interested to hear Miss Carrison speak on the subject, "Improve Your Study Habits." This was the first of the 6 Delta Zeta Standards meetings for the school year. Later in the evening more definite plans were discussed about the Delta Zeta rushing party. Discussion was lead concerning Homecoming to be held on the weekend of October 24 and 25th. All Delta's or former Hyperian alumnae and members are invited to the homecoming breakfast on October 25th. At the end of the meeting, the members joined in singing some of their sorority songs together.

Final plans and organization of the Street Dance were outlined by Al Mattson, dance chairman, at a meeting of the Chi Lambda fraternity, Thursday, September 18. Pledgemaster Rog Reuther presented the new organization of pledging for the fall season. Revisions of pledge duties were discussed and approved by the fraternity.

The monthly dinner meeting, picnic style, was held Thursday evening, September 25, at Wakanda park. A

hay ride is in the wind—tentatively scheduled for this evening, September 26.

Members of the fraternity extend hearty congratulations and best wishes to Don Gibbons and Bobette Mulock on announcing their engagement recently.

The Alpha Sigma Alpha sorority enjoyed sponsoring the Bermuda Blast and are happy that it was a success. At their weekly sorority meeting, congratulations went to Dorothy Grundemann for winning the homecoming theme, "October Harvest" and to Carol Barber and Shirley Aitken for being elected cheerleaders; also to Jan O'Grady who was elected senior class secretary. Plans are being made for the homecoming breakfast. Some of the sorority members plan to attend the installation of an Alpha Sigma Alpha chapter at the University of Wisconsin at Milwaukee.

Gamma Pi, the local chapter of Gamma Delta will hold a picnic at Wakanda park Sunday, October 4th. All those who plan on going should sign up on the organization bulletin board. Transportation will be provided from St. Paul's church, corner 9th street and 11th avenue, at 5 p.m.

All students interested in joining Gamma Pi's choir are asked to meet at St. Paul's school at 4 p.m. Sunday October 4th.

All Lutheran students are invited to both. It is hoped that a large number will turn out.

On September 25 at 7:00 p.m., a short house meeting of Sigma Tau Gamma was called to order by brothers Chuck Hornick and Tom Rosenthal. At this time, plans were made for the killing and cleaning of 100 chickens. Brother Andy Andersen, who has had sufficient experience in this sort of thing, volunteered to head the committee.

At 7:30 the business meeting was called to order by president Don Hoffman. A party was planned for after the Eau Claire football game. Brother Garry Penn, who is heading the committee, gave a short report. A float for homecoming was chosen and plans are under way for its construction. Heading this committee is brother Andersen. It was called to the attention of the members by brother McKinnon, that in two weeks we will have our first dinner meeting

Strictly For Men Women
With Joannie and Johnny Bluedevil

This year the STOUTONIA brings to the students of Stout a new column which the editors hope will bring a small measure of enjoyment to you, the reader. Under the separate headings of "Strictly for men or women," it is hoped that you will find things of interest to you. Fashion tips, latest jokes, gossip and handy tips are just a few things that will be included. If you run across anything which you think has a place in one of these columns, address a note to Joannie or Johnny Bluedevil, and leave it in the STOUTONIA mailbox. With this brief introduction, here goes: hope you'll enjoy it.

Since this is a column "Strictly for Men," I would like to extend a welcome to my snoopy female readers. It is a pretty safe bet to assume that most of the coeds at Stout will read this column.

It may be belated, but I would like to extend my welcome to the freshmen men. I imagine you already know of all the night spots around, and the magic combination, 1625. I hate to preach, fellows, but don't forget that you have studies to do also. Don't let this worry you too much, however; I'm sure that most of the upper classmen would be glad to show you how to get around it.

I'm afraid the female fashions this fall are still going to keep us guessing, fellows. I'm beginning to think there is something the matter with the modern girl's waist. First they tried to hide it with the chemise and now they're trying to move it with the new empire silhouette. Then again to the other extreme, it appears as if they are starting to run around in their long underwear. They call it a "leotard," but who do they think they're kidding?

Did you ever listen to some of the female spectators at a football game? Sometimes you get a better show than on the field. They'll scream, holler and boo, yet not have the slightest idea what's going on. At the Stout-Eau Claire game, one couldn't even figure out which direction we were going in. I even heard of one that was so dumb,

Joannie and Johnny Bluedevil

Hi there, coeds. Welcome to my new column. I hope you will all enjoy it and contribute timely bits of information now and then.

It seems fall is finally here, although the leaves have been changing colors for weeks. Some Saturday soon would be a nice time to go out and enjoy the beauties of nature.

Most of the summer cottons have been put away and corduroy and wool are back in the picture. This fall, the new look is the empire silhouette. To me, it looks much like the celebrated

NEWS OF OUR ALUMNI

Clarence H. Larson has been honored nationally by the boy scouts and the Salvation Army for "outstanding services to youth." He is a Menomonie high school grad, and he received his B.S. from Stout in 1923.

Mrs. Carl J. Haase (nee Maruie Iebultz, B.S. 1936), is a rehabilitation case supervisor for the state of Wisconsin rehabilitation division of the state board of vocational and adult education. The Haase's live at 1301 Travis Street, La Crosse, Wisconsin.

MEN CONT. . .

she thought a quarterback was a refund. It appears as if one of the fraternities on campus is going into the poultry business. Bright and early last Saturday morning, the members of the Sig Tau were rudely awakened and set to the task of killing and cleaning over 100 chickens. I can't figure out what they will do with them all, but I imagine the fellows eating at the fraternity house are going to get pretty sick of chicken dishes. It seems as if fraternities will do anything to paddle one of their brothers. The entire Phi Sig fraternity is journeying to Milwaukee this weekend to attend the wedding of one of their members.

Supervisor of apprentice training, foreman training, and aptitude testing for Westclox Division of General Time corporation, is H. H. Henderson (B.S. 1930). His home address is 426 Roosevelt Road, LaSalle, Illinois.

A 1929 Stout graduate, Kenyon S. Fletcher, 6858 So. Paxton, Chicago 49, Illinois, is assistant manager of the Midwestern Division of D. C. Heath and company.

Mrs. Floy Harley (nee Floy Whitmore, B.S. 1942) is a chemist for Abbott Laboratories in North Chicago. She lives at 801 Atlantic Avenue, Waukegan, Illinois.

WOMEN CONT. . .

hemise, with only a few minor variations. I still prefer the sheath. You'd think it was spring, the way the engagements and pinnings are budding. The pinnings are as follows: Yvonne Sharkey to John Simmons; Alice Marshall to Lucky Lundin; Donna Beguhn to Bob Papas; and Bob Gussel and Fred Slaby have given away their fraternity pins to girls unknown. These engagements have been announced: Jean Sprain to Tom Rosenthal; Bobbie Mulock to Don Gibbons; Mary Detriech to a boy from out of town; Julie Blank to Dave McNaughton; Jerry Krueger to Dick Tepp; Jean Goehring to Rich Schendel; and Joe O'Leary has given a diamond to some lucky girl. Does Stout have a new mascot, or just what was that beast that Gerry Porter had on his back at the Eau Claire game? Could it have been a raccoon coat? Speaking of the Eau Claire game, "lectards" were in evidence. They've also been appearing recently on the Stout campus. Wonder what the men-folk think of this latest fad? If any of you gals have any news-worthy bit of information, drop me a line in care of the Stoutonia. Try as I may, I can't do this job alone. Your help will be very definitely appreciated.

ALPHA PHI OMEGA

Lose something? Try the APO lost and found department in the basement of Harvey hall. APO stands for Alpha Phi Omega, an organization founded on the principles of the boy scout movement. A service organization whose goals are established on four levels: 1. to the student body and faculty; 2. to the members of the fraternity; and 3. to the community and 4. to the nation as participating citizens. APO is a national fraternity. It was introduced and started at Stout in 1949.

One of the social functions of the year is the Ugly Man on Campus contest which will be in November this year. The fraternity uses the proceeds from the activity for a one hundred dollar scholarship to be given to a worthy upper classman. Also they have planned a kite flying contest to be held next spring. You will find APO on the job throughout the year organizing and assisting in many of the athletic activities.

At present the officers are: president, Bob Gannon; secretary, Jim Sinette; treasurer, Ron Bergmann; and chairman of the advisory committee, Dr. Salyer.

Membership is open to anyone who is or was a boy scout.

ALPHA PSI OMEGA

The theatrical activities carried on here at Stout are given by the Alpha Psi Omega national dramatic fraternity. As a national organization, Alpha Psi Omega was founded in 1925 to recognize and reward all phases of student participation in college play production. At the present time there are over 230 college chapters with a membership of over 14,000 members.

The Stout chapter originated in 1935. Its purposes are to provide an opportunity to participate in college productions and also to provide an honor society to those doing a high standard of work in drama.

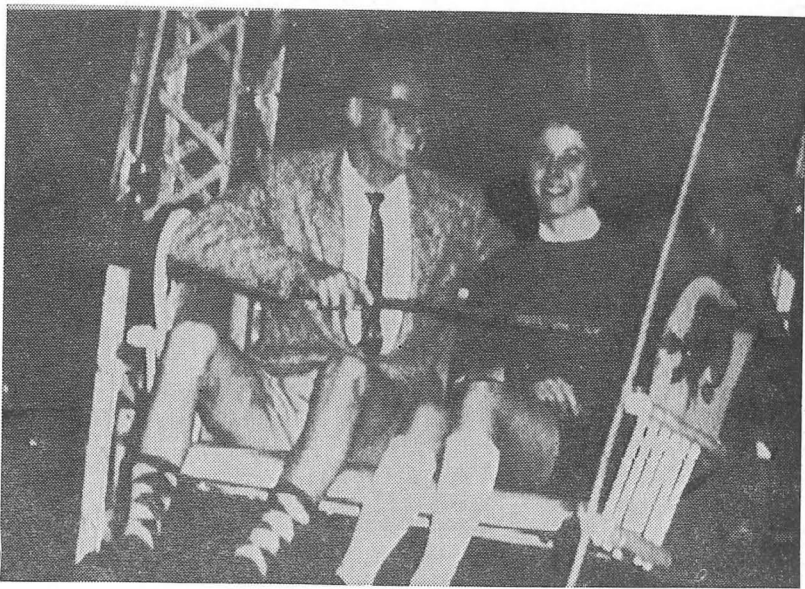

There are two classes of membership in this organization. Upon attaining 100 points one is eligible to become a member of the Manual Arts Players, which is the first class. Once you become a member of MAP, you are entitled to earn 75 more points which will make you eligible for membership in the second class. This second class is Alpha Psi Omega, and membership is a distinct honor.

There are two three-act plays presented each year, one in the fall, and the other in the spring. Several one-act plays are also presented throughout the year.

Many different areas of work are included in the production of a play, and students are invited to participate in any or all of them. There is a place for you if you like to act in plays, design settings, build scenery, paint scenery, operate the stage lighting, or make costumes. You might also like to write publicity, apply make-up, collect and build properties, shift scenery, or operate sound effects.

In addition to play production, the Alpha Psi Omega's have numerous social activities. They see professional plays, and attend picnics, parties and the annual banquet. After the work and enjoyment of producing a three-act play, members and other students who helped with the production get together to relax at a party.

Since it is educational as well as en-

Following the Bermuda Blast, held last Friday night by the Alpha Sigma Alpha sorority, many students took to the rides set up all over town. Above, John Kasten and Bo Brown take a spin on the ferris wheel.

A.S.A. BERMUDA BLAST
TERMED SUCCESSFUL

The Bermuda Blast sponsored by the Alpha Sigma Alpha sorority was held September 26 in the small gym. A nice crowd attended, and many of the fellows dressed according to the theme and took advantage of the free admission. The music was on record and throughout the evening refreshments of coke and pop corn were served.

tertaining to see professional actors, the members take a trip each year to the Twin Cities to attend a professional play.

Alpha Psi Omega gives two awards each year to deserving students. One award goes to a senior member, who is chosen because of his or her exceptionally fine work in dramatics while in attendance at Stout. The recipient of this award has his or her name engraved upon an honor plaque.

To a freshman student having contributed the most to dramatics in his or her first year at Stout, goes the other award, which is a \$25.00 scholarship for continuance of study at Stout.

The officers for this year are Joe Jajtner, president; Joan Braunworth, vice president; Donna Enders, secretary; and Richard Dirschel, treasurer.

LEE'S DRUGS

Sports Roundup

Rifle club is sponsoring a Safety day at Stout on Monday, October 6. The program will begin at 7:30 p.m. in the small gym.

Displays and lectures are the principle items in the program. Mr. Jim Whealon, game warden of Eau Claire county, is setting up this program for us and Mr. Bob Smith, newly appointed game warden for Dunn county and a 1955 graduate of Stout, is assisting him.

These displays and lectures are planned in your interest and benefit so all you sportsmen and women and anyone interested are invited to participate in this first Safety program.

The Wisconsin Athletic and Recreation Federation for college women will hold its convention at La Crosse state college October 3-4. Twenty-three Wisconsin colleges and universities have been invited to the event, including Stout. "Competition" will be the subject for discussion. Delegates from Stout are Fran Ginter, Kathy Thuli, Iloa Leu, Nancy Fenner, Mary Alms, JoAnn Schoemer and Sharon Horsch. Miss Erdlitz and Miss Antrim will accompany the girls.

NOTICE

The soccer players will hold their second practice session Saturday afternoon, October 4, at 2 p.m. at the south end of Nelson field. In case of rain it will be held at 2 p.m. Sunday. The third practice will be held at 5 p.m. Tuesday, October 7, at Nelson field.

MILWAUKEE TO HOST STOUT, KICKOFF 1:30

Tomorrow night the Stout Bluedevils will square off against the U. of W. Milwaukee branch Cardinals at Pierce field at Milwaukee. Both teams will be looking for their first conference win in two starts. The Cardinals dropped their first league contest to Oshkosh, 22 to 0. In a nonconference tilt, Moorehead state, a title contender of Minnesota, fell victim to Milwaukee 19 to 6.

In last week's contest with Oshkosh, the Cardinals out-played their opponents but lost on two intercepted passes and a long run. Coach Bostwick predicts a rough, hard-played game and has pushed his boys hard in preparation for the contest.

With all conference center Cucinello, six backs and three ends leading the winged T attack, Milwaukee is looking forward to its best season since 1955. The tackles and guards are the only positions not filled by regulars from last year's squad.

Stout's traveling squad will consist of 31 men. The tentative lineup will have Ott and Unertl at ends, Kindschy, Lubahn or Doane at tackles, Buss and Raczek at guards, Feller and Lohr alternating at center, with Feller taking a guard with Lohr in the lineup, and a backfield of O'Leary at quarter, Anderson and Harke at the halves and Bundy at full.

STOUT STRONG ENDS BOLSTER FORWARD WALL

Each year many new names appear on your athletic programs. For the freshmen and transfer student the let-terms as well as new players are unknown. A short athletic biography of the team member is in order.

Ends:

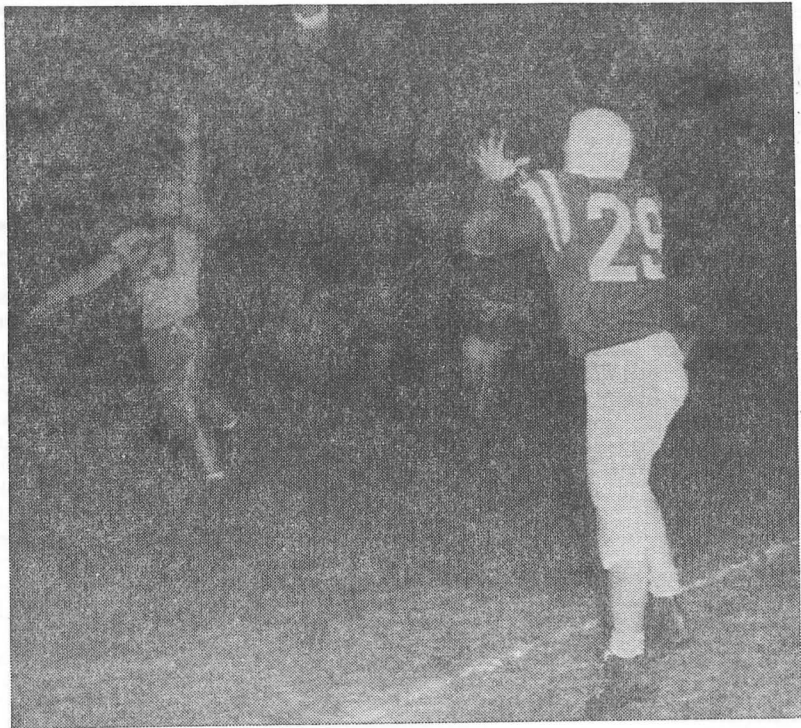

Bruce Eland hales from Marinette, Wisconsin. His high school athletics included football and basketball. At Stout Bruce is gunning for his third football letter. Eland stands an even six feet and tips the scales at 190. Kick offs and punting the his specialties.

Richard Brehm comes from Knapp, Wisconsin, and played his high school football at Menomonie high. He earned three letters at tackle and one in track. This six-one athlete has already earned three college letters and has played tackle as well as end. Dick weighs in at 190.

Ron Unertl is Mosinee, Wisconsin's, addition to Stout. Ron received a letter his freshman year and is starting his second season after a year's lay-off. His high school career included three letters in football plus an all conference award. Unertl goes 6 foot 3 and weighs 195.

Lawrence Gannon comes from Chippewa Falls, Wisconsin. Larry participated in both football and basketball at Chippewa and was chosen MVP by his team mates. Gannon is the shortest end, standing 5-11 and weighing 185.

Nashauk, Minnesota, is the home of Ken Carlson. Ken has an impressive background in athletics. He accumulated six high school letters while playing football, basketball and track

Ott snags O'Leary's aerial for substantial yardage in Stout's sustained touchdown drive late in the fourth quarter against Eau Claire.

EAU CLAIRE STAGGERS BLUEDEVILS 27 TO 6

KINDSCHY, DOANE INJURED SOPATA IS OUT FOR THREE WEEKS

A game marked by fumbles, intercepted passes and at times a sprinkling of sharp football gave Eau Claire its first league victory as they dumped the Bluedevils 27 to 6. Adler and Devine scored twice and Hedington kicked three extra points.

The Bugolds cashed in on Stout's fumble early in the first quarter. Gaining possession on the Bluedevil's 37, a first down on the 8 set up Adler's romp into pay dirt. The PAT was good.

The second quarter: after an exchange of punts, Eau Claire received on their own 47; on third down Odegard hit Perkinson on the five. An illegal formation cost five yards and moved the ball back to the ten. Perkinson again picked one out of the air to move to the Stout six. Odegard ran to the two and on the next play Devine crossed the goal marker for six points. An attempted pass fell short on the PAT.

Anderson ran the kickoff back to the 47 for 15 yards. Tom Sopata was injured on the play and left the game. Up until this point Sopata had shown great power in leading the Blue and White ground attack. After first down Devine intercepted a Stout pass. Stout regained possession when Bundy stole the ball from Odegard. Odegard proceeded to even counts when he inter-

cepted Bundy's pass and moved to the Bluedevil 35. The half ended 13 to 0. Eau Claire intercepted a Stout pass on the 25 to set up their third touchdown. Devine carried to the seven and Adler gunned into the end zone for his second TD of the contest. Hedington split the uprights to give a commanding 30 to 0 lead to Eau Claire.

Stout received and on second down fumbled on their own 40. The Bugolds passed the Stout 21, Devine fumbled in the backfield, recovered, reversed his field and with sparkling down field blocking scampered into pay dirt. Bill Kindschy was injured and left the game. The PAT was good and Eau Claire assumed a 27 to 0 lead.

Jim Rice, Eau Claire coach, started to empty his bench with 4:20 of the third quarter left. Anderson received and carried to the 31. Bill Doane was raked up on the play and again Bostwick had to dig deeper into the reserves. An exchange of punts found the Bluedevils with their backs against the wall on the 3 yard line. O'Leary kicked to his own 25, Eau Claire fumbled on first down, Raczek recovered for Stout, Anderson ground out 8, Ott picked a pass on the 49, and McDonald penetrated Eau Claire's territory for the second time in the game. A fumble and O'Leary's fake kick placed Stout on the Bugolds 35.

An intercepted pass carried to the Stout 41. Again a fumble gave the Bluedevils possession on their 35. A pass to Ott moved play to the 38 of Eau Claire, Unertl snagged one and

and was chosen all conference for two years. He has two junior college letters and won all junior college recognition in 1955. Two years of service ball are also part of this six foot-220 pounder's experience.

Robert Ott is from Menomonie, Wisconsin. He left quite a trail gaining letters in football, basketball and track. Besides these nine monograms he received the MVP and MIP awards. Ott has received the FOB athletic scholarship at Stout and expects to play basketball for the Bluedevils.

MENOMONIE PHARMACY

TEPP, NADEAU ASSIST BLUEDEVIL COACH

Two outstanding athletes from last year's grid team are now serving in the capacity of assistant line coaches. Their leadership and fire have added much to the spirit and drive of this year's Bluedevils. All conference choices for 2 years respectively, James Nadeau and Richard Tepp are both enjoying the opportunity to work with their former team mates and in turn are gaining valuable information and methods to employ in their future as teachers and coaches.

The athletic career of Gus Tepp started in Stevens Point, Wisconsin, at P. J. Jacobs high school. His participation gained him all conference in football and captain of the wrestling squad. Baseball was his third high school sport.

At Stout Dick earned four letters in football, was 2 years All conference 2 years most valuable player, one year honorable mention in the Williamson Little All America poll, president of the "S" club. He also coached and wrestled at Stout and his work and interest helped to gain Stout its present varsity squad.

"I feel the boys lack experience but in a couple of years they'll come into their own," says Tepp. He also likes the organization and ability of the new head coach.

James Nadeau is the other half of the large gap left in the Stout line through graduation. Jim played his prep ball for McDonell high school in Chippewa Falls, Wisconsin. Basketball and football were his major interests and 2 All conference listing and the Senior Athletic Scholarship were the rewards for his labor.

His Stout record shows sparkling achievements on the gridiron with year All conference choice and 1 year as most valuable player.

"The freshmen and sophomore have the talent and under the new coach the desire to build a good team," states Jim. "And the experience and methods I'm picking up from Mr. Bostwick will add greatly to my coaching next year."

romped to the 26. Schuster moved to the 20 on the next play, a fumble was recovered by Wold on the 28, O'Leary lost yardage to the 31, then hit Anderson on the 14 for a first down. Again O'Leary connected and the play carried to the 2. Anderson then carried into the end zone on a smashing yard plunge. PAT no good.

ANSHUS JEWELERS

The students of Stout state college are faced with a difficult decision as four very lovely and personable girls compete for the title of 1958 Homecoming queen. Mina Claseman, Lucretia Ebbott, Mary Louise Strutzel, and Barbara Williams are the girls who will cause all this mental agitation.

Sponsoring Mina Claseman for this event are the Delta Zeta girls. Mina is a senior from St. Cloud, Minnesota. This blonde blue-eyed girl is active in the Home Ec. club and is presently pledging the Delta Zeta sorority.

Her favorite passtime seems to be photography and at the social functions of the school or wherever she is needed, Mina can be found taking pictures. Often these pictures can be found in the Tower and her hard work on this Stout publication has earned for her the office of associate editor.

Photography is not Mina's only accomplishment as the girls at the 5th Street Home Management house will readily testify. Her culinary accomplishments have earned many words of praise.

Lu Ebbott is being sponsored by the Alpha Sigma Alpha sorority. From Fort Atkinson, Wisconsin, Lu is in her junior year here at Stout. Much of her spare time is devoted to her sorority and to the Home Ec. club.

Lu has long brown hair and green eyes and is often seen wearing her favorite color, red. Sports of all types rank high on her list of favorite ac-

tivities and she often finds time to knit in her room at Melrose house.

Black hair and hazel eyes are two outstanding features of Mary Lou Strutzel, the Sigma Sigma Sigma candidate. A senior here at Stout, Mary Lou is from Ely, Minnesota.

Mary Lou's spare time is spent with the sorority, the Newman club, and the Home Ec. club. Her writing hand receives quite a work-out when she fulfills her duties as corresponding secretary for both the Tri Sigs and Newman club.

When she has spare time, Mary Lou likes to read, sew and attend the activities on campus.

Barb Williams is a member of the Alpha Phi sorority, president of Phi Upsilon Omicron, and a member of the Home Ec. club. This brown-haired, brown-eyed girl is from Kewaunee, Illinois, and she is a senior here at Stout.

Barb's accomplishments have not been only in the extra curricular field. Her name has been seen gracing the coveted Dean's List. Her favorite past times are sewing and attending football and basketball games.

Vigorous campaigning will go on during the next week and it is hoped that everyone will get to know each of the girls so that the decision can be made wisely. These four girls will make their final campaign appearance at the convocation, October 15. May the best girl win!

All girls in Home Ec. club, remember October 14 will be the final date to pay your dues. The dues are \$2.00 a year. They will be collected in Harvey hall from 8:30 a.m. to 3:30 p.m. on Monday, October 13, and Tuesday, October 14. Cookbooks will also be on sale at this time. You may also put the money in D'Ann Mattson's mailbox anytime before this date. Cookbooks may be obtained by contacting Jeanine Larson, 820 Third street or phone 1920.

The Alpha Phi Omega fraternity announces that the Chinese Independence Day mixer scheduled for Friday, October 10, had been cancelled because of the teacher's convention on Friday. The Sigma Tau Gamma fraternity has also cancelled their plans for an all school mixer following the River Falls football game Saturday night.

During the coming year, a copy of Esquire, the magazine for men, will be sent to the reading room at the library through the courtesy of Lund's.

In order to familiarize all club reporters and new STOUTONIA members with the procedure for copy, an open meeting will be held next Thursday, October 16, at 7:00 p.m. in the visual aids room at the library.

Dr. Fleming will be there to give all an extremely short course in journalism. All club reporters and STOUTONIA staff members are asked to be present.

Examining the bent laminated chair whose design won for James Wiederhoeft, Stout state college freshman, national recognition in the Industrial Arts Awards program of the Ford Motor Co. are Wiederhoeft and his high school industrial arts instructor, Warren Thomas. Mr. Thomas, a 1949 graduate of Stout, is on the faculty of Wausau high school, from which Wiederhoeft graduated.

A Stout state college freshman, James Wiederhoeft, Wausau, whose industrial arts project was chosen as having the outstanding design of the Ford Motor Co Industrial Arts competition is this week being honored, together with his industrial arts teacher, Warren Thomas, at a special awards seminar in Dearborn, Michigan.

As a senior at Wausau high school last spring, Wiederhoeft, working under his instructor, Warren Thomas, of the high school faculty, designed a bent laminated chair which featured upholstered seat, arm rests and back. In order to build the chair, forms and molds had to be built which would provide the proper laminations and curves.

To do this, he and his instructor experimented at length with various forms, kinds and thicknesses of woods and the qualities of a number of adhesive materials. Entered in local competition sponsored by Ford's awards program, Wiederhoeft's project received an outstanding achievement award among senior high school wood-working entries, with 45,000 and 50,000 projects being entered in these nation-wide local contests.

The chair, exhibited at the Student Craftsman Fair of Stout state college last May, attracted great attention and was then submitted with 5,000 other entries for national judging at Dearborn. There it won its creator outstanding achievement recognition, plus two other national awards.

James therefore became the top

Continued on page 2

Volume XLVIII—Number 4 Stout State College, Menomonie, Wisconsin Thursday, October 9, 1958

A definite schedule has now been drawn up for the Homecoming activities. The October Harvest festival will begin officially at 8:00 a.m., October 24. It is then that the freshmen will begin to build the letters for the bonfire festivities and that the alumni will begin registering for the week end visit to their alma mater.

The coronation ceremony promises to be both beautiful and solemn. Stout's alma mater will close the program and the students will file out of the auditorium humming the inspiring strains of this lovely song.

The alumni will be kept busy Saturday morning. At 10:00 a.m., the former students will hold a business meeting and at 11:30 a.m., those classes which graduated twenty-five, ten and five years ago will hold their reunions.

Between halves of the football game, the Stout band will perform for the student body. Lively songs and formations should add much to the air of festivity.

The winning floats will also be announced at half-time. The prizes for the floats will be awarded for the most humorous float and for the most beautiful float. All floats are eligible for the title of the most original.

These are only a few of the events that will take place. Homecoming is an activity well worth supporting and attending.

Convocation attendance regulations which were announced last spring require all students to attend. A committee, whose membership includes student representatives, carefully chooses the convocation program and these events are as much a part of a student's college education as is classroom attendance. Each student, therefore, should attend convocations with the aim of obtaining a maximum knowledge or enjoyment from each program. A negative grade point will be recorded for each unexcused absence in excess of two a semester for the scheduled all-college convocations.

Because of inadequate seating facilities, a voluntary attendance plan was started, but it was unsuccessful. Beginning this year, a modified attendance plan will be in effect. Each student must attend two per semester or four per year. Eight convocations have been scheduled and this will permit the student to attend those programs which appeal to his interests.

Each semester attendance cards will be issued for use in complying with the attendance regulations. Students are advised not to wait until the last two programs because seating capacity is limited. Lyceum programs in the evening will continue under the voluntary plan.

For the 4th year the Phi Sigma Epsilon fraternity is again living at 915 6th Street. At present 21 fellas, most of whom are Phi Sigs, call this home.

There is quite a story, though, that goes with this house. On Thursday, April 18, a fire broke out in the Phi Sig house. Water and smoke damage, amounting to approximately \$13,000 to the house, left the house unfit to live in until repairs could be made.

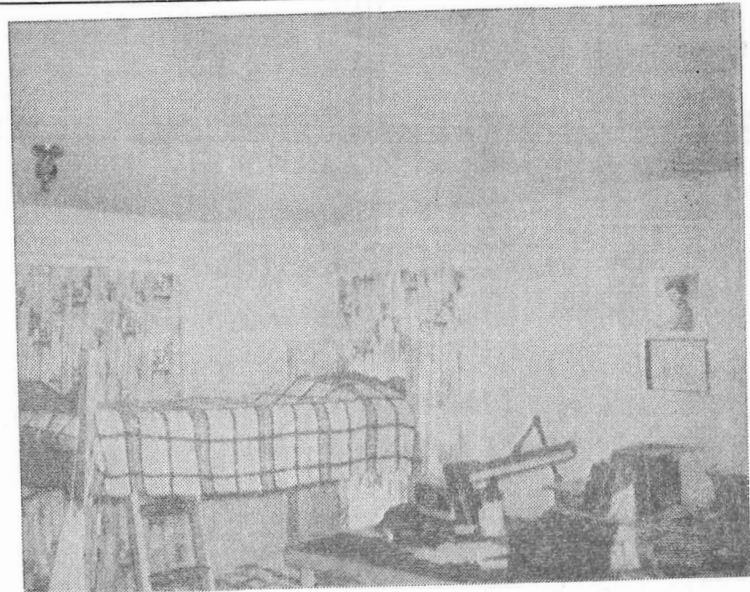

Following the fire the Phi Sigs set up temporary quarters in the old National Tea company building on Main Street. This being inadequate, they were forced to secure new rooms and split up for the remainder of the year.

During the summer a local contractor repaired the inside of the 10 room house. There is also living quarters downstairs for the houseparents and their family. The house is owned by the houseparents.

At present the Phi Sigs are themselves painting the outside of the house. It is being done in light green with dark green trim.

Located at 915 6th street, the Phi Sigma Epsilon fraternity house has undergone extensive repair since a fire destroyed much of it last spring.

The interior of the Phi Sig house, as well as the outside, has been remodeled since the fire. Above is shown one of the rooms in the house.

Come In and Bowl a Line

NEWS OF OUR ALUMNI

On July 26, 1958, Sherwin R. Pearson (B.S. 1957), married Mary Johnson of Jackson, Michigan. He teaches driver education, metals, wood and auto mechanics at the Allen Park high school, Allen Park, Michigan. Their address is 1172 Progress, Lincoln Park, Michigan.

Mr. and Mrs. Maurice Ellis (nee Mary Kay Kennedy), both B.S. Stout 1957, are residing at 917 Laramie street, Manhattan, Kansas. Maurice is stationed with the United States army at Fort Riley, Kansas.

Earl C. Beckman, sales engineer for Kennametal Inc., is a 1939 Stout grad. 8733 Humolot Ave. So., Minneapolis 23, Minnesota, is the address of the Beckmans. Their son Richard is graduating from Stout with his master's degree in May.

John A. Poellinger, 1214 Grandview

Terrace, LaCrescent, Minnesota, is a plastering contractor. John, who graduated from Stout in 1951, is married and has a three-year-old daughter.

A 1954 Stout grad, Bruce B. Sorensen, is teaching woodworking at Niles Twp. high school at Skokie, Illinois. He lives at 258 Illinois Blvd., Hoffman Estates, Roselle, Illinois.

Industrial arts supervisor of the city of West Allis is George C. Jackson (B.S. 1935, M.S. 1950). He lives at 6524 West Revare Pl., West Allis, Wisconsin.

233 Hinman Ave., Apt. 3, Waukesha, Wisconsin, is the address of Mr. and Mrs. William Daehling (nee Vicky Kirk), both B.S. 1957. Bill is teaching industrial education at the junior high school in Waukesha. Vicky is home economics teacher at West Allis Central high school.

The club is for men interested in crafts, leather, wood, plastics, metals and many other materials.

Projects are set up, designed and built by a member with the help of other members or the advisors. Points are then earned by having the project evaluated by the board. These points are applied toward the club keys of which there are three degrees.

Membership is open to any male students with a 1.5 average. Interested persons may contact any member or advisor. The club accepts new members twice a year.

During the year the club sponsors a Arts and Crafts card party, a spring picnic and two social meetings for formal initiation.

Keith Koch presides over the meetings with Bernard St. Claire as vice president; Don Gibbons, secretary; Harold Delfose, treasurer; James Loomis, librarian; and advisor, Ray Kranzsch. Meetings are held Monday nights each week. Most of the regular meetings are used for work periods.

ALPHA SIGMA ALPHA

Fifty-six years ago on November 15 several girls attending Longwood college in Farmville, Virginia, formed an organization to unite their common bonds of friendship and named it Alpha Sigma Alpha, now an outstanding social sorority. Beta Phi chapter was installed at Stout on April 26, 1952.

Alpha Sigma Alpha sorority endeavors to establish a sisterhood that has for its four-fold object the physical, intellectual, social and spiritual development of all its members.

Here at Stout the ASA's are readily recognized wearing white blazers with their sorority crest on the pocket. Throughout the year these girls are kept busy with their many activities. The traditional Bermuda Blast always begins the school year with a big bang and lots of fun! This year a "Gay Nineties" rushing party was the highlight of their fall rush activities.

SHARON ATHORP NAMED H.E. CLUB LAMPLIGHTER

Recognized for outstanding membership in Stout's Home Economics club was Sharon Athorp. Sharon is a major in Dietetics and will graduate this June.

The title of Lamplighter is bestowed on the girls who receive recognition. It originated from the Betty Lamp, a symbol of home economics clubs which stands for high courage, spiritual resourcefulness, living faith, and action.

Sharon's commendable work on the club cook book last year, and work on the Green Tea, Senior Farewell, and the moneymaking committee during

SHARON ATHORP

her first two years at Stout was brought to the attention of the Home Ec. club council.

Band, Dietetics club, Newman club, International Relations club and Home Economics club have Sharon for a member. She was elected to Phi Upsilon Omicron, honorary home economics fraternity.

Before coming to Stout, Sharon was active in her 4H club. She received honors in the state for her leadership within the club.

Sharon, who hails from Sheboygan, plans to work in a hospital after she completes her dietitian internship next year.

During the approaching homecoming festivities, the Alphas will campaign for their queen candidate, sponsor a mum sale, welcome alumnae at their Homecoming breakfast, and enter a float in the parade. November 15 will find the Alpha Sigs commemorating their Founder's day with a banquet.

February 16-21 is the annual Sadie Hawkins week sponsored by Alpha Sigma Alpha. The week's activities include a candy sale, selection of a Pig-tail Princess, a Valentine tea and a Sadie Hawkins dance. Naturally, dating procedures are reversed for all Stout students throughout this week.

In the spring the Alpha Sigmars travel to Stillwater, Minnesota, for a day at the famous Lowell Inn. Before graduation they honor their seniors at a Senior Farewell. A dinner dance at the country club climaxes the yearly activities for the Alpha Sigs and their dates.

Every year Beta Phi chapter selects two of its members for special awards. The Frost Fidelity award is given to a member who has shown sincere loyalty to her chapter and the Elizabeth Bird Small award is given to a girl with outstanding leadership, campus participation and scholarship.

This year's officers are: president, Gloria Walstad; vice president, Lucretia Ebbott; secretary, Kay Peterson; treasurer, Alice Marshall; chaplain, Betty Schomburg; editor, Jan Beckman; Panhellenic representative, Rita Anderson; and chapter advisor, Miss Mary Killian.

The Bishop Theatre Company

BISHOPS THEATRE COMPANY TO PRESENT TWO PLAYS AT LYCEUM AT STOUT ON OCTOBER 17

The Bishop's Theater Company, a troupe of professional actors, will perform at the Stout auditorium on Friday, October 17 at 8:00 p.m. They will present two plays: "Boy With a Cart" by Christopher Fry and "The Devil and Daniel Webster" by Stephen V. Benet.

"Boy With a Cart" is about a shepherd boy who is left without a father or home. Undeafed, he builds a cart, and wheeling his aged mother before him, sets out to find a new life. Through faith he undertakes to build a church and does so, despite obstacles, with God's help.

"The Devil and Daniel Webster" presents the situation of Webster, Mr. America himself, cornered by the devil in an attempt to argue for a man's soul. Webster avoids a losing defense based on facts and figures, by appealing to the jury to sense the dignity as well as the weakness of man.

The Bishop's Company was founded

in 1952 by Phyllis Beardsley and named for Bishop Gerald H. Kennedy, its early supporter. The artists still hold to the aims that drew them together, that the plays they present must be of Broadway calibre and they must be performed by professional actors.

Sports Roundup

Approximately 40 people attended the Safety program sponsored by the Rifle club. The program consisted of demonstrations and a lecture by Norman Hicks, St. Croix county game warden. The topic of his lecture was Gun Safety and Hunting Laws.

A few of the important facts Hicks pointed out were: Always store guns with the action open and when you are handling a gun never have it loaded. Youngsters sixteen years or younger must be accompanied by an adult while hunting. Each year there are approximately one hundred accidents and seventeen fatalities in the state.

The program concluded with an informal period of questions and answers.

JOHNSON AND MELROSE FILL FOOTBALL POSTS

Head of Department and associate professor of physical education is the title of Mr. Ray Johnson. Under Johnson's guidance Stout's physical education program has grown and prospered.

In 1930, he received his B.E. degree from Moorehead state college and later his M.A. degree from Columbia university. Mr. Johnson did graduate work at New York university.

As a senior at Moorehead state, Johnson was assistant coach and was head football and basketball coach in Montana and Idaho.

In 1930 he accepted a position at Red Wing, Minnesota, as football and basketball coach. In 1933 he took an 8 man squad to the Minnesota state basketball championship. Mr. Johnson was also voted the all state coach. Every five years the team meets and has a reunion celebration.

Since 1938, Mr. Johnson has had two conference basketball champions, 1941 and 1942, and each of these years the teams went to the national basketball tournament in Kansas City.

Johnson's football team of 1943 was conference champion and was co-champion in 1944. Presently coach Johnson is assistant football coach.

Included in his duties are the water safety program and the men's physical education program; also he teaches personal health.

Mr. Johnson is chairman of the National Association of Intercollegiate Athletics for district 14, which includes all colleges in Wisconsin, except the University of Wisconsin and Marquette university.

Stout's coaching staff was strengthened this fall with the addition of Robert J. Melrose. Mr. Melrose went to Murry high school in St. Paul, and graduated from Menomonie high school in 1943.

Two colleges were attended by Melrose for his B.A. They were: Stout state college, from 1945 to 1946, and Wisconsin state college at Eau Claire from 1947 to 1950. He received his B.A. degree from Eau Claire in 1950, with a major in social studies and a minor in physical education. Melrose earned his master of arts from the University of Minnesota.

At Bruce, Wisconsin, Melrose was head football and basketball coach and in Menomonie, he was assistant football and basketball coach. Melrose is assistant football coach at Stout, and next spring he will assume the position of head baseball coach.

General economics and U. S. gov-

STOUT FALLS TO MILWAUKEE FOR 4TH LOSS

Shattering Stout's line throughout the game, the University of Wisconsin, Milwaukee, piled up a decisive 41 to 0 victory in last Saturday's WCC game. The contest was literally sprinkled with fumbles and penalties by both teams.

Taking advantage of a Stout fumble on the Bluedevil's 17 yard line, UWM's Dick Neumann romped into pay dirt seconds later with the first TD of the game. The PAT was good. With eight seconds left in the first quarter, Uebele smashed for another 6 points terminating a 63 yard march. Again the PAT was good.

The second quarter was marked by spotty passing, fumbles, a blocked kick and injuries to Stout's Gannon, Carlson, Schuster and Mitchell. Stout held UWM for the rest of the first half also grinding out yardage to UWM's 41 yard line only to lose the ball on downs.

Ken Carlson kicked off for Stout to start the crucial and decisive second half. On the fourth play of the third quarter, Neumann sprinted through the Stout defenders for a 63 yard TD. With the PAT good, UWM took a 21 to 0 lead. Fred Uebele ended the scoring in the third with another TD, but the PAT was missed. At this point the Cardinals held a commanding 27 to 0 lead.

Late in the third quarter Stout came to life with Bundy's recovery of a UWM fumble on the Bluedevil's 18 yard marker. Bundy and Harke collaborated for most of the march down field, only to lose the ball on a costly fumble on the Cardinal 28 yard line.

The fourth quarter found UWM scoring two TD's, one by Widera and one by Magill. The score now put Stout on the short end of a 41 to 0 count. Late in the fourth quarter Stout again penetrated deep into UWM's territory only to see their hopes die again on an intercepted pass.

HIGH RIDING FALCONS INVADE NELSON FIELD

Tomorrow night the Bluedevils return to Nelson field for their second home game of the year. The River Falls Falcons will furnish the competition.

The Falcons have a healthy 3-1 record for the season and stand two and one in conference play. River Falls blasted Augsburg 31 to 6 in their first outing, dropped a 12 to 2 decision to Stevens Point, whitewashed Whitewater 14-0 two weeks ago and came up with its strongest bid of the year last week, handily tromping high-riding Superior 25 to 0. Until last week, Superior topped the conference.

Falcon coach Fran Polsfoot has almost the complete team that finished last year with an impressive 6-2 record. With transfers and a strong freshman crop, Polsfoot feels he can go nowhere but up. The team has done nothing to set back this prediction, so far.

River Falls uses a deliberate type of crushing football methods to move the pig skin. Their normal procedure is to open up the defense with a barrage of passes early in the game. Then plow up the enemy with a single wing and T formation. Their big and deep line, plus strong and fast backs, there are plenty of these too, adapt themselves readily to this type of game.

Fullback Frank Springer was their big man last week, scoring three touchdowns. Mick Lauber and Jack Omer, the league's leading scorer last year, are both talented backfield men. End Jack Neuner is a fine defensive player and leads the Falcon's hard-charging line.

Coach Bostwick has been bringing the Bluedevils along slowly this past week. Last week's outing at Milwaukee left the squad in good physical shape and except for Vern Verkiulin and Tom Sopata everyone should be running at full strength.

To the fans in the stands: Four straight losses is a hard record to look back, especially for the team members. Words of encouragement and backing can do more to restore playing desire than the woeful taunts that have been the players' welcome. All facts considered, the desire and fight displayed this year have been far superior than any witnessed the past years at Stout.

THE STARTING STOUT SQUAD

Ends: Ott and Unertl
 Tackles: Lubahn and Kindschy
 Guards: Feller and Reczek
 Center: Lohr
 QB: Bundy
 HB's: Harke and Anderson
 FB: Mitchell

BLUEDEVILS 6 TACKLES ACTIVE IN H. S. SPORTS

The tackles for the Bluedevils are lead by captain Bill Kindschy and include two other lettermen and three newcomers.

Jim Lubahn comes to Stout from Saukville, Wisconsin, and attended Port Washington high. Jim participated in football, baseball and track in high school, earning four letters and captaining the football team. Lubahn stands 5' 10" and weighs 200 even. Jim is going for his second football letter at Stout.

William Doane is the big man of the Stout squad, going 245 and standing 6'2 1/2". Bill attended Stoughton high school in Stoughton, Wisconsin, and played football, baseball and wrestled, earning five letters and most valuable player award. Doane has earned two letters at Stout and is in his junior year.

Jack Wilberschied hales from Chilton, Wisconsin, and attended Chilton high school. Jack earned two monograms in football and one in baseball plus the Boy's athletic award. Wilberschied stands 6 feet two and goes 190. This is Jack's first year of football at Stout.

Mondovi, Wisconsin, is the home of Larry Bird. Larry played football, basketball, baseball and track at Mondovi high, earning letters in football. Bird tips the scales at 182 and stands 5'10". This is his first year of college competition.

No information was available for Jerry Wold, our sixth man.

This team is under a new system, many young players and has his year in the conference that leaves every week a strong, hard opponent. Your support or non-support can see the quality of football to be seen the rest of the season.

Friday, October 24
Homecoming Queen coronation and burning of the letters

Radiant, brown-haired, brown-eyed Barbara Williams was chosen by the Stout student body to reign over the 1958 Stout state college Homecoming. Approximately 65 per cent of the student body voted in the elections.

Queen Barb is a senior from Kewanee, Illinois. She is a member of Alpha Phi sorority, Phi Upsilon Omicron and Home Economics club. At the present time she is president of Phi U. Barb was vice president of the dorm during her freshman year and a member of the Governing Board during her sophomore year.

When asked before the elections what she would say if she got to be queen, Barb exclaimed, "I would be thrilled to death!"

Barbie hopes the students will put as much enthusiasm into the other Homecoming activities as they did into the queen campaigning. She would like this to be the best Homecoming that Stout has ever had. Barb feels that her last Homecoming will be a very memorable one.

Barb would like to thank the student body for choosing her. Special thanks go to the Alpha Phi sorority and the Sigma Tau Gamma fraternity.

Chosen as Football Princess is pert Mina Claseman, senior, from St. Cloud, Minnesota. Mina, along with Lucretia Ebbott and Mary Lou Strutzel, will comprise Queen Barb's court of honor.

Barb will officially begin her reign on Wednesday, October 22. A pep rally will be held during the convocation period in the auditorium. In the afternoon a tea will be held in honor of her.

The election this year was a campaigning battle all the way. Sponsors went all out to publicize their queen candidate. Various limitations were placed on campaigning by the SSA. Groups were kept busy this past week serenading at the dorms.

QUEEN'S TEA TO BE HELD ON OCTOBER 22ND

The queen of the Stout homecoming festival will begin her reign at the Queen's Tea, Wednesday, October 22.

Soft music will echo through the halls as refreshments are served to all who come to congratulate the new queen and her court.

Musical selections will be played by Pat Wenner and the songs will be in keeping with the occasion.

Mary Tickler and Jane Thompson are the general chairmen for this event. These two girls and all the committee members are working very hard to make this a memorable event.

The friendly atmosphere will allow everyone to meet the queen and her attendants and to set the stage for the 1958 homecoming.

Get in the spirit of things and come to the Queen Tea.

BULLETIN BOARD

The Bishop's Theater company, a troupe of professional actors, will perform at the Stout auditorium tonight, October 17 at 8:00 p.m. They will present two plays: "Boy With A Cart" by Christopher Fry, and "The Devil and Daniel Webster" by Stephen V. Benet.

These plays are of Broadway calibre and their presentation will be an enjoyable experience for the audience.

Any articles left in the APO Lost and Found department from last year will be disposed of by November 1, 1958, unless they are claimed.

The APO dance, scheduled for this evening, October 17, has been cancelled.

This year, for the first time, Stout Typographical Society will offer rubber stamps to all students and faculty members. The cost will be one dollar per stamp. Maximum size is three lines. Orders may be left in the print shop at any time.

WORKSHOP TO BE HELD OVER HOMECOMING

Industrial arts teachers from a number of school systems in Minnesota and Wisconsin will attend a special industrial arts workshop to be held on the campus of Stout state college here October 24, announces George Soderberg, program chairman of the event.

Plans of the all-day conference call for five separate discussion groups to be held both in the morning and afternoon, thus permitting each participant to attend the two groups of greatest interest to him. Each meeting will consist of explanations and demonstrations of latest developments in the field, followed by a question and answer period.

"Laminated Furniture" will be the topic of Warren Thomas, member of the industrial arts department of Wausau high school. He will also display the laminated chair with which one of his former students won national recognition as the outstanding design submitted in the industrial arts awards program of Ford Motor Co.

Dr. John A. Jarvis, dean of Stout's school of industrial education, will explain the current status of "Research Reports" in industrial education. Marvin Kufahl, instructor in the school of industrial education, will describe and demonstrate "Metal Spinning."

"Transistors—Theory and Application" will be discussed by Philip Ruehl,

associate professor of industrial education. George Soderberg, associate professor and author of a newly-published book on spot finishing, will explain and demonstrate that technique.

Between sessions of the conference, participants will gather for luncheon. Addressing that meeting will be Dr. Verne C. Fryklund, president of Stout state college.

Schedule of events for the workshop, which will open at 9 a.m. and which will be repeated after luncheon, is as follows:

"Laminated Furniture"—room 103 Trades Building

MR. WARREN THOMAS, Industrial Arts Instructor, Wausau, Wisconsin

"Research Reports"—room 25, Bowman hall

DR. JOHN JARVIS, Dean, School of Industrial Education, Stout state college

"Metal Spinning"—room 206, Trades building

MR. MARVIN KUFAHL, Stout state college

"Transistors—Theory and Application"—room 33, Bowman hall

MR. PHILIP W. RUEHL, Stout state college

"Spot Finishing"—room 201, Trades building

GEORGE A. SODERBERG, Stout state college

SWEDISH CRAFTSWOMAN TO GIVE TALK OCT. 20

Miss Lisbeth Andersson, who is an artist-designer from Visby, Sweden, in the United States for a year's visit, will give an illustrated talk on Swedish handicrafts at Stout state college, at 7:30 p.m., October 20. The program will be held in the auditorium in Harvey hall.

Miss Andersson is employed as a textile designer at Cotlands' (province) Hemslojd (Home Industry). Hemslojd is the Swedish organization of the Home Craft league which consists of craftsmen of many different varieties who produce items at home for sale in the commercial market. Miss Andersson designs and teaches the craft techniques. She does the original designing needed before the home craft workers produce the items for sale. There is one of these Hemslojds organized in each of the provinces of Sweden.

Miss Andersson is a textile designer and has consulted with churches, schools and other public institutions in the use and purchase of textiles and other craft items. She has also taught drawing in classes for dressmaking, courses in embroidery and classes in the use of home equipment.

Miss Andersson is to be in this country for a year, spending a good deal of the time teaching crafts at the University of Wisconsin and for programs in 4-H work and with the Rural artists association. She will show slides illustrating Swedish handicrafts and some actual examples of the work.

OFF-CAMPUS STUDENT TEACHERS ANNOUNCED

Year after year, every senior at Stout has his or her chance to try their hand at teaching. Eighteen of our senior women and twenty-seven senior men are off campus student teaching at this time.

These students teach at various high schools and vocational schools in the surrounding vicinity and other places in Wisconsin.

Women students who are off campus teaching now are Elaine Grutt and Mary Rand, Amery; Margaret Douglas and Barbara Schoenoff, Glenwood City; Patricia Soldner and Diane Davis, La Crosse; Phyllis Haugen, Ruth Stratman, Beatrice Frazee and Iris Hart, Medford; Katherine Krupp and Joan Braunworth, Neillsville; Mary Ann Sharkey and Carole Kirchmeyer, Rice Lake; Romaine Deering and Alma Dearth, Schofield; Ellen Bruce and Janice Wilke, Stratford. This group will teach for a six weeks' period which started September 29 and will end November 7.

Men student teachers are off campus only four weeks due to the larger number. They are Louis Pence, Altoona; Duane Marshall, Peter Schneider and Stanley Denker, Eau Claire; Roger Brennen, Hudson; Richard Hosford, Kaukauna; Arthur Culver, Bruce Rabe, Donald Weber and Sheldon Satter, La Crosse; Brian Howard, Ladysmith; Richard Popp and John Theis, Menasha; Richard Steckel, Mondovi; Norbert Link, Neenah; William Dalager, New Richmond; Brian Kirby, Eau Claire; Ralph Herman, Richard Kveton and James Duesterbeck, Stevens Point; John Kleven, Waupaca; Rex Peterson, Eau Claire; William Richter, Beaver Dam; Lester Sagstetter and Keith Anderson, Manitowoc; Leonard Wilde, Wausau; and Ronald Spaeth, Neenah.

In just four to six weeks we will see these familiar faces back on our campus and be ready to send another group of seniors out to "learn by experience."

NEW ABSENCE RULE MADE FOR WOMEN

The girls of Stout state college are asked to take notice of a change in the school rules regarding absences. Now, when the women students go to Dean Cutnaw's office for their absence slip they will find them in a four by six card on the desk of her secretary. This new way of issuing the slip will save much confusion and time for the students as well as for the Dean. The men have used this system for some time and have found it to be quite successful. After the traditional signing by the class instructor the cards are taken to Dean Cutnaw's office and placed in the container on her secretary's desk.

There has been some confusion around this system. The nurse has had many callers and some people have wandered over to Miss Antrim's office but the person to see is Dean Cutnaw.

THIS IS YOUR VOICE . . .

The STOUTONIA is a student newspaper. Being so, it is your voice as to what you want and believe should be done around campus.

In the union, and any other place where students meet and talk, numerous things come up in the conversation regarding "pet peeves" of the student.

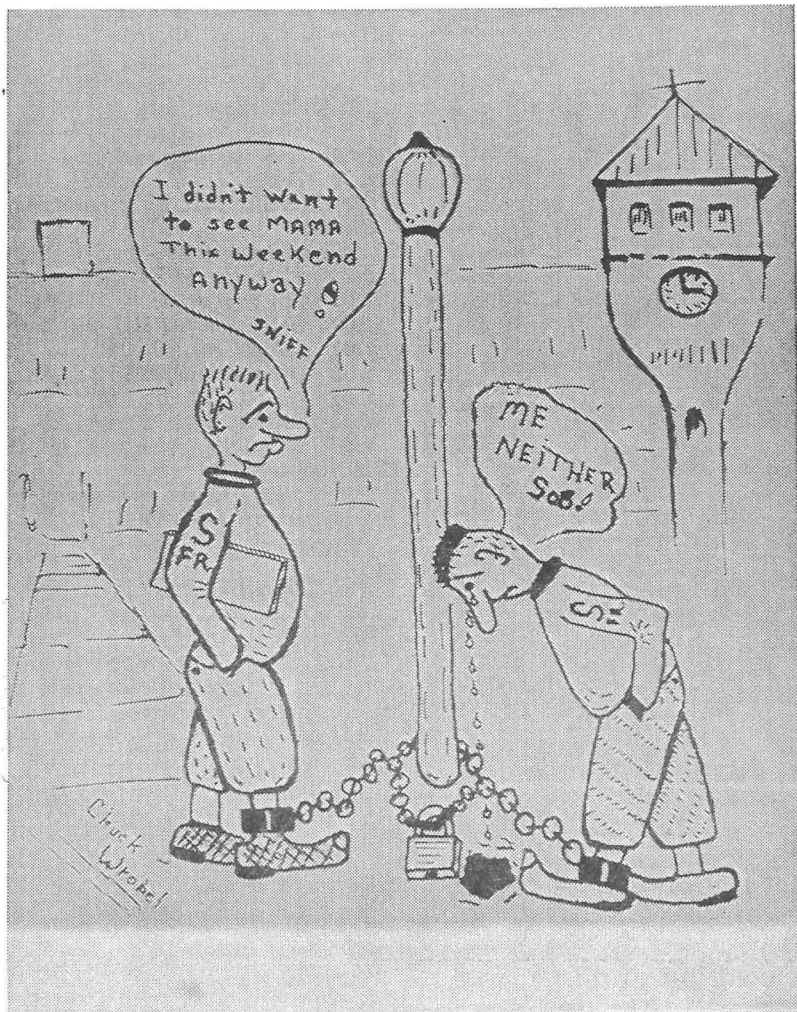

The editorial page of the STOUTONIA is the one page in the paper This, however, the talking stage, is as far as it gets.

that can voice personal opinions. Try as they may, the editors cannot find out all of the things the students wish to appear in the editorials; it is therefore up to you.

This column is opened to the students of Stout for any type of article which they wish to write. The only requirement is that the name of the writer be known by the editor. Names will be withheld from the publication upon request.

If you feel that your writing ability is not sufficient and that you have an important topic, submit it to the editors, and they will be more than happy to see that an article is written for you.

This is your school, and what it is, is what you want to make of it.

Strictly For

Men

Women

With Joannie and Johnny Bluedevil

Notice to all men students at Stout: Jack Sampson, general shop instructor at Stout has opened a lonely hearts club to aid troubled men on campus. He will accept applications in his office located at room 23 Bowman hall. One student at Stout, Wally Anton, can verify the excellent service rendered by Mr. Sampson.

It is time to give out a few congratulations to a couple of firsts at Lynwood hall this year. Fredrich Segglink has the undeniable honor of being the first man in this academic year to be campused. Tom Lowe also has set at new first, as he was campused for running the new washing machine on the wrong day.

With great sadness I find it my duty to inform all men that you no longer have need for your high powered field glasses; the curtains have arrived at Tainter.

Have you heard the latest space-man joke? Take me to Brigitte Bardot, I'll see your leader later. While we're on the subjects of jokes, I have heard that the designer of the new women fashions has been found. It appears as if he is a drunken tent maker that hates women.

All Milwaukee Braves fans will be interested to know that Jerry Schemansky, printing instructor, is handing out crying towels in the Stout print shop, free of charge!

That's about the extent of things this week. Be good for the next week, or you might find yourself in the spotlight of this column next Friday.

were pleased that the team was able to score against a team previously not scored upon.

Tri Sigma is very proud that three of its members will be initiated into Phi Upsilon Omicron this coming Sunday. Added to the six Tri Sigmas already in Phi U will be Babe Schleis, Laura Kiel and Nancy Cory. Congratulations to these girls and to the other girls who will soon become members.

A busload of Wesley students from Stout spent last Sunday afternoon at the Henry cottage in northern Wisconsin. A similar group from Superior met them there. Upon arriving the two groups became acquainted and then enjoyed a turkey dinner with all the trimmings. Deanna Howell and Katchen Kubitz were co-chairmen of the food.

After the meal, volley ball and badminton were played. The worship service involved a Galilean service conducted from the lake by Rev. R. Harold Gee. Chuck Christensen was chairman of the worship service.

This Sunday evening, Carolyn Peckham will speak to the group about a Japanese girls' school. The program will be carried out in Japanese style. Sokiyo, rice cober and tea are on the menu. Japanese lanterns, napkins table favors and place cards will come direct from Japan.

Hello again, all you Stout-hearted coeds! Time for another session with Joannie Bluedevil.

Recently I heard the word "Surprise!" echoing through the fourth floor of Harvey hall. Cake and coffee miraculously appeared, and a party was given, honoring the birthday of Miss Cox.

Our new economics instructor, Mr. Melrose, seems to have missed his calling. Acting seems to hold a fascination for him. "Casey At the Bat" brought tears to the eyes of many students on the opening day of the world series.

Halloween decorations are in the stores already. Soon Thanksgiving will be promoted, and not far behind will be Christmas. Got your Christmas shopping done, girls? Don't wait until the last minute.

Just for fun, how many of you have ever been to the stacks on the second floor of the library? I'll bet many of you didn't know you could study up there.

Have you gals ever wondered what

CLUB NEWS

The Stout Typographical Society met in the print shop lecture room last Wednesday night for their weekly business meeting.

Steps were taken for the promotion and selling of stationery and rubber stamps following homecoming.

A demonstration was given by Garrett Fontaine on how to operate the rubber stamp machine.

At the business meeting of the Stout Arts and Crafts Monday, October 13, the following men were initiated as new members. They are Walter Diedrick, Raymond Gerrits, A. Hammerschmidt, John Kotek, Gordon Laib, Hanard Lien, John Peterson, Charles Wright, and Albert Fischer.

Tri Sigmas had a busy but enjoyable week end. Posters and signs were put up early Saturday morning for Mary Lou Strutzel, Sigma Tri's homecoming queen candidate.

Saturday night didn't find the Tri's sleeping. They turned out in full force to spiritedly cheer the Bluedevils. Although a victory wasn't gained, all

NEWS OF OUR ALUMNI

It's a girl for Mr. and Mrs. Pau Burdett (nee Edith Shaw, B.S. 1957). Kathleen Ellen was born September 30. The Burdett's live at 725 St. John's Ave., Highland Park, Illinois. Paul is with the 5th Army Band at Fort Sheridan, Illinois, until the 4th of December.

1110 Atlantic, Waukegan, Illinois, is the address of Mr. and Mrs. Robert Foster (both B.S. 1956). Bob is teaching seventh and eighth grade wood-working and drafting at Daniel Webster junior high school. Mae, formerly Mae Rammer, is teaching sixth grade.

Mr. and Mrs. Broadwell (nee Julia Muenich, B.S. 1957, send greetings from the 49th state, Alaska, where they are stationed at Fort Richardson. Their address is apartment 1, 640 LaTouche, Anchorage, Alaska.

Mrs. Vivian Florin Hazei, B.S. 1935.

WHYDOTSKI LECTURES FUND DES CLASSES

The evolution of printing through the ages was the subject of Mr. Lloyd Whydotski's talk to the freshman girls in Miss Mary William's Fundamental design classes on Friday, September 26.

The display in the "La Petite Galerie," in room 211, showing examples of printing and the various types of print used through the years, aroused the interests of the girls in this phase of art. Mr. Whydotski's talk furnished the answers to their questions. As one girl so aptly put it "We were given a much deeper appreciation of the true art of printing because of his talk."

The examples of calligraphy on display are from the private collection of Mr. Whydotski.

is Educational Missionary and Dean of Women at Mawuli Secondary school in West Africa. She teaches homemaking and is food service director. Mrs. Hazel and her two daughters, Vivian and Florine, live at Box 11, Ho, Ghana, West Africa.

Melvin L. Witte, received his master of education degree from the University of Toledo, Toledo, Ohio, on June 14, 1958. His home address is 241 S. 8th St., Wisconsin Rapids, Wisconsin.

ATTENTION

Classes of 1932-33-34, 1947-48-49, and 1953: Send in reservations for the class reunion dinners during Homecoming week end.

STOUT GRAD APPOINTED TO DIRECTOR'S POSITION

Twenty-three year old Carol Hahn Jordan was recently appointed director of the Rita Martin home service department of International milling company, Minneapolis.

Carol, who received her B.S. in home economics from Stout State College in June 1957, has been employed by International since last February. Prior to this she worked for the Milwaukee school board.

CAROL HAHN JORDAN

As director of the home service department for International, Mrs. Jordan is in charge of all "home-kitchen" testing for Robin Hood flour and baking methods. The Rita Martin test kitchen offers a special service to assist homemakers with various baking and cooking problems and to answer requests from them for menus, recipes and other homemaking assistance.

At Stout, she was a member of the Newman club and served on the staff of the Stoutonia. She is also a member of Sigma, Sigma, Sigma, national sorority.

know your . . . kampus

DELTA KAPPA

The Sigma fraternity, formed in 1946, was a forerunner of the National fraternity of Delta Kappa, here at Stout. The first advisor of the Sigma's was Dean Price who was one of the organizers of the fraternity. In 1930 the Sigmas became the Sigma chapter of Delta Kappa national fraternity.

This social fraternity has three main objectives: (1) to bring activity to the campus and student body; (2) to build character; (3) to present an experience in social life.

The DK's are very active in school functions throughout the year. One of their main projects is to keep the fans supplied with hot coffee and cocoa at football games. At Christmas the fraternity sponsors Christmas baskets for the needy families. One of the year's social highlights is the Tacky Drag which is usually held in January. During homecoming they will enter a float in the parade. The traditional red fez and sash will be seen again during hell week as a new bunch of pledges will be initiated into the fraternity.

In 1958 the Sigma chapter was awarded the National Scholarship trophy which means that they had the highest grade point average of all the national fraternities. The trophy is proudly displayed at the DK house on Wilson avenue.

This year's officers include Bruce Eland, president; Jim Rambert, vice president; Richard Schendel, secretary; Hans Hatapp, treasurer; and advisors E. R. Oetting and D. L. Agnew.

A.P.O. ANNOUNCES A SPECIAL SALE

The APO wish to announce that they have obtained some very special Blue-devil dolls from Japan at a tremendous expense. These dolls are hand-painted by the aging APO members and are to be placed on sale during homecoming week. Since homecoming is always a special time around any campus, the APO is doing its part to encourage school spirit by selling these unique specimens at a great loss. The price is only 25¢, one quarter, or two dimes and a nickel.

Since the APO has put so much time and effort into the obtaining and finishing of these dolls, let's all give them a chance. Get your Bluedevil doll during homecoming week. Help support Stout and the APO's.

WOMEN CONT. . .

those on the Dean's list do in their spare time? One such example, Mary Lou Weiking by name, has a hula hoop—and is using it faithfully every evening, my spies tell me.

Rushing is now over and there are many happy faces on the campus. Congratulations to the new pledges! Also my congratulations go to Jean Koltunski for another first this year. She has the dubious honor to be the first girl campused at Tainter.

Good wishes are in order to Patty Jo Christensen. She is the former Patty Jo Hovde. Sporting a new, fraternity pin is Katchen Kubitz. Lots of luck, Katchen!

That's all for this week. Enjoy yourself, it's later than you think. Mid-term exams are only three weeks away.

* * *
"You're the first girl I've ever kissed," said the college man, shifting gears with his knee.

Third Street Next to Harvey Hall

The new Dean of Women, Miss Cutnaw, gives council to a student in her office located in Harvey Hall.

MISS CUTNAW LEADS A BUSY LIFE IN NEW POST

"Where is Miss Cutnaw?" That is a frequent question these days on the Stout campus. And the answer? "Anywhere!" Yes, Miss Mary Frances Cutnaw, who spends part of her time as dean of women and is also a member of the speech department, is always busy.

In addition to being dean of women and assistant professor of speech, Miss Cutnaw is a member of the Administrative Council of the college and serves on the following committees: Catalog and publication, Student personnel services and Student welfare. Miss Cutnaw is also secretary of the Student welfare committee, and advisor for Panhellenic.

The dean of women is responsible to Dr. R. G. Iverson, director of student personnel services, for the administration and supervision of specified student personnel services for women. She must provide opportunities for the development of those women who possess special interests, values and ability in leadership.

This is Miss Cutnaw's second year on campus. She came to Stout in 1957 after teaching in the speech department at the University of Wisconsin. Prior to that, she taught two years at Pulaski high school, Milwaukee.

Dean Cutnaw has earned both her master's and bachelor's degree at the "U." She attended the University this summer to complete course work for her doctoral degree with a major in speech, English and education organizations, and has had acting and staging experiences in summer theater.

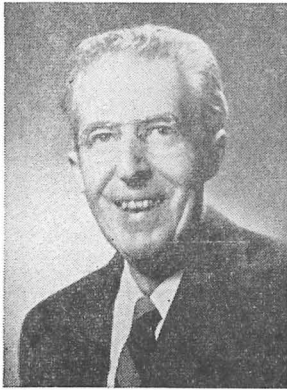

When Miss Cutnaw has some "spare time," she likes to do oil painting, but describes herself as a "dabbler" who prefers doing landscapes. Lautrec is her favorite artist because his paintings remind her of Paris. The new dean paints to popular and semi-classical music.

At present, Miss Cutnaw is a collector of French vocal recordings. She

points out that "the French style of singing and speaking together with tremendous variety is especially appealing to me as a speech instructor." French provincial mode or 18th century styling are favorites of Miss Cutnaw because they represent old world warmth, beauty and graciousness.

In 1954 Miss Cutnaw spent a month and a half in the British Isles and Europe. Now she hopes for "a chance to study over there."

And, what is Miss Cutnaw's reaction to her first month of the responsibilities of deanship? "I am becoming aware of the many delegated duties of the office, at least," the attractive new dean answered quietly. "And I can see the satisfaction which might come to one in a full-time deanship."

Hedge Against Inflation

The only real hedge a man has against inflation is his own earning power—and the only hedge against that loss is life Insurance.

Sports Roundup

The Athletic office has announced the placement of wrestling on a varsity basis. At a meeting to discuss the future of the sport at Stout, it was voted to place the program on a varsity basis for a trial period of one year. This followed a three year program of intramural participation.

The first professional coaching came three years ago when Wallace and Warren Mauren, members of the graduate school, headed the first team. The past two seasons Richard Tepp, assisted by Louis Milsted, piloted the squad on an intramural basis for one season and last year on an extramural level.

Stout wrestlers attended meets at Winona, Minnesota, River Falls, invitational meets at Stevens Point and Madison, the AAU meet at Marquette and the NAIA meet at Mankato, Minnesota.

A tentative schedule has been drawn up and a busy season is in store for the team members. Varsity wrestling coach Louis Milsted has announced an organizational meeting at 5:30 p.m. on Thursday, October 23, in the practice room. All interested personnel are invited to participate and give the new program a good send-off.

NOTICE!

Contrary to rumors, the starting time for the La Crosse homecoming game is 7:30 p.m., Saturday, October 18.

The game will be played at Memorial field, located behind the college. Students presenting their SSA cards at the gate will be admitted at student prices.

Bluedevil halfback Glenn Harke eludes two would be River Falls' tacklers to carry for a substantial gain early in the first half of play. Harke continued to pound out yardage throughout the contest.

STOUT LOSES AT THE HANDS OF RIVER FALLS

Running and passing for 290 yards and 32 points, River Falls buried the Bluedevils deeper in the Wisconsin college conference cellar. The Falcons used five different ball carriers to place them in the end zone on gains of 35-30-15-1 and inches.

For more than a quarter, Stout moved well into River Falls' territory, displaying solid tackling and sharp defense. In the second quarter, after Stout had missed a scoring opportunity, Hallen completed a pass, Frank Springer took the lateral and sprinted 30 yards for a TD. Hallen kicked the PAT and the Falcons had a 7 to 0 lead which they held at half time.

The third quarter found the Falcons going for two TD's and one extra point. Mick Lauber sped through the Bluedevil line and secondary for 35 yards and 6 points. Hallen fumbled on the kick and the score was 13 to 0. River Falls moved from their own 24 to the Stout 6 inch line on their next drive. From here Hallen carried on third down after the Stout line had held for three plays. An off-side gave River Falls another chance and they moved to a 20 to 0 lead.

Stout set up its first touchdown when Burke recovered a fumble on the Falcons' 29. Mitchell carried to the 2 and at 11:02 plunged into the end zone. Eland came off the bench and booted the extra point. Stout moved to a 20 to 7 score.

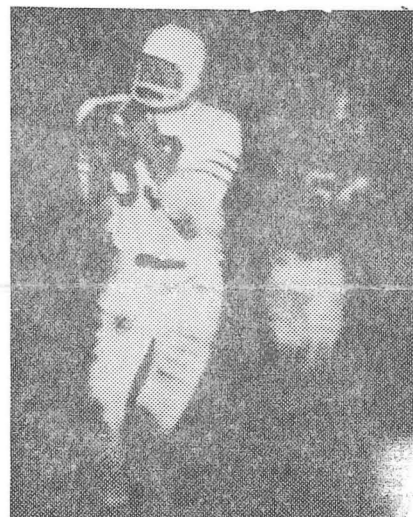

Bostwick called for an onsidekickoff but River Falls gained possession on their own 47. Eversen to Delahunt moved the ball to the Bluedevils' 21. Hanson spun for 8 and Eversen circled right end for the TD. The attempted kick was fumbled and the score board gave River Falls a 26 to 7 lead.

Luck again was against the Stout 11 as on fourth down a bad pass from center forced Eland to fumble on his own 4 yard marker. Falls took advan-

tage of the recovery as Delahunt plunged to the 2 and Hubin carried the mail into the end zone. River Falls 32, Stout 7.

Stout received and McDonald exploded to the Bluedevils' 49. Bundy shook loose and rambled to the Falcons' 5. McDonald hit to the 1, and again to the foot marker. River Falls was offside as McDonald pounded into the scoring soil. On the option for 2 points, Stout had two attempts and missed both. River Falls left the field with a firm grip on first place in the league and a fine 4-1 record to carry into their next game.

Stout	0	0	0	13	13
River Falls	0	7	13	12	32

Bundy to Harke connects for a first down in Stout's drive for its first T.D.

TWO LETTERMEN LEAD STOUT'S GUARD POSTS

Although there are ten guards listed on the roster, only two are lettermen and only one letterman is a starter. Gil Feller and Monte McDonald are the returning letter winners and Feller alternates between guard and center.

Gilbert Feller is from Brooklyn, Wisconsin, and attended Oregon high school, participating in football, basketball and baseball, winning a total of six letters. Gil was an all conference choice in football and captained his team. At Stout this 5'8", 190 pounder won the Outstanding freshman athletic award.

Monte McDonald attended Black River Falls high school and won ten letters in football, basketball, baseball and track. He attended a state track meet and was an all conference back. This is his third year of football, but his first year in the line. Monte is 5'8" and weighs 210.

Mosinee high school of Mosinee, Wisconsin, is the home of Robert Raczek. Bob participated in football, volleyball and track, winning four letters in all. Raczek is five foot eight and weighs 190. He is a first year man at Stout.

Lyle Buss attended Menomonie high and gained two letters in football and two in wrestling. Lyle is the senior class president. Buss is 5'9" and 180 pounds. This is his first year of college ball.

Charles Kruger, Jr. hails from Milwaukee, Wisconsin, and attended Whitefish Bay high school. He was active in football and track and won four letters in football. Charles was voted most outstanding letterman in high school. Kruger sands 5'10" and goes 178 pounds.

From Antigo high of Deerbrook Wisconsin, comes Eugene Jacobus. Gene won two letters in football. Jacobus weighs 175 pounds and is 5 feet 10 inches tall.

Richard Roessler comes from Rochester, Minnesota, and graduated from Rochester senior high. Roessler participated in football, hockey and track, winning letters in football and track. He placed first in the district shotput. Dick is six feet even and weighs 194 pounds.

No information was available on Ken Bonner, Tony Pollino and Robert Leu.

There was the fellow who fell into the lens grinding machine and made a spectacle of himself.

LA CROSSE TO HOST STOUT IN WCC ACTION

Saturday night Stout's Bluedevils will be in La Crosse for another WCC football game. La Crosse spanked Platteville last week end, 19-12, improving their conference record to 1 win and 2 losses.

Stout is facing La Crosse at their homecoming, which should prove to be a tough game for the Bluedevils. The Bugolds, of Eau Claire, dumped La Crosse 12-8 and Stout 27-6.

Fullback Fred Pongrantz will be the man for the Bluedevil defense to stop. In small colleges throughout the nation. Pongrantz ranks high in total scoring and sixth in yardage gained.

The offense La Crosse uses is a wing-T with a split end. On defense, coach Bostwick concluded, La Crosse uses a split 6-2 defense.

Physically the Bluedevils are above average in over all condition. Sopata and Wilberscheid are still on the injured list while the line is suffering from injuries at both tackles.

Mentally Stout was at a higher point for the River Falls game than they are this week. If the Bluedevils could score a few TD's early in a game they would be hard to beat. Coaches Bostwick and Melrose both expect the Bluedevils to pull an upset in one of the next three games.

During the past week the team has been working on offense and correcting the mistakes made in the River Falls game. The defense has also been strengthened to stop the La Crosse offense.

Saturday afternoon at 1:30 the Bluedevils will leave Menomonie with a traveling squad of 30 men. Game time is 7:30 p.m. at La Crosse.

LEE'S DRUGS

Stout Celebrates Homecoming

FRIDAY

Coronation of lovely Barbara Williams will take place at 8:00 p.m., October 24, in the newly-decorated auditorium in Harvey hall as Stout state college opens its Homecoming celebration.

Mina Claseman will reign as football princess and Mary Lou Strutzel and Lu Ebbott will complete the royal court.

Opening this solemn occasion will be the processional down the red carpeted aisles. Barbie and her court will then be presented to the students and returning alumni.

Last year's Homecoming queen, Gerthey Krueger, will appear to congratulate the new queen and to place the glittering crown upon her head. Then the Homecoming will officially begin.

The game captain, Bill Kindschy, will then receive the Homecoming football. It is hoped that this football game will carry with it a victory for the Stout team.

Everyone will now rise and sing the Alma Mater and at its close, the processional will begin. Again the Alma Mater will be heard—but this time it will be hummed as the students and alumni file slowly out of the auditorium.

A flurry of excitement will pervade the atmosphere as the students light the oil torches and march to the fairgrounds with the jubilant marching band.

All day the freshmen students will have labored to build Superior's letters and now their labors will go up in smoke as Bill Kindschy, captain of the football team, sets them on fire.

Rebel-rousing yells will explode into the air as the cheerleaders direct the students in some of their favorite cheers.

The fires will not die out, for when the last letter has fallen in a fiery shower of coals, the huge bonfire will be lighted.

"Honour Bound," the school song, will then be played by the band. Prominent alumni, the former SSA presidents and the coaches will direct a few choice remarks to the cheering fans.

Once more, the strains of the Alma Mater will lift into the air. The queen and her court will appear to close the ceremonies and the group will wend its way back to the Stout gym with the traditional snake dance.

Alumni and students will close the Friday festivities with a mixer held in the college gym. The seniors are sponsoring this dance and John Kasten and Jim Schnitzler are in charge.

Every hour of the Homecoming week end is packed with fun and excitement. This October Festival is one of the biggest celebrations of the year and every one of its activities is well worth attending.

It is hoped that everyone will enter into the spirit of things and enjoy this week end to the fullest.

HOMECOMING EVENTS

Friday, October 24

- 8:00 a.m. Building of letters
- 8:00-10:00 a.m. Registration of alumni
- 5:00-8:00 p.m. Registration of alumni
- 8:00 p.m. Coronation ceremony (auditorium)
- 8:30 p.m. Torchlight parade to fair grounds
- 9:00 p.m. Burning of letters
- 9:45 p.m. Mixer for alumni and students (Stout gym)

Saturday, October 25

- 8:00 a.m. Organization Breakfasts
- 10:00 a.m. Annual Alumni Association business meeting (Harvey hall)
- 11:30 a.m. Class reunion lunches for the classes of '33, '48 and '53
- 1:30 p.m. Parade
- 2:30 p.m. Football—Stout vs. Superior
- 4:30 p.m. Informal alumni coffee hour (Tainter hall lounge)
- 6:00 p.m. Organization dinners
- 9:00 p.m.-1:00 a.m. Homecoming dance (high school gym). Music by Jules Herman

Center photo courtesy RUSSELL STUDIOS Montage by Tom Murray

With her royal court, Queen Barbie Williams will reign over the many homecoming activities this weekend. Official coronation of Barbie will take place tonight in the Stout auditorium, followed by the torchlight parade and bonfire. The queen will also make appearances at the football game and dance tomorrow night.

BULLETIN BOARD

October 28th! That's the date of the next music appreciation hour in Harvey memorial from 2-4 p.m. sponsored by the Home Economics club. What's the program? Part of it will be the Symphonics record of 1955-56. I'll see you there!

The Stout union will be open Saturday from 11 o'clock to 2 o'clock and after the game until 8 o'clock.

There will be a meeting of Home Economics club on Monday, October 27 in the Harvey hall auditorium. All new members will be initiated at this time. If you are a new member, be sure to attend. Following this there will be a coffee hour with hi-fi music in Harvey memorial.

The SSA president wishes to announce that there will be no open houses at the dorms Sunday, as previously announced; however, alumni are invited to inspect the buildings.

Dorothy Grundmann submitted the winning entry for the homecoming theme contest. This contest was sponsored by the SSA. Dorothy said when asked about this, "I've never won anything like this before and I never expected to win this time." For her winning title "October Harvest," Dotty will receive \$5.00.

Today is a no cut day for all freshmen. Attendance will be taken during the day.

Parents Weekend will be Nov. 1-2 this year. Your parents will receive an invitation and program soon.

ALUMNI TO BE GUESTS OF ORGANIZATIONS

EVENTS OF THE WEEK

Friday, October 24

- Homecoming Queen coronation and burning of the letters
- Dance in small gym after snake dance

Saturday, October 25

- 1:30 Homecoming parade
- 2:30 Homecoming game—Stout vs. Superior
- 9:00-1:00 Homecoming dance, music by Jules Herman

Monday, October 27

- 3:30 Stoutonia, HH 122
- 7:00 MAP, lib. 9
- 7:15 Home Ec., auditorium

Tuesday, October 28

- 6:30 APO, union
- 7:00 SSS, auditorium
- 7:15 Ski club, lib. 14
- 7:15 YWCA, lib. 9
- 8:00 SCF, lib. 10
- 7:00 EPT, lib. 11 and 12

Wednesday, October 29

- Convocation
- Halloween Tea (Tri Sigma)
- 7:00 Rifle club, upper gym
- 7:00 STS, print shop
- 7:00 S club, union
- 7:00 SSS, auditorium
- 8:00 Tower, Tower office
- 7:00 Syn. Swimmers, pool
- 7:00 Radio club, radio shop

Thursday, October 30

- 6:30 FOB, lib. 12
- 7:00 Phi Sig, union
- 7:00 Chi Lambda, HH 29
- 7:00 Delta Zeta, lib. 14
- 7:15 Alpha Phi, lib. 10
- 7:15 Tri Sigma, lib. 11
- 7:30 Alpha Sigma Alpha, lib. 9

As in past years during the homecoming time, the alumni come back to visit their alma mater. To celebrate their return, various organizations are having breakfasts and dinners for their alumni.

The Alpha Phi sorority is planning to welcome their alumnae at a dinner held at the Hotel Marion, Saturday evening. Jo Salm is chairman of the dinner.

Jean Goehring, chairman of the Alpha Sigma Alpha breakfast, announced that the breakfast would be held at the Evangelical church at 9 a.m., Saturday.

The Episcopal church is where you will find the Delta Zetas on Saturday morning. Carol Bibby is their chairman and they plan to welcome their alumnae at 8 a.m.

Breakfast will be held at 8:00 a.m. in the Methodist church for all Sigma Sigma Sigma alumnae. Nancy Cory is serving as chairman.

The FOB's have chosen the Colonial Pines as a place to welcome their alumni for breakfast.

The Sig Tau's are also having a breakfast, but it will be held at the Sig Tau house Saturday morning.

A breakfast for alumni of the Delta Kappa fraternity will be held at the VFW club on Saturday morning.

Alumni of the Chi Lambda fraternity will be honored at the Hideaway at a breakfast Saturday morning.

The Phi Sigs are having a 6:30 p.m. dinner at the Stage Coach outside of Eau Claire for their returning members.

The Wesley foundation will hold a coffee hour on Sunday morning at 9:00 for any of their returning members. It will be held in the parsonage.

SATURDAY

Stout's Bluedevils will go into action against Superior state's Yellow-jackets aiming for an 'October Harvest' and a fitting climax to a busy Homecoming week here on campus. The organizations at Stout have been hard at work during the past few weeks to make this Homecoming the best ever. Saturday's events are sure to put the final touch on this unforgettable week. The events scheduled on Saturday are the annual Alumni Association business meeting, class reunion, lunches for the classes of '33, '48, and '53, the parade, the game, an informal alumni coffee hour, organization dinners and the Homecoming dance.

Bright and early Saturday morning the alumni will hold a business meeting in Harvey hall starting promptly at 8 o'clock. Then at 11:30 members of the classes of 1933, 1948 and 1953 will hold class reunion luncheons. These events promise to keep Stout's alumni busy.

Arranging a route for the parade and contacting marching bands from around the Menomonie area to participate in our 1958 Homecoming parade has been the job of Bob Gussel and Don Gibbons. The following organizations and units will participate in the parade which starts at 1:30 Saturday afternoon: Color guard, Stout band, the Queen, cars carrying the attendants, Mondovi band, Tri Sigmas, Phi Sig pledges, Gamma Delta, Menomonie Senior band, Delta Kappa, Alpha Sigma Alpha, Sig Tau pledges, Colfax band, Phi Sigma Epsilon, Lutheran Student Association, Sophomore class, Newman club, Augusta band, Faculty float, Phi Omega Beta, Tainter hall, Elk Mound band, Delta Zeta;

Chi Lambda, Wesley, Menomonie Junior band, Senior class, Lynwood hall, Alpha Phi, Alpha Phi Omega, Stout Christian Fellowship, Sigma Tau Gamma, Durand band and 'The End' by the APO.

Immediately following the parade, the student body will move to Nelson field for the climax of the whole week's preparation—the game pitting the Bluedevils against Superior. Help make our Homecoming a success and get out and back the team. The team makes this event possible, so let's show them that we're behind them.

Between halves of the game, the Stout band will perform for the student body.

The winning floats will also be announced at half-time. Prizes will be awarded for the most humorous float and the most beautiful float. Another prize will be awarded for the most original float and all entries are eligible for this title.

Stout's 1958 Homecoming Queen, Barbie Williams, will reign over the game and all the other festivities on Saturday. She will be attended by Mina Claseman, Football Princess, Lucretia Ebbott and Mary Lou Strutzel.

Following the game, an informal alumni coffee hour will be held in the lounge at Bertha Tainter hall. This is another chance for Stout's alumni to get together and talk over old times. A cordial invitation is extended to all alumni to attend. This event is scheduled for 4:30 p.m.

Amid all the hustle and bustle of Homecoming week, the juniors have been busy preparing for the big Homecoming dance. This is the grand finale to all the homecoming activities. Queen Barb and her attendants will reign over the dance which will have music provided by Jules Herman and his orchestra. Don Stoddard and John Sherry have been in general charge of the Homecoming dance. The decoration committee is headed by Katchen Kubitz and Joan Burke.

The following are in charge of the various decoration committees for the dance: ceiling, Wally McCrum and Dave McNaughton; sides, Gil Feller and Monte McDonald; bandstand, Ken Held and Joe O'Leary; throne, Kay Vanda and Mary Ellen Kinney; refreshment stand, Jo Hanson and Sandy Sorenson; serving refreshments, Avis Cahill and Nancy Cory; lighting, Jack Stroebel and Dallas Pantkowski; publicity, Gloria Zitlow and Sally Albrecht. The juniors have been hard at work to make this dance the 'best ever' here at Stout and would like to encourage all students to attend.

"YOU, OUR ALUMNI"

October is the season of harvest, and it seems fitting indeed that "October Harvest" has been selected as the theme for Stout's 1958 Homecoming. In fact, the aptness of the theme carries beyond this autumn season and the festivities of this particular weeked.

You, our alumni, are already realizing the rewards of good planning which you did in years past. At that time, you dedicated a precious portion of your youth to intensive educational preparation. Now you hold honorable positions in society, positions which—in addition to personal recompense—provide the even more important opportunities of self realization and public service.

We on the campus feel that this, too, is a time of harvest for Stout State College. The years of long range planning since World War II have resulted in Stout's new residence hall and memorial student center, which we urge you to visit, as well as in the shop-laboratory building, men's dormitory, field house, heating plant and other structures which will soon augment our facilities. The talent and time and energy of many persons, freely and graciously given, made possible this building program.

So Stout's "October Harvest" begins. We hope that you will enjoy a most pleasant Homecoming weekend, filled with good times and the opportunity to renew the acquaintanceships of college years. To all of you, we say, "Welcome Home!"

VERNE C. FRYKLUND

HOUSE MOTHERS WILL ATTEND MEETINGS

A new organization which will permit increased coordination between Menomonie residents in whose homes reside coeds attending Stout state college and officials of the college was recently organized on a permanent basis. At the meeting, officers of the group were elected and a schedule of semi-monthly meetings for the coming year was arranged.

Officers of the new group are president, Mrs. Robert Melrose; vice president, Mrs. Andrew Larson; and secretary-treasurer, Mrs. Ethel Hart. Representing Stout state college was Miss Mary Frances Cutnaw, dean of women, among whose responsibilities is administration of housing for college girls living in private homes.

Following formal organization of the group, Dean Cutnaw distributed to the housemothers literature explaining general regulations relevant to non-college residences. All persons present then participated in an informal discussion of matters of general interest to housemothers. A decision was made to schedule further meetings of the group in the college library each second Wednesday of alternate months during the remainder of the college year.

know your . . . kampus

Youngest of the five social fraternities at Stout, Chi Lambda entered the spotlight of official recognition May 8, 1956. So recent is the organization of this group, in fact, that the first alumni breakfast will be held in conjunction with the 1958 Homecoming activities.

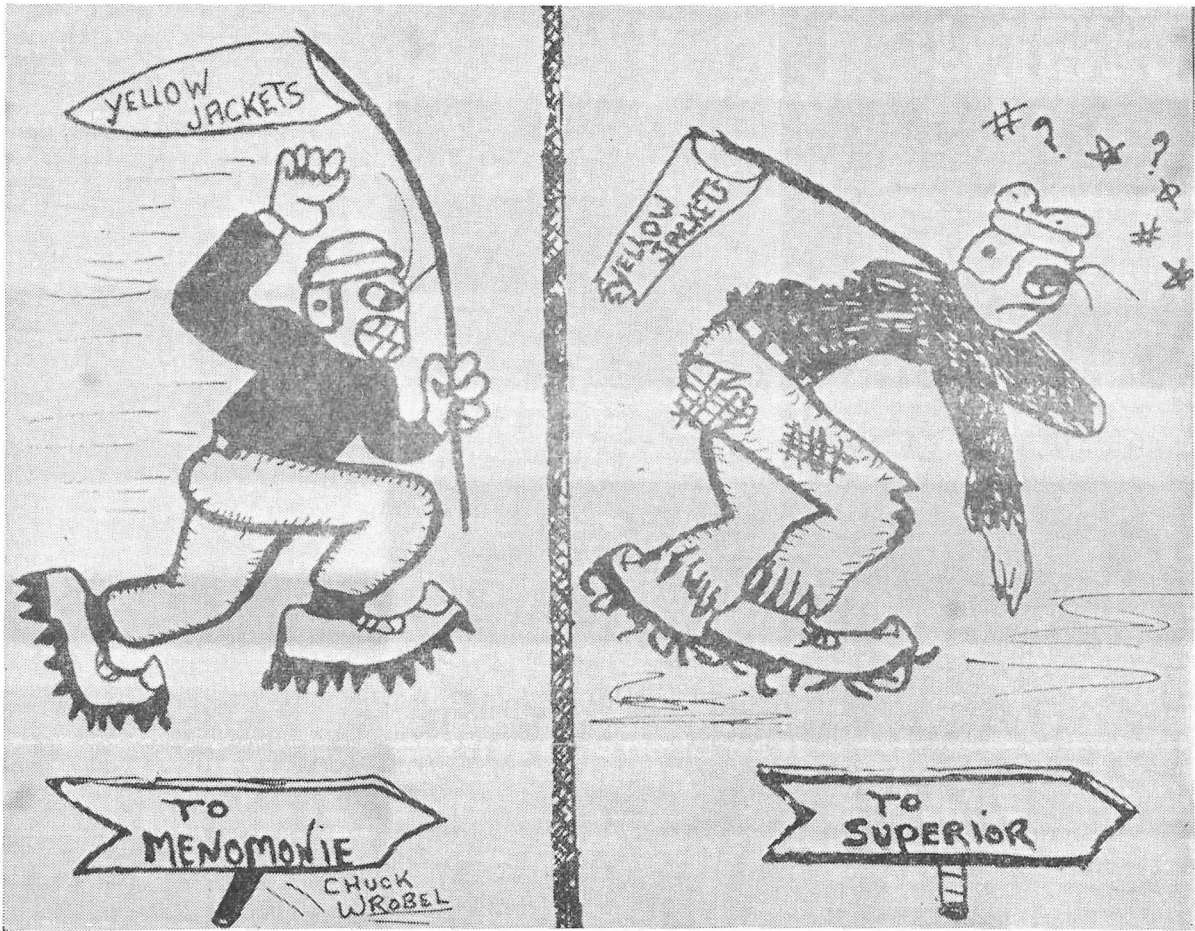

Chi Lambda is a local social fraternity organized to create a strong bond of brotherhood among the members, to foster social competence of members to nurture high moral and ethical values, and to contribute to the whole some growth of extra-curricular activities of the college.

With these objectives in mind, the fraternity proceeds with its second year of active participation in campus events. Dinner meetings are held once a month with various types of entertainment provided by the social chairman.

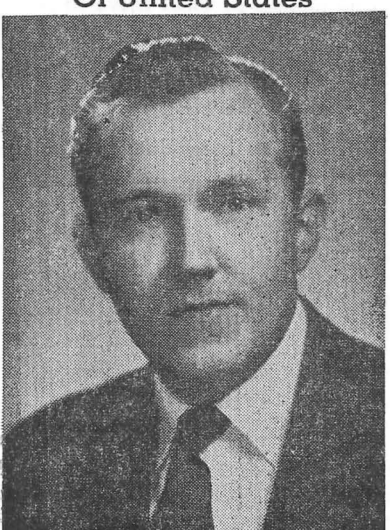

Various activities are undertaken by the Chi Lambda fraternity throughout 1958-1959. This year's work began early in September with the sponsoring of the second annual Street dance. At Homecoming time, members are busy planning and erecting a float for the parade, and entertaining the alumni members with a breakfast held in their honor.

A new school activity was added to Chi Lambda's list of undertakings last year. Second annual Mardi Gras Ball will be held just prior to the Lenten season. This dance follows the traditional theme, with decorations creating the characteristic air . . . the New Orleans touch. Crowning of the Mardi Gras Princess culminates the dance festivities.

1958-1959 marks the graduation of the last of the original Chi Lambda charter members. Present officers of the fraternity include Herbert Mehr president; Allen Mattsen, vice president; Sheldon Satter, secretary; Donald Trewartha, treasurer; and James Teske, historian.

DRESS DESIGN CLASS VISITS TWIN CITIES

High fashion was viewed first hand by members of the Applied Dress design class during the annual field trip to the Cities.

The trip, which was taken on Saturday, October 18, included visits to such notable fashion establishments as Dayton's Oval room and Field Schlick.

"The chemise is definitely dead," was the comment made by Mary Veck-et, fashion co-ordinator of Field Schlick. Evidence of this fact was shown by dresses which featured higher waistlines and a suggestion of fit around the waist.

Mr. Soiberg, buyer for the Oval room, made the interesting statement that one need not have a lot of money to have good fashion. He further stressed the importance of the ability to select good clothing, to wear it well, and to accessorate it correctly.

Prominent fashion trends this year include puff skirts, the empire look, loose panels, sashes, and fabrics with a heavy look.

Of special interest to the applied dress students, who during the semester design two dresses, were the inner construction, linings, and special sewing tricks that were used by the countries top designers.

Members of the field trip were able to discuss the clothes they had seen, by such famous designers as Dior, Norell, Trigere, Whitney and others when they ate lunch in Dayton's Sky room.

STATE COLLEGES EXPAND CURRICULUM

Three of the most critical shortage areas of school teachers in Wisconsin may be ending this month with the expansion of curriculums at four state colleges.

By unanimous vote the Coordinating committee for higher education shattered a 50-year-old tradition of specialties at designated state colleges and approved majors in training teachers of: (1) business education at Eau Claire, Stevens Point, and Superior; (2) physical education for women at Oshkosh; and (3) handicapped children at Eau Claire.

Until the action by the committee such special training was offered only in single institutions. Next fall, when the programs are implemented for the first time, students from a wider area of the state will be able to enroll in the three special areas nearer home.

Interest in the special teaching field is expected to increase and within a few years college officials predict that graduates will find the needs of the state's schools.

The breaking down of the state colleges' "special" teaching areas has been coming for the past half dozen years. First major to be broadened to more than one school was music, now offered by seven of the colleges.

The specialties were begun at the colleges as early as 1902 with home economics and industrial education offered at Stevens Point and Oshkosh. In 1926 the granting of degrees was approved in the special training areas of art, music, agriculture, industrial education, home economics, physical education, and handicapped children.

DAILY TOLLING OF SC CARILLON HEARD IN AREA

The new Cantobell carillon of Stout state college is in use and, after some experimentation to select times of striking and the playing of musical selections, will ring out the hours between 7 a.m. and 9 p.m. and will waft music two to four miles across the countryside at 6 p.m. each evening and at 12 noon on Sundays.

The carillon was paid for entirely by donations and by endowment funds set up by individuals for the use of the college. No tax funds were spent for the project.

The musical instrument can be played either from a manual keyboard or from an automatic roll mechanism, both located in Bowman Hall. The corporation that built the carillon also makes the official tuning bars used by the U.S. Bureau of Standards and has been building and installing carillons throughout the United States for over 80 years.

Most of the music emanating from the eight speakers, mounted atop Stout's 150 foot tower, will be reproduced from the automatic roll mechanism. Each roll includes six selections and Stout now has available, in addition to a custom roll of the Stout alma mater and songs of Menomonee high school, sets of classical, semi-classical, religious, patriotic and seasonal music, the latter appropriate for Thanksgiving, Christmas, Easter and similar occasions.

Music from the musical rolls or from the manual keyboard is first processed by four amplifiers and then rings out from special tubular bells. In addition to performing musical selections, the carillon can chime automatically every quarter hour and half

STOUT WAS CHOICE FOR SITE OF SEMINAR

Stout state college was selected by the U.S. Office of Education as the site for a special seminar at which 28 educators from eight foreign nations studied American educational techniques and philosophy, especially as these factors relate to industrial arts.

Sponsored by the Educational Exchange and Training Branch, Department of Health, Education and Welfare, of the U.S. Office of Education, the seminar met on the Stout campus June 23 through July 25.

In attendance were technical teachers, educational supervisors, head masters and industrial representatives from Indonesia, Korea, Philippines, Republic of China, Thailand, Vietnam, Cuba, and Greece. Each person enrolled for the following five subjects, taught by these members of the Stout faculty:

Trade and job analysis, Dean John A. Jarvis; Curriculum procedures and development of industrial material, Dr. Robert Rudiger; Audio-visual education, Dr. David Barnard; Techniques of group leadership, Norman Ziemann; and Methods of teaching industrial arts, Dwight Chinnock.

In addition to their regular class meetings, seminar participants also had the opportunity to confer with Dr. Verne C. Fryklund, president of Stout and author of industrial arts texts used throughout the world. This was the third occasion upon which Stout has been selected for the training of specialized foreign educators, the others having been during Stout's 1957 summer session and in the spring of 1956.

hour and can strike on the hour. However, only the striking of the hours is now contemplated.

Great accuracy in chiming the proper tune is possible because the carillon and the tower clock have been coordinated into the IBM electrical time system which governs all clocks and class bells and the Stout campus. The IBM system is self-correcting every hour and will make certain that all elements integrating into the system react at the proper time.

Carillons are campus traditions at many American colleges and universities. Fondly remembered by many persons in this area are the carillons of the University of Wisconsin and the University of Minnesota, both of which ring out at eventide and at many university functions.

Shown above are Stout's new cheerleaders kneeling in front are Betty Zander, and Jerry Porter. In the back row, from left to right are Mary Livingston, Mary Schultz, Pat Choitz, Nancy Fruit, Carol Barber, and Shirley Aitken.

EIGHT CHEERLEADERS BOLSTER SCHOOL SPIRIT

Seven peppy co-eds and one fellow are Stout's cheerleading team for the current year. They hail from all parts of Wisconsin, from Detroit, Michigan and Glencoe, Illinois.

Automatically returning to the gridiron cheering posts are: Bette Zander, Shirley Aitken and Jerry Porter.

Bette a slim, blonde senior comes from Brillion, Wisconsin. She is an old hand at cheerleading, having done it since the age of twelve. Besides cheerleading, Bette keeps herself busy with Alpha Psi Omega, WRAT, and Alpha Phi. After graduation in May, she plans to teach home economics. As for school spirit, Bette says, "It has always been excellent; other schools say they dread playing Stout because our cheering section usually makes theirs look sick."

A vivacious Durand, Wisconsin, cheerleader with seven years of cheerleading behind her is junior, Shirley Aitken. Shirley, who is an education major, is very interested in sports, school activities and school spirit. She says "I think Stout has wonderful school spirit considering their record of wins and defeats. Let's continue it." Home Economics club and Alpha Sigma Alpha are Shirley's main activities here at Stout.

The lone male cheerleader for the year 1958-1959 is Jerry Porter. He is not a Wisconsinite, but comes from Glencoe, Illinois. Jerry, an avid skier, plans on industrial technology after his graduation in 1960. He thinks Stout's school spirit is fabulous, and that it outranks by far that of most schools. Jerry is vice president of Sig-

ma Tau Gamma. Three girls were elected for their second year of leading Stout's cheersection. Carol Barber is a junior, and Pat Choitz and Nancy Fruit are sophomores.

Alpha Sigma Alpha, Home Economics club, and cheerleading are the special activities of blond Carol Barber, a Ladysmith, Wisconsin, resident. She says, "The students are really backing the team whether we are winning or losing." Carol's plans for the immediate future are to finish school. She is also interested in music and sports. This is her second year of cheerleading.

"Let's really support the team this year," says, dark-haired Pat Choitz. She thinks Stout's school spirit could be improved. Pat, formerly from River Forrest, Illinois, (where she was cheerleader for three years), now lives in Detroit, Michigan. A sewing and sports enthusiast, Pat is on the Governing Board, is an Alpha Sigma Alpha pledge and belongs to Home Economics club, WRA and Gamma Delta. She is also an education major.

Peppy Nancy Fruit is back for her second year of cheering at Stout. Before coming to college as a home economics education major, she was a high school cheerleader for four years in South Milwaukee. Besides her activities as a Delta Zeta pledge, Home Economics club member and WRA member, Nancy is interested in sports, especially swimming. She agrees that Stout's school spirit could be better.

Two freshman girls earned their places on the cheerleading team in the September 24 elections.

The only dietetics major and one of the two Marys on the cheerleading squad, is Mary Livingston of Mauston, Wisconsin. Mary enjoys sports, dancing, and music, especially singing. She belongs to choir, is a member of the "Co-ed Quartet", and Home Economics club. She was a cheerleader for three years in high school.

Mary Schlutz thinks our school spirit is really terrific! Bruce, Wisconsin is her home town and it was there that she was a cheerleader for six years. Mary, like so many Stout students, is interested in sewing and sports. She is freshman class secretary, reporter for the Stoutonia and a member of Home Economics club and choir.

Fraternity officers display the pledge uniforms which will be seen on campus this week. Left to right they are, Delta Kappa, Phi Omega Beta, Chi Lambda, Sigma Tau Gamma, and Phi Sigma Epsilon.

"HELL WEEK" BEGINS ON STOUT'S CAMPUS

The new pledges of each fraternity on campus will be very renowned as they go about their duties during "Hell Week." Each fraternity has their own duties which their new pledges perform.

The Chi Lambda's pledges will reproduce the fraternity insignia on a pledge paddle and secure all member's signatures. The new pledges will conduct a collection of magazines to be taken to the city hospital for the shut-ins. The pledges are required to attend as many social activities as possible, including teas; be neatly dressed at all times; rake advisors' lawns; make at least one good poster advertising the Mardi Gras dance; and to work on the homecoming float and be the riders if any are needed.

These duties are designed to help the fraternity, the school and the town people. Chi Lambda believes "Hell Week" is to be "Help Week" for the pledges.

Roger Reuther is pledge-master. Helping on the homecoming float will be one of the duties of the new pledges of the Delta Kappa. They will help serve for the Homecoming breakfast and sell hot coffee during the football game.

The new pledges are required to obtain the signatures of all the active members in their hand book.

Pledges of Phi Sigma Epsilon, national social fraternity, can be readily identified by their traditional wearing apparel consisting of white shirt, red western bow ties, straw hat, canes and signs.

Pledging of the Phi Sigs this year has been changed somewhat. The most outstanding of these changes is the lengthening of pledging to two weeks, besides "Hell Week." These two weeks will be used for the purpose to inform the new pledges of the fraternity characteristics, background and aims.

The special duties of the new pledges during the week is restricted to the knowledge of the members; however, this year the pledges will perform some duties which directly relate to the student body. The fraternity feels that such duties will inform the pledges of the basic need of all students to participate in school activities.

The duties that are restricted to the knowledge of the members are aimed at strengthening the fraternity ties and creating lasting friendships between its members.

The pledges this season will be under the direction of pledge masters Roland Lundin and Fred Slaby.

"Hell Week" schedule for the new Sig Tau pledges will have a long week ahead of them. Starting on Friday, the new pledges will take part in the coronation of the queen. They will also hold the swords which the queen will walk under.

Saturday, some of the new pledges will help lead the cheers while the others sell pop, candy and pop corn. Sunday will mainly be a day of rest. They will have to help pick up pop bottles and other things on Nelson field.

On Monday, the new pledges will stand guard. They will all participate in the scavenger hunt. On Tuesday, the pledges will have a carrying service and will carry all the girl's books to school from the girl's dorm. This service will be in the morning and afternoon. Later in the evening the new pledges will invite a female faculty member to dinner at the girl's dorm.

Guard duty will be continued Wednesday in front of Harvey memorial and Thursday in front of their fraternity house. That afternoon the new pledges will fill glasses of water for the girl's noon meal.

Pledge master this year is Jerry Porter. Jerry said that pledging for the new Sig Tau pledges will continue for six more weeks after "Hell Week."

Black derby, tee shirt and a bow tie will identify the FOB pledges as each one will be decked out for "Hell Week."

Duties which the new pledges will perform during this time will be polishing the shoes of active fraternity members, run any errands, clean the fraternity house, scrub floors and more or less do anything, within reason, asked of them by their fraternity brothers.

ALUMNI NOTICE

Class reunion luncheons for the classes of 1953, 1947-48-49, and 1932-33-34, will be held from 11:30-1:30 on October 25. There will be no advance sale of tickets.

Locations of the homecoming luncheons are:

- 1953 - Dan's Cafe
- 1947-48-49 - Harbour
- 1932-33-34 - Jeatran's supper club

The alumni business meeting will be at 10:00, October 25, in Harvey memorial. John Christenson will preside.

SOPHOMORE ANNE THIEL PICKED AS LAMPLIGHTER

The first sophomore girl to receive the lamplighter recognition is Anne Thiel. For Anne's work on publicity and selling of tickets for a most successful senior breakfast last spring, the Home Economics Council voted the award.

This year Anne has many activities to divide her time. She is the associate

ANNE THIEL

editor of the Stoutonia, an officer in Wesley Fellowship, a pledge to Alpha Phi sorority, and a member of the YWCA.

Anne attended high school in Manitowoc, Wisconsin. Her interest in home economics is in the field of dietetics.

Nominations for the lamplighter award may be made by letters to the Home Economics Council.

Homecoming duties will be to lead the parade, lead cheers to add to the college spirit, serve at the homecoming breakfast for the FOB alumni, help on the float, attending Homecoming and to have a date for this occasion.

Pledge-master for the FOB is Monte McDonald.

This week, known to most on Stout's campus as "Hell Week," will be a challenging experience for all the new pledges as they prove themselves to their fraternity.

ALPHA SIGMA ALPHA TO SELL MUMS ON SAT.

Again this year Alpha Sigma Alpha sorority will be selling mums for Homecoming. They will be sold on Saturday, October 25, both before and during the game.

Because of the success of the sale last year, they are planning on selling three times as many this year.

The mums cost \$1.00 and may be purchased in white, gold or bronze. Jan O'Grady and Carol Barber, co-chairmen of the event request that, if any of you wish to purchase a large number, please order them early.

The mums will be sold in Harvey hall and during the game. This year, as last, they will go through the dorm selling mums.

STOUT'S 1958 YEARBOOK RECEIVES HIGH HONOR

Awarded the "All-American Rating," highest classification of the Associated Collegiate Press, has been the 1958 Tower, yearbook of Stout state college here, according to an announcement made by the Collegiate Press group.

In its category of colleges with enrollments of between 1001 and 2000, the Stout yearbook won one of only three All-American awards among the 62 annuals judged in that category. Of a total of 306 yearbooks entered in all levels of competition, the Stout publication was one of only 25 chosen for highest honors.

In charge of producing the 1958 Stout annual, whose theme was "Busy

Hands," were Richard Vogtsberger, Menomonie, editor-in-chief; Patricia Soldner, Reeseville, associate editor; James Kogler, Sheboygan, production manager; Loren Johnson, Manitowoc, business manager; and Ellwyn Hendrickson, Menomonie, literary editor.

Production adviser of the 168 page, award-winning yearbook was Dr. David Barnard, associate professor and head of Stout's audio-visual center. He was assisted by John Wills, literary adviser, now a faculty member at St. Cloud state college. Student photographers were Richard Beckman, now of the Mankato state college faculty, and Roy Van Dreser, who teaches at Medinah, Illinois.

Headquarters of the Associate Collegiate Press, which evaluates publications of colleges throughout the nation, is the campus of the University of Minnesota, Minneapolis. Miss Soldner has been named editor of this year's Tower.

LA CROSSE DROPS BLUEDEVILS INTO BASEMENT 40-0 ROMP IS FOURTH WSCC LOSS OF SEASON

La Crosse state college put the finishing touches to their homecoming celebration last Saturday by blasting the Blue Devils 40 to 0. This was the second one-sided slacking absorbed by the Blue and White this season, having dropped a 41 to 0 contest to Milwaukee earlier in the year.

On the brighter side in the statistics column, Stout intercepted two passes, pounced on five of the Indian's fumbles and gained 100 additional yards from La Crosse penalties. From this point on, LCSC had it all their own way, totaling 263 yards rushing and 125 passing for a net of 278 yards.

La Crosse Scoring

With 8:35 of the first quarter left, Fred Pongrantz capped a drive with a 13 yard jaunt around end. Pongrantz ran for the two-pointer and La Crosse jumped to an early 8-0 lead.

The Blue Devils displayed strong defense until five seconds of the quarter were left. Larkin to Pongrantz was good for 29 yards to the Stout 2; from there, Gene Conger plowed into the end zone for six points. The PAT missed and the Indians lead 14 to 0.

The Blue Devils shattered the offensive threats of La Crosse in the second

period. In Stout's only scoring threat on the Indian's 12, O'Leary fumbled going into the line; guard John Thompson came up with the ball, picked off six blockers and romped unmolested for 88 yards and six more markers for La Crosse. Pongrantz booted the one-pointer and the half time score was 21 to 0.

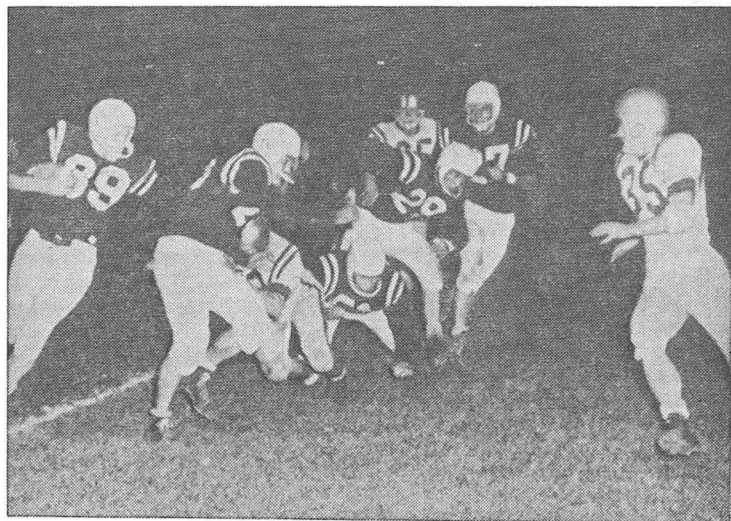

Second Half

With half of the third quarter gone, Pongrantz again drove off-tackle for seven yards and six points. The run for two points failed and the lead jumped 27 to 0, La Crosse. At this point, Pongrantz retired after a satisfying evening's work.

On an exciting run of 50 yards, Abraham again put the Indians into the scoring column. Abraham split the up-rights for the PAT and boosted the lead to 34 to 0.

Soderberg to Skemp went for 18 yards and set up the final La Crosse TD. On the next play Soderberg again hit Skemp, who shook off the defensive man and romped into paydirt. The play covered 18 yards. An attempted run failed to complete the scoring.

Harke tries left end for a short gainer against La Crosse last Saturday. Unertl No. 29, O'Leary No. 28, and unidentified teammates mode down field to block.

YELLOWJACKETS FOES FOR HOMECOMING

Invading Nelson field for tomorrow afternoon's homecoming tilt will be the Superior state Yellowjackets. Superior, coached by Americo Martorelli, has a veteran ball club with a big line and many outstanding backs.

The Yellowjackets have an overall record of 3 wins and 3 losses. In conference play Superior sports a deceiving 1-3 to date. La Crosse fell victim by a 32-29 count, River Falls slapped them a 25-0 count, Eau Claire squeaked out a 17-14 victory and last week Oshkosh dropped the Jackets into the .250 bracket by a 20 to 15 game.

In comparable play, Stout played its best home contest in losing to River Falls 32-13, Eau Claire won a decisive 27-6 tilt and last week La Crosse ran rough shod over the Blue and White 40 to 0.

Superior uses a tight T offense with power plays into the line. Occasionally coach Martorelli's boys will slam a crossback into their opponent's line which is hard to stop. Offensively, Superior has two outstanding boys in Jardine, a halfback, and Cowman a quarterback. Jardine is rated one of the best backs in the league.

Defensively, the Yellowjackets use a 6-1-4 setup against their foes. They have been known to use other patterns depending upon conditions. The Superior line will average over 210 pounds per man.

During the past week Stout has concentrated on offensive blocking and has shown some improvement in defensive play in general. The line has worked on hard charging to open holes on the offensive plays.

Injuries still plague the Blue Devil

squad. Coach Bostwick has been forced to make weekly changes in the lineup all season and this week is no exception. Sopata is out for the season, and O'Leary, Anderson and O'Reilly were injured in last week's contest, but are expected to play in tomorrow's game.

Homecoming has always meant a little more effort on the part of the student body and a larger amount on the part of the coaches and players. Tomorrow's game will find Stout still looking for its first victory and 0-4 in conference play. Superior gets the nod on paper, no question there, but tomorrow is the day of the year for the school, grads, the students and with the right desire on the part of Kindschy and the boys, also for the team. What better time for a win than such a festive occasion. Fellas, you've got the ball from here on in. Win, lose or draw, play your best game yet.

FUTURE FOES

MENOMONIE GREENHOUSES

ACROSS FROM THE HIGH SCHOOL

The new Stout sign, donated to the school by the graduating class of 1958, is located on the campus facing Main Street.

NEW SIGN INSTALLED ON THE STOUT CAMPUS: DONATION MADE BY GRADUATING CLASS OF 1958

Permanent evidence of the success of "Homecoming 1958" recently held at Stout state college here is a large carved redwood sign identifying the college to passing motorists. The sign displays also the official seal of the Board of Regents of Wisconsin State Colleges and the founding date of Stout: 1893.

Donor of the decorative 4x6 foot addition to the campus was last year's graduating class. Active in making possible the gift were Robert Dahlke, New Lisbon, president of that class, and its advisors, Keturah Antrim and Myron Harbour of the Stout faculty. Also assisting with arrangements were Norman Ziemann and Dr. Theodore Wiehe of the faculty.

Creator of the large display sign is Laddie Snobl, well known craftsman of Haugen, Wisconsin. Although completely paralyzed from the waist down, Snobl has overcome his handicap to the extent that he operates the very successful Snobl Enterprises at Haugen. His wife operates the "New Holland" gift center there.

The present sign is located north of Bowman hall on the campus, where it is readily seen by all traffic on Main street. Favorable comment on the new installation has resulted in the decision of the college administration to add immediately two similar signs to identify Stout's new residence hall for women to tourists passing through Menomonie on Highway 12.

SKETCHBOOK REVUE IS HELD AT CONVOCATION

Students filled the Stout auditorium to capacity Wednesday to see the fabulous "Sketchbook Revue" by Don Freeman. The artist fascinated the audience with his impressive sketches of Broadway, Times Square, Greenwich village, Fats Domino and the theater. Bits of humor, as well as the lighting made this program a huge success.

Mr. Freeman added the special effect to his show by using fluorescent chalk, making the New York skyline and other of his drawings seem to come to life in his nighttime interpretation.

The convocation scheduled for next Wednesday has been cancelled.

The theme of the 1958 Stout Homecoming became a reality as the Blue-devils 'harvested' Superior, 14 to 0 Saturday afternoon. The damp day didn't dampen the spirits of the Stout crowd as they turned out in full force for both the game and the parade. Saturday evening, a good time was had by all as our Homecoming victory was celebrated. Jules Herman and his orchestra provided the music as the students, faculty and alumni participated in the grand finale to our homecoming festivities.

A large, enthusiastic crowd lined the streets of Menomonie in a chilly drizzle for the Homecoming parade. Though it may have been uncomfortable, the quality of the parade made up for the discomfort caused by the weather. Snappy marching bands and the wide variety shown in the floats provided enjoyment for all. The efforts put forth by the various organizations were much appreciated by the crowd as they chuckled over the humorous floats, gazed at the beautiful ones and paused to think about those with religious significance.

After the parade the crowd, their spirits undampened by the cold drizzle, filed to Nelson field to give their enthusiastic support to the team. The team responded and provided us with a true 'October Harvest,' defeating the Yellowjackets. This triumph was followed by a victory celebration that none of us will ever forget.

During half-time the Stout state marching band provided entertainment for the spectators. Queen Barb Williams, Football Princess Mina Claseman and attendants Lu Ebbott and Mary Lou Strutzel were presented to the crowds to the strains of "Harvest Moon." Gerry Krueger, Stout's 1957 Homecoming Queen, then presented Queen Barb with a dozen, long-stemmed American Beauty roses.

After the presentation of the royalty, the winners in the float competition were announced. Sigma Tau Gamma received first place in the 'Most Beautiful' division with their entry entitled "Indian Summer." Alpha Sigma Alpha was awarded second place in this division with their theme "Golden Victory." First place in the 'Most Humorous' division went to the FOB's and their "Mountain Harvest Harmony." Second place in this division went to the Delta Kappa fraternity and their float "We Will Thrash Them." In the 'Most Original' division Phi Sigma Epsilon was awarded first place and their slogan was "We'll Get Them in the End." Second place in this division went to the Chi Lambda.

Jules Herman and his orchestra provided the music for our 1958 Homecoming dance, which proved to be the best ever at Stout. The juniors did a wonderful job decorating the gym. 'Harvest Moon' was the theme and colorful decorations were everywhere. The crowd enjoyed this dance tremendously and it was a victory celebration in the true sense of the word.

Parents Welcomed To Stout This Week-end

SWEETHEART DANCE TO BE HELD AFTER OSHKOSH GAME; TOY DOG TO BE GIVEN TO LUCKY WINNER

"Lover" is looking for someone to love him. You may be the lucky owner of this cuddly little puppy, if you attend the Sweetheart dance in the high school gym this coming Saturday after the football game.

Sponsoring this annual event are the Tri Sigs and the Phi Sigs. A special invitation is issued to all the parents who attend the Parent's week end festivities.

Tickets to the dance will be sold this week in Harvey hall and Saturday night at the door. With every ticket

will come a chance to win the furry little stuffed dog who quite rightfully goes by the name of "Lover."

Refreshments will be served to all "sweethearts" attending the dance.

Co-chairmen of the event are Ann Nelson and Chuck Bartell. All the members of the sorority and fraternity are working hard to make this a memorable occasion.

A fitting climax to Parent's week end, it is hoped that many students and parents will be there to join in the fun.

Stout state college extends a greeting to all the parents of students on campus this week end, October 31 to November 2.

Meeting parents of other students will be done mainly on Friday. Not much has been planned for that day to give time for the parents to arrive.

Saturday every door on campus will be open for parents to tour from 2:00 to 4 p.m. Included will be Tainter hall, Bowman hall, Harvey hall, the union, library, and all the other buildings on campus. Any questions about the campus procedure will be answered.

Coffee hour will be held in Tainter hall which will give the parents an opportunity to meet the members of Stout's faculty.

Parents will be invited to attend the football game Saturday night when Stout meets Oshkosh on Nelson field. A dance will follow the football game. The parents are invited as sweethearts.

Phil Felland is in charge of Parent's Week end. Phil stated that the idea of this week end is to acquaint the parents with the campus, as well as campus life. It is for the parents to get to know the faculty members.

Homecoming Provides Entertainment For All

PAUL SMITH APPONTED SSA PUBLICITY HEAD

Newly chosen Stout Student Association publicity director is Paul Smith. Paul, a freshman, hails from Gladstone, Michigan.

He attended high school in Stevens Point, Thief River Falls, Minnesota, and in Gladstone. During his high school career he participated on two high school newspapers, the "Mirror"

Paul Smith

at Stevens Point and the "Lincoln Log" at Thief River Falls.

Ski club and publicizing the SSA functions will keep Paul busy this year. His duties as publicity director are to send out all publicity on Stout activities to newspapers and radio stations; make posters for events sponsored by the SSA, write an article for the STOUTONIA on student government each week; and to inform the students of what the SSA is doing at their government meetings.

Qualifications for this position were an interest in student government, interest in journalism and the willingness to accept responsibility.

NOTICE

Because of the time required in having pictures developed, and cuts made for printing, pictures of this week's homecoming will not be found in this week's issue of the STOUTONIA. However, a special insert will be found in next week's paper with full coverage of this event.

PRESIDENT WELCOMES PARENTS

All of us here at Stout are indeed pleased to have you with us for Parents' Weekend. This event has a double objective; the opportunity for you to become more thoroughly acquainted with the college to which you have entrusted the education of your son or daughter and a pleasant occasion during which your family can be together.

Of course we at Stout are proud of our college. Perhaps you too will sense many reasons for that pride as you meet some of the splendid young people who are enrolled here, visit with members of our excellent faculty, and view our ever-expanding facilities.

Yes, parents, this weekend at Stout State College is dedicated to you. We hope that your visit will be worthwhile and pleasant. Certainly all of us are honored to have you on the campus.

Vernon C. Fryklund

MILWAUKEE AREA ALUMNI TO BE HOSTS TO STOUT GRADUATES AT W.E.A. CONVENTION NOVEMBER 6

The Milwaukee area chapter will again be hosts to all Stout alumni from the state that are in attendance at the WEA convention. An informal buffet supper is planned for Thursday, November 6, 1958, at The Milwaukee County Federation of women's club at 1462 No. Prospect avenue from 3:45 to 6:45 p.m.

Hot apple cider will be served beforehand and the buffet supper will be served from 4:30 until 6:45. Make this event an opportunity to renew old acquaintances and to meet new

friends. We're especially looking forward to meeting the recent graduates who will be meeting with us for the first time. Everyone looks forward to a bigger and better turnout this year, and if we each put our "best foot forward" the more we're sure of having a memorable time.

Reservations, with the correct amount of money, (make checks payable to Milwaukee Stout alumni association) will be accepted through Friday, October 31. The price is \$2.25 per person which includes punch and tip.

Homecoming Queen Barbie Williams and Football Princess Mina Claseman enjoy some punch at the Queen's Tea held in Harvey memorial on Wednesday, October 22. This was the official opening of Stout's 1958 homecoming activities.

WELCOME PARENTS . . .

The students of Stout welcome you, their parents, to the campus. They are proud of their school and are happy to have you as their guests on this second annual Parents' Weekend. Plans have been made to make your visit interesting, enlightening, and entertaining. The college is in a period of expansion which is apparent in the reconditioning and new construction that is visible as you stroll through the corridors and along the walks of the campus.

You are encouraged to visit the shops, laboratories, and classrooms and to meet the instructors, advisors, and members of the administration. To many, this will be a homecoming and to others, a new experience. Your weekend will be further enriched by Saturday's football game which will be followed by a social evening at the Sweetheart Dance.

On Sunday, you may attend the church of your choice, have dinner with your family, and enjoy a leisurely day at their "home away from home."

It is the sincere desire of the entire college that this weekend will be long remembered as a pleasant one and that you will be happy to have shared in some of the wonderful experiences that are part of your sons' and daughters' education here at Stout State College.

Sigma Sigma Sigma was pleased to welcome back so many of their alumnae sisters at their breakfast Saturday morning. Entertainment at this annual event was furnished by the pledge class.

All during homecoming week, Sigmas were working on their float, which was a huge animated turkey with the caption, "Tale of a Proud Victory."

A short business meeting was held in the library, October 23. The meeting was adjourned early so members could work on the float.

Tri Sigma extends its congratulations and best wishes to the new members of the fraternities on campus.

The annual EPT breakfast, held during the Milwaukee WEA convention day, will be November 7, 1958, at 7:00 a.m.

Door prizes for all members attending are again part of the usual fun-for-all program.

Advance registrations are requested and should be mailed with a check (\$1.75) to Harold A. Shultz, 3343 North Gordon Place, Milwaukee 2, Wisconsin. Telephone WOdruff 2-5264.

Mrs. Henry, representative to the United Nations, was the main speaker at the International Relations club meeting Wednesday, October 22.

A talk was presented by Mrs. Henry on the recent U. N. meeting. Mrs. Henry centered her talk around the speech John F. Dulles presented to the General Assembly. Dulles stressed and pointed out the idea of having a "Peace Force" which would be financed through the U.N. Mrs. Henry said that many people say it's fine to have a "Peace Force," but who can afford it? "W surely can contribute fifty cents in taxes each year per person in order to maintain peace, if we compared the fifty cents with \$400 per person spent each year on military assistance," remarked Mrs. Henry.

ERV'S CAFE

Many thanks to the officers and members of the freshman class, who built the letters; the sophomore class, who decorated the town; the junior class, who decorated the high school gym for the Homecoming dance; and the senior class, who took charge of the mixer on Friday night. A hearty thanks, also, to the chairmen of the Queen's tea, coronation, bonfire, and the parade marshalls. Other main factors to the success of this year's Homecoming were the football team and coaches, the administration and faculty, and the Stoutonia staff. It is through the untiring efforts of these groups, that Stout's 1958 Homecoming was such a tremendous success.

The SSA Officers At the beginning of every year the Governing Board and the SSA officers are occupied with the organization and planning of Homecoming. We have, however, accomplished other things this fall. The governing board has approved the distribution of monies to the organizations that are financially responsible to the board. We have been choosing goals towards which we would like to concentrate our efforts this year. We feel, in order to do a good job, we must limit our chosen goals to just a few. The following topics are under consideration for 1958-59 goals: cut system, freshmen orientation, freedom of the college press, student responsibility in higher education, rising enrollment, teacher evaluation, raising entrance standards, improving course curriculum, and improvement of the cultural status at our college. On November 4, we will choose two or three of these goals, on which we will concentrate our efforts for the rest of the year, through a committee system.

We would like to remind you that all students are invited to attend all of the Student governing board meetings. The time and place of these meetings are posted on the bulletin board across from the mailboxes in Harvey hall.

SCHULTZ BROS. CO.

MENOMONIE • WISCONSIN

Strictly For Men Women

With Joannie and Johnny Bluedevel

Congratulations to Tom Lowe, who once again looks human. Tom was forced to shave that ugly growth on his chin off after Stout defeated Superior in their homecoming game.

I regret to announce that one of the fraternities on campus has gone to the birds. As part of their pledging activities, the pledges of Sig Tau were required to catch seven live sparrows. The pledges out did themselves, however, and caught 25 to 30 of the winged fowl. When the actives saw this, they figured the pledge master, Jerry Porter, should benefit, so they let them loose in his room. When Jerry returned and the door was opened, the entire fraternity house was turned into an aviary. Members of the house were rudely awakened in the middle hours of the night with the winged beasts on their noses. The halls became busy as everyone was busily attempting to get rid of them. Gil Felled received the opportunity to show everyone his talents as a dancer, as one of his fraternity brothers put a bird in his shorts. At last report, the Sig Tau's were still attempting to pet rid of the sparrows.

Hell week is usually a time when all in the school feel sorry for the poor pledges of the fraternities on campus. Such was not true at the homecoming game, however, as all wished they were pledges of the FQB fraternity. Those fur coats the pledges were wearing sure looked warm.

I have heard that Bill Kindschy, captain of this year's Bluedevels, was walking down the hall the other day, when a freshman girl asked him if he was the bull of the campus. When Bill replied, "That's me, honey," the freshman simply said, "Moo."

"Mr. Jones, I'm afraid your son is spoiled."

"I beg your pardon, Mr. Smith, I disagree with you."

"Well, have it your way, but come and see what the steam roller did to him."

Poor Mr. Melrose. First the World Series interrupted his classes; then came the Menomonie high school homecoming with its bands and the parade. And then, to top off the day, the carillon put in its two cents worth. I guess Mr. Melrose must have delicate nerves.

I hear Dr. Agnew almost got beamed in his 9:30 modern world class yesterday. The maps seem to have it in for him. One fell yesterday and just missed hitting him on the head; and he claimed that the same thing had happened before.

It's party time again in the biochemistry class. Cider and donuts were consumed with eagerness by a very hungry class this morning.

It's almost time for mid-term exams. Cheer up though, girls, they won't last forever. Just be thankful that you're not a man-type student at Stout. Many of their classes run on the quarter basis; think of all the tests they have to take. We're lucky that we don't have tests in all our subjects.

At the Sig Tau cocktail party last Saturday night, Dick Anderson was pinned by Diane Davis. The pledges then gathered around "Little Bopper" and sang the Rose Song to him. Congratulations are also in order to Bev Retzlöf, who was recently pinned by Chuck Hornich.

The homecoming parade was nice, even though the sky was leaking a little. Congratulations to the fraternities and sororities who won prizes in the float competition. I think the floats were especially nice this year. Are you gals going out trick or treating this evening? You could

NEWS OF OUR ALUMNI

12 graduates of Stout state college attended the American Society of Training Directors' Conference in Washington, D. C., recently. Those who attended were: Ralph E. Betterley, education director, American foundrymen's society; Lawrence Braaten, head utilization unit, training aids section of the Bureau of Naval Personnel; Dean T. Brown, supervisor of technical training, Chrysler Corporation; J. J. Erpenbach, head, training section, Tennessee Valley Authority; L. W. Erpenbach, regional training officer, Post Office Department; H. G. Moltzau, director of education, Parke Davis Company; E. M. Reed, director of Employee services, Tennessee Eastman Kodak Co.; Homer C. Rose, chief, proficiency development division, Civil Aeronautics Adm.; Boyd C. Shafer, Exec. Sec., American Historical Assoc., managing editor, American Historical Review; W. C. Christensen, Dir., bureau of training and apprenticeship, Department of Labor; Patrick Murphy, Post Office Dept.; and E. B. Wenzel, supervisor of personnel, development of the Northwest Paper company.

Mr. and Mrs. R. W. Hanke and family have moved back to Menomonie from Faribault, Minnesota. Mr. Hanke graduated from Stout in 1948, and Mrs. Hanke is a 1937 Stout grad.

Dean of the new School of Business Administration at the University of Rochester, Rochester, New York, is Dr. John Brophy, Professor of Business Administration. Dr. Brophy graduated from Stout in 1938.

Mr. and Mrs. Edwin Binstock (nee Helen Kelly, B.S. 1949), are living at 1124 Englewood Drive, Rantoul, Illinois. Ed, B.S. 1950, is Instructor supervisor at Chanute Air Force base in Rantoul.

George Rudman Dragich, who was a metallurgical engineer for the Taylor Forge and Pipe Works of Chicago, died May 9, 1958. He graduated from Stout in 1941. His widow lives at 1937 Westchester Blvd., Westchester, Illinois.

Lily G. Amundson, who received her diploma from Stout in 1911, B.S. 1936, and M.S. in 1941, is now retired. She lives at 319½ Manitou St., Northfield, Minnesota.

CHICAGO ALUMNI

A fall get-together is planned as follows:

When: Saturday, November 8, 7:30 p.m. If this is too early, feel free to come when you can.

What: An informal pot luck supper.

Where: At the home of Mr. and Mrs. Donald Hanson, 10210 West Belmont, Franklin Park, Illinois.

The committee has planned a pot-luck supper. Each couple or person attending will bring one of these items of food. (1) main dish, casserole, or meat dish, (2) salad, (3) dessert.

Let Raymond Cherry, Box 86, Lockport, Illinois, know if you are coming and what type of food you plan to bring.

Pictured above are the fifteen newly initiated members of Phi Upsilon Omicron. From left to right in the front row are Marlowe Zoberski, Lois Bresina, Joyce Kersten, Jeanne Salm, Betty Schomburg, Mary Lou Schleis and Bo Brown. Standing are Janet O'Grady, Beverly Mortenson, Mina Claseman, Nancy Cory, Laura Kiel, Judy Steiner, Barbara Bosch and Marlys Pettis.

FIFTEEN NEW MEMBERS ARE TAKEN INTO PHI U. HONORARY HOME ECONOMICS FRATERNITY

Last Sunday, fifteen junior and senior girls were initiated into Phi Upsilon Omicron, national honorary home economics fraternity.

The girls were chosen on the basis of scholarship, leadership, and professional attitude. Girls are eligible the second semester of their sophomore year.

Bovard Brown is a senior from Stanley. Bo is president of Alpha Phi; vice president of choir; a member of Home Economics club and a member of Ski club.

Nancy Cory is active in Sigma Sigma Sigma, Home Economics club, and Wesley. She is a junior from Palmyra. Beverly Mortenson, senior, is treasurer of Dietetic club; and a member of Home Economics club along with being on the LSA council. Bev is from Wausau.

Janet O'Grady, senior, hails from Valders. Jan is a member of Alpha Sigma Alpha, Home Economics club, Newman club, and is presently senior class secretary. Judy Steiner is from Eau Claire and is active in Delta Zeta, Dietetics club, Home Economics club and Gamma Delta.

Chilton is the home town of JoAnne Salm, junior. Jo is a member of Alpha Phi, Home Economics club and is on the council and Newman club. She is also a counselor at the dorm. Marlowe Zoberski is a senior from Ironwood, Michigan. She is active in Delta Zeta and Home Economics club.

Mary Lou Schleis, senior, comes from Escanaba, Michigan. She belongs to Sigma Sigma Sigma, Home Economics club, and WRA. Durand is the

home town of Betty Schomburg, senior, who is active in Alpha Sigma Alpha, Dietetic club and Home Economics club.

Marlys Pettis is a senior from Hector, Minnesota. Her school activities are Alpha Phi, Governing Board, MAP and Home Economics club. Laura Kiel is a junior from Whitelau. Home Economics club and council, Sigma Sigma Sigma, YWCA and WRA take up her spare time.

Junior Joyce Kersten comes from Superior. Joyce takes part in Home Economics club and YWCA. Long Prairie, Minnesota, is the home of senior Wilhelmina Claseman. Mina is active in Delta Zeta, Home Economics club, Tower and is presently senior class treasurer.

Barbara Bosch, senior, is from Green Bay. Her outside activities include Dietetics club, Newman club and Home Economics club. Lois Bresina, from Chippewa Falls, is active in Home Economics club and Newman club.

Epsilon Pi Tau is a national honorary and professional fraternity in the field of Industrial Arts and Industrial-Vocational education. The fraternity originated at Ohio state university, Columbus, Ohio, in 1920. May 27, 1933, marked the beginning of the Theta chapter here at Stout.

The threefold purposes of Epsilon Pi Tau are: To esteem the function of skill in Industrial Arts and Industrial-Vocational Education, and to promote social efficiency, to broaden cooperative relationships in our profession and among the while of society, and to foster and reward research and circulate the results of scholarly endeavor.

Annually, Epsilon Pi Tau partakes in several campus functions. At honors day it awards a scholarship to a deserving undergraduate student, who may or may not be a member of this fraternity. To carry out the objectives set forth, EPT sponsors the Craftsman's Fair every year. This fair is a competitive exhibit of high school projects with prizes being awarded to the winning entries. An all-school mixer, which is being held on February 13th is another of EPT's activities.

Present officers of the organization are: Ken Dickie, president; Vern Draxler, vice president; Maynard Bjork, secretary-treasurer; and Kenneth Yaeger, assistant secretary-treasurer. Dean John A. Jarvis and Philip W. Reuhl are the faculty trustees.

Stout Stops Superior For 1st Win

Glenn Harke outruns the last Yellowjacket defender as he crosses the twin stripes for his second T.D. of the game. Bill Doane (47) and Lanny Anderson (21) are his identified escorts.

STANDINGS IN WISCONSIN STATE COLLEGE CONFERENCE

	W	L	T	Pct.
River Falls	5	0	0	1.000
Stevens Point	4	0	1	.900
Oshkosh	3	2	0	.600
Eau Claire	3	2	0	.600
Whitewater	3	2	0	.600
La Crosse	2	3	0	.400
Platteville	1	2	1	.300
Stout	1	4	0	.200
Milwaukee	1	4	0	.200
Superior	1	4	0	.200

Offensively Oshkosh runs the majority of their plays from a split-T formation. Tom Malchow, the quarterback, is an excellent passer, making the Titan aerial attack deadly. The backfield is solidly rounded out by tackles in the persons of Harold Nelson, Terry Tighe, Robert Dosch and Wayne Belke.

Defensively Oshkosh has a variable defense playing from a 5-3, 5-4, and a seven diamond. Their defense should be very tough for Stout to stop.

Stout has been working on pass defense and offensive blocking this past week. The Bluedevils should field their strongest team of the year Saturday, since there are no major injuries to any players.

Bostwick's Comments

Coach Bostwick believes the team is finally hitting their own and playing up to their capacity. "Oshkosh will be ready for us, but the boys will give their all," Bostwick said. "This game should be tough and we may pull another upset."

Saturday the high point of the game was the hard charging line on offense and defense. The boys did a very fine job and were always in there fighting. Stout's mental attitude is high after Saturday's victory. This attitude will help the Bluedevils greatly on Saturday night.

The team proved they could win our homecoming game; now it is again up to the team to dump Oshkosh. What ever you do Saturday night, win or lose, the student body will never forget Saturday, October 25. Boys, bring us home another victory.

"Well, I finally passed chemistry."
"Honestly?"
"What difference does it make now?"

The first win for Coach Bostwick and the Bluedevils was celebrated with a parade around the field and into the fieldhouse. The homecoming victory was witnessed by 2,500 rain-soaked students and alumni.

Homecoming Complete; 14 To 0 Upset For 'Devils

Stout's firedup Bluedevils uncorked their best defensive effort of the season in blanking Superior 14 to 0 in last week's homecoming tilt at Nelson field.

A crowd of 2500 children and cheering students and alumni outlasted the cold and raining October afternoon to witness Stout's mild upset over the highly-favored Yellowjackets from Superior. It was the Blue and White's first league victory, their first win of the season, the first win with head coach Bostwick at the helm and its first successful homecoming bid since 1951.

Stout Scores

The Bluedevils used only 3 minutes and 30 seconds of the first quarter to gain their initial six points, a lead which they fought to hold until the fading minutes of the game. Stout received the kick off and moved to their own 45 yard line. On fourth down O'Leary was forced to kick and put the ball deep in Superior territory. Ben Seigly received for the Yellowjackets and fumbled. Gil Feller recovered possession for the Blue and White on the Superior 8 yard marker. On first down O'Leary's dive pass just missed interception. Harke carried to the 1 yard line on second and on the third down Harke moved into the end zone on a quick right plunge. The run for the extra point failed and Stout had its first six points and held the lead for the first time this season.

Clinching TD

Late in the fourth period the Bluedevils received possession on their own 25. On a sustained passing and running drive Bundy maneuvered the team to the 9 yard line of Superior. On the next play Bundy rolled to his right, wheeled and hit Glenn Harke on the left side of the field and with a twisting and dodging run, the half-back entered paydirt for the clinching touchdown with a little over 3 minutes remaining in the game. Harke carried into the end zone on the 2 point

play to boost the lead to 14 to 0 Stout.

SPARKLING PLAYS

The strong Yellowjacket offense was checked at crucial times throughout the game. Both the offensive and defensive line of Stout turned in stellar performance. At one point Blue devil end Bruce Eland twice rushed the passer to squelch the threatening advance of Superior.

Lanny Anderson's crossfield tackle late in the last period saved the six point lead. The team as a whole rose to the homecoming tempo and for the first time in the season outplayed their opponents until the final gun was fired.

STATISTICS

Harke lead the Blue and White attack with 67 yards in 21 carries. Anderson gained 51 on 10 attempts and Ned McDonald had 34 yards in five plays. Cuskey added 81 yards to the Superior total in leading both teams on offense.

Stout gained a total of 22 yards compared with 246 for the Yellowjackets. Superior had 8 downs to the Blue devil's 8. Penalties went against the Blue and White 13 to 8.

OSHKOSH NEXT FOR SPIRITED STOUT SQUAD

Tomorrow night at 7:30 Stout's victorious chargers will play a strong Oshkosh team at Nelson field. This is the last opportunity to witness the Bluedevils in action this season and cheer them on to victory.

Last Saturday Stout took the Yellowjackets to the cleaners by closing the door on Superior 14-0. The Titans also won Saturday by beating the Platteville Pioneers 19-8.

Oshkosh beat Eau Claire 7-6, while Stout lost to Eau Claire 27-6. The Titans shut the door on the University of Wisconsin Milwaukee 18-0, and Stout was beaten by UMW 41-0. Stout then pulled the upset of the season by defeating Superior 14-0. Oshkosh could do no better than a 20-15 victory.

This week end should prove to be a tough game for the Bluedevils since Oshkosh has a very strong team. The Titans have won five games and lost two, and they are 3-2 in WCC action.

Mr. & Mrs. UMOC To Be Voted On Next Week

CARL ROWAN TO SPEAK AT NEXT CONVOCATION

It's just about that time again! What time? Well, it's eleven forty-five. No! No! That's not the time I want. eh! Oh! That's the time you want. It's time for the Mr. and Mrs. Umoc contest. There we go—that's right. What's right?

Yes, once again it is time for Alpha Phi Omega's Mr. and Mrs. Umoc contest. This year it is bigger and better than ever before. We have big plans and even bigger ideas.

Just as railroads have time tables, so do we. Here is ours:

Nov. 12 Start of voting in Harvey hall, 12 a.m.

Nov. 14 Voting ends approximately 5:30, when the official Mickey Mouse club clock sounds off.

Nov. 14 All school swim if possible

Nov. 15 Mr. and Mrs. Umoc dance. This year Mr. and Mrs. Umoc will be announced at the dance. During the intermission a program is planned climaxing with the naming of the contest winners. Jack Pringle will be providing the music in the small gym. Admission is 50 cents drag and 30 cents stag.

As in every contest there are rules to follow. These rules are very simple and easy to understand.

1. All votes will be one cent apiece.
2. All proceeds will go into a scholarship fund for upperclass students of SSC.

3. Entry is open to any organization wishing to participate. All entries and pictures must be in by November 10.

So come one, come y'all and vote for the ugliest guy or gal on our entire campus.

TAINTER HALL SOPHS HOLD "JAILHOUSE ROCK"

Tomorrow, November 8th, is the date set for the sophomore girls dorm dance. All the publicity and decorations will follow the theme, "Jailhouse Rock." The time and place for all the rockin' is at 8:00 p.m. down in the main lounge of Tainter hall. Everyone is invited and no special dress or suit need be bought. Come to have fun.

No admission fee will be charged and free refreshments will be served. The music will be supplied by a phonograph and there are plenty of records.

Judy Gordon, vice president of the dorm is acting as general chairman. Other committee chairmen are Skippy Williams, publicity; Avalene Drake, refreshments; and Kay Koepfer, decorations.

Come on out, all of you fun lovin' people. If Tom Dooley's returning from the dead for "Jailhouse Rock," surely you can make it.

SWEETHEART DANCE IS HELD FOR PARENTS AND STUDENTS FOLLOWING LAST SATURDAY'S GAME

"Lover" found a new home! Una Lundin was the lucky recipient of the fuzzy little dog at the Sweetheart dance sponsored by Tri Sigma and Phi Sigma Epsilon last Saturday evening.

A large crowd was present to dance in the gaily decorated high school gym. Radiating from a huge red heart in the center of the ceiling were red and white streamers. Attached to the streamers were red and white balloons on which gold and silver glitter spelled out the Greek symbols of the soror-

Parents and students alike enjoyed the sweetheart dance which was held in the high school gym following the Oshkosh game last Saturday night.

ALPHA PSI OMEGA BUSY ON FALL PRODUCTION

Members of Alpha Psi Omega are hard at work on their fall production, "The Curious Savage." The student directors are Donna Enders, Yvonne Swenson, Virginia Hubbard and Ardala Littlefield. Chairmen in charge of properties and publicity are Myrna Shearer and Sarah Williams. The stage manager, Tony Pollino, has been hard at work with his stage crew, preparing the set for the three performances.

"The Curious Savage," a warm and human comedy was written by John Patrick, author of "The Teahouse of the August Moon." John Patrick's plays have been produced by high schools and colleges alike throughout the years. The University of Minnesota Players took "The Curious Savage" on a very successful tour of the midwest several years ago.

Make your plans now to see "The Curious Savage." Stout state students will be admitted free on the presentation of their SSA cards. Free reserved tickets may be selected when the tickets go on sale in the corridor of Harvey hall; 75¢ is the price for the general public. Reserve November 20, 21 or 22 at 8:00 p.m., and be sure to see "The Curious Savage."

BULLETIN BOARD

Mrs. Kay Smith, textbook librarian, announced that all quarter books must be returned by Friday, November 7. If returned late, there will be a one dollar fine. The hours for returning the books are as follows:

Friday, 8:15-11:45 and 1:15-5:00
Monday, 8:15-11:45 and 1:15-5:00
Tuesday, 8:15-11:45

If the old saying "One picture is worth 10,000 words" is correct, then this week's STOUTONIA has set a new milestone in its history, as it published well over 360,000 words.

A ladies', medium blue, size 12, wool coat was exchanged by mistake at the homecoming dance, Saturday, October 25.

Will the "wronged" party please contact Karen Schiessl, Bruce, Wisconsin, or the Stoutonia office.

Adding to the atmosphere was the stereophonic hi-fidelity phonograph which Red's TV of Menomonie generously loaned to the Tri and Phi Sigs for the evening's entertainment. The many satisfied "sweethearts" will attest to the quality of this new sound in music.

Chaperoning the dance were Dr. and Mrs. Guy Salyer, and Mr. and Mrs. Edwin Siefert.

Mr. Carl Rowan, well-known writer and lecturer, will talk at the third convocation of the semester on Wednesday, November 12, at 9:30 a.m., in the Stout state college auditorium.

Advisee meetings, originally planned for this date, have been cancelled to allow everyone to hear Mr. Rowan. This program will replace the DeFalco group program which was to have been on November 5.

Mr. Rowan is known to many for his writing for the editorial staff on the Minneapolis Star-Tribune, for the awards he has won for outstanding foreign correspondence, for his articles and book on India, and for his interest in the problems of his people.

Carl Rowan was born in Tennessee. At the age of 19 he became one of the first fifteen Negroes in the nation's history to be raised to officer rank in the Navy. He has a bachelor's degree from Oberlin college, Oberlin, Ohio, and a master's degree from the University of Minnesota.

In 1956, at the age of thirty, Carl T. Rowan became the only newspaperman ever to win three consecutive annual awards from Sigma Delta Chi, America's foremost journalistic organization. These awards came for reporting on the Bandung Conference

CARL ROWAN

(Southeast Asia) and articles on India, which were later published as a book, *The Pitiful and the Proud*, and in 1954, for his articles giving the background to and issues involved in the school segregation cases then before the United States Supreme court.

When one mentions the name, Carl Rowan, many people recognize his name and express pleasure at the prospect of hearing him. Don't miss this real opportunity for you to learn more about the segregation problem in our country.

"GREEK SING" HIGHLIGHT OF GREEK DANCE

A "Greek Sing" consisting of the favorite songs of each sorority and fraternity will be the intermission feature of the annual Greek dance sponsored by the Panhellenic council, Friday, November 7, from 8 p.m. to 11:30 p.m. The dance is being held at Tainter hall. Admission is free although it is limited to Greeks and their dates.

Togas are the preferred dress, although the uniform dress of each group shall be accepted. Committee chairmen are as follows: general arrangements, Alpha Sigma Alpha; decorations, Alpha Phi; program, Delta Zeta; and food and clean-up, Tri Sigma.

For all Greeks, whether alone or with a date, this is a good way to meet the members and pledges of other sororities and fraternities. Let's put on a good showing of each Greek organization by coming to the Greek dance this Friday.

COLLEGE HOSTS ANNUAL PARENTS WEEKEND; ACTIVITIES ACQUAINT THEM WITH COLLEGE LIFE

Stout state college was the host to a large number of parents this past week end. These parents of the Stout students were visiting our campus to become acquainted with our school and with our school life. It was an opportunity for the parents to become acquainted with the faculty, also.

Many of the parents arrived on Friday, and, since there were no scheduled events, they had a chance to meet many of the students and to catch up on "what's been going on" here at Stout.

Saturday, tours were conducted through Tainter hall, Bowman hall, Harvey hall, the union, the library and all the other buildings on the campus from 2:00 to 4:00 p.m. At this time any questions concerning the campus procedure here at Stout were answered.

At the October meeting of Home Economics club, almost 200 new members were initiated by club officers. Each of the new members received a "mum" corsage during the ceremony. The Betty Lamp was explained to the girls and why it was chosen as a symbol of the club.

President Opal Burton encouraged members to attend the college chapters meeting at Milwaukee Downer college in November. Opal also informed members that Stout was the biggest school of Home Economics in the state of Wisconsin.

Following the meeting, a coffee hour was given in Harvey memorial. Louella Howell was chairman of the arrangements.

ALUMNI FROM 6 STATES VISIT AT HOMECOMING

Approximately 500 alumni returned to help make the Stout state college homecoming successful.

After an alumni business meeting on Saturday morning, the classes of 1933, 1948, and 1953 enjoyed reunion luncheons at Dan's Cafe, Harbor Inn, and Jeatran's supper club.

Graduates returning were from classes of 1910 through 1958. Nearly 50 per cent of the registered alumni were from the classes of 1950-1958.

Alumni registered were from six states—Wisconsin, Minnesota, Illinois, Michigan, Nebraska, and Oklahoma.

ed in an attempt to better acquaint the parents with our college and its functions.

Saturday, a coffee hour was held in the memorial room in Harvey hall and this event gave the parents an opportunity to meet members of the Stout faculty. A movie was also shown to familiarize the parents with our college and its social life.

Parents were also guests of Stout at the football game against Oshkosh Saturday evening and the Sweetheart dance which followed the game.

Thanks of the students on campus are given to Phil Felland, who was in charge of Parent's Week end, for the chance to get together here at Stout with our parents, to show them our school and to enjoy a week end together.

Darrell Groskopf, freshman from Wausau, shows his parents through the print shop during last weekend's open house for parents.

SCHOOL SPIRIT . . .

Stout state college has come to life. School spirit has finally been sparked to the point where our teams are getting the support they so much deserve.

This was in evidence at the homecoming and Oshkosh football games where throngs of students braved the cold and rainy weather to show their team that they had the student body behind them.

Football season has ended, however and too many of the students, so has the spirit. Why?

Lets not lose this fine spirit. You may not realize it, but in just two short weeks Stout's basketball team will take to the court in their first contest of the season against Augusburg. On Monday night, November 24, they will open their home season against St. Mary's.

Let's not die because football season has ended, but rather snowball into the basketball season with more school support then ever and help boost that team with their biggest aid, "School spirit."

CLUB NEWS

Chapter study for Sigma Sigma Sigma's national test and plans for the Greek dance were items of business at the last meeting.

It was reported that Greeks and their dates would be allowed to attend the dance, not just Greeks.

The Sweetheart dance, co-sponsored with the Phi Sigmas, was again considered to be a success, even though last-minute orchestra cancellations necessitated the use of records. Una Lundin was the lucky recipient of cuddly "Lover IV."

Last week on Wednesday, Phi Sigma and Tri Sigma pledges were exchanged for one day. After many unusual activities and stunts, thought up by the big sisters and brothers, the members treated the pledges to dinner. Tri Sigma pledges proved to be not only a lot of fun and good sports, but also very efficient waitresses.

A word of thanks is given to all of those who attended Tri Sigma's Halloween tea and helped to make it such a success.

Plans are being made for a forthcoming trip to Milwaukee. Gamma Upsilon chapter of Alpha Phi will be installed on November 15, 1958, at the University of Wisconsin in Milwaukee. Two delegates from Gamma Sigma chapter at Stout will take part in the ceremony. These two delegates are Barbara Williams and Jeanine Larson.

The annual cities trip was also discussed. After the meeting the actives and the pledges got together for a song fest.

Plans for the Greek dance and the enforcing of definite scholastic rules were the main topics of the Delta Zeta sorority meeting on October 30, 1958, in the audio-visual room of the library. The members decided to take a trip together to the Twin Cities in the second semester. Discussion was held on the Founder's Day banquet to be held on November 20. For the next two Mondays, the members will wear green and pink ribbons to recognize the newly initiated chapters at Western Texas state college in Texas and Southeastern college, Grant, Oklahoma. This week the Delta Zeta's have their annual 'Peanut Week.' Each sister has one member's name for which she does special favors.

Tuesday evening, October 28, the Alpha Sigma Alpha sorority was invited to the Phi Sig house to have a barbeque supper preceding a joint party. Entertainment after the supper was provided by pledges of both groups.

Wednesday, October 29, marked the day of the pledge exchange between the Tri Sigma sorority and the Phi Sigma fraternity. Tri Sigma pledges were required to report to the Phi Sig

house during all free hours. The pledges did various odd jobs as sewing on button, ironing shirts, straightening up the rooms, serving supper and doing the day's dishes. Thursday evening they were invited to return for a steak supper as reward for their work. Saturday, the Phi Sig house was visited by the parents of some of the residents.

Touring the University of Minnesota Newman center and attending a twilight concert were activities enjoyed by the members of the Newman club of Stout, November 2.

Students visited the Newman center and had the chance of seeing a large Newman group at work.

The Minneapolis symphony orchestra provided the entertainment for the Twilight concert late that afternoon.

Pizza was served by the Minnesota Newman club that evening and after an enjoyable evening the Newman group boarded their buses and headed back to the Stout campus.

Football mums were sold again this year at homecoming by the Alpha Sigma Alpha sorority. All the mums were sold so a bigger sale will be planned in the future.

Reports on the Milwaukee installation of an Alpha Sigma Alpha chapter were reported by Sarah Albrecht. Sandra John, and Rita Anderson, who represented Beta Phi chapter at the installation. Plans were made to attend the Greek dance, November 7. Sandra John is chairman of the Alpha Sigma Alpha's annual magazine sale. Anyone needing a good Christmas idea see an Alpha Sig and she can help you out.

Miss Reik spoke last Sunday evening at the meeting of the Wesley student fellowship. Miss Reik spent many years in foreign countries as a foreign missionary. She showed slides of people and life in Pakistan where she lived and worked in the recent five years, mainly teaching young girls. She told of the serious problem of lack of education and lack of interest in education, especially for girls. The talk was entertaining as well as educational.

The late Dwight Morrow, who was very absent-minded, was once reading earnestly on a train when the conductor asked for his ticket. Frantically Mr. Morrow searched for it.

"Never mind, Mr. Morrow," the conductor said. "When you find it, mail it to the company. I'm certain you have it."

"I know I have it," exploded Mr. Morrow. "But what I want to know is, where in the world am I going?"

MENOMONIE • WISCONSIN

School spirit at Stout reached a new high at last Saturday night's game. Let's keep it that way.

Your
SSA
Reporting

"Revolutions are made by students and sufferers." Soon students will be suffering and the whole country may suffer even more, unless certain revolutions occur in our higher system of education. A growing student population, rising costs of education, and the immediate need for scientists require revolutions in our support of and attitude toward education.

"Is it really the students who deserve to be called the "silent generation"? There is evidence that our present system of education is neither adequately fulfilling technological needs nor requirements for community responsibility and leadership. Too often, we wait for catastrophe or crisis to shape our educational policy. If we continue to ignore the basic needs for higher faculty salaries, curriculum evaluation, and some national policy, American education is in danger of being reduced to a satellite of the Russian system.

"Overcrowded classrooms, the ef-

fects of low faculty salaries and prestige, and rising costs are becoming obvious to the student and are leading him to a realization of the general lack of depth in his education.

"A curriculum must be developed which will equip the student with the scientific knowledge which the times demand, but yet enable him to find for himself those values which enrich life and preserve personal identity."

The above article is a synopsis of a statement prepared by Ray Farabee, President of the United States national student association. We in SSA will continue to pass in to you the student articles of this nature as we feel that they will help you to gain a better understanding of student government, what it stands for and the student's obligation to the American educational system.

1958 Homecoming at Stout

WOW! WHAT A HOMECOMING

Homecoming fever ran high Friday night as the coronation, bonfire and mixer became a part of school history. Many alumni returned to join in on the festivities.

Looking radiantly lovely, the queen and her court entered the newly-decorated auditorium and the October Festival began. Gerry Krueger, last year's queen, placed the crown upon Queen Barbie's head.

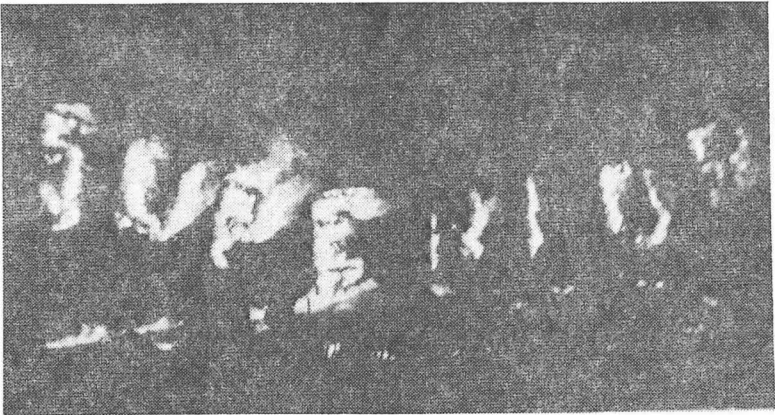

Harmony in song greeted the audience as the Four Coeds sang two very lovely numbers.

The Stout marching band provided a triumphant atmosphere as everyone marched out to the fairgrounds for the burning of the letters. The freshmen had worked hard in the building of their letters. Spelled out in full, the Superior letters burned brilliantly against the night sky. Cheers that promised a Stout victory rose from the crowd and the strains of "Honour Bound" lifted into the air.

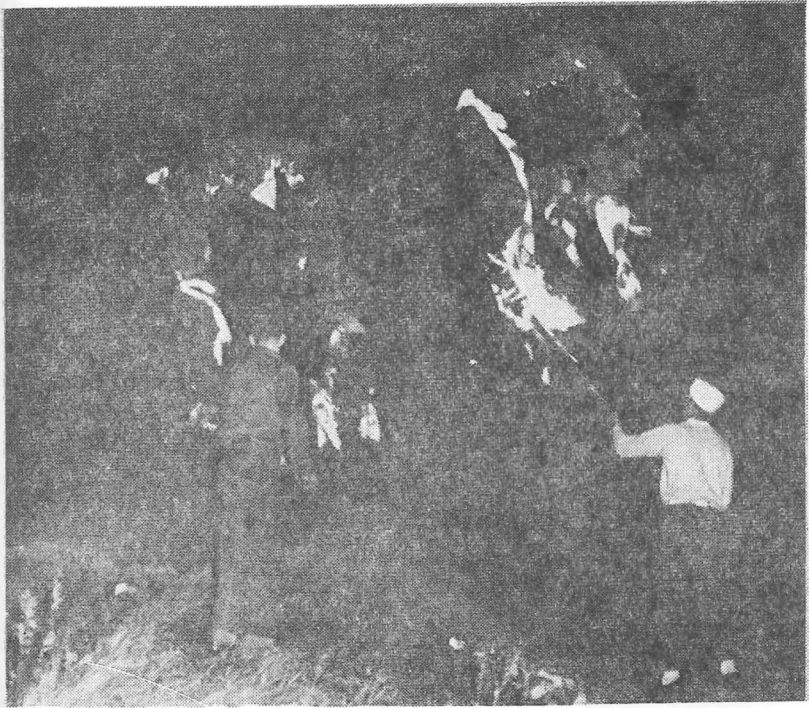

The ceremony over, the students and alumni returned to the Stout gym for the senior sponsored mixer. There they enjoyed apple cider and doughnuts. Everyone was hoping that Saturday would be the day for the first 1958 football victory—and it was.

Last year's Queen Gerry Krueger places the crown on Queen Barbie. Attendants Mary Lou Schultz, Mina Claseman and Lucretia Ebbot look on. This was the official beginning of the Homecoming festivities, which was followed by the torchlight parade, bonfire, and all school mixer.

Letters spelling out Superior burned briefly at the opening of the bonfire ceremonies.

Freshmen students set to flame the letters of Superior at the bonfire which they had been busy building throughout the day.

Hit of the coronation was Greg Drescher who entertained all with his amusing antics.

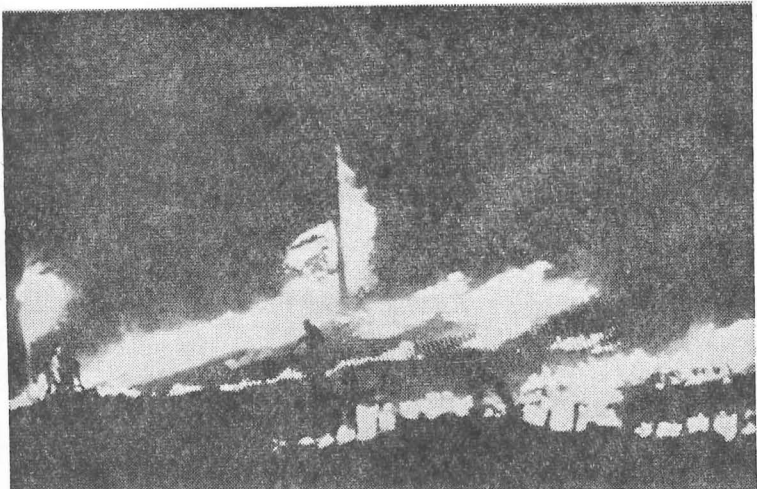

Phi Sig pledges light their torches at the beginning of the torchlight parade.

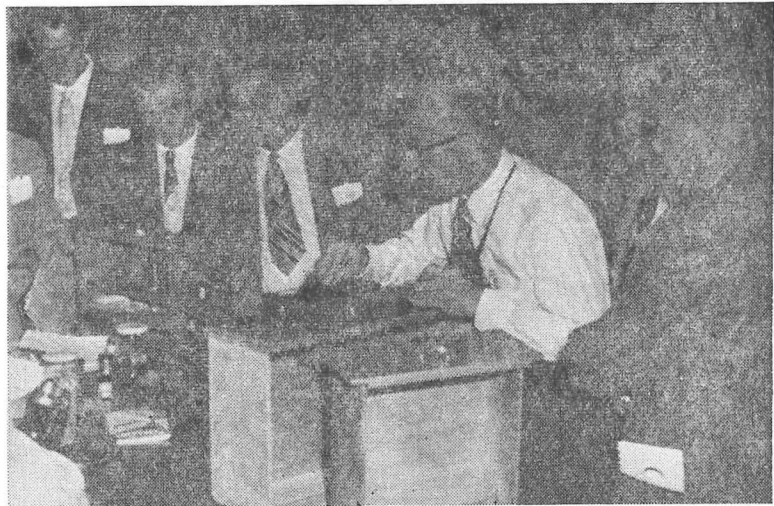

Princess Mina Claseman and her escorts walk beneath the archway formed by the Sig Tau Pledges following the coronation.

Sig Tau and F.O.B. pledges lead the torchlight parade to the fair grounds for the bonfire ceremony.

Superior's letters did not hold up long, perhaps an omen for things to come on the field the next day. During this time, cheers and speeches were given to the many students in attendance.

Mr. Soderberg gives a demonstration on finishing at the Industrial arts workshop which was held for alumni throughout the week-end.

Stout's band leads things off in the homecoming parade, as they briskly march down Main street.

"Beat Superior or bust" is what the sign says displayed by the "Harvest Queen" at the game.

Alumni and student braved the rainy weather to see Stout's 1958 homecoming parade.

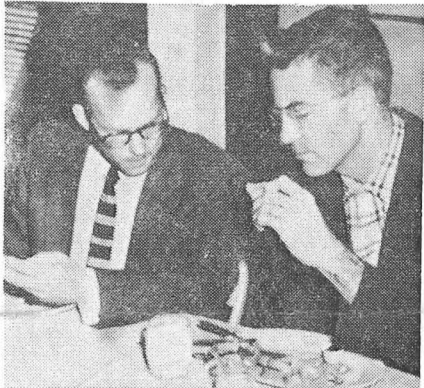

Given the award of "most beautiful" float, the Sig Tau's entry "Indian Summer" rolls down main street.

Mary Lou Struzel smiles to all during the parade.

Lucretia Ebbot waves to the crowd during the parade.

Conrad Mylnaric, and Bruce King chat at the alumni breakfast held by the Chi Lambda's

"Most humorous" entry in the parade was this one by the F.O.B. fraternity. "Mount Harmony Moonshine" was their theme.

Did you hear about the man whose cat got run over by a steam roller? He didn't say anything—he just stood there with a long puss.

NEWS OF OUR ALUMNI

Home economics teacher in the vocational department in Ellsworth high school is Mrs. Leslie W. Sullivan, (nee Vicky J. Grimm, B.S. 1957). Her husband is a construction foreman for the E. G. Clinton Co. of Minneapolis, Minnesota. They live at 414 Oak St., River Falls, Wisconsin.

26 S. 12th Street, Barron, Wisconsin, is the address of Mr. and Mrs. Byron M. Dodge and their two sons. Byron, a 1953 Stout grad, is industrial arts teacher and junior high coach at Barron junior high school.

7th grade woodworking instructor at Wausau junior high school is George E. Guenther. George, who received a diploma from Stout in 1924, lives at 527 McClellan St., Wausau, Wisconsin.

Gerda Bune (nee Gerda Ravnholt, B.S. 1952), is home economics teacher at Morgan junior high school in Seattle, Washington. She and her husband traveled through Europe and visited the World's Fair this summer. 822 E. 189th St., Seattle 55, Washington, is their home address.

Mr. and Mrs. Allen Johnson announce the arrival of their third son, Thomas Robert, who was born October 19, 1958. Allen, who graduated with the class of 1958, is teaching general woodworking, general shop and driver's training at Baraboo high school, Baraboo, Wisconsin. Their address is 637 2nd Avenue, Baraboo, Wisconsin.

Laurie M. Lehto (Dip. 1926, B.S. 1932, Stout), is director of photography and printing at Lee H. Edwards high school. His address is 133 Washington Rd., Asheville, North Carolina.

Home economics teacher at Ashland senior high school is Mrs. Robert E. Atkins (nee Virginia Jacobsen, B.S. 1944). Robert is an officer in charge of the Navy recruiting station in Ashland. The Atkins and their two children live at 2945 Montgomery Ave., Ashland, Kentucky.

Vera Dale (B.S. 1956), is employed as a junior executive trainee with the Copwell department store in Oakland, California. She is undergoing training which will lead to a department manager capacity. Her address is 2115 Haste St., Apt. 208, Berkeley 4, California.

Of interest to many Stout faculty and alumni is the death of L. W. Behrends, who received his bachelor of science in education and his masters degree from Stout.

Mr. Behrends, who was 38, died after suffering a heart attack. At the time of his death, he was principal of the Oglala Community school, Pine Ridge, South Dakota. Mr. Behrends had been principal for the past three years and had been in the Indian service for eight years.

FRATERNITIES RELEASE NAMES OF PLEDGES

The fraternities have announced their pledges for this fall. Some of the pledges are now new members and others are still performing duties for the actives.

New Chi Lambda initiates are Max Farning, John Gilsdorf, John Hamill, Dave McNaughton, Paul J. Smith, Dewane Webb and Tom Wright. These fellows were formally initiated last Thursday.

The Delta Kappa fraternity has pledged the following fellows: Joe Cavereta, Roger Kane, Bob Leu, Jim Leu, Bob Raezch, Don Sabathe, Don Stewart, Vern Verlain, and John Winterhalter.

Walt Kramer, Kirk Evenson, Bill Harycki, Frank Kozlawsky, Bob Meyer and John Banks are the FOB pledges. They have been busy for the past two weeks assisting the actives.

Joining the Phi Sigma Epsilon fraternity are Charles Alexson, Bernard De Rubeis, Richard Koenig, Joe Merrick, Dave Passo, Charles Slade and Harry Wathas.

Sigma Tau Gamma has announced the following fellows as their new pledges: Jim Coyle, Robert Danielson, Howard Lien, Gordon Laib, Al Fisher, Ken Pagel and Jerry Sorensen.

These fellows have all been kept quite busy during the Hell Week period. Many of them are now formal members of their group, whereas some are still to be initiated.

Opal Burton Attends National Home Ec Meet

Each year the American Home Economics Association holds a meeting to conduct its business and to give to its members an opportunity to take stock of the status of their profession and examine world and social and economic conditions that affect home economics.

Opal Burton, president of the Stout Home Economics club, attended the event as a representative of the Stout college club. She was one of 4000 delegates who attended the annual meeting held in Philadelphia June 23rd through the 28th. Opal reported to the club about her activities at the convention during the September meeting.

Home economists devoted most of the opening day examining new equipment designed for the home, institution and teaching use. More than 200 exhibits were on display with many offering free information for teachers' files.

At the opening general session on the 24th, Dr. Beatrice Paolucci, Ohio state university, said that the home economist should plan their activities around the home and family. She suggested that some of the changes that might be made in the present orbit of home economics are:

1. A decrease in "how to do it" skills.
2. An increase in men in the professional fields of home economics.
3. An increase in the number of courses outside of the home economics curriculum for those studying to be home economists.
4. An increase in a realistic knowledge of how families live.

"We must blaze the trail, not trail the blaze," said Dr. Paolucci about the

mittee. The goal this year is to sell the entire supply.

The officers of the club are Opal Burton, president; Jo Salm, president-elect; Gloria Walstad, vice president; Ardelle Dregne, secretary; D'Ann Mattson, treasurer; and Katchen Kubitz, editor-historian. Representing their classmates are Avis Dutton, sophomores; Laura Kiel, juniors; and Barb Kennedy, seniors. Committee chairmen are Barbara Berkseth, social; Alice Schweizer, program; Sylvia Felland, roll call; Beverly Madsen, song; Jeanine Larson, money-making; and Ellen Bruce, publicity. The club advisors are Dorothy Clure, Sarah Littlefield and Ann Noble.

INTER-RELIGIOUS COUNCIL

Stout state college Inter-Religious council is an organization promoting a closer relationship between students, administration and clergy in on-campus religious activities.

Inter-Religious council was formed in 1952 to unite all religious organizations, and to give the groups an opportunity to discuss problems and ideas.

Supper meetings are held in different churches on the third Monday of each month. Speakers are often invited to discuss the need of religion on campus and the responsibility of the religious organization to the student.

Included in the activities of the council are the publication of "Locate Your Church," a bulletin to acquaint new students with Menomonie churches; and observance of Brotherhood Week, Religious Emphasis Week and World Day of Prayer. The World University fund drive is also sponsored by the council.

Officers of Inter-Religious Council for 1958-59 are William Kaul, president; The Rev. R. L. Sanasac, vice president; and Peggy Douglas, secretary.

continuation of the dedication to the family.

At another speech, Eric Johnston, president of the Motion Picture Association of America, spoke out against two alarming trends in America: conformity and concentration.

On the evening of the 24th, the doors of the famous Philadelphia Museum of Art were open to the home economists for a private showing of certain sections of the museum, including the room where Princess Grace of Monaco's wedding gown was stored.

The second day of the convention was devoted to meeting in special interest groups. The college club section held their business, installed new officers and discussed the proposed program for the coming year.

June 26th was another interesting day for Opal. Barbara Sampson, from the General Foods Corporation, reported on her experiences from behind the "Iron Curtain" as one of the U. S. representatives to the World Fair in Belgium. Miss Sampson showed a film which expressed the reaction of the Polish people to U. S. exhibits. One humorous anecdote Miss Sampson shared with her audience was the reaction to our frozen foods. Having never touched frozen foods, the Polish girls helping in the booth would not help handle the food except when using pot holders.

Lilly Dache was the featured speaker the last day of the convention. While talking on "Are Women Finished," she used the word glamour as she defined a "finished" woman.

G-good grooming and graciousness
L-love
A-ambition, awareness, attention
M-mystery, making the most of oneself
O-originality
U-understanding

R-restraint—self-discipline, realistic approach, responsiveness

At the end of the session, Dr. Beulah Gillaspie, A.H.E.A. president, introduced the new officers of the association. In the afternoon, the home economists visited places of professional interest like the textile institute and the electric company.

Opal said this of the convention, "This was truly an experience I shall always remember. I didn't realize that the home economics profession was so large and the opportunities so great for the young home economist of today."

Opal has wholeheartedly thanked the Stout club for sending her to the meeting and encourages everyone to attend the next national AHEA meeting that will be held in Milwaukee next summer.

HOME ECONOMICS CLUB

With 418 members, the Stout Home Economics club ranks as one of the largest clubs in the nation. Membership is open to any Home Economics major.

The local club seeks to provide an increased interest in Home Economics through its activities, committee work and meetings. Attendance of national and district organizations is encouraged and subsidized by the club. Girls learn of new fields of Home Economics and job opportunities through the club's program.

For this school year, a very active year has been planned. The monthly meetings will many times carry out the year's theme, "The Forward Look." Highlights of the year are: the Green tea that is given entirely by the freshmen members of the club. The Twelfth Night party is now an annual affair with the traditional burning of the Christmas tree. A Christmas tea, a style show and an all school mixer are projects, too.

The Stout cook book ranks as top material for the money-making com-

Six seniors played their last football game for the Blue Devils last Saturday night. From left to right kneeling; Lawrence Gannon, end, Chippewa Falls, Wisconsin; Bruce Eland, end, from Marinette, Wisconsin; Jim Lubahn, tackle, Saukville, Wisconsin, back row; Kenneth Carlson, end and tackle, Nashwauk, Minnesota; Captian William Kindschy, tackle, Galesville, Wisconsin and Richard Brehm, end, Knapp, Wisconsin.

ATHLETIC DEPARTMENT EXPRESS APPRECIATION MANY PEOPLE ASSIST IN PRODUCING GAMES

The following article was submitted by Ray C. Johnson, athletic director of Stout state college.

With football tucked away for the year 1958, it is once again time to pay special recognition and give a hearty thanks to the people who have helped to make the season a success. There are many teams of technicians and workers who assist the Blue Devil squads in presenting their four home games.

The men who give you the blow by blow account of the game along with special notes of interest include Dr. Robert Swanson, Fred Schleg and Luther Reuter, who operate the public address system.

Mr. Phillip Ruehl and his staff keep the electrical controls in operating order. This includes the P.A. system and

score board.

The staff at Nelson field includes Mr. Louis Rhode, engineer; Mr. Oscar Solberg, grounds keeper; and Mr. Vernon Johnston, custodian.

The official timers are Mr. Lyle Pollock and Mr. Frank Belisle.

The audio-visual education department is represented by Dr. Dave Barnard, Mr. Lloyd Whydowski, Mr. Gerald Schemansky and Mark Segebarth.

The athletic department publicity is under the direction of Dr. Thomas Fleming who is assisted by James Guilbault.

August Domke is in charge of training aids.

Local news coverage by Mr. Wally Smatana, Mr. C. M. Russel and Mr. Paul Hasset of the Dunn County

S CLUB HOSTS FOOTBALL TEAM AT PROGRAM

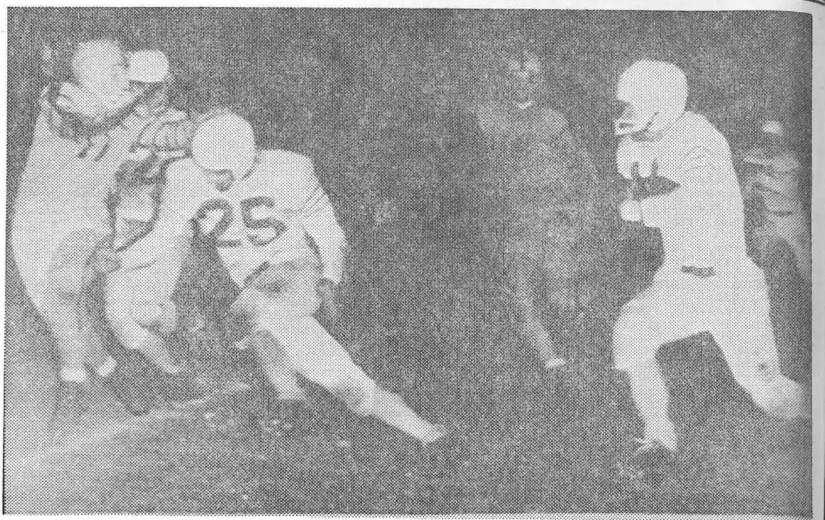

The 1958 football squad were guests of the S club at their regular Wednesday meeting. A special program featured awards to individual athletes. Plans are for the awards night to be an annual post-season affair.

Sophomore guard Tony Pollino won the 1958 Good Humor Guy trophy, an emblazoned blue and white oil can, inscribed, "Good Humor Guy—1958". It is meant to be symbolic of the spirit so essential to keep a team running smoothly. In spite of a late season start, and hampered by an injury, Tony's special efforts to instill hustle and high morale among his teammates was especially deserving of the coveted tribute in the opinion of his coaches and teammates.

Senior end Dick Brehm was named "Gentleman of the Year". His sincerity, and his loyalty to his teammates and the coaching staff have constantly typified those qualities which the school's varsity program seeks.

Sophomore center Chuck Lohr received a special citation commemorating his extracurricular efforts to succeed, especially at Milwaukee. Larry Gannon was winner of what his teammates deemed essential to his personal well-being. The award was a club, inscribed, "To beat off women!" Halfback Glenn Harke was singled out for the discerning company of friends he keeps and which has caused him to be the envy of his colleagues. Teammates of quarterback Bob Bundy chipped in to purchase a comb for him. Lyle Buss, freshman guard, was presented with a precision timed "jeweled" wrist watch, and freshman quarterback Bill Doyle won the agriculture award, (a highly coveted but secret tribute.) Coach Bostwick's constant emphasis on blocking and tackling, with the frequent admonition to "Bust somebody" was so well remembered by all that a special plaque, fashioned by Mr. Krasusich was awarded to him.

Players elected a Most Valuable Player, to be announced at a regular luncheon. Refreshments were served by the S club.

Fullback Bob Mitchell (25) clears two men from the path of ball carrier Jack O'Reily (11).

OSHKOSH TIPS STOUT; BLUEDEVILS FALL 35-14

A strong, well-balanced Oshkosh team won over the Blue Devils, Saturday night, 35-14. Tom Malchow's passing attack was too much for the Blue Devils to cope with.

Stout received the opening kick-off with Ned McDonald returning the ball to the Stout 44. Lanny Anderson scampered for a first down on the first play from scrimmage. The Titans proceeded to hold the Blue Devils, forcing Stout to punt.

Oshkosh took over the ball on their 14 and began a march up field for the first TD of the game. Tom Malchow completed three passes to Bob Dosch to bring the Titans within 10 yards of paydirt. Due to an offside penalty Oshkosh was situated on the Stout 15. At this point Wayne Belke scampered through a field of blue jerseys for a 15 yard TD. The first of a series of Oshkosh breaks placed the Titans in front 7-0 on a deflected goal post PAT.

Again Stout had the ball, but showed an inability to move down field because of the tremendously strong Titan defense. Then it was the Titan's turn to be stymied by a hard-charging defense and penalties, and they too lost possession of the ball.

At this point Bundy took over the team on the Oshkosh 45. Maneuvering the team within 10 yards of paydirt, the chargers were stopped again. Stout was pushed back to the 15 and lost the ball on downs to Oshkosh.

Oshkosh, in four plays, burned up the chalk lines moving the ball to the Stout 45. Bundy gathered in a Titan fumble but the Blue Devils were unable to move the ball effectively.

The fabulous arm of Malchow placed the Titans on Stout's 10 after two successful passes to Terry Tighe and Ralph Syring. Harke was lost for the remainder of the first half on the next play. The Titans were on the Stout 4 when Malchow flipped a pass to Whitman for the second TD. PAT was NG.

A pair of fumbles and recoveries by opposing teams saw the ball change hands again. Neither team got any-

where until Malchow again swung his arm into action, hitting Dosch for a 28 yard TD. The PAT was no good, giving the Titans a 19-0 lead.

Stout only had the ball for a few plays, moving to their own 42, when Oshkosh again took over possession of the ball. The legendary arm of Malchow clicked again to Dosch for another TD. Nelson ran for the extra two points increasing the score to 27-0. This ended the scoring in the first half.

Second Half

Gloom hung heavy over the field as Oshkosh rolled up another TD with Dosch gathering in a 71 yard pass on the fourth play of the half. Titan scoring was ended for the night by Malchow plunging into the end zone for two points. Oshkosh 35, Stout 0.

Even Malchow made a few mistakes, one which was very costly when he fumbled on the Stout 41 yard line. Raczek pounced on the ball for the Blue Devils. A personal foul against Oshkosh put the ball on the Titan 4. Bundy then flipped the ball to Ott for a 44 yard TD play to put the charge in the scoring column. PAT was no good, 35-6.

Tempers flared on both teams with Stout coming alive and dominating the second half. Oshkosh was stopped on the air ways and on the turf.

The Blue and White received the ball late in the fourth quarter on their own 38. O'Leary moved the ball for eight yards to the Stout 45. On the second clash from scrimmage, O'Leary took to the air, hitting Ron Unertl for a 54 yard TD pass. Vern Verkuilen pounded his way over the stripes for a two point PAT.

The final score was Oshkosh 35 Stout 14.

MICKEY MOUSE CLOCK STOPS TODAY AT 5:30

Voting for the ugliest man and woman is progressing at a fast clip. In fact, some are breathing hard and one needed artificial respiration. So far, the race is close. The I Tappa Keg's are out in front by a very small margin, girdle Gerty is in the stretch, toothpaste is being squeezed out on the rail, and so run the horses on track five.

Meanwhile, back at Stout, there is a close race developing between the FOB's and the Chi Lambda fraternities with the Sig Tau's rated as dark horses. In the other league, Alpha Phi is being pressed with an iron and also by the DZ's and Eichelberger hall.

The junior class is in a class all by itself, and is having a hard time warding off insects.

Voting will close today at approximately 5:30. We have imported a real live Mickey Mouse club clock and mascot from the west coast at great expense to us. This clock has been on display in Smith's sonian institute and the museum of unnatural history in Cougua, Wisconsin. So vote for your candidates in the 1958 UMOG contest.

UMOG Winner To Be Announced At Dance

BULLETIN BOARD

The school of home economics will hold its sixth biennial open house at Stout state college on March 20, 1959.

Junior and senior high school students will be invited to attend, according to Dean Alice J. Kirk. Invitations will be sent out after January 1, and well over 1,000 guests are expected to accept these invitations. Tours, programs and demonstrations will be scheduled, and special tours to the new student union and the new residence hall will be featured.

The "swim" scheduled by the APO's for this Friday night has been cancelled.

BERTHA TAINTER HALL TO HOLD OPEN HOUSE

Bertha Tainter hall will officially have open house November 16. Her doors will be opened from two to five o'clock Sunday afternoon.

The main purpose of having open house is to give an opportunity for the parents, towns people, faculty members, fellows, and any one who is interested to tour Bertha Tainter hall.

Upon arrival the person attending will sign the guest book. The dorm council will be on hand at the door to greet them. Those on the dorm's council are Jean Smith, president; Judy Gordon, vice president and social director; Jo Ann Schoemer, secretary for sophomore dorm meetings; Avis Dutton, sophomore SSA representative; Carol Bishop, treasurer; Alice Kempen, freshman SSA representative; and Helen Sjolander, secretary for freshman dorm meetings.

They will then be ushered to the guides who will take groups throughout the dorm, giving detailed information and showing the facilities of the girl's dorm. The hour will end in the main lounge where refreshments will be served.

Mary Lee Alexander is the general chairman of open house. Committees for this event are invitations and publicity, Pat Paulson and Joanne Gosser, co-chairmen. Decorating the dorm will be Margo Steber and Darlene Breheim, co-chairmen. Serving the refreshments are co-chairmen Darlene Ling and Helen Hamlyn. Co-chairmen for registrations and guides are Bonnie Conrad and Kay Bolst. The clean up committee will consist of Avalene Drake and Darlene Ramquist as co-chairmen. Playing the piano in the main lounge will be done by Marilyn Mook and Barbara Morris.

Adorning Harvey hall for the last part of this week have been some extremely beautiful photographs of the Mr. and Mrs. Ugly Man on Campus candidates. Perhaps you didn't think they were particularly attractive, but don't breathe a word of that to the APO's or they will label you as one of those people with no taste for the finer things in life.

Just drop your pennies in the jars provided and hope that whoever you vote for is just one of those unfortunate who doesn't photograph well.

Friday night, at approximately 5:30, the Mickey Mouse clock will give a mighty squeak and the polls will officially close for the year 1958. Winners of the contest will be announced during the 10:00 intermission at the dance Saturday night. Jack Pringle will be furnishing the music and dancing will be from 8-12. "Come as ugly as you can possibly make yourself," says Bob Gannon, president of the APO's.

A new look in candidates has been added this year as the girls are vying for the title of Mrs. UMOG. This is the first time on any campus that the co-eds have been able to share this dubious honor. If it is a success here, the Stout APO's will recommend it to their national headquarters.

The money gotten through this contest will be given as a scholarship to a deserving Stout student. Any one is eligible, with one of the main requirements being that the student is really in need of financial aid.

Remember—you still have time before Mickey Mouse squeaks. Vote now—it's for a worthy cause and this is the one time you won't get in trouble for voting more than once. In fact, the APO's will love every shiny, or dirty, new or old, copper or white penny that you can scrape up.

May the ugliest man (and lady) win!!

"The Curious Savage" To Be Given By MAP

November 20, 21 and 22 are the dates for the Alpha Psi Omega, MAP fall production "The Curious Savage." The author, John Patrick, is also famous for the "Teahouse of the August Moon," a play he published before writing "The Curious Savage."

It would be unfair, of course, to let the plot "leak out," but we have cut a few corners here and there, and can tell you a little bit about the play. Mrs. Savage, the main character, is moved to an institution by her three children. She is quite normal, but agrees to stay there and is an ideal patient. . . and then the fun begins! By the end of the play you begin to wonder if the "outside" world is as sane as you think it is. Now . . . that should be enough to let you know what a hilarious comedy this fall production will be. Don't miss it for anything—it's great!

The cast (Marilyn Ver Haagh, Wayne Towne, Joe Jajtner, Dean Matzke, Shirley Strachota, Ronald Young, Diana Evans, Allen Dickson, Virginia Olson, Alice Phelan, and Edith DeSmith), have been practicing very hard and working overtime so you, the Stout students, can see "The Curious Savage" at its funniest. Don't forget, next Thursday, Friday and Saturday night at 8:00 p.m. at the Stout auditorium. Reserve tickets can be selected next week outside Harvey memorial, 75¢ for the general public, free to SSA cards. See you there!

NEW INSERT IS TO BE FOUND IN STOUTONIA

Direction is a new magazine which will be inserted in the Stoutonia and will be devoted to vocations. Each issue will cover a wide range of fields and professions, giving an accurate description of the opportunities and requirements in each. This material will be handled in individual "survey" sections, each section being devoted to one particular field.

All the surveys of occupations will be an honest and objective viewpoint in a factual, yet readable format. In addition to the survey sections, Direction will contain other feature material of general interest. Throughout this magazine the editors will make a point of encouraging the readers to make full use of their placement office.

Direction is tentatively scheduled to be published three times during the school year. The magazine will have a page range from 32 up. Only national advertising for recruiting or institutional purposes will be in the magazine.

NEWMAN CLUB DANCE SET FOR WEDNESDAY

"Let's dance" is the invitation extended to all the students at Stout from the Newman club. They are issuing a hearty invitation to all to attend the mixer they are sponsoring Wednesday night, November 19, from 8 p.m. to 10 p.m.

The mixer is being held in the small gym and 15¢ admission will be charged. The Newman club hopes a large number of students will attend and they will be looking forward to seeing you.

STOUT FACULTY PARTICIPATES IN WEA AND WHEA

Faculty members of the school of home economics and school of industrial education at Stout state college recently participated in the convention of the Wisconsin Education association, held in Milwaukee.

Dean of the school of home economics, Dr. Alice J. Kirk, in addition to taking part in various sessions of the WEA convention, attended the dinner of the Wisconsin home economics association council. During the council meeting, held later, she reported on the activities of the International WHEA committee of Wisconsin, of which she is chairman.

Also on the staff of the school of home economics, Miss Margaret Perman, instructor of home economics and home economics education, attended a meeting of county teachers and also took part in a teacher education meeting.

Miss Mary Frances Cutnaw, dean of women, represented Stout state college at a dinner meeting of the Wisconsin association of women deans and counselors. At that gathering a symposium was conducted on means to "Encourage more women to attend college." Dean Cutnaw was also present at the WEA roundtable dealing with varied aspects of guidance.

Dean of the school of industrial education, Dr. John A. Jarvis, and other members of the industrial education faculty were also present for convention presentation designed for that field of specialization. Those in attendance included R. F. Kranzsch, Edwin Siefert, George Soderberg, Robert Spinti, Dr. Robert Swanson, and Lloyd Whydotski.

In addition to taking part in sectional meetings, George Soderberg represented Stout state college at the WEA delegate assembly. Dr. Swanson spoke to the roundtable meeting for general shop and demonstrated operation and capabilities of the plastics press of which he is the inventor.

OLD GREEK ATTIRE FOUND TO BE BOTHERSOME FOR ANNUAL MODERN 'GREEK' GET-TOGETHER

Attired in togas and headbands, the "Greeks" from the Stout campus and their dates attended a dance held in their honor last Friday night.

The Tainter hall lounge was festooned with green and white streamers and large Greek letters, symbolizing each fraternity and sorority, were on the walls.

The Greeks of old would have felt very out of place, for the music which was supplied by a hi-fi had more of the "Rock and roll" beat. Evidently the Greeks weren't looking to the future

when they styled their togas, as they aren't especially adapted to the jitterbug!

A "Greek sing" supplied the intermission entertainment. Each fraternity and sorority sang some of their favorite songs and then the entire group joined in with the Chi Lambdas and sang "Tell me why."

Thirty dozen cookies and ten gallons of grape punch were consumed by the large crowd during the dance which lasted from 8:00 to 11:30 p.m.

Refreshments are served at the "Jailhouse Rock" held for sophomores at Tainter Hall last Saturday night. The lounge was attractively decorated with "rockin'" silhouettes and black streamers to represent a jailhouse.

Webb Hart lifts a toast as Nancy Fruit and Donna Dempsy look on at the Greek dance held last Friday at Tainter Hall. This is an annual event sponsored by the fraternities and sororities on campus. Only Greeks and their dates attend the event.

“WHEN IS A MAN EDUCATED?”

When he can look out upon the universe,
Now lucid and lovely, now dark and terrible,
With a sense of his own littleness in the great
Scheme of things, and yet have faith and courage.
When he knows how to make friends and keep them,
And above all, when he can keep friends with himself.
When he can be happy alone and high-minded amid
The drudgeries of life.
When he can look into a wayside puddle and see
Something besides mud, and into the face of the
Most forlorn mortal and see something beyond sin.
When he knows how to live, how to love,
How to hope, how to pray—glad to live and
Not afraid to die,
In his hands a sword for evil
In his heart a bit of a song.

CLUB NEWS

College Newmanites traveled to Winona for a regional convention, November 8 and 9. Plenary sessions and group discussions centered around the theme, “To Know, To Love, To Serve.” Delegates from eight Wisconsin and Minnesota colleges attended, with Stout having the largest representation. Conrad Mlynarek was in charge of arrangements for the Stout delegates.

Newman club is sponsoring a fish fry tonight, November 14, with servings at 5, 6, and 7 p.m. at St. Joseph's school hall. Admission is 75¢ and everyone is welcome.

A detailed schedule of activities and conferences was drawn up for Sigma Sigma Sigma's Regional collegiate director, Mrs. Howard Snyder, at the September 29th meeting.

During her stay here, Helen, who is a Tri Sigma alumna from Whitewater college, reviewed sorority ritual and procedures with the girls. Members found Helen to be both interesting and

informative as she brought with her current news of other Tri Sigma chapters.

President Ardelle Dregne reported that out of 54 Tri Sigma chapters, Beta Pi at Stout placed third in efficiency rating.

Following the business meeting, members and pledges enjoyed a song fest led by Iloa Leu, music chairman.

Revision of the national constitution and work on the chapter constitution were the main items of business at the last Alpha Sigma Alpha sorority meeting. December 10 has been set as the date for formal initiation. Further plans were made for Founder's day. Gloria Zitlow was appointed by the sorority council to be acting secretary for Kay Peterson while she is off-campus. Joan Braunworth is in charge of the Christmas cards. The Sweetheart song was sung to Jan Beckman who was recently pinned by Fred Schleg.

MENOMONIE • WISCONSIN

Johnnie & Joannie Bluedevel . . .

STRICTLY FOR

MEN

WOMEN

The following is a public service to the many students at Stout who have been trying everything, including bribery, to get their name in the Stoutonia. Here's your chance; all you have to do is sign on the line below.

As you gals can see, if you happened to read Johnnie first, today we are expounding on the favorite sayings of teachers. If you like this new feature, let us know; perhaps you would like to make a few contributions of your own.

This week, along with my mate Joannie Bluedevel, I submit to you several pet sayings of the faculty at Stout. If you have any additional ones which you would like to see published, drop a note in the Stoutonia mailbox.

Dr. Salyer: “What I am virtually saying. . .”

Dr. Nitz: “Hhhmmmmmm.”

Mr. Dyas: “Today, fellows. . .”

Mr. Kubly: “On the other hand. . . in this respect.”

Dr. Parmer: “Nnnnnnooooo, no, no, no, no, no!” “Please leave the window open.”

Dr. Fleming: “I ain't got nuttin' no how.”

Mr. Face: “I don't give a tinker's dam.”

Mr. Keith: “You stupid printer.”

Mr. Reneson: “Insurance salesmen are good mathematicians.”

Mr. Schemansky: “Hey, pick up after yourself.”

Miss Callahan: “Be concise!”

Miss Cox: “Now where was I?”

Dr. Marshall: “Will you stop chewing that gum?”

Mrs. Smith: “Sorry I'm late.” “Did you get the meat out of that?”

Miss Jeter: “Slip over here, girls.”

Miss Van Ness: “This is a fine day for a false and true, is it not?”

It seems as if a counselor in the girl's dorm just can't keep track of her mattress. I heard it has been traveling from floor to floor.

Word has reached me of the Halloween shenanigans at Tainter hall. My spies tell me that on the third floor of the south wing, 17 beds were short-sheeted and a large number of drawers were switched.

My congratulations to Skippy Williams, who is pinned to Al Finnell, and Karen Lynn Johnson, who is going steady with Dale Soderberg.

From the Reader's Digest comes this gem:

During sorority rushing at the University of Omaha, prospects are asked to fill out a questionnaire. Opposite “List any personal attributes which would be beneficial to the sorority,” one hopeful rushee simply wrote: “35-23-34.”

It was not a slow lecture, nor a fast lecture, but a half-fast lecture.

DELTA ZETA
The first and third Thursday of every month 38 girls wear matching green skirts and sweaters to all their classes. These girls are members of the Delta Zeta national sorority. Delta Zeta was founded at Miami university, Oxford, Ohio, in 1902. Today it ranks as one of the largest sororities in the country with chapters at the leading universities and colleges. The Delta Zeta chapters located close to Stout are at Eau Claire, University of Minnesota, University of Wisconsin, Whitewater, University of Wisconsin at Milwaukee and Carroll college.

The purpose of this sorority is to unite more closely in bonds of friendship, stimulate pursuit of knowledge, attainment of high standard of morality and a high sense of honor. Each of the Delta Zeta girls are busy participating in campus activities such as the panhellenic rush parties, homecoming, winter carnival and FOB stunt night. The group sponsors a "Scotch hop" and the traditional "Old Heidelberg" tea. The campus is invited to both of these activities. The actives participate in the Greek dance

STUDENT LOANS AVAILABLE TO STUDENT BODY

Each of the 10 Wisconsin state colleges has applied to the U.S. office of education for authority to give loans under the new federal loan program. The college contributes \$100; the government gives \$900 for every \$1,000 loan.

The high school senior or college student applies for the loan at the college of his choice. Whether he gets the loan or not is decided by the college under standards set up by Congress. Top priority will be given to superior students in education (elementary or secondary), and to top-ranking students preparing themselves in science, mathematics, engineering, or a modern foreign language.

Only needy students will get the attractive new loans and the Office of Education estimates the average loan will be for \$600 a year, although it may be for as little as is needed or for a maximum of \$1,000.

No payments are made on the loan until one year after the student leaves college. Then 10 years are allowed for repayment with interest set at the rate of three per cent. Death or total disability cancels the obligation.

Most attractive feature of the new federal loan for state college students is the provision that half of it becomes a gift if the student teaches for five years in a public elementary or high school. Each year of teaching, up to a maximum of five years, cancels out 10 per cent of the debt.

Soon after the first of January, 1959, the state colleges will begin accepting applications for the loans. It is estimated that there will be more than 79,000 of the loans available the first year in the nation at the average rate of \$600 per loan.

and the Christmas dance along with many other things.

Every Christmas the girls make and deliver stuffed toys to the children at the Chippewa colonies. The school year closes with the senior farewell banquet, naming of the Delta Zeta dream girl, dinner dance and a scholarship to a worthy sophomore girl.

Peggy Handlos is president of the group. Other officers are: Kathy Anderson, vice president in charge of rushing; Kelly Keliher, vice president in charge of pledging; Cathy Krupp, recording secretary; Judy Steiner, treasurer; Alice Cramer, corresponding secretary. Miss Carrison, Miss Knutson and Miss Perman are advisors for the group.

METAL'S GUILD
The Metal's guild is the professional organization on Stout's campus for men majoring in the metals field. Main objective sought by the Metal's guild is the furthering of the member's knowledge of new metal-working developments such as changes in techniques, products, and processes in this field. Membership is open to men who have the required number of metals courses with a 1.5 (old system) average in these courses and a 1.0 (old system) overall average.

Regular meetings are held semi-monthly with work meetings held alternating weeks. At the regular meetings, guests from industry are invited to speak to the group, or films are shown on subjects of professional interest. Participation in social events as homecoming and Winter carnival are some of the other activities. A field trip is also taken during the spring to visit some of the major in-

Mrs. Howard Snyder, Sigma Sigma Sigma Regional Collegiate Director, visited Beta Pi chapter this week to review sorority procedures. Here she discusses Tri Sigma activities with pledge Bonnie Vanderbilt, standing, and President Ardelle Dregne, seated on the right.

MRS. HOWARD SNYDER IS GUEST OF SIGMA SIGMA SIGMA SORORITY AT STOUT DURING PAST WEEK

Mrs. Howard W. Snyder, Minneapolis, visited the Beta Pi chapter of Sigma Sigma Sigma this past Monday through Wednesday.

Meeting with the members and pledges, Mrs. Snyder, Regional collegiate director, reviewed sorority ritual and procedure to promote high standards of collegiate performance in sorority leadership and good citizenship.

Because of her contact with other chapters in this area, she was able to bring with her news of activities being carried on by other Tri Sigma chapters.

Before serving Tri Sigma chapters

dustrial firms in this area.

Officers of the organization are: Bill Dalager, president; Bob Pearson, vice-president; Ron Dhuey, secretary; Don Betts, treasurer; Herb Mehne, historian, and Sheldon Satter, reporter. Advisors for the Metal's guild are Dr. Thetdore Wiehe, Mr. Harold Halfin and Mr. Wesley Face, who was recently added to the staff.

Said a new fraternity pledge: "I hate women, and I'm glad I hate'm, 'cause if I didn't hate'em I'd like 'em, and I hate 'em."

WRESTLING COACH

Wrestling coach for Stout's first season of conference wrestling is Louis Milsted, a junior. Milsted graduated from Madison East high school, at Madison, Wisconsin, in 1953.

While attending Madison East, Milsted won three letters in wrestling, and two in track and football. Wrestling was his favorite sport as well as the most productive in honors won by him.

For three consecutive years Milsted won the conference championship in his weight division in wrestling. He then went on to take the sectional championship in his weight division for the same consecutive years.

Winning the sectional meets qualifies the wrestler to enter the Wisconsin state championships. Milsted did quite well at the state meets taking second, first and third place in his three years of competition.

At Madison East, he was recipient of the William Schmidt memorial trophy. This award is given to an outstanding athlete each year with a high scholastic record.

Before coming to Stout in 1956, Milsted was in the U.S. Navy for two years. While in the Navy, he spent 16 months on Guam as a fireman and a firetruck driver.

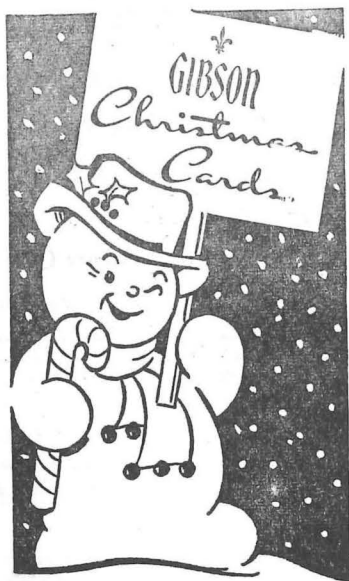

Milsted came to Stout in 1956. Since then he has joined EPT, MLSA and the M & S Fellowship.

The coach believes Stout has good experience which will help the squad when they go into competition. Stout's wrestling squad will be well worth watching this season. Best of luck to the squad and their new coach, Louis Milsted.

NINE MEET SCHEDULE FOR VARSITY MATMEN

Stout's varsity wrestling squad will have a total of nine meets on its schedule for the 1958-59 mat season. The 20 member team is coached by L. E. Milsted, a junior at Stout.

The first meet will be December 6 at Stevens Point where the squad will participate in an invitational tournament. December 9 the Bluedevil grapplers will travel to St. Cloud, Minnesota. The field house at the U. of Wisconsin will be the site of the December 13 Wisconsin state collegiate tournament. December 18, River Falls will offer the competition in a 7:30 meet in Menomonie.

January 17 will find the St. Cloud state college team at Menomonie, that time 7:30. Stevens Point will invade Stout on February 14. River Falls will host the Bluedevils February 20. On February 28 the Stout team will travel to Winona state at Winona, Minnesota. The last scheduled event of the year will be the MAIA.

Team members include: 123 pound class, Myron Tubbs; 130 pound, William McNaughton; 137 pound, Lloyd Wiberg, Frank Toth and Dick Anderson; 147 pounds, Jerry Holubets and Webber; 157 pounders, Frank Zabo, David Oahland and Frank Bucklin; 167 pound class, Lanney Anderson, Don Heller and John Abrams; 177 pounds, Rickard Roessler, Simmons, Lyle Buss, Allan Finnell and Bob Raczek; and in the heavy weight division is Bill Doane, Bernard Kane and Bob Leu.

EDITORIAL

Football, the king of fall sports, has completed its reign. The sound of the final gun at last Saturday's game ushered in the whistle of Monday's basketball practice. Coach Robert Bostwick will be guiding the Bluedevils into one of its toughest seasons for many a year. Such foes as St. Mary's college of Winona, Minnesota, St. John's of Collegeville, Minnesota, and the always tough U. of M. Duluth branch, coupled with the strong members of the WCC will give the students of Stout a lot of good basketball these coming months.

Members eligible for varsity basketball include all freshmen, transfer students coming directly from service and transfer students who have one semester in at Stout. This year's Bluedevil team members will be known by press time next week.

"Oh, darling, I've missed you," she cried, and fired the gun again.

We have read so much about bad effects of drinking that we've decided to give up reading.

BOSTWICK KEEPS 16 HOOPMEN NOV. 22 OPENER

Seven lettermen and two members from last year's basketball squad will make up the nucleus of this year's 16 man team.

Jim Bolm and Jann Peterson will be the only two regulars missing from last year's starting five. Forwards Brian Howard and Bob Sorenson and guard Keith Moessner will be back in uniform for the November 22 opening against Augsburg.

Other returning lettermen include forward Herb Helm, center Bill Kind-schy, guard Glenn Harke and Duke Severson also a letterman guard just returning from two years in the service. Luther Ruether and Bill Harycki are the other two team members.

John Peterson, a transfer from La Crosse, along with Fred Seggelink, Jerry Korpela, Bill Hoppe, Art Hanke, Joe Giovanoni and Kon Kahl finish out the team.

Last year the Blue and White had an overall record of 11 wins and 9 losses. They start 5-7 in the conference. The highlights of the 1957-58 season were the 99 to 96 upset victory over St. Cloud college of Minnesota and the 75-67 defeat of River Falls on its home floor. Platteville handed the Bluedevils their worst defeat, 113-68. This was suffered on the annual tour where two games were played in two nights.

LEE'S

Sig Tau, Alpha Phi Win UMOC

MR. UMOC

Mickey Mouse squeaked, the voting stopped, and the Sig Tau and Alpha Phi candidates were found to be the winners of the 1958 Ugly Man (and woman) On Campus contest at Stout state college.

Pennies were dropped into the glass jars in gratifying numbers as the APO's campaigned for money for a scholarship to be given to some deserving and needy Stout student.

There were many anxious moments for the candidates and their sponsors as the voting progressed and the race remained close. Everyone was kept checking the red gauge posted in Harvey hall to see where their candidate stood in this battle of ugliness.

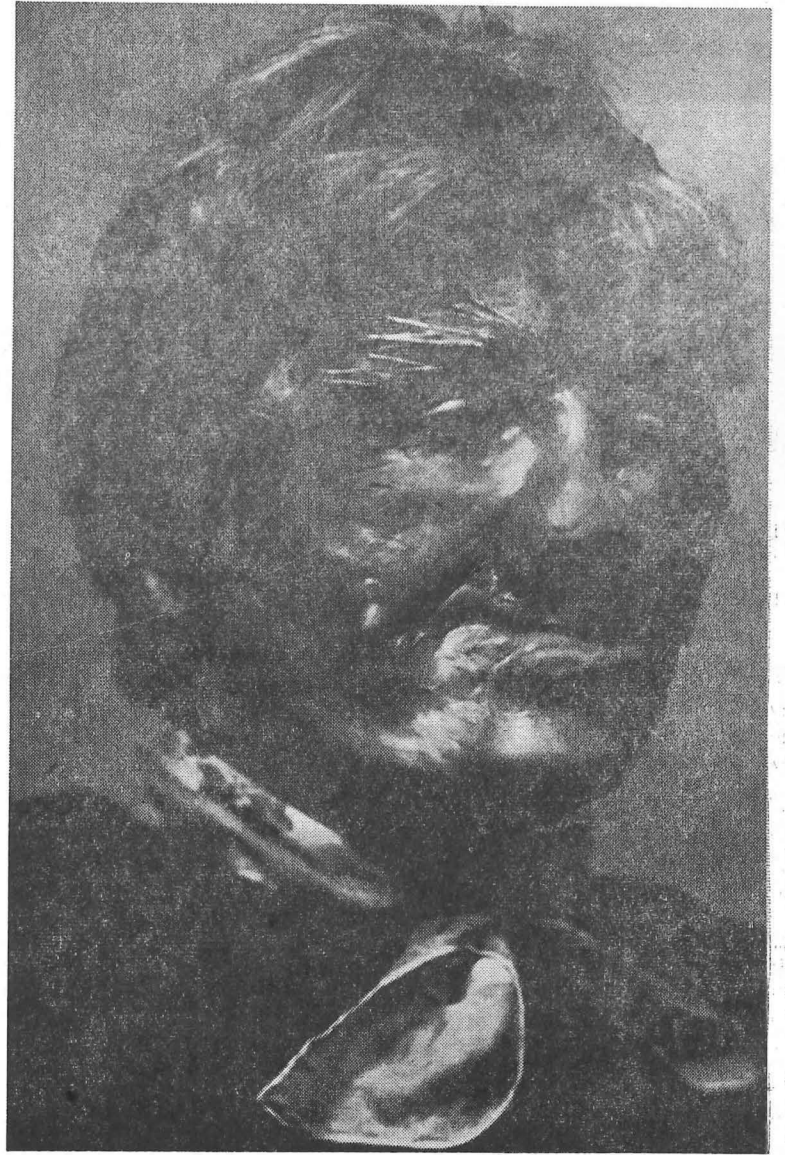

The Alpha Phi and Sig Tau candidates stood their ground, however, and when the closing squeak sounded, they were given the dubious honor of being Mr. and Mrs. Ugly Man on Campus.

In a manner befitting their newly-gained titles, the winners of the contest were announced during the intermission at the dance Saturday night.

Furnishing the music for the dance Saturday night was Jack Pringle and his orchestra. This was the first time the APO's have had an orchestra come to play for their dance. The student reaction to this was somewhat disappointing but may be blamed in part to the current interest in hunting deer.

All in all, this very worthwhile enterprise may be termed as a success. This is the first time the ladies have been allowed to take an active part in the contest, and it certainly seemed to liven up the proceedings.

Now it will be the job of a special scholarship committee to decide who the lucky student will be who wins the money earned by the APO's. Whoever it may be, he or she will no doubt be extremely grateful to the Alpha Phi Omega's and to all who contributed their pennies for this worthy cause.

Tonight or Tomorrow Night

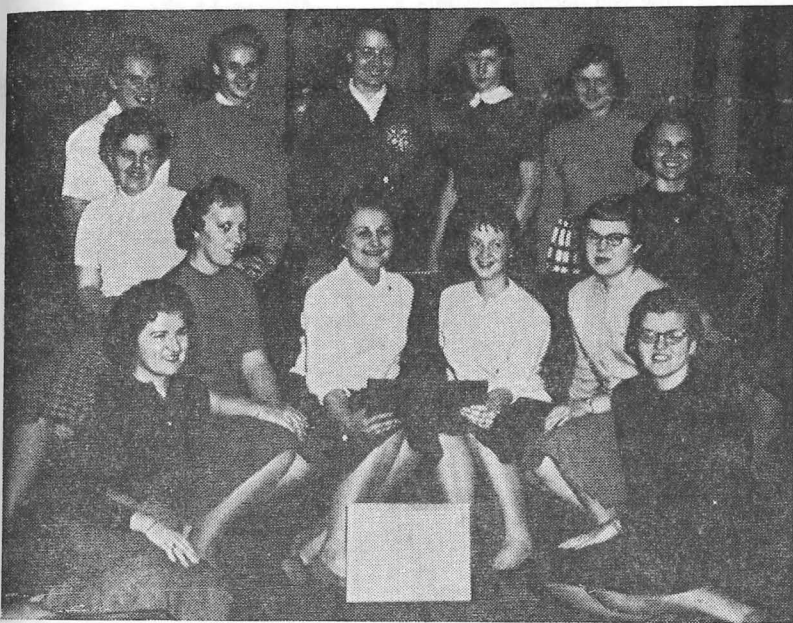

THE STOUTONIA

EDITED AND PRINTED BY THE STUDENTS AT THE STOUT COLLEGE PRESS

Volume XLVIII - Number 10

STOUT STATE COLLEGE, MENOMONIE, WISCONSIN

Friday, November 21, 1958

Receivers of the 4-H key awards are: front row, Bobbi Forrest and Gale Wolff; second row, Doris Evans, Janet Linse, Edie DeSmith, and Ann Marie Dahl; third row, Carol Wendt and Cherry Nichols; standing, Bertha Riese, Yvonne Ziebell, Bev Madsen, Pauline Nindahl and Nancy Fox.

Fifteen Coeds At Stout Receive 4-H Key Award

Fifteen coeds of Stout state college are the proud owners of the 4-H key club award which they received this fall at their county achievement programs.

This award is one of the outstanding state recognitions a 4-H member can receive. The award entitles the girls to a lifetime membership in the 4-H key club. A reunion is held each year for the receivers of the award at a state wide event. The winner of the award also receives a 4-H key pendant on a bracelet or neck chain and an award certificate.

The purpose of the award is to give special recognition to 4-H members who have shown consistent growth in their club work, who have developed their leadership ability, and who have been helpful members in their club and community. Rigid qualifications are set up and members must comply

to these rules to be considered for the award. Final selection is made by the state 4-H club office. Only 250 awards are given each year in the state.

The award is given annually by the Cities service oil company in a majority of the 48 states.

The outstanding girls and the county where they received the award this year are as follows:

Bobbi Forrest, St. Croix; Bertha Riese, Chippewa; Donna Dempsey, Walworth; Gale Wolff, Washburn; Nancy Fox, Waukesha; Janet Linse, Buffalo; June Shelliam, Grant; Carol Wentt, Clark; Joanne Ziebell, Chippewa; Edie DeSmith, Sheboygan; Anne Marie Dahl, Dunn; Doris Evans, La Crosse; Cherry Nicholls, Marshall County, Minnesota; Pauline Nundahl, Vernon and Bev Madsen, LaSalle County, Illinois.

"The Curious Savage" Is Rated A Big Success

Our hats are off to Dr. Lengfeld, her cast, and her crew for a job well done. They came through with flying colors last night with their production of John Patrick's play, "The Curious Savage." Many of you know the quality of Patrick's works, being familiar with his "Teahouse of the August Moon." Both of these plays were hits on Broadway and "The Curious Savage" proved to be a hit here at Stout.

Those who missed the thrill of the opening night performance still have tonight and tomorrow night's (November 21 and 22) performances to enjoy. Yes, the Stout Manual Arts Players are providing you with the opportunity to see and relive this hilarious comedy. . .don't miss it!

Remember, the curtain goes up on the funniest play ever, at 8:00 p.m. in the Stout auditorium. Reserve seats will be sold for 75¢ at the door to the general public. Be sure to see "The Curious Savage."

SCIENCE MOVIE TO BE SHOWN AT NEXT CONVO

"The Restless Sphere," the only complete film on the International Geophysical Year, will be shown at the convocation program on Wednesday, December 3. This film was photographed in 17 countries, in conjunction with scientists throughout the world on varied projects for the International Geophysical Year.

Prince Philip, Duke of Edinburgh, is the narrator of the film. The film is a description of the purposes and operation of the International Geophysical Year and it shows the interrelation of the projects and observations of each participating country. Three parts deal with the earth's surface, interior and atmosphere, showing specific studies of volcanoes, glaciers, the Antarctic, earthquakes, ocean floor, Aurora Borealis and space missiles.

A few of the cast members view a prop for the M.A.P. fall production, "The Curious Savage." Reading from left to right they are: Virginia Olsen, Yvonne Swenson, Alice Phelan, Wayne Towne and Jane Waterpool.

TWO ADMINISTRATORS PLAY ACTIVE ROLES IN INDUSTRIAL EDUCATION CONFERENCES

Two faculty members of the school of industrial education at Stout state college have had active roles in recent important industrial education conferences.

Dr. John A. Jarvis, dean of Stout's school of industrial education, was principal speaker at the annual meeting of the Indiana Industrial education association, held in Indianapolis. Topic of Dean Jarvis' address was "Trends in industrial education."

Reporting on advanced plans for curriculum development in the department of industrial education of the

University of Minnesota was Wesley Sommers, who presented his data to the Industrial Arts Association meeting of the 12th annual convention of the Minnesota vocational association.

Sommers, who has been a graduate assistant in the department of industrial education at Minnesota while working toward his Ph.D., is assistant professor of industrial education at Stout, specializing in varied phases of design. His topic at the convention was "Looking ahead in industrial arts training."

LET US GIVE THANKS . . .

"Over the River and Through the Woods" . . . At this time of the year we find ourselves counting our blessings, giving thanks for faith, family, friends, and all the opportunities offered to us as Stout students. For many of us Thanksgiving means the traditional holiday dinner of golden brown turkey, bright red cranberries and spicy pumpkin pie, and it also means talking and laughing with the family whom we rarely get to see. Each year of progress brings us added benefits. Shiny automobiles carry us to our holiday gatherings miles from home, whereas sleighs carried our grandfathers across the way. As we enjoy the bountiful fruits of the year we should pause to give thanks as the Pilgrims did in years past on the day that we Americans have set aside . . . Thanksgiving.

Preparation for the Panhellenic Ball, "Holly Ball", highlighted the discussion of the Delta Zeta sorority on Thursday, November 14 in the audio visual room of the library. This coming event will be December 6, and the Delta Zeta sorority will be in charge of the decorations. The announcement of a new providence director, Mrs. Doris Reide of White Bear Lake, Minnesota, was made. Zeta Epsilon, a newly initiated chapter at California, Pa., was very happily welcome on Monday, November 17, by the Delta Zeta sorority. Founder's day will be held on November 20. A banquet is planned for at the tea room and later the group will attend the fall play together.

Items of business discussed at the November 13 Sigma Sigma Sigma meeting were the approaching panhellenic dance and the selection of blazers for the sorority. A letter from the Alpha Xi chapter of Sigma Sigma Sigma was read. Plans are being made for members and pledges of Beta Pi chapter to visit at Whitewater for a week end. Following a discussion of Tri Sigma's Regional Collegiate Director's visit, the meeting was adjourned and a chapter study for the annual national test was held. This year the test will be given on December 4.

The Coach club was the site of formal initiation of the pledges to Phi

Sigma Epsilon. The dinner consisted of chicken and steak. Then a regular business meeting was held. Saturday evening, November 22, will be the day of the semi annual Pizza party. It will be held at the Trinity Methodist church, 6th and Wilson, from 5:00 to 7:30 p.m. Included with the pizza will be a beverage of either coffee or soda. Taxi service will be provided by placing a call to 1608.

Sunday, November 23, the Gamma Delta organization has planned a Thanksgiving breakfast. On the morning's program will be breakfast at 8:00, group discussion, and services at 10:30. This will all be held at St. Paul's Lutheran church. We extend a cordial invitation to all.

The first banquet in the history of the Arts and Crafts club was held Monday, November 17. A fine repast was enjoyed at the Colonial Pines, followed by a few words from the president, Keith Koch. The list of guests included Mr. and Mrs. Sampson, Mr. Roy Jensen of Milwaukee, Mr. Reneson, and all the members' wives. Mr. Reneson led the group in a reverent grace before the meal, giving thanks for good fellowship. Mr. and Mrs. Kranzusch were unable to attend due to the death of his mother.

SIG TAUS START COLONY AT EAU CLAIRE STATE

A colony of Sigma Tau Gamma was started at Eau Claire state teachers college by the Sigma Tau Gamma chapter here at Stout on November 4. Stout's Sig Taus were assisted in this movement by the national president of Sigma Tau Gamma, Warren Barberg, and the service secretary, Roy Bennett.

Members of Stout's chapter have been going to Eau Claire every Tuesday night to pledge new members into the colony. Thus far, eighteen men have been pledged.

Plans are being made to install the colony as a chapter toward the end of this semester. Sigma Tau Gamma will be the second national fraternity on the Eau Claire campus.

"But Mama, I'm not hungry—I ate all the raisins off that sticky paper."

"HOLLY BALL" PANHELLENIC DANCE THEME

"Holly Ball" is the theme of the annual Panhellenic Ball which will be held from 9-12 o'clock, December 6, in the Stout gymnasium. The Panhellenic Dance is a formal dance for all sorority members and their dates.

Green, red and white, will be used to carry out the dance theme. Decorations will feature a big revolving ball in the ceiling; a wreath with satin ribbon at one end of the gym; fireplace and punchbowl at the other end; and murals depicting outdoor scenes. Jack Pringle and his six piece orchestra from Eau Claire will furnish music for the formal.

Alpha Phi sorority is in charge of general arrangements for the dance; Delta Zeta, decorations; Alpha Sigma Alpha, food and clean-up; and Sigma Sigma Sigma, invitations, orchestra and program.

All sorority alumnae are invited to attend.

YWCA TO HOLD THANKSGIVING BREAKFAST

Next Wednesday, November 26, the YWCA will sponsor their traditional Thanksgiving breakfast. This event will be held in the classroom above the union at 6:45 a.m. This year the breakfast will be open to anyone who wants to attend.

Hot chocolate and doughnuts will comprise the menu. A small fee of 15¢ will be charged for the refreshments.

Co-chairmen for the breakfast are Avalene Drake and Ann Hedler. Other chairmen who are assisting them are: publicity, Karen L. Johnson; food, Karen Wichman; decorations, Joanne Johanning; and clean up, Carol Horgan.

Everyone is invited to come and enjoy breakfast with the YWCA members. There will be plenty of time for those who have 7:30 classes to get to them on time.

"And what kind of officer does your uniform signify?" asked the nosy old lady. "I'm a naval surgeon," he replied. "Goodness, how you doctors specialize these days!"

BULLETIN BOARD

Library reserve books for the Thanksgiving vacation may be taken out between 7:15 and 11:45 a.m. Wednesday, November 26. They will be due at 8:30 a.m., Monday, December 1. The library will be closed from Wednesday noon to Monday morning.

Basketball fans in this area will have a chance to see a local team play on television next Saturday evening, November 22, when Stout state college meets Augsburg college of Minneapolis in the Minneapolis armory.

Channel 9 will carry the game beginning at 8:05 p.m. This will be the first game of the season for Stout's basketball squad.

Homemade candy will be sold the first Wednesday after Thanksgiving vacation, December 3, by the YWCA members. The girls plan on having a great variety of candy.

Next Monday and Tuesday will be the day to buy your new book calendar for the 1959 year. Wesley members will be on hand in Harvey hall to sell you one for \$1.00.

Girls! In a dither about selecting Christmas presents? Come to the Home Ec club meeting next Monday evening, November 24 at 6:45 at the auditorium and see an interesting demonstration on "Men's gifts," plus three others containing information on "Centerpieces for the Table," "Silver ware," and "Decorating cookies."

NEWS OF OUR ALUMNI

Mr. and Mrs. Paul G. Schuman (nee Merna Goodell, B.S. 1957), are living at 310 South Main, Paris, Illinois. Paul is working for the state of Illinois highway department. The Schumans have two children, Cindy and Scott Paul.

Servicio Cooperativo Interamericano De Education, Apartado Postal 329, Tegucigalpa, D. C., Honduras, Central America, is the address of James O. Bennington (B.S. 1949). Jim is in Tegucigalpa setting up a metals department there and in Pedro Sula, a town on the north coast of Honduras.

Home Economics teacher at Brookfield high school, Brookfield, Wisconsin, is Mrs. Robert L. Johnson (nee Dorothy S. Erickson, B.S. 1938). The Johnsons live at 513 Goscoigne Drive, Waukesha, Wisconsin.

John B. High, superintendent of the buildings and grounds for the Ann Arbor public schools for 33 years, died in April, 1958. He graduated from Stout in 1914 and attended the University of Ann Arbor and the University of Wisconsin at Madison, Wisconsin.

5916½ 108 N. E., Kirkland, Washington, is the address of John J. Krock, general metals instructor at the Lake Washington senior high school, Kirkland, Washington. He graduated from Stout state college in 1948.

Nancy Paremski (B.S. Jan. 1958), is assistant food supervisor at Highland Park cafeteria in Dallas, Texas. Nancy lives at 5022 Bowser, Apt. G., Dallas 9, Texas.

John R. Patlow, 62, of 7822 W. Kee-

fe Ave., vice principal of the Milwaukee vocational school and chairman of its evening technical engineering department, died Friday, November 8. He had been on the vocational school faculty for 33 years.

Mr. Patlow graduated from Stout in 1924, and received his master's degree from the University of Nebraska in 1930. He taught in Bayfield, Wisconsin, Aberdeen, South Dakota; and was director of industrial arts and vocational education at Lincoln, Nebraska, and Pontiac, Michigan. He then joined the faculty of Milwaukee vocational school.

STOUT ALUMNI
HOLD REUNION
IN MILWAUKEE

97 persons attended the Stout Alumni reunion in Milwaukee, Thursday, November 6. An informal buffet supper was served at the Milwaukee County Federation of Women's club. Pictures of recent campus changes were on display, and a copy of the 1958 Tower was made available.

Alumni attending the reunion were: Mr. and Mrs. Lyle Anderson, Nellie Bailey, Mrs. Gloria Blake, De Vere Cain, Mary Ann Cerny, Georgia Christner, Audrey Grotte, Mr. and Mrs. Dean Cornwell;

Mrs. Ardelle Ender, William Erpenbach, Robert Thomas, Carol and Lee Flanders, Jermaine Folkman, Betty Fraley, Mr. and Mrs. Carl Froelich, Nancy L. Gabert, James Gehrke, Barbara A. Habstritt, Carol Ann Hamerstein, Mr. and Mrs. H. M. Hansen, Mr. and Mrs. Paul Hansen, Lloyd Harmon, Carol Hatch, Carol Hawksworth, Howard M. Heigel, Ivan Issacson;

Mr. and Mrs. O. B. Iverson, Mr. and Mrs. R. G. Iverson, John Jarvis, Mrs. William Jones, Dawn G. Johnson, Rowena and Chuck Jorgensen, Alice J. Kirk, Andrew Kurey, Mr. and Mrs. Darrell Lemke, Dr. and Mrs. Arnold Lein, Joan Manes, Velda Milbrot, Nancy Mosher, Joan Mountford, Donna Neerhof, Marvene Nelson, John and Marie Oakeson, Mr. and Mrs. Al Ochs, Wayne and Connie Olson, Ken and Carol Pederson;

Pictured above is the initiating team along with the new members of Epsilon Pi Tau. Members of the initiating team are: first row, John A. Jarvis, Tom Pagel, Bill Bengs, Ken Dickie, Walter Diedrick, Vern Draxler, Ken Yaeger, Dennis Darling and Philip W. Reuhl. The new members of E.P.T. are: second row, John Gilsdorf, Gerald Wick, Pat Iannone, W. C. Bohnsack, David Butler, Robert Wanless, Daniel Brey, and Richard Anderson; third row, John Tomich, Donald Fell, Lavern Steinke, David McNaughton, Michael Bachler, and Kemal Kerprici; fourth row, Ted Nick, Thomas Murray, Luther Reuter, Robert Mitchell, and Larry Ellefson.

Epsilon Pi Tau Initiates
Nineteen New Members

Formal initiation for nineteen new members into Epsilon Pi Tau, national honorary fraternity on campus, took place recently.

The club room in the student union served as the setting for the formal initiation ceremony which was held on November 11, at 5:45 p.m. Following the ceremony, the fraternity gathered in the dining room of the Congregational church where the initiation banquet was held.

Kenneth Dickie, president of the fraternity was toastmaster at the banquet proceedings. Mr. Philip W. Reuhl, professor of industrial education and a faculty trustee of Epsilon Pi Tau, welcomed the new members into the fraternity. Mr. Gian Sud, science instructor at Stout, addressed the fraternity with an enlightening topic concerning "Four Aspects of India."

A membership card, a certificate

ry Roesler, Mr. and Mrs. Eugene Schmidt, Polly Scholler, Mr. and Mrs. John Schwalbe, Mary Smith, Jerome Sommer, Bob and Bev Spinti, Hank and Joan Tall, Helen and Russ Tews, Mr. and Mrs. Herbert Voll, Mrs. Alvin Wutti, Mrs. Marion Brockman, Hugo Franz, Bob Klug, Vina MacArthur;

Basketball will officially open tomorrow night when the Bluedevils square off against Augsburg in the Minneapolis armory. Monte McDonald assists Luther Ruether with his preparation for the trip.

MEET THE TEAM KINDSCHY HELM THIS WEEK

This week we start a series on the statistical lives of our Bluedevil hoopsters. These men made us proud last year and plan to do it again starting November 22 against Augsburg.

Herb Helm, a senior with three basketball letters from Stout, starts our list. He stands six foot one and one hundred and seventy pounds, plays forward, and comes from Winneconne, Wisconsin. When attending Winneconne community high school, he participated in football, basketball, baseball and track, was captain of the basketball team in his senior year, and earned thirteen letters.

Thirteen letters in high school must be a record, and Herb Helm's record at Stout is just as good. Keep it up and we will lead the league.

Bill Kindschy, from Galesville, Wisconsin, is a modest man with something to be modest about. As Stout's football captain, we finally won a homecoming game. He has earned four letters at Stout, three in football, and one in basketball.

Our center tops six foot two and weighs two hundred and ten pounds. Kindschy distinguished himself at Gale-Etrick high by earning three football, three basketball, and two track letters, besides being captain of the football team, all-conference football and basketball, and state track best, twice.

What more can you ask of a mere human?

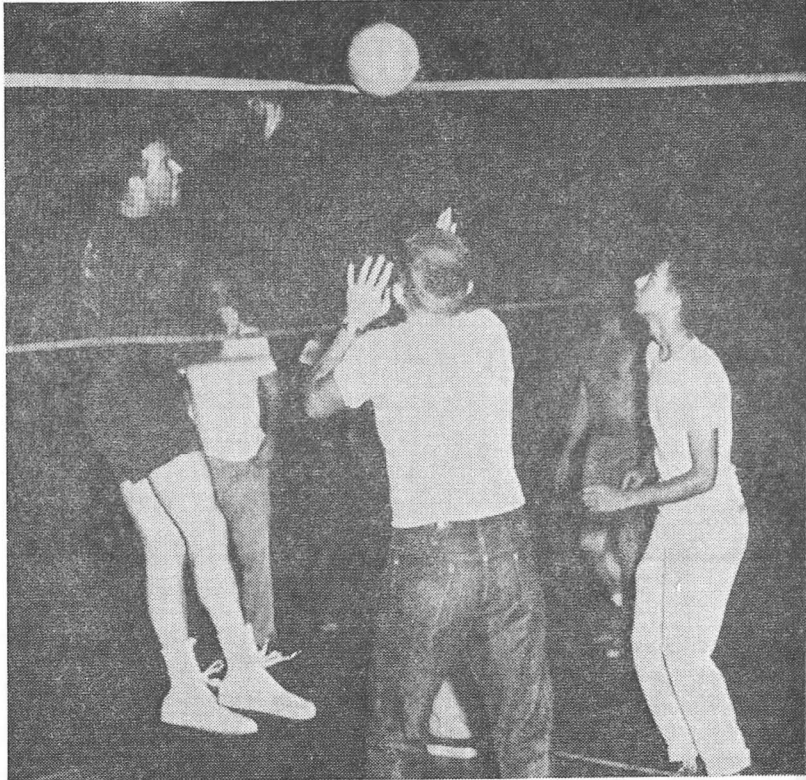

BASKETBALL SCHEDULE

HOME

November 24 - St. Mary's college
December 4 - U. of M. Duluth
December 13 - River Falls
December 15 - Northland college

Basketball will officially open tomorrow night when the Bluedevils square off against Augsburg in the Minneapolis armory. Monte McDonald assists Luther Ruether with his preparation for the trip.

Bluedevils On T.V. Sat. St Mary's Foe Monday

AUGSBURG

Opening the basketball season Saturday night at Minneapolis, Stout will play the Augsburg Auggies at 8 p.m. The most interesting fact is that this game will be televised over Channel 9 from Minneapolis at 8:05.

Since this will be the first game of the year for both teams, nothing is known about the Auggies' potential. In the 1957-58 season Augsburg won 10 and lost 14. The Bluedevils handed the Auggies a 87-60 beating last year.

In pre-season practice Stout has started slow. The game Saturday night should see the Bluedevils playing to the best of their ability for an early season game.

If the student body has as much spirit as they did during football season, the team will surely rise to meet and beat their opponents in the coming season. If you cannot make the trip to Minneapolis, be sure to watch the game on TV. Game time is 8 p.m. and TV time is 8:05.

Starting Line-up

Guards—Duke Severson and Keith Moessner
Forwards—Brian Howard and Bob Sorenson
Center—Fred Seggelink

ST. MARY'S

St. Mary's of Winona, Minnesota, will be the foes for the Bluedevil's home basketball opener. Last year Stout's unexpected 80 to 53 loss to the Redmen blemished its pre-conference record.

St. Mary's has basketball for its major sport and each year produces teams of high caliber. The Redmen will have a rangy, sharp shooting five that likes to play fire house type ball.

Out court shooting combined with the home floor advantage spelled defeat for the Blue and White at Winona last year. The Bluedevils will have the home advantage this season plus the remembrance of the stinging upset. Stout could produce but six points in the last 15 minutes of the game. Sorenson and Moessner gained but 21 points between them—the lowest for both scorers for the season.

The starting five will be doubtful as of press time. Moessner and Severson at the guards, Howard and Sorenson at the forwards and Seggelink in the slot are the probable starters depending upon Saturday night's showing at Augsburg.

GUIDANCE CONFERENCE SET FOR JANUARY 8TH

Preliminary plans for the eighth annual guidance conference to be conducted at Stout, Thursday, January 8, were announced this week.

Dr. Francis C. Gamelin, assistant to the superintendent, Robbinsdale, Minnesota, will serve as Keynote, and fifty other guidance leaders in this area will discuss current guidance problems.

Twenty sectional meetings are being planned to serve the needs of administrators, counselors, teachers and youth leaders who have guidance responsibilities.

Trends in the type of vacancies open to Stout state college graduates, the number of requests for graduates and salary data are among items of information contained in the recent placement report of the college, issued by Frank J. Belisle, placement chairman.

The report first describes the positions accepted by 92 bachelor of science graduates and 11 master of science graduates of Stout's school of home economics. Among women holding the bachelor's degree, 60 are teaching, 47 of them in Wisconsin. Their positions include faculty appointments in a university, high schools, nursery school, vocational schools and the Wisconsin school for the visually handicapped.

Graduates of the dietetics curriculum have entered hospital, commercial or university work. The remainder of the bachelor's degree graduates are in extension work, graduate school, or commercial positions or are married.

Master of science women who majored in home economics education have returned to previous positions, are teaching in high school or are married. Holders of the master of science in home economics have returned to a previous position or have accepted appointment on a university campus.

Beginning salaries for home economists holding the bachelor of science range from \$3600 for nine months to \$4800 for twelve months, with an average first year salary in home economics education of \$4091. The only master of science home economics graduate reporting salary indicated a contract for \$5500 at the University of California. Calls for 75 available graduates in home economics education totaled 271 from 22 states and Canada.

The placement report also describes the location of 136 men holding Stout's bachelor of science degree in industrial education. Of this total, 76 are located in Wisconsin, 35 teaching in high schools and others doing graduate work, teaching in other types of institutions, working in industry or discharging military responsibility.

In 1957-58, a total of 47 men were granted the master of science degree in industrial or vocational education. Twenty-six of those men are now located in Wisconsin, most of them returning to a position from which they had been granted a leave of absence for advanced study at Stout state college.

Others of the 47 master's people are teaching in high school, doing graduate work, instructing in a vocational school or working in industry.

Stout state college men with a bachelor of science degree accepted first year teaching positions ranging in salary from \$3800 to \$5350, averaging \$4481. Master's degree male teachers were paid between \$4444 and \$5576, an average of \$4827. Calls for the 136 bachelor of science industrial education graduates totaled 404, coming from 32 states and three foreign areas.

The placement office rendered a great amount of service this year in selecting positions for earlier graduates who desired to change location. Twenty-one alumnae were placed, as were 59 alumni, 30 of these total placements being made in Wisconsin.

Tower Staff Announces Plans For 1959 Yearbook

To make the 1959 Tower bigger and better than ever before is the goal of the yearbook staff, now working on its production. It will certainly be bigger, for plans call for 24 more pages than the 1958 edition had. This year's book will feature a four-color photograph and liberal use of color throughout.

Associated College Press yearbook judges gave the 1958 Tower an All-American rating, the first the Stout book has received since 1953. The present editors were on last year's staff, so they have a real incentive to attain another "All-American" rating. "The layout shows promise," Mr. Art Segal, of the Bureau of engraving, Minneapolis, assured the staff when he saw the dummy in September. "It is fully as good as last year's. But layout isn't everything; you must do it justice with photo and copy content," he added.

Tom Murray, the production manager, is optimistic about his staff's progress. "Many more pictures will be sent to the engraver before the deadline than were ready in the past," he states. "The cover has been chosen, and the next decision is the color scheme to be used throughout the book. We are going to choose a color to carry out our theme, 'In the ever-lengthening shadow of a great man, Senator Stout.' Associate editor Mina Claxman is busy now scheduling pictures at Russell's studio. Literary editor, Jean Owen's staff has started work on the copy for the book.

"This year's Tower will be new in several ways," claims Pat Solder, editor-in-chief. "Besides adding a full-color page, we are varying the traditional layout. We hope to produce the best yearbook yet."

Christmas Dance to be Held Next Friday Night

Informal, fun, and free is the annual SSA Christmas dance to be held Friday, December 12, in the high school gym. Providing the music will be the Jack Pringle orchestra, an old favorite here at Stout, and dancing will go on between the hours of 8 and 12.

General chairman of the event is Philip Felland, SSA vice president. Lyle Buss is in charge of publicizing the dance and providing entertainment at the intermission.

The sophomores, under the direction of Tony Pollino, will put up the gay and colorful decorations. Punch will be served at the dance and the juniors, under Don Stoddard's direction, will make and serve this refreshing beverage.

Every one of the SSA officers has been working extremely hard to make this Christmas dance a success and they cordially invite all the students and faculty members to join in on the festivities.

Bring your fellow or gal or come alone—but do come!

BULLETIN BOARD

An all school movie, "The Laverne Hill Mob", will be held Friday night, December 5 in the college auditorium at 7 and 9 p.m.

The Newman club of Stout is sponsoring the hilarious comedy featuring Alec Guinness, star of the recent movie, "Bridge on the River Kwai."

Tickets for the movie may be purchased during the week near the union entrance or at the door. Admission is 35¢.

Do you have your Christmas cards yet? If not, order them from Stout Christian Fellowship, now! They are now selling Christmas cards in Harvey hall for the remainder of this week and all of next week.

If you're now in the midst of your Christmas shopping and are wondering what to get your Mom, sister, or friends, your problem may be solved! Lovely placemat and napkin sets of various colors and fabrics will be on sale in Harvey hall on Monday, Tuesday and Wednesday, December 8, 9, and 10. The sets of four placemats and napkins each will be sold at the reasonable price of \$2.00 per set. They were made and will be sold by members of the Alpha Phi sorority for their annual Christmas sale project.

Next week everyone will once again have the opportunity to buy the Stout cook books. Home Economics club members will be selling them for only \$1.00 in the corridor of Harvey hall. These cook books will make nice Christmas gifts.

A Naval aviation information team from Naval Air Station, Minneapolis, Minnesota, will be on board the campus on Thursday, December 11, 1958. This team will be available for counseling students on all Naval officer programs in the student union from 9:00 a.m. to 3:00 p.m. The officers will be very happy to answer any and all questions pertaining to military obligation.

18 OF STOUT'S CO-EDS TEACH OFF-CAMPUS

Eighteen Stout co-eds have gone off campus to do their practice teaching. They will be gone from November 10 to December 19.

The girls who are currently doing their practice teaching are Ann Moore and Marlowe Zoberski at the Amery high school, Cynthia Bauer and Sylvia Felland at Baldwin, and Jan O'Grady and Alice Marshall at Glenwood City.

Jane Thompson and Catherine Peterson have gone to Longfellow Jr. high in La Crosse and Amanda Tumm, Lois Bresina, Janet Olson, and Mary Lou Schleis will be found at the Medford high school.

Mondovi home economics students will meet Wilma Betts and Sylvia West. Bobette Mulock and Carol Smith will do their practice teaching at Neillsville. Charlene Pichelmeier and Carol Heins are at Stratford high school.

STUDENTS ARE REMINDED OF LATE LEAVES

Once again, students are reminded of the late leave rules at Stout.

1. First semester freshmen will be granted one late leave per month.

2. Second semester freshmen will be granted two late leaves per month. (Freshmen may borrow one late leave from the coming month but late leaves for freshmen will not be cumulative from month to month. The borrowing of a late leave must be approved by the dorm head or dean.)

3. Sophomores, juniors and seniors will be granted late leaves extending to 11:00 on nights preceding class days and 1:00 a.m. on Friday and Saturday nights, according to the following specifications:

a. Sophomores will be granted 18 late leaves per school year.

b. Juniors will be granted 27 late leaves per school year.

c. Seniors will be granted 36 late leaves per school year.

(Late leaves may be cumulative for sophomores, juniors and seniors.)

4. A student on probation is not eligible for late leaves on nights preceding class days.

5. Late leaves extending to 1:30 will be granted to students attending dinner dances.

6. Students living in private homes will be granted late leaves by the Dean, who will designate the time according to the circumstances.

7. Residents in dorms will be granted late leaves by the dormitory head.

RIVER FALLS IS SITE OF IAWS CONVENTION

Representatives of Stout state college joined with delegates from 18 other mid-west universities and colleges at the recent meeting of the Intercollegiate Association of Women Students, held on the campus of Wisconsin state college at River Falls.

In attendance were deans of women, college advisors and coeds from the various institutions. Attending from Stout were Miss Mary Frances Cutnaw, dean of women, and three students: Mary Hitesman, Winneconne; Patricia Wenner, Rice Lake; and Patricia Choitz, River Forest, Illinois.

Theme of the gathering was "Focus on the Future—Serendipity: 1984."

Those in attendance reviewed the role of college women in matters of local, national and international concern; in college governing groups; for the exchange of information on topics of common interest; and in regard to national policies of the association itself.

Refreshments are served at the Newman Club mixer which was held in the small gym at Stout on November 19. All attending had a good time to music on records.

TIME FOR LOAFING?

Welcome back from what we hope was a joyous Thanksgiving vacation. Like most of us, I imagine, you ate your fill, and just loafed for the entire weekend. What is supposedly even better, in two short weeks, we will all be taking off again for two solid weeks of loafing.

Now we are looking forward to this festive time with great anticipation, and yet, have no consideration for what we are actually doing here, receiving an education.

In the short time remaining before the Christmas vacation, it is extremely easy for us to say, "Oh well, I don't have to do that now, I can do it over vacation." Sounds familiar doesn't it? Yet we all know school-work is one of the last things we think of, when home for the holidays.

When we return after New Years, there will be only three short weeks left before the end of the semester. Two weeks to shop finals and many others.

The enjoyment you will receive by letting things pile up, will seem wonderful now, but as always, you will just be kicking yourself, in the end. Why don't we wise up this year, and be prepared before, during, and after vacation.

CLUB NEWS

On Wednesday night of this week, the Stout Typographical Society, Stout's printing organization, held formal initiation of three new members at the Colonial pines. This was the final step on bringing the new members into the organization, after they had gone through one week of hell week, and informal initiation.

The new members are Tom Rosenthal, Raymond Gerrits and James Schlottman.

The accomplishments of a Stout state college fraternity, Omega chapter of Phi Sigma Epsilon, have received recognition in the fall publication of that national organization.

A Stout state college alumnus and resident of Menomonie, Willis Capps, is pictured several times as a vice president of the national council. Edward Birch, senior from Holcombe, won the 1957-58 secretary's award as the most active chapter secretary in the entire national group.

Omega chapter tied with Nu chapter, of Northwestern Missouri state college, for possession of the Phi Sigma Epsilon trophy signifying chapter

efficiency. Representatives of the Stout chapter are also pictured in photos of meetings of the 1958 biennial Phi Sigma Epsilon conclave, held in late summer at St. Louis.

The fall "Triangulum" publication of the fraternity ends on a sad note, reporting the death of Stout state college member, John Wingen, Neenah, who would have been a sophomore at Stout this year, but who died in September.

Founder's day, observed on November 20, was a big event for all Delta Zeta members. Each girl wore a pink rose, the sorority flower, throughout the day. In the evening at 6:00 p.m., all the members enjoyed a buffet style ham dinner at the Tea Room. The program was begun with a pledge song by the future eleven members. Each pledge read a portion of the founding history for the event. Later the sorority sang three of their songs that fit the occasion for Founder's day. All went to the play as a group, making it a very enjoyable evening.

The Delta Zeta sorority was founded at Miami University, Oxford, Ohio, in 1902 by six students. Today there are over 172 chapters in the nation.

Leathercraft, Muranite, and hand painted pottery were displayed by Mr. Roy Jensen of Sax-Crafts of Milwaukee. Mr. Jensen was here as a guest of the Stout Arts and Crafts club on Monday, November 17. The leathercraft displayed consisted of many beautiful hand-carved pieces such as tooled bookbindings and a very valuable hand-tooled quiver. Mr. Jensen also demonstrated a new method of dying leather in colors for artistic purposes.

An old craft that is once again becoming popular was also displayed. This craft is Muranite, a glass tile that is imported from Venice, Italy. Muranite can be chipped or broken into many shapes, it comes in a variety of colors and can be plastered several different patterns. Mr. Jensen had an

ERDLITZ NAMED TO STATE COMMITTEE

Named to the membership committee of the Wisconsin association for health, physical education and recreation for 1958-59 has been Miss Irene Erdlitz, assistant professor of physical education at Stout state college. Miss Erdlitz is in charge of membership functions of the association throughout this area.

Eligible to belong to the group are persons working in health, physical education or recreational programs, either in high schools or colleges. The association for 1958-59 has arranged an active schedule of events, with a general meeting in Milwaukee on November 6 and workshops at La Crosse, Spooner, Minocqua, Stevens Point, Manitowoc, Platteville and Waukesha. A final conference will be held at Green Lake in May.

According to the department of athletics at Stout, all members of that department are members of the important association.

TINKHAM RECEIVES BOYS' STATE TERM

A member of the Stout state college faculty who is this semester discharging an interim appointment, Glenn Tinkham, was reappointed to a three-year term on the National Boys State committee of the American Legion. At present Mr. Tinkham is president of Badger Boys State, a project sponsored by the American Legion in Wisconsin and the recipient of national recognition for excellence.

Another Menomonie resident, G. E. Sipple, has received appointment to a national commission of the American Legion. The Legion's national executive committee confirmed his selection as vice-chairman of the National Americanism commission of the Legion.

Both the appointment of Mr. Tinkham and Mr. Sipple were confirmed at the October meeting of the Executive committee in Indianapolis and were announced by the Legion's commander, Preston Moore.

assortment of his own work with Muranite on display.

This demonstration was for the Arts and Craft club members and anyone that wished to attend. It was especially worthwhile for anyone that is interested in the beauty of craftsmanship.

RED WING IS VISITED ON FIELD TRIP

At seven a.m. last Thursday, fifteen bleary-eyed students and Doctor Nitz boarded a bus for Red Wing, Minnesota, on a field trip for Chemistry of Materials class. They were guided through both the Red Wing Pottery and the Great Northern Oil Refinery in Saint Paul before the day was done.

Great courage and persistence was shown by the guides as, harassed by technical questions from all sides, they explained the processes used to bring forth a finished product. They waited with dignity while workmen were questioned and collected stray students that became too interested in one operation and fell behind the group.

At the Red Wing Pottery, the class observed the techniques of molding and firing dishes, and brought back some examples of the fine ware they produced. At the Great Northern Refinery, they donned hard hats and explored the maze of pipes and towers that form this nearly automatic refinery of a thousand acres area.

When the class returned at last to the shadow of the tower, they did so with a little more knowledge and weary feet.

NEWS OF OUR ALUMNI

Ben Spaulding, professor emeritus from San Jose state college passed away on the 24th of September. He retired from the San Jose faculty in June of 1956 after 43 years of service to the state of California. He received a diploma from Stout in 1908.

Students of Stout state college alumnus, John Wooley, have been recognized for outstanding work in graphic arts. John, a 1951 graduate, is on the faculty of the Racine Park high school.

It's a boy for Mr. and Mrs. Bernard A. Winger (nee Mary Ellen McIlquham, B.S. 1956). William James was born November 9. The Wingers live at Germantown, Wisconsin, Box 115.

Margaret Brown, (B.S. 1958), is working in the underwriting department of Employers Mutuals of Wausau. She lives at Athens, Wisconsin.

644 So. Hassan, Hutchinson, Minnesota, is the address of Mr. and Mrs. Richard Wingert (nee Marguerite A. Nisen, B.S. 1954). Richard (B.S. 1953) is a process engineer for the Minnesota Mining & Manufacturing Electrical products division. They have one son, Jay Richard.

Robert A. St. Clair (B.S. 1950), is trade and industry education advisor at the Tehran Institute of technology in Iran. He is working with the United States of America Operations Mission to Iran. The Tehran Institute is an engineering school which offers a degree in production engineering. His address is USOM/Iran, APO 205, N. Y., N. Y.

A former head of the printing department at Boys Town, Nebraska, has been assigned the Southern California territory as a linotype production engineer. Chester J. Plewa, who attended Stout state college, covers the southern-most counties in California: Orange, San Diego and Imperial, as well as southern Los Angeles.

KRANZUSCH AND JARVIS ATTEND CONFERENCE

Making presentations to the recent Conference for College Instructors of Safety Education were Dr. John A. Jarvis, dean of the school of industrial education at Stout state college, and R. F. Kranzusch, associate professor of industrial education at the college. The conference was held in the new Wisconsin center of the University of Wisconsin.

Dr. Jarvis participated in the panel, "Incorporating the Teacher Preparation Course in Driver Education in the College Curriculum." His portion of the discussion dealt with financing such a program.

R. F. Kranzusch made presentations to two sectional meetings of the conference. He reported on "A Critique of Selected 'Research Review' Research Studies" for the industrial arts roundtable of the meeting devoted to "Safety Education Competencies for Teachers."

To the panel on "Procedures for Organizing and Administering an Approved Driver Education Program," Mr. Kranzusch spoke on "Planning the Teacher Preparation Course in Driver Education."

Participating in the conference were administrators and teachers from universities, colleges and high schools, representatives of the Wisconsin Motor Vehicle department, personnel of the AAA, specialists from the American Red Cross and representatives from many other organizations interested in safety.

"Mommy, can I go out and play?" "What, with those holes in your pants?" "Now, with the kids across the street."

PHI UPSILON OMICRON
Phi Upsilon Omicron is a national professional fraternity in the field of home economics. The fraternity was founded fifty years ago at the University of Minnesota. April 29, 1933, marked the beginning of Tau chapter here at Stout. At the present time there are chapters at 42 colleges of home economics throughout the nation.

The purpose of Phi U is to establish and strengthen hands of friendship, to promote the moral and intellectual development of its members, and to aid in the advancement and promotion of home economics.

Professional projects of Tau chapter are: maintaining a textile box for teachers and students to use in teaching textiles, awarding an annual scholarship to an outstanding freshman girl and stimulating interest in home economics by presenting a panel to freshman women and by preparing a bulletin board in the main corridor of Harvey hall. Other projects for students in the dormitories are the sale of Stout state stickers for use on envelopes.

Girls are eligible for membership beginning in the second semester of their sophomore year. The only definite requirement is membership in the Stout home economics club. Members are chosen on the basis of scholarship, leadership and professional attitude. Initiation takes place twice each year. Dean Kirk is an honorary member of Tau chapter.

Present officers are: Barbara Williams, president; Carol Bibby, vice president; D'Ann Mattson, secretary; and Sylvia Felland, treasurer. Miss Trullinger and Miss Knutson are faculty advisors.

PHI SIGMA EPSILON
The members of Phi Sigma Epsilon, better known as Phi Sigs, can be recognized about the campus by their red jackets.

Phi Sigma Epsilon was founded at Emporia, Kansas, 1910, and became a national fraternity in 1926-27 when they joined with two other chapters. Today Phi Sigma Epsilon is one of the fastest growing national fraternities.

Phi Sigma Epsilon chapters can be found on most of the state college campuses in the middle west. It is a fraternity for men of moderate means. Omega chapter was known as Kappa Phi Sigma prior to 1952 when it joined the national organization.

The objectives are to encourage culture, to foster college spirit, to perpetuate friendship and intimate social ties within its membership, and provide college homes for active members.

The Phi Sigs are kept busy throughout the year on activities such as car washes, homecoming activities, co-sponsored Phi Sig-Tri Sigma Sweetheart dance, Christmas caroling with

sororities, winter carnival, pizza suppers, and many other campus activities.

Rick Steckel wields the gavel, Howie Steinhilber is social chairman. Eddie Birch has possession of the quill, Dick Kveton keeps the loose change, and Jim O'Bryon holds the paddle. Mr. Edwin Siefert and Mr. George Soderberg are the group advisors.

PHI OMEGA BETA
The Phi Omega Beta fraternity or, as they are more commonly known, the FOB's, have the singular distinction of perhaps being the only college men's organization to be founded in a women's dorm. FOB was founded at Lynwood hall, then a women's dorm, in 1927. It is the oldest men's social organization on campus and received school recognition and the approval of Stout in 1928.

Since then the FOB's have been an outstanding organization on campus. Annually they sponsor Duffy's Tavern, the FOB milk bar, and FOB stunt night which is presented early in the spring. Many organizations on campus participate in this latter event to help make it one of the biggest nights of the year.

The FOB's participate in intramural sports which include football, volleyball, basketball and bowling. They are also active in varsity sports, UMOG, Homecoming and Winter carnival. During the winter carnival the FOB's and the Phi Sig's battle out a grudge hockey game. Besides being in many events the FOB's give a "grant-in-aid" to an incoming freshman who shows outstanding athletic promise.

The fraternity holds its regularly scheduled meetings every Thursday evening. On that day all members may be distinguished by their black shirts monogrammed in white with FOB and white ties.

The officers for this year are: president, Jerry Foth; vice president,

EPSILON PI TAU HOLDS ITS ANNUAL BREAKFAST

The 26th annual Epsilon Pi Tau breakfast was held in Milwaukee on Friday, November 7, at the Hotel Wisconsin. This breakfast is always held during the WEA convention, and was attended this year by the following persons:

John A. Jarvis, Don Meehan, Edwin Siefert, George Kinsler, Francis Oberpriller, Lyman Berg, L. Barocci, W. C. Bohnsack, Wayne Pool, Dean Cornwell, Allen Johnson;

R. F. Kranzusch, Harve Smith, Bob Desmarais, Harold A. Isleb, Ralph Onarheim, Joseph Winek, Donald Braun, Ed Kirz, Ken Pederson, Russ Tews, John Metz, Roy A. Radtke and Harold Schulz.

Robert Sorenson; secretary, Dick Lowry; and treasurer, Otto Klaus.

Others are: Charlie Pinkepank, sergeant-at-arms; James Lubann, historian; Ron Kautz, reporter; Bill Beyer, alumni secretary; and Ron Nelson, athletic director. The advisors are Dr. E. R. Rudiger and Dr. J. E. Ray.

Student looking through telescope: "god".

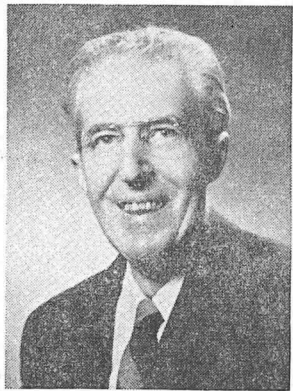

Another: "Aw, gowan; it isn't that powerful."

Wine, women and song are getting me down. I'm gonna hafta quit the darn singin'.

Question: Why didn't the little bee buy his gasoline at the TEXACO station?

Answer: He was an ESSO bee.

Gene Kirscht and Tom Harris watch Stout's basketball team fall in defeat. A twin city television station televised the contest as its game of the week.

Auggies Drop Bluedevils Macs Are Second Win

AUGSBURG
Stout suffered its first defeat of the basketball season, losing to the Augsburg Auggies, 81-56 in a televised game from the Minneapolis armory. The Bluedevils showed spots of color and harmony a few times during the game, but were cold and showed an inability to score when they needed the points most.

First Half
The Auggies took the tip-off from center, eventually scoring and taking the lead, 2-0. Moessner tied the game at 2-2 moments later to put Stout in the scoring column. Augsburg then poured in three field goals and a free throw to take an early 7-2 lead. At this point Stout showed a flash of brilliance by tying the game 9 all. The lead changed hands numerous times in the first half in what was beginning to look like a slow, low-scoring game. When the final buzzer sounded to end the first half, the Auggies had a 39-33 edge.

Second Half
Augsburg came onto the floor enthusiastic, fired-up and steaming to break loose on a scoring rampage. Before the Stout cagers could find the range, the Auggies had taken a 54-33 lead. Bill Kindschy finally found the range hooking a shot through the hoops for Stout's first field goal of the half. Except for the last few minutes of play, Stout was cold throughout the second half. When the final buzzer sounded, Stout was on the short end of the scoring, 81-56.

MACALASTER
Monday, December 1, the Bluedevils journeyed to Macalaster to invade Minnesota for the third time this season. The final score was Stout 75, Macalaster 64. The victory gave Stout a 2-2 record for the season.

The Blue and White lead 22 to 15 at the end of the first quarter. At half time the score was deadlocked 34 to 34. The third quarter reading was Stout 61, Macalaster 46. Moessner and Seggelink teamed up to give the Bluedevils their last half edge. Moessner had 14 points on six field goals and two free throws and Seggelink mustered the identical count.

Mogen and Jenkins shared the scoring honors for the losers with 11 points apiece. Moessner had 21 for Stout, followed by Seggelink with 19 and Howard with 17.

The Bluedevils shot 21 for 24 from the free throw line for a cool 87%. Macalaster hit 20 out of 28 for 71%. The final score was Stout 75, Macalaster 64.

Macalaster Box Score

CAGERS AND GRAPPLERS ARE TO MEET ST. CLOUD

Tuesday, December 9, Stout's basketball team will meet St. Cloud college at St. Cloud, Minnesota, at 8 p.m. The team is traveling to St. Cloud with the wrestling squad for a two sport event.

St. Cloud beat St. John's by 20 points last week. The Bluedevils lost to St. John's 80-73.

Traveling Squad
Moessner G
Severson G
Howard F
Sorenson F
Seggelink C

Saturday the Bluedevil matmen will journey to Stevens Point for the four team invitational wrestling meet. Coach Milsted will take an eight man team plus the manager, Monte McDonald.

Myron Tubbs will hold down the 123 pound class. Tubbs wrestled last year on an extramural basis. In the 130 pound division is Bill McNaughton who has had two year of experience. Lloyd Wiberg at 137 has had one year of experience. In the 147 pound class is last year's 137 pound state champion, Jerry Holobuts. Jerry wrestled three years in high school.

Frank Zabo will go in the 157 pound weight. This is his first year of participation. At 167 is Lyle Buss. Last year at Menomonie high Buss compiled an 18-2 record. Leon Stephenson will fill the 177 pound bracket. Stephenson was runner up in the state meet in this class. Bill Doan will hold down the heavyweight division. Bill has had two years of high school experience and two years at Stout.

December 9 the Blue and White grapplers will travel to St. Cloud of Minnesota. They will participate in a dual meet. Milsted announced that the same men will make both trips, barring injury.

MEET STOUT GUARDS SEVERSON & MOESSNER

The hoop season started as revenge was wrought on St. Mary's and Macalaster when the Blue and White bounced from the collision with Augsburg. Two of the men that produced this bounce are Duke Severson and Keith Moessner.

Duke Severson hails from Tomah, Wisconsin, and led the scoring in our tussle with St. Mary's as his five foot eleven, one hundred and eight pound frame sank twenty-one points to edge us over the top.

In the last issue I made a comment that thirteen letters in high school didn't last long, because back home in Tomah, Duke earned fourteen letters in four different sports.

Anyone who can beat fourteen letters in high school, please drop a note in the Stoutonia box and report to the coach immediately. With records like this, I won't mind being corrected.

Keith Moessner, an old Menomonie high grad, also plays guard and ranks at the top of any of our games. He is short and light, but fire on the floor with his five foot nine, one hundred and seventy pounds. At Stout he has earned two letters in basketball and was all conference in 57-58, plus the leading scorer of the Bluedevils in 56-57 and 57-58.

In high school Moessner played basketball and football to earn six letters and be all sectional two years, all regional two years, and captain as a senior. He then 'volunteered' his time to the service where he received a trophy for being an outstanding player in the Twenty Team Tournaments.

Keith Moessner's record is a goal for all the up and coming at Menomonie because he set a record that hasn't been beaten—51 points in a single high school game. Wow!

"Is this the Salvation Army?"
"Yes."
"Do you save bad girls?"
"Yes."
"Well, save me a couple for Saturday night."

Stout Splits with Saints Defeat Redman 74-73

ST. MARY'S
The final score was 74 to 73 as a capacity crowd witnessed Stout's home opener victory over St. Mary's of Winona. For nine minutes and fifty-eight seconds of the last half bedlam was king as the Bluedevils moved closer and finally tied the score and then pulled ahead in the hotly contested game.

Starters
Coach Bostwick fielded a surprise starting five in Howard, Severson, Moessner, Seggelink and Reuther. The half time buzzer found the home team down by a 39 to 44 margin. Severson had 10 points to lead the Blue and White offense for the first half. St. Mary's shot 49% to Stout's 43% and grabbed only 11 rebounds to the Bluedevil's 24.

Second Half
The Blue and White moved to within 2 points of the visitors in the opening minutes of the second half. St. Mary's kept the edge until the final moments. With 9:03 left, Bob Sorenson came off the bench and tied up the score at 62 all. With 8:48 showing on the clock, Sorenson dropped a free throw to give Stout its first lead of the half, 63 to 62.

Sorenson Out
With 8:29 to go, Sorenson left the game on fouls. The score was tied three times, the lead changed hands three times and the contest moved into its critical moments. With 3:17 left, Severson canned 2 points to give Stout a 72-71 edge. Moessner's two free throws added a deceiving 74 to 71 advantage. St. Mary's marked two points on free throws and moved to within one point. This completed the scoring for both teams.

Moessner missed his free throw at 0:17 and St. Mary's gained possession. The Redmen kept the ball and tried for a clinching basket. Landy's last second shot bounced off the rim as Stout controlled the rebound. Final score was 74-73.

ST. JOHN'S
November 29 Stout journeyed to Collegeville, Minnesota, to battle a strong St. John's five. The Blue and White suffered its second defeat at the hands of a Minnesota team.

Bob Sorenson ran wild as he canned 28 points for the losing Bluedevils in leading the attempt for a win. Kukar paced the winners with 26.

Stout was down by only two marks at the end of the first quarter. At half time the score board read 34 to 26, St. John's. The third quarter found the Bluedevils battling back to within two points at St. John's led 53 to 51. The final stanza found the leaders dropping the home team by 7 markers. Final—80 to 73, St. John's over Stout.

Box Score for Stout				
	fg	ft	f	tps

LEE'S DRUGS

NAMES GIVEN OF OFF-CAMPUS MEN TEACHERS

One of the final steps in the preparation for teaching is the actual experience of instructing off campus. Here at Stout off campus teaching is required of all senior men students, not only those majoring in education. Practice teaching in the industrial arts division is set up on the quarter system, rather than the six weeks plan as is used by those students majoring in home economics. This year there is a total of between thirty and thirty-five schools which are used as stations for practice teaching. Generally there is only one position in each school, but some may have as many as three or four practice teaching at one station.

In preparation for practice teaching, the men students take a four week course consisting of actual classroom lecture and observance of proper teaching techniques. After they have completed this phase, they move on to the real thing—the actual experience of teaching. After four weeks of observation and instruction off campus, the men return for a follow-up of their experience which lasts for one week. During the period of practice teaching, the student spends a total of ten hours in classroom instructing. Two of these hours are spent on campus here at Menomonie and the other eight are spent off-campus.

The men and their practice teaching stations are:

Hardy Iida, Altoona high school; Walter Diedrick, Black River Falls high school; Robert Wanless, William Bird & Ronald Duehy, Eau Claire senior high school; Tom Wright, Hudson high school; Ronald Okazaki, Kenneth Carlson and John Schoenoff, La Crosse Central high school; Afif Hajir, La Crosse Logan high school; William Hemsey, La Crosse vocational school;

Donald Swanson, Ladysmith high school; David Butler, Wallace Metling, and Ronald Nelson, Menasha high school; David Schomburg, Mondovi high school; LaVerne Bender, Neenah high school; Dale Wahl, New Richmond high school; William Moltzan, Onalaska high school; Donald Gibbons, Plymouth high school; Peter Jackson, Regis high school, Eau Claire;

Donald Sweet, Rice Lake high school; Donald Trewartha and Eugene Kirscht, Jacobs high school, Stevens Point; Richard Brehm, Stevens Point vocational school; Larry Ellefson, Waupaca high school; William Larkin, Wausau high school; Robert Berg, William Martin and Richard Werblow, Beaver Dam high school; Wendell Carlson, Eau Claire junior high school; Duane Kasten, David MacLaughlin and Gregory Trzebia-towski, Manitowoc high school; Herbert Mehne, Neenah high school; and Howard Steinhilber, Wausau vocational school.

11:30 Merry Christmas and a Happy, Prosperous 1959

It's Christmas Time at Stout State College

With the decoration of the Christmas tree in the main floor of Harvey hall by the members of the Y.W.C.A. the Christmas season has officially started here at Stout.

Holiday events begin tonight, with the Christmas dance in the high school gym. The event will be sponsored by the Stout Student Association, and the admission is free. Music will be by Jack Pringle and his orchestra.

Next Wednesday is the Christmas tea put on by the Home Economics club. At 8 o'clock on the same evening, will be the Christmas concert in the college auditorium.

On Friday, December 19, at 11:30, classes will be dismissed for the holidays.

Christmas Concert To Be Given Wednesday Night

As a Christmas present to this community, Stout state college will offer its traditional Christmas concert, free of charge, in Stout auditorium on Wednesday evening, December 17. Curtain time will be 8 p.m.

Musical offerings will range from traditional Christmas carols to spiritual and folk songs appropriate for the season to modern holiday selections. Conducting the concert will be Dr. Edfield A. Odegard, chairman of Stout's department of music.

Participating in the program will be over 100 student vocalists and instrumentalists. Groups taking part include the Stout concert band, the college choir and the Symphonic Singers.

Band selections will open the program, including Goldman's famous "Christmas March." In the second portion of the concert, the college choir will be heard in such selections as the Negro spiritual "Rise Up Shepard and Foller," the Appalachian carol "Jesus, Jesus Rest Your Head" and a portion of Bach's Christmas oratorio, the car-

ol "Rejoice and Sing."

Concluding the concert will be selections by Stout's famous Symphonic Singers, who will offer psalms 130 and 148 in contemporary idiom and three traditional Christmas songs.

Featured during the program will be a treble vocal ensemble and a vocal ensemble accompanied by a brass quartet. A quartet of French horns will also play "A Carol Fantasy."

Various committees composed of members of the band and choir have been working to make this concert a truly memorable one. Marilyn Blotz is chairman of the publicity committee. Assisting her are Darrell Johnson and Alice Kemper. Decorations are the responsibility of Mary Alms, chairman, Mike Bachler and Sharon Peterson; Joe Jajtner is in charge of lighting.

December 17 is the date. Stout's auditorium is the place. The Symphonic Singers' Christmas Concert is the occasion.

SODERBERG HAS HIS 2nd BOOK PUBLISHED

"When I first became a teacher, it was my dream that someday I would write a textbook. Now that I have been lucky enough to have a second book published, I feel like the father of twins!"

That's the happy state of mind of George Soderberg, associate professor of industrial education at Stout state college. His enthusiasm results from appearance this month in educational bookstores throughout the nation of the new text, *Restoring and Maintaining Finishes—Spot Finishing*, which Soderberg co-authored with the late Paul W. Karcher.

Soderberg's first textbook, *Finishing Materials and Methods*, was published in 1952. That volume, which deals largely with producing finishes rather than restoring finishes which have been marred, is now being revised. Soderberg predicts that the new edition will be on the market in January.

According to Soderberg, he and Karcher wrote the "Spot Finishing" text to meet an ever-present American need: "Furniture is constantly receiving mars and scratches. Often homeowners—and even some furniture specialists—are at a loss how to repair the damage, especially if abrasion has occurred to an antique or to a piece of furniture with some new-type finish."

To provide the necessary refinishing data to teachers, professional and amateur refinishers, furniture dealers and home craftsmen, Soderberg could call upon his background of experience and knowledge as a specialist in finishing at Stout state college. Paul W. Karcher contributed information and techniques obtained during his 30 years as a commercial furniture refinishing specialist at Lincoln, Nebraska.

Their combined efforts have resulted in a book which provides complete, specific directions for maintaining fine finishes and also detailed information on the removal of scratches, mars and burns from furniture. A portion of the volume discusses techniques in working with such special finishes as art, leather, gilt or antique surfaces.

The book concludes with information listing suppliers of finishing equipment, types of finishing materials and employment opportunities in the finishing field.

TAINTER GIRLS BUSY MAKING DECORATIONS

Christmas is in the air at Tainter hall. The girls living there have been busy decorating their rooms, doors and corridors. Several rooms have small Christmas trees, and larger trees have found their places in all lounges and in some corridors.

After the traditional turkey dinner served the boarders by Miss Killian on December 15, they will go into the main lounge for the annual Tainter hall Christmas program. A program will be presented and Christmas carols will be sung.

An all-dormitory Christmas party will be held Wednesday night, December 17. Besides singing at the Christmas party, the dormitory carolers will sing throughout the city on that night. Each corridor will also have its own Yuletide party.

Christmas Dance Tonight In the High School Gym

Do you like to dance? Come to the Christmas dance tonight and have a ball dancing to the music of Jack Pringle's orchestra.

This dance is sponsored by the SSA so there will be no strain on your Christmas budget.

What could do more to put you in the Christmas spirit than soft lights, tinsel, and the scent of pine boughs? The sophomores are doing their best to provide just such an atmosphere for you and your favorite date.

Dancing will be from 8 until 12 and you can refresh between dances with some of the tangy punch served by the juniors.

For an informal evening of fun and frivolity, the annual Christmas dance is tops. If you haven't already asked that special someone, do it right now and come to the dance tonight.

All Sophs are asked to come over to the high school gymnasium sometime today after classes to help with the decorations.

BULLETIN BOARD

Library reserve books for the Christmas vacation may be taken out between 7:15 and 11:45 a.m. Friday, December 10. They will be due at 8:30 a.m., Monday, January 5.

The library will be closed during the Christmas vacation.

Attend the all-school mixer sponsored by the Sigma Tau Gamma fraternity, following Saturday night's game, in the small gym.

Searching for a Christmas gift for someone? Solve that problem; purchase those "hard-to-buy for" gifts at the annual Tri Sigma Christmas sale.

Many unusual gifts will be sold in the halls of Harvey from December 11-19.

SORORITIES TO FINISH WITH THEIR PLEDGING

After busy weeks of pledging, the four sororities on the Stout state college campus have held, or are planning, the formal initiation of their pledges.

On Saturday afternoon, December 13, the Alpha Phi sorority will initiate 14 new members. A banquet in the Tainter hall tea room will follow initiation.

Alpha Sigma Alpha initiation was held on Wednesday night, December 3. Pat Choitz was named outstanding pledge. After the formal ceremony, the members enjoyed a ham dinner at the Harbor Inn, and serenaded at Tainter hall and Lynwood hall.

A banquet and serenade at the dormitories will also follow the Delta Zeta initiation. 11 Delta Zeta pledges will be initiated soon after Christmas.

Formal initiation of Sigma Sigma Sigma pledges will be Sunday afternoon, December 14. After initiation, the new members will give a Christmas party for the entire sorority.

THE STOUTONIA

WAKE UP, AND DRESS RIGHT

Through out the years, one thing has always prevailed, that a few, should ruin things for the majority. This is true also at Stout. We are adults, we want to be treated like adults, we act like adults, and we dress like adults, that is most of us.

What is the proper wearing apparel for college Surely, no one is expected to wear a shirt and tie, or suit and heels, but also no one is expected to wear sweat shirt and blue jeans. That sort of wearing apparel went out when you received your high school diploma. Needless to say, many high schools have them outlawed long before graduation. Are we to be considered below par to some high schools, or a leader among colleges?

There is no need for this sloppy type of dress, not even in the shops. A good apron, coverall, or a change of clothes, would be more than sufficient. Upon graduation from Stout, most of us will be teaching, and there you will be required to wear shirt and tie. If you cannot learn now to take care of the clothes you wear in shop, pity the poor girl that has to do your washing.

A skirt and sweater, or sport shirt and slacks, is all that is required of you. Lets take pride in our school, and ourselves, and dress properly.

DEAN'S ARTICLE HAS WIDE PUBLICATION

Author of an article, "Student survival factors in Stout state college," appearing in the November issue of the national professional publication, "Industrial arts and vocational education," is Dr. John A. Jarvis, dean of the division of industrial education at Stout state college.

The study described in the article is one by means of which Dr. Jarvis attempted to locate factors typical of better industrial education college students and, if possible, to make recommendations for student selection. According to the article, the procedure used was to list scores of entering freshman males on the American council of education psychological examination, the cooperative English test, the Myers-Ruch high school progress tests and rank of each student in his high school graduating class.

Using statistical procedures, Dean Jarvis was able to evaluate such factors as the importance of a freshman male's high school industrial arts background, the value to the various tests as predictive measures and the significant importance of rank in high school class to college success, especially in academic studies.

CLUB NEWS

Buy your Master Mix books before Christmas! Master Mix books will be sold for three days before Christmas by the sorority. Plans were made for Christmas caroling and finishing the stuffed animals for the Chippewa Children's home. These were the main highlights of the meeting Thursday evening held in the audio visual room of the library.

Members of Tri Sigma took their national chapter examination at the December 4 ceremonial business meeting.

The Christmas sale and the "Holly Ball" were discussed at the short business meeting following the test.

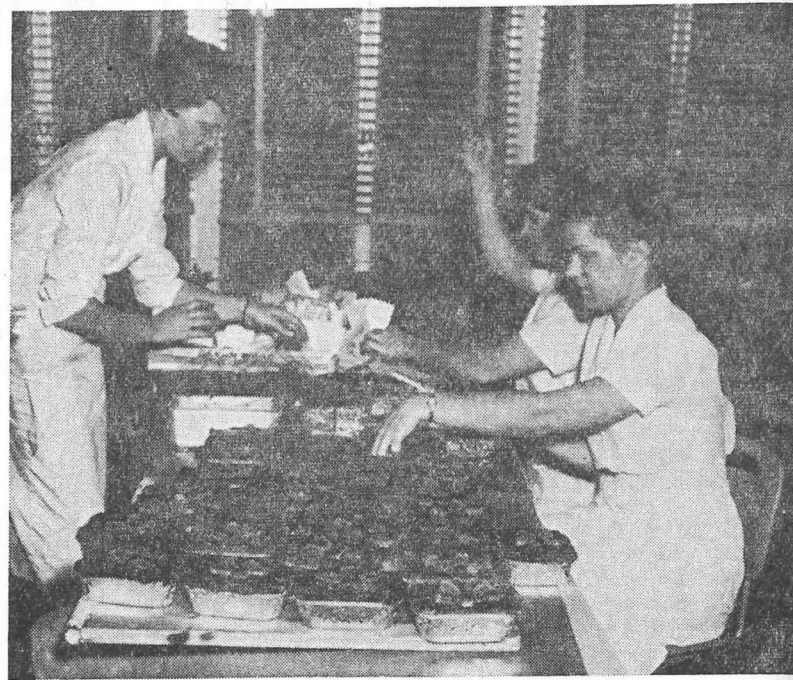

New members will be formally initiated this Sunday afternoon. Following, a Christmas party will be given by the new members.

Christmas carols created the season's atmosphere at the Stout 4-H club's Christmas party held on December 10. The party was at 7:30 in the Newman club center. Chocolate milk and Christmas cookies were the refreshments served.

Instead of exchanging gifts, each member donated fifty cents to the club. It will use the money to buy a basket of food for a needy family in Dunn County.

The general chairman of the party was Avalene Drake. Other chairmen were as follows: Louella Howell, food; Jean Sprain, decorations; Cherry Nichols, recreation; and Bev Voigt, music. Their combined efforts made the evening a success.

Alpha Sigma Alpha sorority initiated their pledges to Beta Pi chapter of Alpha Sigma Alpha on Wednesday,

Members of the Dietetics club are busy making fruit cakes for the holidays. They are, from left to right Betty Schomberg, Kris Ostertag, and Marilyn Kliest.

December 3. The new members are Carol Bishop, Dorothy Braunworth, Patricia Choitz, Donna Dempsey, Mary Jane Fleury, Cynthia Grehing, Kay Koeper, Sandra Maxwell, Marilyn Schleg, Virginia Scotch, Beverly Vaigt and Sandra Wilcox. Roses were given to each of the new members during the ceremony held in Tainter hall tea room. Following the ceremony, dinner was served at the Harbor. During this time Patricia Choitz was awarded the "outstanding pledge award." Dorothy Braunworth, representing the new members, gave a gift to their pledge masters, Jan O'Grady and Betty Schomberg. Concluding the evening, Alpha Sigma Alpha sorority serenaded the dorms.

JOKES

Typist: "But, Professor, isn't this the same exam you gave last year?"
Professor: "Yes, but I've changed the answers."

Professor: "I won't begin today's lecture until the room settles down."
Voice from the rear: "Why don't you go home and sleep it off?"

NEWS OF OUR ALUMNI

Dr. Robert W. Innis has been appointed as assistant professor of industrial arts at the Central Missouri state college, Warrensburg, Missouri. Dr. Innis received his B.S. from Central Michigan college of education, his M.S. from Stout state college in 1948, and his Ed. degree from Michigan state in 1956. The Innis family resides at 700 South Holden, Warrensburg, Missouri.

Mr. and Mrs. Don L. Woelffer (both S. 1957) are living at 433 Riverdale Drive, Glendale, California. Mrs. Woelffer (nee Patricia Jean Seibert) completed one year of dietetics internship at Milwaukee County hospital, Milwaukee, Wisconsin, after her graduation from Stout. Don is stationed in the Army serving with military intelligence.

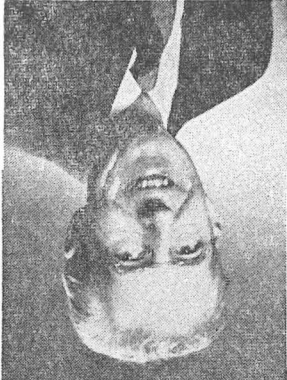

Ole Moe, a 1924 Stout grad, is a commercial teacher at Derby high school, in Detroit, Michigan. He lives at 13220 Woodward, Highland Park, Michigan.

Home economics teacher at Central Union high school, Eleva and Strum, is Mrs. E. Leroy Holcomb (nee Doris Hutchinson, B.S. 1956). Her husband is a senior at Eau Claire state college. The Holcomb's home address is 323 3rd Ave., Apt. 6, Eau Claire, Wisconsin.

Kent W. Roeber is an insurance salesman for Equitable Life Assurance Society. Kent, who received his B.S. from Stout in 1955, lives at Box 22, Galesville, Wisconsin.

Pat Browe (B.S. 1957) and Joel L. Lamke (B.S. 1956) were married in

Sigma Sigma Sigma
The familiar lavender seen around campus of course signifies the Sigma Sigma Sigma sorority, first established as the hilomathean sorority in 1912. This was the first sorority organized on campus.

The Tri Sigmas made another first when in 1912 they became the Beta Pi chapter of the national sorority of Sigma Sigma Sigma. This was the first national sorority on campus.

Sigma Sigma Sigma was founded April 20, 1888 at Longwood college, Farmville, Virginia. The national sorority has expanded to 54 chapters throughout the United States. The national sorority is also a member of the National Panhellenic Council (NPC).

Early in the fall the sorority starts the year off with a get-acquainted tea for new faculty women and new faculty wives. Later in the year the girls have a Halloween tea. The big highlight for November is the Tri Sigma and Phi Sig Sweetheart dance. At Christmas the sorority sponsors a sale. They also make baskets of food and clothing for needy families. The Tri Sigmas participate in Stunt night and other all school activities throughout the year. Then to make the year complete, the Sigmas have the annual spring dinner dance.

Each year the Tri Sigmas present a \$25 scholarship to an outstanding freshman woman.

Ardelle Dregne is the president for this year with: vice president, Mary Ruhland; treasurer, Laura Kiel; recording secretary, Mary Lou Strutzel; keeper of grades, Joann Hobbeck; faculty advisor, Miss Mary Williams; ed-

S Club
Backing sports at Stout in every possible way is the major aim of the S-club. This club is the official organization on campus for men who have won letters by competing in major inter-collegiate athletics.

This year, as in the past, the S-club is working especially hard to achieve its goal of promoting athletics at Stout. The first project of the club this fall was the publication of the football programs which were distributed at the games. The S-club also assist in directing the intramural athletic program and provides programs and concessions at basketball games.

Dad's day, a special event intended to honor the dads of the football players, is sponsored by the S-club every two years. Dads are feted at a bansuet and have special seats at the football game.

During the course of the year, the club also puts on a carnival. This is a festive occasion with booths, side shows, and concession stands.

In the spring the S-club sponsors three major events. The first is a smelt fry. The proceeds of the dinner are used to sponsor an athletic scholarship. The next is the White Elephant sale, a spot for bargain hunters at the all-school farewell picnic. The climax of the club's activities is the Athletics Awards Day convocation. Here awards are given to honor intermural and varsity athletics. A trophy is also presented to the outstanding freshman athlete of the year.

The officers for this year are: Wil-

Huskies Dump Bluedevils UMD Squeeze Out Win

UMD

Stout's Bluedevils lost to the U of Minnesota Duluth Branch 87-76 Thursday December 4th, in the high school gymnasium. Duluth's starting line-up averaged 6 foot 3.4 inches. With their abundance of height they were able to control the back-boards for rebounds, which played a decisive part in the final half.

First Half

Duluth took the tip-off from center, which set-up the opening basket and the first score of the evening. Stout came back to tie the game at 2 all, but dropped behind again 4-2 on a two pointer from the free throw line.

A this point the Bluedevils turned on the hot water, first tying the game at 4-4, then surging out in front 12-6. The Bluedevils at one point held a 18-10 advantage, but began to find the baskets harder to get. Duluth took the lead away from Stout at 26-24, but the Blue-White were never any more than two points behind Duluth. When the play ended in the first half Stout had tied the game at 35-35.

Second Half

Duluth took the opening tip-off but failed to score, then Stout took the lead on a field goal 37-35. Moments later Duluth again regained the lead to take a 41-41 lead. The second half proved to be a see-saw affair up until the end of the third quarter when Duluth began to pull ahead.

The final gun sounded with Stout on the losing end of a 87-76 score, Keith Moessner was high scorer for Stout with 21 points.

Home for Vacation

Freshman: "Can I go out tonight?"
Sophomore: "I'll be in at ten."
Junior: "I'm going out tonight."
Senior: "I'll bring in the milk."

ST. CLOUD

Tuesday evening the St. Cloud Huskies gained sweet revenge for last year's 99 to 96 upset as they crushed the Bluedevils 89 to 60 in a contest played at St. Cloud, Minnesota.

Led by Little All American candidate Baggenstoss's 24 points, the Huskies were never in trouble as they gained a comfortable 46 to 30 half time edge. As the game progressed the decisive victory became more evident and the final buzzer gave the St. Cloud team an 89 to 60 victory.

Stout made 22 of 37 attempts from the charity line as St. Cloud dropped 27 of 36 gift shots. Fred Seggelink left the game in the second half with five personels. Eleven of the Blue and White players hit the sloring column with Seggelink and Art Hanke going for double figures.

St. Cloud used its fifteen man team as eleven men shared in the scoring. Baggenstoss had help from Bambenck with 16 followed by Selisker with 12 and 5llens with 10.

Stout's guards were held to three points all by Moessner as Severson went scoreless for the contest.

WRESTLERS DROP TWO BUSS WINS AT ST. CLOUD

The Stout Wrestlers took fourth place in their first meet of the season at the Stevens Point Invitational. The U of W.J.V.'s squad took first with 35 points, Stevens Point was second with 25, followed by U of W. Milwaukee branch with 24 and Stout had 12 for fourth place.

At St. Cloud the Huskies made it a clean sweep of the athletic competition as they dropped the wrestling squad 27 to 3. Lyle Buss was the only winner for the Bluedevils.

McNaughton was over weight and had to forfeit his 123 pound match. Tubbs was pinned, Wiberg was pinned, Holobets lost on points, Zobj was pinned, Stephenson lost on points and Doane lost on points.

NORTHLAND MONDAY TO WINONA WEDNESDAY

NORTHLAND

December 15, coach Ed Kernan will bring his Northland College Lumberjacks to Menomone for an 8 o'clock non-conference tilt with the Stout state Bluedevils.

Last year the Blue and White dumped the 'jacks 76 to 63. Don Anderson, Bill Arnlisen, Weyland Barron, Nick Bystrom and Tom Wadinski will be back to avenge this defeat. Arntsen was their big gun last year averaging 12.7 points per game and is expected to give the Bluedevils trouble again this season.

This will be Northland's sixth game of the season as compared to Stout's eighth. The Blue and White should be able to pull this contest out for a win.

Coach Bostwick expects to go with his regulars and play his bench as circumstances permit.

Starters: Moessner Severson at the guards, Howard and Sorenson at the forwards and Seggelink at the pivot.

WINONA

December 17 the Bluedevils travel to Winona, Minnesota to do battle with former Stout coach Joe Gerlach's Winona State Teacher's College basketball team.

Last year the Blue and White split

FALCONS TOMORROW, FIRST W.C.C. TILT

Tomorrow night coach Page and his River Falls Falcons will offer the opposition in Stout's home opener for conference play.

The Falcons have had their share of losses to Minn. competition as have the Bluedevils. Neither has an impressive nonconference record.

River Falls has many of its last year's squad back. The Blue and White dumped the Falcons in both outings. One win was at River Falls, a feat for any team in the conference.

Starters for the Bluedevils will be Moessner and Severson at the guards, Howard and Sorenson at forwards and Seggelink at the center position.

With the opening of the team and students will all be looking for a win. Back your Bluedevils.

a two game series with the Peds winning the first meeting 81 to 69 and dropping the second contest 59 to 71.

Gerlach states that he doesn't have the power and depth that the Winona squad had last season. After the holiday's two transfer students will do much to bolster the team.

After Christmas vacation this same Winona team will offer the competition on a January 7 game at Menomone.

Then there were the two red corpuscles who loved in vein.

Statistics show there are three classes of coeds—the intellectual, the beautiful, and the majority.

MATMEN ATTEND THE WCC TILT HOST FALCONS

At 11:30 a.m. today the Stout Blue-devil wrestling squad will leave for Madison to participate in the Wisconsin College conference wrestling tournament.

The traveling squad will be Tubbs at 130, Wilberg or Toth at 137, Holobets a 147, Zobj at 157, Buss at 167, Stephenson at 177 and Raczek or Leu in the heavy weight division.

December 17 the River Falls wrestlers will invade Stout for seven matches. This will be the fourth meet of the year for the Bluedevils.

The 123 pound class will have to be forfeited again. At 130 will be either Tubbs or McNaughton. Wilberg or Toth will go in the 137 pound division. Holobets will hold down the 147 position and Zobj is in a 157.

Buss and Finnell will via for the starting nod in the 167 pound class. Stephenson will go at 177 and Raczek or Doane will be the heavy weight.

Time and place have not been confirmed as yet. This will be your first chance to see the varsity wrestling team in action at home.

Stout Celebrates Christmas

TAINTER HALL IS DECORATED FOR CHRISTMAS

Holly and bells, gay green trees and sparkling tinsel, nativity scenes and the sound of Christmas carols echoing through the halls proclaim to all that the Christmas season has arrived. Tainter hall has refused to be left out of the festivities and each of the girls has gone all out to make her room the brightest and most beautiful.

Windows have been painted with Christmas scenes and are extremely impressive to those who pass by. Some of the girls have even transported Christmas trees to their rooms and have them gaily decorated with presents piled around them.

Everyone seems to get the urge to stencil SOMETHING and so you find doors, bulletin boards, windows, mirrors, and anything else you can imagine, decorated in gay designs with artificial snow.

All who come to visit the dorm are welcomed by the cheery little Christmas tree found in the lobby. All three of the lounges have trees in them that the girls have decorated and the girls on second floor, north wing, made their kitchenette a pleasant place to be with a simple little tree decked out with artificial snow, blue lights and blue ornaments.

Tainter hall is truly a pleasant place to be during this holiday season. The girls should be congratulated on their original decorations and the true Christmas spirit which they have shown.

SCHEDULE FOR FINAL EXAMS IS RELEASED

All final examinations are based on a one hour limit. Examinations in all courses having more than one section are scheduled below. All classes will meet through Tuesday, January 19. Examinations in courses having single sections, graduate or undergraduate, are to be given Monday or Tuesday, January 19 or 20, whichever is the last meeting of the class. Exceptions to this will be those classes meeting regularly on Wednesday and Friday. Students having conflicts on the group schedule will take the subject of their classification first. (Juniors will take junior subjects first, etc.). The period 3:00 to 5:00 on Friday is made available for use in case a three subject conflict occurs. Reports on grades should be turned in at the earliest opportunity, at least 24 hours after the examination. All reports are to be in before the final deadline at noon Saturday, January 24.

Wednesday, January 21
8:00 to 10:00—Home Equipment (HE 333) 230 HH; English Composition (E 102a) 311, 411, 425, 426 HH; Activity Analysis (Ed 234) 32, 35, 37 BH; Audio-Visual Education (Ed 360) 14 lib.

10:00 to 12:00—Consumer Information (HE 317) 230 HH; Chemistry (Sci 125 and 115) 426, 411 HH; Food Preparation (HE 114) 423, 425 HH; Speech II (Sp 223) 32, 37 BH.

1:00 to 3:00—Int. to Home Economics Education (Ed 310) 423 HH; Trigonometry (M 213) 35, 22, 32 BH; Community Hygiene (Sci 442) 411 HH; Family Nutrition (HE 212) 230 HH; Home Furnishing (Art 334) 425 HH.

3:00 to 5:00—Algebra (M 209) 32, 35, 37 BH; Ed Evaluation (Ed 441) 22 BH; Clothing Selection (Art 220) 411 HH; Meal Management (HE 308) 426 HH; Family Health and Home Nursing (HE 318) 425 HH.

Thursday, January 22
8:00 to 10:00—Speech I (Sp 106) 32, 35, 37 BH; History of Americas (SS 407) 22 BH; Clothing (HE 218) 425, 426 HH; Marriage and Family (SS 326) 411 HH.

Continued on page 6

Christmas at Stout is celebrated in many different ways, as indicated by the picture above. Numerous trees have sprouted up around campus, as well as sales by the many organizations at school. Church groups are also busy with parties and carolling. The Christmas dance and program were also highlights of the week's festivities.

Stout Students Ask Santa Claus For Special Favors

Santa Claus is coming soon. Everyone at Stout is anxiously preparing their Christmas lists hoping that Santa will bring what they want most.

A survey was taken in the union on Monday to find out what the typical Stout student wants for Christmas.

The results are as follows:

Tim Toule—Crib notes for the chemistry final.
Ned McDonald—A letter from the lonely hearts club.
Oscar Brekke—Christmas stand for the \$100 tree he gave us—it's still

lying in front of the union.

Willy Foster—A litterbug pin
Dick Koenig—A life subscription to Playboy.

"Pookie" Albrecht—Tim Toule's excess weight.

Marge Rauwerdink—A smart person to sit behind during algebra finals.

Bernie DeRubeis—Charles Atlas' bodybuilding course.

Tom Sopata—A tap for the new union.

Sylvia Repal—Red shoes for her dancing feet.

Fred Hanna—A job for Christmas vacation selling Gillett blue blades

Rita Todd—Receipt for the sale of one smashed-up motorcycle.

Don Schlei—"All I want for Christmas is my one front tooth."

Gerry Porter—A sparrow feed and dust pan.

Alice Phelan—5 credits for unionology.

Carol Barber—A one-way ticket to Montana state.

John Banks—His own polka band.

Barb Dickinson—A life subscription to Good Housekeeping.

Tom Lowe—Glasses for Alcatraz.

Ron Young—"No Doz" pills for next year's Panhellenic Ball.

P.S. To all people on the above list: The Stoutonia is not responsible for any quotes given above. Blame your friends—they're responsible!

PRESIDENT FRYKLUND SENDS HIS CHRISTMAS GREETINGS TO ALL

It's Christmas time at Stout! Now, we are all well aware of the fact that Christmas comes every December 25th and I am sure that you've been counting very carefully the days until Christmas vacation begins. Today that magic moment has arrived.

Therefore, I want to extend to everyone who is in any way affiliated with the college my personal greetings at this most happy and blessed holiday season. It is my wish for you that Christmas may bring many gifts, especially enrichment of mind and spirit, as well as the conventional remembrances of the season.

So this long-awaited holiday begins. May all of us enjoy ourselves in the many ways appropriate to commemoration of this Holy Season and return refreshed to meet the challenges of the New Year.

Vernie C. Fryklund

LOVE FOR CHILDREN TEACHING REQUISITE

Within sight of Wisconsin's capital dome is a one room brick school house where the rural teacher of the young Mrs. Constance Elvehjem teaches 70 kindergarten students from the Ho-Farland school district.

Another Elvehjem, Pres. law Elvehjem, brother-in-law of Wisconsin's rural teacher, has chaired a school just a few miles north. He is the newly appointed head of the University of Wisconsin Extension ten-teacher Elvehjem lives on a 100-acre farm where university teacher Elvehjem was born. Her father was the oldest of the three Elvehjem boys.

"I love the farm," she says, "and I wouldn't want to live in the city."

A graduate of the two-year course at the state college at Oshkosh in 1918, Mrs. Elvehjem completed her work for a bachelor's degree at the National college of education at Evanston, Ill. She has done a great deal of work and attended summer sessions in classes, since receiving her degree at the state college at Whitewater.

Although she has no children of her own, Mrs. Elvehjem has been a teacher for young women considering teaching as a profession, "You must love children."

Says Sandra Wethel, a young girl who lives on a farm a few miles from school, "I love Mrs. Elvehjem because she's so pretty and her work is so nice. I want to be a teacher when I grow up."

It's a nice compliment from a 10-year-old teacher and it's a compliment. "I like everything about this school," says the youngest pupil, 10-year-old Danny Egner, who has a jar of four live grasshoppers to give to Mrs. Elvehjem.

On the teacher's desk are flowers and apples from other children. Gifts on a table in the corner were turtles, clover blossoms and daisies.

"Best gift of all is that love," says Mrs. Elvehjem. "I love them and I want them to love me."

There is ample evidence that they do.

U. OF M. GROUP TO PRESENT A LYCEUM JAN. 9

The University of Minnesota theater on tour will present The Rivals as a lyceum program at Stout auditorium on January 9 at 8:00 p.m.

During the past year the University theater at the University of Minnesota has leaped into international prominence by being selected to be one of the first of the university and college theater organizations to present touring productions overseas in cooperation with the United States government offices.

The production of The Rivals will

UNIVERSITY OF MINNESOTA THEATER GROUP

year follows in the winter of 1959-60 presenting the production of The Rivals literature for the first time in all University theater productions.

production will be brought here

Traveling in an air-conditioned bus, the company, complete with costumes and props, will bring a laughter filled program to the entire audience.

"ANALYSIS TECHNIQUE FOR INSTRUCTORS" BY FRYKLUND, TRANSLATED INTO CHINESE

Announcement this week that the textbook, "Analysis Technique for Instructors," by Dr. Verne C. Fryklund, president of Stout state college, is being translated into Chinese for use in the teacher training program in technical education of the Republic of Free China brings to three the number of his professional education volumes now in translation at the request of foreign ministries of education.

The Chinese translation is being done under the direction of the International cooperation administration as part of its service to the China Vocational Education association in Taipei, capital of Formosa. As such it will be a basic text used to set up teacher training in the area of technical education.

In 1958, President Fryklund's book, "Trade and Job Analysis," was selected by the Japanese Ministry of Education for translation as the basic volume in Japan's reorganized technical training program for teacher education. Dr. Fryklund had several years

earlier spent a number of months in Japan as consultant to the U.S. Secretary of Defense. During that assignment he had developed the training procedure for Japanese vocational schools.

The first foreign translation of a Fryklund textbook occurred in 1931, when "Principles of Trade and Industrial Teaching," done in collaboration with R. W. Selvidge, was translated into Russian for use in the technical education program of the USSR. That volume, however, received its maximum use as a text for training World War II instructors for the United States army, navy and air force. Following World War II, the book was revised and has again had wide acceptance in American schools.

Nationally-known as an author and educator, Verne C. Fryklund has written six books, which have undergone numerous reprintings and revisions. In addition, he is the author of 86 magazine articles, reviews, bulletins and other publications.

Your SSA Reporting

"For most college editors, academic freedom is a very tangible thing. While it is the subject of many coffee-time conversations, it also is a large part of our daily working lives.

"For the few who work on daily students' newspapers, unfettered by schools of journalism or deans who "just want to see how you are doing", academic freedom is easily translated into the right to say what we believe is true. This no only includes that right to comment on any subject we choose; but it also means our news columns have the right to report impartially, everything that happens in the college community.

"However, there are many colleges in the United States where the student's newspapers' freedom is suppressed.

"A campus which is immune to controversy, and self-censoring editors are contributing to such a situation, is a sick one. Students at large, who are not informed on current issues cannot be expected to have any feelings on those issues. They cannot be expected to care about academic freedom when their newspaper itself has signed away its freedom to doubt through "considered" self censorship.

We can expect only that the students at large will sink deeper and deeper into this feeling of security, the security that comes with dressing, talking, looking and thinking like everybody else. This, you must certainly agree, is not academic freedom.

"A silent press is the manifestation to a "silent age", and we have no other honest choice than to set the newspaper that is briefly ours against the tenuous fabric of national, institutional, and personal conformity. The sporadic reactions, as seen in fellow students' defending press freedom, provide a foundation of hope. On the campuses of our universities and colleges, traditional guardians of our basic liberties, must be found the solution to the dilemma that faces the American man as he moves closer and closer to collective security and farther from individual responsibility to himself, his nation, and to his God."

This article is condensed from another, written by Fred Bowledge, in the Student Government Bulletin.

I'm sure the freshmen remember those first hectic days on the campus during orientation! How could we forget what seemed to be such organized confusion? Many freshmen have expressed their opinions for and against the type of orientation they went through at the beginning of the year,

TRIBUTE TO A TEACHER

by Joy Elmer Morgan

The TEACHER is a prophet.
He lays the foundation of tomorrow.
The TEACHER is an artist.
He works with the precious clay of unfolding personality.
The TEACHER is a friend.
His heart responds to the faith and devotion of his students.
The TEACHER is a citizen.
He is selected and licensed for the improvement of society.
The TEACHER is an interpreter.
Out of his maturer and wider life he seeks to guide the young.
The TEACHER is a builder.
He works with the higher and finer values of civilization.
The TEACHER is a culture-bearer.
He leads the way towards worthier tastes, saner attitudes, more gracious manner, higher intelligence.
The TEACHER is a planner.
He sees the young lives before him as a part of a great system which shall grow stronger in the light of truth.
The TEACHER is a pioneer.
He is always attempting the impossible and winning out.
The TEACHER is a reformer.
He seeks to remove the handicaps that weaken and destroy life.
The TEACHER is a believer.
He has abiding faith in the improvability of the race.

TEA AND GORMET ROOM PROVIDE EXPERIENCE

Have you ever heard of the Tainter Tea Room or the Gormet Room and wondered what they were? Tea room is a class in applied home management and is elected by junior and senior girls. It is run in much the same manner as a regular tea room, but is operated at a nominal fee. Anyone connected with school and attending is a paying guest. A group of eight freshman girls are invited as guests each week to partake in the nice atmosphere and pleasant surroundings.

This year the large quantity foods class initiated a new project. Every two weeks they prepare a gormet meal. This serves a dual purpose. It

Continued on page 5

in which they didn't know if they were coming or going.

The SSA has chosen as one of its goals the subject of freshmen orientation, which is being studied by a committee made up of: Dean Cutnaw, Greg Trzebiatowski, Dave McNaughton, Phil Felland, Avis Dutton, Alice Kempen and Dave Oswald. The only way we can succeed in ironing out the kinks in this program is to harness as many good ideas from the students as possible. If you have any suggestions on the subject of freshmen orientation, give them to one of these committee members so their job of straightening out this program will be made easier. The SSA only succeeds with the help of the students.

CLUB news

Formal initiation for Alpha Phi was held at the Tainter hall tearoom on Saturday, December 13. New members in Gamma Sigma chapter of Alpha Phi are: Rita Bowman, Mary Diedrich, Ann Hedler, Sharon Horsh, Deanna Howell, Karen Kotts, Fern Krueger, JoAnne Schoemer, Jean Smith, Anne Thiel, Irma Thompson, Patricia Wenner, Sally Weiss, Sarah Williams, Keturah Antrim, and Dianne McKinnon.

Sunday morning the Alpha Phi's met for their Christmas Wrapping Party, an annual project of wrapping and giving gifts for needy families in Menomonie. Following their wrapping party the girls attended Sunday church services as a group.

Formal initiation for Sigma Sigma Sigma's fall pledges was held on Sunday, December 14 in Harvey Memorial.

Following initiation, the new members gave a delightful Christmas party at the home of Mrs. Alyce Vanek. A crackling fire, a beautifully-lit

Christmas tree and numerous decorations combined to make an ideal setting to enjoy holiday refreshments and songs. Tri Sigmas were pleased that Miss Hazel Van Ness could attend the party.

Preceding this party, Mrs. Vanek, Tri Sigma advisor, entertained the foreign students that attend Stout.

Keeping with the spirit of Christmas, Tri Sigma is sending a box of clothing to a needy family in Menomonie.

Merry Christmas to all and may your vacation be a happy one.

Highlights for the Delta Zeta sorority this Christmas season was the lovely "Desert Party" given on Thursday evening by the advisors, Miss Periman and Miss Knutson. Each one enjoyed the gathering. Also during the evening a standards meeting was conducted. A movie, "How to be a Gracious Hostess," was shown and followed by a discussion. Each member handed in two stuffed animals to be given to the Chippewa Children's Home.

The LSA held a joint Christmas party with the USF on December 14. Everyone enjoyed playing games, eating and worshipping in the Christmas atmosphere.

At the next meeting, Pastor Olson will begin a discussion on marriage. This meeting will be after Christmas vacation on January 11.

Let's all go and have fun worshipping and being with other LSA'ers.

When you marry, says Red Skelton, let your wife know from the start who's boss - there's no point in kidding yourself.

BRIAN HOWARD

HOWARD IN 4TH YEAR FROSH FORWARD STARS

With a record of two wins and three defeats handed to us by Minnesota collegees, we look toward our first Wisconsin teams to cut the cards in our favor. Brian Howard and Fred Seggelink can stack the deck as our fast forwards.

Brian Howard holds the scoring record at Chetek High School of thirty-nine points. He was high scorer in 1954-55 and basketball captain in '55'. Howard came to Stout from Chetek Wisconsin, and Stout has utilized his six foot four inch frame and the deft movement of his two hundred and five pounds on the polished floor for these last three years. In return Stout has given him three letters and an education.

Who came out best in the bargain is a question that is irrelevant, both gained much, one for four years the other for a lifetime.

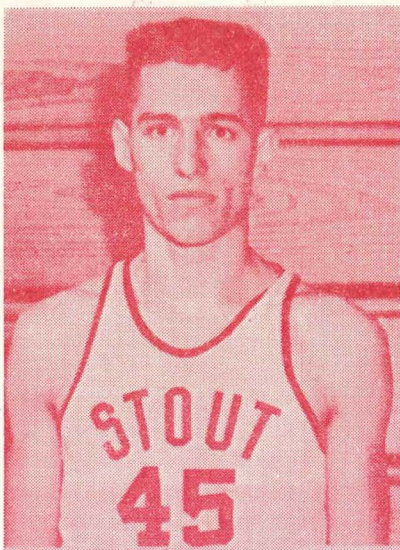

Fred Seggelink, a Neenah man, does not limit himself to forward position alone, but also plays the slot. He can do this with his six foot five, one hundred and ninety-five pound body and stunning speed.

At Neenah High School, Seggelink used his speed and height to win three letters in basketball and three in track. He made all conference and MVP his junior and senior years in basketball and holds Neenah's pole vaulting record of eleven feet six and three-fourths inches.

They say the height is an asset in the business world and a good person-

ality is essential for the social one. Then when two are found that fit the bill for both as well as Fred Seggelink and Brian Howard, there doesn't seem much of a chance for the rest of us.

P.S. I hear the qualifications for spectators are pretty low, all you need is a loud voice.

FRED SEGGEINK

STEPHENSON 3RD BUSS ADDS 4TH STOUT IS 7TH

Stout's grapplers placed 7th in the Wisconsin college conference at Madison last Saturday. U of Wisconsin copped top honors with a total of 46 points, followed by Carroll with 20.

Stephenson won the consolation honors in the 177 pound division. Stephenson pinned Engle of Marquette and lost to Barbour of Carroll. Barbour won the division title. Stephenson then moved on to win over Dorn of Stevens Point.

Lyle Buss was the only other Stout winner as he won his first round match over Douty of Stevens Point. Kruger of Carroll defeated Buss in the second round. Sheldon of UMW defeated Buss in the consolation match of the 167 pound class.

Stout had a total of 5 points, finishing above Beloit and Lawrence.

Bluedevils Win Pair From River Falls & Northland

NORTHLAND

In a home tilt, Monday night, the Stout Bluedevils trampled the Northland college Lumberjacks 104-73. Every player on the Blue-White squad saw action in the free-wheeling game which saw the bench strength playing the majority of the second half.

First Half

Stout never trailed from the opening jump until the final buzzer. Keith Moessner scored the first two tallies from the free throw line and was high scorer for Stout with 18 points. This was the closest the Lumberjacks came to the Bluedevils throughout the entire game.

Stout quickly ran the score up to 8-2, 10-5, 25-12, 36-22, 46-32, and 50-33. When the first half ended, the Bluedevils had a 50-33 lead over the thunder-struck Lumberjacks.

In the first half the Bluedevils sank 62% of their free throws to the Lumberjacks 41%. Stout hit on 45% of the field goals, but the Northlanders could only push 32% through the hoop.

Second Half

The Blue-White came onto the floor with blood in their eyes, seeming to sense the possibilities of topping the century mark. Sorenson, Seggelink and Severson pushed through a variety of shots, giving the Bluedevils a quick 60-37 margin.

The first string speedily pushed the score up to an unbelievable 80-47 toll. Then Howard, Sorenson, Moessner, Severson and Seggelink left the floor to sit out the remainder of the game.

From this point on the boys slowed down a bit with the Lumberjacks creeping up to a 90-61 deficit. The rooters cheered as Glenn Harke scored six points and Ott added two free throws, giving Stout a 98-67 lead.

Then came the momentous moment when Harycki let loose with the century score which gave Stout a 100-70 crowning achievement. When the final buzzer sounded Stout was on the top of a lopsided 104-73 victory.

	fg	ft	pf	pts
Howard	5	4	1	14
Peterson	2	2	0	6
Hanke	2	0	2	4
Kahl	0	2	0	2
Seggelink	7	1	3	15
Kindschy	3	2	2	8
Ott	1	2	2	4
Moessner	6	6	3	18
Harke	3	0	0	6
Harycki	1	0	2	2
Sorenson	7	2	3	16
Severson	4	1	1	10
Total	41	22	28	104

RIVER FALLS

Bluedevil cage fans were jubilant Saturday night as the Blue-White defeated the River Falls Falcons 75-70 in WSCC action. Team supporters were startled when Coach Bostwick's starting five was announced. Harke, Hanke, Sorenson, Howard and Seggelink took over the starting positions against the Falcons.

First Half

Seggelink and Olson opened the game with the jump at center which was controlled by River Falls. The Falcons took an early lead of 4-0 before Bob Sorenson slipped a field goal through the hoop. Seconds later, Sorenson flipped in a free throw to set the Stout cagers one point behind the Falcons.

Successive baskets by Sorenson, Howard and Hanke gave Stout a 10-8 lead which they relinquished only once during the first half. Hanke and Harke were replaced by guards Moessner and Severson and the Stout offense and defense were given a shot in the arm by their action.

With four minutes left in the first half, River Falls went ahead of Stout 25-24 only to be set back again by Sorenson's two pointer. When the half ended the Blue-White had an edge of 31-30 over the Falcons. Bob Sorenson and Brian Howard were standouts for Stout in the first half.

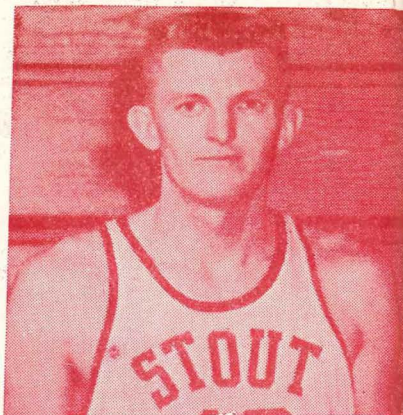

Second Half

Severson, Moessner, Howard, Sorenson and Kindschy were the starting five for Bostwick's cagers. River Falls started the half by shooting ahead of the Bluedevils 32-31. Seconds later Sorenson put Stout ahead again 33-32.

The lead see-sawed back and forth throughout the third quarter until the Bluedevils smashed ahead taking the lead 59-50, never to fall behind again.

Although the Falcons pulled within three points of the Bluedevils with 2:09 left in the game, Stout's hard-driving guard Keith Moessner put the game on ice with two free throws and a field goal. The exciting game ended with Stout on top of the Falcons and the conference, 75-70.

High scorer for the Bluedevils was Keith Moessner with 18 points.

JOHN PETERSON

PETERSON, KORPELA VALUABLE TO SQUAD

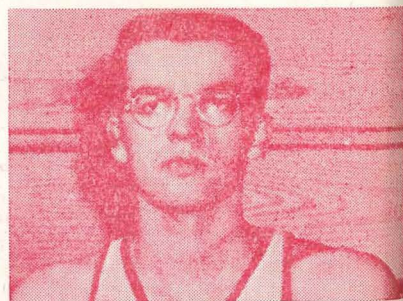

Experience is the word for two new Stout forwards who transferred from two different colleges. John Peterson and Gerald Korpela are helping in their efforts to urge the Bluedevils on to another successful season.

Sophomore John Peterson, a forward for Stout's bouncing Bluedevils, hails from La Crosse, Wisconsin. John attended La Crosse Central high school, although while in high school he did not participate in any sports.

Transferring from La Crosse state college this year, the Blue and White have gained a valuable player. While attending La Crosse, John took part in basketball and baseball, which also included a letter earned in basketball.

Helping to strengthen the Bluedevils at both center and forward is Gerald Korpela from Hurley. Joining the two other basketball players on our squad who played service ball, Jerry contributes three years experience of service ball.

Jerry also attended Gogebic community college in Ironwood, Michigan, for two years. In his two years at Gogebic the six foot five inch sophomore won two letters in basketball.

GERALD KORPELA

SEASON'S GREETINGS
MENOMONIE GREENHOUSE

BOB SORENSON AND RON KAHL BOOST STOUT'S CAGERS AT FORWARD AND CENTER POSITIONS

Hurrah for me! Last week's column forecast a double victory and that is just what happened. Of course it wasn't just my prediction that did it. The team itself put forth the effort to trounce both River Falls and Northland. In general, feeling was that the coach might pull a fan out of the stands so Northland could role up a few points. In that game both of the men on the block today played. Bob Sorenson started us off and Ron Kahl closed the gates on our resounding victory.

Bob Sorenson comes from the metropolis of Milwaukee. At Milwaukee

BOB SORENSON

East he earned letters in basketball and tennis. Sorenson was the high scorer in the Milwaukee city conference in 1954-55 and was voted into the all city team during the same year.

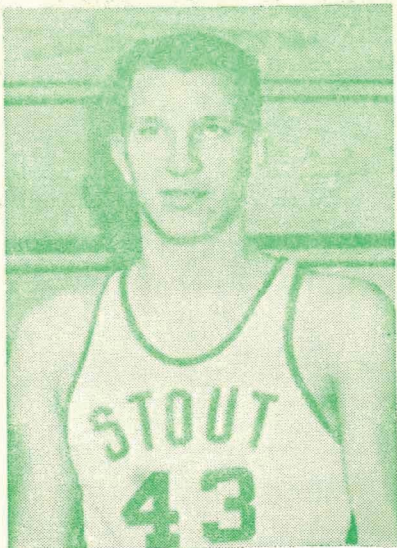

When Bob came to Stout he continued to pound the floor to the glorification and gratification of our student body. Here he has earned three letters in basketball and has been the leading scorer in many of our games.

Milwaukee now has three things to be famous for: the Braves, the beer and Bob Sorenson.

Ron Kahl stands forward as our forward from Antigo, Wisconsin. His six foot four, one hundred and eighty pounds made him all-conference and MVP in '58 at Antigo senior high. In Antigo, Ron was consistently good in everything. He made two letters in

basketball, two in football and two in track to make this handsome guy the school hero and much sought after, all around sports figure.

At Stout Kahl hasn't had much of a chance to distinguish himself in the

RON KAHL

sports arena because he is only a 'frosch', but we at Stout expect big things of this big man with the big potential. Ron Kahl is one to watch next year when the floor will pulse with his feet and the gym will quiver with the volume of a thousand voices heralding a new man for the basketball great of Stout.

PANHELLENIC COUNCIL

The Panhellenic Council at Stout state college is an organization made up of two persons and an advisor from each sorority on campus. Alpha Phi, Alpha Sigma Alpha, Delta Zeta and Sigma Sigma Sigma each have two Panhellenic delegates, one who may vote. Officers rotate among the sororities yearly.

Panhellenic was formed to build closer bonds of friendship among sororities, to establish rushing regulations for new members, and to provide an organization for group service to the campus and to develop appreciation of the national fraternity system.

The Stout Panhellenic Council meets twice monthly. Officers are Audrey Schroeder, president; Rita Casey, secretary-treasurer; Bo Brown, Ardelle Dregne, Margaret Shattuck, Peggy Handlos, Rita Anderson, and Gloria Walstad are delegates. Dean Cutnaw, Dr. Marshall, Miss Killian, Miss Knutson, and Miss Williams are advisors.

SIGMA TAU GAMMA

The oldest national fraternity on campus was started in 1946 as a local social fraternity and designated as the Phalanx fraternity. On November 20 in 1948, Phalanx became the Alpha Kappa chapter of the Sigma Tau Gamma.

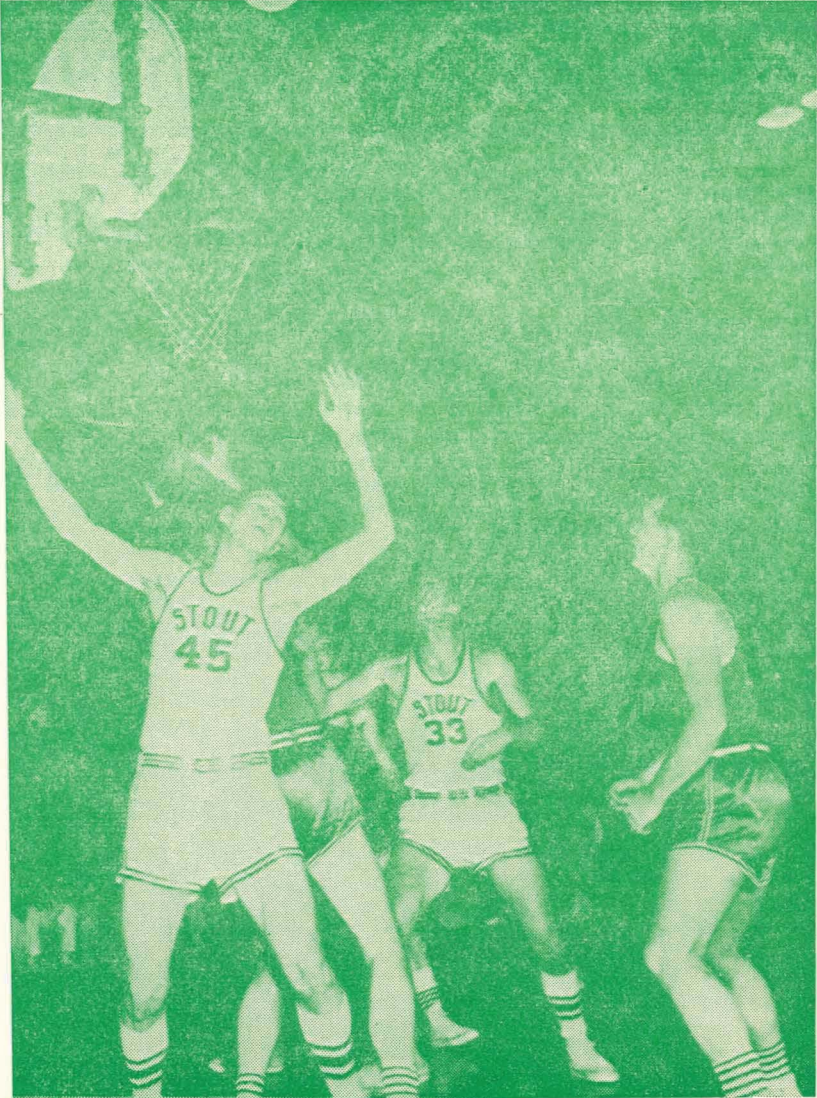

The fraternity accepts pledges first and second semesters of the year. The pledges, of course, can be quickly identified by the familiar blue and white helmet, sword and shield. The sword, shield and white rose are the national symbols of the fraternity.

To date the fraternity has 34 active members. Twenty of the members are staying at the Sig Tau fraternity house which was originally owned by the Wilson family. After purchasing the house in 1956 the fraternity men have done a great deal of remodeling such as the new recreation center that had a kitchen added to it last summer. The recreation area is used for a dining room and banquet hall part of the time.

Through the crammed school year the Sig Taus find plenty of time for social activities like skiing, hayrides, house parties, the pledge banquets and of course a Christmas party. They sponsor all school mixers after games and plan trips to the cities for a varied type of amusement. Also the group is very active in all school activities.

This year's officers are: Don Hoffman, president; Jerry Porter, vice president; Ken Held, treasurer; Don Stoddard, secretary; and Tom Rosenthal, sergeant at arms.

The advisors are Robert Swanson, Herman Arneson and Dean Jarvis. Last but not least is Mrs. Voight, the house mother.

Fred Seggelink shows off the latest ballet step in the River Falls game, as Brian Howard and an amazed Falcon look on.

TEA ROOM CONT...

gives the girls in this class a chance to prepare a meal that might sometime be served for a banquet. In addition to this it serves to teach invited guests to eat unusual or exotic foods which they may hesitate to order when dining out. Twelve sophomore girls are invited to attend this room every two weeks.

The atmosphere in both places is very relaxed and at the same time very gracious. Both projects are popular in both classes and among invited guests.

NEWS OF OUR ALUMNI

Audrey Grote (B.S. 1957), is teaching at Washington junior high school in Manitowoc, Wisconsin. Her address is 1316 Michigan Ave., Manitowoc, Wisconsin.

Howell high school, Howell, Michigan is the school at which John Hoffmann is teaching mechanical and architectural drawing. John, a 1957 Stout grad, lives at 821 So. Michigan, Howell, Michigan.

John H. Lurquin is teaching wood and drafting at Evergreen Park, Ill. A 1950 Stout grad, John is head of the Department of Industrial Arts and head of Audio Visual Aids in the 1000 student school. The Lurquins and their seven children live at 5019 W. 98th St., Oak Lawn, Illinois.

Teaching drawing, radio, and math, as well as acting as assistant football, basketball, and track coach, are all the duties of Kenneth C. Lehman (B.S. 1956). He teaches at Ceres Union high school in California. 3059 Tenth Street, Ceres, California, is the home address of the Lehman family.

Mrs. Lyl Borok (nee Lyl Maruska), lives at Glen Lake Sanatorium, Oak Terrace, Minnesota, where she is chief dietitian and director of the household. She graduated from Stout in 1917.

Home economics teacher at Waldo high school in Waldo, Wisconsin, is Mrs. Donald Holzschuh (nee Vera Torke, B.S. 1936). Riverview Drive, Plymouth, Wisconsin, is their address.

STUDENTS ARE HONORED AT ANNUAL DANCE

Christmas presents were given early last Friday night as outstanding students here at Stout were given special recognition by the senior class at the annual SSA Christmas dance.

Chosen to receive the honors were a deserving boy and girl from each class except the freshmen class. The awards for the freshmen were given to the class officers who will choose two outstanding students at the end of this year and present the gifts to them at that time.

Recipients of these honors were Beverly Madsen and Roy Sveiven from the senior class, Rosemary Aliesch and Wallace McCrum from the junior class, and Sarah Williams and Don Bilse of the sophomore class.

A committee made up of John Kasten, Jim Schnitzler, Jan O'Grady, Wilhelmina Claseman and Mary Tickler selected the students to be honored. They were chosen on the basis of those who had contributed much to their class and their school but who had received no special recognition for their work.

An engraved Stout recognition bracelet was given to each girl and a cuff link and tie clasp set was given to each boy.

Dancing was from 8 until 12 in the high school gym with Jack Pingle's orchestra furnishing the musical background. Delicious punch was served to all the weary dancers.

Delicate Christmas trees and soft lights provided the holiday atmosphere for all to enjoy. Joan Mayou was the chairman of the sophomore decorating committee.

Chaperones at the dance were Dean Cutnaw and Dean Price.

Stout students dance to the music of Jack Pingle and his orchestra at the annual Christmas dance held last Friday night in the high school gym.

DELTA KAPPA FRATERNITY HOLDS ITS NATIONAL CONVENTION; KAIN & FULCER REPRESENT CHAPTER

The Delta Kappa National Fraternity recently staged their national convention December 5 and 6 at Milton, Wisconsin. Jerry Kain and Pete Fulcer represented the Sigma chapter as delegates. Regular discussions and business meetings were held during the convention with all Delta Kappa chapters attending. All was not business, however, as the boys returned with some pretty tall tales of the time they had and as a result have us all waiting for the next convention, which will be held this spring in Merrillan, New York.

The election of new officers for the remaining part of the school year was the highlight of our last meeting. The

"honorable" Harley Peterson is our new president, with the following chosen as his supporting cast: Bill Ott, vice president; Fred Baue, secretary; Pete Fulcer, corresponding secretary; Dan Brey, treasurer; Jerry Kain, sergeant at arms; Bob Leu, historian; Don Sabatke, chaplain; Virg Gottwalt, alumni relations; and Don Stewart as publicity director and reporter.

The DK's are now in the process of sponsoring Christmas baskets for the needy families around the Menomonie area. This is a yearly undertaking by the fraternity and is certainly one of the most heartening. Keep up the good work fellows!

Stout Holds Winter Carnival

VOTING FOR CARNIVAL QUEEN OCCURS AFTER CONVO 599 MARK CHOICE

Skis, sweaters, ice skates and snow—these are the symbols of the winter carnival here at Stout state college. All of these things—except snow—are greatly in evidence around the college campus.

Campaigning for the winter carnival queen began early January 24 and ended with the climactic Winter carnival convocation. Five lovely girls, sponsored by the four sororities and the freshman class, were presented to the student body.

Enthusiastic sponsors made the convocation a little on the noisy side but it was fun for all. Each candidate looked as though she would make a perfect carnival queen and it was with a great deal of thought that the students marked their ballots.

Due to a motion just recently made by the SSA, campaigning was limited to the convocation on Wednesday. However, the organizations were allowed to serenade their candidates. Pictures were limited to those taken by the SSA. This is a new SSA ruling and the winter carnival is the first activity that followed these regulations.

Voting was from 10 a.m. to 5:30 p.m. on Wednesday. The ballots have now been counted but the final results will not be known until Friday night when everyone meets down on Lake Menomonie.

Everyone enjoyed the winter atmosphere and the tempting goodies that one found at the Queen's Tea on Wednesday afternoon. The five girls never looked lovelier and they did much to spark enthusiasm in the activities to follow.

TWO ADMINISTRATORS GIVEN TITLE OF DEAN

Two additional administrators of Stout state college here now have the title of "dean," according to an announcement made by Dr. Verne C. Fryklund, president of the college.

The men are Dr. Ralph G. Iverson, former director of student personnel services and now dean of student affairs, and Dr. Ray A. Wigen, former director of the graduate studies program and now dean of graduate studies.

"The title of dean was conferred because it is in keeping with responsibilities discharged by these two men," reported President Fryklund in his announcement. "Those responsibilities are vital areas in the educational endeavors of Stout state college."

BULLETIN BOARD

Does your housemother like to converse on fuel? What you need to keep you warm as toast on these "20 below" mornings is a nice, warm, fluffy quilt.

How can you get this quilt? It's really quite simple. For the past two days suckers were being sold in Harvey hall. All students who buy a sucker will be eligible to submit their name for a chance on the quilt.

This quilt is "hand made" as all the members of the Delta Zeta sorority helped to make it. The winner's name will be drawn at the Alpha Phi Sno Ball.

Because of the short week, this week's STOUTONIA contains only two pages. With all things returning to normal next week, your paper will once again be its usual four pages.

"Futureama" is the theme of the annual second semester Panhellenic rushing party set for Saturday, February 7. It will be held from 9:00 to 11:30 a.m. in the small gym.

Girls who are eligible to pledge are invited to attend the party. Prizes will be awarded for various costumes.

The committees are to be: general, Delta Zeta; decorations, Sigma Sigma Sigma; program, Alpha Sigma Alpha; and cleanup and food, Alpha Phi.

Anxiously awaiting the forthcoming weekend activities are Winter Carnival queen candidates Kathy Wigdahl, Sarah Albrecht, Nancy Fruit, Mary Diedrick and Lois Jacobson. Last year's queen Joanne Schoemer will crown the new queen Friday night at the lake.

Five Beauties Vie For Title of Carnival Queen

Winter carnival time is here again. Fun and frolic in the snow highlight this week end here at Stout. One of the biggest events is choosing a Winter carnival queen. The students of Stout state college are faced with a difficult decision as five cute and peppy gals are competing for the title. The candidates for this title are Sarah Albrecht, Mary Diedrick, Nancy Fruit, Lois Jacobson, and Kathy Wigdahl.

Sponsoring Sarah Albrecht is the

500 ATTEND CONFERENCE ON STOUT CAMPUS

Specialists with guidance responsibilities in five states had important roles in the all-day guidance conference held on the campus of Stout state college, Thursday, January 8. Over 500 guidance experts, school administrators, teachers, psychiatric workers, public officials and others attended.

Following greetings to the conference by Dr. Verne C. Fryklund, president of Stout, and R. W. Whinfield, secretary of the Wisconsin Personnel and Guidance association, the keynote address, "Guidance for the Future," was given by Dr. Francis C. Bamelin, assistant to the superintendent of the Robbinsdale, Minnesota, public schools and a prominent figure in guidance circles.

After the keynote address, 21 sectional meetings were available for the specialized interests of conference participants.

The conference concluded with a general session at which Dr. Gamelin summarized conference accomplishments.

SPRING M.A.P. PRODUCTION IS SELECTED

R.U.R., a fantastic melodrama with three acts and an epilogue, by Karel Capek, has been chosen for the MAP spring production. The play will be presented March 12, 13, and 14.

The thrilling and exciting fantastic play which will be cast primarily with men, is a good contrast to last spring's play.

Try-outs were held last Wednesday and Thursday nights individually in room 316. If you are interested in acting, directing, costumes, props, publicity, make-up or lighting, contact Dr. Lengfeld in room 316.

Alpha Sigma Alpha sorority. Sarah is a junior majoring in home economics education and hails from Neillville, Wisconsin. She transferred from the University of Wisconsin at Milwaukee her sophomore year where she was active in college band and choir. Here at Stout, Sarah is active in Home ec. club, her sorority, and was a former member of the Symphonic Singers. This brown-haired, blue-eyed miss enjoys sports of all kinds especially skiing, skating, swimming, sewing and art.

Mary Diedrick is being sponsored by the Alpha Phi's. She is a native of Menomonie. Her activities include Home ec. club, Newman club and her sorority. She is a sophomore majoring in Home economics education. Mary has brown hair and blue eyes and is often seen wearing her favorite color blue.

Nancy Fruit is a sophomore here at Stout and is sponsored by the Delta Zeta sorority. Nancy's spare time is spent working on the Stoutonia, cheerleading, WRA, Home ec. club, her sorority and Newman club. Summer sports rate high on her list and she especially enjoys swimming and water skiing. Nancy is a perky brown haired, brown eyed gal and comes from South Milwaukee, Wisconsin. She is majoring in Home economics education.

Lois Jacobson is a member of the Sigma Sigma Sigma sorority and is a senior here at Stout. She is majoring in Home economics education. Lois transferred to Stout from Worthington junior college in 1957, which is located in her home town, Worthington, Minnesota. This brown-haired, blue-eyed gal is active in her sorority and the International relations club and her hobbies include music and out-door sports.

Pretty, perky little Kathy Wigdahl is the candidate for Winter carnival queen sponsored by the freshman class. Kathy comes from Colfax and graduated from Colfax high school where she was very active in extra-curricular activities. At CHS she was FHA president, Pep club president, Homecoming Queen, and a member of the Prom court. She also served as a class officer and attended the FHA state convention. Here at Stout, Kathy is a member of the Home ec. club and LSA. Kathy has light brown hair, blue eyes and her favorite color is red. Her hobbies include skating and sewing. She is majoring in Home economics education.

These are the candidates for 1959 Winter carnival queen. It seemed to be a difficult choice facing the students at Stout state. Voting took place following their appearance at the convocation Wednesday morning and may the best girl win!

COLLEGE REGENTS POLL MARRIED STUDENTS

Among the married students at the 10 Wisconsin state colleges, 44 per cent have no children, 32 per cent have one child, 17 per cent have two children, five per cent have three children. Four student-parents have six children!

The college Regents questioned the married students this month to learn more about their housing needs. The Regents found that more than half of them live in privately owned rented apartments near campus and pay \$50 to \$75 in rent, including heat. One in 10 of the students live in his own trailer and one in 12 owns his own home.

Only eight students pay more than \$125 a month in rent. But almost one in three pay less than \$50 a month.

The colleges now provide housing for only one in eight of the students, mostly in temporary post-war barrack-like structures. The Regents are giving serious consideration to a plan for building limited married student housing on one or two of the college campuses. One-third of the married students have expressed an interest in such housing.

Married students on the campuses number 1,927 this fall, 318 women and 1,609 men. There are 316 freshmen, 356 sophomores, 478 juniors, and 777 seniors and graduate students.

The combination of marriage and a college career began after world war II among a large number of students and has never stopped. The "unusual" married student on campus before the war has become almost as common today as a college senior.

THE WINTER CARNIVAL IS HERE!! There may be a lack of snow in some areas but the cold and biting winds tell us that this is the time for all Stout students to come to the aid of the great outdoors and enjoy all the fun Old Man Winter holds in store.

"Fantasy in Snow" is the theme chosen for the 1959 carnival, ironic though it may seem. However, the winter enthusiasts here at Stout are not the fickle type. Snow will be transported in for the snow carvings if Mother Nature refuses to come through before Saturday.

Friday is the day that all this fun and frivolity begins. No doubt you will soon see some colorful sculptures, replacing the mounds of snow and blocks of ice. It you see some of your friends out there, why not go over and help them? You'll find it's a lot of fun to make snow carvings—even if there isn't any snow.

Darkness descends early on this winter wonderland, but it does not stop the winter carnival. Friday night everyone will meet down on Lake Menomonie behind Tainter hall. Here the fraternities will have their annual grudge fight, the sororities will have a tug of war across the slippery ice, and the skaters will compete to see who is the best.

Climaxing the evening will be the coronation of the new queen. Talented students will keep you laughing and make you forget the cold as they present their many and varied skits.

Does it sound like fun? I assure you that it will be. Come on out, back the SSA and your school and have a lot of fun doing it. See you there.

HOUSEMOTHERS OF CITY TOUR TAINTER HALL

Open house for housemothers of Stout state college coeds living in private homes in the city was held recently for a large group, meeting in Bertha Tainter residence hall. Miss Mary Frances Cutnaw, organizer of the housemothers group and dean of women at the college, acted as chairman of the event.

Main purpose of the gathering was the opportunity for housemothers to meet with Stout's housing committee, consisting of Dean R. G. Iverson, who heads all aspects of student affairs, and Dean M. M. Price, Mrs. Josephine Pierce, Miss Mary Killian, Mrs. Gertrude Adams, Mrs. Manilla Ohnstad, Wesley Pace and Dean Cutnaw.

Also taking the opportunity of meeting the guests was Dr. Verne C. Fryklund, president of the college, who was introduced to the group. Following refreshments, the housemothers viewed "Industrial Education in Your Future," a recent film describing the school of industrial education at Stout, and then enjoy tours of the residence hall with women students of the hall as guides.

Annual Mardi Gras Set For Next Saturday Night

Again it is Mardi Gras time at Stout state college. On Saturday night, February 7, the Chi Lambda fraternity will sponsor their second annual Mardi Gras ball. Music will be furnished by Bud Day's orchestra which will be appearing for the first time on the Stout campus. Admission will be 75 cents per person. The crowning of the Mardi Gras princess will climax the ball. The princess candidates represent various school organizations.

During intermission there will be an accordion duet by Sanford Erickson and Bill Niederberger. Alvaro Paniagua of Costa Rica will play a piano solo. These fellows are students at Stout.

In keeping with the traditional Mardi Gras settings, the dance decorations will be based around a French ballroom. Mardi Gras is nationally

known as a period when hundreds of thousands of citizens and visitors give expression to their festive feelings before the Lenten period of fast. It is a season marked by wholesome fun, spontaneous gaiety and feasting.

The big day of the Mardi Gras period is on Shrove Tuesday. From sunrise to sunset merriment prevails in all parts of New Orleans. On Mardi Gras day, a whole city plays in its streets. Masked individuals or groups make merry on foot or in vehicles. Street marching organizations parade to the music of lively Dixieland bands. Open house and street dancing are to be found everywhere.

These are just a few highlights of the festivities of the Mardi Gras season which the Chi Lambda fraternity will bring to our campus on February 7. Lloyd Hoeffner is general chairman of the dance.

THE STOUTONIA

Stout State College Menomonie, Wisconsin

Member Associated Collegiate Press

Printed and published by the students at Stout State College every Friday morning during the school year, except on examination days. Entered at the post office, Menomonie, Wisconsin, as second class matter.

The Stoutonia is a little more than just a newspaper; it is an educational experiment. It is written to inform, enlighten, and to give its staff members experience that conforms to good journalistic principles and practices. INDUSTRIAL EDUCATION DEPT. FEATURED IN "DELTA POWER TOOL INSTRUCTOR"

Featured in the winter issue of the education quarterly, "Delta Power Tool Instructor," is the school of industrial education of Stout state college. The quarterly is published by the Delta division of Rockwell Manufacturing and will be read by industrial arts instructors throughout the nation.

The three-page feature and photo layout traces Stout's origin from 1889 when Senator James H. Stout established his famous two-room public school "for the promotion of learning, skill, industry and honor" to the present college with an enrollment of over 1200.

The article quotes President Verne C. Fryklund of Stout in emphasizing the fact that in the curriculum of the college technical and academic preparation supplement one another, thus helping America avoid the plight of many nations whose poorer classes have no opportunity for the free technical and academic education which would prepare them to use available natural resources and thus improve their situation and that of their nation.

AFIF RETURNS TO INSTRUCT OWN PEOPLE

"Certainly I shall return to my country to teach. When a nation such as mine progresses in 10 years from having practically none of its citizens in high school, to the present situation where everyone can attend free of cost, the need for teachers is crucial."

Those are the future plans of Afif Hajir, student from Jordan, who at the end of last semester had completed a bachelor of science degree in industrial education at Stout state college. A resident of Bethlehem, Jordan, Hajir will teach in Jordan's trade school, which prepares instructors qualified to teach industrial arts in the high schools of that country.

In order to join the faculty of an industrial arts high school in Jordan, the instructor must have first completed three years of trade school and then a year in a teacher preparatory college. It was to such a teacher preparatory trade school that Hajir returned.

Afif feels that his Stout education will be valuable to him in developing industrial arts lesson plans for the students of his homeland. However, because Jordan has no actual industry, its industrial arts curriculum devotes less time to appreciating and understanding industry than does the American course of study, but more to safety habits, preparing intelligent consumers, skills and knowledge with which a graduate can set up his own small business and the constant attempt to train more teachers.

Only one element of American industrial education does Afif Hajir have little hope of transporting—at least for the present—to his small, relatively new nation. That element is the excellence of educational equipment in American schools, equipment which, he acknowledges, truly reflects the wealth of this nation:

"In America I see wonderful visual aids, highly educated faculty members, gleaming equipment," he concludes. "I shall return to a nation where many school children crowd three on a bench and the teacher may lack even a piece of chalk. But the difference does not create useless envy. Instead, we set for ourselves the goal that maybe someday our schools, too, will be all bright and shining."

Attention is also directed in the feature to the structure of Stout's new industrial technology curriculum, as well as to the long-recognized Stout industrial education major. Dr. John A. Jarvis, dean of the school of industrial education, is quoted on Stout's aim of developing in its students rapid and purposeful thinking in industrial effort.

The feature concludes by complimenting Stout's superior placement record, quoting President Fryklund on the current campus building program and describing Stout's enrollment from 25 states and 12 foreign nations as "undoubtedly the largest college-level program of its type in the world."

Faculty members pictured in shop scenes in the multi-page layout include Dr. Jarvis, Dr. R. Swanson, Dr. Theodore Wiehe, K.T. Olson and Jack Sampson. The public relations office of the college worked with a number of Delta representatives in developing the article, including William MacLachlan, a Stout graduate who is now school sales manager for the Delta division.

Llord's Puppets to be at Lyceum Monday Night

Daniel Llords

Daniel Llords, frequently called the "American ambassador to the puppet world-at-large," will introduce his one-man puppet extravaganza at the Stout auditorium on Monday, February 2 at 8:00 P.M.

Mr. Llords constructs all of his many marionettes (he uses over one hundred in each performance) in his Hollywood workshop; and costumes them in mink and ermine, when occasion demands and in expensive silks and brocades. Over a mile of special black thread is used to give life to these little people and to create a "world on a string."

The unlimited special effects—rain, snow, fire, water-playing fountains—and the menagerie of elephants, camels, peacocks and horses add the lavish note to the presentation. His is a program beyond description, with brilliant costuming, spectacular lighting and exotic scenery against a background of thrilling music timed to the most minute detail.

The Llords' puppets "International"—the concert attraction with color and spectacle, humor and artistry.

WIS. STANDARDS IMPROVED FOR H. S. TEACHERS

There has been some improvement in teacher preparation in Wisconsin in the past 50 years.

High school teachers are, almost without exception, four-year college graduates today. Some were university or college graduates 50 years ago, but most were either normal school graduates with the equivalent of two years of college or high school graduates who had taken six weeks of pedagogy and had passed a test.

A study of 166 Wisconsin high school teachers around 1910 showed that 55 were college or university graduates, 31 were normal school graduates, and 93 had "legal qualifications." The legally qualified teachers had passed a test after completing high school and at least six weeks of teacher training.

It was not unusual for young high school graduates to try to teach history, literature, or science in the schools which had just graduated them. Usually the poorly prepared teachers were in classrooms in small rural high schools.

The rural grade schools of 50 years ago were lucky indeed to have a high school graduate for a teacher. Many were taught by "irregulars" who were given temporary permits to teach.

Today there are fewer than 25 elementary teachers in Wisconsin with less than one year of college. Most of the 17,600 grade school teachers have a four-year degree.

Wisconsin's schools may be criticized for many things, but the progress in preparation of their teachers is not one of them.

FILMING GAMES GREAT HELP TO BOSTWICK

The saying "A picture is worth a thousand words" is a conservative estimate. This is the value Coach Robert Bostwick places on the filming of Stout basketball and football games by the audio visual center. "I don't believe coaches today can do a good job of coaching without film," he continues.

The audio visual center at Stout, under the direction of Dr. David Barnard, and with the help of Mr. Lloyd Whydolski, films the four home football games and two basketball games. Two motor driven cameras, each containing a 100 foot length of film are used alternately to follow the action and to film only the plays of each game. The film runs at a rate of 36 feet per minute, and when the 100 foot film load on one camera runs out, the alternate camera is used while the first camera is reloaded. A total of 600-700 feet of film is used per football game, and 1300-1400 feet is used for each basketball game. Tri-X film, a fast reversal type film is used, which requires only normal illumination.

The two main function of an athletic event film are to help your team find out what is wrong with its playing; and to find out the opponent's defensive patterns. Coach Bostwick states that the use of film is more vital during football season than during the basketball season.

"It is difficult to watch the defensive and offensive play of five basketball players," states Bostwick, "but it is impossible to watch the action and breakdown of harmonious play of eleven men on a football field."

Bostwick says, "A game is a test, but a film of the same game is a teaching device." After the filming of a game the film is sent to Eau Claire for processing, and within two days the film is in the hands of the athletic coach. Using a Kodak Analyst projector designed for the use of coaches, Bostwick previews the film, notes team corrections to be made, and shows it to the players. A third showing is in collaboration with the other coaches to determine the practice schedule for the week. An entire film or portions of it might be shown 20-30 times before it loses its effectiveness.

The use of film provides an opportunity for the player and coach to see what is being done wrong, and how it might be corrected. Watching a game to determine mistakes is more important for a team experienced with fundamental plays, than is actual practice which might be incorrect.

"The \$5.45 per 100 foot cost of film and processing plus transportation costs pays big dividends in the long run," Coach Bostwick declares. "There is no way to improve unless we can really see our mistakes."

CLUB NEWS

Newly elected freshman class representatives to the Stout Student Governing Board are Mary Lee Alexander and Dick Krake. These two students were elected at a recent class meeting. Mary Lee is from St. Paul and Dick is from Gillett.

Other freshman representatives are Alice Kempen, Tainter hall and David Oswald, Lynwood hall.

know your . . . kampus

The Stout Radio and Electronics club was organized for the purpose of gaining and pursuing further knowledge in the field of electronics. Although this club was primarily organized for majors in the electrical field, we encourage all students with interest in radio and electronics to attend.

The club may be divided into two groups. One; those interested in amateur radio and who would like to construct, study and experiment with amateur equipment. Recently a code study group was organized for those members interested in learning the international morse code for the purpose of passing qualifying exams for the Federal Communications Commission Amateur license. The club has an amateur radio station for use by all members who hold a valid FCC license. The call letters are W9CPB.

The second group are those interested in the various phases of high fidelity, audio equipment, and all other facets of electronics. Many of the members who pursue this section of electronics construct, study and experiment with practical electronic circuits along with building and improving sound equipment.

Each member has much to gain by the experiences and knowledge of his fellow members and may help others with problems they are confronted with.

The club is guided by Mr. Phillip Ruehl and Mr. Robert Spinti, instructors on the staff of Stout state college. Through their knowledge and experiences the members gain more advanced and personal instruction than can be possible under classroom supervision.

The club officers consist of the president, LaVerne Peterson; vice president, Richard Jinbo; secretary-treasurer, Dale Hammerschmitt, and chief radio operator, Phillip Ruehl.

Bluedevils Journey to La Crosse and River Falls

STANDINGS IN WISCONSIN STATE COLLEGE CONFERENCE

	W	L	Pct.
Platteville	6	0	1.000

La Crosse	3	2	.600
Superior	3	2	.600
Whitewater	2	3	.400
Stevens Point	2	3	.400
Stout	1	4	.200
Oshkosh	1	4	.200
River Falls	1	5	.167

Results
Stevens Point 87, Whitewater 44
Platteville 69, Oshkosh 54
Milwaukee 101, Eau Claire 100
River Falls 83, La Crosse 77
Superior 81, Stout 80

During the next week Stout plays two tilts away from home against La Crosse on Saturday, January 31, and River Falls on Tuesday, February 3. La Crosse is 3-2 in WCC action, and Ammerman is the Indians' big gun; he hit 29 points against both River Falls and Eau Claire.

The River Falls Falcons have been defeated once by Stout this season. River Falls is 1-5 in conference standings. Their only conference win was against La Crosse whom they defeated 83-77. In the La Crosse game Manley Olson scored 37 points for his season's high.

Stout's basketball team has four new players. They are Joe Giovanoni, 6-2 from Hurley; John Milalko, 6-2 from South Milwaukee; Marvin Hillman, from Menomonie; and Jerry Stauffacker, 6-6 who went to Stout for 1½ years before entering the service.

NEWS OF OUR ALUMNI

Donald Bredahl, a 1951 Stout graduate, is now head of the purchasing department of the Sundstrand Aviation corporation in Rockford, Illinois.

Mr. and Mrs. Orrin W. Conrad of West Bend, Wisconsin, announce the December 27 wedding of their daughter Betty, to Mr. William L. Tiefenthaler. Betty is a 1956 graduate of Stout and Bill received his B.S. from Stout in 1958. Both are now working toward their M.S. degrees. Mr. and Mrs. Tiefenthaler are both teaching at the Port Washington high school and vocational school. They live at 135 N. Moore Road, Port Washington, Wisconsin.

Lyle I. Landrum (M.S. 1949) is now advertising and sales promotion supervisor for Kimberly-Clark corporation at Neenah, Wisconsin.

Mr. and Mrs. Andrew Bartel (nee Carolyn Schauf, B.S. 1954) are parents of a second daughter born last July. They reside at R. R. 2, Chilton, Wisconsin.

Stella Timbers Blessington (B.S. Stout, 1924), received her Master of Arts degree from Western Michigan University, Kalamazoo, January 25, 1959.

Mrs. Clarence J. Soberg (nee Irene Christophersen, B.S. 1938), is home economics teacher and food service director at Chadsey high school in Detroit, Michigan. The Sobergs live at 1836 Carlyle, Dearborn 8, Michigan.

Mardi Gras Princess to Be Crowned at Dance

Seven co-eds, representing various school organizations, are princess candidates for the second annual Mardi Gras sponsored by the Chi Lambda fraternity. Candidates for the Princess title are Fern Krueger, Kay Koeper, Cathy Krupp, Barb Grover, Judy Gordon, Doris Damrau, and Mary Ann Sharkey.

Fern Krueger, a tall, slim girl from Portchester, Wisconsin, is Alpha Phi's candidate for Mardi Gras princess. In addition to her sorority, Fern is active in band, pep band, Gamma Delta and Home ec. club. Skating, swimming and sewing rate tops on her hobby list.

Alpha Sigma Alpha is sponsoring Kay Koeper as their Mardi Gras candidate. Kay is especially interested in art and sewing. Her campus activities include Alpha Sigma Alpha, WRA, STOUTONIA, TOWER, Gamma Delta and Home ec. club. This 5 foot 6 inch sophomore is from Racine, Wisconsin.

An education major from New Holstein, Wisconsin, Cathy Krupp, is Delta Zeta's choice for Mardi Gras princess. Cathy is Delta Zeta secretary, and a member of Newman club and Home ec. club. Brown-haired, blue-eyed Cathy enjoys sewing, reading and all summer sports.

Barb Grover of Galesville, Wisconsin, is the Mardi Gras candidate sponsored by Sigma Sigma Sigma. This 5 foot 4 inch coed with brown hair and brown eyes belongs to Home ec. club and Newman club in addition to her sorority. Barb, an education major, especially enjoys sewing, cooking, and music.

Art, dancing, skating and swimming rate high on sophomore Judy Gordon's list. Judy, a native of Chatfield, Minnesota, is vice president and chairman of Tainter hall, an MAP understudy and a member of Canterbury club. She is being backed by the sophomores at Stout.

Doris Damrau is junior class Mardi Gras princess candidate. Doris is active in her class and WRA. This home economics education major from St. Paul, Minnesota, likes sewing, cooking, music and sports.

Dark-haired, brown-eyed Mary Ann Sharkey is being sponsored by the senior class. Next year Mary Ann hopes to teach near her home town of Mosinee, Wisconsin. Besides being a member of Home ec. club and Newman club, Mary Ann finds time to ski, skate, water ski and read.

Bud Day and his orchestra will furnish music for the Mardi Gras ball in the high school gym from 8:30-12:00 p.m. this Saturday night, February 7. Admission is 75 cents per person. Stout students Sanford Erickson, Bill Niederberger and Alvaro Paniagua will furnish intermission entertainment, and punch will be served.

Lloyd Hoeffner is general chairman of the Mardi Gras. Other chairmen are Jim Teske, publicity; Conrad Wlynarek, tickets; Roger Reuther, decorations; Al Mattson and Bob Cannon, intermission; and Bill Bird, band.

MRS. COTTER APPOINTED TO STOUT FACULTY

The Stout faculty has been increased by appointment of a new person and several changes in teaching responsibility. Appointed instructor in home economics, with major responsibilities in institution management, has been Mrs. Betty Jean Cotter, the former Miss Betty Jean Snyder, daughter of Mr. and Mrs. Joe Snyder, 208 Tenth ave., Menomonie.

Holder of a master of science degree with a major in institution management for Kansas state college, Manhattan, Kansas, Mrs. Cotter earlier received her bachelor of science,

Mrs. Cotter

with a double major in dietetics and home economics, from the school of home economics at Stout. She then completed her dietetic internship in the University of Michigan hospital, and, in addition to her master's degree work, completed advanced courses at Iowa state college and Stout.

Mrs. Cotter comes to Stout from a position as head dietitian of the 481 bed Baroness Erlanger hospital in Chattanooga, Tennessee. She has also been in the department of administrative dietetics in Cook county hospital, Chicago, and in therapeutic and teaching work in Victory memorial hospital, Waukegan, Illinois. From 1945-47, Mrs. Cotter served as a dietitian in the U.S. Medical Corps, first in Fourth General hospital, Manila, and later in the station hospital, Okinawa.

Accepting teaching responsibilities on the Stout faculty for the first time will be Frank J. Belisle, registrar and placement chairman at the college since 1955. Formerly an administrator in several Wisconsin high schools, Belisle will teach "Principles of Secondary Education" in addition to his administrative duties.

Being offered for the first time in the Stout curriculum is "Industrial Psychology". This course, designed for students in Stout's new industrial technology major, emphasizes practices of business and industry in selection and placement of personnel, interviewing techniques and other on-the-job factors. Dr. Guy Salyer, professor of psychology and education, will teach the new course.

1,222 Make Registration Largest in Stout's History

An unusually high registration of new students for second semester has resulted in a mid-semester enrollment at Stout of 1222, largest second term student body in the history of the college. Last year's total at this time was 1131. Also announced by the college administration are appointment of a new teacher and several other new personnel assignments.

Of the 1222 enrollees, 712 are men and 510 are women. Of this total, 74 are males newly-enrolled at the college and 16 are women. By classes the totals are 405 freshmen, 216 men and 189 women; 269 sophomores, 131 men and 138 women; 229 juniors, 144 men and 85 women; 272 seniors, 177 men and 95 women; and 47 graduate

students, 44 men and 3 women.

However, of the 272 seniors, 62 are partially engaged in graduate work, including 30 women, an unusually high ratio of coeds working for advanced degrees. Veterans attending Stout number 248, two of whom are women. Tabulation thus far reveals enrollees from over 60 Wisconsin counties and 14 other states. Registration of foreign students is not yet tallied.

Stout's large second semester enrollment was achieved in spite of the fact that 40 persons graduated between semesters. Further enrollments will also be accepted for the second nine weeks quarter beginning March 27.

STOUT JOINS FORCES WITH SHOP MAGAZINE

Joining in a nation-wide experimental program which has been planned to develop a greater understanding of the practical aspects of utilizing improved design in industrial arts projects are Stout state college and School shop magazine, a national professional publication for teachers and administrators in the field of industrial arts.

The plan grew out of a recent feature article, "Design in Your Shop Program," by Wesley S. Sommers, assistant professor of industrial education at Stout and specialist in design on the faculty. Then, in a recent sectional meeting, Sommers invited teachers present to experiment with several design projects which had been encourage in his earlier article.

Success of those preliminaries has now led to development of the experimental program on design in which industrial arts teachers throughout the nation are being invited to participate. Such teachers will first receive a kit of materials appropriate to the design area in which they plan to take part.

"Design Newsletter" will then be sent to the participants, plus other newly-developed publications on various aspects of design. In mid-spring, cooperating teachers will each submit a summary of results of their experiments, reactions to the undertaking and suggestions. A final "Newsletter" in early summer will evaluate accomplishments and summarize suggestions.

Slonimsky Is To Present Convocation Wednesday

Nicolas Slonimsky, whom critics describe as a "one-man conservatory" will present the convocation program on Wednesday, February 11. This description results from the facts that Slonimsky plays the music, he writes it, he lectures on it, and he conducts it.

This unique and colorful figure came to America from his native Russia, via Paris. As conductor, he led

"All's Quiet on the Western Front" is the featured attraction tonight, February 6, at the Stout auditorium with showings at 7 p.m. and 9 p.m. The Newman club at Stout is sponsoring the movie and admission is only 35 cents.

Tonight from 7:00 to 9:00 p.m. the Panhellenic rushing party will be held in the Stout gym. The theme for the annual second semester rush party is "Futurama". Prizes will be awarded for various costumes. All girls who are freshmen and all transfers are invited. It was previously announced that the party was on Saturday morning but the date has been changed to Friday night.

LYCEUMS AND CONVOS BOOKED FOR SEMESTER

This semester Stout state college audiences have an enjoyable group of convocation and lyceum programs. These will begin on Wednesday, February 11, when Nicolas Slonimsky, a pianist, composer, lecturer and author presents his musical program of classical, romantic and modern pieces in an entertaining and humorous manner. The University of Minnesota Men's Glee club consisting of fifty voices under the direction of Norman Abelson will be on the program March 4. On April 15 Russell Curry, a lecturer, dance school director, author and entertainer presents a program on "what's what" in etiquette for college students. April 17 brings to us the lyceum program of the Grass Roots Opera which is a complete operatic production of "Die Fledermaus" sung in English with scenery, costumes and lighting performed by professional actors and singers. The final convo on May 6 will help us to develop a better understanding of the people behind the Iron Curtain as Neil Douglas presents his film and lecture titled "Russia—The New Face."

major European and American orchestras in programs of modern American music. As a lecturer, he appeared in many Latin American countries as well as the United States.

As a composer, he studied at St. Petersburg Conservatory but developed his own system of composition. Among his musical compositions is an orchestral piece entitled "My Toy

Nicolas Slonimsky

Balloon," which includes a hundred colored balloons to be exploded at the final climax.

As an author, he published a number of solid books including The Road to Music and Music of Latin America.

All of these facts plus his warm sense of humor, his excessive modesty, his loveliness, his charm and simplicity prove this will be a delightful program.

Occasionally things are brought to my attention which should be written in an editorial that are absolutely silly. A few of them have come up in the past few weeks.

One, which is as old as the hills is that of line breaking. Some students are just too lazy to get up in the morning to stand in line so they can be served first. Some students do it, only to find that a few people ahead of them are saving places, and they have been standing in line in vain.

Another topic which shouldn't even have to be brought up with college adults, is a rule you were taught to abide by when you were in grade school. Your elementary teacher probably spent an entire session explaining to you that you should not walk on grass. Perhaps we should hold another session for some Stout students, at this rate our campus won't be worth looking at come spring.

The third and last item for this editorial is this. The other night I went to Menomonie's theatre to enjoy a movie. After I had become seated I was astounded by the behavior of some childish high school students sitting in front of me. They were talking, giggling, and carrying on in ways which should not be in such a public place. You can imagine my further astonishment when I discovered that these were not high school students at all, but were students at Stout. If people have no pride in themselves, you would think they would have a little respect for the people they are with or what they represent.

Well, that's it. Silly aren't they? Yet that is what some Stout students are doing.

CLUB NEWS

The Canterbury club of Grace Episcopal church held its first meeting of the year on January 18th, to elect new club officers. The new officers are Don Test, president; Jeneene Johnson, vice president; Mary Cordy, secretary-treasurer; Virginia Webster, corresponding secretary.

There will be a brief meeting on Sunday, February 8 at 7:00 p.m. at the home of Mrs. Blackburn. All old and new students are urged to attend this meeting.

The Alpha Sigma Alpha sorority is busy making plans for Sadie Hawk-

ins week. Joan Braunworth and Sue Ingalls are chairmen of the activities. The sorority will also hold its annual tea during this week. Dorothy Braunworth is chairman of the Valentine tea. Planning for Stunt night are co-chairmen, Katchen Kubitz and Gloria Zitlow.

Last Sunday Wesley members participated in a progressive dinner. The large group divided into four small groups and then proceeded to go to different homes for various courses of the meal. Missions was the main theme of the evening. An impressive worship service climaxed the program. Avalene Drake and Louise Grant were co-chairmen of the program.

Selling suckers has been one of the chief goals of the Delta Zeta sorority during the week of January 26. Purchasing the suckers gave students an opportunity to win the hand-made Delta Zeta quilt.

The girls also discussed the Panhellenic rushing party and the costumes that will be made for this event. Judy Steiner read the rules of finance. At the close of the meeting, congratulations were sung to Ruth Isaacson, who was recently engaged.

MENOMONIE • WISCONSIN

Johnnie & Joannie Bluedevil

MEN

WOMEN

STRICTLY FOR

I guess the vacation is about over. The boss cracked his whip early this week, and here I am again, writing more dirt about some nice people on campus.

How does a student get in EPT? What puts him on the Dean's list for six successive semesters? It just plain hard work and study? Not according to John Kaster, who is also the president of the senior class. John attributes his success to the reading of MAD magazine. Whether he has a test the next day or not, when his magazine arrives he puts everything aside and does some real deep reading.

Another honor has been bestowed upon Stout's own Jack Sampson, who teaches general shop—he has had a horse named after him. If you don't believe it, just see Walt Disney's new production of "Sleeping Beauty".

Flash: Hardy Iida, one of the many Hawaiian students here at Stout doesn't like pineapple. That's almost as bad as a Wisconsin student who doesn't eat cheese.

It appears as if the FOB's have just been kidding the rest of the school with what they considered the old-fashioned pledge outfits they wear. As a matter of fact, come the next pledging period, their pledges will be one of the most up to date groups on campus. That's right, the derby is coming back into the fashion spotlight for men. It has already caught on in Chicago and Milwaukee, and has spread to Minneapolis.

Speaking of fashion, we can relax fellows, the woman's waist is back again. It may be unbelievable, but spring fashions put the waist in—all places—the middle of the body. I hear that most of the girls are in serious objection, because it means they are going to have to go on a diet to get rid of what the past fashions have been hiding.

know your . . .
kampus

The YWCA is one of the first organizations on Stout's campus. The purpose is mainly service. There are thirty-six members belonging to this organization. The club works to sponsor all school activities. It provides for its members' fellowship and recreation.

One of the activities that the YWCA offers is the Big-Little sister activities and tea which is held at the beginning of the college year. Plans are now on their way for the campus sister reunion, February 10.

One of the most waited for events sponsored by this organization is the Mother and Daughter banquet which is planned for March 7. This banquet is open to all Stout coeds and their mothers. It will be held at the Peace Lutheran church. More information and plans will be announced later in the Stoutonia.

Officers to lead this year's activities in the YWCA on campus are Carol Smith, president; Carol Heins, vice president; Donna Couillard, secretary; and Donna Enders, treasurer. The advisors for this organization are Mrs. Hattew W. Reneson and Miss Mary McCalmont.

NEWS OF OUR ALUMNI

merly from La Crosse, Wisconsin. He entered Federal civil service in 1951.

Mr. and Mrs. Richard Kasel and 18 month old daughter Cynthia, have their home at 313 5th st., Canby, Minnesota, where Dick (B.S. 1958), is head wrestling coach and metals instructor. Mrs. Kasel, formerly Cay Yentz, graduated from Stout in 1956.

A Stout graduate of 1957, Jerald Schoenike, is industrial arts teacher at Lincoln high school, Joint District No. 2, Park Falls, Wisconsin. He lives at 114 Fourth avenue south in Park Falls.

We are very sorry that during the past four weeks you have not been receiving the regular Stoutonia. As a matter of explanation, we would like to say that our equipment in the print shop has gone through extensive repairs. Then the regular semester examinations further delayed Stoutonia publication.

Now that we are back on schedule, you should receive your copy regularly again.

Irving R. Christenson (B.S. 1948), is sales engineer for the Young Ra-

diator company in Racine, Wisconsin. Irving, his wife and children Richard, Catherine and Susan, live at 3816 Lindermann ave., Racine, Wisconsin.

T. Ellsworth Felton, who lives at 120 Champion, Battle Creek, Michigan, is vocational auto mechanics teacher at the Battle Creek public schools. He graduated from Stout in 1956.

Administrative dietitian at St. Luke's hospital in Milwaukee, is a 1956 Stout grad, Ann Shemick. 2814 A West Lincoln ave., Milwaukee 15, Wisconsin, is her address.

562½ Jefferson st., Burlington, Wisconsin, is the home address of Mary Ann Urbanz. Mary Ann (B.S. 1958), is teaching home economics at Burlington high school in Burlington.

Machine shop instructor at the Maine Township high school is Walter W. Kratsch. Walter (B.S. 1957), lives at 1416 Henry ave., Des Plaines, Illinois.

Robert G. Christianson, electronics specialist, of Palacios, Texas, is attending the VOR Instrument landing systems course at the Federal agency's aeronautical center at Oklahoma City, Oklahoma. Robert was formerly employed as an electronics instructor with the Air training command. A 1950 Stout graduate, Robert is for-

FEBRUARY 14
IS SWEETHEART
DORM DANCE

Cupid's hide-away will be the theme for the traditional sweetheart dance at Bertha Tainter hall, February 14.

The dance will be held after a basketball game against Stevens Point. The sweetheart dance will be semi-formal and the girls will ask the boys to this dance. All freshmen girls attending college living in the dorm or in the town of Menomonie and their dates are invited to attend this dance.

General chairman for this dance is Alice Kempen.

Girls working on decorations are Jan Christansen, Cissy Ratner, Mary Manion, Nancy Dotseth, Margo Steber, Karen Lynn Johnson, Reva Fritz, Barbara Boero, Joyce Boberg, Elva Kay Paulsen, and Marilyn Mook.

Refreshments committee will be Mary Lee Alexander, Darlene Breheim, Diane Colby, Jane Shellian, Helen Hamlyn, Mary Benesh, and Jackie Jonak.

Working on publicity are Carol Muller, Judie Renner, Gale Wolff, Mary Konkel, Ruth Lorch and Martha Stoelb.

Serving on the entertainment committee will be Eleanor Harris, Cecilia Sheard, and Karleen Wiechmann.

Cubmaster Lorn Jaeger, Stout graduate, shows a group of Cub Scouts the principle of the platen press at the open house held in the school print shop during Printing Education Week.

JOKES

"Why are you wearing your glasses to bed with you?"
"I'm hoping to get a better look at that blonde I dreamed about last night."

Freshman: "How do you teach a girl to swim?"
Senior: "You put your right arm around her and take her left hand in yours . . ."
Freshman: "But, she's my sister."
Senior: "Aw, just push her off the pier."

Milwaukee Victor 92-84 Warhawks Dump Stout

WHITEWATER

The Bluedevils suffered their 3rd and 4th conference losses of the season in their two game trip. Whitewater took the measure of Stout 71 to 65 and the following night Milwaukee edged the Blue and White 92 to 84.

Fisher's 29 points paced the Whitewater squad in their victory. Stout trailed by only 2 points at the end of the first period, 16 to 14. Whitewater moved to a 36 to 30 half time lead. The Bluedevils held their own in the third stanza and were still down 6 points, 56 to 50. Both clubs garnered only 15 markers in the final quarter as the clock gave Whitewater the ending edge, 71 to 65.

Moessner's 13 points paced the losers.

Totals	26	13	28	65

**BLUGOLDS DUMP STOUT
SPLIT WITH WINONA**

Stout had a total of 28 personal fouls to the Eau Claire Blugolds' 17. This margin spelled defeat for the home team and gave them a 1-1 record in conference play.

The contest was a hard-fought, fast moving type of basketball. Tempers flared through the fading minutes of the contest as the Blue and White closed the gap. Brian Howard was injured and Seggeling left on fouls, and with two quick baskets Eau Claire

MILWAUKEE

Koensel led both squads with 25 points in Milwaukee's 92 to 84 victory over the Bluedevils. Bob Sorenson paced the losers with 9 field goals and 3 free throws for 21 points. The Blue and White again took fouling honors with 30 personals compared to Milwaukee's 18.

The Bluedevils were down by 3 points at half time as the score board read 41 to 38. The Milwaukee club had a well-balanced scoring attack with 5 of their 7 players hitting the double figures.

The loss dropped the Blue and White to a 1-3 conference record.

Totals	34	16	30	84

iced the game.

Stout Splits With Winona

The Winona Peds led by Don Behrens with 26 points blasted the Blue and White 90 to 65 at Winona. Brian Howard paced the home team with eight field goals and four free throws for a total of 20 markers. Stout led at the end of the first quarter, 25 to 21. Winona had the edge 48 to 44 at half time and 70 to 58 at the three quarter break. The Bluedevils were outscored 20 to 7 in the final period.

Stout Takes Second Winona Contest

Fred Seggeling led the scoring as Stout gained sweet revenge in their second contest with Winona. Seggeling dunked in 23 markers and Sorenson 16 as the Bluedevils romped to an 83 to 63 non-conference victory.

Klagge led the futile Winona attack with 18 as Don Behrens was held to only 11 points.

MATMEN DROP 2 N. D. WINS 20-19 TOP SUPERIOR

Stout's wrestling squad was busy during the time the Stoutonia staff was lying around just thinking of things to write. Our grapplers came out even with two wins, two losses, and a tie, to put Stout in a favorable light.

The Stout vs River Falls exhibition match gave us a 15-5 victory and brought McNaughton a four point win; Toth was pinned; Finnel won with six points; and Raczek with a pin. When the official match started, we didn't fare quite as well, with a 29-29 tie and leaving Tubbs a defeat on points, Stephens a sparkling 10 point win, Holobets won his match with a pin, Zobot lost on points, Buss won on points, as did Stephenson, but Doane, in the heavy-weight division, was pinned.

Stout vs North Dakota state showed the quality of our men even though we lost by one point, 19 to 20. The 130 lb. division was a forfeit by us, and though Tubbs, Toth and Zaboj were pinned to give North Dakota state their total of twenty points, they were stumped to produce any more from our heavy half. Holobets, Raczek and Doane each won with three points apiece, leaving Buss and Stephenson to make the two pins that left us one point shy of a tie.

Stout vs St. Cloud also left us with an open spot in the 130 lb. division that could have easily reversed the decision of 16 to 20 against Stout. Tubbs, Toth and Zaboj got too flat on the mat and were pinned. Holobets and Raczek both did us proud by immobilizing their opponents, while Buss and Stephenson won on points, with three apiece.

River Falls Upsets Stout La Crosse Wins 64-61

LA CROSSE

Last Saturday night Stout's Blue-devils came out on the short end of a basketball game at La Crosse. The Indians defeated Stout 64-61.

This was another one of those games which could have gone either way. So far this season the Bluedevils have come out on the short end of the score in 5 out of 6 conference games.

Saturday's game was another example, for Stout trailed by one point at the half and lead the scoring until the last three minutes of playing time in the second half.

In our coming home games for the ensuing basketball season, let's use our school spirit to help our team on to victory.

RIVER FALLS

Stout suffered a defeat Tuesday night at the hands of Don Page's River Falls team. The final score fell at Stout 66, River Falls 76. High scorer for Stout was Art Hanke with 21 points.

The first half was dominated by Bob Sorenson, as Stout bounded down the floor and kept even with the efforts of the opposition. Then things started to look better as the third quarter brought forth uncanny accuracy from Hanke as he sank five successful shots, leaving the Blue and White with a very slight lead. It was the fourth quarter that smothered the visitors as the basket eluded the best of shots to dump the Bluedevils for a loss.

MENOMONIE PHARMACY

Head fer the hills Guys It's Sadie Hawkins Week

PROCLAMATION

Hear ye, hear ye, all guys and gals of Stoutpatch. The Alpha Sigma Alpha sorority of this hear campus hereby gives forth with the following official proclamation.

Know all Stoutpatch men what ain't married by these presents.

Whereas there be inside our campus limits a passel of gals what ain't married but craves something awful to be so,

AND

Whereas there be in Stoutpatch plenty of men what could marry these gals but acts ornery and won't.

AND

Whereas we deems matrimony's joys and being sure of eating regular the birthright of our fair Stoutpatch womanhood,

We hereby proclaims and decrees, the February 15 through February 20 is

SADIE HAWKINS WEEK

To them as are new to our campus there are a few rules to follow:

1. All gals should go courtin' and if a guy is ketched he's gotta co-operate.
2. The gals has gotta go after the guys, but the males have to fetch the gals home.
3. Females has gotta open the doors, walk on the gutter side of the sidewalk, help the guy on with his coat, and do all other male courtesies.
4. Gals have gotta keep the men happy and amused.
5. Remember gals, the little things count. Also, compliments such as "My yare hair looks purty."
6. Pay for all entertainment, which includes chewin' terbacker and Kick-apoo Joy Juice.

Sadie Hawkins dance

WEEK OF 22ND FOR RELIGIOUS EMPHASIS HERE

"How well is may religion serving me," is the theme for Religious emphasis week, to be held at Stout beginning Sunday, February 22. This event is being sponsored by the Inter-religious council, according to Wallace McCrum, publicity director.

On Sunday, February 22, the church organizations on the Stout campus have been invited to sponsor some special observance or program which will deal with the theme. All students and faculty members will be invited to the church of their choice for this event.

Guest speakers, selected by local clergymen, will be featured in the auditorium on Monday and Tuesday evenings, February 23 and 24, beginning at 7:45. Following the main address, those in attendance will be divided into discussion groups. A coffee and social hour will conclude each program.

Religious emphasis week will close with a convocation in the auditorium on Wednesday morning, February 25, featuring a Brotherhood week speaker. Students and faculty are asked to watch for further announcements in the Stoutonia.

BULLETIN BOARD

An all school mixer will be held tonight following the basketball game between Stout's Blue Devils and Platteville. It is being sponsored by the Epsilon Pi Tau, Stout's national honorary scholastic fraternity. The dance will be held in the small gym. Cost is 20 cents stag and 30 cents drag. Refreshments will be served during the dance. Dancing will last until 12:00 p.m.

WANTED: Girls to try out for the style show which will be presented for the YWCA Mother-Daughter banquet on March 7 and for the Open house on March 20. Any interested girl who has a garment she has constructed in a clothing class is invited to try out in room 233 in Harvey hall, on February 17, from 3:30 to 5:30. Garments should be worn with suitable accessories.

The success of the style show depends on the number and the variety of garments modeled.

This is the chance for you to show off that clothing project!

This article is to give notice to all Stout's Dogpatch men what ain't married yet, to "take to the hills," 'cause the ASA's have proclaimed February 15 to 20 as Sadie Hawkins week. See'n as how there be in this

THE YWCA BANQUET FOR MOTHERS IS MARCH 7

"Queen for a day" is the theme for the annual mother-daughter banquet sponsored by the YWCA. This event will occur March 7, 1959, at 5:30 p.m. at Peace Lutheran church.

All Stout women students and their mothers or any other guests they may wish to bring are invited. Tickets have been on sale for the past week and will continue to be sold in the Harvey hall corridor for the next two weeks. Only a limited amount of tickets will be sold. The price is \$1.75 per person or \$3.50 for mother-daughter.

Chairmen for this social event are: general, Carol Heinz; decorations, Joyce Kersten; publicity, Avalene Drake; and tickets, Ellen Terry.

'CUPIDS HIDE AWAY' IS SET FOR SATURDAY

The theme for this year's Sweet-heart dance will be "Cupid's Hide Away." The dance will be held in Bertha Tainter main lounge Saturday, February 14, from 9 to 12. The girls will ask the boys to this dance and it will be semi-formal.

The main lounge of Tainter hall will be portrayed as a cafe scene. Red and white checked table cloths will cover tables with a dripped candle on the top of each table. Red and white streamers will be thickly hung to give it a wall effect. Hearts will line the walls around the lounge which the couples attending may take, if they would like, after the dance. Red soft lights will light the lounge sparingly.

The band that will be playing for the dance will be the Pied Pipers from Eau Claire. This group is made up of seven players from high school and college students.

The guests invited for this dance are President and Mrs. Verne Fryklund, Mr. and Mrs. Ralph Iverson, Dean and Mrs. Merle Price, and Dean Mary Frances Cutnaw. The chaperones for the dance will be Mr. and Mrs. Wesley Face and Mr. and Mrs. Philip Ruehl.

The general chairman of the Sweet-heart dance is Alice Kempen. Other committee heads are Judy Ratner, decoration; Jan Christensen, music; Karlene Wiechmann, entertainment; Darlene Breheim, refreshment.

The dance will be free to all freshmen girls living in Taintor hall and their dates. The date does not necessarily have to be a freshman. A small admission will be charged to those freshman girls living outside the dorm.

college a parcel of gals who ain't married yet, but crave somethin' awful to be advisin' you men to get out yo' runnin' shoes, cause thar ain't no whar safe anymore. All places even the library and union will be filled with gals ackin' to ketch one of us mere unsuspecting males.

Sadie Hawkins day was started by Al Capp in the Li'l Abner strip many years ago as a gag. It became a fad and is now firmly entrenched as a part of the American way of life.

It all came about through ultra-drastic measures taken by one Hekze-biah Hawkins, first mayor of Dogpatch. He was determined to get a husband for his homely daughter Sadie—the homliest gal in all them hills.

All the eligible males had eluded Sadie's clutches until Pappy Hawkins not only resorted to law, but he wrote it himself. He decreed that a foot race be run between all unwed men and maidens, and that any man caught by a girl must marry her. Well, Sadie showed a burst of speed and got her man—and Dogpatch got a new holiday.

Now, this simple legend wasn't confined to Dogpatch for long. Like all good things, it burst the bonds of make believe, and began to be re-enacted in real life.

At Stout, we are not only providin' you gals with a chance to take out the men you've been dyin' to hook all year, but also provides you men to be asked instead of all the time doin' the askin'. And gals who don't go along a courtin' at least once durin this hyar week will be bilatin' all the laws of Stoutpatch chapter and will be considered one mozzuble skunk. To help you gals akeep the men happy, the Alpha Sigs are sponsoring a mighty huge dance on Friday night with a marriage booth, a candy sale and a whole lot of other entertainment. You know the way to a man's heart is through his stomach, so get him plumb full of candy. Dig out your wallets, gals, fetch yo man a corsage, and jump into your best Daisy Mae outfit, 'cause thar is going to be some mighty nice prizes for the best dressed Stoutpatch girl, boy and couple. Yo gals can't forget your braids either. A Pigtail Princess will be chose at thar dance on Friday evening.

EDITOR APOLOGIZES FROM HIS HOSPITAL BED

During the last week the red coats invaded the domain of the STOUTONIA office, and a sorry editor was strung up by his thumbs and given 20 lashes with a cat of nine tails.

What for? He made a terrible mistake in the last issue of the paper. As he lay recovering in the hospital, he kept repeating over and over again, "I am sorry, I will see that it is corrected."

Well, here is the correction. The Phi Sigma Epsilon fraternity won the grudge game during the Winter carnival, and not the FOB's as was announced in last week's paper.

Workers begin to add outside fixtures to Stout's new student union which should be operating by June 1. It will include a snack bar, game room, several meeting rooms and offices, a large ballroom for banquets and dancing, lounges and audio-visual room.

Members of the Sig Tau fraternity collect money from a driver in a joint effort with the Delta Kappa fraternity to collect money for the March of Dimes. The combined efforts of both organizations came to \$360.

THE STOUTONIA CHEATING AND STEALING. . .

Stout State College Menomonie, Wisconsin

Member
Associated Collegiate Press

Printed and published by the students at Stout State College every Friday morning during the school year, except on examination days.
Entered at the post office, Menomonie, Wisconsin, as second class matter.

The Stoutonia is a little more than just a newspaper. It is an educational experiment. It is written to inform, enlighten, and to give its staff members experience that conforms to good journalistic principles and practice.

Most people give college students credit for being responsible, mature citizens. But we as future teachers and workers are not setting a commendable example. If we cannot be trusted, can we expect our students and children to be trustworthy? If we cannot write an examination fairly, can we expect our students to refrain from cheating? If we cannot be honest in our dealings with others, will others learn the lesson of integrity?

As college students, we should not even need be concerned about stealing and cheating. Yet every day notebooks, purses, umbrellas and other belongings disappear. Cheating, instead of being a shameful disgrace, is looked at by some as an art.

Perhaps we should re-examine our goals and ideals. Is a test grade worth the high price of lost integrity? Is a few dollars, "found" not really many hours of peace of mind lost? We must not forget our responsibilities to ourselves, our parents, teachers, and future students. We must ever keep in mind the importance of integrity.

SILLY STOUT STUDENTS. . .

Last week I thought that I had caught up on most of the silly things which don't ordinarily have to be brought up to college students. I was wrong however, as another one has been brought to my attention; and every time another one is brought up, it shall merit space in the STOUTONIA under the same heading "Silly Stout Students."

The student union at Stout is provided as a place where students can get together with one another for enjoyment or just plain having a gab session.

The library at Stout provides a place where students can go to use the book and facilities for studying.

It is simple enough—one is for talking and enjoying yourself, and the other is for studying. Why can't some students realize that and when they enter the library have the decency to remain quite so as not to disturb the many students who have come to put in an honest effort to get some work done?

JOKES

In a kick, it's distance.
In a cigarette, it's taste.
In a rumble seat, it's impossible.

A lady opened her refrigerator one morning only to find a tipsy little man sitting in there on the oranges.
"What are you doing in here?" she demanded.
"This is a Westinghouse, ain't it?" he drawled.
"Yes."
"Well, I'm westing."

Man's interest
In a woman's knees
Rises and falls
With the breeze.
And then there's the fellow that offered the girl a scotch and soda and she reclined.

MENOMONIE • WISCONSIN

CLUB

Phi Upsilon Omicron, the women's honorary fraternity on campus, proudly received six new members this semester. Four girls from the sophomore class and two from the junior class became new members of this society.

Pat Choitz, Jean Smith, Ann Thiel, and Mary Lou Weiking are the sophomore girls and Dorothy Grundmann and Kay Vanda are from the junior class.

Congratulations to these girls for their work here at Stout both in the scholastic and extra-curricular fields.

Sigma Sigma Sigma is pleased and happy to announce that seven new girls are now wearing the pledge pin of Sigma Tri. These seven new pledges are Mary Herber, Sheboygan; Alice Johnson, Menomonie; Ruth Sahlgren, Geneseo, Illinois; Ellen Terry, Northfield, Minnesota; Carlotta Tichy, Greenwood; Carole Waterstreet, Kewaunee; and Karen Wichmann, Waseca, Minnesota. Our congratulations to these girls and other new pledges.

Members are now completing plans and working on their skit to be presented at the annual FOB Stunt night.

Soon Tri Sigmas will be taking orders for corsages for the mothers attending the Mother-daughter banquet. Don't forget to ask your mother, and don't forget to get her flowers.

On February 4, 1959, the graduate men of Stout held an election of new officers for the second semester. The meeting was called to order by president J. Luy at 9:30 a.m. in room 122 of Harvey hall.

The first order of business was the election of Roger Brennan to succeed J. Luy as president. Dick Johnson will succeed P. Jackson as vice president. R. Sherer will succeed T. Pagel as secretary-treasurer. The new executive committee consists of Zluticky and J. Luy.

The program for second semester was discussed and a vote was arrived at to give the executive power for appointment of future committees. All members are reminded to watch the graduate bulletin board for the

50th FOUNDERS DAY IS CELEBRATED AT STOUT

The fiftieth anniversary and Founder's day of Phi Upsilon Omicron was celebrated by twenty members of Stout's Tau chapter of Phi U with the University of Minnesota's Alpha chapter on Saturday, February 7, on the Minnesota campus.

Present for the celebration were 175 girls from South Dakota, North Dakota, Wisconsin and Minnesota. Mrs. Rebecca Gifford, national president-elect of the alumnae chapters, was guest speaker at the banquet at the Clifton Union on the Minnesota campus. A tour of the home economics department of the University of Minnesota and a coffee hour were also part of the activities.

bronze plaque which will announce the future meetings. A good program is planned and all graduate men are encouraged to attend.

On Monday night of this week, the Arts and Crafts club held their annual election of club officers. The ex-president, Keith Koch, retired in good faith to John Gilsdorf. Mike Bachler took over as vice president, Jim Loomis as secretary, Ray Gerrits as treasurer, and Al Fisher as librarian. The new officers took over immediately after the election.

Alpha Phi's have been wearing their new light grey blazers the past two Thursdays. Recent activities of the sorority were the Snowball dance on Winter carnival week end and the Panhellenic rush party. Alpha Phi came to the rush party wearing "futurama bonnets." At Thursday night's meeting, Fern Krueger was congratulated by her sisters on becoming Mardi Gras Princess.

On Tuesday, February 3, eight new members were accepted into WRA. They are Janet Christianson, Barbara Bertaand, Karen Moore, Karen Luckensmeier, Jan Erickson, Mary Heuer, Marilyn Dahlem and Mary Manion. At the present time Sharon Hanson is leading the basketball tournament. The next sport will be bowling with Kathy Thuli as sports leader.

NEWS OF OUR ALUMNI

Edward M. Claude (Dip. 1925), is a nominee for president of the American vocational association. Edward graduated from Stout, Colorado state college, and did graduate work at the University of Alabama and Bradley university. Besides teaching, he has been a member of the State board of vocational education in Alabama, of the U. S. Office of education, and had been Chief of trade and industrial education in Illinois for the past 13 years. 1710 S. Lincoln, Springfield, Illinois, is his address.

It's a boy, Steven Robert, for Mr. and Mrs. James Mau. Steven was born November 30. Both Jim (B.S. 1957), and Pat (nee Pat Ryan, B.S. 1956), graduated from Stout. They live at 1609 Ninth Ave., Bloomer, Wisconsin.

Mr. and Mrs. Stanley Suk (Stan, M.S. 1958; Mary, formerly Mary Rezek, B.S. 1958), are the proud parents of a baby son, Richard Joseph. Ricky arrived on January 10, 1959. The Suks live at 37 Hermosa Ave., Apt. 4, Hermosa Beach, California.

Department chairman and instructor of printing at Lincoln Park high

school, Lincoln Park, Michigan, is a Stout grad, Donald R. Sargent. Don, who received his B.S. in 1952, and M.S. in 1953 from Stout, resides at 1873 Lake View, Trenton, Michigan.

1954 Stout grad, Betty Jane Kleber, is teaching at Wabasso, Minnesota. Her address is Box 163, Wabasso, Minnesota. She plans on being married this June.

Martin J. Bradly, who attended Stout in 1914, and returned to receive his diploma in 1923, has a cabinet shop in the Ozark mountains. He has spent his lifetime designing, teaching and making fine furniture. Martin and his wife live at R. 2, Box 62, Mountainbury, Arkansas.

We are very sorry that during the past four weeks you have not been receiving the regular issues of the STOUTONIA. As a matter of explanation, we would like to say that our equipment in the print shop has gone through extensive repairs. Then the regular semester examinations further delayed STOUTONIA publication.

Now that we are back on schedule, you should receive your copy regularly again.

ALLOCATION OF \$11,469 GIVEN FOR LOANS HERE

Recent allocation to Stout state college of \$11,469 in National defense student loan funds will make available much needed money to be lent to students, 50 per cent of which need never be repaid by the student who will, after graduation, teach five of the first ten years following completion of college. In general, loans are made on a three per cent basis with a ten year limitation.

Announcement of the substantial allocation to Stout was made in a recent communication to Dr. Verne C. Fryklund, president of the college, from Dr. L. G. Derthick, U. S. commissioner of education. According to provisions of the National defense education act, administered by the U. S. office of education, allotments were made to individual states, which in turn allotted the funds to the individual colleges that will administer the loans to students.

Individual colleges participate in the program, first, by establishing a fund equal to one-ninth of the federal grant. Each college will then decide which students are to receive loans, giving preference to those of superior ability who plan to teach. The amount of each loan is limited to need and funds available and cannot exceed \$1,000. Emphasis is placed upon the fact that it is possible for high school upperclassmen planning to attend college, as well as students already in college, to qualify for loans.

In considering any candidate for a loan, a college will also consider parental ability to assist the student, the student's own assets and the normal cost of attending the college. However, administrators of the fund stress the fact that the loan is not to be considered a "handout" given only to students absolutely without any money. Instead, the money is a legal loan to any qualified student who has financial need.

To qualify, the student must file an application for a loan from National defense student loan fund, be in need of such a loan, be considered a student of promise, file with the commissioner a required affidavit, and sign an oath of allegiance to the United States. No member of a subversive organization is eligible.

Explaining the structure of a linear amplifier for the "ham" radio transmitter on the campus of Stout State College is Philip Ruehl, (center, holding instruction sheet), as he is observed by Robert Spinti (center), instructor in electricity at Stout, and three foreign students of 21 visiting educators participating in a special seminar. The students (L-R) are Ichwan Hariadi, Spyros Kontoravdis, the two teachers, and Demetrius Kontopiadis.

Stout Is Chosen As the Site of a Special Seminar

Chosen as the site of a special seminar which the U. S. office of education, under the direction of the Department of health, education and welfare, is sponsoring for foreign teachers of industrial arts has been Stout state college. Beginning specially-arranged classes which compose the seminar are 21 visiting educators, twelve from Vietnam, seven from Greece and two from Indonesia.

According to Robert Spinti, instructor of industrial education at Stout and campus adviser of the visiting group, "All seminar participants are proving eager to learn American instructional methods and welcome the opportunity of using modern educational equipment, much of which is often not yet available to them in the schools of their homelands."

A number of seminar members have already had teaching experience, especially in electrical fields, before visiting America. Some, however, are being given the opportunity of participating in the seminar as special final preparation before they assume the responsibilities of first teaching positions.

The visitors, who were carefully selected and prepared for their American experience, are making good adjustment to both the college and the community, Spinti reports. No applicant was permitted to come to Stout unless he had, in Washington D.C., proved himself able to pass tests of educational aptitude and language competency. Seminar members are encouraged to speak on all occasions.

During their stay at Stout, which

will extend through the approaching summer session, the visiting educators will travel on field trips to schools, industrial plants and electrical installations throughout this area and to several industrial centers in the state. At the same time they will attend the following seven special Stout classes, taught by these Stout faculty members:

Analysis techniques for instructors, Dr. Robert Rudiger; auto mechanics, Edward Morical; cabinetmaking, Dr. Robert Swanson, Dr. Peter Christianson, K. T. Olsen and Edwin Dyas; drafting, Edwin Siefert and Wesley Sommers; electricity, Philip Ruehl and Robert Spinti; English conversation, Miss Gertrude Callahan; and metalworking, Floyd Keith, Wesley Face, Harold Halfin, Dick Klatt and Marvin Kufahl.

He: "I wish I had a nickel for every girl I've kissed."

She: "What would you do, buy a pack of gum?"

Mardi Gras Princess Fern Krueger receives the crown from last year's princess Pat Choitz.

FERN KRUEGER IS CROWNED PRINCESS OF THE MARDI GRAS AT ANNUAL DANCE LAST SATURDAY

Fern Krueger of Dorchester, Wisconsin, was crowned Mardi Gras princess by 1958 princess Pat Choitz at the Chi Lambda Mardi Gras ball, Saturday evening, February 7, in the high school gym. Doris Damrau, Judy Gordon, Barb Grover, Kay Koepfer, Cathy Krupp and Mary Ann Sharkey made up the royal court. Fern was sponsored by the Alpha Phi sorority.

An old French ballroom formed the scene of the dance. At approximately

11:15, the newly-crowned princess pulled the magic string and a mass of balloons floated down from the simulated crepe paper ceiling.

Mike Sucharski was intermission master of ceremonies and entertainment was furnished by Stout students Sanford Erickson, Bill Niederberger and Alvaro Paniagua.

Chaperones for the Mardi Gras were Chi Lambda advisors Mr. Ziemann and Mr. Nitz and their wives.

Bob Lew is at the height of action in the Alpha Sigma Alpha sorority, Delta Kappa fraternity annual grudge game. The Alpha Sigs used feminine ingenuity and pulchritude in defeating the D.K.s.

MATMEN HOST STEVENS POINT SATURDAY

Saturday, February 14, the Stevens Point wrestling team will invade the lower gym for a dual meet with the Bluedevils. The contest will start at 4:00 p.m. Weigh-in time on Friday is 5:30 p.m. in the training room.

The Blue and White will have new men in three weights with Dick Anderson at 130, Don Keller at 157, and Bernard Kaine at 191. The other positions will be Myron Tubbs (1-6) at 123, Phil Stephens (1-0) in the 137 class, Jerry Holobutts (4-3) weighing 147, Lyle Buss (5-2) at 167, Leon Stephenson (5-2) in the 177 pound class and Bob Lew (0-1) in the heavy weight division.

The Bluedevils have been in two multi-school meets with the Pointers. In the WSC meet at Madison and in the Stevens Point Invitational at Stevens Point, the Blue and White finished both times below the Pointmen.

Gene Sorenson, considered by many to be one of the best wrestlers in the conference, will be in the 177 pound class for Point Saturday.

This will be the last home meet for the Stout team. The remaining schedule is River Falls, Winona, Superior, conference meet at Stevens Point and the NAIA at DeKalb, Illinois.

STAUFFSCHER, MARV HILLMAN, JOE GIOVANONI

Stout was fortunate to acquire three new additions to our basketball team this semester. They are Joe Giovanoni, Marve Hillman and Jerry Stauffschier.

Joe Giovanoni is a Hurley, Wisconsin boy and earned a letter in baseball, football and two in basketball at Hurley high school. As a senior, he was all conference as his six foot two, one hundred and eighty pounds came pounding down the floor. After graduation he entered Gogebic community college where he played basketball to add another letter to his collection. Now he is at Stout and is a welcome addition to the team that stands first with us.

Marv Hillman also reaches the six-two peg and accumulated six letters at Menomonie high in both basketball and football. His one hundred and ninety pounds come in handy when the way gets rough in this non-contact sport. When he left high school behind, he noticed a large sign in front of the post office with a pointed finger and the word YOU. Marv took the hint and found himself 'mit fraulines playing baseball for our dear old uncle. Now he must sign a few extra papers every registration day, but Stout appreciates the experienced hands.

Jerry Stauffschier also heard the call, but not before he racked up two letters apiece in basketball, football and track at Monroe high. He kept in shape in service by sinking a few now and then, and never suspected that this would become a habit. With a name like Stauffschier, it was natural that he would like to hear it far and wide, so he turned out for the football team just to hear the weird pronunciations. For his service, two letters were put at his feet, but time taught. Now he is back in the under shirt and shorts again, just so his name—how ever you pronounce it—can come over the mike as unintelligible gibberish. All kidding aside, we're glad to have your six foot six height, two-twenty pound body, and two big feet on our side.

Loop Leading Platteville, Pointers Invade Stout

PLATTEVILLE

Tonight Bluedevil basketball fans will have an opportunity to view one of the nation's top-ranked small college basketball teams. Platteville, spouting at 7-1 conference record and still smarting from last week's 98-68 defeat at the hands of Milwaukee, will invade the home lair. Tip off time will be 8:00 p.m.

Until their stunning upset on the Milwaukee home floor, Platteville had ground through the WCC lineup without a hint of a letdown. A week ago they were ranked 19th in the international small college listings. With only four games left in loop play the invaders will be out for the win.

Platteville will feature guard Jim Davis who led their attack against Milwaukee last week with 22 points.

Schroeder is leading the conference with 152 markers and Kruschke is fourth with 125 points.

Possible starters for tonight's contest are Harycki, Sorenson or Sorenson in the back court, Peterson, Howard or Hanke at the forwards and Korpela or Seggelink at the post.

STEVENS POINT

Saturday evening at 8 p.m., in the high school gymnasium, the Stout cagers will play against Stevens Point. This game will be the first of the remaining four games this season for the Bluedevils.

Last week end the Pointers played St. Norbert in a hard-fought and exciting game. St. Norbert beat Stevens Point 83-80 in two over times.

The regulation game ended at 76 all and then went into the double over time. Sam Anticiffie was high scorer for the Pointers. Anticiffie hit the hoop for 35 big points to help the Pointers' losing cause.

Last week the Bluedevils were idle. This week end, go out and yell, scream and cheer the Blue and White on to victory. A strong cheering student body can make itself felt in the fighting spirits of the Stout basketball team.

For the seniors as well as the remaining student body, this will be one of the remaining times for them to see Stout in action. This week end, make yourself heard and cheer our team on to another victory.

S-Club Carnival Is Set For 1:00-5:00 Tomorrow

Stout's annual S club carnival, to be held Saturday afternoon, February 21, from 1 to 5 p.m., will offer students and faculty a choice to try their hand at carnival amusements. Several organizations are preparing booths for the occasion.

Alpha Phi sorority will feature "A penny for your toss" booth. Participants will win prizes by tossing coins on a dish floating in water.

"Wood butchers paradise" is the theme of the Chi Lambda fraternity booth. The game is a test of might—patrons will earn prizes if they can drive nails into a timber with a set number of hammer blows.

Members of the Delta Zeta sorority will be messenger girls Saturday. Their project is to deliver "telegrams" in Menomonie Saturday afternoon. Their booth will be devoted to this message service.

Newman club's booth will be a ball tossing fiesta, where patrons will attempt to toss balls through holes in the top of a barrel.

Dart throwing skills will be tested by the Phi Omega Beta booth with prizes going to the accurate marksman.

The Sigma Tau Gamma fraternity offers the chance to earn double or nothing. Tossing money on a floating saucer and pounding in nails will challenge those with an adventuresome spirit.

The sophomore class is sponsoring a sponge throwing contest at the carnival. Patrons may take out their grievances by tossing sponges at some popular men of the campus.

This is just a small sampling of what is in store for you when you attend the annual S club carnival. Remember, that's tomorrow a terno from 1 to 5 p.m. in the small Stout gym.

SEVEN STOUT COEDS TO ATTEND CONVENTION

Today and tomorrow, seven coeds from Stout state college are representing the Home Economics club at the eighth annual Province convention. Province is a convention of home economics club members from Illinois, Iowa, Michigan and Wisconsin. Chicago, Illinois, was the city chosen for the event.

Alice Schweizer was chosen by the Home Economics council to be Stout's candidate for a Province office. Province officers are rotated each year by the states. President Opal Kunz and President-elect Jo Salm are also attending the convention. Deanna Howell, Jean Smith and Beverly Voight were appointed delegates to Province by the Home Economics council. All three of the girls will be chairmen of standing committees for the club next year.

Nine Stout coeds attended last year's meeting and they all agreed that the enthusiasm gained for home economics was one of the most rewarding aspects of Province.

PHI OMEGA BETA FRATERNITY TO SPONSOR MIXER AND MILK BAR NEXT SATURDAY AND THURSDAY

Bring out your dancing shoes. There'll be a good old fashioned polka band at the mixer sponsored by the FOB's after Saturday night's game against Eau Claire. That's right, polkas and old time music are to be featured. Herr Schmithaus will provide the music and a good time will be had by all. The admission is 25 cents stag and 45 cents drag.

Bring all your friends to the small gym Saturday night—that's the 21st after the game. We'll see you there dancing up a storm.

Sadie Hawkins Dance Is To Be Held Tonight

Well, tonight is the big Sadie Hawkins dance sponsored by the Alpha Sigs, whar them thar females what has ketched themselves a man is goin' to show them off by puttin' on their purdiest Dogpatch outfits and comin' and really havin' a ball.

As you know, this here Sadie Hawkins bit has been goin' on all week and the men has just about been pooped out from all the chasin' ago in on. Some of them what headed for the hills has plum got away, but the big majority has been caught by them thar Stoutpatch women. So let's co-operate tonight boys and dress up in your fanciest dogpatch outfits and git dragged thar by that purdy female what ketched ya.

For admission a guy has to git measured around the waist and fer gals is smart, you'll git a skinny one fast. Fer them of you what's been left out it's 20c stag, so come anyway and

February is Dairy month, or perhaps we should say Milk bar month. Usually in Wisconsin, we consider June to be dairy month, but the FOB's have revised the calendar and are sponsoring a Milk bar Thursday night, February 26. This event is being held in the small gym. After all Wisconsin is America's dairyland and we should support the farmers and better our health by drinking milk—nature's most nearly perfect food.

Let's help rid America of its surplus of dairy products. Attend the FOB Milk bar on February 26.

have a good time.

Ifin the gals have a likin' fer long pigtails they'd better sit right down and git busy braiden their hairs so's that they kin enter the Pigtail Princess contest tonight. One thing to remember is that ya don't necessarily have to have the longest pigtails.

If ye in an especially good mood you kin even git officially married by an Stoutpatch preacher and its all legal like cause there's agoin to be marriage license's sold.

It's officially Sadie Hawkins' week 'til 12 tonight so make that gal of yourn git ya plenty of them goodies what is goin' to be available at the dance such as candy, popcorn, and kickapoo joyjuice.

And gals, if you don't have a man yet you'd better git on your track shoes cause the dance starts at 8:30 tonight so you don't have much time left.

ELVEE, BISHOP, ARE SPEAKERS DURING R.E.W.

Richard A. Elvee and Leo K. Bishop are keynote speakers for Religious emphasis week, February 22-25 at Stout state college. The Inter-religious council with the cooperation of the student religious organizations on campus have made arrangements for the Religious emphasis week activities.

On Sunday, February 22, the student organizations sponsored by Menomonie churches will introduce the Religious emphasis week theme "How well is my religion serving me?" at their respective churches. Students and faculty are urged to attend the activities arranged at the church of their choice.

Dr. Richard A. Elvee, pastor of the Central free church of Minneapolis, will speak Monday and Tuesday evenings at 7:45 in the Stout auditorium. Each of his addresses will be followed by "buzz sessions" in which students selected by participating organizations will serve as moderators. A coffee hour will close each evening's program.

Dr. Elvee has degrees from Alma college, Alma Michigan; University of Michigan; and the University of Buffalo, New York. He has been a pastor, college president, seminary teacher, and is now president of the Israel-American institute of biblical studies in Jerusalem, Israel. Elvee has traveled in the Near East, visiting the Bible lands and has visited Athens, Greece, and Rome, Italy.

As a finale to Religious emphasis week, Leo K. Bishop of the National conference of Christians and Jews, will speak at a convocation, Wednesday, February 25.

Dr. Bishop, who is vice president of the National conference of Christians and Jews, holds degrees from Phillips University, Columbia University, and the University of Chicago. Bishop assisted in the organization of World Brotherhood in Europe, and toured Greece, Turkey, Syria, Lebanon, Jordan and Israel. In 1957, he spent the summer at the University of Mexico with a group of American students studying intercultural relations.

Gerald Anderson and Sally Allman from Eau Claire, extreme right and left in the picture, talk with Bill McKinnon, Pat Wenner and Marlys Pettis, all from Stout, at the recent Student Government convention held at Stout last week. The participating schools were River Falls, Eau Claire and Stout.

STUDENTS TO SATISFY CURIOSITY OF MECHANICS; ROBOTS ARE FEATURED CAST OF SPRING PLAY

EVENTS OF THE WEEK

Ever seen a robot? Ever want to see one?

The play, R.U.R. is of special interest for students at Stout state who may wonder sometimes about mechanical devices of the future. This Czech play by Karl Capek is a melodrama in three acts and epilogue. It is a social satire about the mad world when robots take man's power into their own hands. Although the scene is on a fantastic island, one may imagine that it could happen here. Is it possible that man, through his own accomplishments (scientific, commercial, psychological) could destroy himself?

This is unusual theater—and the students working on the settings will have some surprises for the audience. Other departments as art, shop and music are cooperating very well with the dramatics department. Playing organ music between acts will be Bill Catlett. Assisting Tony Pollino as stage manager are Philip Hansen, Tony Alswede and Wendell Carlson. Anne Marie Dahl is publicity chairman.

This is the last call for those who wish to work with backstage activities—stage crew, make-up, properties, costumes and lighting; on publicity, or to be robots in the play. Leave your names in room 316, Harvey hall.

Dean Kirk Receives a Year Appointment In India

"Having had a part in the progress and growth of home economics in five American colleges and universities has been truly satisfying. Now I'm privileged to help bring that opportunity to a new nation."

That's the philosophy of Dr. Alice J. Kirk, dean of the school of home economics at Stout state college, as she adds to her busy schedule the many details preparatory to beginning a one-year appointment as a Home economics specialist for the government of India. The board of Regents of Wisconsin state college recently approved Dr. Kirk's acceptance of the challenging appointment, made possible under terms of a contract between the Indian government, the U. S. International cooperative administration and the University of Tennessee, the institution chosen to represent participating home economics educators from leading colleges and universities.

On June 1, Dean Kirk will conclude, for one year, her administrative duties in Stout's school of home economics and will then travel by plane and steamship to New Delhi, where on July 1 all participating home economics specialist must be in readiness for several weeks of orientation. Each

specialist is part of the select group because of the breadth of her educational preparation and proven ability to carry forward a new program of university-level endeavor. The credentials of all have been approved not only by the government of the United States and India, but also by the Indian universities with which they will work.

Dr. Kirk admits that there are certain distressing aspects of leaving Stout and her many friends to travel

DEAN KIRK

to unfamiliar surroundings. The most difficult adjustment, she feels, will be breaking for a time her association with members of Stout's home economics faculty, whom she regards as the most competent staff with whom she has ever worked. But she also finds stimulation in what lies ahead.

"My career as a home economist has always offered new scenes and new challenges," Stout's dean readily admits. "In fact, that's one of the reasons I encourage young women to enter the field. Now I've got a wonderful opportunity to prove to them once again that what I've been saying is true."

Enjoying themselves during the intermission at the Freshman Sweetheart Dance are left to right: Alice Kempen, Lyle Buss, Linda Goodman, Jay Wagner, Ann Holzhueter and John Mihalho. The semi-formal dance was on Valentine's Day in the main lounge of Tainter Hall.

SWEETHEART DANCE IS RATED BIG SUCCESS

The warm atmosphere of Cupid's HideAway made the Freshmen Sweetheart dance a tremendous success Saturday, February the fourteenth at the Bertha Tainter hall.

Music was furnished by the Pied Pipers from Eau Claire. The Pied Pipers is a group composed of college students. They played selections of varied tempos.

Soft red lights gave accent to the prevailing feeling of the sweetheart dance.

Making the dance complete were heart shaped cookies and red punch.

LETTER TO THE EDITOR . . . LET'S SUPPORT EVERYONE . . .

"A divided house cannot stand!" You don't have to know a vast amount of history to know that this is true. However, it seems that many organizations on this campus do not believe an established fact.

What do organizations gain by failing to attend dances that other groups on campus sponsor? Do they like to see an empty gymnasium when they put on a dance or sponsor a money making project? Stout state college would easily have the best social life calendar of any school IF that each time there was a planned activity everyone, regardless of the social organization they belonged to, would make plans to go to a dance rather than planning on staying away from it.

A fraternity on campus recently sponsored a very fine dance on this campus. Their advertising efforts will be hard to surpass, the Menomonie gym was cleverly and uniquely decorated, and last but not least, the band played music one could dance to. YET, not even one third of the student body attended.

In unity there is strength; let's all of us wise up to the fact that the Golden Rule is still the best motto. In case you've forgotten it, it goes like this, "DO UNTO OTHERS AS YOU WOULD LIKE THEM TO DO UNTO YOU."

CLUB NEWS

The Married Lutheran Students Association (MLSA) will meet at 7:30, Sunday evening, February 22, at Peace Lutheran church. Guest speaker will be Judge Peterson of Menomonie who will speak on "The Legal Aspects of Marriage."

Potluck supper for observance of Valentines day and welcoming of four new pledges to the Delta Zeta sorority was held on Thursday, February 12 at Eichelberger hall.

A short meeting was held during the evening to discuss plans for 'Stunt Night.' At 8:00 p.m. informal initiation was held at the Harvey memorial room. The new pledges for Delta Zeta are Judy Dies, Edgerton, Wisconsin; Diane Fencil, Sun Prairie, Wisconsin; Candy Sjaggerud, Menomonie, Wis-

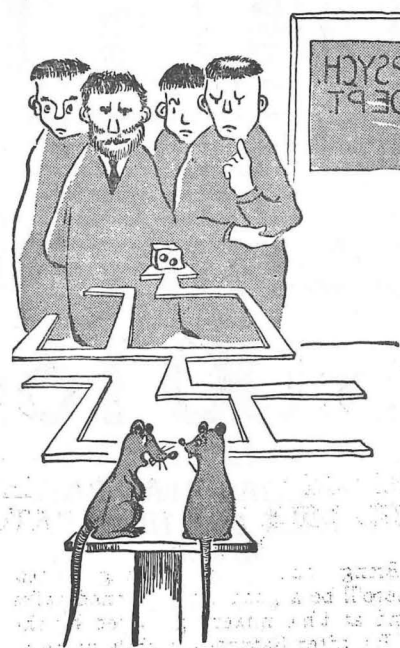

consin; and Carol Stallard, Minneapolis, Minnesota. A hearty welcome and congratulations are extended to each of the new pledges.

At a recent meeting of Phi Sigma Epsilon an entire new slate of officers were elected. These newly elected officers will hold their positions until next January and are as follows: president, Donald Anderson; vice-president, Fran Lamer; secretary, Bob Dosedel; treasurer, Gene Smigelski; alumni secretary, Harry Watts; sergeant at arms, Roland Lundin; historian, John Simons; sunshine treasurer, Joe Myric.

Seeing hell week is drawing near, pledge parties are again a major item on the agenda. Previously stag parties were held and last Friday a date party was held. Members, prospectives and their dates attended the Stout-Platteville basketball game and then following the game they all attended a group party.

Last week the Phi Sigs were out in full force to serenade the pinning of Carol Stallard to Eddie Birch and the past pinning of Peggy Handlos to Loren Johnson. The Phi Sigs proceeded to Tainter hall and Eichelberger clad in their red jackets and carrying torches. All members present formed a great triangle and lit their torches. The pinned couples were then called out and a solemn ceremony followed. The ceremony consisted of a short speech explaining the purpose of the serenade, corsages were given to the girls, the best of wishes to the couple, and the actual serenade. At the conclusion of the final song it was hummed and the torches were put out in specific order and the serenaders silently marched away.

The Rev. P.T.C. Blackburn of St. Paul gave the address at the Universal day of prayer for students service, Sunday, February 15, at the Congre-

All for a lousy piece of cheese!

MADISON AREA ALUMNI HOLD CLASS REUNION

Stout alumni of the Madison area representing classes from 1916 to 1953 held a reunion on Valentines day, February 14.

Fifty-six persons enjoyed the dinner program and group singing. Alumni recalled memories of their college at Wings Inn which was followed by a days, and Bob Rudiger, National executive secretary of the Stout alumni association, talked about and showed slides of recent campus changes at Stout.

The remainder of the evening was spent visiting, reminiscing and dancing. Jack Plenke, president of the master of ceremonies for the evening. Madison area Stout chapter, served as

gational Church. The service was planned and presented by the Stout Christian Fellowship, Lutheran Student Association, United Student Fellowship, Evangelical United Brethren, Canterbury Club, U.W.C.A., and the Baptist student groups.

An offering was taken to be used for the work of the World Student Christian Federation.

Supper was served by members of the United Student Fellowship.

CHILD-CENTERED PLAN DESIRABLE IN EDUCATION

"Child-centered education" gets kicked around by critics. Does it deserve the lumps it gets?

A class of first grade youngsters is having a "tell-time." A new dress is modelled and a new puppy is described. And then—"We have a new baby at our house." There are Oh's and Ah's but from the new brother comes this further mumbled comment—"And I'd like to stick a pin in her!"

The teacher with a background of child psychology recognizes a deep-seated need in the normal reaction of a new brother. "No, dear, you mustn't," won't satisfy his frustration. Tell-time becomes child-centered as nature's way of treating its young is explained. The bird pushed out of its nest learns to fly. The bear cub deserted by its mother becomes independent.

In third grade, a boy reaches down and lovingly picks up a doll from the playhouse crib. His pals in the workshop corner squeal with joy at his discomfort when he is discovered and labelled "sissy."

Education becomes child-centered again. The teacher recognizes the danger that another male brute is being made from a potentially kind father. A father's role in the family is explained and proper ways of holding the doll baby are described and practiced by all of the boys. The father as a defender of his young in cave, tent, or house is beyond eight-year-old ridicule.

The critical kicks will continue but wise parents can think of no better center for education than their children, and no better time than when they need it. Most parents aren't kicking!

JOKES

Knees are a luxury these days. If you don't think so, just try to get your hand on one.

DETROIT ALUMNI ASSN. ENJOYS GET-TOGETHER

Fifty-five members of the Stout college alumni in Metropolitan Detroit had a get-together at the Rackham building on January 29. The Detroit alumni association was organized as a supper club with seven members in 1929.

Entertainment was furnished, pictures of the present Stout campus shown, and the illustrated lecture on Thailand was presented.

Harry Keller was elected president; Carl Roll, vice president; Tom Handy, treasurer; and Helen Christopherson was chosen secretary.

Members of the head table at the Stout Alumni of Metropolitan Detroit Get-together are, left to right: Mr. and Mrs. Robert Morley, Mr. and Mrs. Walt Nyland, Mr. and Mrs. Floyd Burgess, and Mrs. Leroy Charlick.

STATE COLLEGES FACE NEW GROWING PAINS

Record enrollments and crowded classrooms are not new to the state colleges of Wisconsin. The newest record enrollment for the second semester this year of almost 13,000 is only a repeat of a record enrollment of 2,600 set back in 1900.

Worried regents and presidents of 59 years ago set a limit on enrollments after watching the number of students increase 75 per cent on the campuses in seven years.

"The great question," wrote an inspection committee in 1896, "is how to carry on the work on the present

ELECTION OF OFFICERS SET FOR HOME-EC CLUB

All members are urged to attend the February meeting of Home Economics club this Monday night. Scheduled for the meeting is the election of officers for the coming school term.

The nominating committee met under the chairmanship of president-elect Jo Salm and selected a slate of officers. Pictures and qualifications of each of the candidates will be posted in Harvey hall. Nominations for editor-historian will be called for from the floor at the meeting.

The offices and nominees are as follows:

President-elect: Avis Dutton. Deanna Howell and Jean Smith.
Vice president: Avalene Drake. Kathy Shattuck and Katchen Kubitz.

Secretary: Irma Thompson, Mary Weiking and Laura Keil.

Treasurer: Carol Bishop, Ardala Littlefield and Alice Schweizer.

Class representatives are as follows:

Juniors: Nancy Cory, Joyce Kersten and Kay Vanda; sophomores: Pat Choitz, Alice Johnson and Darlene Ling; freshmen: Nancy Fox, Helen Sjolander and Kareleen Weichmann.

"In the ever-lengthening shadow of a great man"—this phrase, which sets the theme of the 1959 Tower, is used to identify Senator James Duff Stout—the man of whom the phrase speaks.

To the average student, a yearbook is something which suddenly appears at the end of the school year. Actually, work on the Tower, Stout's official yearbook, commences at the end of one school year and continues to the very last deadline at the end of the following March. Editorial, business, literary, and production phases of the Tower publication move steadily forward as staff members work to unite the technical and literary aspects of the book in an artistic interpretation of Senator Stout's founding ideas.

To present these concepts, the 1959 Tower has adopted the above phrase as its theme and has also introduced several innovations. The book opens with an introductory sixteen-page color section. Here will be pictured the growth of Stout from a newly-founded institution to the expanding physical plant which exists today. The copy will explain how the Senator's objectives have been carried out at the college throughout the years.

The arrangement of the book has also been altered. Instead of the traditional six divisions, there will be only four divisions: CAMPUS—the buildings, the faculty, the schools and departments; SOCIAL, CLASSES, and ORGANIZATIONS. These four divisions have been expanded to include all material previously covered by the Tower.

Daily since the beginning of the school year, Tower members have been busy snapping pictures, getting stories, drawing up the "dummy," writing articles, typing, caption-writing, and proof-reading. The pictorial and literary yearbook which results from this work requires a great amount of time and imagination from its creators. Students who are interested in joining the Tower staff should contact one of the officers or attend one of the announced Wednesday evening meetings. Heading the staff this year are Pat Seldner, editor; Mina Claseman, associate editor; Tom Murray, production manager; Jean Owen, literary editor; and Richard Kveton, business manager.

TIMES HAVE CHANGED IN HIGHER EDUCATION

Students were often too young and occasionally too old in Wisconsin's normal schools of 1914. One out of every dozen students was 15 years old, or less; one out of seven was older than 25. A few were only 12 years

There were other things different about the state normal schools 44 years ago. Many students couldn't write legibly, others couldn't spell, still others were lacking in general information, and at least half were weak in mathematics.

Professors were underpaid and overworked. Almost half of the teachers were earning \$1,500 or less and in 1913 one-fifth of them quit to take better paying jobs. They worked an average of 65 hours a week but some of the faculty work-weeks stretched out to 84 hours in length.

A state board studied the institutions from 1912 to 1914 and published a 653-page report. Said the surveyors, the schools are giving too little extension service to their areas, they are not cooperating with each other, and they need new buildings.

Most interesting, though, was the "poor preparation" of many of the 3,584 normal school students.

"What causes night and day?" one student was asked. His answer: "When the Sun reaches the Equator and starts to go down it begins to be night."

Half of the students knew who Patrick Henry was but only one out of five could place Horace Greeley.

And if a pencil costs 2 cents and is sold for 3 cents, what is the per cent of profit? Half of the 1914 Wisconsin students knew it was 50 per cent.

Wisconsin's normal schools of 1914, enrolling 3,584 students, are now state colleges enrolling 13,691. Very few college students are younger than 18—none are 12. High school graduation is a requirement for admission. And pencils at either 2 cents or 3 cents are a rare bargain in 1959.

scale, without daring to contemplate where the future will land or strand us."

Now the colleges are five times as large as they were in 1900 and they're still growing. The prediction is that in 1970 enrollments will be double the present numbers, or 10 times as large as in 1900. Fortunately none of the regents of 1900 have survived.

Just as in 1959 the greatest needs in 1900 were for space and teachers. And although there was a restriction placed on enrollment it was never successful. Students kept coming and space and teachers were provided.

The 75 per cent increase in enrollment in seven years prior to 1900 caused the overcrowded campuses. This month the state colleges reported a 123 per cent increase in six years and the campuses continue to be overcrowded.

There are new teachers, new students, and two new colleges (La Crosse and Eau Claire) since 1900, but the old problems are still here.

It's two points on a graceful underhand ballet-type layup by John Peterson, Stout's number 40. Peterson garnered 14 points for his evenings work as the Bluedevils dump Stevens Point in a 67-63 W.C.C. game last Saturday evening.

Stout Wins 2nd WCC Tilt Tumble To Platteville

PLATTEVILLE

Last Friday night Stout lost to the Platteville Pioneer's 80-61. The Pioneer's sharp ball handling in the second half put the game on ice for them.

Stout controlled the opening jump of the game, going on to take their only lead 2-0. Platteville quickly tied the game at two all, and then spurted out in front controlling a 10-3 lead.

The Blue-White cager's bounced back into the game to tie the score at 10 points each. This proved to be the closest the Bluedevils came in the first half since the Pioneers controlled the scoring until the buzzer sounded ending the half. Halftime score showed the Platteville team out in front 34-29.

Platteville started the scoring in the second half by hitting on a field goal. The score stood at 36-29. Then the Stout men came to life pouring seven quick points through the hoop.

The rosters rose to the occasion by filling the gym with a thunderous roar. Much to the spectators dismay the Pioneer's poured the ball through the basket to take the lead again 44-36.

In the second half each team was cold and hot, changing their temperament at the snap of a finger. When the final buzzer sounded Stout was on the short end of a 80-61 score.

Although falling to the Pioneer's whip, the Blue-White did very well against one of the best small college teams in the nation. Throughout the first three quarters of the game the Bluedevil's were never that far away from closing the scoring gap. Even though Stout lost, the team gave a good account of itself throughout the game.

STEVENS POINT

Defeating Stevens Point 67-63 last Saturday night, Stout moved its WCC record to 2 and 7 to tie for last place with Stevens Point and Whitewater.

The Blue and White scored their last 10 points on free throws to ice the contest as Bob Sorenson made it 59 to 55, Sorenson again for a 61 to 55 advantage, John Peterson dropped two for two for a 63 to 55 lead, Peterson again hit two for a 65 to 61 advantage and Brian Howard dropped his two free throws for a 67 to 61 lead.

Point countered with a full court press that netted them two points as Kuse hit with 0:23 left to move within 4 points. With 0:13, Stout called time out to set up for the last play. Peterson was fouled but missed his shot. Point called time out with 0:06 showing on the clock. When play resumed Point had three unsuccessful shots at the hoop as the Bluedevils moved out of play so as not to foul.

The first half found both teams cold and playing shabby ball. Stout moved into the fading minutes of the half with a slight edge but lost the ball and the lead to settle for a 30-30 half time deadlock.

Sam Antcliff lead both teams with 23 points. Point shot 19 for 31 from the free throw line. Peterson headed Stout's scoring with 14, followed by Sorenson with 13. The Blue and White were cold from the charity line, hitting 19 for 34.

"REMEMBER EAU CLAIRE"

Come on you Bluedevil supporters, stir up your voices and come to the Stout-Eau Claire basketball game Saturday night at 8 p.m., in the Menomonie gymnasium. Remember the last Eau Claire game? Any thought of the questionably officiated game should bring revenge to the heart of every Stout student.

This year Eau Claire has a fairly strong, but sometimes rough basketball team. The Bugolds have won six out of ten conference tilts.

This past week end Eau Claire swept a pair of games from Stevens Point and Whitewater. In Friday night's duel the Bugolds won 63-56, in an overtime with the Pointers. Saturday night the Eau Claire tuffies squashed Whitewater 78-67.

The Bugolds' big gun is Jon Wensil who ranks as one of the top ten scorers in the Wisconsin college conference statistics. In the week end's tilts he scored 57 points.

Comparing last week end's Stevens Point games, Stout won 67-63 and Eau Claire won 63-56. This week end's game should be a real close thriller no one should miss.

Why does a team play shady basketball? That has been a repeated question by many people. In the last Blue-White Bugold game certain members of the Eau Claire team had very elusive elbows and eye thumbing techniques which should not be seen upon any basketball court.

Throughout the bloody tilt, that saw Brian Howard disabled for a few weeks, Stout retained its composure and tried their best to play a hard and clean game against insurmountable odds.

Eau Claire college will bring their supporters to the game by the bus load. If the Stout students are to blast them from the gym with their voices and on the basketball court, everyone, including the Blue-White team will have to be razor sharp.

This is the Bluedevil's next to the last home game, only La-Crosse remains on March 2nd. In the Eau Claire game the team has the opportunity to right a wrong inflicted upon them by an evasive Eau-Claire team!

More so than in any other game so far this season, support your Bluedevil team. Bring all the noise makers and confetti to the game to blow Eau Claire from the gym Saturday night.

No student on the Stout campus should have to be reminded of the blazing rivalry between Stout and that "suit case college" east of here. In case some students need stirring up, it is up to all Bluedevil supporters to make sure their interest is up.

Remember the last Eau Claire game!

STEVENS POINT

The Stevens Point matmen won six out of nine matches last Saturday in dumping the Bluedevils 24 to 13.

Jerry Holobutts and Bob Leu led the Bluedevil assault by gaining pins in the 147 and heavyweight divisions. Dick Anderson decisioned his opponent to complete the Blue and White scoring.

Tubbs (S) was pinned by Brillen (SP) in the 123 pound class. Anderson (S) won on points over Radthe (SP) at 130 pounds. Stephens (S) lost on points to Fulman (SP) in the 137 pound weight limit. Holobutts (S) pinned Jelinski (SP) in the 147 pound class.

Keller (S) was pinned by Yetter (SP) in the 157 pound division. Stephenson (S) was decisioned by Sorenson (SP) at 177 pounds. Raszek (S) was pinned by Dorn (SP) for heavyweight honors.

Final tabulation found Stevens Point on top with 24 points and Stout chalking up a loss with 13 points.

RIVER FALLS

The Bluedevil wrestlers will be out to avenge an earlier defeat at the hands of River Falls as they journey to the Falcon's home ground this afternoon. In their last meeting the Falcons edged Stout 20 to 19 in a thriller that went to the wire with either side still a potential winner.

With the addition of new men and more experience the Blue and White matmen have a good chance to chalk up a win against River Falls.

As of press time the status of Myron Tubbs (1-7) is doubtful in the 125 pound weight. Dick Anderson (0-1) will go at 132 pounds. Phil Stephens (1-1) is set in the 139 pound division and Jerry Holobutts (5-3) will be in the 149 pound competition.

Don Keller (0-1) will be making his second start in the 159 pound weight. Lyle Buss (5-3) is at 169 pounds. Leon Stephenson (5-3) will go at 179. Bob Raczek will be ready in the 193 pound division with Bob Lew (1-1) doing the heavy weight duties.

The team will leave the circle at 5:30 p.m. this afternoon. Oses for a victory over the Falcons are high.

F.O.B. Stunt Night To Be Tomorrow Evening

It's here at last! Yes, tomorrow night will culminate many hours of hard work as the twelfth annual FOB Stunt night, featuring eleven skits presented by various organizations on campus, will swing into action at 8 p.m. in the Stout auditorium.

According to co-chairmen Richard Lowry and Otto Klaus, this year's program promises to be a full one. Last year's winners, the Delta Zeta sorority (most beautiful skit), and the Alpha Phi Omega (most humorous production) will be out to retain their titles. Tainter hall and the Sigma Sigma Sigma sorority, runners-up last year, will be doing their best to win a title. The winners of the two classes, most humorous and most beautiful, will have their names placed on the FOB Stunt night plaque on display in the union. Winners in each class will receive a cash prize of \$25.00 and an engraved plaque for first place, and a \$15.00 prize for second place. Announcement of winning skits will be made following the last act. The difficult task of judging skits will be performed by the following Menomonie high school teachers: Mrs. Heggen, Mr. Cooper and Mr. Wiseman.

Special recognition is extended to those in the FOB fraternity who have made this event possible. Committee chairmen are as follows: Willie Larkin and Ron Kautz, publicity; Dick Klug, tickets; Jim Lubahn, staging; Jack O'Reilly, Mark Segebarth and John Banks, printing; Mark Segebarth, programing; Ron Kautz, practice schedule; and last but not least, "the all American boy," Bill Doane on clean-up.

The FOB fraternity also wishes to thank all the organizations for their participation in this event. We hope to see everyone there, making this Stunt night bigger and better than all previous Stunt nights. If you don't have your ticket as of now, be sure to get it soon; first come, first served—there's one left!

UNIVERSITY OF MINNESOTA MEN'S GLEE CLUB TO PERFORM AT CONVOCATION THIS WEDNESDAY

The University of Minnesota men's glee club will present a concert Wednesday, March 4 at 9:30 a.m.

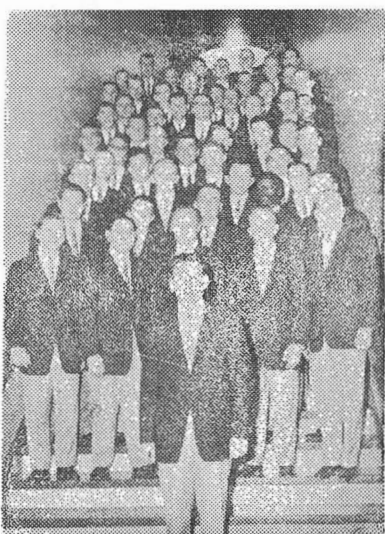

Organized only a few short years ago, the Glee club has become one of the major musical organizations in the University campus. Each year the group appears at many student functions, including several football games. This spring it will present its first all-university convocation in Northrop memorial auditorium.

Over fifty men make up the group, and they are drawn from all fields on the campus. Qualifications for entrance into the Glee club are a desire

Prior to his experience in Florida, he sang professionally as a soloist in New York and presented a well-received Carnegie Hall recital in 1953.

Of the University of Minnesota men's glee club, Professor Abelson says, "I believe that the vitality and strength of a men's choral group depends on its ability to sing all types of choral literature, and to sing them well."

This philosophy assures a well-spaced and variable program for the audience and accounts for the wonderful spirit of this group of young men.

U. of M. MEN'S GLEE CLUB

to sing, a good voice and some musical background. Members are not required to be majoring in music, however. As a result, members of the Glee club are from almost every college and department in the University.

Director of the group is Norman Abelson, assistant professor of music at the university. A recent addition to the university faculty, Dr. Abelson previously conducted the Men's glee club at the University of Florida.

DIETETICS CLUB IS TO OBSERVE NUTRITION WEEK

Wise selection of foods and good eating habits will be stressed by the Stout Dietetics club during their annual Nutrition week which will be observed from March 1 to 7. Members of the club will be campaigning for better food habits among fellow students—and consequently better health, more vim and vigor.

Stout's future dietitians recommend a daily food plan which supplies many kinds of nutrients—proteins, minerals, vitamins, fats and carbohydrates. Most foods contain several nutrients, but no single food furnishes all the necessary nutrients in proper proportions. To maintain good health then it is necessary to select foods from each of the following groups: milk, meat, bread or cereals and vegetables and fruits.

As part of the Dietetics club promotion of better nutrition, a punch hour will be sponsored on Wednesday, March 4, from 3:30 to 5:30. Punch and nut breads will be served. All faculty members and students are invited to attend.

Remember: Better Nutrition Means a Better You.

Freshman Formal

Each year, students who have contributed to their school through scholarship, professional attitude, participation in organizations, leadership, and responsibility are honored with membership in Who's Who Among Students in American Universities and Colleges.

Selection of students here at Stout is first made through the student governing board and must then be approved by the national foundation.

It is with a great deal of pride that Stout state college announces the names of the seventeen Stout students who were this year deemed worthy of Who's Who membership.

Representing Stout this year are Carol Bibby, Bovaird Brown, Opal Burton Kunz, Rita Casey, Mina Clase-man, Ken Dickie, Ardelle Dregene, Sylvia Felland, Bob Gussel, Dorothy Grundmann, Mary Hitesman, Gregory Trzebiatowski, Gloria Watstad, Bill McKinnon, Marlys Pettis, Pat Soldner and Jim Schnitzler.

Membership in Who's Who is strictly an honorary position. This organization was created through a need for some means of bringing the names of deserving students to the business and social world.

Congratulations to all the Stout students who were this year found worthy of such recognition.

Alice Schweizer Elected Home-Ec Province Prexy

GATEWAY TO DREAMS FROSH FORMAL THEME

This year's Freshman formal will be March 6 in the Menomonie high school gym from eight to twelve. The freshmen selected "Gateway to Dreams" for the theme of the formal. The orchestra which will furnish the music will be Guy Woodward. The tickets will be going on sale for \$1.50.

At the last freshmen class meeting the freshmen elected five of the ten freshmen girls up for Freshman formal queen. The original ten candidates were Mary Luebke, Barbara Drews, Judy Renner, Nancy Sorenson, Mary Lee Alexander, Toni Dewyer, Mary Livingston, Jane Holt, Marge Mortimer and Audrey Vieths. The elections proved that the five following candidates were nominated for the court. They were Mary Luebke, Judy Renner, Toni Dewyer, Marge Mortimer and Audrey Vieths.

Wednesday, March 4, the freshmen will meet again and will elect the queen. The other four will serve as the queen's attendants.

Plans for the Freshman formal dance are well on their way. Mary Livingston and Dave Oswald are co-chairmen of the dance. Lyle Buss is head of supplies; Mary Benesh is chairman of drawings needed for the dance. Jackie Zenda and Alice Kempen are head of flowers and plants. Darlene Brehm is chairman of refreshments. Tickets are being handled by Boyd Whitt. Mary Schultz is head of publicity. Mary Livingston, Alice Kempen and Mary Schultz are making the crown for the queen.

Responsibility for coordinating all club activities and planning the next Chicago convention of the North Central province of the Colleges Club of the American Home Economics association has now become the responsibility of a Stout state college coed, Alice Schweizer, who was recently elected president of the North Central province.

Holding membership in that province are well over 40 college Home economics clubs throughout Wisconsin, Michigan, Iowa and Illinois. It will be Miss Schweizer's duty to keep in close touch with the activities of all clubs and to stimulate developments of new ideas and projects in home economics for presentation at the next Chicago annual meeting.

However, Miss Schweizer, daughter of Mr. and Mrs. Rollin Schweizer, Route 3, River Falls, brings a varied background of home economics experience to her new task. A junior in home economics education in Stout's school of home economics, Alice has already been named to Phi Upsilon Omicron, national honorary organization in home economics. She is current program chairman for Stout's Home Economics club and treasurer of Alpha Phi social sorority on campus.

Miss Schweizer was elected province chairman by delegates attending the recent province convention. Wisconsin institutions of higher learning which were represented included the University of Wisconsin, Milwaukee Downer, Mount Mary College, Stevens Point state college and Stout state college.

Getting some administration tips from Dr. Verne C. Fryklund, president of Stout, is Alice Schweizer junior coed from River Falls, who was recently voted to the important office of president of Province 7 of the College club of the American home economics association. As such, she will have full responsibility during the coming year for coordinating over 40 affiliated chapters throughout Wisconsin, Illinois, Michigan and Iowa.

SILLY STOUT STUDENTS. . .

It appears as though this type of editorial is quite popular among some of Stout's students, as the editor has been receiving some cute little notes from some students who don't think that students at Stout have any faults. I suppose that these people think that the editorial staff will hang down its head and cry when its policies are attacked, but the reverse is true. All of the criticisms are shown at meetings and the staff in general is very amused that the editorials headed "Silly Stout Students" are hitting so close to home for some people.

Though some people seem to think so, the Stout student body is not perfect, and has as many faults as any other school. However, the editorial staff takes a pride in the school and would like to see it rise above the standards of other colleges. It is for this reason that this series of editorials is being run. It must also be said that these editorials are written by the editorial staff. Most of the complaints voiced in them are brought us by those students not even on the staff. Such is this week's complaint from one of Stout's students.

Between classes, the corridor outside the elevator on main floor and in front of the mail boxes becomes quite busy. Many students are in a hurry to get to their next class or other appointments. As they try to get through the mob, it becomes literally impossible, as many students feel it is time to have a conversation with other students, and must do so in the middle of the hall. It is common courtesy for students to keep the hallway clear. If you have something which must be said to a friend, kindly step to the side—it will be appreciated by many.

Still another complaint has been brought to my attention over the past week.

Stout's home economics department is famous for the fine brand of young lady it turns out, yet any visitor to the building is shocked as he or she passes by Harvey Memorial and glances in. I still remember my mother hollering at me when I was in grade school to keep my feet off the furniture and to sit up like a gentleman, I think the same can be said of some of Stout's girls, "Sit up and act like a lady."

BULLETIN BOARD

Beginning next week, March 2 through March 5, Sigma Sigma Sigma sorority will be in Harvey hall to take orders for corsages for the Y W C A Mother-daughter banquet. Corsages are priced at \$1.25. Orders will be delivered to the girls on Saturday morning, March 7.

A Heidelberg tea to be given on Wednesday, March 11, are the plans of the Delta Zeta sorority now. The meeting on February 19 at the library chose committees to complete this activity. Dinner dance plans were discussed. Organization of a skit was definitely set to help make Stunt Night a big success.

STOUT FACULTY STAFF RECEIVE ASSIGNMENTS

A number of faculty members at Stout state college are preparing for, or have underway, a number of special educational assignments either for the extension division of the University of Wisconsin or for the U. S. Office of Education.

Ready to begin an in-service training program in guidance for the faculty of Webster high school is Dr. Ralph Iverson, dean of student affairs at Stout. Dr. Iverson was requested to offer the program by the extension division of the University of Wisconsin, which will grant credit to persons completing the course.

Also filling a request by the university extension division is Dr. Robert Rudiger, associate professor of education at Stout State College. He will offer a correspondence course, "Philosophy of Vocational and Adult Education," with the university responsible for enrollment procedures, credits, and other details.

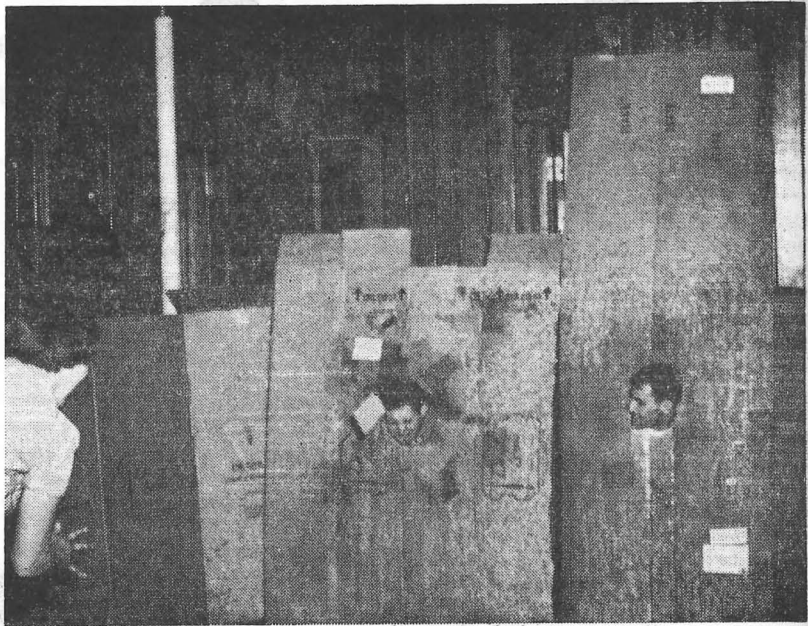

Under arrangement with the U. S. Office of Education, three members of the faculty of Stout's school of industrial education have been authorized by the Board of Regents of State Colleges to accept assignment above normal teaching load in providing instruction in Stout's current seminar for foreign students.

The teachers and their area of instruction are Dr. Rudiger, trade analysis, including methods work and building of courses of study; Dwight Chinnock, supervisor of student teaching for the school of industrial education, methods of teaching industrial arts; and Robert Spinti, instructor in the department of electricity, specialized instruction in that subject.

SCHULTZ BROS. CO.
MENOMONIE • WISCONSIN

Pat Fitzgerald gets a wet sponge in the eye, as Tony Pollino looks on at the Sophomore class booth in the annual S-Club Carnival.

S-CLUB HOLDS ITS ANNUAL CARNIVAL; FUN AND MERRIMENT IS ENJOYED BY ALL IN ATTENDANCE

Hurry! Hurry! Step this way! Step right up and win a prize! These were some of the cries heard last Saturday afternoon, February 21, from 1 to 5 p.m. as the S club presented their

annual carnival in the small gym.

There were numerous booths, sponsored by the various organizations here on campus, which afforded the more adventuresome students to try their skills at various carnival amusements. These included tossing coins, throwing balls or sponges, pounding nails, throwing darts and even sending telegrams which came in handy if you'd just had a misunderstanding with that certain special person.

All in all, it was a worthwhile day which provided fun, amusement, and a chance to sharpen your throwing eye in preparation for carnivals this summer. Those who came enjoyed themselves. Those working in booths had fun. In short, a good time was had by all.

Were you there? If not, make it a point to attend next year's annual S club carnival for fun and prizes.

STOUT COEDS SPEAK AT ELK MOUND MEETING

Two students from Stout were invited to speak at a meeting for International Friendship day at Elk Mound on Saturday, February 21. Virginia Gamboa from Costa Rica, and Dora Aramori from Hawaii talked about their countries when the Girl Scout troop 119 entertained the Brownie Scouts, troop 120. This information about Costa Rica and Hawaii will help the girl scouts on their second class badge.

Miss Gamboa displayed the typical dress worn at festivals in her country, and danced a few steps to the music for such occasions. With pictures and a tiny, colorful oxcart, she described the customs and the beauty of Costa Rica. Miss Aramori also showed the native dresses and beads of Hawaii, and told about the climate and life in Hawaii.

Both the adults and the girl scouts asked questions about the language, music and traditions. After refreshments the girls eagerly gathered around to get autographs.

NEWS OF OUR ALUMNI

N. J. Mettelka (B.S. 1941) has a new position as director of adult education in Freeport, Illinois. His address is 70 N. Park Blvd., Freeport, Illinois.

Educational consultant in the Sudan is James Louis Heller (B.S. 1952, M.S. 1957). He taught in a Michigan high school recently. The address of Jim and his wife, the former Kathleen Welch (B.S. 1952), is USOM, Sudan, in care of the American Embassy.

45814 Cass Ave., Utica, Michigan, is the residence address of Mr. and Mrs. Richard Lenhardt. Dick graduated from Stout in 1953, and his wife, (nee Carol Young) is a 1956 grad. Dick teaches in the George Eppler junior high school in Utica, Michigan.

Mr. and Mrs. Richard E. Joppa (nee Ruth Anderson, B.S. 1954), are now living in Omaha, Nebraska, where he works for Western Electric. 8024 Grand Avenue, Omaha 14, Nebraska, is their address.

Mr. and Mrs. Schumm and their two children Brooke and Elizabeth, live at 1043 Holton Parma Rd., Hilton, New York. The former Elizabeth Helenweg graduated from Stout in 1952.

A 1956 Stout grad, Susan Hamilton, is now Mrs. Richard Hastie. Susan is teaching sewing in the Tracy high school in Tracy, California, and her husband is in the insurance business. P.O. Box 386, Tracy, California, is their address.

Address of Stout grads
Mrs. Fred Guenthee (nee Floret Zuehlke, B.S. 1916)
R.R. 2, Menasha, Wisconsin

Mrs. Marion Heathcote (nee Marion E. Hanson, B.S. 1944)
4508 Edmund Blvd., Minneapolis 6, Minnesota

Mr. and Mrs. Lewis E. Lausted (Lewis, B.S. 1953, Celia Fritz Lausted, B.S. 1955)
R.R. 2, Colfax, Wisconsin

According to a recent announcement by Josten's of Owatonna, Minnesota, Mr. Joel Russell has been named the supervisor of production for the Educational supply company of Painesville, Ohio. In this new capacity, Mr. Russell is responsible for production of graduation announcements, diplomas, school records and commercial printing. Esco, the trade-name of the Educational supply company, is a recent associate of the Josten Manufacturing company, Owatonna, Minnesota, where Mr. Russell has been employed since June of 1956, following his graduation.

Russell and his family are now located in their new home at 26 Fern Drive, Painesville, Ohio. Our best wishes to the Russells.

PRODUCTION OF R.U.R. SET FOR MARCH 12, 13 & 14

The curtain will go up on another Stout production on March 12, 13 and 14. This play entitled R.U.R. by Karl Capek is a social satire about the mad world when the robots take man's power into their own hands. Although the scene takes place on a fantastic far-away island it could happen here.

The cast is made up of nineteen players including Clair Splitstoesser, Carol Proffitt, Carole Hoppe, Douglas Nelson, Robert Pelton, Dean Matzke, Ronald Johnson, Louis Moegenburg, Sharon Sauter, Karen Lynn Johnson, Donald Bilsle, John Ong, Ronald Braun, Philip Markgren, Philip Greudemann, Kenneth Maahs, Roy Johnson, Richard Penney and Frank Zabo.

Besides the cast, the production staff is also working hard. Anthony Pollino is stage manager with his assistants Marice Alsweide and Philip Hansen; Ann Dahl is publicity chairman; Carol Proffitt is the assistant director with Dr. Lengfeld; Mrs. Jeanne Hammerschmidt is the designer; and Carol Barber and William Catlett will supply the music. Other departments assisting are physical education, art, shop, printing and music.

R.U.R., a thrilling melodrama displaying the possibilities for the future, promises to be a great success. It will be presented three evenings, March 12, 13 and 14 on the Stout state auditorium stage.

Indicating industrial areas of Wisconsin in which industrial corporations are evidencing interest in members of the first class of industrial technology graduates of Stout state college, Menomonie, is Frank J. Belisle, placement chairman of the college. Two seniors of the industrial technology class, William McKinnon (left), Neenah, and J. Aubrey Olson, Eau Claire, pay close attention as Mr. Belisle describes opportunities available to this new type of Stout graduate.

Stout To Graduate First Industrial Tech Majors

Personnel and employment officials throughout the nation are now becoming aware of the availability of a new type of Stout state college graduate, the industrial technology graduate, as a new brochure announcing the forthcoming graduating class and the qualifications of its members are being sent to executives all over America.

Although Stout has long been recognized for the caliber of men it prepares in industrial education, the industrial technology curriculum has only recently been in progress here. Major reason for selection of the course by some Stout men is a desire to obtain an industrially-oriented college degree without seeking preparation as a teacher.

To obtain the four year bachelor of science degree with a major in industrial education, a man must complete 130 semester hours, 78 of them in academic subjects and 52 in technical areas. Thus much emphasis in the new curriculum is given to such courses as English, speech, science, social science and mathematics, as well as technical courses.

The industrial education curriculum calls for 26 hours of education which are not in the new technology major, those credits being allocated to academic and technical areas. The remainder of the industrial education program requires 62 academic hours and 42 technical hours which, with the education credits, brings the total to 130 also.

However, as Dr. Verne C. Fryklund, president of Stout points out, the college has made sure in both curricula that technical and academic preparation supplement one another. Through such well balanced offerings, he indicates, America seeks to avoid the plight of certain nations, some great in size and resources, but with multitudes of uneducated poor who have no opportunity for free technical and academic education to improve their situation and that of their nation.

According to the new brochure just released by the college, aim of the industrial technology curriculum is to

make available professionally-competent men who can provide the essential link between theory and production. Such a need has arisen, according to Stout officials, because professional engineers are being constantly trained more and more in theoretical aspects and less and less in practical "know how."

Thus the responsibility of the industrial technology graduate will be to provide liaison between engineers, scientists and managers on one hand, and technicians, skilled craftsmen and layman on the other. The graduate, to do his job, must be able to communicate meaningfully with all levels of industry, from top management to newly-employed workers.

Nation-wide distribution of the new Stout state college brochure is being directed by Frank J. Belisle, registrar and placement chairman.

Coach Bostwick goes over some of the many forms needed to maintain conference and NAIA records with his right and left hand men, Fred Schleg (right) basketball manager, and James Guilbault (left) athletic department statistician.

Schleg and Guilbault Aid Coach With Basketball

Two of the biggest assets to our basketball team and the athletic department this year are manager Fred Schleg and statistician James Guilbault. With their help the chores of coach Bostwick are made easier, and the running of the team more complete.

Schleg and Guilbault combine forces to compile charts and graphs to assist the coaching staff in analyzing games, and to show the players the patterns and trends of their games. In this day and age coaching is a secretarial job as well as one of pep talks and play making. If one man were to attempt to do all the work that the athletic department needs to

function well the job of coaching would fall far short of the standard necessary to prepare a team for a game.

Jim and Fred give freely of their time and talents to bolster the morale of the team and many times of the coach. There is always something to highlight the after-effects of a losing contest, such as how many straight fouls the opposition had before we made a free throw—little things like that.

James Guilbault journeyed from Ontonagon, Michigan, to enter Stout, and that was three years ago, making him a junior now. This year is his first experience with the athletic department in the status of statistician. Just about all of his so-called free time is spent bringing records up to date for the Wisconsin college conference and the NAIA blanks that roll around each game.

Fred Schleg hails from Sheboygan and is a sophomore and is in his second year as manager of the Blue and White basketball team. There must be something about a person that will come back for a second year of taping ankles, nursing blisters and soaking down sprains and bruises. Fred loves that game as is proven by his part-time job as a high school official. (There is one game under his belt—Boyceville, I believe).

WINONA TRIPS MATMEN STEPHENSON, KANE, WIN

The Winona Warriors romped to a 29-8 victory over the Stout state college Bluedevils in a dual wrestling meet at Winona last Wednesday.

The loss dropped Stout's dual meet record to two wins and six losses for the season. Winona has an 8-3 record in a strong Minnesota college conference this season indicating the strength of their team.

The only bright spots for the Blue and White were a pin by Leon Stephenson over Pieper of Winona in the 177 pound weight and Jerry Kane's decision over Halgersen of Winona in the 191 pound division. The rest of the matches were all Winona.

Delozsin (W) pinned Tubbs (S) in the 123 pound class; Ture (W) pinned Anderson (S) in the 130 pound division; Johnson (W) pinned Schlump (S) in the 137 pound weight.

Vayts (W) decisioned Holubets (S) in the 147 pound class; Sanderson (W) decisioned Keller (S) in the 157 pound division; Evanson (W) decisioned Buss (S) in the 167 pound weight.

Stephenson (S) pinned Pieper (W) in the 177 pound class; Kane (S) decisioned Halgersen in the 191 pound division and Widenmeier (W) pinned Leu (S) for heavyweight honors.

BLUEDEVILS WIN OVER RIVER FALLS 23 TO 10

Last Friday the Bluedevil grapplers dropped River Falls 23-10 in a series of wrestling matches held on the Falcon's home ground. The Bluedevils won seven of nine matches and one exhibition match.

Tubbs (S) forfeited his match in the 123 pound class. Dick Anderson (S) pinned Grockett (RF) in the 130 weight division.

Phil Stephens (S) won on points over Schlump (RF). Decisioning Mroteck (RF), Jerry Holobutts (S) won the 149 weight division.

Stout's Don Keller won his match defeating La Granler (RF) on points in the 159 pound division. Lyle Buss (S) decisioned Fleum (RF) for another win.

Leon Stephenson (S) came out on top of the 179 pound division, topping Bruhmy (RF). Bob Raczek (S) decisioned Oberman (RF) to win the 193 pound weight division.

Bob Lew (S) was pinned by Julien (RF) in the heavyweight class. In an exhibition match Kane (S) decisioned Swan (RF).

Throughout the season Stout's matmen have improved to the point where they are beginning to be a force to be reckoned with by their opponents.

STOUT DUMPED BY BLUEGOLDS FRED GETS 26

Seggelink

Eau Claire's Blugolds opened the game by dropping a field goal for two points. A free throw by Korpela and a two-pointer by Seggelink put the Blue-White in front, 3-2.

The lead changed hands repeatedly throughout the opening minutes of the contest. The game was tied 12 times in the first fourteen minutes of the game.

Eau Claire made its bid for the lead with six minutes remaining in the first half. Stout became very cold on field goals while the Blugolds hit with great accuracy.

When the first half ended Eau Claire had a bulging ten point lead at 49-39.

Second half

The Blugolds carried their hot shooting streak into the second half, blasting their way to a fifteen point margin at one point during the half. Stout's gallant Bluedevils refused to admit defeat and bounced back from a 55-40 deficit.

With seven minutes left to play in the half, the Bluedevils had shot to within four points of the Blugolds. At this point Stout trailed 68-64.

As hot as the Bluedevils were at this stage of the game, they became almost as cold. With this advantage Eau Claire gradually built up its lead again.

Although Eau Claire only scored one more point than the Bluedevils the second half, this was enough to give them an 89-78 victory.

Seggelink hauled down the most rebounds of both teams during the game. Seggelink's fine rebounding gave Stout a 74-39 margin of rebounds over Eau Claire. The Bluedevils also led in the number of field goals scored, 31-29.

Basketball and Wrestling Teams Invade Superior

BASKETBALL

Tomorrow's game with the Superior Yellowjackets will be the last road game of the season for the Bluedevils. The Yellowjackets are sprouting a 5-5 conference record as compared to the Blue and White's cellar dwelling 2-8 standing.

In their last meeting at Menomonie, the Superior quintet nipped victory in the bud as they squeaked out an 81 to 80 decision. The Evens boys, Jack and Gene, troubled the Stout cagers to no end in this contest. At one point the Evens combination netted 22 consecutive markers for the Yellowjackets. Chuck Erickson, big Dale Westerbach and Rog Lowney will most likely receive the starting assignments for the Superior team.

The Bostwickmen will be shooting for their third loop victory in eleven starts, duplicated only by Whitewater. The home floor advantage will be with Superior, but the desire should be with the Bluedevils. There's but one way to go and that is up.

The probable starters for the Blue and White will be John Peterson and Fred Seggelink at the forwards, Jerry Korpela in the slot and Duke Severson and Bob Sorenson at the guards.

INTRAMURAL ACTION GOES INTO FINAL WEEK

Competition for play-off berths for tournament time is providing some hotly-contested basketball games in both the National and American leagues. The Skunks of the American is the only team assured of a place in the play-offs, boasting an 8-0 record for the year.

The FOB's, Sig Tau's and Our Side are battling to nail down the second spot, with the Ramblers still in contention to gain one of the first four positions.

The National league battle has produced a three-way argument for the number one spot now held jointly by the Skellar Rats and Jay Hawks with 7-1 standings. The Little Giants with a 6-1 record are all but assured of a play-off position.

I. Sorenson leads the league's scorers with 202 points in 8 games, for a respectable 25.3 average. J. Mihalko with 171 markers is second, C. Schroeder is third boasting 133 points, D. Chase with 109 and A. Ripple with 108 round out the top five point producers in both leagues.

Tournament

This year's tournament will be a single elimination play-off. The dates have not been set, but commencement will be sometime after next week.

All Stars

Captains of all teams will choose 15 players to represent each league in a post-season All star contest. A three game series will be sponsored to decide the superiority of one league over the other.

BLUEDEVILS TO HOST INDIANS MONDAY NIGHT

Once more we ask for your kind indulgence in a game played on a Monday night. If you thought the Eau Claire game was a little tame try this one for size.

Stout has its gym set to bounce when the La Crosse Indians pull into Menomonie to show their colors. The Bluedevils plan to avenge the 3 point defeat handed them by the La Crosse team in our last meeting. Also this is the last game of the year for the Blue and White cagers and the last game on their team and why shouldn't La Crosse has some good fast men on their team and why shouldn't they? One is a Menomonie boy named

WRESTLING

Tomorrow's trip to Superior will be the final dual meet of the season for the Bluedevil matmen. The season's record in dual meets is two wins and five losses.

The Superior Yellowjackets tossed the Stout grapplers for a 23 to 13 loss in their first meeting of the season. Since that time the Blue and White have added four new men in the 130, 137, 157 and 191 pound class.

Leading off for the visiting Bluedevils is Myron Tubbs at 123 pounds. Dick Anderson will face off in the 130 pound class. Phil Stephens will hold down the 137 pound slot.

Jerry Holubets is slated for the 147 pound weight. Don Keller will go in the 157 pound class. Lyle Buss is scheduled for the 167 pound duty.

Leon Stephenson will grapple in the 177 division. Bernie Kane is at 191 and Bob Leu will go in the heavyweight division.

Anderson, Stephens, Keller and Kane will be the new men to face Superior for the first time this season. These added positions are expected to add to the Stout point total.

The wrestling squad will travel with the basketball team.

Len Stewart, who was pretty hot when striding down the hardwoods for the Menomonie Indians.

Gar Ammerman, who is one of the leading scorers in the WCC will team with Stewart to give the home crowd a thrill. The Bluedevil cagers will be out to blemish the 7-3 conference record of the Indians. Let's grab a coat, get there early and yell ourselves hoarse.

Fraternities End Their "Hell Week" Activities

Once again it is pledging time on the Stout campus. Since last Thursday night the pledges of the five fraternities have been observing the so-called "Hell week."

New members of the Chi Lambda fraternity are Ron McCreedy, South Milwaukee; Ron Johnson, Iron River; Joe Figlmiller, Eau Claire; Bob Carlson, Peshtigo; Jesse Meloling, Menomonie, and Al Schroeder, Puloski.

The Chi Lambda fraternity again has been having pledge week as "Hell week." The activities of the pledges are designed to help the fraternity, the college and the community. At the end of the pledging period, a banquet will be given in honor of the new members.

Tom Wright is the pledge master. Pledges were designated by the traditional pledge pins.

Nine Stout fellows pledged the Delta Kappa fraternity. They are as follows: Jerry Holubets, Marshfield; Ron Unertl, Mosinee; Charles Krueger, Milwaukee; Bob Wernsman, Milwaukee; Don Hanson, Menomonie; Don Betts, Menomonie; Jim Loomis, Wausau; Ken Bonner, Beaver Dam, and Ralph Troeller, Robicon.

DK pledges have been wearing their pledging outfits which are the red hats and sashes at the waist.

The Delta Kappa pledge master is Jerry Kain.

For the past week, six Stout fellows have been kept busy by the FOB pledgemasters Charles Pinkepank and Jerry Stauffacher.

These pledges are Peter Grace, Beaver Dam; Dexter Defnet, Antigo; Lyle Buss, Menomonie; Ronald Young, Whitehall; Don Keller, Wausau, Minnesota; and Hank Arent, Minneapolis, Minnesota.

FOB pledges have been performing the following duties for the past week: shining member's shoes, rolling cigarettes, did not shave for the week, eating one square meal at the girl's dorm, presenting a skit for members, addressing all members as Sir or Mister, and any other odd jobs for the members. At all times they could be identified by the wearing of the T-shirt, a black bow-tie, derby and coonskin coat.

Dave Birch, Holcombe; Darrell Grosskopf, Wausau; Jack Gustafson, Milwaukee; Stan Hilgendorf, Tomahawk; and Ken Maahs, Wausau are the second semester pledges of the Phi Sigma Epsilon fraternity.

The Phi Sigs have been keeping the pledges busy at the many jobs this past week which could be observed around the campus. The Phi Sig pledges have been wearing white shirts, red western bow ties, straw hats and they carried canes and signs.

Pledgemasters were Bernard DeRubeis and Dennis Challeen. Other members of the pledging committee were Webb Hart and Rich Koenig.

Seven men have been pledging the Sigma Tau Gamma fraternity this past week, under the guidance of pledgemaster Gerry Porter. The six pledges, easily identified by their blue and white helmets and shields, white shirt and blue tie, are as follows: John Abrams, Milwaukee; Denman Chase, Wausau; Clyde Johnson, Mitchell, South Dakota; Harold Johnson, Winneconne; Steve Munson, Red Wing, Minnesota; Dave Oswald, Forest Park, Illinois; and Chuck Wrobel, St. Paul, Minnesota.

The Sig Tau pledges could usually be found on guard in front of Harvey memorial.

BULLETIN BOARD

Stout students over 21 years of age, who have been living in Menomonie for more than 10 days, and who have been residents of Wisconsin for one year will be allowed to vote next Monday on the high school referendum. Voting will take place in the high school gymnasium. The last time the referendum came up for a vote, it was decided by a small majority. All students that can possibly vote are urged to do so.

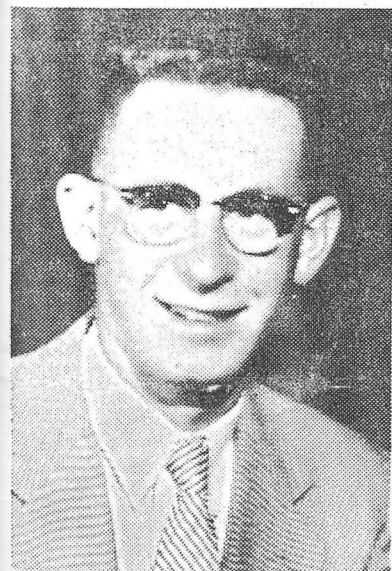

Mary Hitesman gets a ride from Jack Gustafson, a pledge for the Phi Sigma Epsilon fraternity. The rickshaw and elevator service were just some of the courtesies offered by the pledges during "Hell week."

Richard Van Doorn Is Killed In Auto Accident

Fatal Accident On Highway
29 Claims Life Of Junior
Class Stout Student

Tragedy saddened the campus of Stout state college when Richard Van Doorn, junior student from Tony, was killed this past week end in an automobile accident, and Caroline Wettstein, New Holstein, and Joan Burke, Braham, Minnesota, were painfully injured.

The accident occurred on highway 29, west of Chippewa Falls. Another

RICHARD VAN DOORN

Young lady riding with the Stout students, was also killed, and the driver of their car, a young man not attending Stout, was hurt.

Richard Van Doorn was the son of Mr. and Mrs. Corneius Van Doorn of Tony.

During his high school days there, he was very active in 4-H club work and participated in athletics.

Richard was well liked by many Stout students, and he will be greatly missed by many of his fellow students and faculty.

Many students and alumni of Stout will remember his sister, Kathryn Van Doorn, who graduated last June.

Kathleen Keliher receives the award from Dick Lowry on behalf of the Delta Zeta sorority for the most humorous entry in the F.O.B. Stunt nite.

HEIDELBERG TEA TO BE PRESENTED BY DRY SIGS

Extra! Extra! Flash! A late bulletin just released from the Dean's office reports that the Dry Cigma sorority has discovered a still being operated by the Dizzy sorority in Harvey memorial.

This atrocious behavior has led the administration to take disastrous steps. This exposure was done by the Dry Cigma sorority. In their weekly prohibitionist drive, members of the sorority discovered the still late yesterday afternoon behind the grand piano. The members reportedly were searching for a schooner left in Harvey by a member of the Awful Full sorority.

When questioned about the matter, the Dizzy's stated the still had been set up for the annual Heidelberg tea which the sorority will put on March 11.

After the tea, the sorority was planning on selling the condiments on black market to the Alfalfa Cigma sorority. The Alfalfa Cigs were in turn going to export the ingredients to the fraternities. The final outrage of the investigation is unpredictable.

It has been rumored that the sorority has hidden some of their product and, regardless of the consequences, are going to give it away to the student body on March 11. Be sure to be at Harvey memorial at 3:30 to see what will happen.

DAUGHTERS TO HOST MOTHERS AT BANQUET

Tomorrow night the gals of Stout state college will be having their mothers as their guests at the annual Mother-Daughter banquet. "Queen for a day" is the decorations theme around which this year's banquet will center.

It will be held at Peace Lutheran church beginning at 5:30 p.m. Approximately 300 people will be served. There are no more tickets available.

Comprising the program is a solo by freshman Carol Geurink accompanied by Pat Wenner. Alice Johnson and Bev Voight will perform a special novelty number. Group singing will be led by Betty Jane Sandstrom.

Toastmistresses for this important social event are Carol Smith, YWCA president, and her mother, Mrs. Smith.

Decorations will consist of gold crowns and pink carnations on the tables.

Following the banquet the Home Economics club will present a miniature version of the big style show set for the open house week end. Marilyn Utter will be the narrator. Co-chairmen of the style show are Alice Cramer and Alice Weltzin.

Members of the YWCA have been working very hard on the banquet for the past three weeks. Carol Heins was general chairman. Assisting her were Avalene Drake, publicity; Joyce Kersten, decorations; and Ellen Terry, tickets.

Home Economics club members will be selling "Stout's favorites" cookbooks following the banquet tomorrow evening.

Stunt Night Festivities Enjoyed By All Attending

DZ's, ASA's Alpha Phi's and Lynwood Hall Men Win The Highest Honors

Amid screams of happiness and excitement, the winners of the Stunt night festivities were announced to an auditorium packed with enthusiastic Stout students. There were two categories, most humorous and most beautiful, and two prizes were awarded for each group.

Delta Zeta sorority took first place in the humorous division with their rollicking interpretation of "Alas good knight." Second place was awarded to the rough and ready boys from Lynwood hall in their presentation of "That was your life."

In the most beautiful category, Alpha Sigma Alpha received first place for their very touching rendition of "The story of the three bells." The story of Christ's suffering on Calvary and of His tender love for His mother was beautifully depicted in the second place "And let there be light" which was presented by the Alpha Phi sorority.

Something new was added this year when an "Oscar" was given to the person giving the outstanding individual performance. There was little doubt in the mind of the spectators that the gallant little knight, Santa Clause, would receive the award. Kathleen "Kelly" Keliher was the actress who kept everyone in suspense and laughter and who received this high award.

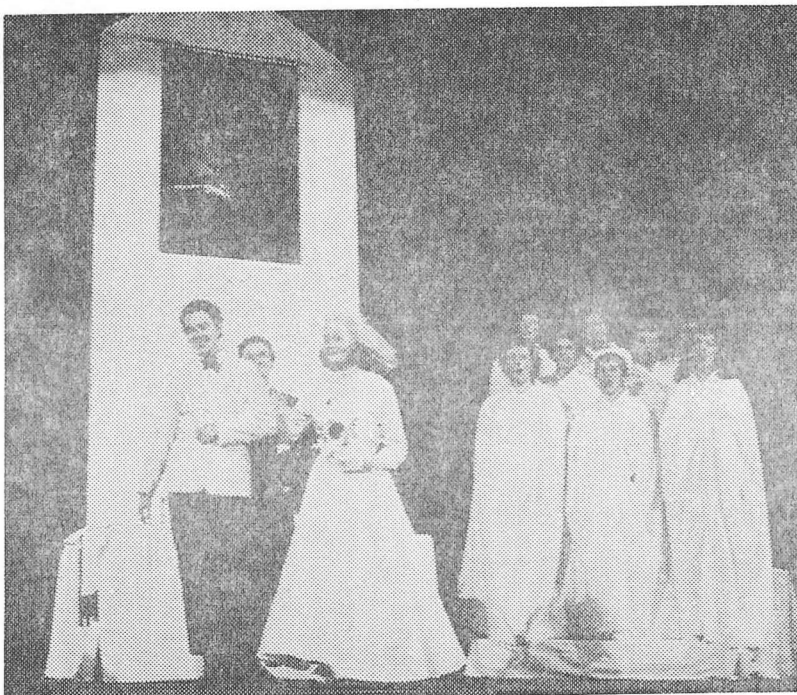

These were the winning performances and no one will dispute the fact that they were beautifully done. Each act that was presented showed the effects of lots of hard work, practice and planning.

Masters of ceremonies were the inimitable Dale Hammerschmidt and Willie Foster. Their lively antics and

jokes kept everyone at attention throughout the evening.

Providing the beautiful organ music in the background was Pat Wenner. Her playing did wonders in keeping everyone in tune during the "community sing" that was held after the skits had been presented.

To all the members of the FOB must go a word of congratulations as once again they presented to the Stout student body a program in which all could participate, all could enjoy and all could share a feeling of pride for their fellow classmates.

Winner of the most beautiful category in the annual F.O.B. Stunt night, is the Alpha Sigma sorority's presentation of "The Story of the Three Bells."

THE STOUTONIA
Stout State College Menomonie, Wisconsin

Member
Associated Collegiate Press

Printed and published by the students at Stout State College every Friday morning during the school year, except on examination days.
Entered at the post office, Menomonie, Wisconsin, as second class matter.

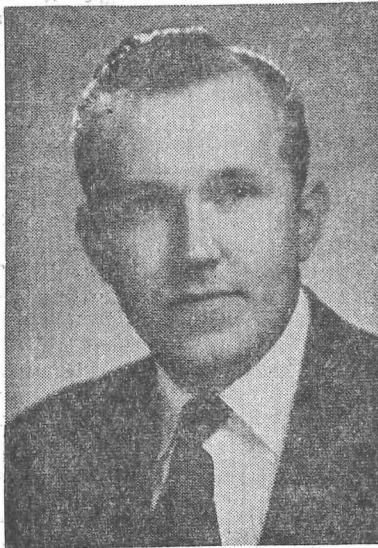

The Stoutonia is a little more than just a newspaper; it is an educational experiment. It is written to inform, enlighten, and to give its staff members experience that conforms to good journalistic principles and practice.

SILLY STOUT STUDENTS. . .

Following last week's editorial "Silly Stout Students," the editorial staff once again receive a few criticisms, some in favor, and some against. A few students still resent the attack of the editorial staff on the student body. It is our belief that Stout students are no worse than students in any other college, however, it is also our opinion that they are no better. In editorials earlier this year, the STOUTONIA tried, but to no avail, to stir up the student body in one of its greatest faults, that of school spirit. It is through this present series of editorials that the STOUTONIA hopes to instill a little pride into our school which certainly has much to be proud of.

One student did not approve of pledging activities and drinking in his letter to the editor which read as follows:

"I think your persisting editorials on 'Silly Stout Students' is quite impressive, but I would like to see you make a few additions if you regard the following circumstances as silly:

I must admit that talking in the library or putting your feet on a chair is uncalled for, but have you ever noticed the utterly assinine, childish antics displayed by fraternities during pledging? I remind you of the traditional fight that occurs in the circle . . .

Also, if you want to see something really silly, drive out to one of the notorious 18 or 21 year-old beer dives some weekend night and observe fellow students planning their teaching and professional careers by getting disgustingly drunk!

Consider these if you will. Are they representative of mature-minded persons . . . or are they silly?"

This is the complaint of one student. I am sure that several others have complaints which are just as sincere. Why keep these peeves to yourself? If you wish action, write a letter to the editor. All that is required is that he knows who the author is. Names will be with-held upon request.

CLUB NEWS

Discussion and extension of pledging duties lead by Tom Wright, pledge master, dominated the order of business at a Chi Lambda meeting held recently. Those pledging include Robert Carlson, junior from Peshtigo;

Joseph Figlmiller, sophomore from Eau Claire; Ronald L. Johnson, freshman from Iron River; Ronald McCree, freshman from South Milwaukee;

Jesse Meloling, sophomore from

Menomonie; and Alvin Schroeder, junior from Pulaski. A formal initiation banquet will be held March 12 in honor of the new members.

After much deliberation, the fraternity voted unanimously in favor of accepting the proposed constitution of the Interfraternity Council.

Election of two Chi Lambda representatives to IFC followed. It was decided to have a senior and a junior representative. . . Paul H. Smith and Dave McNaughton, respectively.

"The heart is a rebel", a Billy Graham film, is being presented by the Stout Christian Fellowship, Tuesday evening, March 10, at 7:30 p.m. in room 411, Harvey hall.

A Christian's answer to life's fears, frustrations, and anxieties is shown in this film featuring a young executive and his wife who have a son with an incurable heart disease. "The heart is a rebel" portrays how they faced life with an enormous and serious problem.

This all school function—free to students — is put on annually by SCF. Don't miss this evening of interesting and worthwhile entertainment!

Members of Tri Sigma met February 26 to discuss and make plans for their many future events.

Tri Sigma members and pledges have been selling corsages for the mothers who will attend the Mother-daughter banquet. Also on display were tailor's hams, selling for one dollar apiece. Orders are still being taken for this essential sewing item.

Bonnie Conrad, a sophomore from Milwaukee, is Tri Sigma's candidate for SSA treasurer. Watch for us in our charcoal blazers for we will soon be serenading.

Initial plans were laid for Tri Sigma's Founder's day which will be celebrated April 19 at Jeatran's with a dinner and a program. Committees were also informed of their duties for the annual dinner dance.

SCHULTZ BROS. CO.
MENOMONIE • WISCONSIN

Your SSA Reporting

The Stout student association's many hours spent on a re-evaluation of the constitution of the Association has finally come to a climax with the voting for several new amendments on February 27 and March 2.

We find that we no longer have a Student Governing Board, but a **Student Senate**. (a change made by the amendments)

The new amendments to the constitution are expected to have three main objectives; the first of which is to give more prestige to the **Student Senate**; the second is to give the Senate a better representation, and the third is to establish a committee system, which will relieve the **Student Senate** from an over-load of social activity work, and provide for more efficient organization.

The following changes were voted:

1. Change the name of Governing Board to The Student Senate.
2. Class representation will consist of:
4 seniors
3 juniors
2 sophomores
2 freshmen
3. The upper three classes will have voting power and will be known as Senators.
4. The freshman class and the resident halls will not have voting power and will be known as Representatives.
5. Officers:
a. A petition bearing the names of 100 students who are members of the Student Association in lieu of the present 25.
b. Members of the association in signing these petitions will limit their signatures to one for each office.
6. Senate representation:
a. Candidates for the Student Senate will be nominated by their

NEWS OF OUR ALUMNI

Edna Allen McMillan is homemaker at Central high school in Flint, Michigan. Edna, who graduated from Stout in 1939, resides at G4383 Beecher Rd., Flint 4, Michigan.

Industrial arts instructor and director of the year round recreation program for the Fox Point Bayside school district in Milwaukee is Delbert R. Lindbloom (B.S. 1949). The

WOMEN'S 2nd SEMESTER DEANS LIST RELEASED

These are the women whose scholastic achievements have earned for them inclusion on the dean's scholastic honors list of Stout state college. To be eligible for the list, a student must have compiled a scholastic average of 3.5 or higher during the preceding semester.

Women named to the dean's list for the school of home economics include, Seniors, Carol Bibby, Wilhelmine Claseman, Diane Davis, Louise Grant, Lillian Holst, Opal Burton Kunz, Patricia Soldner, Beverly Spry; Judith Stignani, Gloria Walstad, Barbara Williams, Loretta Sletten Wittig and Mary Parkel.

Juniors are Donita Beguhn, Joyce Kersten, Laura Kiel, Marilyn Kliest, Alice Schweizer, Judith Steiner, Rita Todd and Aice Weltzin.

Sophomores are Beverly Day, Agnes Falkowski, Ann Hedler, Margaret Johnson, Jean Owen, Shirley Peil, Bonita Standaert, Gloria Sutton, Rose Ann Tiller, Carole Waterstreet, Mary Weiking and Mrs. Jean Zilisch.

Freshmen are Judith Bosanec, Judith Carlson, Nancy Fox, Judith Hess, Karen L. Johnson, Rosalie Kilbourn, Judith Lee, Mrs. Jean O'Neil, Sandra Setter, Mrs. Wyla Vasey and Karleen Wiechmann.

Of the aforementioned coeds, these have been eligible for the honors lists at least two consecutive semesters: the Misses Bibby, Claseman, Day, Grant, Hedler, Holst, Johnson, Kersten, Kiel, Owen, Parkel, Schweizer, Soldner, Walstad and Weiking.

Lindblooms' and sons James and John live at 5855 N. 40th St., Milwaukee 9, Wisconsin.

1958 Stout grad Duane A. Wicklund, is doing topographic mapping for a United States geological survey for the Department of the Interior. R. 2, Braham, Minnesota, is his address.

Sister Mary Cordia (M.S. 1955), is teaching home economics at the Academy of Our Lady in Chicago. Her address is Academy of Our Lady, 1309 W. 95th St., Chicago 43, Illinois.

1705 Darst St., Charleston 1, Virginia, is the address of Reuben Carp. Reuben, who graduated from Stout in 1935, is teaching printing and mechanical drawing in Kandwa County, West Virginia.

Mr. and Mrs. Dan Jeatran of 130 W. Chateau Place, Milwaukee 17, Wisconsin, have two daughters, Julie, and Jane. Dan (B.S. 1952), is instructor of hotel and restaurant cooking at the Milwaukee schools of vocational and adult education.

Mrs. Makin Ender (nee Ardelle Gossell, B.S. 1956), is homemaker teacher at La Crosse. The Enders have their home at 1612 Barlow St., La Crosse, Wisconsin.

Consumer education agent for Purdue University is 1953 Stout grad, Dorothy Messerschmidt of 4029 Meadows Drive, Apt. A-2, Indianapolis 5, Indiana. Dorothy, whose work consists of newspaper, radio and television communication, is a home economist for Purdue Extension service.

STOUT ALUMNUS GIVEN POSITION IN HAWAII

Correspondence naming a delegate to represent Stout state college at the recent inauguration of a new president for the University of Hawaii reveals that the delegate, Albert J. Feirer, a former Menomonie man and alumnus of Stout, has been elevated to deputy superintendency for vocational education in the department of public instruction of the territory of Hawaii.

At the same time, information was received that Lucian J. Paulus, also a Stout graduate, has been promoted to the position of director of trade and industrial education for the territory, the position formerly held by Feirer.

Feirer, son of the late Councilman and Mrs. John Feirer, long time Menomonie residents, was educated in the Menomonie public schools and then entered Stout, from which he graduated in 1935. He went directly to Hawaii, teaching first junior high school and then senior high until the outbreak of World War II.

He entered the war effort in industrial production work at Hickam Air Base, but was called back into education to help establish the War production training program at Pearl Harbor Naval shipyard. In November, 1942, he was appointed territorial assistant director of trade and industrial education and was named director in 1947.

In his present position he is responsible for the following programs and services in the territory's vocational division of the Department of public instruction: agricultural education, business education, home economics education, trade and industrial education, industrial arts education, occupational information and guidance and the public school lunch program.

Albert Feirer's brother David is also situated in Hawaii, principal of a vocational school in Honolulu. Both are graduates of Stout state college, as is another brother, Dr. John Feirer, head of the industrial education department at Western Michigan university. Their sister, Mrs. Jack Fuller, Cedar Falls, holds Stout's home economics education degree and teaches that subject at the Boyceville high school. The other member of the family, LaVerne, is a sales representative in Stevens Point.

Albert Feirer's wife is a girl whom he met in Hawaii; they have one son, 10 year old John. In addition to his Stout degree, Albert has completed his fifth year professional certificate for the Territorial department of public instruction and has done additional graduate work at the University of Hawaii.

Lucian Paulus, a Stout graduate of 1931, is responsible as director of trade and industrial education for promoting and administering that program of education in the Hawaiian public schools.

He, too, located in Hawaii immediately after college graduation and has had experience in Hawaiian intermediate school, high schools and technical schools. From 1947-49 he was apprentice supervisor for the Territorial department of labor and industrial relations.

In 1949, he was made assistant director of trade and industrial education and, in 1957, accepted the position as director of industrial arts education. His most recent title is that of director of trade and industrial education.

Married to a Stout home economics graduate, the former Emily Vorachek, the family has a daughter 15 and a son 13. Mrs. Paulus is a teacher in Kalani high school in Honolulu.

Mr. and Mrs. Robert Rudiger and daughter are served by Glenn Harke at the F.O.B. Milk bar held in Harvey memorial last Thursday.

ALPHA PSI OMEGA MEMBERS TO PRESENT ROSSUM'S UNIVERSAL ROBOTS NEXT WEEKEND

It's coming! R.U.R., a Czech play by Karl Capek will be presented March 12, 13, and 14. This play gives us an inside picture of what could happen in the future age of robots.

The name R.U.R. is a trade abbreviation of the longer name, "Rossum's Universal Robots". This play is often mentioned in books on play production, and classes in high school and college read this on a required basis as an example of expressionistic drama.

When the Theatre Guild produced this on October 9, 1922, it was popular enough to play until spring, and it was included in the Burns Mantle Best Plays as one of the best ten of 1922-1923. The reviews referred to it as a "continental novelty", "fantastic melodrama", "weird drama", and "socialistic satire". "All sorts of symbolic meanings may be read into this play by the spectator possessed of an active and sympathetic imagination. It projects the discovery of and experiments with a formula by which human beings, perfect in all ways except their lack of souls, are experimented to an acceptable, if not altogether reasonable, conclusion." In Frank Whiting's book, *Introduction to the Theatre*, he writes, "Expressionism also took root in Czechoslovakia, especially in the work of Karl Capek (1890-1938), whose R.U.R. has been a popular favorite in America. (Earlier this year Stout state college entertained the audience with the play, *The Rivals*, which was directed by Professor Whiting from the University of Minnesota).

Now, Stout state college presents the play R.U.R., Thursday, Friday, and Saturday evenings, March 12, 13, and 14 next week. The curtain goes up at 8:00 p.m. each evening. Tickets can be purchased in Harvey Hall this coming week.

Five seniors finished college basketball careers in Stout's upset of La Crosse 78 to 77 Monday. Left to right are Herb Helm; Bill Kindschy; John Peterson, Brian Howard and Robert Sorenson.

Bob, Brian, Herb, John & Bill Complete Careers

Stout concluded its basketball season Monday night by beating La Crosse 78 to 77. With this flash of glory, five players who have contributed their time and effort for our enjoyment, passed into history. They are Brian Howard, Herb Helm, Bob Sorenson, John Peterson, and Bill Kindschy.

All are six foot one or more, so the average guy sees the tower halo around their heads, as well it should, for these men have been our ambassadors to the other state colleges and their actions spell out our standards better than propaganda pamphlets.

Brian Howard is from Chetek, Wisconsin, and has been our forward of six foot three, two hundred and five pounds for three years, as has Herb Helm from Winneconne, Wisconsin, who is six foot one, one seventy

pounds. Bob Sorenson racks up the same weight and height as Helm, but came to Stout by way of Milwaukee to become one of our best forwards. John Peterson at six foot two inches and one eighty pounds was scoring against his home town team Monday night, but that fact didn't affect his aim. Bill Kindschy is last but not least for he has not only put two years in as our center, but also used his two-ten pounds, six foot two on the gridiron.

These men will carry away a raft of letters and a few memories, but mainly they will leave with the respect and admiration of every student who has attended a game within the last three years.

Anything else said about these departing seniors would be superficial and anticlimatic, except thanks from everyone connected with Stout and an extended invitation for you to return to see your successors try for the evasive hoop.

TENNIS, GOLF, BASEBALL AND TRACK NEXT

Baseball, track, tennis, golf and a complete round of intramural activities will be the offerings in the Stout spring sports program. Two new area coaches have been jointly announced by the president's and athletic offices.

Robert Melrose will lead the newly-introduced track and field program. Track will be offered on an intramural basis this year. But, if any members show outstanding ability they will be sponsored by the school in track and field meets during the spring campaign.

Donald Severson has been named head coach of the baseball team. Severson will be in the capacity of student coach in this area. Duke, as he is more commonly referred to, has had two years of professional experience in this field.

Last year's student golf coach will again head the team this season. Robert Eggleston, who contributed of his talents in this position, will be a student, player and coach of the linkmen. (Triad)

Lloyd Hoeffner, one of the outstanding men of the tennis team last season, will return as the netmen's coach this year. Hoeffner, a junior, will have the title of student coach.

Harry Miller, assistant chairman of the intramural program, has a diversified spring offering with softball, archery, horseshoe pitching, angling, including: spinning, plug casting and fly fishing; and co-educational golf and tennis. Something for everyone this spring.

MATMEN TAKE SUPERIOR SWEEP LAST FIVE

The Stout wrestlers pulled a Cinderella finish in defeating the Superior Yellowjackets 19 to 14 in a dual contest at Superior last Saturday. After dropping the first four matches and down by a 14 to 0 count, the Blue and White buckled down to the business at hand and swept the next five weight divisions for a total of 19 points.

Kozeohiviey (Sp) decisioned Tubbs (S) in the 123 pound class; Kangas (Sp) decisioned Anderson (S) in the 130 pound weight; McMinn (Sp) pinned McNaughton (S) for the 137 pound honors.

Whitehead (Sp) decisioned Holubets (S) in the 147 pound division; Keller (S) decisioned Mauno (Sp) in the 157 pound class; Buss (S) pinned Kevan (Sp) in the 167 pound weight.

Stephenson (S) pinned Verles (Sp) for the 177 pound honors; Kain (S) decisioned Kalerick (Sp) in the 191 pound class; and Leu (S) decisioned Taune (Sp) in the heavy weight match.

Raczek of Stout pinned Munio of Superior in a heavy weight exhibition match.

BLUEDEVILS IN UPSET DUMP LA CROSSE 78 - 77

Cold, shaky, stupendous and colossal are but a few adjectives to describe Stout's amazing triumph over La Crosse state college, 78-77, Monday night at Menomonie. Closing out a brilliant basketball career at Stout, Bob Sorenson held the game's scoring honors with 19 points.

First Half

In the last game of the season for the Blue Devils, everything seemed to go wrong the first half. Although the Blue-White scored first to take the opening points, La Crosse began to run up an early lead.

Ten of Stout's first twelve points were scored from the free-throw line. Coach Bostwick's men couldn't beg or borrow a field goal as the evasive hoop seemed to be moving away from their shots. At this point the Indians held a lopsided 25-12 edge.

Hillman, Korpela, Peterson, Severson and Sorenson kept Stout within striking range for the remainder of the first half. When the teams trotted off the floor at the half, the gap had been closed to a 43-33 La Crosse lead.

Second Half

La Crosse started the half by scoring first, only to have Hillman retaliate with two for Stout. The Indians then jumped to a sixteen point lead, 51-35.

Somewhere out on the floor a spark was set off by Stout's patron saint—Johnny Blue Devil. The hoop no longer seemed to move away from the basketball as Stout closed the gap.

With a little over ten minutes left in the game, the Blue-White had cut the margin held by the Indians to six points. La Crosse now only led 60-54.

A field goal here, a jump shot there, a free throw, and a hook by Seggelink dwindled the score to a few points.

With two minutes left in the season Stout's tremendous Blue Devils were only trailing by one point, 75-74. In the last eight minutes of play the student body was near hysteria as they sensed a win, but better yet, an upset to end the season.

Howard shot Stout ahead by one tally, 76-75, as a tremendous roar was voiced by the peppy students. Then the shook-up Indians retaliated with two to take the lead, but not for long.

Bob Sorenson, who hit eight of Stout's last twelve points, connected for his final game-winning, career-ending canto, to give the Blue Devils their one point triumph and the Indians' scalp.

With less than one minute left in the game La Crosse missed a basket and failed to control a very important jump. Fantastically Stout had won, 78-77, over the strong and mighty La Crosse Indians.

WRESTLERS TO STEVENS POINT IN WCC MEET

The Blue Devil wrestling team will leave for Stevens Point at 4:30 a.m. tomorrow morning to participate in the WCC meet. Nine men, coach Milsted and manager Monte McDonald will make the trip.

Five members of the Wisconsin college conference will enter teams in the meet. They are: Stevens Point, River Falls, Superior, U of W Milwaukee and Stout. The Blue Devils have met all of these teams in dual and invitational meets this year.

The Blue and White split with River Falls in two contests, the Falcons winning the first outing 16 to 14 and Stout reciprocating with a 23 to 10 win in the second contest. The Blue Devils defeated Superior in both encounters, 24 to 14 and 19 to 14. Stevens Point was a 23 to 13 victor over Stout in the two team's only meeting of the year in dual meet competition. Milwaukee and Stevens Point both finished above Stout in the Stevens Point invitational.

The Blue Devils will not have an entry in the 123 pound class. Anderson (2-2) will go in the 130 pound division. McNaughton (1-3) will be the entry in the 137 pound weight. Holubets (7-4) will go in the 147 pound weight.

Keller (2-2) will be entered in the 157 pound class. Buss (8-6) will go at 167. Stephenson (10-3) will represent Stout in the 177 pound division. Kane (3-0) is slated for the 191 pound weight and Bob Leu (2-2) will be the heavyweight entry.

SUPERIOR GAINS 77 - 65 VICTORY OVER STOUT

The Superior Yellowjackets made it two straight over Stout this season with a 77 to 65 victory at Superior Saturday night. In their first meeting this year Superior came from behind to win a thriller 81 to 80 at Menomonie.

Brian Howard led the Stout attack with 8 field goals and 3 free-throws for a total of 19 points. Jack Evans of Superior led both teams with 34 points in 16 field goals and 2 free-throws.

The Blue Devils boasted a 21 to 17 lead after the first 10 minutes of play. Superior outscored the Blue and White 23 to 13 during the second ten minutes and left the floor with a 40 to 34 half-time lead.

The Yellowjackets moved to an 8 point margin at the three-quarter mark and wound up the contest with a 77 to 65 win. Stout and Superior both shot 37 per cent from the field during the first half. The Blue Devils dropped to 27 per cent for the second stanza and Superior improved their shooting to 38 per cent. This proved to be the margin of victory.

The Blue Devils meshed 17 for 26 from the gift line as compared to 15 for 25 for Superior. The Yellowjackets had 31 goals from the field and the Blue and White could muster only 24. In the foul department Superior had the edge with 22 and the Blue Devils committed only 20 infractions. Box score

SSA Candidates Announced

PRESIDENT CANDIDATES

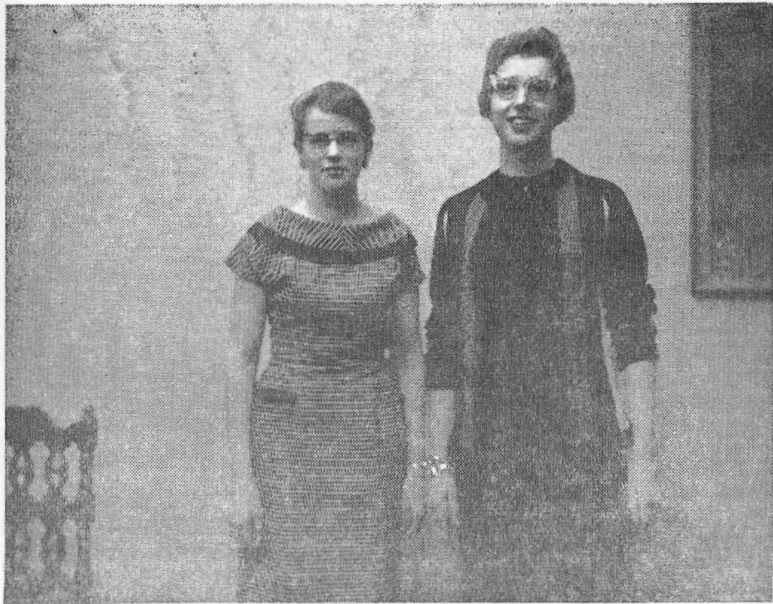

Bob Gannon, Helmuth "Pookie" Albrecht and Dale Hammer-schmidt are the candidates for SSA president.

VICE - PRESIDENT CANDIDATES

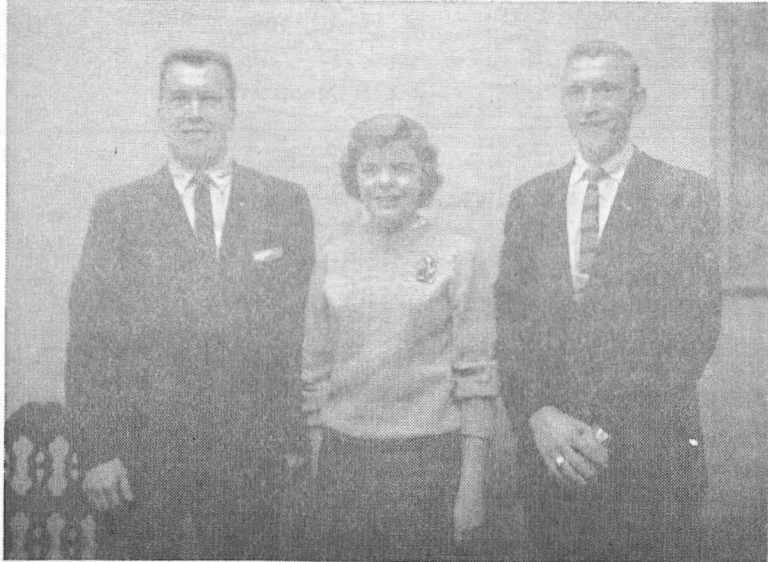

Relaxing before they begin campaigning for SSA vice president are Dorothy Grundmann and Fred Schleg.

SECRETARY CANDIDATES

Competing for secretary of the Stout Student Association are Avis Cahill and Pat Wenner.

TREASURER CANDIDATES

Charles Bartell, Bonnie Conrad and Bob Danielson will begin campaigning tomorrow for SSA treasurer.

PRESIDENT

"I believe that with the experience that I have, I am qualified for the office of president and will be able to carry out the duties of this position effectively. I also believe that with my present position on the governing board, I have become acquainted with the needs and desires of the student body." So speaks Helmuth "Pookie" Albrecht of Winthrop Harbor, Illinois, who is one of the three candidates for the SSA presidency. Pookie is a junior this year and is currently the SSA treasurer. He is a member of Sigma Tau Gamma social fraternity and held the position of vice president of the sophomore class.

Robert Gannon from Park Falls, Wisconsin, is another of the candidates for the SSA presidency. Bob is a junior and has been active in Alpha Phi Omega, Chi Lambda, Newman club, and all school activities. He has served as both president and vice president of Alpha Phi Omega, president of band, and has held important positions on the Newman club governing board. Emceeing programs and leading group singing are two of Bob's favorite pastimes. Bob feels that his past experience in leadership plus his willingness to get to the root of the problem and speak up about it make him a qualified candidate for the student presidency. "I have the desire, qualifications, and experience to successfully do the job as your SSA president."

Coming from the second largest state in the union is Dale Hammer-schmidt, a junior from Fritch, Texas. Dale is a member of the Phi Omega Beta fraternity, is secretary-treasurer of the Radio Electronic club, and is a member of the Arts and Crafts club. A veteran, Dale served with the Marine corps in Korea. "The duties of the SSA president are largely administrative, therefore, I feel that the ability to direct and incorporate the cooperation of the student body in carrying out the functions of the SSA are the primary qualifications to be sought in a president. It is on this basis that I feel qualified to represent the student body in this position," Dale is quoted as saying.

VICE PRESIDENT

Dorothy Grundmann, junior from Waukesha, Wisconsin, is vying for the SSA vice-presidency. Dorothy is a member of the Home Ec club, Phi

Upsilon Omicron, Alpha Sigma Alpha, Gamma Delta and Who's Who in American Colleges and Universities. Besides these activities, Dorothy has been extremely active in school affairs and has been a representative to the student governing board both her sophomore and junior years. In stating her qualifications for the vice-presidency, Dorothy says, "After being a class officer and after having served on the governing board for two years, I feel that I have the experience and information necessary to adequately fulfill the responsibilities required of the position of SSA vice president. Through these experiences, I feel that I have come to understand the needs and desires of the student body."

Dottie is also a member of the Northwestern Wisconsin student government association, and Stout's representative to the constitution committee.

Sheboygan, Wisconsin, is the home town of Fred Schleg, candidate for the vice-presidency. Fred is a member of Phi Omega Beta and is vice president of the sophomore class. Four years of Fred's life have been spent with the Navy in the Far east. He has been very active in church and youth organizations at home and he says, "I believe that my experiences in working with people, both in civilian and military life, gives me a broad understanding of the many problems faced by our student body. Serving as sophomore vice president has also given me experience that I feel would be of value to the governing board."

SECRETARY

Avis Cahill, a junior from Bayfield, Wisconsin, is a candidate for SSA secretary. Avis is a member of the Delta Zeta sorority, Home Ec club, Synchronized Swimming, and is Eichelberger's representative to the SSA. Regarding the sought-after office, Avis has this to say: "I feel qualified to represent the student body on the governing board because I have been a representative to the board previously and I feel that I understand its functions well enough to know that wise leadership can fulfill the wishes of each and every student." Avis was also very active in high school, serving as class secretary for three years.

"Having represented the sophomore class on the student senate this year, I have had an opportunity to

become acquainted with the problems and duties of the representatives and officers. I am, at present, secretary of the sophomore class and feel as though this job could help me in attaining and qualifying for the office of secretary of the SSA. I would try my very best to work diligently for the organization." These are the words of Pat Wenner, sophomore from Rice Lake, Wisconsin. Pat is a member of the student senate, Newman club, Home Ec club and Alpha Phi sorority. This year Pat is a counselor at Tainter Hall.

TREASURER

Charles "Chuck" Bartell, a sophomore from Wausau, Wisconsin, and a member of Phi Sigma Epsilon, is a candidate for SSA treasurer. Chuck says, "I feel I am qualified for this position because I think that the main requirements for a good treasurer are interest and devotion to his job and the desire to serve the student body to the best of his ability. I sincerely believe that I can successfully meet these qualifications although I do not have a long record at other previous positions." Chuck is active in intramural sports and has served as both president and treasurer of the Phi Sigma house.

"I feel qualified to represent the student body on our governing board as a treasurer. To fill this position, I believe a person is needed who can offer some fundamental knowledge of the work involved and a willing spirit to give the proper time and energy to do a good job," says Bonnie Conrad, a sophomore from Milwaukee. Bonnie is a member of Sigma Sigma Sigma sorority, Home Ec club, Newman club and the Stoutonia. During her high school career, Bonnie majored in commercial courses.

Bob Danielson of King, Wisconsin, is the third candidate for the treasurer's office. Bob is a member of Sigma Tau Gamma and of the Lutheran Student Association. Bob is a veteran and is now in his second year here at Stout. In listing his qualifications for the job, Bob says, "I have been a student here for two years and feel that I know the student's problems and needs well enough to represent them in the capacity of an SSA officer. I feel that I have the experience necessary to fulfill the requirements of the SSA treasurer in that I have done accounting work for a private business and because I have the desire to serve the students properly."

Spring Play Is To Run For Two More Nights

Have you seen the annual spring play, R.U.R.? If not, get that ticket immediately! This fantastic melodrama is a play you won't want to miss! You will never live to see these weird characters of the future, but you can see them on the stage Friday and Saturday night at the final performances.

R.U.R. you may know, is the abbreviation for Rossum's Universal Robots and was written by the Czechoslovakian playwright Karel Capek. This story reveals what might happen if man tried to make robots to do all or his work for him. These powerful creatures compete with man in a terrifying revolution. Whether man or the robots win affords the excitement of this performance.

A cast of nineteen students and a large production crew have been working strenuously to make this play a success. There are two unusual settings which also add interest to the show.

Reserve seat tickets are being sold (free of charge upon presentation of your SSA card) in the corridor on first floor of Harvey hall. Why don't you pick yours up now? You'll never regret seeing R.U.R. Remember, the play is being presented again March 13 and 14, and the curtain goes up at 8 p.m.

The above Stout students, John Ong, grad student from Madison; Jane Waterpool, freshman from Eau Claire; Robert Pelton, sophomore from Mauston; and Dean Matzke, junior from Wausau; all are characters in the forthcoming Manual Arts Players production of ROSSUM'S UNIVERSAL ROBOTS. The play was first presented last night and remaining productions will be given tonight, March 13 and tomorrow evening, March 14. Tickets will be available at the door.

THE STOUTONIA

LETTER TO THE EDITOR . . .

"ARE STOUT STUDENTS SILLY?"

For the past few weeks, this column has been aimed at "silly" Stout students. It appears to me that the author of those articles does not know the meaning of the word "silly". Are their people in college who are stupid, weak in intellect or witless? I agree that improvements could be made concerning the mannerisms and actions of Stout students including myself. But why not use an appropriate word in discussing their faults?

Are students spending their weekends getting "disgustingly drunk"? The student or students who made this statement are using mighty strong words. Having a drink, dancing and mixing with fellow students is a far cry from getting drunk. Students are at college to obtain an education and part of this education is developing desirable social traits. (follows Woodrow Wilsons thinking) The percentage of students attending these respectable places of entertainment seems to prove they provide qualities for mixing as well as any other activities offered by Stout. If some students would wake up and enjoy this entertainment they would be exposed to a more balanced education.

I know Stout students are not perfect, but in trying to improve Stouts standards why not start with more common and serious faults. I believe more could be accomplished toward this goal by using a more definite and organized approach.

Willie Larkin

Chi Lambda pledges were formally recognized as members of the organization at last night's formal initiation banquet held at the Harbor Inn. Prior to the banquet, pledges were presented the formal initiation ritual, as revised by chairman Lloyd Hoeffner, in the Trustees room of Harvey hall. Important aspects of the annual Chi Lambda dinner dance were outlined by co-chairmen Al Mattson and Bill Bird at last week's meeting. Appropriate action was then taken by the organization concerning necessary preliminary arrangements.

Song chairman, Bob Gannon, has written several numbers to be used in conjunction with the many Chi Lambda social events during the year.

Presently, Bob is working with Jim Teske, campaign chairman, in formulating clever campaign songs and visual materials. Bob, as you may well know, is Chi Lambda's latest contribution to student government as he runs for the office of president in next week's SSA elections.

Avis Cahill, chairman of the Heidelberg tea for March 11, gave out assignments for the tea for each sorority sister at the Delta Zeta sorority meeting on March 5 in the audiovisual room of the library. Plans were made to proceed with the SSA campaign which will be held on March 18.

On March 7th the DZ's welcomed their parents to a coffee hour in the afternoon and took their mothers to the Mother-daughter banquet in the evening.

The Delta Zeta's closed their meeting by singing some of their favorite sorority songs.

The Alpha Sigma Alpha sorority is busy planning for the SSA campaign. Katchen Kubitz is chairman of the campaign. The week end of March 14-15, about ten Alpha Sigs from Stout plan to attend an ASA weekend at Stevens Point with other Alpha Sigma Alpha chapters from Wisconsin. Election of officers was held at the last meeting. Katchen Kubitz was elected president; the other new officers are vice president, Cynthia Goehring; secretary, Shirley Aitken; treasurer, Kay McSweeney; treasurer-elect, Avis Dutton; magazine subscriptions, Donna Dempsey; editor, Carol Bishop; song leader, Bev Voight; chaplain, Carol Barber; membership director, Pat Choitz; parliamentarian, Marilyn Schley. Installation of officers will be March 22.

Open house

SWIM CLUB CANCELS WATER SHOW FOR YEAR

Like so many other campus activities, (which have such poor student participation) the Stout Synchronized Swimmers regret to inform the students that the aquacade which was scheduled for March 19, 20, and 21, has been cancelled. We wish to thank Frank Zabo, our president, for all the time and effort he contributed to the group. Also we wish to thank Marilyn Young and Sarah Williams who helped write the script and the members who backed Frank up all the way. Thanks also goes to the members who faithfully attended the Synchro practices and who were willing to put the show on even with a small handful of swimmers. However, the officers feel it best not to have a show, than to have an under-cast, uncoordinated production which would be a disgrace to the club.

In order not to have our work go totally in vain, the club is swimming a few numbers (planned for the aquacade), Friday, March 20, for the open house. The time will be posted later, and admittance will be free. All are invited.

Again, thanks, for your effort and time, Synchro members, and here's hoping next year we can get off on a better foot and have a large, regularly-attended club.

BULLETIN BOARD

The Sigma Tau Gamma fraternity cordially invites all Stout students and faculty to attend its open house this Sunday, from 2 to 5 in the afternoon at 118 4th Avenue West.

Any mistakes in this Publication are deliberate. They were put there for the benefit of those who look for mistakes.

YWCA HOLDS ITS ANNUAL MOTHER DAUGHTER FEST

Over 300 mothers and daughters attended the Mother-Daughter banquet sponsored by the YWCA on March 7 at Peace Lutheran church. Despite the weather, mothers came from as far as Madison to feast on a delicious meal and enjoy a delightful program.

After the dinner, which was served very efficiently, Betty Jane Sandstrom led the audience in group singing. Mistress of ceremonies, Beverly Mortenson, extended a welcome to all those present, particularly the mothers. After a vocal number by Carol Geurink, accompanied by Pat Wenner, Carol Smith, president of YWCA, gave a toast of mothers. Her mother, Mrs. Byron Smith, in turn toasted the daughters.

The highlight of the program was a style show presented by the Home Economics club. To the theme "Stars of the future," forty select girls modeled garments they had sewn to their mothers. Emphasis was on variety, style and money saved in these hand-sewn garments. Everything from casual Bermudas to a bridal gown, the climax of the show, were modeled.

The great success of this banquet and program was dependent upon all the girls and faculty members who devoted so much of their time and effort to make it so. A special thanks is due to the YWCA advisors, Miss McCalmont, Mrs. Matthew Reneson, and Miss Anna Stensland; general chairman, Carol Heins; decorations chairman, Joyce Kersten; publicity chairman, Avalene Drake; tickets chairman, Ellen Terry; and their committee members. Special recognition is also due to Alice Weltzin and Alice Cramer and Miss Sarah Littlefield, chairmen and advisor for the style show.

Also working on the style show were Kay Vanda, script; Mary Metz, make-up and costuming; Irene Ketunen, publicity; Iloa Leu, director of models; Beverly Madsen, programs; Pat Wenner, music; Wyla Vasey, staging; Mary Gunderson and Mary Weiking, properties; and Marilyn Utter, moderator. Their job is only half done, for they are also in charge of the same style show to be done on a larger scale for open house on March 20. If the "sneak preview" viewed by the mothers and daughters is any indication of the caliber of the open house style show, it should be quite impressive.

Patricia Kachel, sophomore student at Stout, and her mother from Milwaukee pause to chat at the annual Mother - Daughter banquet held last weekend at Peace Lutheran church.

NEWS OF OUR ALUMNI

Homer C. Rose (B.S. 1931), has been appointed Acting director of training of the newly created Federal aviation agency. Mr. Rose was formerly Chief of proficiency development division, Civil aeronautics administration.

The new agency brings together several of the organizations concerned with aviation, including the Air

navy and air force are being assigned.

Teaching industrial arts and adult night school at the Arsenal technical high school in Valparaiso, Indiana, is 1958 Stout grad Jack Longshore. He lives at 107 Institute St., Valparaiso, Indiana.

L. S. Bush (B.S. 1948), is on the personnel administrative staff of the South Dakota School of mines. South Dakota School of mines, Rapid City, South Dakota, is his address.

Mrs. Sherman C. Lowell (B.S. 1938), now lives at 85 Aspin Wall St., Westbury, Long Island, New York. Her husband is a teacher in the applied math department of Adelphi college in Long Island.

Janice Jewel Hoemke (B.S. 1950), is a part time West Allis vocational school teacher. The Hoemkes and 4 year old daughter Beth Ann reside at 2854 No. 75, Milwaukee, Wisconsin.

Shop teacher, principal and senior class advisor at Whitehall memorial high school is Joseph G. Emerton (Dip. 1923). Box 101, Whitehall, Wisconsin, is his home address.

Herbert Brodt, 3228 Mars Ave., Eau Claire, Wisconsin, is employed by the Eau Claire board of education as an arts and crafts instructor. Herbert (B.S. 1953) and his wife have one son, Victor.

Mrs. Bert H. Wakeman (nee Eleanor Double, B.S. 1918), is an assistant dietitian at the Beloit municipal hospital. 1817 Chippewa Trail, Beloit, Wisconsin, is her home address. Eleanor has two sons, one a minister; the other a senior at the University of Wisconsin.

23RD DEADLINE FOR MEDALLION NOMINATIONS

Last year on Honor's day, nine students received the Stout Medallion for outstanding service. It is felt that this award will replace the small individual awards given to students from organizations.

The special award committee has met and is presently evaluating the purpose and significance of such an award.

Each service organization has been asked whether they wish to continue nominations for this award. The consensus of opinion was a unanimous yes. These service organizations include the athletic department, Stoutonia, Manual Arts Players, Stout music groups, Tower, Alpha-Phi Omega and the Stout Student Association. These organizations will nominate the person whom they feel is deserving of this special award. There may be five nominations for students at large. Any student may make nominations for these five awards. If you wish to nominate anyone, put his or her name and qualifications in the SSA mailbox by March 23.

STOUT TO HOLD ANNUAL OPEN HOUSE FRIDAY

Invitations have been sent out for the Open house of Stout state college which will be held next Friday, March 20. This big event, which is held every two years, will be attended by high school junior and senior girls from all over the state. Approximately 1500 girls are expected to partake.

The theme of this year's Open house is "Stairway to your future." The main feature of the day will be the style show presented by many members of the Home Economics club. The show will be presented at 9:30 a.m. and 1:00 p.m. Garments range from sports attire to cocktail dresses to the most cherished thing, a wedding gown.

Formal tours will be conducted throughout the building in the forenoon. In the afternoon, tours will be conducted through the dormitories, library and the 5th street Home Management house. The main exhibits in Harvey hall will also be open for informal viewing in the afternoon.

FRATERNITIES TAKE IN THREE NEW ADVISORS

Recently a few new faces, other than new pledges, have been attending the Delta Kappa and Sigma Tau Gamma fraternity meetings. These new faces belong to the new advisors of the fraternities. Mr. Wesley Face and Mr. Harold Halfin have begun their new duties with the Delta Kappa group, and Mr. Edward Morical has begun his work with the Sigma Tau.

It seems all the fellows on the campus know Mr. Face, as he is in his second year as the resident head of Linwood hall. Before coming to teach here, Mr. Face taught high school in Southern Illinois and in Manitowoc.

He received his B.S. at Northern state teachers college in South Dakota and his M.S. at Stout. Presently during the summers, he is working on his doctor's degree at the University of Illinois. Besides all these activities, Mr. Face finds time for wood carving, hunting, and fishing.

Also advising for the DK's is Mr. Halfin who is kept busy on campus teaching general metals, machine shop, and welding. Before coming to Stout, Mr. Halfin attended Fairmont state college in West Virginia and received his M.S. at Stout. Since then he has been a member of the faculty. His other activities include hunting and fishing.

Mr. Morical is an instructor here in auto mechanics. He graduated from Bemidji state college in 1951 and received his M.S. from Wayne university in 1957. Since then he has been here at Stout.

He is interested in all sports, especially as the part of the spectator, and he also spends part of his time working in plastics with model car designs.

Mr. Morical hails from Walker, Minnesota and is the father of two girls.

Pat Wenner, last year's Freshman Formal queen, crowns Audrey Vieths as the new queen. At Audrey's side is her escort Steve Munson.

FRESHMEN PICK AUDREY VIETHS AS QUEEN OF "GATEWAY TO DREAMS" HELD FRIDAY NIGHT

Dancing and Dreams highlighted the freshman formal Friday night in the Menomonie high school gym. The dancing was to the music of Guy Woodford and his orchestra, and the dreams were provided in the setting of silver and blue streamers which were draped from a cracked glass mirror in the center of the gym and other decorations centered around the theme, "Gateway to Dreams."

Five freshman girls composed the court of honor for this dance which was a highlight of the freshman activities here at Stout. There was Toni

Dewyer, a brunette with snappy blue eyes from Eagle River; Mary Luebke, a tall blonde from Manitowoc; Marge Mortimer, a peppy little brunette from Lombard, Illinois; Judie Renner, a brownette with a long pony tail from Waukesha; and Audrey Vieths, a tall, stunning brownette from Goodhue, Minnesota. These girls and their escorts were the center of attraction during intermission when Pat Wenner, 1958 Freshman formal queen, crowned Audrey Vieths queen of the 1959 Freshman formal.

WRESTLERS TO STEVENS POINT IN WCC MEET

The Bluedevil wrestling team will leave for Stevens Point at 4:30 a.m. tomorrow morning to participate in the WCC meet. Nine men, coach Milled and manager Monte McDonald will make the trip.

Five members of the Wisconsin college conference will enter teams in the meet. They are: Stevens Point, River Falls, Superior, U of W Milwaukee and Stout. The Bluedevils have met all of these teams in dual and invitational meets this year.

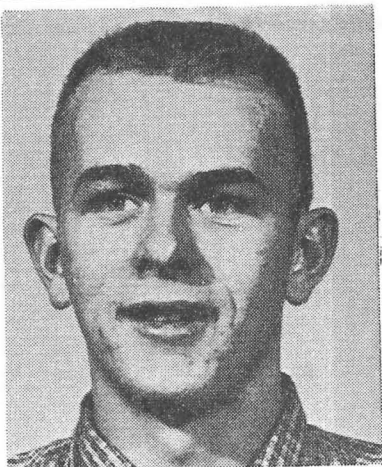

The Blue and White split with River Falls in two contests, the Falcons winning the first outing 16 to 14 and Stout reciprocating with a 23 to 10 win in the second contest. The Blue-devils defeated Superior in both encounters, 24 to 14 and 19 to 14. Stevens Point was a 23 to 13 victor over Stout in the two team's only meeting of the year in dual meet competition. Milwaukee and Stevens Point both finished above Stout in the Stevens Point invitational.

The Bluedevils will not have an entry in the 123 pound class. Anderson (2-2) will go in the 130 pound division. McNaughton (1-3) will be the entry in the 137 pound weight. Holubets (7-4) will go in the 147 pound weight.

Keller (2-2) will be entered in the 157 pound class. Buss (8-6) will go at 167. Stephenson (10-3) will represent Stout in the 177 pound division. Kane (3-0) is slated for the 191 pound weight and Bob Leu (2-2) will be the heavyweight entry.

SORENSEN 13TH IN WCC RACE, SEGGEINK 21ST

Sorenson scores 1,034 points at Stout in three and one-half years.

SORENSEN TOTALS 1,034 FOR CAREER AS 'DEVIL

Bob Sorenson was born in Menominee, Michigan, in 1937 and moved to Milwaukee in 1954 for his senior year of high school. While at Milwaukee East high school Bob distinguished himself as Milwaukee's All-city leading scorer. He was also elected captain of his team and of the all-city team.

Bob came to Stout in 1955 and played 13 of the scheduled 20 games for a total of 240 points. In 1956-57 he scored 293 points; 301 in 1957-58 and 299 in 1958-59.

Bob is 6'2" tall and played at both the guard and forward positions. He has a total of 1034 points for 3½ years.

STOUT HITS 72.4 AVERAGE, NETS 1522 FOR YEAR

Stout's basketball campaign is over and is in the books as a seven win, fourteen loss season. The statistics show why Stout did well in some games and not so exceptional in other contests.

Bob Sorenson was the Bluedevil's leading scorer with 299 points. Of this total, 67 were tallied from the free throw line and 232 on field goals.

Second in scoring was Fred Seggelink with 271 points. Brian Howard also helped the Blue-White cause with 191 points to rank third.

Coach Bostwick's team hit 602 field goals against their opponents 581, but from the free throw line the Blue-devils suffered terribly. The team made 314 free throws, while their opponents made use of the many fouls by Stout to sink 463 free throws.

This season Stout made 1,522 points while their opponents scored 1,625 points. The Bluedevils averaged 72.4 points per game, and their counterparts averaged 77.4 points per game.

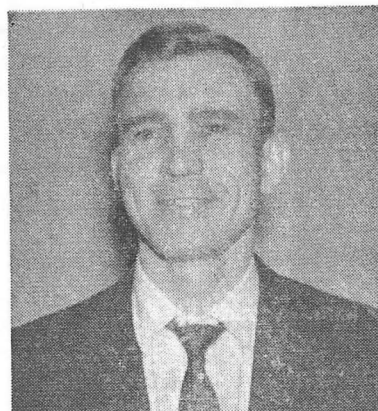

Hitting 28 points in the St. John's game, Bob Sorenson scored the highest points in one game for Stout.

Fred Seggelink topped the records in two departments. Against Eau Claire he hit 12 field goals for 24 points. In the Winona contest Seggelink snared 24 rebounds.

Total: 7 wins and 14 losses

Assistant football coach Bob Melrose will be head coach of the newly created Stout Track team.

TRACK TO BE OFFERED MELROSE TO COACH

Did you survive Sadie Hawkins week at Stout? If you did, you must be long-winded and have a knack for winning foot races. Stout's newly-created infant track team needs you.

The Bluedevil track team will start out as an intramural varsity sport. If enough interest is expressed by the team this year, track will become a varsity sport at Stout.

Coach Bob Melrose will coach the thinly-clad this spring as well as assisting Don Severson as baseball coach. Melrose has set the first meeting of prospective athletes, trainers and managers for Monday, March 23, at 4 p.m., on the third floor of the physical education building.

Two tentative meets are in the making with River Falls and Eau Claire this spring. Stout's best thinly-clad will go to the track meets to represent the student body.

If you would like to try out for the team, there is a wide variety of positions open to the man with an abundance of energy.

For those men who desire to run the 100 yard dash, the 220, quarter mile, half mile, mile, two mile and the 880 relay, the field is wide open. In the field division, Melrose hopes to have men in pole vaulting, broad and high jumping, throwing the shot, disc and javelin.

All equipment except track shoes will be provided by the athletic department.

Give Stout's newest sport your fullest support!

JOKES

Beware of little expenses: a small leak will sink a great ship.

God heals and the doctor takes the fee.

There are more old drunkards than old doctors.

PLAYOFFS NEXT SKELLAR RATS, SKUNKS LEAD

Stout's intramural basketball teams are winding up the basketball season this coming week with the play-offs to decide which team is best in the league, and finally, which league has the distinction to be written in Stout's history as the best of '59.

During the last two years, the two leagues have split with the Globetrotters as winners in 1957, and the Sputniks in 1958.

This is the way the teams stack up in their own leagues:

	W	L	Pts.	OP
Skunks	9	0	415	279
FOB	7	2	531	345
Sig Tau	7	2	529	343
Our Side	6	3	426	338
Ramblers	4	5	256	325
Newman No. 2	4	5	300	307
Warriors	3	6	303	415
Ivy Specials	3	6	306	381
Local Jokers	2	7	337	512
Squires	0	9	234	394

National League

	W	L	Pts.	OP
Skellar Rats	8	1	506	421
Jay Hawks	7	2	414	311
Little Giants	7	2	349	314
Grads	6	3	401	346
Delta Kappa	6	3	414	329
Phi Sigs	4	5	281	354
Flunkies	4	5	281	354
Newman No. 1	2	7	416	551
Jesters	1	8	295	381
Phi Omega Beta	0	9	0	18

Already half of these teams have been eliminated, and more will bow out Monday and Tuesday nights, with the losers of this game playing at 6:00 p.m. Thursday to determine the third place winner. The winners of the final game Tuesday night will play Thursday night at 7:10 for the distinction of being the best intramural team of the season.

The top scorers from both leagues have been tallied and put in order, and the list is long and impressive. Two men have added up more than 200 points, and 14 sank over 50 shots during the season.

Intramural Basketball Top Fifteen

Sorenson, Sig Tau	229
Mihalko, Newman 1	206
Schroeder, Sk. Rats	150
Johnson, Grads	136
Fulcer, DK	126
Grace, Warriors	121

Stout Holds Its Open House Today

GREETINGS

Today we welcome you from high schools throughout Wisconsin. All of us here at Stout hope that this will be a most pleasant day for you and that you will enjoy the style revue, visit all the exhibits and, perhaps, meet some new friends.

Most of all, however, we hope that you take advantage of your opportunity to learn what a college education requires on your part and the almost limitless opportunities it then offers you upon graduation. That is why we urge you to inspect our excellent campus facilities and talk with the college teachers and students whom you meet. In this way you can determine, first hand, a specific phase of home economics which interests you and the many attributes of this college.

Thus, we have planned this entire day just for you. We hope that it will prove an enjoyable, informative experience which you will long remember.

Verne C. Fryklund
 President

Stout extends to the 1500 visitors on its campus a cordial welcome! We hope that you may catch a vision of what you can do to make your future hopes a reality.

A college education for the woman in today's world is the key to professional achievement and, more important, to added personal happiness.

The theme of our activities today is "Stairway to Your Future". We hope that, in a measure, it may parallel your life.

Alice J. Kirk, Dean
 Division of Home Economics

1,000 High School Girls Visiting Stout's Campus

Approximately 1000 junior and senior girls from high schools throughout Wisconsin and nearby Minnesota are on campus today for the bi-annual open house of Stout state college. Invitations were extended to teachers of home economics, together with the upperclass pupils in their departments, to attend the event.

As guests of the college they will view exhibits, attend a stage production, and tour the campus to learn what college life is like. Through the theme, "Stairway to your future," visitors will learn how each step in

college life at Stout helps prepare for the future. The event is the project of Stout's school of home economics, headed by Dean Alice J. Kirk.

Members of the home economics club will present a style show for the visitors. The girls will model garments appropriate for various college occasions. Also part of the activities will be short talks by Dean Kirk and Joanne Salm, president-elect of home economics club.

Exhibits will depict college courses in such science and professional education areas as physiology, chemistry and family life education, as well as the more specialized home economics courses in clothing, textiles, consumer information, ceramics, related art, food preparation and dietetics. A visit will be made to Stout's nursery school.

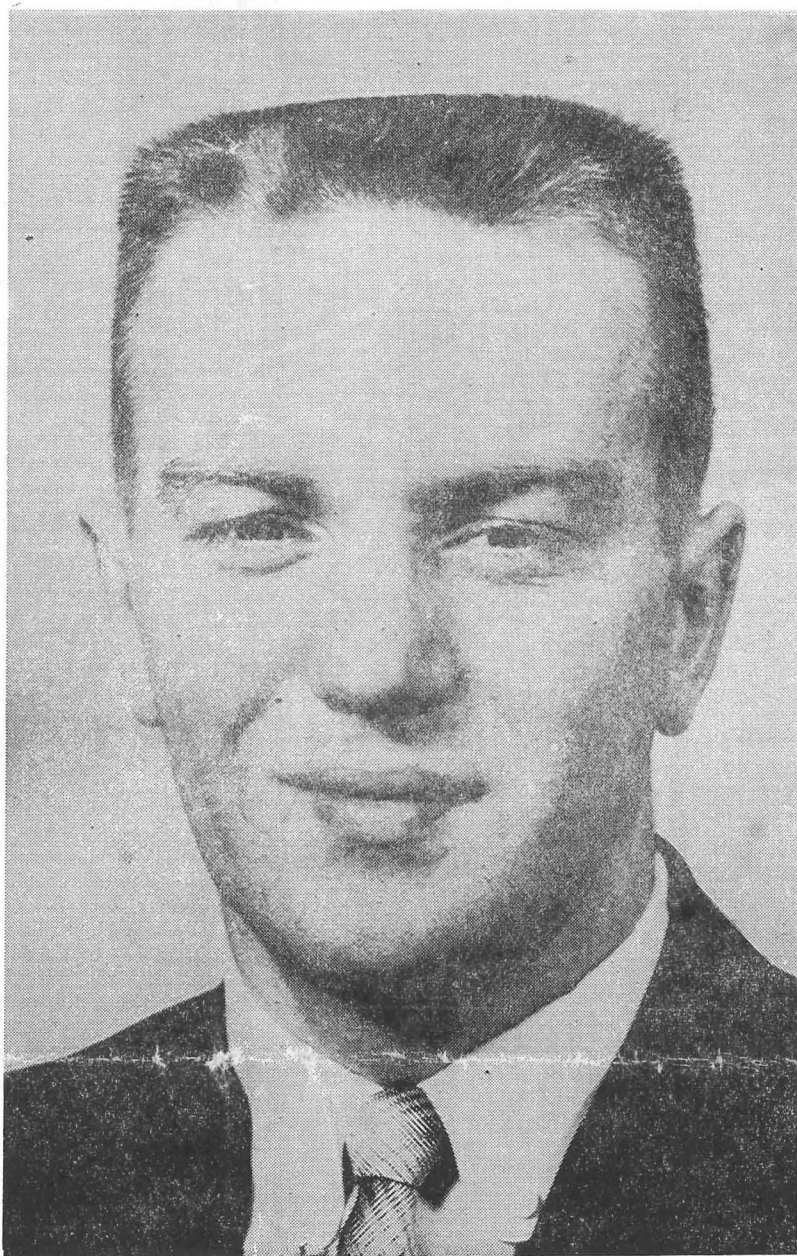

When they find a moment from the wide choice of open house demonstrations and displays, the high school guests will receive guided tours of the recently-constructed college library, residence halls for girls, a home management house in which coeds receive practical homemaking experience, and other campus buildings. They will also see Stout's new \$525,000 memorial student social center, soon to be ready for occupancy.

Open house hours will be from 8:30 a.m. to 3:30 p.m. At noon many of the guests will be accommodated for luncheon in the dining room of Stout's beautiful Bertha Tainter residence hall for women, overlooking Lake Menominee.

General co-chairmen for the arrangements for open house are Miss Dorothy Knutson and Miss Margaret Perman. All on the faculty are helping with the arrangements under the direction of the following committee chairmen: registration and reservations, Dr. Alice Marshall; stage production, Mrs. Alyce Vanek and Miss Sarah Littlefield; exhibits and displays, Miss Ella Jane Meiller and Miss Hazel Van Ness; art, Miss Martha Ruth Amon; welcoming, Miss Ann Noble; publicity, Mrs. Wauneta Blackburn; food, Miss Mary Killian; student interest, Miss Irene Erdlitz; and tours, Miss Clara Carrison.

Mary Metz, sophomore at Stout, models a dress and overskirt in the Style Show presented to all visiting high school students at open house today.

Helmuth "Pookie" Albrecht was chosen yesterday as the 1959-60 Stout Student Association president. Pookie, who is a junior this year, hails from Winthrop Harbor, Illinois. His experience which qualified him for the presidency includes treasurer of the SSA, and vice president of the sophomore class. He is also a member of the Sigma Tau Gamma fraternity.

SCHLEG VEEP, WENNER AND CONRAD WIN

Days of vivid, hectic campaigning climaxed the annual Stout Student Association elections yesterday. Albrecht became president as 869 students turned out to vote in the elections. The other winning candidates are Fred Schleg, vice president; Pat Wenner, secretary; and Bonnie Conrad, treasurer.

Helmuth "Pookie" Albrecht, the newly-elected president, served as SSA treasurer for the past year.

Fred Schleg, the new SSA vice-president, journeyed to Stout from Sheboygan, Wisconsin. Fred is a member of Phi Omega Beta and he is the vice president of the sophomore class. Fred spent four years with the Navy in the Far East. Here and at home Fred has been active in church and youth organizations.

1959-60 SSA secretary is Pat Wenner, a sophomore from Rice Lake, Wisconsin. Pat is the sophomore representative to the student senate, and is a member of Newman club, Home Ec club and Alpha Phi sorority. This year Pat has acted as counselor at Tainter hall.

Bonnie Conrad, a sophomore coming from Milwaukee, Wisconsin, is the new SSA treasurer. Bonnie is a member of Sigma Sigma Sigma sorority, Home Ec club and Newman club. During her high school career, Bonnie majored in commercial courses.

All of the candidates and their backers were kept busy during the last week with the serenades, posters and speeches. Due to the qualifications set up by the SSA, the posters were limited, but even so it was hard to find any space on campus that was not occupied by campaign slogans.

Nancy Allen from La Crosse, Kelly Keliher from Eau Claire and Gloria Walstad from Menomonie, pause to discuss a project from the art department which will be used as a display at the bi-annual open house today. These girls are but three of the many students who have worked many long hours planning and erecting displays and exhibits. Student hostesses will be available throughout the campus today. Guided tours will be through Harvey hall, library, Home Management house and the dormitory.

Stout Practices Doctrines of Dr. Benjamin Spock

For many years Stout has been practicing the recent suggestion of Dr. Benjamin Spock, noted doctor and professor of child development, in having an integrated child development and child guidance nursery school program in the curriculum of its home economics majors. In the July issue of *Ladies' Home Journal*, Dr. Spock discusses his idea of what should be included in a college woman's curriculum. He says, "Child development should be a required course for everyone, including those who were sure they'd never have children, because when it is well taught it reveals in a fascinating way why people act the way they do at all ages. There should be a nursery school, not just for the benefits of students who are preparing to be teachers or psychologists, but for all."

Stout has had a child development nursery school program since 1927. This established our college as a pioneer in the present trend of emphasizing, "family centered" teaching of home economics. Offerings in child development at Stout include its nursery school, plus courses in child development and child guidance. The basic child development course is required of all junior women. At this level students gain a basic understanding of physical, mental, and social-emotional growth of young children through media of lecturers, textbooks, magazine articles, and films on child development. Supplementing the classroom study, the girls observe nursery school preschoolers and write a personality report of one child. The second course, child guidance, is offered to senior women. It includes actual nursery school participation with children. These students strive towards intelligent care of small children through application of child guidance principles. The nursery school provides practical application of these learned principles.

Study of child development and guidance in college results in self-im-

provement. Through the understanding of preschoolers, students gain direction in self understanding and understanding of other people. It prepares women for one of the greatest satisfactions in life—motherhood. Working with the children teaches students flexibility in working with many individuals and recognizing personality differences. The stimulating challenge of helping these young boys and girls in the child development program at Stout build healthy personalities is also worth listing as a satisfaction towards self improvement. Students also try to help the preschoolers widen their horizons—to develop their potentialities and creativeness in body, mind, and social skills.

Our nursery school enrolls 15 preschoolers, ages 3 to 4½, each semester. You may notice them each day walking in the hall at 8:30 a.m. on their way to the third floor nursery. They are rightfully noticed, for the children are outstandingly "young" for college students!

When the children arrive at 8:30 they are checked by the college nurse. Their first hour and one half of nursery school is spent in creative play. This includes building blocks, painting, clay molding, sand and house-keeping play. A favorite sport is the two-floor playhouse in the nursery school, which is fully equipped with child-size furniture.

Following the play period, the children are happy to sit down at the small tables for fruit juice and graham crackers. Children often discuss their morning play activities at the juice table. After snacks the children sit in a circle for what is known as "circle talk". Sometimes the children tell stories; sometimes the student teachers tell stories at the circle. On some days the children have some type of music experience. It may be in the form of a musical band, or the children may dance or skip in rhythm with the piano music. Then it is time for the rest period, so each child goes to his own individual cot to lie down. Soft music is usually played while they rest. After rest the children put on their wraps and go downstairs for a little outdoor play before their mothers call for them at 11:30.

But wait! "Mrs. Smith! We forgot to feed the goldfish!" So the children circle around the large goldfish bowl while Mrs. Smith gives each just a bit of food for their three nursery school goldfish.

It's only natural that you're wondering, "Who is Mrs. Smith?" She is actually the central core of the child development program at Stout. Mrs. Smith teaches the child development and child guidance courses, and is head of the nursery school. Every morning she greets each child as he enters nursery school, directs the nursery school program, and guides the student teachers in their work and play with children. She has regular meetings with the children's parents, giving them an opportunity to discuss common and individual joys and problems of child rearing. Collectively, Mrs. Smith concentrates her efforts on helping children, college students, and parents arrive at the destination of gaining healthier personalities through intelligent understanding and guidance in the child development program.

KICHEFSKI RECEIVES SCHOLARSHIP AWARD

Evelyn Kichowski, a junior from Rhinelander, Wis., is the winner of the Scholarship award given by the Menomonie Alumnae chapter of Sigma Sigma Sigma to the collegiate member showing the most improvement in grades for the past semester. The award was announced by Mrs. Guy Salyer, alumna adviser for the college chapter, at a party given by the alumnae for college members and pledges of Sigma Sigma Sigma in the Harvey hall lounge. Barbara Grover, a junior from Galesville, Wisconsin, and winner of the award last fall, presented the award to Evelyn.

A Harmony hour program, entitled "A Study of voluntary association," prepared by Mary Hastings Holloway Page, the sorority's NPC delegate, was enjoyed by those attending the party. Opal Burton-Kunz is the harmony hour chairman. Those girls who took part in presenting the program were Ardella Beguhn, Bunny Stehr, Mary Lou Schleis, Iloa Leu and Opal Burton Kunz.

Busy making last minute preparations for the annual Green Tea which was held last Wednesday are freshmen Helen Lilly, Diane Colby, Jane Waterpool, general chairman, Margo Steber, Cindy Peterson and Audrey Vieths.

MANY OPPORTUNITIES AVAILABLE IN HOME EC

Countless opportunities are open to the young girl with a home economics education. No longer is it a field limited to "just cooking and sewing." It is among the highest ranking of professions for women.

Major fields into which home ec graduates from Stout enter are (1) teaching, (2) extension work, (3) dietetics, (4) food services, and (5) demonstration. Added to this list are industrial jobs in food, textile, and home equipment research, dress design, journalism, and nursery schools.

Demand is high in all these fields because of the tremendous turnover of workers. The average working span is just two short years before marriage enters into the picture and the home ec graduate turns to a decidedly practical application of what she has learned.

Last year at Stout alone, there were 271 calls for only 83 graduates. Most of these girls went into the education field with an average beginning wage of \$4100. This year the beginning salaries are expected to be even higher.

If you do plan to go into the education field and have doubts as to whether straight home ec is the only thing for you, Stout offers many good and interesting minors which would allow variety in your teaching schedule. Minors in speech, English, art, social science, math, science, and journalism are offered.

Home economics is a field with broad horizons. There is not one day when a home economics education cannot be used. It is the stepping stone, and not the stopping place, of further education.

Jonathan Swift: It is useless to attempt to reason a man out of a thing he was never reasoned into.

The Reader's Digest

FROSH PRESENT IRISH THEME IN ANNUAL TEA

Shamrocks, shillelaghs and shenigans was the theme for the annual Green tea sponsored by the freshman home economics club members on Wednesday, March 18, in Harvey memorial. Shamrocks, shillelaghs and green and white streamers decorated the room, and an Irish shillelagh on a green shamrock between white candles formed the center of attraction on the table.

Pouring the pastel green, lime-flavored punch were Dean Kirk, Miss Clure, Miss Littlefield, Mrs. Ohnstad, Mrs. Pierce, Opal Kunz, Joanne Salm and Gloria Walstad. The other refreshments included dainty cookies, mixed nuts and mints.

A different method was tried for greeting and serving the guests. This procedure involved one girl who acted as hostess to small groups of four or five guests in an informal manner which caused the guests to socialize among themselves more freely than they have done in previous teas.

General chairman for the tea was Jane Waterpool. She was advised by Janice Smith, last year's general chairman, and assisted by various committee chairmen and committees, among which were: refreshments, Janet Linse and Darlene Brehm; co-chairmen; decorations committee, Pat Dado and Gloria Witecraft co-chairman; publicity committee, Diane Colby chairman; and clean-up committee, Madonna Fontaine.

TAINTER HALL COLLEGE HOME OF 327 WOMEN

Have you toured Stout's new residence hall for women?

Well, don't miss it. The central unit and the two new wings are located right on the bank of Lake Menominee and you're invited to see the latest in college dormitories and food service.

Completed at a cost of \$600,000, the two additions of Bertha Tainter residence hall will house a total of 192 girls. Added to the 135 coeds living in the center unit, the \$1,260,000 residence hall now provides accommodations for 327 young women. Expense of construction and operation of the residence hall will be paid by girls living there and will not require expenditure of tax funds.

Exterior of the new additions is of famous Menominee red brick, selected to harmonize with that of the original residence hall unit, which was opened in the fall of 1956. Each wing consists of three floors, with a picture window in each room.

Lower cost of the new additions, in comparison with that of the original building, has been made possible by the use of an "efficiency plan" developed by the state of Wisconsin to provide comfort and convenience to its dormitory residents on many campuses but at greater economy. The economy was made possible by efficient and extensive use of such "built-ins" as study desks, chests of drawers and shelves.

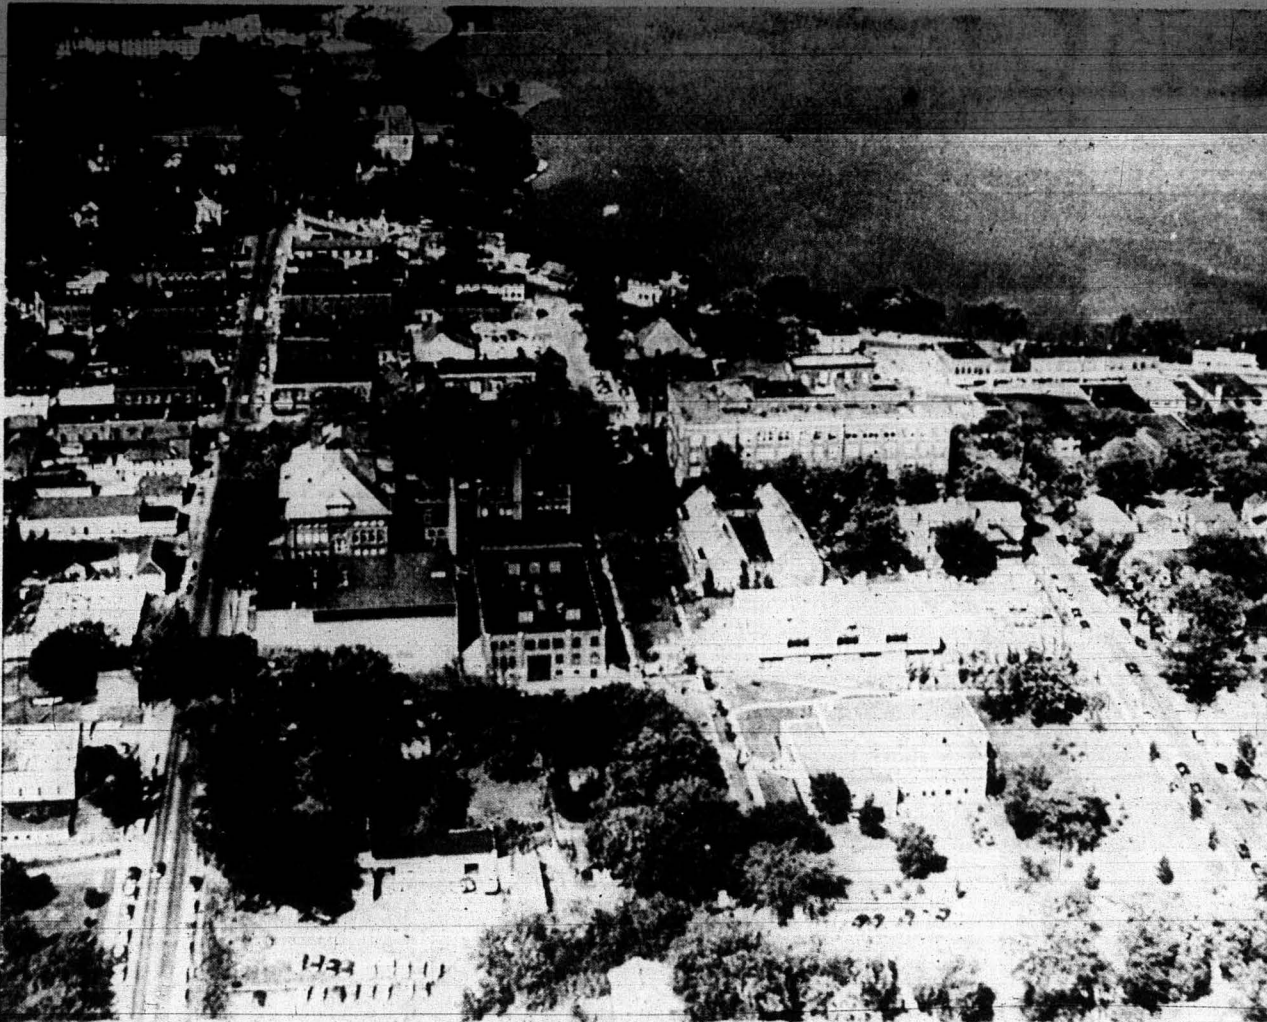

Each room, in addition to its many built-in features, contains two day-entertainer beds, chairs and closet space. Pastel colors are used throughout, blending with draperies and bedspreads of harmonizing colors.

A kitchenette is provided on the second floor of each wing. The recreation room, laundry area, luggage space and storage room are located on the ground floor. A special infirmary room is also maintained at all times.

Food service for residents will be provided in the dining room of the main unit. The college tea room is also located in the central building. The east wall of all dining facilities features picture windows overlooking beautiful Lake Menominee.

Residing in Bertha Tainter hall are all freshmen women of the college who are not permanent residents of Menominee or who do not commute daily from their homes. A number of sophomores also live in the hall. New director of the hall is Mrs. Josephine Pierce, formerly of Wisconsin state college at Stevens Point. She takes the place of Mrs. Charlotte Sims, who retired last summer.

Assisting Mrs. Pierce is Mrs. Manilla Ohnstad, former resident head of Boies house on the Stout campus.

An air view of central Menominee features the Stout State college campus which has rapidly expanded in the past year. Within the next few years the building plans include completion of the new Student Union, construction of a new shop building and a new men's dormitory. In the top of the picture is Lake Menominee.

SOMMERS IS PARTICIPANT IN IA MEETING

Having an active role in the recent annual meeting of the National society of college teachers of education, meeting in Chicago, was Wesley Sommers, assistant professor of industrial education and specialist in design at Stout.

At the institutional affiliation luncheon of the annual meeting, Sommers represented R. A. Wigen, dean of graduate studies at Stout, in giving an oral report of Stout's contributions and progress as an IAP participating institution of higher learning.

For the industrial arts teacher education section of the annual meeting, Sommers discussed ideas relevant to major innovations in industrial arts teacher education. He also explained pertinent aspects of the newly published "Minnesota Plan for Industrial Arts Teacher Education," of which he is co-author with Dr. William Michels, professor and chairman of the department of industrial education at the University of Minnesota.

Stage Production Is Set For Stout's Open House

Work for the stage production which will be the main feature on the program for junior and senior high school students attending open house here at Stout's school of home economics on March 20 is nearing completion. The stage production, "Stairway to the future," is receiving the finishing touches which will make it a lasting impression on the minds of those attending open house.

The well-operating nucleus which has held the production together consists of Alice Cramer and Alice Weltzin, co-chairmen; and Mrs. Alyce D. Vanek, advisor. Under their direction, the stage production has been organized and set up with rewarding results.

Kay Vanda, chairman of the script committee, also was instrumental in setting up the production. Hours and hours of work were spent in organizing and reorganizing the order of the models on stage, garments to be modeled and the commentator's remarks. Working with her were Ann Dahl, Donna Dempsey, Barbara Wallen, Joan Prochnow, Mary Alma, Virginia Hubbard, Ruth Lorch, Marilyn Mook, Louella Howell, Gale Wolff, Nancy Fox, Martha Stoelb, Virginia Webster and Evelyn Kichefaki.

In charge of make-up and costuming was Mary Metz. Her responsibility was to check the completeness of each girl's ensemble before she appeared on stage Friday. Assisting her here Patricia Choitz, Avis Dutton, Darlene Ling, Bonnie Conrad, Katherine Thuli, Carole Horgen, Elaine Staaland, Dorothy Braunworth and Cynthia Goehring.

Publicizing the stage production was the responsibility of Irene Ketunen. Letters were sent to home town papers concerning open house and also pictures of the models featured in the stage production were sent to the papers. Others on the committee are Cynthia Bauer, Mary Knobel, Mary Svare, Bertha Riese, Sharon Sauter, Judy Lee and Darlene Ramquist.

Iloa Leu, director of models, set up schedules for practices and checked up on each model with the aid of Roberta Forrest, Bette Zander, Sandra Sjoggerud and Candace Sjoggerud.

Staging and lighting were developed by Wyla Vasey. The stunning set and flattery of lights constructed by her and her committee members, Joseph Jajner, Jeanne Hammerschmidt, Karleen Wiechmann, Adele Peterson and Karen Lynn Johnson.

Programming of music was done by Beverly Voight and her committee members, Barbara Schuchter, Mary Lou Weiking, Karen LaVonne Johnson, Rosalind Nuttelman, Lorraine Jordan, Avalene Drake and Jean Smith.

Collecting and assembling of prop-

erties was done by Mary Gunderson with the aid of Mary Weiking.

Programs for the stage production were organized by Beverly Ann Madsen. Helping her with this mammoth job of getting the order of appearance of the models, their garments and their home town, plus acknowledgements to those who worked on the production were Carole Kirchmeyer, Julie Blank, Deanna Howell, JoAnn Heinz, Irma Thompson, Janice Smith, JoAnn Schoemer, Diane Evans, Martha Stoelb, Catherine McSweeney, Jeanette Kramer, Mary Brandt and Linda Goodman.

Two other people will be before the audience on Friday. Commentator, Marilyn Utter, and organist/Patricia Wenner will be helping the models "sell" Stout to the high school students present.

The people who have just been listed are only a few of the people who have helped on the production.

MEN EXCEED WOMEN IN STATE COLLEGES

The 829 out-of-state students at the Wisconsin state colleges come from 26 states and 11 foreign countries or territories. Half of them plan to return home after graduation; one out of five will settle in Wisconsin.

Minnesota contributes the most students to the colleges, followed by Illinois and Michigan. Hawaii, Korea, and Iran send half of the total out-of-country enrollment.

The non-Wisconsin students are a little older than their home-grown classmates. Well over half of them (63 per cent) plan to be teachers, mostly in high schools. Their grades in colleges are about average with 22 getting A's and 33 getting grades below the C-average.

The "foreigners" learned about Wisconsin's state colleges from teachers, friends, and literature sent out by the institutions. They came most often because they were interested in a special course offered by the college or because the boundaries of Wisconsin were also the boundaries of their home state. Among every half dozen of the out-of-staters there is one who came to a state school because he or she likes Wisconsin.

Men outnumber women two to one among the out-of-state students. Most of them (87 per cent) are single but out of this group one in 10 is engaged. About one-third live in the college dormitory and one-fourth live in private rooms in the community.

Parents, savings, and part time work are the financial sources which make college possible for the non-Wisconsinites. One out of 10 are at college on a scholarship.

The out-of-state students make up only six per cent of the total state college enrollment of 13,093 this semester, but they are an important and welcome group.

SENIOR GIRLS PARTICIPATE IN MANAGEMENT

Many of you students who are interested in Stout will want to observe the Home management houses. All senior girls look forward to living in these houses six weeks of their final year.

The girls select their own duties which are acting as waitresses, housekeeper (hostess) laundering and cookery. Each week, the girls rotate their positions which permit them to have a chance performing each duty.

The Home management houses are set up to give the girls experience in management, in group relations and living, and in making decisions which pertain to family living.

Resident advisors are Miss Gladys Trullinger and Miss Frieda Kube.

Student Union Is To Be Completed By June 22

Sure to attract the attention of every visitor at Stout today is a large building nearing completion in the very center of the campus. Ask any Stout student what this impressive structure is and you'll probably get this enthusiastic reply: "Why, that's our new Memorial student social center, and it should be ready for use by the time summer school begins!"

According to Dr. Verne C. Fryklund, president of Stout state college, the new \$525,000 student center will provide facilities long-needed at the college:

"For over a decade, we have done our best to meet the social needs of our students in a temporary student union created from a portion of our outmoded physical education building. That temporary facility has served us adequately, but Stout's enrollment is expanding and we require greater space and equipment to accommodate this increased student population. The new center will help us meet that challenge efficiently and well."

Stout's new student center, gleaming with much glass and aluminum, will stand directly behind Stout's present physical education building, between that structure and the college library. It will be possible to enter the center from three sides, with a service entrance located on the east side.

PLANS FOR NEW MALE HOUSING IN FINAL STAGE

The lady visitors to the Stout campus today will be glad to know that there are more men coming each year to attend Stout state college and that this spring, a fine new residence hall will be begun to help house the increasing male population.

The site for the new dormitory has been designated as lying parallel to Broadway, facing Bertha Tainter residence hall for women. Plans call for comfortable accommodations for about 200 occupants.

The new dormitory will be similar in appearance and furnishings to the wings just occupied in the women's residence hall. Final plans for the structure, being drawn by the architectural firm of Schubert and Sorenson, La Crosse, will be ready soon.

Once the plans have been approved and bids let for construction, work on Stout's splendid new dormitory for men will begin in earnest.

sions of the new center and the requirement of a service entrance, it was necessary last summer to raze the wooden farm-shop building and the Bowman model school of the former Dunn County agricultural school and Normal school.

The center will also occupy the present playground area of the Stout nursery school. Thus, to provide adequate playground space, Boeing house, next to the physical education building, was also removed. For the past year the Boeing residence has been occupied by 14 college students as a co-operative house with adult supervision.

The exterior of the student center will be basically brick and masonry panels. However, it is the plan of the architect to make maximum use of glass and aluminum.

On the first floor will be a snack area, game room, hobby room, and room for equipment maintenance. An elevator, strictly for service purposes, is to be located at one end of the first floor.

A large part of the second floor of the new structure will be a spacious area equipped both as a ballroom and as a center for use by large gatherings. A round fireplace will be located in the center of second floor. Conference rooms, office space and additional lounges are also included.

The roof is to be constructed of aluminum and covered with layers of gravel. Both the first and second floors will have vinyl tile as floor covering.

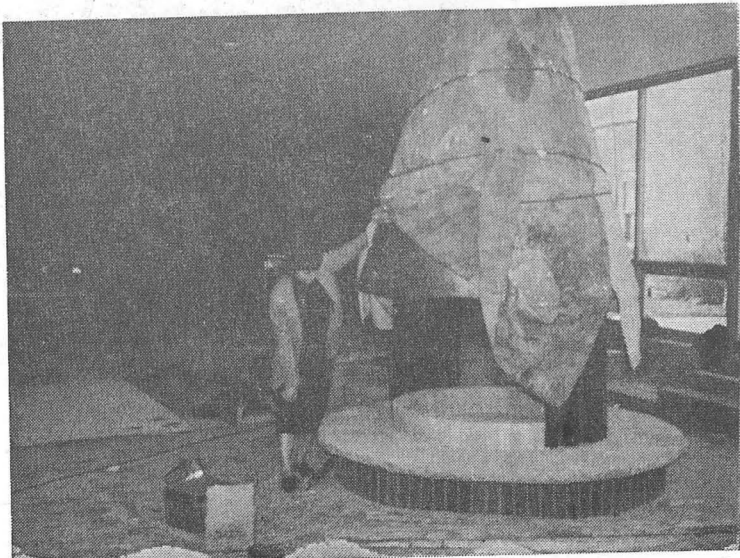

Built on a self-liquidating basis in stead of from tax funds, the student center will be aid for over a long period by the college students who use its facilities.

Responsible for much of the social program of Stout state college is Dr. Ralph G. Iverson, director of student personnel services. In summing up the significance of Stout's new student center to that program, Dr. Iverson points out:

"More than at many colleges, Stout students enroll from distant points and are therefore on the campus each weekend. Such young people have real need of facilities for social activity. For students from our own vicinity, many of whom live at home, the new center will be a place in which they can gather with the rest of the student body for more active participation in college life. Thus these splendid facilities will help Stout toward its goal of encouraging development of all phases of student endeavor."

Workmen are busily working to complete construction of the new Student Union. The union is scheduled to reach completion by the beginning of summer school.

One of the magnificent features in the new Stout state college Student Center is the modern, circular fireplace in the center of the second floor. This floor will be available for many Stout activities.

NEW SHOP BUILDING PLANS WAIT APPROVAL

"What's that unoccupied old brick building located southeast of Stout's home economics building?" some of our guests may ask as they walk about the campus.

The answer is easy—and pleasant. That brick structure will soon be torn down to make room for Stout's new multi-story shop, laboratory and classroom building, on which construction should start this summer.

The building now there formerly housed the Dunn County agricultural high school and Dunn County normal school. However, both of those schools are now not in existence and the state of Wisconsin has designated the land as the site for the new Stout structure.

Although the lower floors of the new building will be devoted to shops for Stout's male students, the girls will nevertheless be interested in knowing that someday they may take some of their English and other academic classes in these new surroundings.

In addition to classrooms for these academic courses, space has also been allocated to efficient offices for faculty members of a number of academic departments.

Bidding on construction of this versatile structure is awaiting final approval of plans which are being carefully drawn to take full advantage of the area which is available.

SCHOLARSHIP OFFERED BY MENOMONIE AAUW

Announcement has been made by the Menomonie chapter of the American association of university women that a committee of that association is now accepting applications for a scholarship to be awarded a deserving, qualified young woman now attending Stout state college.

According to regulations set up by members of the Menomonie AAUW chapter, any candidate for the \$50 award must be a resident of Wisconsin, have completed successfully one year at Stout in the major curriculum and have plans to continue that work as a sophomore next year, offer as a minimum a 2.5 grade point average, and, in addition to being able to show a need for financial assistance, possess desirable personal qualities.

Members of the AAUW committee who will select the winner of this year's scholarship are Mrs. Verne C. Fryklund, Miss Eleanor Cox and Mrs. Robert Muza. Application blanks are available in the office of Dr. Alice J. Kirk, dean of the school of home economics at Stout state college. The completed blanks must be in Miss Cox's college mailbox no later than

April 10.

HARMONIZING SHADES OF GRAY FEATURED IN DECOR OF NEWLY RENOVATED AUDITORIUM

As our many high schools visitors enjoy today's style revue, we hope that they will look about them a moment and inspect what is truly a complete "face lifting" job. For they are sitting in an auditorium which has just been completely renovated and newly equipped from color-dynamic ceiling to bright red carpeting.

The project began when the administration of Stout state college decided that the hard wooden seats and creaking balcony stairs—installed over 40 years ago—had given their full measure of service. So \$32,000 was made available by the Board of Regents of state colleges for the new look, plus more comfort for patrons of Stout and also community concerts, theatrical productions and other performances.

So, early last summer, out came the old wooden seats. Then a crew of painters redecorated the entire auditorium in harmonizing shades of pastel grays. Best rooms were renovated. The creaky stairways to the balconies were silenced.

Although not apparent to the audience, a very important factor in the renovation was installation of a modern counterweight system to permit stage crews to handle scenery and heavy stage lights efficiently and safely. The state of the former system was such that both stage crews and performers carried out their duties under hazardous conditions.

With basic improvements completed, installation of equipment began in

the auditorium itself. A new front stage curtain in Stout blue replaces its well-worn brown predecessor. Red carpeting covers the foyer, aisles and stairways. Even the famous old concert grand piano has received a new finish.

Perhaps the most important element for audience comfort is replacement of the wooden straight-backed auditorium chairs with 750 comfortable theatre-type seats in plastic and frieze covering. In an attractive blue and light grey color combination, these modern self-lifting seats give a modern "theatre" atmosphere to Stout's much-used auditorium.

NEWS OF OUR ALUMNI

The new officers of the Milwaukee area Stout alumni have been making plans for activities for the following year. The event they are concentrating on right now is a dinner dance to be held on Saturday, April 25, at the Blue Dahlia. The price of the dinner dance is \$8.25 per couple, including tip. Advance reservations will be necessary.

Other events scheduled for the year are a family picnic in August, a social evening at one of the breweries in September or October, and of course, a reunion during teacher's convention in November.

Anyone in the Milwaukee area who is interested in becoming a member of the Milwaukee area Stout alumni,

ENROLLMENT REACHES NEW SEMESTER HIGH

Do many students attend Stout state college?

Do they come from varied cities, states and nations?

The largest second semester enrollment in the 65 year history of Stout state college and several changes in teaching assignments have been announced by college officials.

Registered at the college for the second term are 1222 students, as compared with 1131 a year ago, the previous high. Of that total, 405 are freshmen; 269 sophomores; 229 juniors; 272 seniors and 47 graduate students. Veterans still represent a significant part of the student body, with 248 registered. Students are on campus from all over Wisconsin and 14 other states. New students at Stout this semester total 90, with 40 having graduated at the end of January.

New instructor in home economics, with major responsibilities in institution management, is Mrs. Betty Jean Cotter, holder of a master's degree from Kansas state college and a bachelor's degree from Stout. Following extensive dietetic experience in the U. S. Medical corps, Cook county hospital, Chicago, and Victory Memorial hospital, Waukegan, Illinois, Mrs. Cotter comes to Stout from a position as head dietitian at the 481 bed Baroness Erlanger hospital, Chattanooga, Tennessee.

Frank Belisle, registrar and placement chairman at Stout since 1955, teaches "Principles of secondary education" to help with the expanded enrollment. Dr. Guy Salyer, professor of psychology and education, instructs a new course in the Stout curriculum, "Industrial psychology."

Each week as a service to its alumni, the Stoutonia publishes news of Stout state college graduates.

Dewayne W. Burch (B.S. 1953), is teaching industrial education and vocational machine shop in Freeport, Illinois. The Burchs and young son live at 1220 S. Seeley Ave., Freeport, Illinois.

Home economics teacher at Black River Falls, Wisconsin, is Mrs. Nera Porath, R4-B 124, Black River Falls, Wisconsin. The former Nera Selves graduated from Stout in 1942.

RoseMary Snedden (nee RoseMary Scianni, B.S. 1948) is now a homemaker for her husband Kenneth, and children Mary Louise, and William. The Sneddens reside at 9010 S. McVicker Ave., Oak Lawn, Illinois.

A 1952 Stout grad, Roman Weinzierl, Box 145, Birnamwood, Wisconsin, is industrial arts and driver education teacher at the Birnamwood high school.

Willis W. Capps, 1121 3rd St., Menomonee, Wisconsin, is a field supervisor for The American Appraisal company in Milwaukee, Wisconsin. He graduated from Stout in 1954.

Now busy with her own home is Patricia Warsinske (nee Patricia Casberg, B.S. 1955). The Warsinskes live at 1330 4th Street South, Wisconsin Rapids, Wisconsin.

FUND DES RENOVATES LA PETITE GALLERIE

Anyone walking down the hall on second floor in Harvey hall is aware of something new at the east end. The "petite gallerie" has had a face-lifting and the entrance to it is now bathed with light.

Girls from Miss M. K. William's fundamentals of design class have spent the past week applying a new linen covering to the walls of the petite gallerie in preparation for open house. The linen not only adds textural interest and hides all holes and marks on the wall, but it also gives the gallerie the professional air of much larger galleries.

New adjustable lights have been installed in the hall leading to the gallerie which highlight display material from the related art department. The difference between the new and old lighting is night and day. "In fact," commented Miss Williams, "the lighting is so good that anything put on display in the hall has to be flawless." These new additions to the related art department nevertheless make the display of art projects easier and a great deal more effective.

Mrs. Alyce Vanek, Alice Weltzin, Dean Alice Kirk and Alice Cramer pause for a final discussion of plans for the stage production featured today at the bi-annual open house.

KIRK, VANEK, CRAMER AND WELTZIN COMPOSE COMMITTEE FOR OPEN HOUSE STAGE PRODUCTION

"Alice in Stoutland" could explain the rather confusing and humorous situation which occurs when four Alice's met to work on the stage production for open house. Aiding the co-chairmen of the affair, Alice Cramer and Alice Weltzin, are Dean Alice Kirk and Mrs. Alyce Vanek. "Although 'Alice in Wonderland' might be just as appropriate," commented Weltzin "because we often do wonder about problems which seem to be constantly popping up." Dean Kirk agreed with this and went further to quote Lewis Carroll's Alice who complained that "... it takes all the running you can do to keep in the same place. If you want to get somewhere else, you must run twice as fast as that!" However, these women have certainly done enough running to get everything done for the production. If one goes by the original Alice's theory, our Alice's have run two or three times as fast as necessary to stay in the same place.

"Some times one feels as though she has taken a bite from Alice's mushroom," stated Mrs. Vanek. "On one side one feels over nine feet tall because plans are working out so well but then, "she adds reluctantly, "some problem pops up and one seems only inches high." Answers to these problems usually can be solved by one of the Alices, however.

All four Alices are doing an exceptional job by working together, but a glance at their backgrounds suggests the reasons for their success. Dean Kirk, of course, is as busy as usual fulfilling her duties as dean for the school of home economics. In addition to this task and work on open house, is preparing for her trip to India.

Mrs. Vanek, an old "pro" at this sort of thing, has contributed a wealth of excellent ideas and suggestions for the stage production. She also teaches and is an advisor to Sigma Sigma Sigma sorority.

The third Alice, Alice Weltzin, besides racing around campus the past two weeks, has been keeping up with her studies in her major field.

She is an active member of Sigma Sigma Sigma sorority in which she is triangular correspondent, belongs to Home Economics club, and works for the science and clothing departments. Alice was graduated from

Menomonee high school and is now a junior here at Stout.

Another worker for the event is Alice Cramer who is a member of the Delta Zeta sorority and corresponding secretary for that organization. Miss Cramer, who hails from Alma, Michigan, where she attended college until the spring of 1957, is a junior working on a home economics education major.

After viewing the stage production all will agree that the Alices are from Stoutland, not Wonderland.

Wonder is expressed by those who have seen them at work and marvel at their energy and talents.

SPRING PRODUCTION OF RUR PRESENTED BY MAP

R.U.R., a play written by Karl Capek, was given at Stout last week end under the direction of Dr. Lorna Lengfeld. Although they were inexperienced, the cast of 18 students worked diligently to produce this fantastic melodrama. This was the annual spring play given by Alpha Psi Omega.

In order to belong to Alpha Psi Omega, one must act in a play or be willing to work in any way with the production of plays. Some of the committees necessary for the production of plays are stage crew, lighting crew, make-up, properties and costumes. Students also work on art, design and publicity.

Those of you who saw the play noticed two unusual settings. The stagecraft and design class worked on these sets as a special project. This gave them a fine opportunity to build and change the sets. Many hours were spent backstage by students to produce this play. Special mention should go to Jeanne Hammerschmidt and Angel Aguilar, designers; Bonnie Vanderbuilt, costumes; Tony Pollino, stage manager; Joe Jajtner and Joe O'Leary, lighting; and to all the others without whose help the production of R.U.R. would have been impossible. Our thanks also go to Miss

SENIOR WOMEN PARTICIPATE OFF CAMPUS

After three years of successful work in home economics, senior women who are education majors have the opportunity to put their knowledge into practical use. During her senior year, each education major, under the direction of Miss Margaret Perman, the college supervisor, does six weeks of supervised off-campus teaching in a selected Wisconsin high school. This experience is an important part of Stout's teacher-training program.

Two six-week periods of four each year, find girls doing their student teaching. Their activities include active participation in home economics teaching as well as participation in extra-curricular and community activities. They gain practical experience at all levels of junior and senior high school classes. The students live in the community during this time.

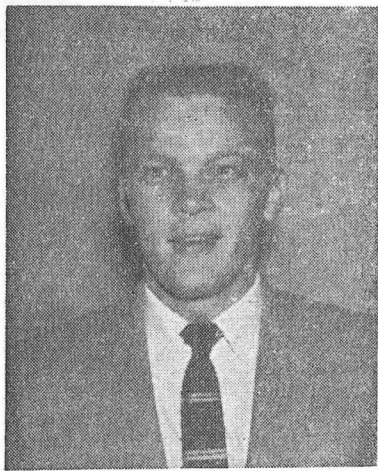

Ten Wisconsin schools are presently participating in Stout's teacher-training program. The home economics teachers serve as supervising teachers for the girls doing their student teaching. Special meetings for supervising teachers cooperating in the program are held during each semester. In these sessions they discuss problems and prepare helpful material for their student teachers.

Names of the cooperating high schools and the supervising teachers are as follows: Amery, Mrs. Marjorie Porter; Baldwin, Mrs. Naomi Wahlquist; Glenwood City, Mrs. Mildred Halverson; La Crosse Longfellow, Mrs. Betty Taylor; Melford, Miss Marian Pientok and Miss Sybil Widvey; Mondovi, Miss Jane Klatt; Neillsville, Mrs. Lois Burghardt; Rice Lake, Miss Doris Brimer; D. C. Everest H. S. at Schofield, Miss Linda Bohl; and Stratford, Mrs. Vera Neubauer.

Jeter, Miss Littlefield, Miss Williams, Mr. Ruchl, Mr. Ziemann, Mr. Fleming and Mr. Whydotski for their cooperation in the production of this play.

SEVERSON

BASEBALL NEXT FIRST GAME APRIL 13TH

Stout's new head mentor of baseball, Donald "Duke" Severson, has announced the opening of spring drills for Monday, March 23rd. This year's schedule, when completed, will include approximately seven double-headers.

Severson, a sophomore, has been active in athletics in high school, in college, in service and on a professional level. At Mauston and Tomah high schools Donald received a total of 14 letters including: 4 in basketball, 4 in football, 4 in baseball and 2 in boxing and 2 at Stout.

While attending Stout before his service career, Severson lettered in basketball. During the past winter sports season, Duke supplied the fans with plenty of thrills with his out-court shooting and defensive play.

When fulfilling his obligations to Uncle Sam, Severson picked up two years of service ball experience. During his two seasons of professional baseball Duke has played with five minor league ball clubs including class AA to class D ratings.

Severson is the property of the Milwaukee Braves and will play with their AA Texas league entry, Austin, this summer.

"The boys didn't win all their games last season so there is room for improvement," states Severson. The lettermen will be fighting for starting positions along with a big crop of new-comers.

Candidates for the Blue and White diamond team will report to the upper gym of Bowman hall on Monday at 4:30. Gym shoes and gloves will be the only equipment necessary. As the season progresses and the team is chosen, uniforms will be issued but gloves and baseball shoes will be furnished by team members.

This year's baseball opener will be April 13th against Hamline here.

TRACK NOTICE

When: Monday, March 23, 4 p.m.
Where: Third floor of the physical education building.
Why: To discuss and enlist men for Stout's newly formed Track team.

Monday Coach Bob Melrose will have his first meeting with his intramural-varsity track team. If you are interested in participating in the track and field events, be at the meeting Monday night and talk to Coach finding the right maate—it is also

JOKE

JONES
MENOMONIE PHARMACY

INTRAMURAL ALL-STAR GAME IS TO BE HELD

Plans are underway for the Intramural All star game which will be held soon. A team from both the National and American leagues has been selected by the nineteen team captains and from one to three games will be played depending on the decisiveness of the scores. For the last two years the American league has copped the distinction of winning this hotly competitive game, but this year the National league has a good chance to dribble off the floor with the title in hand. Of course the American league will do everything in their power to reverse this situation.

No matter which way the game goes, it has always been and still is one of the best, hard-fought games played during the year.

The teams consist of these men, the cream of intramural basketball:

American League

Guards: Ron Nelson (captain), Bill Larkin, Frank Kazlauskis, Gil Feller,
Forwards: Harlan Hoffbeck, Wayne Hejny, Pete Grace, Dexter Defnet, Ken Bothof and Bill Hoppe.

Centers: Gerald Sorenson, Jerry Stauffacher and Louis Moegenburg.

National League

Guards: Dick Johnson (captain) Pete Fulcer, Jerry Kain, Jim Today, Dean Abbott and Bob Lorenz.

Forwards: Denman Chase, Ron Young, John Keyser, Dennis Hafe-man, Phil Gruendemann and John Mihaliko.

Centers: Charles Schroeder, Tom Verkuilen and Allen Ripple.

This isn't the first All star game for some of these "hot shots." For Kazlauskis, Larkin, Hoffbeck, Johnson, Nelson and Fulcer were on the '58 All star team, and Hejny, Hoffbeck, Larkin and Nelson were All stars in 1957.

"discriminate" against the team that Let's turn out and watch the refs loses.

WRA FINISHES BOWLING, BADMINTON SEASON

Giving the women of Stout state college a chance to participate in sports, is the Women's Recreational Association, better known as WRA. So far this year, they have sponsored the Gym jam; and they plan to have a tea in April. Also in the offering is a pet sale slated for some time in the future.

Under the guidance of Miss Erdlitz, their advisor, they hold meetings on the third or fifth Tuesday of every month. They have sports on Monday nights. This year they have had teams for: volleyball, basketball and deck tennis. The teams in bowling and badminton are still active at the present time.

New members are taken into WRA at the first meeting of every semester. The only requirements are that they pay their dues and that they are willing to take an active part in the activities of the club.

Officers for the past year included: Bev Lescohier, president; Linda Oldenburg, secretary; Marge Rauwerdink, treasurer, and Marlea Mittag, historian.

Student Coach Louis Milsted gives a point of information to Leon Stephenson as Bob Ley administers a pinning hold. Other team members are from left to right; Manager Monte McDonald, Jerry Holubets, Dick Anderson, Frank Zaboj, David McNaughton (kneeling), and Bob Raczek. This was Stout's first year of competition on the intercollegiate level.

Matmen Take Fourth In WCC At Steven's Point

The Bluedevil matmen picked up fourth place in the WCC wrestling tournament at Stevens Point last Saturday. Stout had one second and two third place finishers to pick up eleven points to place behind Milwaukee, Stevens Point and Superior.

Injuries hampered the team and Coach Milsted could muster only five entries in the contest. All light weight entries were canceled up to the 147 pound class. Milwaukee entered an 8 man team, Stevens Point 8 men, River Falls 7, Superior 8, Stout 5 and La Crosse 3.

Jerry Holubets started the ball rolling in the right direction with a pin in his first match. In his second contest, Holubets was pinned, and in his third encounter pinned his opponent. Holubets picked up one point for each pin and two points for third place in the 147 pound class.

Don Keller decisioned his man in the first match, was pinned in his second and decisioned his opponent in the third outing. Keller received two points for third place in the 157

pound weight.

Frank Zaboj picked up a fourth in the 167 pound class but received no points. Leon Stephenson pinned his first man, decisioned his second and was decisioned in his third encounter. Stephenson received 1 point for the pin, and four points for second place in the 177 pound class.

Bob Raczek was decisioned in the first match and received no team points.

Final standings; Milwaukee 37, Stevens Point 30, Superior 20, Stout 11, River Falls 10 and La Crosse 0.

Ed Wynn says there's only one difference between himself and Pat Boone. "We're both extremely popular," he explains. "But when my fans swoon it takes them longer to get up."

JR. PROM SET FOR SATURDAY APRIL 25TH

An evening of music and dancing in keeping with the theme, Moonlight and Roses, is in store for couples attending this year's Stout state college Junior prom, to be held in the high school gym on Saturday evening, April 25.

The prom traditionally ushers in the spring social activities on the Stout campus. Committee co-chairmen have been chosen and are completing arrangements for this gala event.

Social committee co-chairmen are Eileen Sievert, Milwaukee, Wisconsin, and Sandra Sorenson, Kenosha, Wisconsin. Decorations will be supervised by Wally McCrum, Sarasota, Florida, and J. Clyde Sutton, Beaver Dam, Wisconsin. Ron Kautz, Milwaukee, will head the ticket committee.

Jack Stroebel, Milwaukee, and Ron Kautz are in charge of lighting and publicity is under the direction of Mary Gunderson, La Crosse, and Joyce Kersten, Superior, Wisconsin.

Nancy Cory, Palmyra, and Laurie Kiel, Whitelaw, are co-chairmen of the punch committee. Programs are being arranged by Marilyn Peterson, River Falls, Jeannine Larsen, Denmark, and Alice Schweizer, River Falls, Wisconsin.

Anne Thiel Is New Editor Carol Peterson Associate

Assuming the duties of STOUTONIA editorship is Anne Thiel, sophomore from Manitowoc. Assisting her as associate editor is Carol Peterson, sophomore from Bruce.

Other new staff members are Chuck Wrobel, business manager; John Banks, production manager; Donna Enders, circulation manager; and Philip Hansen, sports editor.

Anne has served the STOUTONIA for the past year as associate editor and has learned much that will prove helpful in her new job. Her other extracurricular activities include Home Economics club, Phi Upsilon Omicron, YWCA and Wesley cabinet. Anne is also a member of Alpha Phi. This fall she was chosen by the Home Economics club as the first sophomore lamp-lighter.

Anne's other journalistic experiences include serving her high school paper as associate news editor and as a reporter. She was also a member of Quill and Scroll.

For the past two years Carol Peterson has served the STOUTONIA staff as a reporter and on rewrite. She is very active in the Home Economics club and Newman club. Carol is also a counselor at Tainter hall and is an Alpha Phi pledge.

Newspaper work is not new to Carol. Her experience goes back to high school where she was the editor of the Bruce high school paper. Also she did high school correspondence to the town paper.

Chuck Wrobel, sophomore from St. Paul, Minnesota, participates in Stout Typographical Society and is at present

FRATERNITIES FORM INTER-FRAT COUNCIL

To further relationships of the fraternities, their members, and the college is the theme of the Inter-Fraternity council. This newly formed Inter-Fraternity council has chosen six purposes. They are as follows:

1. To promote interests of the college.
2. To promote the interests of the several fraternities represented.
3. To promote interests of college fraternities in general.
4. To insure co-operation between fraternities and college authorities to the end that the condition of the fraternities and their relations with the college authorities may be improved.
5. To insure co-operation among fraternities of the campus.
6. To discuss questions of mutual interest and present to the fraternities such recommendations as the council sees fit.

Each fraternity on campus has two representatives on the council—one being a junior and the second a senior. Office holding fraternities this semester in the office on the rotating system are chairman, Sigma Tau Gamma; secretary, Phi Sigma Epsilon; and treasurer, Chi Lambda.

Meetings of the Inter-Fraternity council are held the first Thursday in every academic month.

Advisors are Dean Price, and one chapter advisor per fraternity.

Mary Metz, sophomore from West Bend, will have her picture entered in the Minneapolis Tribune's campus cover girl contest. On April 19 this picture will be published in the picture magazine section of the paper. Readers will have the opportunity of voting for their choice.

MARY'S PICTURE TO BE IN TRIBUNE APRIL 19

Mary Metz is Stout's candidate for the Minneapolis Tribune's Campus cover girl contest. She was chosen Friday from a group of six contestants sponsored by various groups on campus.

Mary, a 5' 8" blue-eyed blond, hails from West Bend. She is a sophomore majoring in Home Economics education. Mary is active in Sigma Sigma Sigma, Home Economics club, Newman club, WRA and Tower. She was sponsored by Sigma Sigma Sigma.

Other contestants were: Nancy Fruit of South Milwaukee, sponsored by the sophomore class; Nancy Jensen, Menomonie, sponsored by Alpha Sigma Alpha; Karen Lynn Johnson, Fremont, Nebraska, sponsored by Tainter hall; Mary Price, Eau Claire, sponsored by Delta Zeta; and Joanne Schoemer, Kohler, sponsored by Alpha Phi.

The judges for the contest were: Dean Cutnaw and Dr. Barnard from Stout, and Mr. Cassell, Mr. Knight and Mr. Peterson, all from Menomonie. Russell Studio was in charge of all the photography and displays.

The Minneapolis Tribune sponsors the Campus cover girl contest annually. Pictures of the contestants from colleges in Minnesota, North Dakota, South Dakota and western Wisconsin will be published in the Picture magazine of the Tribune on April 19. Readers will have the opportunity to vote for their choice. The five finalists' pictures will be judged by a board of judges from the Tribune. A full page color photo of the Campus cover girl will appear on the cover of the Picture Magazine on May 31.

Mary's picture will be in the window of Anshus Jewelers. Stop and see a picture of Stout's Campus cover girl.

STOUTONIA STAFF MEMBERS JOURNEYED TUESDAY ON FIELD TRIP TO KSTP AND PIONEER DISPATCH

Thirty members of the Stoutonia staff journeyed to St. Paul Tuesday to observe television station KSTP and the ST. PAUL PIONEER DISPATCH in action. Mr. Lloyd Whydowski, the STOUTONIA advisor, accompanied the group on their field trip.

The first stop was at "television city," KSTP where guides conducted the visiting Stout students through the compact and complicated building. Seeing how a TV show is actually televised proved to be of great interest to everyone.

From KSTP, the channel was switched to the PIONEER PRESS

and the means of communication in which the staff members were most interested.

Before the tour began, Mr. Lewis spoke to the group and answered any questions they had about writing, publishing and circulating a newspaper. Mr. Lewis is the managing editor of the PIONEER PRESS and is well known throughout the nation for his abilities.

The staff was then conducted on a tour throughout the building. It began where the stories were being called in and written, continued through the typing, setting, and printing, and ended with the papers being sent out for distribution.

In its daily production, the paper uses from 70-80 rolls of newsprint which are each 20 miles long and one ton of ink.

The visiting Stout students were surprised to see that a story they had heard called in while they were in the editorial room, was on the streets and ready for sale by the time the tour was over. They were informed that it takes only 22 minutes to receive a story and have it printed in the paper.

MANY VISITORS ENJOY STOUT'S OPEN HOUSE

Stout state college welcomed over 1000 girls and home economics teachers to the bi-annual open house on Friday, March 20. The visitors, who came from Wisconsin and nearby Minnesota high schools, were guests of the school of home economics under the direction of Dean Alice Kirk.

A highlight of the activities was an impressive style show presented by the home economics club, featuring fashions appropriate for life at Stout. The theme of open house, "Stairway to the future," was carried out by exhibits and displays. The visitors toured the campus buildings, home management house and women's residence hall during the day.

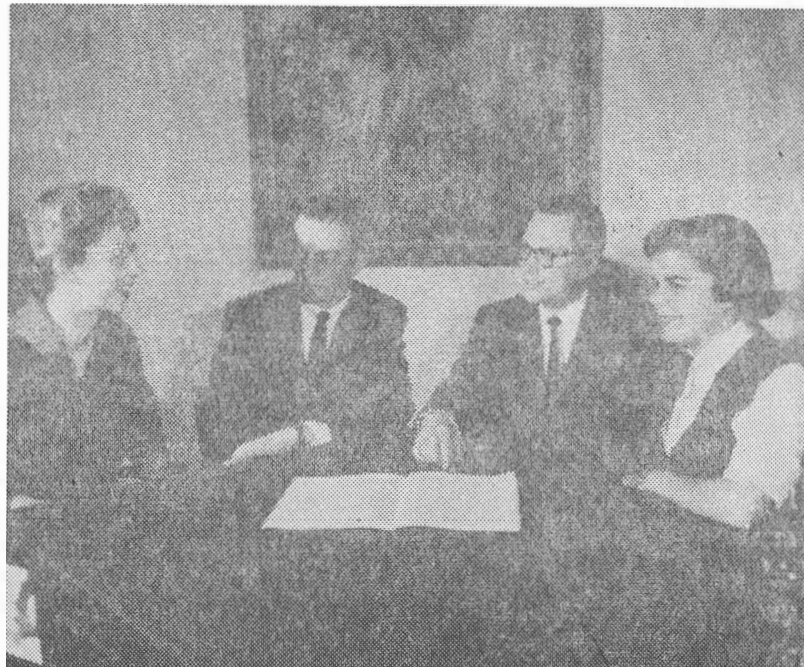

Under the direction of co-chairmen Miss Dorothy Knutson and Miss Margaret Perman, faculty members and students worked together to make Stout's 1959 open house a success.

NOTICE

Due to the Wisconsin public health mobile X-ray unit not having enough time allowed for Dunn county, Stout was not given ample time to cover the school. Provision will be made to have them return later.

Busy making plans for the forthcoming year are the newly elected Stout Student Association officers. They are Patricia Wenner, secretary; Helmuth "Pookie" Albrecht, president; Fred Schleg, vice-president and Bonnie Conrad, treasurer.

Ann Thiel, who this week replaced Bob Papas as editor of the Stoutonia, shows Carol Peterson, the newly appointed associate editor, how the paper must be "proofed" before the final copies are printed. Anne and Carol are both sophomores.

EDITOR BOWS OUT . . .

It is with both reluctance and relief that I write this, my final editorial.

With this issue, the old managing staff steps completely out of the picture, and a new group that has worked hard all year long to earn their new positions, takes over the reins.

At this time, I would like to thank in print the members of the retiring staff. It has been a long year, with many difficulties, and it was their relentless devotion which made each paper possible. A pat on the back to: Norbert Link as business manager, John Hammill as production manager, Gerritt Fontaine as circulation manager, and Keith Koch as sports editor. Ann Thiel, the retiring associate editor, deserves special commendation for the many hours of extra work she put in. It was because of this devotion that she has been chosen to take the role of editor for the coming year. Words cannot explain the appreciation to our advisor, Lloyd Whydowski. It was his wit and wisdom that brought us out of many tight spots throughout the year.

To Paul Axelsen and Jerry Schemanski goes an undying gratitude. Though their names do not appear in the mast-head, they have given much of their time freely to see that the paper was printed, spending every Thursday night in the print shop until the wee hours of the morning.

To the few loyal members of the staff who have worked with us throughout the year, a special word of thanks. To the rest of the student body a word of encouragement. The STOUTONIA is your paper. Try as they may, the managing staff cannot make the paper an accurate voice of the student body without your co-operation. Instead of attacking, or just plain ignoring the paper, help to make it one of the best college papers in the state. I'm sure the staff would appreciate your encouragement.

Congratulations to the new members of the staff. The year will be a long and eventful one, and we will all be watching you with great pride and anticipation.

BOB PAPAS
Retiring Editor

CLUB NEWS

Chi Lambda now has a new slate of officers. Those elected at a regular meeting held March 19 are as follows: president, Lloyd Hoeffner, junior from Manitowoc; vice president, Paul H. Smith, sophomore from Mondovi;

Secretary, Charles Roeder, sophomore from Oshkosh; treasurer, Roger Reuther, sophomore from Manitowoc; and historian, John Hammill, sophomore from Neenah. They will take office on April 9 at a monthly Chi

Lambda dinner meeting.

First Chi Lambda alumni news letter was mailed to seventeen alumni members earlier this week. Editing this news letter is Charles Roeder, alumni secretary, while Gene Kirscht, reporter, completed the production phase.

Alpha Kappa chapter of Sigma Tau Gamma now has a new advisor. He is Edward Morical, head of the auto department. Mr. Morical was initiated when the Beta Delta chapter of Sigma Tau Gamma was initiated at Eau Claire state college. Members of the Alpha Kappa chapter were in charge of the initiation ceremony for the 31 members of the Beta Delta chapter.

The members decided to send a delegation to Winona state college. Nine members volunteered to make the trip for the purpose of starting a colony on that Minnesota campus. Bill McKinnon, senior from Neenah, was elected to be the senior representative on the I.F.C. Jim Coyle, junior also from Neenah, was elected as the junior representative.

Members of Sigma Sigma Sigma elected sorority officers. Afterwards they met in Harvey memorial to enjoy a Harmony hour program and refreshments, served by the Tri Sigma alumnae chapter.

Officers elected for next year are Nancy Feuerstein, president; Nancy Cory, vice president; Ann Nelson, treasurer; Iloa Leu, recording secretary; Mary Ann Halada, corresponding secretary; and Alice Weltzin, Keeper of the Grades. Ann Dahl and Bunny Stehr were chosen to be the assistant treasurer and the sentinel.

Dressed in their festive holiday costumes, Virginia Gamboa of San Jose, Costa Rica, and Alvara Paniagua, Heredia, Costa Rica, presented one of their beautiful dances for the benefit of those attending the Stout Open House last Friday.

EASTER PARADE CUES FOR THAT SHARP LOOK

Easter is one of the best times of the year. The weather is warming up, the air smells good, and every college recognizes the need for a spring vacation. Anyone who has survived the mid-year slump in January and February deserves a chance to howl a bit.

Even if there's still snow on the ground in your part of the country, don't despair. If you look carefully you'll find the snow is soft, and there is less of an edge to the wind. Anyway, Easter still means spring, and spring — in anybody's language — deserves a little recognition. In this country, we meet spring in our best clothes, dressing up for the Easter parade.

Maybe your budget won't stand the tab of a brand new outfit including suit, shoes and topcoat, but you should be able to swing a new shirt and tie. The way accessories are styled this year, they are the most important things in a man's ensemble. So brush up your good blue suit, and let it be the background for some of the best looking shirts we have seen in many a year.

New this year is a package deal—coordinated shirt, tie and handkerchief, done in matching motifs and designed to go with a solid-color suit. The handkerchiefs feature border designs, to peek from the breast pocket in a straight half-inch line. The tie often repeats the handkerchief theme.

The right collar can do wonders to make a man look his very best. Some are designed to make long faces look shorter, others are designed to slenderize moon faces, others camouflage a long neck. Pick the right collar for your face and put a carefully-knotted tie below it.

One other thought: a hat is important for Easter. Don't compete with her Easter bonnet, but pick a hat that is right for you. Boaters are popular in the south, and bowlers in the north. Tilt it at a rakish angle—and join the Easter parade!

WHY WE USE RECIPES

"I guessed the pepper—the soup was too hot. I guessed the water—it dried in the pot I guessed the salt—and what do think? We did nothing else—the whole day, but drink. I guessed the sugar—the sauce was too sweet. And so by my guessing—I spoiled our treat. And now I guess nothing, for cooking by guess—Is sure to result in a terrible mess."

TRACK MEETING HELD MONDAY BY MELROSE

Stout's campus fleet-footed men had their first track meeting Monday in the Physical Education building.

Coach Melrose stressed the fact that track at Stout is going to be treated like any other varsity sport. "The team will work out every day from 4-6 p.m. at Nelson field, weather permitting."

Although classes and track practice overlap with each other, allowances will be made for men who have class difficulties.

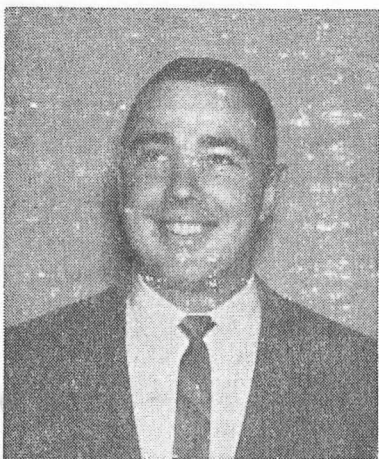

At the meeting, Melrose also mentioned there may be a possibility of hurdles included in the track program. Also included was the chance of four track meets with River Falls and Eau Claire if the support and quality of the team is promising enough to merit the fore mentioned meets.

All men who desire to come out for track and couldn't attend the meeting Monday, contact Coach Melrose before the Easter recess.

The first scheduled meeting of the team will be Monday, April 6th at 4 p.m. At the session equipment will be issued to all tin clads.

NOTICE

There will be an organizational meeting for interested personnel for the golf team. Player-coach Robert Eggleston has called the meeting for 3:30 Monday in the room above the Union. Candidates are asked to sign the list on the athletic bulletin board before Monday.

Harry Miller

GRADUATE HEADS THE INTRAMURALS PROGRAM

A guy walks around the campus that has more work on his shoulders than most. This handle is Harry Miller, and 80 per cent of the men on campus know his job. He is assistant director of extra-curricular activities at Stout. Those 80 per cent are the men that participate in the intramural program.

My job is not to hash over the games that he makes possible, but to give a picture of him with words and a sprinkle of praise he liberally deserves. Of the people I have written about, he was the hardest to pull information from, but once the plug was loose, this came out.

Harry Miller is a native Neenah man and attended Neenah high where he played football and baseball. He was all conference fullback and defensive end, captain of the team his senior year and president of the Pep club.

After venturing to Stout, he played football and baseball and won a trophy as the outstanding freshman athlete at Stout in 1954-55. Later, he was president of the sophomore class and vice president of the S club last year.

During his junior year at Stout he recognized the need of a general coordinator of the extra-curricular activities, so he took over the football teams. By his senior year he had control of all intramurals, or they had control of him, because 56 hours a week were subtracted from his free time.

This year his schedule is even worse, and all this besides being a grad student and keeping a B average. This may seem an impossible schedule except that he is married, and has three kids to stop a lot of the running around we bachelor students do.

All this work is still tiring, and Mr. Miller expressed a need the intramural program has, that I will pass on to you. Area leaders are needed in all the sports and they could take a lot of the duties and leave the coordinating head's shoulders less bent.

Harry Miller has a lot of supporters besides me, his five and one-half, two and one-half, and one-half year old children, his wife Susan, and the FOB fraternity. He has coach Johnson and roughly five hundred other men within these echoing corridors to pat him on the back and wish him good luck.

Baseball Schedule

April 13 — Hamline, here
*April 18 — St. Cloud, there
April 25 — River Falls, there
*May 2 — La Crosse, there
*May 9 — Eau Claire, here
*May 13 — Winona, here
May 16 — River Falls, here
May 23 — Play off
* All are 7 inning double headers.
Those not marked are nine inning contests.

JOKE

A young ad executive was called down by his boss for overwriting some copy. His mentor's memo read simply: "I've told you 40,000 times —stop exaggerating!"

WCC COACHES MEETING HELD IN MADISON

Last Friday athletic director Johnson and coach Bostwick journeyed to Madison for a Wisconsin Collegiate conference meeting of coaches from all the conference colleges.

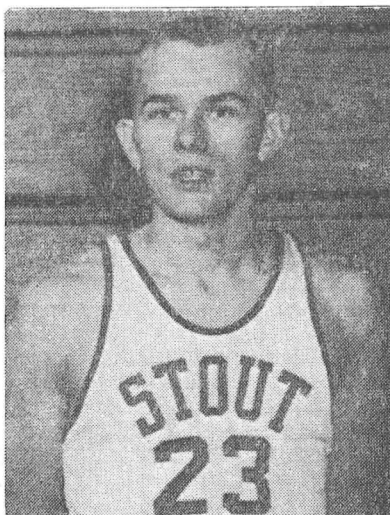

At the meeting it was decided to have a round robin football season starting in 1961, which would consist of nine games for each school. This would mean the Blue-White would play all the state colleges, and every game would count toward the conference standing.

An eighteen game round robin basketball season is also on the slate for the 1960 season. By having the round robins in football and basketball, the coaches hope to strengthen the conference and build up rivalries among the colleges of the WCC.

Next year the state colleges will use NAIA rules for football. Some of the big advantages are free substitution of players, and having only one point for the point after touchdown.

Men who have come out of military service and who have attended a different college before entering service will be ineligible for WCC competition next fall. They would come under the same ruling as transfer students from other colleges.

The above decisions will now be given to the state college administering boards for final approval of the coaches decisions. Coach Bostwick felt sure the colleges would approve all the decisions made by the coaches.

Bob Sorenson

Last Friday, the Wisconsin college conference coaches held their spring meeting in Madison. At the meeting the coaches selected all conference players. Bluedevil forward Bob Sorenson was selected to the All-conference team. Congratulations Bob.

LEE'S DRUG STORE

Freshman coed Mary Ellen Livingston from Mauston will reign as the 1959 Junior Prom queen. Junior class president, Don Stoddard of Lodi, will be the king. The Junior Prom will be held on Saturday evening, April 25. Ticket sales begin next week.

Mary Livingston Is Chosen As Junior Prom Queen

The brown-haired, hazel-eyed coed who's all smiles on the campus of Stout state college this week is Mary Ellen Livingston, recently-chosen queen of this year's Stout junior prom. "It's a great honor and I'm certainly excited," she declares with pardonable pride.

However, participating in a royal court is not a new experience to Mary Ellen, who was a member of the 1958 Mauston high school homecoming royalty.

A freshman majoring in dietetics at Stout, she is active as a cheerleader and a member of the Home Economics club. Sports, singing and dancing are high on Mary Ellen's interest list.

Mr. and Mrs. Charles M. Livingston, 501 Loomis Drive, Mauston, Wisconsin, are Mary Ellen's parents. While attending Mauston high school, Mary Ellen was a member of the pep club, the band, the girls' glee club and chorus and was a cheer leader.

Queen Mary Ellen is 5 feet 5 inches tall and weighs 130 pounds. In preparation for the big social event, she is busily designing her formal.

Junior class president, Donald Stoddard of Lodi, Wisconsin, chose the lovely queen. Don is vice president of the "S" club, has earned 3 letters in football and was recently elected president of Sigma Tau Gamma fraternity. Donald's parents are Mr. and Mrs. Glenn Stoddard, Lodi, Wisconsin.

This year's Stout junior prom will be held in the Menomonie high school gym, on Saturday evening, April 25. Tickets, \$2.00 per couple, will go on sale April 13 in Harvey hall.

IT'S A DATE WITH CURRY AT APRIL 15 CONVO

Experience is a good teacher, but when Russel Curry is around, you can profit from his experience and learn the easy way.

Mr. Curry, who will appear here for our convocation program on Wednesday, April 15, concentrates his efforts, in the lecture field, to saving his audience members a lot of trouble and needless embarrassment. For instance, his lecture on social etiquette entitled "It's a Date" steers a young man and his feminine companion through the problems of an "evening out", a successful conclusion on the doorstep—all to the extreme enjoyment of his audience. "It's a Date" is a laugh-provoking exploration into the realm of present day social behavior—for Mr. Curry is the first to admit that the young man of today has the roughest, toughest time of all. To have good manners is, in some groups, according to Mr. Curry, to be considered a "square" or worse, and such a reputation is hard to overcome no matter who you are or where you're from.

Having a general idea of the problems that may be bothering his audience gives Russel Curry a format with which to start his lecture. Since he urges his listeners to ask questions any time during the program, the fun usually begins early, for Mr. Curry is a past master at ad-libbing. He is the director of the Curry school of Dancing, which is one of the largest schools of its type in the country with classes in 36 cities and an enrollment of over 10,000 pupils.

Vast experience teaching dancing and etiquette in his school provides Mr. Curry with the background knowledge necessary to make this convocation a delightful hour.

Student Senate Elections To Be Next Thursday

Once again the polls will be open at Stout state college. On Thursday, April 16, the election for the student senators for the SSA Student senate will be held. The entire school will vote on the candidates nominated by the classes, thus choosing four senior, three junior and two sophomore senators.

Voting will be from 8:30 a.m. to 4:00 p.m., April 16, in Harvey hall.

The junior class has nominated eight candidates from which the student body will choose four student senators for positions on the senate during the 1959-60 school year.

Philip Felland, a junior from Stoughton, is a member of the Phi Omega Beta fraternity, Epsilon Pi Tau fraternity, Inter-fraternity council and the Married Lutheran Student association. Phil, last year's SSA vice president, is also a member of the American Farm Bureau and the North Menomonie Improvement association.

Park Falls is the home town of Robert Gannon. Bob, also a junior, belongs to the Chi Lambda fraternity, Alpha Phi Omega fraternity, Arts and Crafts club, Newman club and band. At present he is president of Alpha Phi Omega and band. He participates in the Boy Scouts of America and Red Cross first aid and water safety.

A present student senate member, Dorothy Grundmann of Waukesha, is also running for student senator. Home Ec. club, Alpha Sigma Alpha sorority, Phi Upsilon Omicron, Gamma Delta and Governing Board are among Dottie's college activities. Dottie was class secretary last year and has recently been named to Who's Who in American Colleges and Universities. She is a member of the union committee, and was co-chairman of Winter carnival.

Dale Hammerschmidt is from Fritch, Texas. He is a member of Phi Omega Beta fraternity, Arts and Crafts club, and is secretary-treasurer of the Radio-electronics club.

Wallace McCrum is a junior from Sarasota, Florida. He is a member of the United Student Fellowship and Inter-religious council. Offices he has held include United Student Fellowship president, 1957-58, and 1958-59. He is president of Inter-religious council for the 1959-60 school term.

A Durand high school grad, David McNaughton is a native of Eau Galle. Dave is a member of the Chi Lambda fraternity, Epsilon Pi Tau fraternity, Inter-fraternity council, Rifle club, International Relations club, Wesley fellowship and is a present member of the Student Senate. He is active in Stout state college athletics, the National Rifle association and is treasurer of International Relations club.

Kay Vanda, a junior from Hammond and graduate of Hammond high school, is another candidate for Student Senate. Kay, a member of Home Ec. club, Phi Upsilon Omicron, Newman club and Stout 4-H club, is vice president of Newman club. She is a junior class representative to the Home Ec. club council.

Prairie Farm is the home town of Barbara Wallen. She is a member of Home Ec. club, Lutheran Student association, Stout Christian Fellowship, and the Stout student guidance program. Barb is secretary for the student guidance program, publicity chairman for Stout Christian Fellowship and worship chairman for Lutheran Students association.

The sophomore class also has nominated eight candidates for Student Senate. Of these eight, three will be chosen in the April 16 election.

Chuck Bartel of Wausau is a member of the Phi Sigma Epsilon fraternity. He has been president and treasurer of the Phi Sig house. Chuck is active in intramural athletics and is secretary-treasurer of the International Bowling league.

Patricia Choitz, of Detroit, Michigan, is a member of the Alpha Sigma Alpha sorority, Phi Upsilon Omicron, Home Economics club, Gamma Delta and is a member of the present Student Senate. Pat is a cheerleader,

Continued on page 2

As the polls open next Thursday, students will have the opportunity of voting for any of the following juniors for senior Senators: first row, Kay Vanda, Hammond; Barbara Wallen, Prairie Farm; Dorothy Grundmann, Waukesha; Dave McNaughton, Durand; second row, Dale Hammerschmidt, Fritch, Texas; Bob Gannon, Park Falls; Phil Felland, Stoughton; and Wally McCrum, Sarasota, Florida.

Three of these sophomore students will represent the sophomore class in the Student Senate. Candidates are first row: Patricia Choitz, Detroit, Michigan; Bob Danielson, King; Bonnie Vanderbilt, Juda; second row: Chuck Bartel, Wausau; Deanna Howell, Janesville; Fern Krueger, Dorchester; Anne Dahl, Durand; and Tony Pollino, Medford, Massachusetts.

Candidates for freshman Student Senate representatives are first row, Carol Mueller, Chippewa Falls; Diane Colby, Mondovi; second row, Dave Oswald, Forest Park, Illinois; Ken Maahs, Wausau; and Peter Grace, Beaver Dam. Two of these students will be chosen as senators.

TIME FOR MEDALLION NOMINATIONS AGAIN

Have you nominated a worthy recipient for a Stout medallion award? Nominations are now being accepted by the committee members in Harvey hall, or contact the SSA office for nominating forms. The deadline is April 27.

This award is presented to students in recognition of outstanding participation in one or more college extra-curricular activities which are in some way of service to the college and to the student body.

The award, a bronze medallion, was designed by Ken Dickie. Selected committees composed of representatives from the administration, the faculty, and the student body planned the general criteria for the granting of this award. A committee appointed by the governing board makes the final selection of recipients from nominations presented to the committee.

GET OUT AND VOTE!

Stout's first group of SSA student senators will be chosen by you the student body at the annual spring election next Thursday. It is your responsibility to choose wisely the representatives who will serve you during the coming year in the Stout student government.

With the passing of the new amendments to the SSA constitution the past Governing Board became the new Student Senate. This change brought about increased representation and responsibilities. It is up to each student of Stout to show his or her interest and support the new senate by selecting senators wisely, not by popularity alone, but by ability and leadership qualities. When you go to the polls you should place your vote for an individual not a club or an organization.

Over two thirds of the student body showed interest in the recent election of the SSA officers by casting their votes. The election of delegates should be equally or even more important because representatives carry the students' problems and desires to the senate. In order for the SSA officers to fulfill their duties, they must have help of a qualified, interested Senate. DO YOU CARE ENOUGH ABOUT YOUR STUDENT GOVERNMENT TO CAST YOUR VOTE AT THE ELECTION ON THURSDAY?

CLUB NEWS

Newly-elected officers of the Alpha Phi sorority are: president, Jeanine Larson; vice president in charge of pledging, Joanne Schoemer; vice president in charge of scholarship, Nancy Swanson; recording secretary, Fern Krueger; corresponding secretary, Sharon Horsch; treasurer, Rita Bohman.

Chosen to reign over the Delta Zeta throne for the next year will be Kathy Anderson, who will sit in the president's chair. Others chosen were vice-president (rushing) Marge Rauerdink; pledging, Barb Dickinson, recording secretary, Avis Cahill; corresponding secretary, Irene Kettunen; treasurer, Kathy Shattuck; panhellenic representative, Midge Shattuck; historian-editor, Kelly Kelliher. Others are social, Nancy Fruit; standards, Sharon McManus; scholarship, Judy Steiner; and activities, Jean Moran.

Also at the meeting of the Delta Zeta Sorority on March 19 was the naming of Mary Hitesman as outstanding senior to represent the Zeta Beta chapter of Delta Zeta sorority. Dream girl to be represented April 18 at Province Day in Minneapolis will be Avis Cahill.

the International relations club meeting March 11. Virginia Gamboa and Alvaro Paniagua presented a very interesting and educational program about their country, Costa Rica.

A slate of two persons for each office was presented to the club by the nominating committee. At the next meeting, election of officers will take place.

Louise Grant, president, informed the members that IRC will represent Costa Rica and Columbia at the mock UN conference in Madison, April 17-19.

NUTRITIONISTS PREPARE EARLY BREAKFASTS

It's 5:45 a.m. and lights begin to twinkle on at Tainter hall as reluctant girls open their sleepy eyes with the thought that this is the morning that classes begin at 6:30.

These special 6:30 classes are for the girls in Miss Meiller's nutrition class and they mean only one thing—that at least one morning out of the year, these girls will be starting off the day with a nutritious breakfast.

It has been found in surveys throughout the years that many people start off the day without the proper nourishment. Although studies have been made and published to prove that no one can work at top efficiency without a good breakfast, many people still persist in sleeping until the last possible moment and then dashing off to class or to work.

Hunger pangs, grouchiness and a listless feeling are well-known early morning symptoms of the lack of a good breakfast.

It is through these early morning nutrition classes that Miss Meiller strives to impress upon her girls the importance of eating a high protein meal in the morning.

Perhaps if more people were given an opportunity to learn, even the most reluctant risers would be willing to get up in time to eat. Why don't you try it?

and is the membership director of Alpha Sigma Alpha.

Anne Marie Dahl is from Rock Falls. She is a member of Sigma Sigma Sigma sorority, Home Ec. club, Stoutonia, Inter-religious council, Lutheran Student association, Stout 4-H, and is an understudy for Manual Arts Players. Anne Marie is Sigma Sigma Sigma assistant treasurer and Lutheran Students music chairman.

Robert Danielson, a sophomore from King, is a member of Sigma Tau Gamma and Lutheran Students association. Bob is vice president of Sigma Tau Gamma and is active in intramural sports.

Janesville is the home town of Deanna Howell. Deanna is a member of Alpha Phi sorority, Home Economics club, Stout 4-H club, Stoutonia and Wesley fellowship. She is treasurer of the Stout 4-H club and food chairman of Wesley fellowship. Deanna, a Tainter hall counselor, is a member of the Janesville Municipal band.

A member of Alpha Phi sorority, Home Ec. club, Gamma Delta and band is Fern Krueger of Dorchester. Fern is secretary of Gamma Delta, Alpha Phi and band and is Foundation Fund chairman of Alpha Phi. She is also publicity chairman of the regional Gamma Delta.

Anthony Pollino of Medford, Massachusetts, is a member of Sigma Tau Gamma fraternity and Alpha Psi Omega fraternity. Tony, a Stout football player, was vice president of his freshman class and is president of the sophomore class.

Bonnie Vanderbilt, a sophomore from Juda, is a member of Sigma Sigma Sigma sorority, Home Ec. club, Wesley fellowship and Panhellenic council.

Five candidates were nominated by the freshman class, so that they might elect two Student Senators.

Diane Colby of Mondovi is a member of Home Economics club and Wesley fellowship. Diane was publicity chairman for the Home Ec. club Green tea.

Active in Stout state college intramural sports is Peter Grace, a native of Beaver Dam. Pete is a member of Phi Omega Beta fraternity and Newman club.

Ken Maahs of Wausau is a member of Phi Sigma Epsilon fraternity and is also a member of his church youth group and church choir.

A freshman from Chippewa Falls, Carol Mueller, is a member of Home Ec. club, Tower and WRA. Carol is freshman class treasurer, and is historian and reporter-elect for the WRA.

David Oswald claims Forest Park, Illinois, as his home town. Dave is a member of Sigma Tau Gamma fraternity, Gamma Delta and is dormitory SSA representative. He participates in track, and is Gamma Delta vice president.

Each candidate has expressed a sincere interest in the Stout state college student body, and promises if elected to serve the student group as effectively as he can.

BASIL HOLDER RECEIVES TV FAME FOR SECRET

Going down in Stout's history will be the fond, if sometimes frantic, memory of Basil Holder. Basil is famous for his diving skill—into an empty pool.

Fame spread fast for Mr. Holder and word of his antics reached Garry Moore. Last week, Basil appeared before a nationwide television audience and announced, "I've got a secret."

It seems that Basil, who came to Stout from Black River Falls, became famous as the "clown about campus." He was a member of the FOB fraternity and kept everyone well entertained whenever he emceed a program.

Basil was also an athletic young man and one day, after a hot and tiring game of basketball, Basil decided to go for a swim.

He ran into the darkened room from the locker room and made a beautiful dive into the shallow end. Everything was perfect, except for the fact that the pool was empty.

Although this story could have had a tragic ending, Basil was lucky and ended up with only cuts, bruises, and a momentarily shattered pride.

Since last week, Basil, who now teaches in Virginia, has become famous for his heroic deed and Stout joins in acclaim for him. Perhaps there is even a tinge of jealousy in the rest of us who were unable to share his fame or his meeting of famous and beautiful Jane Powell on Garry Moore's "I've got a secret."

NEWS OF OUR ALUMNI

Stout graduates have turned out in full force for the Kentucky Industrial Education association convention held at Louisville, Kentucky. For the past two years attendance has been nearly 100 per cent. Stout grads in attendance in 1957 and/or 1958 were: Art Gribble (1923), Harry Heideman (1933), Rowan Brom (1928), E. O. Eiker (1935), Kenneth Waters (1936), Louis Berger (1936), George Richards (1928), Carroll Brunson (1948), L. H. Rogge (1938).

Two Stout grads, Edward M. Claude and John Rantala took part in the Lake County Industrial training association meeting in Chicago recently. The meeting was for industrial supervisors, training specialists, school administrators, employment managers, civic leaders and industry representatives.

John, a student at Stout from 1939-1941, and a former supervisor of industrial education, North Chicago Community high school, and now training supervisor of the Abbott laboratories in North Chicago, was chairman of the meeting.

One of the speakers was Edward, Dip. 1925, who is chief of trade and industrial service of the Illinois state board of vocational education.

Robert E. Adkins (1955) is teaching general shop at the Nouasseur high school, Nouasseur, Morocco, North Africa. He and his wife live in Casablanca, Morocco.

Mr. and Mrs. Clarence J. Beauchamp (B.S. 1936, M.S. 1949) reside at 1908 Wiltshire Rd., Berkley Michigan. Clarence is educational supervisor for the Chrysler corporation there, and Mrs. Beauchamp (nee Lois Syer, B.S. 1937) is a member of the diet therapeutics staff at the William Beaumont hospital in Royal Oak.

Mr. and Mrs. Melvin E. Swenby (both B.S. 1928) are teaching industrial arts and home economics at the high schools in LeSueur, Minnesota, and Henderson, Minnesota. They reside at 102 Park Lane, LeSueur, Minnesota.

1958 grad, James Traxel, is instructor in the U. S. Army offset platemaking school at Fort Belvoir, Virginia. Jim's address is Pvt. James

Traxel, RA 16610235, Hg and Hg Co. 1st Bn. USAECR, Fort Belvoir, Virginia.

Roy Gangwisch (Dip. 1914) died March 11, 1959. Roy, a former football player on the 1912 Stout team, taught in Detroit, Michigan.

Draftsman for the 28th Infantry of the U.S. Army is Douglas Ray Pagel (B.S. 1957). His address is: Specialist 4th class Douglas R. Pagel, US 55 608 374, Hq and Hq Co., 1st Bat Gp, 28th Infantry, Fort Riley, Kansas. Doug expects to be released from the active army this summer.

Selected for one of the renowned Danforth teacher grants has been a graduate of Stout state college, Miss Marion Lee, according to news received recently by Miss Hazel Van Ness, associate professor of home economics at the college.

Miss Lee, who came to Stout from Coon Valley, earned her bachelor of science degree in home economics education in June, 1946. She returned for her master's degree in the Stout graduate studies program in 1949.

The Danforth grant will permit Miss Lee to complete a year of study at any institution of her choice within the United States. Her present plans are to enter Michigan state university in the fall.

Following her graduation from Stout, Miss Lee joined the faculty of Butler university and later the faculty of State College of Washington, Pullman, Wash. At present she is teaching on the home economics staff of Purdue university.

NOTICE

On Wednesday, April 15, Dean Alice J. Kirk will be honored by Phi Upsilon Omicron at the annual spring tea. This tea will be held from 3:00 to 5:00 p.m. in Harvey memorial. Students and faculty members are invited to bid "Bon Voyage" to Dean Kirk who will embark for India in June.

All seniors are reminded that their class banquet will be held tomorrow evening, April 11, at the Hotel Northern at Chippewa Falls. Festivities will begin at 7:00 p.m.

Those who have no means of transportation to the banquet are asked to meet in the Union at 6:00 p.m. Students who are driving and have room in their car are asked to meet in the circle at the same time. Your cooperation will be greatly appreciated by those who otherwise would be unable to attend.

JOKE

Government, even in its best state, is but a necessary evil; in its worst state, an intolerable one.

—Thomas Paine
I must be cruel, only to be kind.
—Shakespeare

A pleasant moment comes to Thomas Pagel, Stout state college senior, as he receives from Dr. Vern C. Fryklund, a check from the National Defense Student Loan Fund which will permit Pagel to complete his degree. Happy that all the forms have been completed is Dean M. M. Price.

Tom Pagel Is First Stout Student To Receive Loan

Recipients of National Defense Student loans at Stout are happily receiving their share of the \$11,469 which the federal government allocated as Stout's share of the national appropriation.

According to M. M. Price, dean of men and official in charge of administering the loans at Stout, 34 students will share in the money, each meeting federal requirements for eligibility. Average of loans per student will be approximately \$300, Price estimates.

SENIOR GALS LEAVE FOR PRACTICE TEACHING

Eighteen girls have journeyed from the home fold to prepare themselves for their teaching careers. This is the last group of girls who will do their off campus teaching this year.

They are Judy Stignan and Octe Heis at Amery, Eleanor Pehlke and Ruth Schlegel at Baldwin, and Gerry Krueger and Joan Hobbick at Glenwood City.

Bovaird Brown, Barbara Kennedy, Barbara Williams and Beverly Madson are all at Medford. Neillsville high school is playing host to Mina Clasen and Peggy Handlos.

Opal Kunz and Gloria Walstad are at Rice Lake and Mary Hitesman and Sonia Weaver are at Schofield. Gwen Urbanz and Annabelle Ballard have traveled to Stratford where they will complete their practice work.

Good luck to all these girls in their preparation for their chosen career. These girls will be gone from April 6 to May 15.

HOEFFNER HEAD NATIONAL HITS TENNIS TEAM FOR 2ND YEAR FUTURE BRIGHT

Lloyd Hoeffner, new coach of the tennis team, has started outdoor practice this week after several days of indoor workouts.

Hoeffner, a junior, hails from Manitowoc, Wisconsin, where he has been very active in tennis. In junior high school he won one letter and in high school he won three letters in tennis. In his senior year he was elected co-captain of the tennis team. At Stout, Lloyd has won a set of humerals and a letter.

Lloyd is a qualified Lawn Tennis

Lloyd Hoeffner

association umpire. He has umpired the state tennis tournament and the Milwaukee Journal tennis tournament.

Besides teaching tennis during the summer months, Lloyd also is president of the tennis club that he started back home. Last year he organized the city tournament in Manitowoc, which attracted about 400 entries.

Lloyd now is looking forward to a successful year with his net men.

'58 TENNIS SEASON UNSUCCESSFUL

Last year's tennis team did not do very well against their tennis opponents. Coach Conrad Mlynarek's team won one and lost five matches.

1958 TENNIS RECORD

	Stout	Opponent
St. Mary's	2	5
Eau Claire	2	7
River Falls	6	3
St. Mary's	3	4
Mankato	0	7

1 win, 5 losses.

Stout's basketball season ended March 25 when the intramural American league made a comeback and won the third All star game 57 to 50 of the National league's 50 points.

Still this wasn't good enough, or rather it was too late, as the 'Nats' had taken the first two games 74 to 56 and 88 to 69. Thus the American league lost the grip it had for the last two years on the All-star games.

The players of these three games were selected by the team captains from both leagues and thus were the cream of the intramural crop chosen. Almost all teams had at least one man on the All star team and many had two or more. Some of these men selected have now played in two or three successive All star games. They are Kazlauskis, Larkin, Hoffbeck, Johnson, Nelson and Fulcer in 1958, and Hejny, Hoffbeck, Larkin and Nelson in '57.

The outstanding players in the 1959 games were Jerry Sorenson on the American league who hit 21 field goals and ten free throws for a total of 52 points. John Mihalko of the National league placed second by sinking baskets worth 42 points, and Dick Johnson, also a 'Nat', tallied 26 points.

In all, the All star games were a rousing success for the National league rooters, and a 'fair exhibition' to the American league boosters who promise to get even next year.

DISASTER SPELLS THE WORD FOR '58 GOLFERS

In the spring of 1958 the Blue-White golf team had a disastrous season. Bob Eggleston's boys dropped all of their matches. This year Coach Bob is hoping the boys will improve over last year's record.

1958 Golf Record

	Stout	Opponent
St. Mary's	3 1/2	11 1/2
Eau Claire	0	18
River Falls	2	16
St. Mary's	8 1/2	9 1/2
Mankato	4 1/2	13 1/2

The State Meet was held at Green Lake and Stout placed nine in the nine-team tournament.

0 wins, 6 losses.

JOKES

On a cross-country training flight, my student pilot and I stopped at Sherman, Texas, for gas. We got the plane serviced, finished our Cokes and checked our charts for the next leg of our flight. As we were about to leave, the lanky airport attendant tapped me on the shoulder and drawled: "The reason Ah'm waitin' so long to give y'all back your change is because you ain't paid me yet."

The Reader's Digest

But if I'm content with a little, Enough is as good as a feast.

MENOMONIE • WISCONSIN

Robert Eggleston

GOLF HAS MANY BRIGHT PROSPECTS FOR SEASON

Starting his 14th year of golf, his third as player-coach at Stout, his fourth as a varsity golfer at Stout and with the brightest prospects in the last three years is senior Robert Eggleston from Clintonville, Wisconsin.

Bob started his career with four years of high school competition, two of which found him as the number one man on the team. In 1949 and 1950 Eggleston won the Clintonville junior championship and in 1955 and 1956 captured the Clintonville city championship.

As an aviation supply corporal in the Marine corps, Bob played two years of golf at Quantico, Virginia. He played on the post team and was also a member of the air station team. The high point of his service golfing career was the runner-up position in the Commodore's trophy tournament at Quantico.

"The outlook for this year's team is good," states Bob. "We have the top three men back from last year's squad plus two numeral winners and some good looking first year men." Eggleston, Dick Lowry and Lloyd Wiberg are the returning lettermen.

This year's team will carry six men and two alternates. Candidates for the remaining five positions are: Willie Larkin, Wally Klosterman, Bruce Eland, Pete Fulcer, Jerry Kain and Jim Schloupf. Team members will be required to shoot 45 holes of golf per week at the Menomonie Country club. Members are now working out on Monday, Tuesday, Wednesday and Thursday afternoons.

The opening golf match will be the 18th of April with St. Cloud teachers at St. Cloud, Minnesota. The tennis and baseball teams will also make this trip.

MATMEN CLOSE FIRST SEASON SUCCESSFULLY

Wrestling at Stout has completed its first year as a varsity sport. Coach Milsted said, "Considering this has been our first year in varsity wrestling, Stout has done very well."

He continued, "Although we only won three meets and lost six our record could have been quite different, since we lost two meets by only three points." The Bluedevil matmen had 50 matches which they won, and 61 which they lost, for a total of 45 per cent.

In the individual statistics Stout's matmen did fairly well. Their record reads as follows:

	W	L
Bernard Kane	2	0
Leon Stephenson	12	5
Philip Steffen	2	1
Jerry Holubets	9	5
Lyle Buss	8	5
Donald Keller	4	3
Richard Anderson	2	2
Frank Toth	1	1
Bob Leu	2	3
William Doane	2	3
Robert Raczek	2	5
Lloyd Wiberg	1	4
William McNaughton	1	4
Myron Tubbs	1	9
Frank Zabo	1	10
James Schloupf	0	1

50 Percent of Students Vote In Senate Election

Approximately fifty percent of the Stout student body turned out yesterday to vote for the candidates in the student senate elections.

Representing the seniors next fall in the senate will be Phil Felland, Stoughton; Bob Gannon, Park Falls; Dorothy Grundmann, Waukesha; and Dale Hammerschmidt, Fritch, Texas.

Students chose Patricia Choitz from Detroit, Michigan; Bob Danielson from King; and Tony Pollino from Medford, Massachusetts to be junior senators.

Carol Mueller from Chippewa Falls and Ken Maahs, from Wausau will participate as sophomore senators.

Many of the newly-elected senators have served the Stout student government in some way previously. Phil served this past year as vice president of the SSA. Dottie and Pat have both been representatives on the Governing board this past year.

Bob Gannon is active in Alpha Phi Omega and Chi Lambda fraternity, and Dale Hammerschmidt participates in the Phi Omega Beta fraternity and Arts and Crafts.

Tony Pollino and Bob Danielson are active in the Sigma Tau Gamma fraternity. Tony has been sophomore class president this past year.

Freshman Carol Mueller has been their class secretary this year. A member of the Phi Sigma Epsilon fraternity is Ken Maahs.

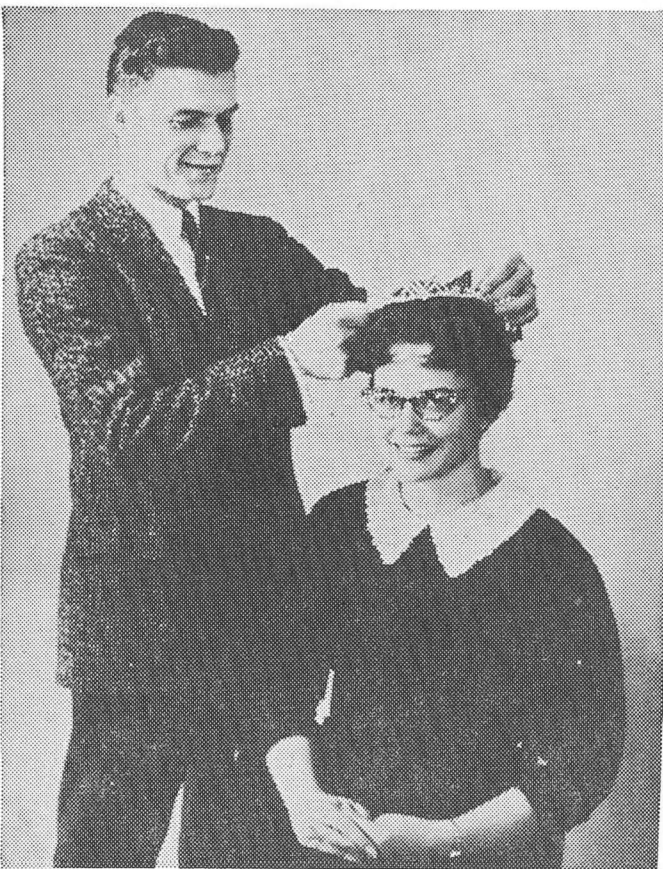

STRAUSS' OPERA TO BE GIVEN HERE TONIGHT

The National Grass Roots Opera company will present Johann Strauss' sparkling operetta DIE FLEDERMAUS ("the Bat") for a lyceum program in the Stout auditorium on Friday, April 17. Last season they performed this delightful operetta with the Amarillo Symphony orchestra under the baton of A. Clyde Roller in three performances in the Texas panhandle to a combined audience which totaled over six thousand. Last season the company presented the opera seventy-four times in its home state of North Carolina and through the South and Midwest.

The amusing story, laid in old Vienna of 1873, is set to the most familiar music of Johann Strauss, such as "the Laughing Song" and the waltzes in the second act.

This gay story of revenge centers around a rich Viennese banker and the manner in which his friend seeks revenge for being left sound asleep on a bench in the park following a masquerade party at which he was dressed as a Bat. The action moves from the bankers home, to an elegant party given by a fabulously wealthy Russian prince, to the humorous finale in the city jail.

Junior Prom Scheduled For Saturday, April 25

Don Stoddard, king of the forthcoming prom, rehearses the intricacies of "queen crowning" with his lovely sovereign, Mary Ellen Livingston.

Delightfully smooth dance music played by Rod Aaberg's big band will thrill dancers attending the Stout state college junior prom, to be held April 25 in the Menomonie high school gym.

The Rod Aaberg orchestra plays engagements at over 30 universities and colleges in the Midwest, including the University of Minnesota, U. of North Dakota, Carlton, St. Thomas, Macalaster, Grinnell, Cornell and River Falls state college. Television, radio and stage show engagements are also part of the orchestra's schedule.

Prom Queen Mary Ellen Livingston and Don Stoddard, junior class president, will reign over the prom. The theme of "Moonlight and roses" will be enhanced by beautiful decorations and lighting. Tickets, \$2.00 per couple, are now on sale in Harvey hall.

Nat King Cole, June Valli and the Crewcuts are some of the stars with whom Aaberg's band has appeared. Good musicianship and a vast musical library enable the band to play engagements ranging from high school dances to national telecasts. Orchestration by the Midwest's top arrangers have made Aaberg's 14 piece orchestra the most sought-after big band in the central United States.

Leader, trumpeter and conductor is the versatile Rod Aaberg. Rod has a bachelor of science degree from the U. of Minnesota and between engagements is working on a master's degree. Aaberg's abilities as a trumpet man are widely known in both the legitimate and dance band fields. He has appeared on television and radio, including several national telecasts and broadcasts.

Miss Fern Horn Named As the New Acting Dean

Named acting dean of the school of home economics at Stout has been Miss Fern Horn, according to an announcement by Dr. Verne C. Fryklund, president of the college. She will assume her new duties at the opening of the college semester in September.

Miss Horn will head Stout's school of home economics during the absence of the present dean, Dr. Alice J. Kirk. Miss Kirk has accepted an educational appointment in India and will be in that country for two years assisting the Indian government in setting up a program of teacher preparation in the field of home economics.

Now working toward completion of her doctorate in home economics education at Michigan State university,

Fern Horn

Fern Horn earned her master's degree in that field from Stout. She holds her bachelor of science in home economics education from the Wisconsin state college at Stevens Point.

While engaged in her doctoral studies at Michigan State university, Miss Horn has also been on the instructional staff of the teacher education department in the division of home economics education there, including among her other duties the supervision of student teachers at three off-campus centers. Prior to that appointment, she has extensive experience teaching homemaking in Wisconsin high schools at Oxford, Wonevot, Mosinee, Schofield and Eau Claire.

At D. C. Everest high school in Schofield, Fern Horn was also a sup-

ervising teacher in the off-campus student teaching program of the school of home economics at Stout. In addition to membership in the professional organizations of home economics education, she is active in Sigma Zeta and Kappa Delta Pi.

APRIL 19 IS DATE FOR VOTING FOR COVER GIRL

A photo of Mary Metz, attends Stout state college, will appear in the Minneapolis Sunday Tribune's Picture Sunday magazine, April 19.

The photo will appear under the heading "Pick Your Favorite Campus Cover Girl." An official ballot will also be published and will appear with the photos of the queen candidates from 28 Upper Midwest colleges.

This will be the fifth year Picture Sunday magazine has run a campus cover girl contest to pick a queen of all Upper Midwest colleges.

Picture Sunday magazine is especially edited and designed for Upper Midwest readers and appears each week with the Minneapolis Sunday Tribune.

FOODS CLASSES TO TOUR FIRMS IN TWIN CITIES

On Tuesday, April 1, ninety-five girls will board three buses for the foods field trip to the Twin Cities. The trip, which is open to all students enrolled in course HE 230 this year and the graduate food course, has been planned featuring a full day of activities. Miss Clara Carrison, who made the preliminary plans, and Miss Dorothy Knutson will be with the group.

Three firms of interest in the foods field will be toured. At Ziemaster Bakery the students will see large quantity baking procedures, including breads, cakes, pies, and doughnuts. The students will also visit the Armour Packing house at the Union Stockyards and the Fanny Farmer Candy kitchens.

The girls will eat lunch at Charlie's Cafe Exceptionale or Nan King's, where Polynesian type food is served. The group will return to Menomonie in the early evening.

NOTICE

Due to the Stout Typographical Society going on their three day field trip next week, we regret to announce that there will be no Stoutonia next week. The next issue will be published May 1.

On Sunday afternoon, April 12, the members of Stout's choir went on a good will tour. This tour was to the Northern colony at Chippewa Falls where they gave a concert for the retarded men, women and children living there.

The concert lasted for an hour and the program consisted of a wide variety of songs ranging from religious to patriotic to modern numbers. At the close of the concert, the audience joined with the choir in singing several numbers which afforded both much pleasure.

STUDENT FAIR FOR CRAFTSMAN TO BE MAY 2

Students in the industrial arts department of many high schools within a 150 mile radius of the campus will on May 2 enter projects for judging in the second annual Student Craftsman's fair, of Stout state college. Sponsoring the event is the Stout chapter of the national industrial arts fraternity, Epsilon Pi Tau, in conjunction with the Ford Foundation industrial arts award program.

Each project will be entered in one of eight areas: crafts, drawing, electricity, graphic arts, leather, metals, plastics and woods. Entries in each of these areas will be subdivided into one of two groups: 7th through 9th grades and 10th through 12th grades.

In each of the sixteen groups there will be offered first, second, third and honorable mention awards. Grand prize of the Craftsman's fair will be a scholarship to Stout, awarded to the senior exhibiting the outstanding project.

The schedule activities will begin at 8 a.m. with the entering of projects at Menomonie high school gymnasium. Then after the judging of projects and tours of the campus, visiting instructors and students will enjoy a noon luncheon. The afternoon schedule calls for the presentation of awards and the viewing of projects by the public.

Dr. Robert Swanson, associate professor of industrial education at Stout, is the faculty advisor for the Craftsman's fair. Student advisor is Dennis Darling, Cecil, with William Richter, Fond du Lac, and Dave McNaughton, Eau Galle as co-chairman.

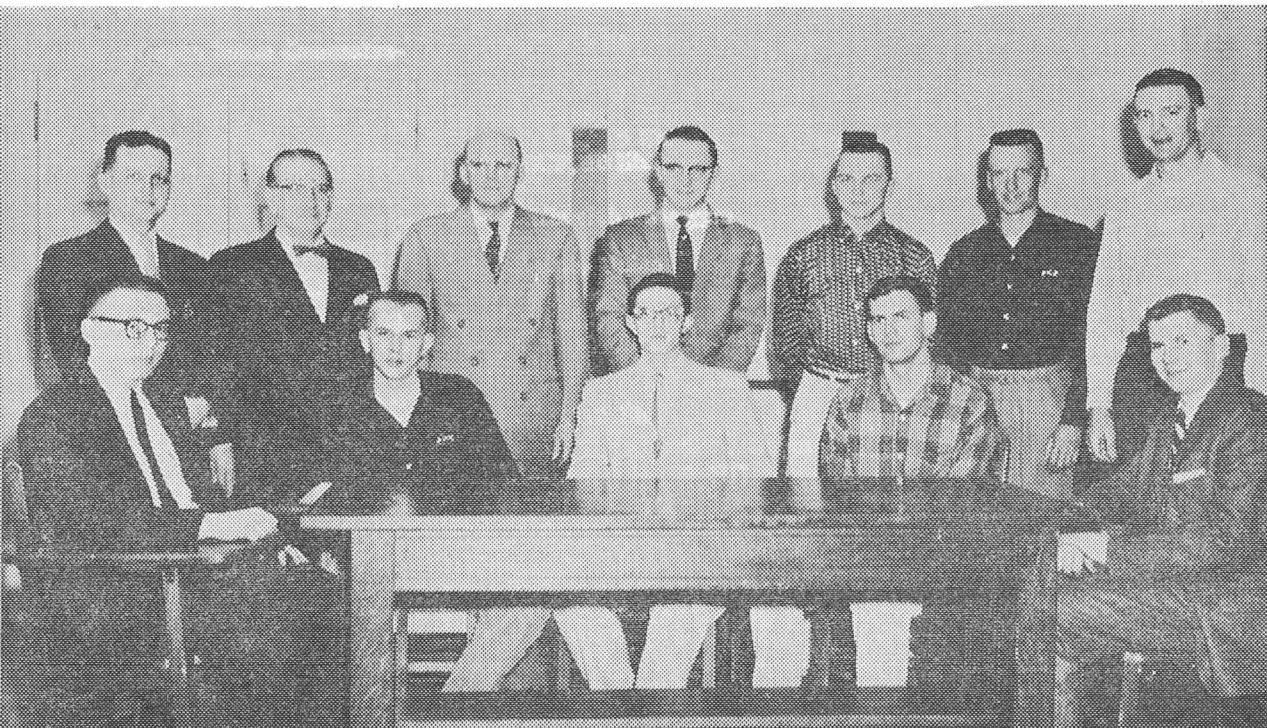

Judges for the fair and their respective areas are as follows:

Crafts, leather and plastic divisions: Jack Sampson, general shop instructor at Stout; Brian Kirby, Menomonie; and Mike Bachler, Ridgeland.

Drawing division: J. E. Ray, head of the department of drafting and professor of industrial education; John Theis, Madison; and Ronald Dhuey, Peshtigo.

Electrical division: Robert Spinti, instructor of electricity; Melvin Deswarte, Menomonie; and Ronald Holman, Osseo.

Continued on page 3

Members of the newly organized Inter-fraternity council are: front row, Jim Coyle, Sig Tau; Bob Sorenson, F.O.B.; Dave McNaughton, Chi Lambda; Bill McKinnon, Sig Tau; Ed Birch, Phi Sig; second row, Dr. Rudiger, F.O.B. fraternity advisor representative; Dean Price, advisor; Mr. Arneson, Sig Tau fraternity advisor representative; Paul Smith, Chi Lambda; Peter Fulcer, Delta Kappa; Phil Felland, F.O.B.; and Don Sabatke, Delta Kappa. Members not present are Don Anderson, Phi Sig, and the advisors from the Chi Lambda, Delta Kappa and Phi Sig fraternities.

DO YOU FOLLOW THE CROWD?

Perhaps some of you read an article recently published in a Milwaukee newspaper telling of a widespread "student apathy" toward learning. Students seem willing to get by with as little work as possible. A surprising large number of students rank social growth as the greatest gain from college, simply because the intellectual challenge is not there. They justify continuance of their education on the basis of social benefit.

Standards accepted by the students are established by group process. Few students were encountered who "professed to maintain individually held values sufficiently inviolable to be immune from the sentiment of the group".

The student is no better and no worse than the average American adult. He is a conformist along with most of his contemporaries; he adapts himself to the group around him. Are we at Stout too ready to "follow the crowd"? Perhaps each one of us should examine our goals and ideals and learn to make decisions for ourselves.

EDITOR'S NOTE: All letters received by the STOUTONIA are read by the editor and the advisor, but only those letters with signatures can be considered for publication. NAMES WILL BE WITHHELD FROM PUBLICATION UPON REQUEST.

At the last meeting of the Homebers, along with Dr. Wiehe, plan to leave Menomonie Sunday, April 26, and return Wednesday, April 29.

The club the initiation of officers for next year was held. The following girls were installed in their new offices: JoAnne Salm, president; vice president, Katchen Kubitz; president elect, Jean Smith; treasurer, Carol Bishop; secretary, Laura Kiel; and editor historian, Diana Evans. The program for the evening was a panel discussion by some former graduates of Stout who told what they had taken in preparation for their various fields, what they could have used, and which were the most valuable to them.

The members of the club are going to attend the Wisconsin Home Economics association meeting at Wausau, April 18. This meeting is not only for the members of the college sections but for all concerned with home economics in Wisconsin. There will be a luncheon and speaker, and various groups for the girls to attend. It should be a very valuable meeting for all who attend and the ones that are not able to go will benefit from the ideas brought back to the group.

New officers for the Metals Guild are Don Betts, president; Ron Unertl, vice president; Chuck Anhalt, secretary; and Bill Kaul, treasurer.

Plans are being made for the coming field trip to Milwaukee. The mem-

Visiting the Gamma Sigma chapter of Alpha Phi this past week has been Mrs. Margaret Aspinwall.

Mrs. Aspinwall is governor of district V of Alpha Phi international fraternity. This district includes Gamma Sigma at Stout, Iota at Madison, Beta at Northwestern University, Illinois, Epsilon at University of Minnesota, Gamma Epsilon at Lake Forest college at Illinois, Beta Alpha at University of Illinois, and Gamma Upsilon at University of Wisconsin at Milwaukee.

Faculty advisors entertained Mrs. Aspinwall at Jeatrans Supper club on Wednesday evening and on Thursday evening she was entertained at a banquet held by Gamma Sigma in the Tainter hall tea room.

This past week end Miss Antrim, Dr. Marshall, Rita Bohman, Jeanine Larson, Sally Weiss and Bette Zander attended State day at the University of Wisconsin at Madison where they met with Mrs. Aspinwall.

Election of officers, Mock U. N. conference, and a foreign student scrapbook were items on the agenda at the International Relations club meeting held April 8, in the library.

The newly elected officers for the coming year are president, Diane Achter; vice-president, Julie Blank; treasurer, Dave McNaughton; and secretary, Marilyn Blotz. Dr. D. L. Agnew was unanimously elected advisor for the coming year.

The students representing Costa Rica and Columbia for the U.N. conferences at Madison have been studying these countries and their positions in the world today.

The members discussed starting a scrapbook about the foreign students on our campus. A committee was selected and they will begin work on the book very soon.

The club obtained permission to keep a file in the file room of the library.

Afif Hajir, who is now teaching in Amman, Jordan, Gezahenge Sellassie who is studying in Los Angeles, California, and Kemal Kerpici who is back home in Akara, Turkey, send their regards to all their friends at Stout, especially those in IRC.

JOKES

First Coed: Gosh, but I miss my boyfriend. Here's his picture.

Second Coed: (looking at the picture) Why?

Rob: What do you do for a living?

Bob: I'm an independent salesman.

Rob: What does that mean?

Bob: I take orders from no one!

According to a notice just received by Dr. Barnard from Lee W. Cochran, executive assistant in the extension division of the University of Iowa, Dr. Barnard is one of only 15 persons on last year's conference staff being invited to return to Lake Okoboji August 22-26. Each year, conference participants vote on those leaders with whom they would like to work at the forthcoming summer conference.

TENNIS SQUAD ANNOUNCED BY HOFFFNER

Tennis coach Lloyd Hoeffner has announced the squad members for the 1959 season. Besides Hoeffner the returning letter winners are Conrad Mylnarek, Eugene Gehl, Duane Bengs, and numeral winner Dale Soderberg. New team members are Dick Bortz, Bob Bundy and Tom Mehring. Tomorrow morning the Bluedevil net men will travel to St. Cloud for the first match of the season. The traveling squad will be composed of the top five men decided by elimination.

INTERMURAL SOFTBALL BEGINS THIS WEEK

Intramural softball got under way this week at Nelson field and Riverside park. The "Toughen ups", defeated the "Squires" 23 to 4. Arvid Larson had 4 for 5 and Kurt Athens hit 2 home runs. The "Skunks", defeated the "Playboys" 6 to 5. Sandy Erickson went 2 for 2. The winning pitcher was Ron Kahl.

MCNAUGHTON, & SPRING SPORTS KUCHENMEISTER START SEASON STAR IN TRACK IN INTRAMURALS

Last week on Wednesday the Stout track team started spring practice. The twenty-two competing athletes are beginning to round into condition after one week of calisthenics, wrestling, running and field events.

Tuesday night coach Melrose had time trial for the tracksters. The time trials revealed most interesting and promising details.

Melrose was very pleased with the performance in their first trials. The trials were as follows:

100 yard dash:
Dennis Kuchenmeister
Glenn Harke
Jim Schorer
Frank Zabo
Phillip Gruendemann

Dennis Kuchenmeister won the 100 yard dash in 10.7 seconds. Kuchenmeister is a very promising 100 yard and 220 dash man from Barron.

In other events the following men are participating:

1 and 2 mile
Bill McNaughton — Clocked at 5:29:6 minutes
Tony Pollino
Ronald Johnson
Shot Put
Bill Kindschy
Disk
Robert Asp
High Jump
Herbert Helm
Gerald Stauffacher
Pole Vault
Dave McNaughton
Bob Bundy
Joe Figlmiller

Athletic director Johnson is trying to schedule a meet with River Falls and Eau Claire, although no final arrangements have been made at this publication.

Melrose said, "I am very pleased with the spirit and cooperation of the boys and the valuable services of trainer-manager Phil Hansen."

IS DELIRIUM AT STOUT RUNNING HIGH ON SLANG

Have you noticed that certain words such as "screw ball", "foul", and "rubarb" have become more frequent in the speech of the average student at Stout lately? If you have and suspicions have grown in you, I will refute them. The students are not getting spring delirium, the baseball season is on.

The varsity team played its first game Monday and though the score was lop-sided, they still have hopes of reversing the tendency.

The team consists of the following: Roger Senft, catcher; Dennis Hafeman, Ron Nelson, Denman Chase and Duane Webb as pitchers; at first, Len Sterry; second, Frank Kazlauskys or Dean Abbott; at third stands Stan Hilgendorf or Don Bressler; shortstop, Gerry Kellam, Wayne Hejny; at left field stands Don Sa-

batke or Bill Doyle; center field, Gene Gulan, Don Stewart or Don Feyer-eisen; and to finish the team, Pat Rorch or Keith Anderson in right field.

The top men of the team? Too early to say, but Denman Chase's pitching looks promising as does Frank Kazlauskys' consistent hitting.

Tennis Schedule

April 18	St. Cloud there
April 23	St. Mary's here
April 25	River Falls there
April 29	St. Mary's there
May 9	Eau Claire here
May 12	Eau Claire there
May 16	River Falls here
May 25	Conference meet, (Oshkosh)

Willie Foster Dies In Eau Claire Hospital April 24

Hearts were heavy around Stout state college as word was received that Willie Foster had passed away.

Willie was born in West Allis on December 27, 1935, and passed away at Luther hospital in Eau Claire, April 24, 1959, after a short illness.

Willie Foster

Will, who would have graduated next January, is survived by two sisters, Mrs. Paul Breth and Mrs. Donald Tegg, and his grandmother, all of West Allis. A graduate of West Allis Central high school, Will had attended Milton college before coming to Stout.

As we all know, Willie was very active in all campus activities. He was a

member of the FOB's and will best be remembered for his inimitable performances as master of ceremonies at the last two Stout night programs. Willie also had a part time job and was devoted to his work at Kellings service station.

There is a memorial fund being set up in honor of Willie Foster. More information can be obtained in Dean Price's office. In the near future, a benefit will be held in memory of this beloved young man. It is hoped that all will attend who knew and loved Willie—the young man who always gave everything he had to offer.

STOUT HOSTS CONFERENCE ON JOURNALISM

Today, Stout's campus is playing host to groups of journalists from the newspaper and yearbook staffs of Stevens Point, River Falls and Eau Claire, and the group thought the benefits derived from such a meeting were so worth while that the conference should be held yearly.

Heading up this year's conference are Bob Papas, past editor of the Stoutonia, and Pat Soldner, past editor of the Tower. The two were chosen as state chairmen of this year's conference at last year's meeting.

The conference began this morning at 9:00 and will continue throughout the day with informal meetings in the Audio-visual room of the library, and awards will be presented to outstanding newspapers of the past year. Last years host, Eau Claire, is handling the contest entries and is awarding the prizes.

ANNUAL DINNER DANCES TO BE THIS WEEKEND

"Underwater Fantasy" is the theme set for the Alpha Phi dinner dance to be held this Friday evening. Music will be furnished by the George Day Combo of Eau Claire as 78 people gather for a delicious shrimp or chicken dinner and then enjoy a relaxing evening of dancing.

It will be like escaping to another world momentarily as delicate fish netting will swirl gracefully around murals of defeated ocean vessels that have sunk beneath the water.

Chaperoning the dance will be Miss Anne Marshall and Miss Keturah Antrim, Alpha Phi advisors, Mr. and Mrs. Ziemann, and other guests and alumni. Pat Soldner is general chairman of the event.

Dancing under the stars amidst palm trees and murals of Hawaiian scenes will provide the mood for the Delta Zeta dinner dance "Blue Hawaii". Enjoying the festivities May 2 at Tainter hall will be the sorority members; their dates; their guests, Mr. and Mrs. Melrose and Mr. and Mrs. Bostwick; and their advisors, Miss Carrison, Miss Knutson and Miss Perman.

During intermission sorority president Kathy Anderson will give welcome followed by the members singing a few Delta Zeta songs. Dinner dance general chairman, Alice Cramer has had a committee composed of Judy Steiner, food; Pat Boettcher decorations; Kelly Keliher, programs; and Cathy Krupp, entertainment.

LAST CONVO FEATURES FILM ABOUT RUSSIA

Neil Douglas, America's dynamic explorer, writer, lecturer, glaciologist, and photographer will present "Russia, the New Face" at convocation on Wednesday, May 6.

He will also show a new, complete, unrestricted full color motion picture of the Soviet Union. Some of the questions that will be answered are: How do the Russian people feel about America? What is life like—are they poor or prosperous? Can Russian jazz and movies compare to ours? Are the people unified on Communism?

Climaxing the lecture and films will be 45 of the world's greatest dancers performing in costume for you.

This is the last convocation of the year and it is sure to be an interesting event. Plan now to learn more about the Soviet Union and its people.

G. E. Sipple representing the Menomonie legion and Ray Kranzusch, director of safety and driver education at Stout, look on as Dean John A. Jarvis accepts the Legion's citation of merit for outstanding effort in the promotion of the Driver Training Program from State Commander Douglas B. Davenport.

Stout Receives Award For Its Driver's Training

"For distinguished service to the community and to the State of Wisconsin by constructive endeavor and outstanding effort in the promotion of the Driver Training Program" the Wisconsin Department of the American Legion has conferred upon Stout state college here the Legion's citation of merit.

MAY DAY TEA IS PRESENTED BY ALPHA PHI'S

Teas come and teas go! This is true all over the states. Stout is no exception to this rule. All year long we have enjoyed the Wednesday afternoon teas, but now there is only one left.

On Wednesday, May 6, the Alpha Phi sorority will hold a Mayday tea in Harvey Memorial. The Mayday tea, which promises to be bright and breezy just as the month it is named for, will last from 3:30 until 5:20 p.m. Punch and cookies will be served.

The Alpha Phi's would like to extend an invitation to all students to attend. Bobbi Mulock is general chairman of the tea.

ITALIANS VISIT STOUT CAMPUS AND FACULTY

The significant role of Stout state college here in training teachers for many nations of the world was emphasized again by the recent visit to the campus of a team of prominent Italian educators who made a personal presentation of an educational volume to Stout's president, Dr. Verne C. Fryklund, and then devoted two days to a careful examination of the teacher training process at Stout.

Accompanied by an escort interpreter from the U. S. Department of State, under whose auspices the visitation was made, the following educators were present: Professor Giuseppe Flores D'Arcais, dean of the teachers faculty of the college at Padova; Professor Giovanni Cesca, director of the Agricultural-Vocational school in that city, and Professor Pietro Cesari, director of the Industrial-Vocational school there. Official translator was Emilio Catalano.

Upon arrival, the visitors presented to President Fryklund a copy of an official publication of the Italian Ministry of Education in which Stout's teacher preparation curriculum received high praise. Dr. Fryklund then outlined for them specific aspects of that curriculum.

During their two-day stay on the Stout campus, the educators toured college shops, laboratories and classrooms, paying particular attention to the course work of students preparing to become teachers of industrial education. They also had the opportunity to confer with the college deans of home economics, industrial education and student personnel services.

the campus was State Commander Douglas B. Davenport, New Lisbon. Davenport, who has compiled an outstanding Legion and community record, is a holder of the Legion's national "Operation Comeback" award. He is Juneau county veterans' service officer.

Accepting the citation in the absence of Dr. Verne C. Fryklund, president of Stout, was Dr. John A. Jarvis dean of the school of industrial education. Also representing the Legion for the ceremony was G. E. Sipple, Menomonie, past state commander and now a national-committee member for that organization.

Earning the award for the college has been its work in driver education carried on since 1949 under R. F. Kranzusch, director of safety and driver education there. Under his supervision, 1700 persons have become driver education instructors and 1200 others have learned to drive. Of that group, 500 became instructors during the regular college year and the remainder during summer sessions, when Stout conducts the nation's largest driver education offerings.

Demand for such training at Stout has become so great that the college will this summer offer the basic course during the regular six weeks summer session and both basic and advanced classes during the post summer session. According to director Kranzusch, heavy pre-enrollment indicates that another 185 persons will be graduated as driving instructors and over 90 area residents will learn to drive.

Assisting Stout to offer some of the earliest of this type of training and to grow to its present class size has been the cooperation of the American Automobile Association. Taking the active part in this summer's program will be Ben Precourt, safety director of the Wisconsin division of AAA and "Buzz" Carleton, well-known official from the AAA national office.

SIG TAU'S BRING JAZZ CONCERT TO CAMPUS

The sprouting of signs all over Stout's campus has made it evident to the student body, that the first annual Jazz Concert sponsored by the Sigma Tau Gamma fraternity is coming to Stout.

Doc Evans and his dixieland band, who make their headquarters at the University of Minnesota, but are known throughout the midwest for their fine arrangements of both old and modern jazz, have been selected as the featured band for this first yearly event.

The concert is scheduled for Tuesday, May 12, at 8:00 at the high school gymnasium. Admission will be 75 cents, and tickets can be bought from any member of the Sigma Tau Gamma fraternity.

Come one, come all, to an evening of the music that made New Orleans famous.

Setting up standards which will be used in judging high school industrial arts projects entered in the Craftsman's Fair of Stout are (L-R) Dr. John A. Jarvis, Jerry Holubets, and William Richter. The Fair is a part of the Ford Foundation Industrial Arts Awards Program.

EPT SPONSORS ANNUAL CRAFTSMAN'S FAIR; HIGH SCHOOL STUDENTS TO DISPLAY PROJECTS

Final arrangements for the second annual Stout state college Craftsman's fair on May 2 have been completed, according to William Richter, Fond du Lac, and Dave McNaughton, Eau Claire, students who are co-chairmen of the event. The number of pre-entries indicate a successful and interesting Craftsman's fair, the co-chairmen report.

The fair is sponsored by the Stout chapter of Epsilon Pi Tau, national honorary industrial arts fraternity, in connection with the Ford Foundation industrial arts award program. Projects entered have been constructed by industrial arts students from high schools within 150 mile radius and each will be placed in one of the following eight categories: crafts, drawing, electricity, graphic arts, leather, metals, plastics and woods.

The day's activities will begin at 8:00 a.m. with the entering of projects at the Menomonie high school gymnasium. Then after the judging of projects and tours of the Stout campus, the visiting instructors and

students will pause for noon luncheon.

The afternoon schedule calls for the presentation of awards and the viewing of projects by the public. As in the past, the fair is designed to stimulate good craftsmanship on the high school level. The public is invited to view these projects in the Menomonie high school gymnasium any time on Saturday afternoon, May 2.

PIZZA PARTY PLANNED BY PHI SIGS FOR MAY 3

Sunday, May 3, from 4 to 8 p.m., the Phi Sigs will again hold one of their famous pizza parties. For just one dollar and a short visit to the American Legion hall (located behind Jones Drug store), you will be able to enjoy the most delicious pizzas in this area.

Transportation will again be supplied for all who desire to attend. For this service, simply call 1608. We hope everyone will be there to enjoy the fun. Tickets may be purchased from any Phi Sig's or at the door.

THE STOUTONIA

Stout State College, Menomonie, Wisconsin

Associated Collegiate Press

Printed and published by the students at Stout State College every Friday morning during the school year, except on examination days.

Entered at the post office, Menomonie, Wisconsin, as second-class matter.

The Stoutonia is a little more than just a newspaper; it is an educational experiment. It is written to inform, enlighten, and to give its staff members experience that conforms to good journalistic principles and practice.

YOU HOLD THE KEY!

Success is a little seven lettered word that has more meanings to more people than any other word in the English language according to the teenage daughter of William Gary, executive secretary of Printing Industry at the Twin Cities.

Isn't everyone responsible for his own success, and therefore, wouldn't everyone have a different meaning for it? Sometimes it is a noun... and then again, it shows up in sentence structure as an adjective.

The seeds of success are within you. It's not who you are. It's not whom you know. It's what you are and do! Therefore, everyone is responsible for his own success — what he is, he makes himself.

To be a success in anything we must first set certain goals, and then we must reach these goals, not only to the satisfaction of others but to ourselves as well.

Doesn't this word, "Success" play a big part in our lives? It can make life so wonderful, this knowing we have done our best. Yes, we make our own success and here is a poem which sums it up beautifully: "Life is a story in volumes three... The past, the present, and the yet to be. The first is finished and laid away... The second we are reading day by day. Third and last of the volumes three — Is locked from sight... You hold the key."

CLUB NEWS

Delta Zetas from Stout's Zeta Beta chapter joined with members from Wisconsin state college, Eau Claire, Wisconsin; the University of North Dakota, Grand Forks, North Dakota; and the University of Minnesota, convention at the University of Minnesota Delta Zeta house on April 17-19.

Workshops were held on standards, scholarship, rushing, and pledging. An awards dinner was held at the Curtis hotel Saturday evening. The Zeta Beta chapter of Stout state was awarded the "Most Outstanding Chapter" award for province 14 which includes the above listed chapters.

Those attending from Stout were: Marge Rauwerdink, Barb Dickenson, Avis Cahill, Alice Cramer, Kathy Anderson, Marilyn Watts and Miss Knutson.

Forming of the 1959-60 social calendar held the spotlight at a recent Chi Lambda meeting. Social functions to be sponsored during the coming year by this fraternity are as follows: street dance, homecoming breakfast, Mardi Gras tea and ball, spring picnic and dinner dance.

All dinner dance arrangements for

May 9 have been completed according to chairman Bird. Appointment of special officers include Alvin Schroeder, alumni secretary, and Jesse Meloling, Stoutonia reporter.

Cindy Goehring, Sandy John, Kay McSweeney and Katchen Kubitz were the Alpha Sigma Alpha delegates to the state day week end at Northern Illinois state college in DeKalb, Illinois.

Formal initiation was held in the tea room of Tainter hall for four new members: Avis Dutton, Karla Hanke, Joanne Johanning and Elaine Staaland. Initiation for our new pledge, Carol Perso, will be held later this spring.

Arrangements are being made for the dinner dance which will be held May 15 in the Tainter hall lounge.

The Stout Arts and Crafts club held formal initiation of their new pledges on Monday, April 13. The club took in five new members. The new members are: James Christoffel, Max Fanning, Bill Lindbo, Lois Milsted and Paul Smith.

Members, pledges, alumnae and patronesses of Sigma Sigma Sigma celebrated their 61st Founder's day on Sunday with a banquet and program at Jeatrans. Following the program, members and pledges serenaded the two dorms.

During the program it was announced that Ardelle Dregne was selected as the candidate for the national Mable Lee Walton Leadership award and that Carole Waterstreet was chosen as the outstanding Beta Phi pledge.

Monday, Tri Sigmas wore their traditional white outfits and flowers in observance of their Founders' Day.

At the last meeting, April 16, the new officers were installed. Those installed were Nancy Feuerstein, president; Nancy Cory, veep; Hoa Leu, recording secretary; Mary Ann Halada, corresponding secretary; Ann Nelson, treasurer; and Alice Weltzin, keeper of grades.

Our congratulations to Mary Lou Strutzel and Annette Hanson who recently became engaged.

Objectives of Guidance Organization are Given

The objectives of the new Student Guidance Organization on campus are to provide, upon request from the students of Stout state college, aid in academic, social and orientation problems and to provide the members of the organization with experience in the understanding and the applications of guidance techniques.

If you have anything you would care to discuss with a member of the organization, leave your name in Dean Iverson's office or contact Jim Christoffel, the president of the organization. Any individual aid will be treated as confidential.

The membership of the organization consists of active, associate and honorary members. Active members are those who have a C plus average and have received a B or above in Guidance. Associate members are those persons engaged in educational and vocational guidance and/or personnel services. Honorary members are the students that are interested in the organization but have not yet met the requirements for active membership.

Present plans of the group are to set up a big-little brother program. This program will be patterned after the present big-little sister program, with which most girls are acquainted. Our immediate need is an enlistment of freshmen, sophomore and junior men to serve as big brothers for the coming year.

The purpose of the big-little brother program is to help incoming freshmen and transfer students to become better acquainted with, and make a better adjustment to college life. The big brother's main role will be to give friendly advice.

Serving as a big brother does not mean that you must become an active member of the Student Guidance organization or maintain a "C plus" average; therefore the only requirement of the big brother is that an active interest be shown over the entire year. Any difficulties encountered may be referred to the Student Guidance or-

To facilitate the gathering of names of interested people, a letter is being placed in the mailboxes of all male students. If interested, please have replies in the Ballot box no later than May 6, 4:30 p.m.

NEWS OF OUR ALUMNI

1954 Stout graduate James A. Leader, Jr. is teaching English, drawing and descriptive geometry at Port Huron junior high school. He and his wife live at 1510 Howard Street, Port Huron, Michigan.

Print shop teacher at Phoenix Union high school in Phoenix, Arizona, is Byron A. Hughes. Byron (B.S. 1948), lives at 801 West Mariposa, Phoenix, Arizona.

SODERBERG DEDICATES NEW BOOK TO HIS WIFE

Just placed on the market has been a new edition of the textbook, "Finishing Materials and Methods," the very successful publication of George Soderberg, associate professor of industrial education at Stout state college here and specialist in finishing at the college. The book is dedicated to the author's wife, Delores.

The revised edition has 26 chapters, five new ones covering latest finishing materials and methods, the author reveals. A special chapter is devoted to "how-to-do-it" units of instruction in finishing as well as in painting and decorating. To illustrate the techniques and information in his text, Soderberg has included 225 illustrations.

Publisher of the revised edition of "Finishing Materials and Methods" is McKnight and McKnight Publishing Co., Bloomington, Ill., the firm that marketed Soderberg's widely-circulated first edition in 1952. That edition is now the official finishing text in 92 colleges and universities throughout America.

It is also used in England, Panama and the Philippine Islands. Wide acceptance of the volume has also occurred because its having been included on the list of recommend textbooks for schools throughout the City of New York.

Living at 1255 Valley Avenue, Baker, Oregon, are Mr. and Mrs. Harry Langworthy (nee Nellie McCown, Dip. 1911). Nellie is a homemaker and her husband is a retired railroad man. They celebrated their 32nd wedding anniversary last August.

Lawrence Schaudé (B.S. 1938), is teaching and coaching at Muskegon Heights high school. The Schaudés and their 16 year old son have their home at 2213 Maffett Street, Muskegon Heights, Michigan.

A 1931 Stout grad is teaching kindergarten at Maple Elementary, North Almsted City school system in Cleveland, Ohio. Mrs. Glenn Lund (nee Grace Linderson) and her family reside at 23492 Clifford Road, Cleveland 26, Ohio.

George W. Ludvigson, 700 W. 31st Street, Wilmington 2, Delaware, is teaching electricity at the P.S. du Pont School there. George (B.S. 1932) and his wife have two grandchildren.

Food supervisor for the Colonnade Company, a large cafeteria in Detroit, Michigan which serves the public during the noon hour, is 1925 Stout grad Margaret L. Massee. She enjoyed last summer in her recently purchased new home. Margaret lives at 18945 Ferguson Avenue, Detroit 35, Michigan.

William R. Mitchell is teaching printing in Tuscon, Arizona. Bill graduated from Stout in 1942.

PETER FULCER ELECTED NATL. DK TREASURER

Pete Fulcer was recently elected as treasurer of the Delta Kappa National fraternities, Inc. He has the distinction of being the first member of the Sigma chapter here at Stout to be elected to a national office. Pete received this honor when he and Jerry Kain were delegates at the Delta Kappa National spring business meeting at Frostburg, Maryland, April 17-

Pete Fulcer

20. Fulcer is a first semester senior from Kimberly, Wisconsin, majoring in industrial education. He serves the DK's as their corresponding secretary, is house treasurer and is an IFC delegate.

When Pete (better known as "Boy Nothing") isn't tending to the matters of the frat, you would probably find him participating in some phase of athletics, depending on the season. He has been football manager for the last three years; is a real gunner in intramural basketball as he has made the All star team the last two years running, and is currently displaying his talents on the golf team. W.C.P.A. Convention

Traditional at every Prom is the Grand March. Jeanne Hamerschmidt comes through the arch during the grand march at the Junior Prom which was held last Saturday evening. "Moonlight and Roses" was the decorations theme.

224 Couples Enjoy The Junior Prom Pageantry

Two hundred twenty-four couples enjoyed the music, color and pageantry of the 1959 Stout state college junior prom held April 25 in the Menomonie high school gym.

Queen Mary Ellen Livingston and King Don Stoddard reigned over the event. Music was provided by the versatile orchestra of Rod Aaberg with dancing from 9 until midnight.

The beautiful decorations were in keeping with the theme of Moonlight and roses. Balloons and streamers covered the dome of the dancing area and the raised band and throne areas were accentuated with latticework and covered with artificial grass cloth. One of the more popular areas was the swing which was used as a background for many pictures.

The chaperones for the evening were Dr. and Mrs. Guy Salyer, Miss Keturah Antrim and Dr. Theodore Wiehe are the class advisors.

Officers of the junior class are president, Don Stoddard; vice president, John Sherry; secretary, Nancy Feuerstein; and treasurer, Jo Ann Hanson.

Eileen Sievert and Sandra Sorenson were co-chairmen of the social committee. Decorations were supervised by Wally McCrum and J. Clyde Sutton.

JOKES

CLOSE MATCHES WON BY NETMEN OF ST. CLOUD

The Bluedevil tennis team traveled to St. Cloud Saturday for their first tennis match of the season. The Stout men were defeated 6 to 1, although all the scores were very close.

Eugene Gehl and Duane Bengs doubled up to win one of the doubles matches 4-6, 7-5, and 10-8. The other scores are as follows:

Lloyd Hoeffner vs. Bob Danielson 8-6, 1-6, 5-7.
Conrad Mlynarek vs. Clayton Freeburg 0-6, 6-3, 1-6.
Eugene Gehl vs. Jerrold Guin 5-7, 6-8.
Duane Bengs vs. John Bjorklad 1-6, 1-6.
Dale Soderberg vs. Adrien Bouchard 4-6, 6-0, 5-7.

Doubles

Hoeffner-Mlynarek vs. Guin-Freeburg 4-6, 4-6.
Gehl-Bengs vs. Danielson-Bouchard 4-6, 7-5, 10-8.

ST. MARY'S AND FALCONS FALL TO RACKETMEN

Stout state college tennis team the past week defeated both St. Mary's and River Falls colleges. Stout whipped St. Mary's 6 to 2. Coach Hoeffner was very pleased with the performance of the team, but like many coaches can see room for improvement in the team. The scores for the individual matches are as follows:

Stout vs. St. Mary's
Hoeffner vs. Farrell 1-6, 3-6
Mlynarek vs. Kenney 6-0, 6-2
Gehl vs. Virville 6-8, 6-2
Mehring vs. McDermott 6-4, 8-6
Bortz vs. Andrews 6-2, 2-6, 6-2
Soderberg vs. Hoffman 6-4, 6-3
Double Matches
Hoeffner - Mlynarek vs. Farrell - McDermott 6-4, 8-10, 6-0
Gehl - Mehning vs. Kenney - Verville 7-5, 3-6 (Last set called because of darkness)
Bortz - Soderberg vs. Andrews - Hoffman 6-3, 6-0

Stout vs. River Falls

Hoeffner vs. Sandberg 4-6, 4-6
Mlynarek vs. Ronnegan 2-6, 7-5, 6-2
Gehl vs. Handley 5-7, 0-6
Mehring vs. Segerstrom 6-1, 6-4
Bortz vs. Rosenthal 6-3, 6-4
Soderberg vs. Graham 4-6, 6-3, 6-1
Double Matches
Hoeffner - Mlynarek vs. Sandberg - Ronnegan 6-4, 6-2
Gehl - Mehning vs. Handley - Anderson 7-9, 6-3, 6-3.
Bartz - Soderberg vs. Rosenthal - Graham 4-6, 6-0, 6-3

STOUT LINKMEN DEALT TRIPLE DEFEAT

The Stout linkmen dropped their first three encounters of the season against St. Cloud, St. Mary's and River Falls. Yesterday the Bluedevil golf team traveled to Winona for a return contest with St. Mary's.

St. Cloud teachers of Minnesota handed the Blue and White their first loss of the season by a 13 to 2 count. R. Ogaard carded a 38 and a 40 for an 18 hole total of 78 to lead the Huskies to their win. Coach Eggleston shot a 45 out and 39 on the back nine in pacing the Bluedevils with an 84. Lowry had 85, Niberg 96, Larkin 104, and Lorenz 92 to round out the scores.

St. Mary's

P. Theis was low man for the Redmen from Winona in their 14½ to 3½ romp over Stout. Theis shot a 39 out and a 41 in, in the April 23 meeting of the two teams. Eggleston and Lowry shared honors for low man for the Bluedevils, each carding 85's. Lloyd Wiberg shot a 46 and a 43 for an 18 hole total of 89. Schlumpf had 83, Fulcer 97 and Klosterman 104.

River Falls

Two 77's by River Falls golfers J. Baldwin and J. Hallen paced the Falcons to a 14½ to 3½ conference win over the Blue and White at River Falls on April 25.

Robert Eggleston again lead the Bluedevils with an 18 hole total of 80. Number six man Willie Larkin shot an 89. Schlumpf and Wiberg both received 90's. Lorenz carded a 94 and Klosterman shot 95.

Yesterday's link team had Coach Eggleston in the number one spot followed by Peter Fulcer, Lorenz, Dick Lowry, Schlumpf and Lloyd Wiberg. The results of this match were not available at press time.

Next meet one week from tomorrow.

BLUE - WHITE SPLIT BASEBALL DOUBLE HEADER WITH ST. CLOUD DIAMOND MEN; 2-1 AND 1-0

GAME I

Stout state's baseball team avenged its first loss of the season in its opener by splitting a double header with St. Cloud April 18. Stout won the first game by the score of 2-1 and lost the second game by the score of 1-0 in two very close and interesting baseball games.

St. Cloud jumped off to an early 1-0 lead in the first inning when they put together a hit batsman, a walk, sacrifice and a long fly ball. After this, pitcher Ron Nelson settled down and pitched great baseball, allowing no runs and only two hits the remainder of the game.

After two men were out in the fourth inning, Duke Severson walked, Hejny singled and Sabatke walked, to load the bases. Dean Abbott drew a walk which forced in a run and Pat Roach singled, driving in the other Stout tally. This was all the run margin that Nelson needed and he continued to retire the Huskies for the rest of the game.

Wayne Hejny was the batting leader of the game, collecting two hits in three chances, and no other player on either team got more than one hit.

Box Score

	AB	R	H

BLUEDEVILS DROPPED IN OPENING GAME

The Stout Bluedevils opened their 1959 baseball season on April 13 by losing to Hamline University of St. Paul by the score of 25-6. Unbelievably to almost everyone except those present at the game was the fact that Stout led in the game until the fifth inning by the score of 4-3. At this point everything seemed to go wrong and Hamline scored 22 runs in the next five innings.

STREBLOW FROM GILLETT WINS STUDENT FAIR

The winning project of the 1959 student craftsman's fair recently completed here on Stout's campus was that of Curtis Streblow, senior from Gillett high school. Curtis was awarded a Stout scholarship for his entry, a solid walnut coffee table which provided four shallow drawers and a glass-topped magazine rack.

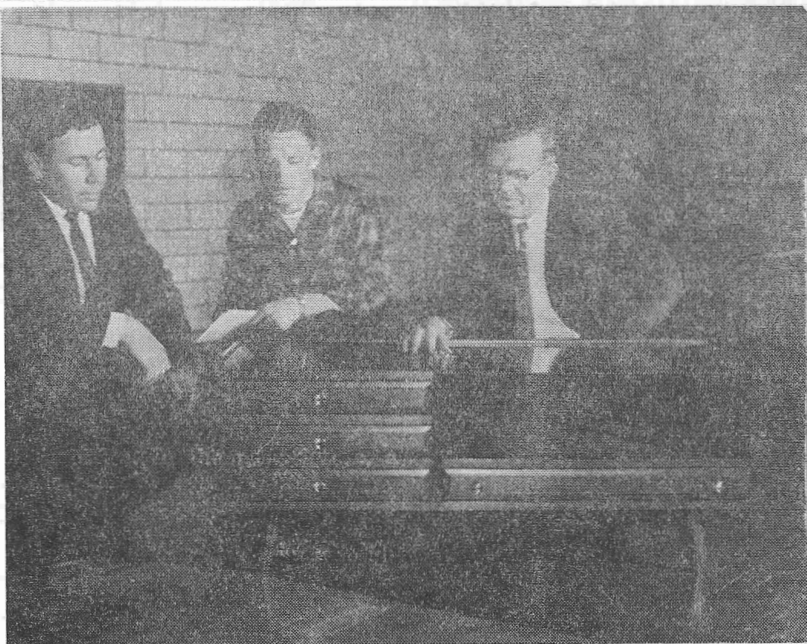

The table was designed, drafted and assembled by Streblow. He accepted the award from Philip W. Ruehl, Stout faculty member and advisor to Stout's Epsilon Pi Tau chapter, national honorary industrial arts fraternity, who presented the award for Dr. John A. Jarvis, dean of the school of industrial education.

Other divisions and award winners were: minor woods: Danny Hanson, Gillett; general woods (grades 7-9) Gary Bersell, Marshfield; woods open Michael Teal, Tomahawk; plastics (grades 7-9) Gayland Decorah, Neillsville; crafts (grade 7-9) Gary Thornton, Neillsville; electricity (grades 7-9) Harlan Olson, Hudson.

Mechanical drawing (grades 10-12) Larry Bennett, Eau Claire; architectural drawing (grades 10-12) Duane Berg, Eau Claire; and metals (grades 7-9) Kenneth Olson, Hudson, and Graham Harmon (grades 10-12), Hudson.

While the projects were being judged, visiting instructors and students toured the Stout campus and shops. After the noon luncheon the group returned to the Menomonie high school gymnasium where the judges awarded the prizes. The public then viewed the projects.

The craftsman's fair is an annual activity at Stout and is affiliated with the nationally-known Industrial arts awards program of the Ford Foundation. The outstanding projects of the Stout craftsman's fair will now be entered in national competition in the Ford program at Dearborn, Michigan, this summer.

This versatile coffee table-magazine rack-drawer set won first prize for its designer and builder, Curtis Streblow, Gillett high school senior, in the craftsman's fair held last Saturday. Looking over the project are left, Warren Eiseth, Gillett, and William Richter, Senior at Stout.

Doc Evans Is To Play At First Annual Jazz Concert

Next Tuesday, May 12, is the date for the first annual Sig Tau Jazz concert on campus. This year's concert will feature the music of Doc Evans and his dixieland band starting at 8:00 p.m.

Doc Evans, who hails from the University of Minnesota, is credited as having one of the top bands of its kind in the country. Time magazine calls them "Incredibly good." The New Yorker says, "A hard driving and accomplished group," and Wilder Hobson of the Saturday Review of

Literature calls them "the best to come along since Breiderbecke."

Downbeat magazine also goes along with the group as it rates Doc Evans as "The most sensational group of its kind today...the best dixieland today. If there is a better band in the country, we'd like to hear it."

This is just a small sampling of the high praise given to Doc and his group, as they are well thought of by everyone in the music world.

Tickets are available for 75 cents from any member of the Sigma Tau Gamma fraternity, and they will also be sold at the door Tuesday night. Dorm hours have also been extended for this yearly event, so that all may attend hours of the fine music that is as rich in history and tradition as America itself.

HOME EC CLUB PICKS SENIOR SAYONARA

"Senior sayonara" is the theme chosen for the senior Home Economics farewell breakfast Sunday, May 24, in the Tainter hall cafeteria.

Guests at this breakfast will be all senior girls who are members of the Home Economics club. They will gather at 9 a.m. to enjoy a delectable breakfast and to prepare to bid "sayonara", which is the Japanese way of saying good-bye, to their friends and school.

Even though this breakfast is in honor of the senior members only, all others may join with them by merely buying one of the tickets which will be found on sale in Harvey hall on and after May 11.

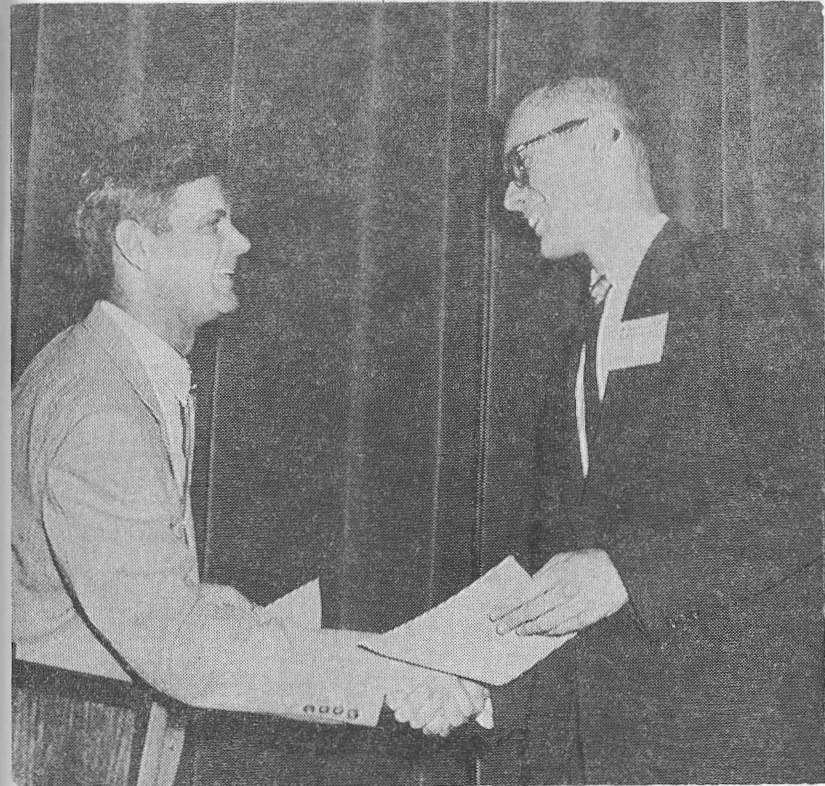

Anne Thiel is in charge of this event and it promises to be an enjoyable event. Buy your ticket now and come to the "senior sayonara" breakfast.

AVIS DUTTON TAKES OVER AS STATE VEEP

Newly-elected vice president of the Wisconsin Home Economics club is Avis Dutton of Stout. Avis will assume her duties next fall as vice-president and use her experience as a guide for the duties of the presidency, the office which she will be in charge of during her senior year.

Avis, who lives on a farm near Darien, Wisconsin, is very active in all school activities, including Home Ec club, Alpha Sigma Alpha sorority, Wesley Fellowship, and she serves on the Tainter hall council as student senate representative.

The offices for the Wisconsin Home Economics club rotate among Stout, Stevens Point, Milwaukee and the University.

Bob Papas, past editor of the Stoutonia, accepts the second place award from Don L. Johnson of the Eau Claire Leader at Menomonie. The Stoutonia was tied with the Stevens Point Pointer. This was the second annual conference.

STOUTONIA RECEIVES SECOND PLACE RATING IN WIS. COLLEGE PUBLICATIONS CONFERENCE

About 80 persons from five Wisconsin state colleges attended the second publications association at Stout, Friday, May 1.

Make-up and publications techniques, and problems of the college newspaper and annual were discussed in the sectional meetings.

Paul Hasset, editor of the Dunn County News and Don L. Johnson of the Eau Claire Leader, judged the newspapers of the colleges and presented the following awards: first—Eau Claire state college Spectator; second—Stout state college, the Stoutonia, and the Stevens Point Pointer; third—River Falls Student

Voice, Superior Peptomist and La Crosse Racquet.

The day started with registration and a coffee hour from 9 until 10 in Harvey memorial. At 10:00, the group adjourned to the library, where they divided into groups for the general meetings on the newspaper and yearbook.

Lunch followed at the Tainter hall cafeteria. After this, sectional meetings were held. Following this a general meeting was held in the auditorium. Here the awards were presented.

Pat Soldner and Bob Papas were general chairmen of the conference.

NOTICE

Available on the campus of Stout all day Monday, May 11, to provide information about procedures by which young men may become commissioned officers in the U.S. Navy will be Lieutenant Commander L. R. Norgart, USNR. All men interested in the possibilities of such a commission can contact him that day at the student union.

SIG TAUS HOST PROVINCE MEET THIS WEEKEND

Beginning today, the Alpha Kappa chapter of Sigma Tau Gamma on campus is playing host to approximately 70 men from chapter and colonies of Wisconsin, Iowa and Minnesota in their province five meeting.

This meeting is to run for three days, with most of the business being taken care of on Saturday. Registration will take place tonight from 5 to 10 p.m. at the fraternity house and a smorgasborg will be held at 10:00 p.m.

Tomorrow, the group will hold a softball tournament, with the victors receiving a trophy. In the afternoon meetings will be held. At 6:30 p.m., a banquet will be served and a few chosen words will be given by the honored guests, Dr. Roskens, province five governor, from the University of Iowa, and Jim Jonen, traveling service secretary, a graduate of Stout. In the evening a dance will be held at Tainter hall to the music of a live band.

On Sunday, church services will be attended, and the group will adjourn.

FRATERNITY DINNER DANCES SATURDAY NITE

Members of the Chi Lambda fraternity will hold their annual dinner dance on Saturday, May 9th, at the Menomonie country club. This year's theme is "Stairway to the Stars" with music furnished by Hugh Mills and his orchestra.

According to dinner dance chairman Bill Bird, 40 couples are expected for the evening's events which will start with dinner at 7:00 p.m. The members and their dates will have a choice of lobster or ham as the main course of the meal. Each member's date will receive a favor instead of flowers. Dancing will follow the meal from 9:00 until 12:00.

Among the guests for the evening will be the group advisors, Dr. Otto Nitz and Mr. Norman Ziemann accompanied by their wives. Several alumni members are also expected.

Decorations chairman Herb Mehne said the decorations will consist of a crepe paper ceiling in the form of a star with a crystal ball in the center.

A setting of "Champagne and roses" will provide the mood for dining and dancing for the members of Phi Sigma Epsilon fraternity, their dates and guests, this Friday night. May 9 is the date for the Phi Sig's annual dinner dance.

For the third consecutive year, the dance is being held at the Elks club in Eau Claire.

The guests of the fraternity for the evening will be Mr. and Mrs. Soderberg and Mr. and Mrs. Siefert.

Fran Lamer, social chairman of the Phi Sigs, is the general chairman of the event.

SENIOR MEN COMPLETE OFF-CAMPUS TEACHING

Twenty-nine Stout men are completing their teaching requirements with their off-campus teaching. They are Angel Aquilar, Eau Claire senior high school; Gerald Alfeim, Neenah high school; Frank Bucklin, P. J. Jacobs high school at Stevens Point; and William Catlett at Eau Claire.

Dennis Darling, Ladysmith; Richard Dignan, La Crosse; Allen Finnel, Eau Claire; Lawrence Gannon, New Richmond; Hans Hatopp, Manitowoc; and Brother Joseph, O.S.A., at Ragis in Eau Claire.

William Kindschy, Plymouth; John Kotek, Onalaska; Allen Mattson, Menasha; Louis Milsted, Beaver Dam; Robert Mitchell, Hudson, and John Moore at P. J. Jacobs in Stevens Point.

Charles Moroni is at La Crosse; Thomas Munro, Eau Claire; Russel Nelson, Manitowoc; William Neumann, Black River Falls; Harold O'Donnell, La Crosse; Karl Radosovich, Rice Lake; and James Schlottman, Neenah.

Roy Sveiven, Menasha; Allen Trafford, P. J. Jacobs in La Crosse; Walter Trianoski, La Crosse; Jess A. Will Jr., Mondovi; Charles Wright, Wau-paca; and Rex Yamasaki at Eau Claire.

Avis Dutton, newly elected vice president of the State College Club section of the WHEA discussed her plans with Jo Anne Salm, president of the Stout Home Economics Club.

LETTER TO THE EDITOR

Have you ever noticed how quick most of us are to condemn our superiors. Maybe we do it in a spirit of anger or just to follow the crowd—and never realize the damage we can do with our careless words. Maybe it would do us a little good to stop and examine our school, our teachers, and most of all, ourselves.

First—when we chose our college, we chose it of our own free will. No one was there saying you must go to this school and you must agree with everything that is taught and said while you are there.

Second—now that we are here, we realize that Stout is one of the top ranking schools in the nation in its particular fields. We should also realize that in order to obtain this high honor, our teachers must be extremely capable of handling their jobs.

The third thing that might well come into our minds is—just what kind of people are we? Do we have enough backbone to stand up and fight for our school, our teachers, and our good name—or will we run like scared sheep when someone tells us that the things we believe in are wrong?

This is the United States of America and you and I can well be proud of that fact. We have freedom of speech and of press as has been so clearly demonstrated during the last few weeks. We also have freedom of our minds—if we are only willing to use it—if we are willing to listen to both sides of the story before forming an opinion.

Remember—by balancing the worst about what we hear, we are believing the worst about ourselves and our ability to choose wisely a profession and a college. Will we, as American citizens and college students, accept lies or will we be willing to seek the truth.

A Stout Student

CLUB NEWS

Sunday, April 19, Sigma Tau Gamma initiated six new pledges. The new actives are John Abrams, Denny Chase, Harry Johnson, Steve Munson, Dave Oswald and Chuck Wrobel. The initiation was followed by a banquet in the fraternity house dining room.

It was reported by chairman Bill George that both the car washes that the Sig Taus had sponsored were extremely successful.

The committee for the "Doc Evans Jazz Concert" reported that everything is well for the concert to be given May 12. Tickets are on sale from any of the Sig Taus. Dorm hours will be extended the night of the concert.

Bob Danielson was congratulated upon his announcement of his "pinning" of Rita Bohman.

Tuesday, April 28th, the Dietetics club held their installation of officers in the Tea room at Tainter hall. Officers for next year are president, Judy Steiner; vice president, Jean Owen; secretary, Pat Kachel; treasurer, Bonnie Halama; Stoutonia reporter, Barbara Schuchter.

The girls spent Sunday afternoon May 3, dining at the Lowell Inn, Stillwater, Minnesota. This dinner was in honor of the graduating senior members.

On May 11, the girls will end the year with a picnic. A movie will follow at 8 o'clock in the lounge at Tainter hall. All girls are invited to attend the movie.

The FOB fraternity has taken part in a civic affair at Coddington grade school. At a PTA carnival, several members of FOB entertained by presenting "in between act stunts," similar to the stunt night variety. As a result, the FOB fraternity was invited to perform in a program at River Falls. Who knows, maybe we are headed for Broadway.

Also a new slate of officers took over in the FOB fraternity. They are president, Dale Hammerschmidt; vice president, Phil Felland; secretary, Walt Kramer; treasurer, Ron Kautz; sergeant-at-arms, Bob Meier; historian, Monte McDonald; athletic director, Fritz Kazlauskys; alumni secretary, Otto Klaus; reporter, Mark Segebarth.

Sixteen members of the International Relations club with Dr. Lengfeld as chaperone attended the thirteenth annual model United Nations conference at Madison, April 17-19. The number was divided into two delegations, representing Columbia and Costa Rica. The conference was carried on very much like the real U N conference with block meetings, council sessions, and general assembly plenary sessions. Adding special interest were a banquet and an international costume ball and just general conversation among 650 delegates. Several resolutions were finally voted on and passed in the last sessions on Sunday.

Patricia Spielman, sophomore from Barron and Jean Smith, sophomore from Manitowoc pause in the Union with Tom Larson, 4-H Club agent in Dunn County to discuss their recent honors.

JEAN SMITH AND PAT SPIELMAN CITED FOR OUTSTANDING 4-H CLUB LEADERSHIP AWARD

Special honors in 4-H club work have been received by Stout sophomores Jean Smith and Patricia Spielman. These girls' names were submitted to state 4-H leaders by the counties Manitowoc and Barron, for outstanding county achievement.

Miss Smith, well known throughout the state of Wisconsin for her 4-H work, was selected for Wisconsin's highest 4-H award as a delegate for the 4-H club conference at Washington, D. C., June 15-18.

Miss Spielman received a \$150 scholarship for her 4-H achievements. Jean Smith was recently chosen as President-elect of the Stout Home Economics club. She is active in Alpha Phi, Phi Upsilon Omicron, 4-H club, Wesley cabinet, Stoutonia, and president of Tainter hall.

Last year Jean attended the National 4-H club Congress at Chicago and also in 1958 she was elected secretary of the Wisconsin Junior Leaders council at Madison.

As part of the national award the group will spend a week in the nation's capital, meeting government officials, the President of the United States and officials of U.S.D.A. They will tour the government buildings, visit nearby Mount Vernon and points of historical interest.

Pat's activities at Stout include Home Economics club, 4-H club, Newman club and Newman club board.

Her achievements in 4-H work include, Key club award, state 4-H

NEWS OF OUR ALUMNI

Home Economics teacher at Crystal Falls high school is 1956 Stout grad Mary W. Adams. She lives at Box 46 Crystal Falls, Michigan.

124 W. Grand, Chippewa Falls, is the address of Guy Long (M.S. 19-57). Guy teaches eighth and ninth grade woodworking there.

Elinor Lehman, 327 N. Snelling, St. Paul, 4, Minnesota, is dietitian at Ancker Hospital, in St. Paul. She graduated from Stout in 1954.

At a Seattle-Tacoma Home Economics area vocational group meeting on April 15, Mrs. Eleanore Curtiss Howard (B.S. 1950) was elected chairman of the group. She is teaching in Kent, Washington. Her address

is 21821 41st St. S., Kent, Washington. Other Stout grads also attending the meeting were Mrs. John Kruza (nee Gloria Clay, B.S. 1950), who lives at 404 Hensley Drive, Olympia, Washington; and Mrs. D. F. Moore (nee Adele Lankton, B.S. 1930) who resides at P.O. Box 207, Asaqua, Washington.

Mr. and Mrs. Donald Hiller, 10001 Sammyside Ave., Schiller Park, Illinois, announce the birth of twin sons, James Donald and John Robert, on April 6, 1959. The twins have two brothers, David, 5 years; Philip, 2 years; and a sister Karen Yvonne, 4 years. Donald received his B.S. from Stout in 1954, and M.S. in 1955. Mrs. Hiller graduated from Stout in 1955.

Douglas R. Sherman has been appointed to the position Assistant to the Provost, at Wayne state university.

Carl J. Brenner (B.S. 1935), is teaching mechanical drawing, and is part time guidance counselor at Madison junior high school at Newark, New Jersey. During the summer, Carl is manager of a country club swimming pool. The Brennens and their three sons have a home at 21 Tuscan Road, Maplewood, New Jersey.

TAINTER HALL CHOOSES NEW COUNSELORS

Just released are the names of the girls chosen to counsel at Tainter hall next year. These girls are Pat Choitz, a sophomore from Detroit, Michigan; Dianne Colby, freshman from Mondovi; Joanne Gosser, freshman from Sturgeon Bay; Karleen Wiechmann, freshman from Waseca, Minnesota; Gloria Witcraft, freshman from Genoa; and Gail Wolff, freshman from Spooner. Returning to her duties as counselor will be Ann Hedler, sophomore from Thorp.

To these girls will go the responsibility of maintaining quiet hours, checking girls in at night, and of course, counseling any of the many problems that may arise. Working hand in hand with the Tainter hall counsel and the housemothers, Mrs. Josephine Pierce and Mrs. Manilla Ohnstead, these girls will try to make the dormitory a pleasant place to live.

In exchange for their services, these girls will receive their room free of charge.

ANDERSON CLEANERS

713 Third Street

Keeping busy with the smooth running of the Home Economics Club are front row, Diana Evans, editor-historian; JoAnne Salm, president; Laura Kiel, secretary; back row, Jean Smith, president-elect; Katchen Kublitz, vice president; and Carol Bishop, treasurer.

Highlights Of Summer Session Are Announced

A variety of new courses, the largest driver education program in the nation and an outstanding schedule of convocations are expected to highlight the 54th annual summer session of Stout state college, according to information just released by Dr. John A. Jarvis, dean of the summer session.

The regular six week's session will run from Monday, June 22, through Friday, July 31. In addition, a pre-session workshop June 15-19 for vocational teachers and a post session, August 3-14, will be held. A total summer enrollment of over 500 is expected.

Registration for the regular session will take place on Monday, June 22, with the last possible date for registration being Friday, June 26. Courses will be offered in all areas of home economics and industrial education.

Flat pattern design, in Stout's school of home economics, is a course that is expected to be of interest to experienced teachers in home economics, as well as the popular advanced tailoring course. Applied institutional management is also being offered, making use of the facilities of Stout's food service and tea room.

Methods of teaching management in high school homemaking classes is a special home economics course that has been planned and designed to give practical help to inservice teachers. Nutrition education for the elementary grades, a graduate course, will be offered to elementary teachers who have had no previous home economics training. Appropriate resource materials and audio-visual equipment will be included in this basic nutrition course.

Scheduled this summer in all areas of industrial education are 35 varied courses. Included are classes in photography, woodworking, plastics, met-

al working, drafting, auto mechanics, electricity, graphic arts and industrial technology. Credit in Advanced technical problems will be given in the areas of general shop, woodworking, drafting, graphic arts, metals and electricity.

In addition to these courses, a variety of liberal arts classes are being offered in speech, English, art science and social science. By a careful choice of courses, an undergraduate who attends three summer sessions may shorten by almost a full year the time required to earn a bachelor of science degree.

RECRUITING TIME AGAIN AT COLLEGES

College recruiting time is here and the "marvelous attractions" of the state college campuses are extolled regularly to Wisconsin high school seniors. There are new student union buildings, new dormitories, lovely coeds, and broad-shouldered football heroes.

Some of the past attractions of the colleges included "primeval forests," "healthful climate," taxi service to campus, and "pure water."

In 1932 Stevens Point boasted of its new water supply from the Plover Hills. This water, stated the catalog, was of "remarkable purity" and easily "the equal of, if not superior to" other water in Wisconsin.

At Whitewater in 1921 students were met by a taxi service paid for by the college if they came by rail to Fort Atkinson. The service was, of course, free.

A "primeval forest" bordered the Eau Claire campus, reported the catalog in 1936. It was the "most delightful campus in the state." And for students with a romantic interest it was stated that a three-mile drive wound through the forest depths.

The "healthful and invigorating" climate of Oshkosh in 1921 enabled the student to "endure severe study" with the greatest of ease, advised the catalog.

And at Superior where "rail met sail" students could look out over the "best fresh water harbor in the world." When the students grew seasick or tired of this view there were the world's largest grain elevators, ore docks and numerous factories.

BLUGOLDS HIT STOUT FOR BASEBALL TILT

Tomorrow the Bluedevils will host the Eau Claire Bugolds in a twin bill at Wakanda park. Game time will be 12:30 p.m.

Chase will draw the starting mound assignment for the afternoon tilt with Ron Nelson slated to chuck the twilight innings. Severson will catch both contests.

The Bugolds have split in their conference games with doubleheaders against River Falls and La Crosse.

In their last outing, the Eau Claire diamondmen won one and dropped one to Joe Gerlach's Winona Reds.

The starting lineup for the Bluedevils will find Abbott, Feyerisen and Roach roaming the outfield and Sabatke, Hilgendorf, Kazlauskas, Hejny playing the infield.

BOSTWICK TO PLAY IN U. OF IOWA STADIUM

Invited to participate in the annual spring football game between alumni of the University of Iowa and the varsity players has been Robert Bostwick, head football coach of Stout. The game will be played on May 9 in the University stadium at Iowa City before nearly 25,000 fans.

Bostwick, who was a varsity halfback for the Iowa Hawkeyes during the 1949 and 1950 seasons, will play on the alumni squad coached by Jerry Hilgendorf, Iowa line coach. Directing the varsity squad will be Iowa's very successful head coach, Forrest Evashevski.

Alumni returning for the game will be honored by Iowa University and its alumni organization at several receptions before and after the contest.

Sideline Slants

with Phil Hansen

Has it ever occurred to you that Stout has only major letters? Recently at the Wisconsin college publications associations conference held at Stout, two sports writers from Eau Claire and River Falls were amazed at the fact that all of our sports reward their men with major letters.

It seems that such sports as tennis, track and baseball at these two schools hold a minor position to football and basketball. Why should this be when the spring sports have more men competing in them than football and basketball? Let us hope that our Country Cousins south and east of the most Progressive state college in Wisconsin get on the stick and give greater recognition to their spring sports!

It also seems that the boys from Moo-Tech. and Ec. Tech. don't have a very well organized intramural system. Maybe it would be well if Harry Miller, our fine father of three, would conduct a clinic on how to run an excellent intramural program for these two lowly schools. After all, these two schools can always learn a lesson on the efficiency of excellent departmentalization.

Four roses to Mr. Miller for his fine work in the intramural program.

Now that this reporter contemplates the rivalry between one great school and two lowly schools, I ask you, do you have any suggestions to increase the rivalry? What do you think of a traveling trophy between our institution of higher learning and the cow towns near us?

INTRAMURAL LINKMEN BEGIN SPRING PLAY

This spring Stout's intramural golfmen have taken to the greens at the Menomonie country club with their varsity counterparts.

The linkmen's rules are as follows:

1. All matches will consist of nine holes.
2. The winner of each match will be determined by match play.
3. United State golf association rules shall govern all play except where modified by local rules.
4. All results will be posted on the Intramural Sports bulletin board.
5. All matches will be played before the deadline dates so that the awards may be given on awards day, May 20.

Each match consists of two competing golfmen. The open rounds will feature Ron Miller and Bob Younger, Irving Gabrielska and Joe Carravetta, Tom Groskopf and Ron Young, Wally Metling and Bruce Eland.

TENNIS TEAM EDGED BY ST. MARY'S NETMEN

Stout state college's tennis team traveled to Minnesota last Thursday to play St. Mary's. St. Mary's defeated Stout 6 to 3 therefore splitting the season's games with Stout. The scores of the individual matches are as follows:

Singles

- Lloyd Hoeffner vs. Tom Farrell 4-6, 6-4, 4-6
 Conrad Mlynarek vs. Pat Kenney 6-2, 8-6
 Eugene Gehl vs. Jim Verville 4-6, 6-3, 2-6
 Tom Mehrling vs. Pat Hendershott 6-8, 5-7
 Dale Soderberg vs. Dave Andrews 3-6, 1-6
 Dick Dortz vs. Mike McDermott 3-6, 4-6

Doubles

- Hoeffner-Mlynarek vs. Farrell-Hendershott 6-4, 6-4
 Gehl-Mehrling vs. Kenney-Verville 6-4, 3-6, 3-6
 Soderberg-Dortz vs. Andrews-Hoffmann 4-6, 10-8, 6-4

7 ERRORS COSTLY TO BLUE-WHITE HURLERS

The La Crosse Indians made it two straight over the Bluedevils last Saturday at La Crosse, squeaking out a 2 to 1 victory in the opener and dumping the Blue and White 9 to 4 in the twilight contest.

Chase pitched 2-hit ball in the first game but lost when the Bluedevils could only usher across 1 run on 7 hits. The Indians scored 2 runs on two hits and one Stout error. Hilgendorf and Severson both collected two hits in the first game. Severson scored the only Bluedevil tally.

Kohm was the winning La Crosse pitcher, with Rudolph catching.

Second Contest

Seven Bluedevil errors, coupled with 11 La Crosse hits, gave the Indians their margin of victory in the second contest. The Blue and White pushed across 4 runs on 9 hits with no errors for La Crosse. The game went into extra innings before the Stout errors allowed La Crosse to push across the winning tallies.

Hafeman was charged with the defeat for the home team and Hollingsworth was credited with the victory in relief of Moevschel in the 3rd.

First game

Stout: Chase and Severson: 1 run on 7 hits and 1 error.

La Crosse: Kahm, Moevschel and Rudolph; 2 runs on 2 hits and no errors.

The winning pitcher was Kahm, the losing pitcher was Chase.

Second game

Stout: Hafeman and Severson; 4 runs on 9 hits and 7 errors.

La Crosse: Moevschel, Hollingsworth and Bewerman; 9 runs on 11 hits and no errors.

The winning pitcher was Hollingsworth, and the losing pitcher was Hafeman.

STOUT WINS ON 11 RIVER FALLS ERRORS; 13-2

The Bluedevils split in their first conference doubleheader of the young baseball season against the River Falls Falcons at River Falls on April 25. Chase pitched 4 hit ball for the Blue and White team to win the first contest. Nelson was charged with the loss in the second game.

Stout backed Chase with 11 hits coupled with 11 errors on the part of the Falcons to gain a 13 to 2 opening game victory. Kazlauskas had 4 for 5 at the plate to lead the Bluedevils in hitting. Hilgendorf and Feyerisen each collected 2 for 4.

Kazlauskas, Hilgendorf, Feyerisen, Roach and Chase each crossed the plate twice for the Bluedevils. Severson, Anderson and Sabatke scored once.

Johnson pitched 3 hit ball for the Falcons in the twilight game and allowed the Bluedevils only one run in picking up his victory. Ron Nelson was tapped for nine hits and 6 Falcons runs in losing the game. Stout had 4 boots to the Falcons 2 errors. Severson scored the only Blue and White tally.

First Game

Stout: Chase, Minako and Severson; 11 hits, 13 runs, 2 errors.

River Falls: Freeman, Luber and Madsen; 4 hits, 2 runs, 11 errors.

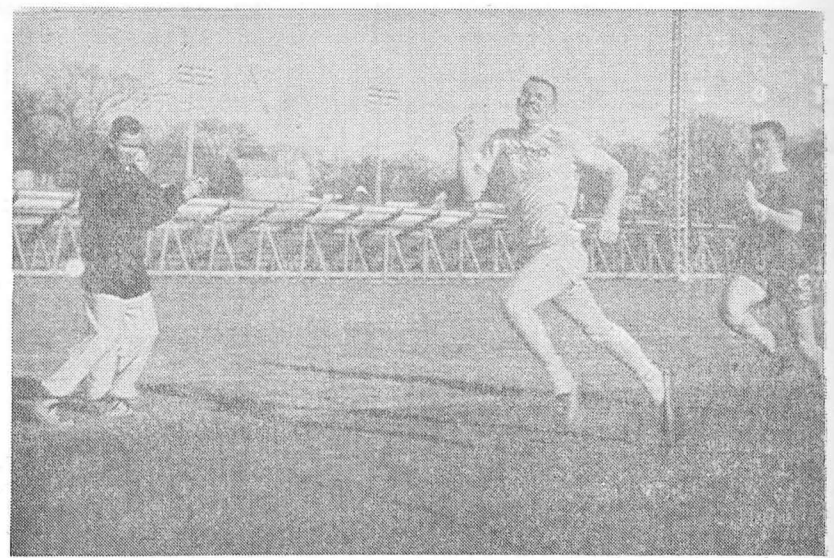

The winning pitcher was Chase, the losing pitcher was Luber.

Second Game

Stout: Nelson, Minako and Severson; 1 run on 3 hits and 4 errors.

River Falls: Johnson and Piehl; 6 runs on 9 hits and 2 errors.

The winning pitcher was Johnson, and the losing pitcher was Nelson.

Melrose times Glen Harke as he crosses the finish line three strides in front of Jim Schorer in Stout's Decathlon.

HARKE TOPS KINDSCHY FOR DECATHALON WIN

Stout's first annual decathlon in track was recently completed at Nelson field. Glenn Harke took first place with 29 points, Bill Kindschy was second obtaining 21 points, Dennis Kuchenmeister was third with 10 points, Philip Gruendermann had 9 points for fourth place, fifth position went to Herb Helm with points, and Dave McNaughton placed sixth with 6 points.

Being the most versatile athlete, Harke smashed his way to the top by winning four first positions in the 880, pole vault, high jump and broad jump. Harke also took three second places in the 100, 220 and 440 yard runs.

Bill Kindschy pushed Harke all the way, taking three firsts in the 440 yard run, discus and shot put. He also placed second in the high jump and the broad jump.

The Bluedevil's speedy dashman, Dennis Kuchenmeister, totaled his 10 points in the 100 and 220 yard dashes. Gruendermann had three seconds, which included the 880, discus and shot put.

Veteran athlete Herb Helm took a first in the high jump, tied with Harke at 5 feet 5 inches, and second in the mile. McNaughton placed first in the mile and second in the pole vault.

Each athlete who placed first won five points and three points for a second position. Coach Melrose expects to make the decathlon an annual event, inviting both intramural and varsity athletes to participate.

Records now in the books for the first decathlon include: 100 yard dash — 10.6; 220 — 25.8; 440 — 56.5; 880 — 2:19; pole vault — 10 feet; high jump — 5 feet 5 inches; broad jump — 19 feet 6 inches; discus — 100 feet 1 inch; and shot put — 38 feet 8 inches.

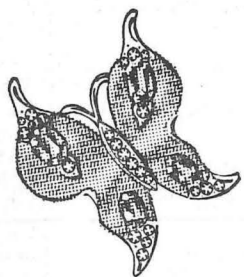

REDMEN DROP GOLFMEN FOR SECOND STRAIGHT

The Redmen of St. Mary's of Winona made it two straight matches over the Bluedevils with their 14½ to 3½ victory on the greens at Winona last Thursday afternoon.

B. Caplewski of St. Mary's led both teams with an 18 hole total of 71, putting together a 37 and a 34. Coach Robert Eggleston paced the Blue and White linkmen with a 38 and 39 for a 77. Dick Lowry and Lloyd Wiberg both shot 80's Lowry on a 41 and 39 and Wiberg with a 39 and a 41.

Schlumpf shot an 82 in the number five position. Pete Fulcer carded a 46 and a 40 for an 18 hole score of 86. Lorenz shot a 47 out and a 49 on the back nine for an 18 hole total of 96.

Gloria Sutton, Karen L. Johnson and Mitzi Kubo discuss decorations for the annual Home Economics club breakfast which is scheduled for Sunday, May 25.

SENIOR GIRLS' FAREWELL BREAKFAST IS HELD AT TAINTER HALL CAFETERIA ON WED., MAY 24

"Sigh-muh-na-la" is the way the Japanese pronounce their sayonara's or good-bye. It really won't make much difference how it is pronounced at the senior breakfast, just as long as you are there to say it to your senior friends.

Gay oriental decorations will prevail in the Tainter hall cafeteria as the senior Home Ec club members bid adieu to their alma mater. The date is May 24 and the hour is 9 a.m.

Tickets will be on sale in Harvey hall until next Wednesday. Senior girls have only to show their invitations and pick up their tickets and their souvenir Japanese umbrellas. For the other Home Ec club members, there is a charge of \$1.00 for those girls who don't eat in the dormitory cafeteria and 50 cents for those girls who do eat in the dorm.

General chairman for this event is Anne Thiel. Working with her to make this "Senior Sayonara" a success are Doris Farrey in charge of decorations, Doris Farrey in charge of decorations, Karen Lavonne Johnson in charge of publicity, and Laura Kiel in charge of the tickets. Barbara Schuchter took care of invitations and Anne Dahl is in charge of programs.

It is interesting to note that the theme of this breakfast was chosen by Dorothy Grundmann. Besides choosing this theme, Dorothy had the winning entry for homecoming with her theme "October harvest" and it was at her suggestion that "Stairway to the stars" was chosen as the theme for the Stout open house.

IOLA LEU WINS SCHOLARSHIP FOR 4TH YEAR

The successful scholastic accomplishments of a Stout state college junior in the school of home economics, Miss Iola Leu, Waupun, has won for her a \$750 scholarship for her forthcoming senior year. The award is one of 75 Elbridge A. Stuart scholarships which the Carnation company scholarship foundation provides annually to 75 deserving young people throughout the United States and Canada.

Of a continuing nature, the Carnation scholarships are available to children of company employees if those children have maintained a "B" average in high school and possess good character and potentialities of leadership. Thus Miss Leu has this year qualified for her fourth consecutive Stuart scholarship.

Stout state college was notified of Miss Leu's success by Wallace Jamie, a member of the board of advisors for the scholarship foundation. She is to be presented with her award before the student body of the college at traditional Stout honors day.

SORORITIES ATTEND PANAHELLENIC PICNIC

The four sororities on campus had their annual Panhellenic picnic at Riverside park on Thursday evening, May 7.

Approximately 150 girls representing the Alpha Phi, Alpha Sigma Alpha, Delta Zeta and Sigma Sigma Sig- sororities were served hot dogs, potato salad, ice cream and punch.

The eight girls working with Panhellenic representatives Rita Anderson, Midge Shattuck and Bonnie Vanderbuilt to plan the picnic were Skip Williams, Mary Tickler, Marilyn Schley, Carol Perso, Barbara Dickenson, Susie Smith, Mary Herber and Ellen Terry.

FINAL EXAMS SCHEDULED FOR JUNE 1 THRU 3

All final examinations are based on a one hour limit. Examinations in all courses having more than one section are scheduled below. All classes will meet through Thursday, May 28. Examinations in courses having single section, graduate or undergraduate, are to be given Wednesday or Thursday, May 27 or 28, whichever is the last meeting of the class. Students having conflicts in the group schedule will take the subject of their classification first. (Juniors will take junior subjects first, etc.) The period 1:00 to 5:00 on Wednesday, is available for use in case a three subject conflict occurs. Reports on grades should be turned in at the earliest opportunity at least 24 hours after the examination. All reports are to be in before the final deadline at noon Friday, June 5.

Monday, June 1

Miss Clara Carrison presents a farewell memento to Dean Kirk at the faculty farewell party held last Tuesday. Dean Kirk will leave in June for India.

EVENTS OF THE WEEK DINNER DANCES SET FOR FRIDAY AND SATURDAY

Many beautiful sorority girls and their dates will be entering Tainter hall this weekend for the Alpha Sigma Alpha and the Sigma Sigma Sigma dinner dances.

The Alpha Sigma Alpha sorority is having their dinner dance tonight May 15. Dining will start at seven and dancing will be "Misty Midnight" where the sorority girls and their dates will dance under a sparkling blue-purple sky created by yards and yards of cheese cloth. The music for this evening will be presented by Chuck Mills' "Rhythm-Aires" from Eau Claire.

Chaperones for the Alpha Sigma Alpha dinner dance will be Mr. and Mrs. Melrose, Mr. and Mrs. Rudiger, and Miss Killian.

Shirley Aitken is the general chairman for the dinner dance. Committee chairman are Nancy Jensen, decorations; Marilyn Schley, menu; Katy Camplin, place cards; and Virginia Scott, clean up.

The Sigma Sigma Sigma dinner dance will be Saturday, May 16. The theme for their dance will be "Deep Purple" and the Tri Sigma girls and their dates will be dancing to the stereophonic records.

Guests and chaperones for that evening will be Dr. and Mrs. Salyer, Miss Williams and Miss Hazel Van Ness.

Making the dinner dance a success will be the job of general chairman Iola Leu. Working under her on various committees will be Mary Ann Halada, food; Bonnie Vanderbuilt and Ruth Sahlgren, decorations; and Audrey Schroeder, music.

NOTICE

Graduate Men's club is to hold its annual picnic at Riverside park on Thursday, May 21. All students enrolled in graduate courses, their wives, children and the graduate faculty is welcome. There will be softball, tug of war and other general sports. Come prepared to work up an appetite as there will be lots of food for everyone. Oh yes, if you haven't a wife to bring — bring your girl friend or someone else's. To help out the food committee please sign the roster at the graduate office bulletin board today, Friday. Thank you.

The Adult Council of the Menomonee Youth recreation center is in need of a youth recreation director. They are looking for someone who is a Stout student and interested in working with the Menomonie teenagers. The applicant is to submit a letter of application addressed to Mr. Wm. Bundy, Chairman, Youth Recreation Center, Menomonie, Wisconsin.

However, do not mail the letters, but leave them in John Wiedenbaur or Clarence Heyel's school mail box, or see them at the recreation center.

The position is a part time job. Applications must be submitted on or before May 25, 1959.

Looking over the Medallion which is laid in the floor of the new union are John Kasten, senior class president from Neenah; Jan O'Grady, senior class secretary from Manitowoc; and Bill Richter, from Fond du Lac. This Medallion was given to the school by the graduating class of this year.

NEWS OF OUR ALUMNI

Report of the ballot committee of the Stout alumni association names the following people as officers for the coming year.

Leon Young, national president; Harry E. Keller, first national vice president; Adrian O. Burmeister, national second vice president; Ira Madden, North East regional vice president; Lawrence Braaten, South East regional vice president; Howard M. Heigl, Midwest regional vice president; and Ray F. Kranzusch, West Coast regional vice president.

Leon Young, Braham, Minnesota, where he has been teaching for 14 years, graduated from Stout in 1943. Last year he was national vice president of the Stout alumni association.

Instructor of aircraft welding at the Aero Mechanics vocational high school at Detroit 4, Michigan is Harry E.

Keller. Harry, who lives at 1229 E. Washburn, Detroit 4, Michigan, also teaches some technical and industrial courses at Wayne state university.

1929 grad Adrian O. Burmeister has taught industrial arts in Eau Claire for 17 years. He is department chairman for Industrial education there. He has taught in Iowa and Minnesota.

Ira Madden, 15806 Oakfield, Detroit, Michigan is now teaching at the Cray school there. During the summer he is guest instructor at the U of Michigan. He is the author of two books—"Creative Handicrafts", and "Woodworking for Industrial Arts".

Regional vice president of the South East is Lawrence Braaten (B.S. 1936, M.S. 1951). He is now head of the Training aids utilization unit for the Navy department, Washington D.C. He lives at 2321 Joyce Street, Arlington, Virginia.

1625 Fleet Avenue, Racine, is the address of Howard M. Heigl (B.S. 1953, M.S. 1956). He is evening school principal of the Vocational and Adult school in Racine. Last year he was one of the three Wisconsin representatives to the national leadership development conference on trade and industry.

Teaching industrial arts, in Oakland, California is Ray F. Kranzusch, 18465 Hunter Avenue, Hayward, California. He received his B.S. from Stout in 1947, and M.S. from San Francisco state college.

The alumni association wishes to thank Pete Christenson (1937), and Jerry Schemansky (1957), co-chairman of the nominating and election committees.

Gerhard Skogsmark of Kasson, Minnesota, is vice president of the Kasson state bank of Kasson. He received his diploma from Stout in 1915.

Clinic dietitian at the V.A. regional office at Milwaukee is June Hoppel Schellenberg (B.S. 1946). She lives at 1315 N. 110th St., Wauwatosa 13, Wisconsin.

Virginia Gamboa and Alvaro Paniaqua, whose charm and talent have brought pleasant moments to many, will soon be returning to their homeland.

VIRGINIA AND ALVARO RETURN TO HOMELAND AFTER COMPLETING EVENTFUL YEAR AT STOUT

Two Costa Rican students of Stout state college whose charm and talent have brought many pleasant moments to the residents of north central Wisconsin will soon be returning to their homeland at the close of this college year. However, their colorful contributions will long be remembered by their American friends.

These students are Virginia Gamboa, attractive young teacher, who is now completing a year of study in Stout's school of home economics, and Alvaro Paniaqua, a young pianist, composer, and soloist, a student in the Stout school of industrial education. Both are here on a scholarship provided by the International Cooperation administration.

In Costa Rica, Virginia obtained her teaching degree in primary education and then studied mathematics for two years at the University of Costa Rica before accepting a teaching position. Alvaro taught industrial shop courses at a vocational school for men in Costa Rica.

Although they have been here less than a year, Virginia and Alvaro have spoken about Costa Rica at many public meetings. For instance, both students were on the panel, "Christians in other countries," sponsored by the American Association of University women. Each has talked about Costa Rica at the Stout International Relations club and accompanied by a student group representing Costa Rica and Columbia at the thirteenth annual meeting of the United Nations.

At the spring open house program which attracted 1,500 high school girls to the campus of Stout state college, Virginia and Alvaro delighted their audience by performing in festive costume a dance of their native land. Virginia also modeled at Stout's annual mother-daughter banquet, colorful native apparel which she had made.

These vivacious young visitors have also spoken to many church groups: Alvaro at the Menomonie Methodist and Baptist churches and the Stout Newman club; Virginia at the Congregational churches of Menomonie and Eau Claire.

Music has been for ten years a favorite hobby of friendly Alvaro. He plays the piano with unusual skill and dexterity, and has even written several compositions of his own. Students relish the opportunity of sitting in on his practices. He has also proved himself a valuable member of the choir, according to Dr. Edfield Odegard, chairman of the music department at Stout. The young Costa Rican has been featured as a piano soloist with the college choir and has impressed audiences with the quality of his compositions.

Upon her return to Costa Rica, Virginia will help her country establish a vocational school for girls. In preparation for that responsibility, she has centered her Stout studies on courses in foods and nutrition, planning to apply that knowledge to the preparation of foods native to her homeland. She has also spent considerable time studying and observing methods of American teaching, information which she hopes will be useful to her in aiding teachers in Costa Rica to set up new systems of administration in teaching.

Virginia, with a twinkle in her big brown eyes, proudly reveals, "I am the first girl to come from Costa Rica to study home economics. In fact, I am now a member of the American Home Economics association. This year has truly been a good experience for me."

Alvaro plans to rejoin the faculty of Costa Rica's vocational school for men, putting to use the education and techniques which he has acquired. He also plans to continue his music. But as Alvaro smilingly predicts, "It will be good to return to my Costa Rica, but someday I shall visit again the wonderful United States."

Continued from page 1
by Margaret Clapp, president of Wellesley college, who urged girls "to look forward beyond marriage, especially to the years after they have raised their children." President Clapp warned today's girls that they will live "some decades" after they've completed the busy marriage years of child raising, and suggested that young women undertake graduate study whenever possible.

Senior coeds at Stout state college apparently agree with that advice, enrolling in Stout's graduate program for a choice among master's degrees in home economics education, food and nutrition, and clothing, textiles and related art. Recent placement of women holding the master's degree from Stout indicates that such a graduate is in demand for a variety of positions with a beginning average salary of \$5,500 for perhaps only nine to ten month's work, considerably higher than the average \$2,590 for 12 months reported in a recent survey which shows 38 per cent of married women in St. Paul, Minnesota, to be working outside the home.

A composite reason which varied sources give for the growing increase in working wives lists—in addition to the chronic desire for more income—such factors as incorporating illness of the breadwinner, boredom after the children have been raised, unforeseen emergencies, desire to use talents, and death of the husband. Kiplinger indicates that in addition to diminishing importance of a mother's role once her family is gone, an American woman can look forward on the average to a minimum of nine years of widowhood, at an age in which a special education might open splendid new opportunities to her.

"The need for more of our women to prepare themselves at the graduate level can be graphically demonstrated by the deterioration in the number of such women which has occurred in the United States since 1930," Dr. Kirk warns. "Instead of gains in available women whose higher degrees qualify them as college presidents, professors or instructors, the number of such women has dropped 9.3%."

Sideline Slants

with Phil Hansen

Perhaps one of the more amazing feats of the current spring season took place at the River Falls track meet last week end.

Coach Melrose went to River Falls with hopes of seeing his team do fairly well against Eau Claire, Bethel and River Falls. The amazing fact of the meet was that Stout's infant track team took second place over the long established track teams of Eau Caire and Bethel.

When the season's practice started, approximately 30 men took to the practice field; but when the spring season drew to a close, from 10 to 14 men came out for practice each night. Out of these men Melrose extracted a team that was worthy of a second place at River Falls.

Perhaps one of the oddities of the meet was performed by Fred Seggelink in throwing the javelin. Since Stout didn't have anyone entered in the javelin, and the athletic department doesn't even own a javelin, Melrose decided to let Fred try his luck in this event.

Luck is not the word for it, since Fred not only succeeded in getting good distance, but won the event for the thin-clads. Most surprising of all was this was the first time Fred had ever thrown the javelin in competition.

Another peculiarity, by a great guy Jim Nelson, was performed in the high and low hurdles. Although Jim had shown the necessary speed and form in the spring practice sessions, he had not run a full set of hurdles, this spring. To top this handicap off, Nelson won both the high and low hurdles for the Stout men.

Even though a varsity letter was

BLUE-WHITE SLASHES BLUGOLDS IN 2nd TILT

Last Saturday afternoon the Stout baseball team split a double-header with Eau Claire. The Blugolds won the first game 5-3 and Stout took the nightcap 7-0.

Although the Bluedevils out hit Eau Claire in the first game, eight to six, the Blugolds were able to hang their hits together in the right places for the winning tallies.

Denman Chase was the losing pitcher for Stout and Schieffer was the winner for the Blugolds.

Second Game

In the second game Stout exploded to dump Eau Claire 7-0. Dennis Hafemann pitched a terrific ballgame giving up only one hit in the second inning.

Applying the power for the Blue-White sluggers were Severson, Sabatke and Nelson. The Bluedevils scored one run in the first, two in the second, three in the fifth, and one in the last frame.

Eau Claire's five errors in the second game helped Stout to put the squeeze on the Blugold pitcher O'Melia.

Baseball Saturday

Tomorrow afternoon at Wakanda park the Stout Bluedevils will take on the River Falls Falcons in WCC action.

In their last meeting at River Falls Stout trampled the Falcons in the first game 13-2. Eleven errors by River Falls and eleven hits by the Blue-White sluggers were enough to bury the Falcons.

not offered this year in track, the seniors, who get our vote of thanks, and the underclassmen did an amazing job for themselves, Coach Melrose and their college. Congratulations to a team effort and a job well done by the Blue-White track team which paid off tremendously.

BASEBALL TEAM SPLITS 2 WITH WINONA HERE

Wednesday afternoon the Stout Bluedevil sluggers split a double-header with the Winona warriors. In the first game Stout walloped Winona 11-2, but lost the second game 8-4.

In the first game of the afternoon the Bluedevils blasted Winona for five hits and five runs in the first inning. In every frame except the fourth and the sixth the Blue-Whites smashed their way across the plate for the winning tallies.

Stout was never held hitless in any inning. The diamond men gathered in eleven of their sixteen hits in the first and fifth innings.

With this fin screen of hitting, John Minalko pitched his way to the 11-2 win.

Second game

In the bottom of the double-header Stout was buried by a sixteen hit barrage. Even though the warriors succeeded in winning over the Bluedevils, the Blue-White hardball men made the most of their four hits, scoring five runs. For Stout Webb was the losing pitcher and Morse was the winner.

BLUEDEVIL GOLF TEAM DROPS 2 IN PAST WEEK

The Bluedevil golf team fell in defeat at the hands of the Eau Claire Blugolds last Saturday at the Menomonie Country club by a 10½ to 4½ count. Coach Robert Eggleston again led the home team with a 78 on the 72 par course.

R. Hanson led the Eau Claire state attack matching Eggleston's score of 78. Hanson shot a 40 going out and a 38 on the back nine.

Jerry Schlumpf shot an 18 hole total of 86, combining a 44 and a 42. Richard Lowry had a 43 and a 44 for a total of 87 to hold down third place in the Blue and White scoring. Pete Fulcer had 91 on nine hole scores of 42 and 49. Wally Klosterman shot the 18 holes in 94 on a 46 and a 48.

Second Contest

Playing in winds up to 40 miles per hour, the Blue and White dropped their second match in as many meetings with the Blugolds at Eau Claire last Tuesday.

"I went into the 17th hole with a par game and it took four wood shots to go the 400 yard 17 and 18 holes," states Coach Eggleston. "Bass shot a 72 against Winona on this same course and got an 81 Tuesday."

Eggleston put together 9 hole totals of 45 and 41 to shoot an 86, good for the Bluedevils only 1½ points of the match. Willy Larkin garnered a 91 on a 48 and a 43. Pete Fulcer had a 44 and a 49 for an 18 hole total of 93. Dick Lowry put together scores of 48 and 47 for a 95. Lloyd Wieberg had a 101 total on a 51 out and a 50 in.

G. Bass led Eau Claire with a 43 and a 38 for an 18 hole total of 81.

Coach Bob Eggleston tees off for a long drive as Theis of St. Mary's looks on.

SEGGEINK AND NELSON STAR IN R.F. MEET

Coach Melrose's blue-white track team traveled to River Falls last Saturday to compete in a quadrangular meet between River Falls, Eau Claire, Bethel and Stout. The Falcons, of River Falls captured first with 115 and one half points, Stout had 45, Bethel 40 and one half and Eau Claire obtained 20 points for last place.

River Falls jumped to an easy win with eight first places and numerous other positions. The Bluedevil thin-clads had five first's, three seconds, three fourths, and two fifths.

Second place was not decided until the last event. To take over a clear second place the Stout relay team composed of Kuchenmeister, Helm, Johnson and Ott, had to at least place second or do better than Bethel. The boys took second, with River Falls in first and Bethel in third to solidify their hold on second place in the track meet.

Stout's big guns in the meet were Fred Seggelink and Jim Nelson. Fred placed first in the pole vault, high jump and javelin, and took fourth in the broad jump. Jim Nelson won both the high and low hurdles for the trackmen from Stout.

Other Stout men who placed in their events were: Bob Bundy, pole vault; Dennis Kuchenmeister, relay, 100 and 220 yard dash, and broad jump; Bob Ott, 440; Jerry Kane, shot put; Dave McNaughton, low hurdles and pole vault; Phil Gruendemann, discus.

INTRAMURAL GOLFERS REACH SEMI-FINALS

On the golf greens north of Menomonie, the intramural golfers are in the semi-finals. Bob Younger will play Joe Carravetta, and Tom Grosskopf will pair off against Wally Mettling. The winners of these two matches will play against each other for the championship.

JOKE

Jim: How can you live without your wife?

Tim: Much cheaper!

Beginning to make plans for the 1960 TOWER are Tom Murray, editor; Mary Metz, associate editor; Marlene Hoggart, literary editor; and Mark Segebarth, production manager.

1959 TOWER IS TO BE DISTRIBUTED ON MAY 25; TOM MURRAY CHOSEN TO HEAD NEXT YEAR'S STAFF

May 25 is the long-awaited day for students to claim their copies of the 1959 Tower from the yearbook office in the basement of Harvey hall. In order to receive their books, students must fill out and present the cards which were distributed this week in their mailboxes. The S.T.S. service of stamping students' names on their yearbooks for \$.25 apiece will be available again this year.

An outstanding feature of the 1959 Tower is its use of color. A full-color page is an innovation this year, and tint blocks are used throughout the book. The theme of the yearbook is the development of Stout state college in the ever-lengthening shadow of a great man. This man, Senator James H. Stout, founded the small manual training school from which the pre-

sent college has grown. The yearbook traces its development and shows how it has become what it is today do to the influence of its founder.

Work has already begun on the 1960 Tower. Editor-in-chief will be Tom Murray, who served this year as production manager. Tom, whose home town is Weyauwega, Wisconsin, will be a senior next year. Assisting him as associate editor will be Mary Metz, from West Bend, Wisconsin, who will be a junior. Mark Segebarth, as production manager, will work closely with Tom, supervising layout and photography of the book. Mark is a native of Menomonie and will be a senior next year. Literary work will be the responsibility of literary editor Marlene Hoegger and her staff. Marlene, a freshman at present, hails from Rice Lake, Wisconsin.

Tower production this year has been under the editorship of Pat Soldner, senior from Reeseville. Associate editor Mina Claseman assisted her and also was a yearbook photographer. Production manager Tom Murray and literary editor Jean Owen have been in charge of layouts and copy, respectively. Jean, a sophomore, comes to Stout from Milwaukee. Dick Kveton, senior from Menominee, Michigan, has handled the Tower's business affairs. Faculty advisors have been Dr. Barnard and Dr. Stensland. Dr. Barnard supervising production and Miss Stensland overseeing literary material.

LIBRARY NOTICE

May 25 is the final date due for library books and magazines. We realize some people will need material longer. If you are one, please make arrangements at the library for a special extension of time. Otherwise, anything kept after May 25 will be considered overdue.

Senior Graduates

All textbooks must be returned by Monday, May 25. The textbook room will be open especially for you Friday and Monday, May 22 and 25, 8:30 to 11:45 and 1:15 to 4:30. A one dollar penalty will be charged for later return of books.

Undergraduates

Your texts must be returned no later than Wednesday, June 3. The textbook room will be open Monday, Tuesday, Wednesday, June 1, 2, 3, from 8:30 to 11:45 and from 1:15 to 4:30. A one dollar penalty will be charged for later return of books.

ALL SCHOOL PICNIC IS TO BE HELD NEXT WED.

An all-school picnic will take place immediately following the convocation Wednesday, May 27. It will be held at Wakanda park and a bus will be at the girl's dorm to take them to the park.

Everyone attending Stout and their wives or husbands are invited to attend.

An intramural championship baseball game will be held following the lunch. There will also be volleyball and baseball for everyone. A white elephant sale sponsored by the "S" club will take place in the afternoon.

The picnic as a whole is being sponsored by the SSA.

A dance will follow the picnic and dorm hours will be extended.

AWARDS TO BE PRESENTED AT CONVO WED.

With President Verne C. Fryklund presiding, twenty-three gifts and honors will be awarded at the Honors Day and Senior Recognition convocation May 27, in the Stout auditorium.

Playing the organ for the processional and recessional will be Pat Wenner. Fred Schleg, vice-president of the SSA will be marshall of the day.

Awards that are to be given are a 25 dollar scholarship from the Alpha Phi, a U.N. flag for the stage from Alpha Phi Omega, a 25 dollar scholarship from Alpha Psi Omega, M.A.P. chapter, and the name of an outstanding senior member of M.A.P. is to be engraved on the M.A.P. plaque.

A scissor sewing set will be awarded by Alpha Sigma Alpha and Mrs. Verne C. Fryklund will represent the American Association of University Women and award a 50 dollar scholarship.

The largest single award will be made by the Carnation Company Scholarship Foundation in the amount of a 750 dollar scholarship.

Delta Kappa will award a five year subscription to a professional magazine, Delta Zeta will award a 25 dollar scholarship to a freshman, and the Dietetics club will award a 25 dollar scholarship and a medical dictionary.

Epsilon Pi Tau will also award a 25 dollar scholarship. The McClellan Shop will award a 50 dollar metal-working scholarship and the Metals Guild will award a Black and Decker power drill.

Phi Omega Beta will award a 117 dollar scholarship to a freshman athlete and Phi Sigma Epsilon will give a pen and pencil set. Phi Upsilon Omicron will award a 25 dollar scholarship.

A 25 dollar scholarship will also be

Continued on page 5

WILLIE FOSTER BENEFIT CAR WASH TO BE SAT.

Saturday, May 23, will be the day of a car wash sponsored by the F.O.B. fraternity for the Willie Foster benefit. Cars will be washed at three local service stations. They are Cities Service, Phil Johnsons, and the Michelbook service station. Money received from the car wash will be sent to Willie's sisters to help defray some of the expenses caused by Willie's untimely death.

The F.O.B. would like to thank the following organizations for their help, the Alpha Sigma Alpha, Alpha Phi, Sigma Sigma Sigma, and Delta Zeta sororities and the following fraternities, Sigma Tau Gamma, Chi Lambda, and Phi Sigma Epsilon.

Tickets for the car wash may be obtained from members of the aforementioned organizations and the F.O.B's. The student body as whole may help in spreading the word around town that the car wash will be held on Saturday. There will be pick-up and delivery service available if desired.

Phi Omega Beta would like to thank publicly all those who have contributed to the Willie Foster memorial fund.

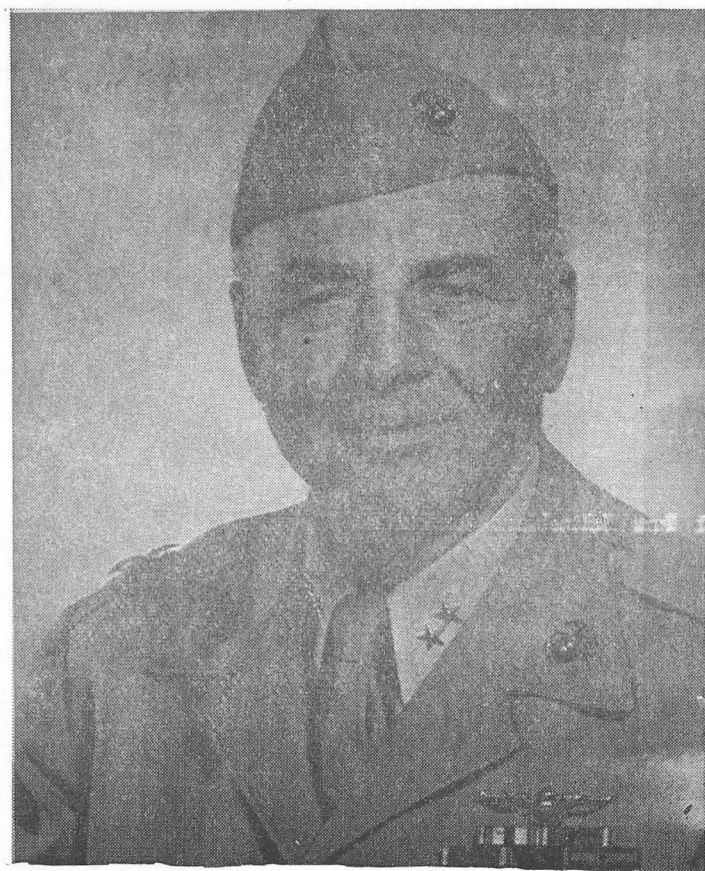

AWARD TROPHY FROM PANHELL TO ALPHA PHI'S

For the first time at Stout, the Panhellenic council is awarding a scholarship trophy to the sorority with the highest scholastic average.

Alpha Phi is the first proud recipient of this impressive monument to learning. Following Alpha Phi in this scholarship contest were the girls of Sigma Sigma Sigma. The aggregate sorority average on the Stout campus is 2.7792.

This traveling trophy will be awarded each semester to the sorority which ranks highest in scholarship and these girls will be allowed to keep it for as long as they maintain their position.

Sorority girls having a 3.5 average or above for the last semester are: Diane Davis, Lillian Holst, Pat Soldner, Barb Williams, Loretta Sletten Wittig, Mary Parkel, Alice Schweizer, Louise Grant, Ann Hedler, Carol Bibby, Wilhelmina Claseman, Beverly Spry, Judith Steiner, Rita Todd, Opal Burton Kunz, Carole Waterstreet, Laura Kiel and Gloria Walstad.

Speaking at the commencement exercises Friday, May 29, will be Major General Melvin J. Maas. Decorated in three wars, Major Maas, blind now himself, is chairman of the President's Committee on the Employment of the Physically Handicapped.

Major General Maas Is Commencement Speaker

A highlight of the forthcoming commencement ceremonies of Stout state college here, to be held on Friday morning, May 29, in the Menomonie gymnasium, will be an address by Maj. Gen. Melvin J. Maas (ret.), decorated veteran of three wars, former U. S. Congressman and now, blind himself, chairman of the President's Committee on Employment of the Physically Handicapped.

Conferring degrees on the 260 graduates will be Dr. Verne C. Fryklund, president of Stout. R. L. Pierce, member of the Board of Regents of Wisconsin State Colleges, will present the diplomas. Pronouncing the invocation and benediction will be the Rev. Arnold E. Olson, pastor of Christ Lutheran Church, Menomonie.

The processional to the gymnasium will take place at 10:15. Commencement exercises are to begin promptly at 10:30, followed by a commencement luncheon in the dining room of Bertha Tainter residence hall.

Prior to commencement day, the graduates will have been honored at a number of social events, the most important of these taking place Thursday afternoon, when tours of campus shops and laboratories are conducted for visitors, and, Thursday evening, when a reception, planned by the college administration and faculty is held, in the new memorial student center, for graduates and their friends and relatives.

"World Leadership" will be the title of Gen. Maas' talk to the graduating class. He will base his remarks on his varied experiences in many years of military, political and civic endeavor. Entering the aviation branch of the Marine Corps as an enlisted man in 1917, Maas later earned a commission in the Marine Reserve and returned to active duty on Admiral William Halsey's staff in 1941. During the Second War he saw extensive action in the Pacific, winning a total of 15 medals during his military service. In

1952 progressive blindness overtook him and he retired with the rank of major general, conferred for special commendation in combat.

Blindness gives Maj. Gen. Maas a special interest in the problems of handicapped persons. In April, 1954, he was named chairman of the President's Committee on Employment of the Physically Handicapped. Two years later, the success of his first appointment led President Eisenhower to name Maas chairman of the Handicapped Committee of the President's Program for People-to-People Partnership.

According to Maj. Gen. Maas, the American people have several reasons for taking an active interest in employment of the physically handicapped: "It is a fine example of democracy in action," he points out, "and also a chance to meet a most essential need of providing additional manpower for production vital to national defense."

In addition to his many responsibilities with the Marine Corps reserve, Maj. Gen. Maas is a past commander of the Military Order of the World Wars and a past national commander of the Military Order of the Veterans. In 1954 he was awarded an honorary doctor of laws by St. Thomas college, St. Paul, Minn., and has been honored by Goodwill Industries of America, United Cerebral Palsy, the National Rehabilitation association, and the American Foundation for the Blind.

"30 For 1958-59"

Because next week has only four days, because next week will see the beginning of finals, and because we too have to study this will be the final issue of the STOUTONIA.

The staff takes this opportunity to wish you all a happy summer, and we are looking forward to having you as our classmates for next year.

The Editor and her staff

Rita Anderson, president of the Panhellenic council, awards the new Panhellenic scholarship trophy to Jeanine Larsen, president of the Alpha Phi sorority, and Dr. Anne Marshall, Alpha Phi faculty advisor. This will be a "traveling trophy" with the Alpha Phi's being the first to receive it.

Ray and Strand Retire From the Stout Faculty

"When I came to Stout as a bricklayer to work on one of the campus buildings, I never thought I'd stay 45 years and be a college professor when I left!"

So reminisces Dr. J. Edgar Ray, who this June retires from the faculty of Stout as professor of industrial education and head of the department of drafting. Although he is now considered the only union bricklayer in the United States with a doctor's degree, Ray's preparation in 1914 was that of the average journeyman bricklayer who had practiced his trade in eight states, from New York to California and from Michigan to Texas.

However, the late Dr. L. D. Harvey, president of the then Stout institute, persuaded Ray to leave a bricklaying job in Philadelphia and travel to Menomonie for an interview about teaching his trade to students at

teaching job, with the prospect of some added income laying brick on the Stout's new home economics building. But, Dr. Harvey wouldn't stop there. He was relentless in his determination that Ray enroll in the teacher's course at Stout, with the result that the young bricklayer earned one of the early bachelor of science degrees in industrial education granted here.

"But the week I received that hard-earned degree wasn't a happy one at all," Ray recalls gravely, "I also had the sad task of singing at President Harvey's funeral. He was a grand old man."

By conservative estimate, J. Edgar Ray has taught at least 8,400 students including the present president of the college, Dr. Verne C. Fryklund, and nearly every administrator and teacher new in Stout's industrial education faculty. It was also at Stout that he wooed and won Miss Virginia Burdick, taking her on a motorcycle honeymoon. Their daughter, Virginia, now Mrs. James Solberg, wife of a Menomonie attorney, is also a Stout graduate.

The large total of Ray's former students is due in part to his versatility in the classroom. At various times he has taught bricklaying, architectural drafting, machine drafting, freehand drawing and concrete working. For three years, because of his talent as a musician, he directed the Stout band. And in between times he's written two textbooks, "The Art of Bricklaying" and "Graphic Architectural Drafting," both used nationally, plus articles for professional magazines and bulletins for the Wisconsin state board of vocational and adult education.

So far as Dr. Ray knows, no student who majored under him while becoming a teacher of drafting has ever been a failure. "Boy, I'm proud of that record," he beams. And then, in all seriousness the veteran teacher proffers some of the educational philosophy that made it possible. "Any teacher, at times, must be critical or severe with a student, his work or perhaps even his conduct," Ray points out. "But even when I had been stern, I never let a student leave my classroom angry. He could be sure that I never held a personal grudge against him."

A great believer in "leaving the troubles of the classroom in the classroom," Dr. Ray has always enjoyed a variety of non-academic endeavors. Summers he kept his bricklayer's union card in good standing by working on such buildings as the Menomonie postoffice and the Masonic Temple and by laying up fireplaces and outdoor grills for friends. His instrumental and vocal talents earned him for 15 years the sole trumpet spot with the local Ludington guard band, membership in the select Minneapolis Shrine band, the baritone part in the Masonic quartette, and many years of service in the choir of Menomonie's First Congregational church. He is a life member of both the Shrine and Masonic consistory and of such educational organizations as Epsilon Pi Tau, Phi Delta Kappa and the Association of Wisconsin state college faculties.

"Certainly I've been happy in my library work. It has provided me with my three greatest pleasures: books,

reading, and people. Who could ask for more?"

That is the compliment paid to her profession by Miss Myrtle Strand, assistant librarian at Stout, upon her retirement after nearly 35 years here. Miss Strand came to the Stout library in January, 1924, following library training at the University of Wisconsin and eight years experience at Mabel Tainter memorial library in Menomonie.

At that time the college owned fewer than 20,000 volumes and employed no head librarian on its staff,

Myrtle Strand

although for one year Miss Christine Halseth supervised library activities. That first spring, Miss Strand recalls, some real excitement took place.

"The printers were giving the old Harvey hall library a new coat of paint," she smiles, "and they evidently didn't realize that books were heavy objects. One night all the scaffolding which they had placed under the book shelves collapsed, dumping thousands of books in heaps onto the floor."

The result was that the Misses Halseth and Strand, with the aid of Miss Karen Fladoes, who was also pressed into service for the emergency, spent several busy weeks sorting out and shelving all the displaced volumes. "About the only other excitement occurred whenever we had a cloudburst at the old library," Miss Strand claims. Then everyone ran around moving books and putting pails under the leaks. Library work isn't usually very violent, you know."

Where once two ladies could provide the library services for the small body of the then Stout Institute, now five full time persons, plus another half time worker and 21 student assistants are kept busy filling the needs of nearly 1300 students. During

her years on the staff, Miss Strand has devoted herself mostly to cataloging and classifying books and to operation of the textbook room. For those latter duties she is remembered by thousands of students to whom she acquisitioned textbooks.

Recently the library staff had a party in honor of Miss Strand and presented her with a gift. But she hasn't waited until final weeks to prepare for retirement. Some years ago she concluded her responsibilities as organist of Our Savior's Lutheran church. Now she is ready to live quietly with her sister in the family home.

COMMENCEMENT CALENDAR

Wednesday, May 20

Senior Class To Use New Union

CONCERNING OUR NEW CENTER...

Much of this week's edition of the Stoutonia is devoted to stories and photographs describing our splendid Memorial Student Center which, at 8:30 on next Thursday evening, will open for its first social function.

In the inauguration of this long-awaited campus facility, all of us at Stout can experience real pride. We are thrilled, of course, that such a useful center has now become a reality, providing attractive surroundings in which our students can spend their leisure moments on campus in desirable surroundings.

We are equally glad that, through the cooperation of all persons in charge of various phases of completion of the center, this year's graduating class will be the first group to use the new building. Only because many commercial companies and many persons were willing to work hard to finish their duties ahead of time can this traditional social event be held several weeks earlier than ordinarily would have been possible.

Truly, next Thursday evening will be a significant occasion. At that time there will be added to the campus a facility which we have long desired and needed. And, because of extra work cheerfully done by many people, we are able to show in a tangible manner the pride and affection which we feel for our graduating class.

VERNE C. FRYKLUND
PRESIDENT

KILLIAN PLANS FOOD SERVICE FOR STUDENTS

Food service in the Memorial student center of Stout will be an important part of the offerings of that new facility, according to Miss Mary Killian, director of institution management at the college. However, Miss Killian reveals that the center will move slowly into its food selections, beginning on a limited basis for the forthcoming summer session and gradually increasing next autumn as the demand for meals increases.

Present plans for the summer session indicate an emphasis of such "fountain" items as coffee, malteds, soft drinks, soft-type ice cream and doughnuts. During the summer these will be available many hours of the day and evening, with opportunities for students to enjoy them in the snack areas or on the two patios.

Beginning with the opening of the college in September, food service in the center will increase. The center will then open each day with a simple breakfast menu and will offer light meals at luncheon and at the dinner hour. Except for necessary time for clean up and restocking, the fountain will be open at all times.

Design of the student center is based upon the principle that no extensive food service must be maintained in view of the fact that well over 300 coeds take all their meals at the residence hall for women and that many college students have traditionally patronized the readily-available downtown eating establishments of the city.

UNNECESSARY TO HAVE STORE IN NEW CENTER

Central location of the campus of Stout in relation to the downtown area of Menomonie made unnecessary the inclusion of a book store or any type of business establishment in the new student center, according to officials of Stout.

Two Unions Preceded The New Student Center

Although Stout state college will soon put into operation its new \$500,000 Memorial Student Center, the college has had, since 1945, a college "union"—or actually two different unions.

When Dr. Verne C. Fryklund assumed the presidency of Stout in 1945 one of the first student needs that came to his attention was that of a

place in which Stout young people could relax and meet their friends between classes or in the evenings.

Such accommodations were important, the new president felt, for at least two reasons other than just the sociability which they would provide. First, Stout has many more students remaining on campus weekends than do many colleges, and these young people needed a congenial, properly-supervised place of entertainment for those weekends away from home.

However, post-war enrollments were high and campus space was at a premium, so for the remainder of that year Stout students "socialized" every possible moment in the old cafeteria in the basement of Harvey Hall, when that facility was not serving meals.

But better things were underway. Dr. Fryklund, working with the valuable assistance of student and faculty committees, had found some "available space"—on the second floor of Stout's physical education building. Members of the industrial education faculty contributed time and talent to help construction crews renovate the former physical education facilities into what for the past dozen years has been Stout's union.

As the program of the new student center expands, activity in Stout present union will slow and finally cease. Eventually the area will be used by the physical education department and, when Stout's new field house is erected, perhaps it will become part of the annex created when the physical education building is joined to the student center.

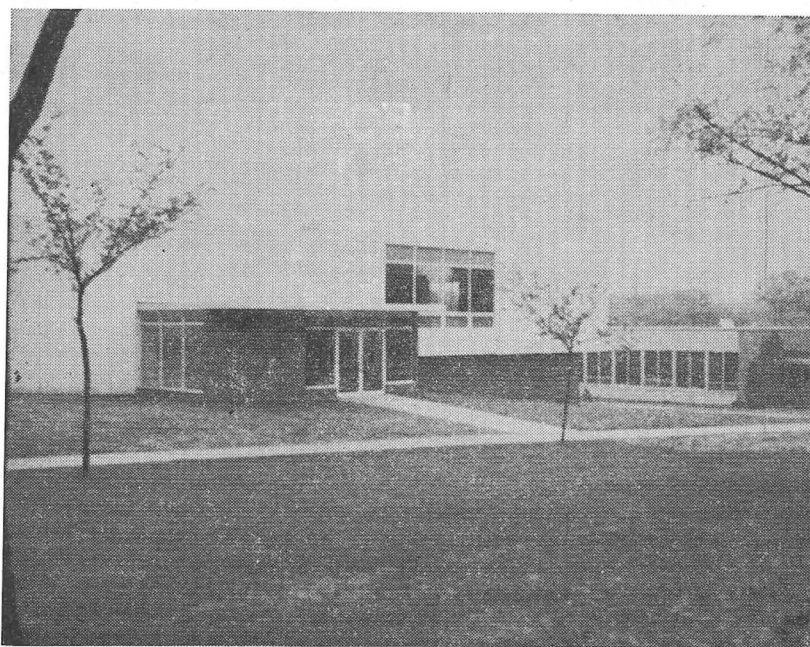

Future generations will know only the sparkle and versatility of the new student union and truthfully say, "We had fun there too."

EFFICIENCY AND VERSATILITY IN STUDENT UNION

Efficiency, economy of operation and versatility have been three factors which received thorough consideration in the planning of Stout's new student center—in addition, of course, to the obvious beauty and functionalism of the building and its equipment.

Thus food service installations were specifically planned for operation at a feasible overhead in view of the large number of Stout students eating all meals in existing dining areas of the college residence hall for women.

Floor space in the center has been based upon logical requirements within the next few years, and also upon the availability of the present physical education building when the new Stout gym is built. Thus construction of a "walkway" between the present center and the phy. ed. building, which by then would have undergone renovation, would double present floor space at relatively low cost and at a time when such space could be efficiently used—not years before such space is needed.

Future generations of Stout students will know the sparkle and versatility of our new student center which will be used for the first time next week as the graduating seniors are honored at the annual reception.

COMMENCEMENT ACTIVITIES TO OPEN UNION

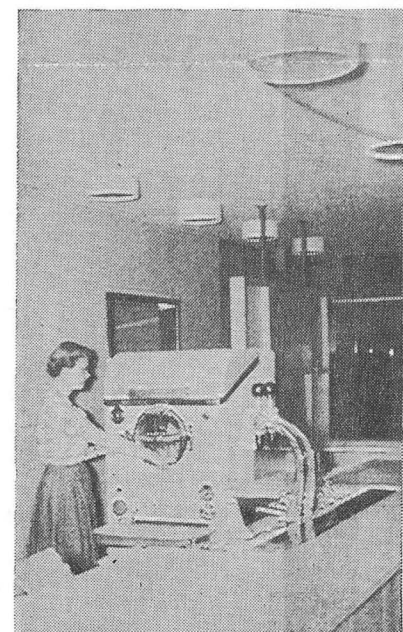

Commencement activities honoring the 1959 graduating class of Stout state college will signalize the first use of Stout's new half million dollar Memorial student center when the traditional residential and faculty reception for the graduates and their relatives and friends will be held in the spacious new structure at 8:30 on Thursday evening, May 28.

Crews of the various firms of builders and suppliers have been working at top speed to have the two-story social center ready for the reception. With major construction completed, emphasis now is on final touches of decorating, equipment installation, clean up and assembly of furniture.

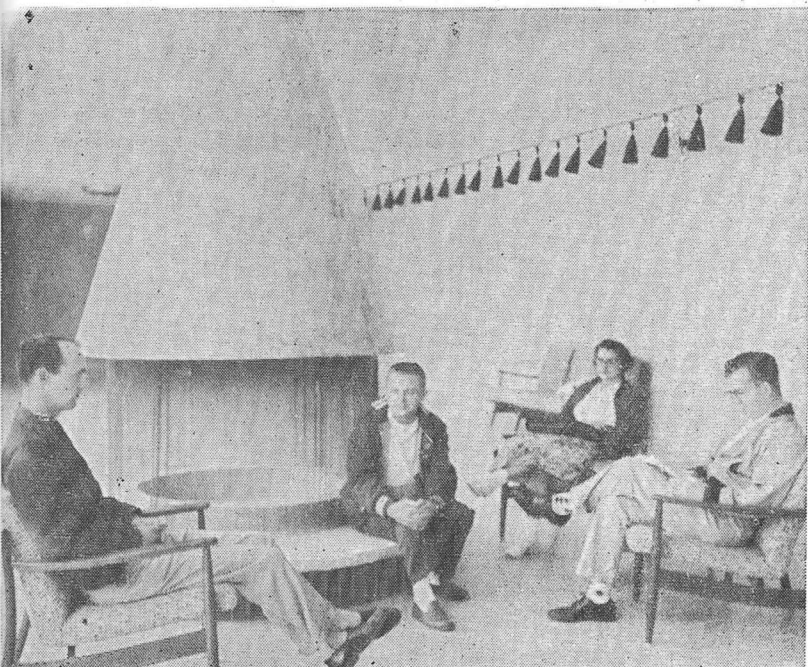

According to Dr. Verne C. Fryklund, every effort is being made to have the center in good shape for its first guests. "Commencement has always been an important event on our campus," he points out, "and we can think of no more appropriate time to open our social center than in honor of our graduating class."

Actual occupancy of the center had originally not been expected until a later date. However, cooperation between the architects, construction and supply firms, state officials and college administration made possible moving that date ahead. Receptions in recent years had been held in the Home Economics building and later in Stout's new residence hall for women.

Although Stout's new student center will be placed in use for the forthcoming senior reception and on a reduced basis for this summer session, a formal open house for students, faculty, alumni and all area residents is planned for early next autumn. At that time, guided tours of all facilities will be available and an attractive brochure, describing the floor plan of the center and explaining the year-round program to be conducted there, will be presented to each visitor.

Shown examining the ice cream machine is Joanne Heinz. No doubt this will be a heavily frequented spot in our new union.

Harold Marten, Harry Watts, Madonna Fontaine and Bill Richter examine the unique fireplace in the newly constructed union. A cheery welcome to share in the warmth of the fire will be issued to all the cold and tired students at Stout.

PARTICIPATION, RESPONSIBILITY IN NEW CENTER

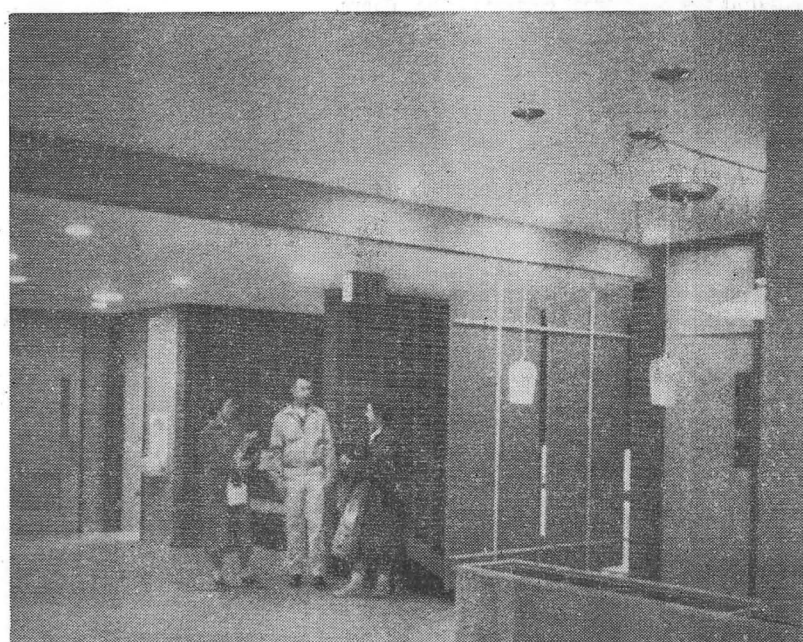

Extensive student participation and responsibility in the policies and management of the new student center of Stout is anticipated as that center begins operation during Stout's forthcoming summer session and gradually expands into its full program of services during the regular session next autumn.

Framework of the necessary supervisory and advisory bodies has already been conceived, with perhaps the greatest responsibility to be designated to the Memorial Center board. At present, 11 members—eight of them students—are contemplated as composing that body. Ex-officio members may include the president of the Stout student association, the manager of the center and the dean of student affairs.

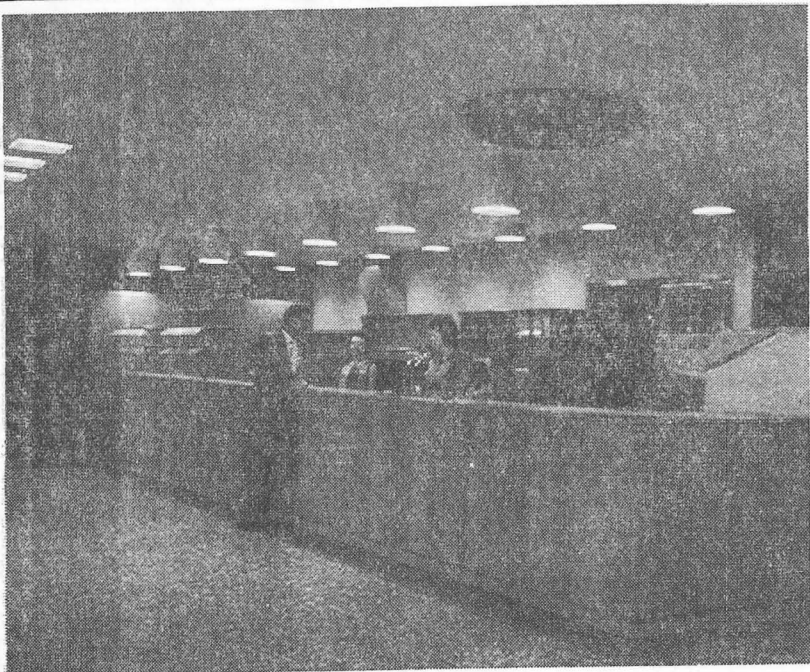

Although the formal method of selection of board members has not been concluded, tentative plans call for a student to represent each of the college class years, the graduate studies division, the Interfraternity council, the Panhellenic council and the student senate.

Responsible to that board will probably be committees which will direct the many activities that the social center is to offer. Such areas will include music, art, games and similar phases of interest.

Because of the varied responsibilities of the new board and of its numerous committees, and because needs of patrons will increase and change as the center expands its program, committee members will meet regularly to provide flexibility in its actions. Responsibilities of the board will include determination of many of the center's policies and working with the manager of the building itself and of its offerings.

Pausing in the entrance of the new student union are Arlane Skar, Duane Webb and Madonna Fontaine. Although the center will be open for commencement, formal opening will take place next fall.

Jean Schendel, Kay McSweeney and Mr. Melrose are shown trying out the new luncheon counter in the food service department in the new union.

Details Of New Student Union Interior Are Given

A journey through the many areas of the new Memorial Student Center of Stout here reveals a maximum of good planning, spaciousness and the latest in equipment and decoration.

The entrance lobby now features in the floor a large medallion of the clock tower and motto of the college.

During this summer, installation of marble will be completed in the foyer walls and that marble will, in turn, carry an inscription denoting that the center is dedicated to those Stout students who gave their lives in war.

A "special events" bulletin board and unique settee complete furnishings in the foyer, which has as its color scheme Stout's college colors: blue and white.

Going to the upper level, a visitor passes under special lamps lighting the stairway to the west lobby. In this area are extensive coat racks. To the left are four offices which can also be used as conference rooms. Occupying these offices will be the manager of the center, a secretary, and other personnel as the need arises.

Directly ahead is the 80 x 30 formal lounge, dominated by a huge circular fireplace whose "chimney" is in natural copper. A power ventilating system will remove all fireplace fumes.

This lounge is planned for relaxation and a bit more formal gatherings than perhaps the snack areas or the game room. Stout is especially proud of the type of furniture which a college committee selected for this area and of the excellence of furniture coverings and wall decoration. Visitors may, in pleasant weather, enjoy a patio which opens from the lounge.

Perhaps the most striking area of the Memorial Student Center is the 126 x 66 ballroom on the south side of the upper level. Versatility has been guaranteed in this area because it can be divided into four individual meeting rooms. A parquet floor enhances the whole area. Excellent kitchen facilities are available to serve large groups in the ballroom.

An additional lounge area has been created at the southwest corner of the

ballroom. Here, naugahyde-covered furniture has been chosen for meetings and conferences which may involve some food service. A serving area is directly adjacent to part of the ballroom. Washrooms and storage areas complete the upper level.

The first level of the new center will probably receive the greatest day-long use. Here a 72 x 66 snack lounge will encourage relaxation, with a varied menu from soft drinks to "french fries" available, depending on the time of the day. The snack lounge is in natural oak, with attractive tables and chairs. The most modern in snack bar kitchen and serving equipment has been installed.

At the west end of the first level is also a 60 x 36 lounge, which can be divided into two rooms depending on the volume of business at any one time. A serving kitchen is also available for this lounge.

Many pleasant hours will be spent by students using the "game room" area at the east end of the first level of the center. Located in this room will be facilities for table tennis and billiards. Students will pay nominal rental for use of equipment, and the area and all its installation, will be at all times under supervision.

The north wall of the first level is arranged into a series of conference and meeting rooms. Versatility of these rooms can be seen from the fact that in their "open" state they comprise four such rooms. However, dividers make it possible to create seven rooms from the same space.

Much of the other space of this level is planned for washrooms, supply rooms, and storage and service areas. However, just as visitors to Stout's Memorial Student Center may use a patio which opens from the upper level, a similar facility is available here.

Opening from the snack lounge toward the library, students will be able to carry their food onto this ground level patio in warm weather or can use that area for relaxing out-of-doors.

STUDENTS PAY FOR FACILITIES WITH FEES

No tax money has been used to build or equip the Memorial Student Center of Stout.

That's a fact which officials of the college hope that every taxpayer who inspects the beautiful new building and its splendid furnishings will remember. The structure was not constructed from any tax appropriation by the legislature.

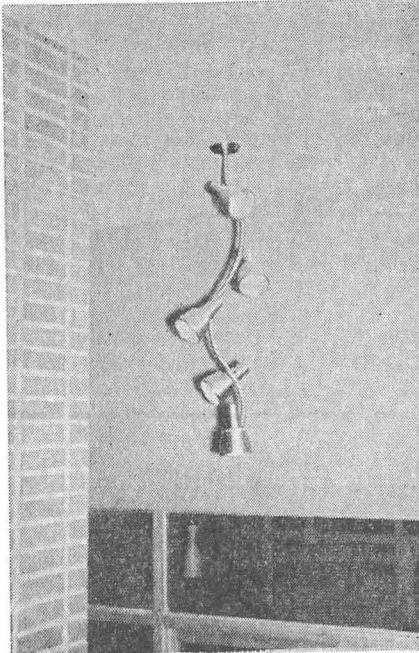

Then who does pay for it?

The answer: the students themselves as they use it. Yes, by paying a \$9.00 fee each semester, in accordance with the director of the Board of Regents of Wisconsin State Colleges, and then by paying for meals and other services which the center provides, the young people who enjoy the building will amortize all costs over a period.

In addition to paying costs of the building and equipment on the aforementioned basis, the center must at all times pay its own operating costs from its receipts. Few people realize that Stout, since 1917, has erected only one building on tax money—the very necessary and attractive library.

Thus the original unit of the residence hall for women, the additional wings, the men's dorm to be started this summer—all are paid for by the students who occupy them.

So when taxpayers admire the new Memorial student center and are impressed by the quality of its furnishings and equipment, college officials hope that they will keep in mind the fact that no tax funds were used. Instead, payment will be made by students who are enjoying the use of the building—over the years as they enjoy it.

Lighting in the new student memorial center will be both decorative and modern, as a great majority of the equipment.

SPECIAL EQUIPMENT FEATURED IN UNION

Varied indeed are these "special facilities" which are available in the memorial student center to increase efficiency of operation and encourage students to use their new "home away from home."

Persons eating at the snack bar will receive rapid food service made possible by the installation of such cooking equipment as the latest in high speed food griddles and deep frying installations.

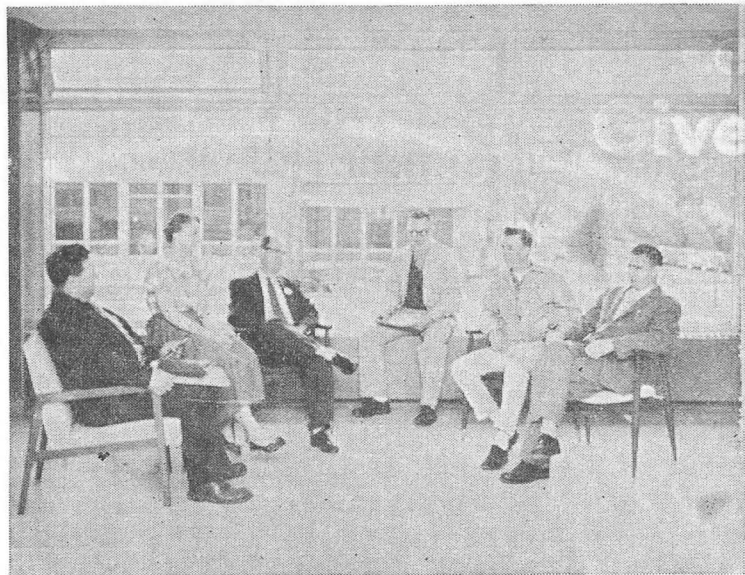

Warm weather patrons will be especially happy with a machine which provides cones and dishes of "soft" ice milk foods. Dispensers for milk, fruit drinks and carbonated beverages are also conveniently located.

Most of the social areas of the building have hi-fi music piped in over a central sound system. The formal lounge provides its own hi-fi equipment for music lovers. An electric organ will prove particularly useful for large social events.

Conference groups and other organizations meeting in the Memorial center need not conduct the usual search for movie projectors, screens and similar meeting requirements. Ordered for the center have been motion picture projectors, screens, slide projectors, sound amplifiers—plus curtains to darken rooms for proper showing of films and other audio-visual materials.

Delivery will soon be made on exterior equipment designed to "dress up" the outside appearance of the building. This week it is hoped that 196 landscape plantings will arrive.

The two patios which students will use for outdoor eating and relaxation.

Herman Potthast, Joanne Heinz, Mr. Schoepp, Les Leedahl, Duane Webb and Mr. Melrose are shown examining the view from the lounge and faculty room. These windows face the Stout library.

CLASS OF '59 PRESENTS MEDALLION FOR UNION

The eye-catching medallion in the center of the entrance of the foyer of the Memorial Student Center of Stout State College is a gift to the student body of this year's graduating class in cooperation with the graduates of 1955.

The medallion, which cost over \$600, duplicates Stout's coveted Honor's Day medallion, presented to students whose achievements at the college have been truly outstanding. The design was then reproduced in terrazzo and brass.

Depicted in the medallion are the famous Stout tower and the motto of the college, a design worked out by Ken Dickie, a member of this year's graduating class. Later an appropriate wall plaque will inform visitors of the origin of the medallion.

Chairman of the student committee was William Richter, senior from Fond du Lac.

FACULTY PLAYS PART IN FURNISHING UNION

Selecting the equipment, furnishings and color scheme of the Memorial student center was a continuing responsibility which utilized the knowledge and talents of many persons at the college.

To utilize most efficiently the many appropriate talents available on the campus, Dr. Fryklund appointed a committee whose general responsibility was selection of draperies, furniture and much of the equipment for the center.

Members of this committee were E. J. Schoepp, chairman; William McKinnon, representing the student body as SSA president; and faculty members, R. G. Iverson, M.M. Price, Mary Frances Cutnaw and Mary Killian. An additional responsibility which fell to Miss Killian was supervising the purchase of all food service equipment for the center.

Providing guidance in choice of colors and of material textures were Hazel Van Ness, Martha Ruth Amon and Mary K. Williams. To Miss Gertrude Callahan went the responsibility for the wording of the dedicatory inscription to be placed in the entrance foyer.

Choices of audio-visual equipment was the responsibility of David Barnard. Philip Ruehl evaluated amplification devices and Edfield Odegard suggested musical instruments for the enjoyment of patrons of the center. Louis Rodey advised committee members in regard to general arrangement of installations and equipment, as well as to maintenance devices and supplies which will be needed.

MAX SPARGER TO BECOME NEW UNION MANAGER

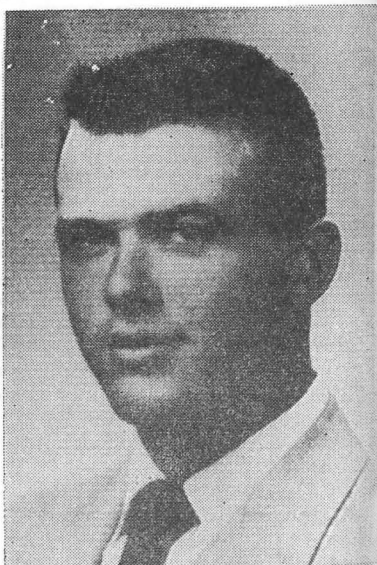

Manager of the new Memorial student center is to be Max R. Sparger, who will come to his new duties from work in the junior college and public high school of Fort Dodge, Iowa. With his responsibilities in Stout's student center, Sparger will assist in the coaching program of the college.

In addition to his professional duties at the junior college and high school in Fort Dodge, the new manager has been head coach of the junior college football team and head coach of the varsity tennis squad, which last year won the conference title with a record of eight wins and no defeats.

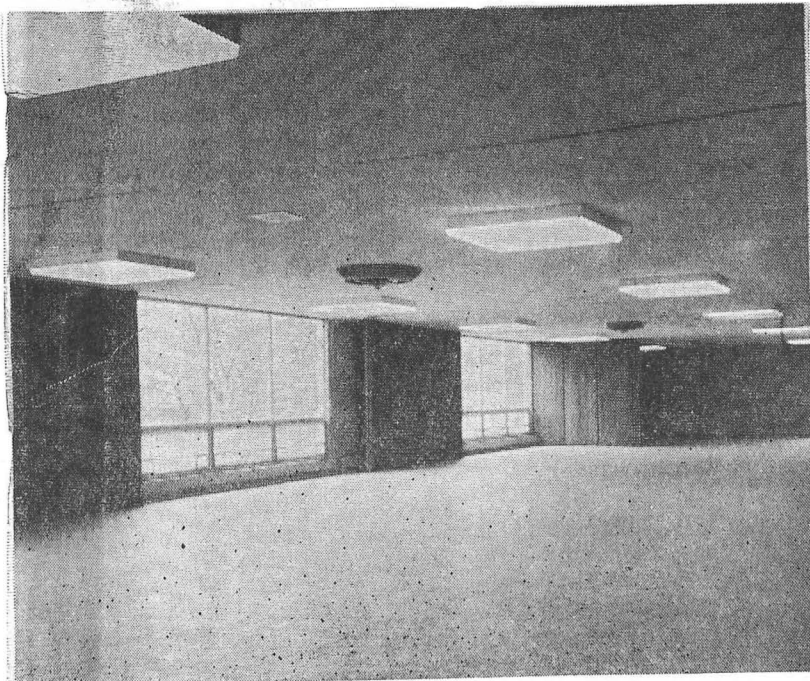

Farmerly college wrestling champion of the state of Iowa, Sparger is also assistant wrestling coach at the Fort Dodge junior college. Prior to completing his work at the University of Dubuque, he was for four years All-Iowa center in football.

Originally a resident of St. Paul Park, Minnesota, Sparger was outstanding in dramatics, church work and athletics. He and Mrs. Sparger are the parents of three children.

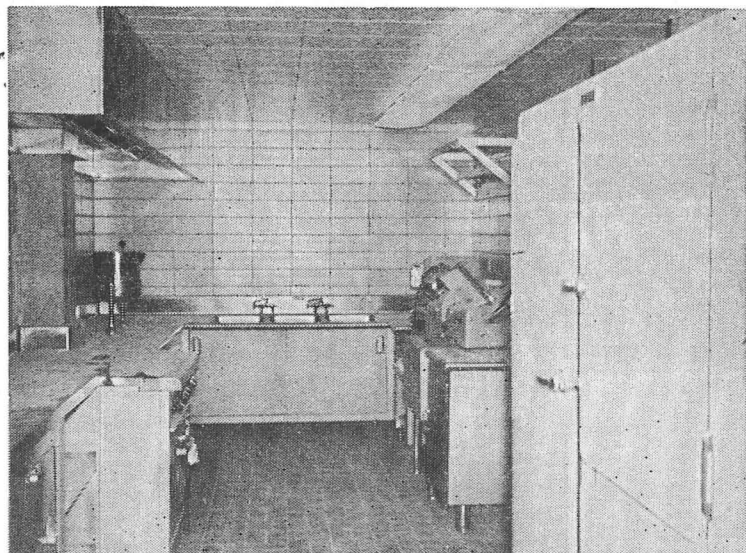

Food service in the new center will be the responsibility of Miss Mary Killian, director of institutional management for the college.

Max R. Sparger will come to Stout next fall as the manager of the new Memorial student center.

Big, beautiful and inviting are the only words to describe the ballroom in the new student center. Many dances and social events will be scheduled in here during the coming years.

This kitchen will be the place of preparation of snacks for the hungry Stout students. Modern equipment adds to the convenience and efficiency of the kitchenette. Cooking facilities are very spacious in the new union.

IN MEMORIAM

RICHARD VAN DOORN

Richard Van Doorn lost his life February 27, 1959, in an automobile accident near Chippewa Falls, Wisconsin. Richard, who hailed from Tony, Wisconsin, was a junior in the time of his death.

Rich was very athletic minded; although he did not participate in varsity sports, he was in the cheering section at almost every game and was very active in intramural sports. He enjoyed hunting immensely. There were few hunting seasons when he didn't bag a deer or shoot his share of pheasant and partridge.

Friendliness and companionship were two qualities outstanding in Rich. He had made many friends and acquaintances during his years at Stout.

JEANNIE BOGUST

Jeannie Bogust passed away May 27, 1958, at the age of 19. Jeannie, a freshman at Stout, had been enrolled in the education curriculum. The women with whom she lived at Tainter Hall knew her for her sweet, friendly manner. A quiet, modest person; with a great desire to please others, she was a willing worker and participant in dormitory affairs.

Jeannie belonged to the college band and also to the select Symphonic group. She seldom missed rehearsal, and could be counted upon to attend performances. She also gave freely of her time and effort to Wesley Student Fellowship.

JOHN WINGEN

Death came to John Wingen September 22, 1958. John had been a freshman at Stout during the 1957-58 school year. Because of illness, he had not returned to school the following fall. He was 19 when he died.

John, whose home town was Neenah, Wisconsin, had studied printing during his year at Stout. A person well liked by all who knew him, he had pledged Omega chapter of Phi Sigma Epsilon fraternity at the start of second semester. After his death his fraternity brothers founded the John J. Wingen Outstanding Pledge Award in his memory. John had himself been an outstanding pledge, so this is an especially fitting memorial.

WILLIS FOSTER

Students and faculty of Stout State College were saddened by the death of Willis Foster on April 24, 1959. Willie is probably best remembered in connection with the F.O.B. Stunt Night and Winter Carnival, events for which he had acted as master of ceremonies for the last two years. Though it was not common knowledge, he had also played Santa Claus for two years at the S.S.A. Christmas dance.

A first-semester snor when he died, Willie had transferred to Stout from Milton College his sophomore year. During the time he had attended Stout he had become familiar to all for his carefree, happy-go-lucky manner and his sense of humor.

HOME EC. CLUB
SENIORS TO BE
HONORED SUN.

A lady with a big heart and a bunsen burner originated the idea of a senior farewell breakfast.

The lady was Dr. Bachman and she was head of the science department here at Stout back in the days when Lynwood was a dorm for women. Dr. Bachman, who was also in charge of the girls at Lynwood, decided that something should be done for the graduating girls.

She started off by having a farewell breakfast for them up in the fourth floor labs where the girls cooked their breakfasts over bunsen burners.

As the school grew, so did the did the breakfasts. The rest of the faculty helped out by holding a bunch for the graduating women in the corridors on the third floor.

Finally, the Home Economics club took over and the event has been growing steadily each year. All senior girls belonging to the Home Ec club are honored guests at the breakfast. The undergraduate members of the Home Ec club pay a small fee if they wish to attend the breakfast and bid farewell to their senior friends.

Dean Alice Kirk will be honored this year along with the senior girls as she prepares to leave for India and her new job. Don't forget to come to the senior breakfast, "Senior Sayonara," May 24, at 9 a.m. in the Tainter hall cafeteria. This is Stout's special way of saying goodbye to its graduating senior girls.

ATTEND HOME EC. CLUB
CONVENTION IN JUNE

What can Home Economics club do for you? What can you do for Home Economics club? The opportunity to find out this and more is nearer than you think! On June 23-26, the fiftieth annual meeting of the American Home Economics association will be held in Milwaukee. Some of the sections open to all those who attend will be in current developments in home economics, the challenge of home economics, the philosophy of home economics. Special sessions will concern art, family economics and home management, textiles and clothing. One of the many distinguished guests who will attend the meeting will be Eleanor Roosevelt.

Continued from page 1

presented to some deserving student by Sigma Sigma Sigma sorority. Helmut "Pookie" Albrecht, president of the SSA will present the "Who's Who" certificates and President Fryklund will award the Stout Medallion for Outstanding Service.

A compositor's stick will be given out by the Stout Typographical Society. The Wisconsin Dietetic Association will award a 200 dollar scholarship to a deserving dietetics major.

From the Stout Triple Quartet will come their offering of the "Halls of Ivy." Then the senior gift will be given to Stout, the students will pay tribute to the senior class, and John Kasten, president of the senior class, will pass the flaming torch to the president of the junior class, Don Stoddard.

FINAL EXAM SCHEDULE

All final examinations are based on a one hour limit. Examinations in all courses having more than one section are scheduled below. All classes will meet through Thursday, May 28. Examinations in courses having single section, graduate or undergraduate, are to be given Wednesday or Thursday, May 27 or 28, whichever is the last meeting of the class. Students having conflicts in the group schedule will take the subject of their classification first. (Juniors will take junior subjects first, etc.) The period 1:00 to 5:00 on Wednesday, is available for use in case a three subject conflict occurs. Reports on grades should be turned in at the earliest opportunity at least 24 hours after the examination. All reports are to be in before the final deadline at noon Friday, June 5.

Monday, June 1

7:00 to 9:00—English Composition (E 102b) 423, 411, 415, 425, 426 HH; Consumer Information (HE 317) 230 HH; Audio-Visual Education (Ed 360) lib. 14.

9:00 to 11:00—Chemistry (Sci 125) HH 411; Food Preparation (HE 114) HH 423, 426; Community Hygiene (Sci 442) HH 425.

JANICE SMITH CHOSEN
AS LAMPLIGHTER

The Home Economics club is proud to announce that they have given the second Lamplighter award this year to Janice Smith of Milton Junction. The first Lamplighter for this year was Anne Thiel.

This recognition is open to a freshman, sophomore, junior or senior who has shown outstanding support of the home economics profession through

Janice Smith

her activities in the home economics club. The girl's names are considered by the Home Ec club council and then they vote on the girl to receive the award.

Janice is a sophomore this year majoring in Home Economics education. She was chairman of the freshman Green Tea last year and spent many hours on it. She worked this year with the new chairman, Jane Waterpool, on the tea. Jan belongs to Sigma Sigma Sigma sorority, Wesley and is very active in the 4-H club. Her work and willingness to work made her a very deserving recipient for this honor.

THANKS!

For helping to make our year a success. We hope that we have added something to your year. May we wish you all the best of luck.

Pitching Wins a Pair For Stout

INTRAMURAL BASEBALL ENDS SPRING SEASON

The intramural baseball sluggers finished off their spring season this past week. In the American league the Bockies and the FOB's were tied for first place, with a five and one record. The National league was clearly dominated by the Skunks with a six-won and no-lost record.

American League

	W	L
FOB	5	1
Bockies	5	1
Sig Tau	4	2
Phi Sig	3	3
Tough Enoughs	3	3
Squires	1	5
APO	0	6

National League

	W	L
Skunks	6	0
Newman Club	5	1
GDI's	4	2
Delta Kappa	2	4
Skellar Rats	2	4
Grads	1	5
Playboys	1	5

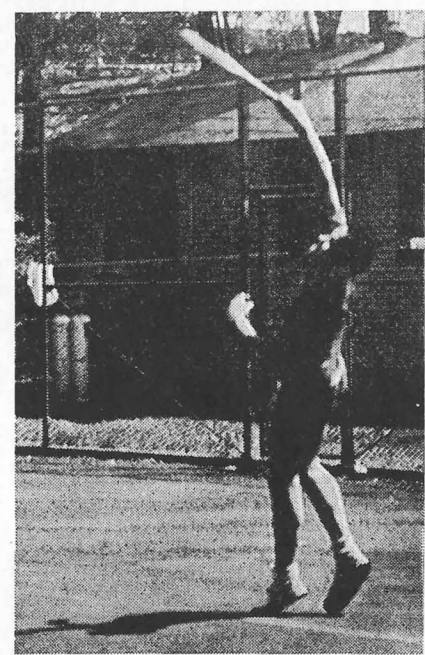

In the baseball game played May 14, the FOB's won over the Bockies. This gives the FOB's the right to play the Skunks, the champions of the national league, at the All-school picnic.

NETMEN BLAST FALCONS, LOSE TO BLUGOLDS

Stout's tennis team was busy the past two weeks handling Eau Claire and River Falls. Eau Claire proved to be a pretty tough foe, as they defeated Stout twice, 7-2 and 8-1 on May 9 and May 12.

River Falls proved to be much easier, as Stout whipped the Falcons 8-1 on the Bluedevils' home courts.

Lead by coach Lloyd Hoeffner, Stout ended a successful season. Congratulations to Coach Hoeffner for a fine job done in his first year of coaching at Stout.

In Saturday's match against River Falls, Tom Meh-ring serves up a whizzing comet.

TENNIS TEAM TO PLAY IN STATE MEET MONDAY

Stout state college's tennis team travels to Oshkosh Sunday for the State tennis tournament. At the state tournament, held on Monday, the state college tennis teams will compete for honors.

The team will leave Sunday evening and return late Monday evening. The men traveling with the squad will be Lloyd Hoeffner, Tom Meh-ring, Dick Bortz, Dale Soderberg and Conrad Mlynarek.

INTRAMURALS

Dick Bortz is the new champion of the Men's singles tennis matches. He defeated Dick Johnson for the title.

In the Men's singles table tennis, John Keyson took over the championship spot. Jim Schlumpf was defeated by Keyson in their title match.

JOKES

In a psychiatrist's office: "Five couches—no waiting."

Homeowner fishing in flooded basement to friend: "We gave up trying to keep it dry and had it stocked."

Man over back fence to neighbor toiling in garden: "I had phenomenal luck with my garden this year -- not a thing came up."

On a used-car lot: "Quiet, timid salesman now on duty."

Sideline Slants

with Phil Hansen

This week the varsity sports finished their season in conference play. Certainly this has been one of the more successful springs in the past few years with the fine showings of baseball, tennis and track.

This past week end the baseball team turned in an extra fine performance in sweeping a double header from River Falls 8-2 and 8-0. Also on the same day the Bluedevil tennis team buried the Falcon tennis team 8-1 in their matches.

Wednesday morning at 9:30, many students, missed not the Athletics awards program, but the "Grand" man who has been behind this day for many years. Mr. Johnson, our athletic director, had to miss this day because he is in the hospital.

I'm sure that he would appreciate a card or a letter from You to help pass the time while he is recovering from his illness. His address is:

Mr. Ray C. Johnson
St. Mary's Hospital
Room 2206
Rochester, Minnesota

Do you know that River Falls is actually buying a real live Falcon as the school mascot? Recently this point was brought to my attention by Ed Schlumpf, the sports editor from River Falls. The Falcon will travel with the school team to the events in which they participate.

This certainly is a great idea which our school could capitalize on. Of course we wouldn't be able to dig up a real live Bluedevil, but a cheerleader or a specific student dressed up as a Bluedevil would certainly be a great standout at any athletic function.

In the past this idea has been tried, but the head of the devil has never been strong enough to withstand the pounding the head has to take. If you have any suggestions as to how the Stout Bluedevil could be constructed, drop your Recommendations and drawings in the Stoutonia mailbox.

WCC STANDINGS BASEBALL

	W	L
Eau Claire	5	3

Prop. Fritz Shock

Next to Kraft State Bank

The Bluedevil Diamondmen finished the 1959 baseball season in a blaze of glory by trouncing the Falcons from River Falls in a double header at Wakanda park last Saturday. The double win avenged the loss and forfeit in the first meeting of the two teams on April 25 at River Falls.

Chase pitched one-hit ball in the opener and allowed only 2 runs as the Blue and White broke loose for 8 runs on 11 hits. Hejny gathered 3 hits in 4 trips to the plate to lead the home team in hitting. Abbott, Roach and Severson also contributed to the hitting side of the game for Stout.

Johnson picked up the loss for River Falls, allowing the Bluedevils 8 hits.

Second contest

In the closing game of the season Hafeman threw 2-hit ball in blanking the Falcons 8 to 0. Hilgendorf and Hejny led the Blue and White hitting spree with 3 for 4. Roach, Sabatke and Hafeman finished out the Bluedevils' 11 hits off Lauber, River Falls' losing pitcher.

The home team scored one run on 2 hits in the first frame, one in the third, blasted out five hits for five runs in the sixth and pushed across the last tally on three hits in the 7th.

LINKMEN TO COMPETE AT GREEN LAKE MEET

Next week the Stout linkmen will travel to Green Lake to compete in the state meet, May 25.

Five Blue-White men will play at the meet, but only the four men with the best scores will be used for the final point totals. Each member will play 36 holes.

Tuesday afternoon the Stout golf team dropped their second match to River Falls in as many starts. The Bluedevils scored 4½ points to the Falcon men's 13½ points.

Lloyd Wiberg was one of the Blue-White's outstanding golfers for the day. Wiberg sank a 140 yard second shot on the 345 fifth hole, for an eagle on the par 4 hole.

For Stout, Bob Eggleston dropped an 88, Dick Lowry an 80, Lloyd Wiberg also hit an 80, Pete Fulcer shot a 105, Richard Lorenz finished with an 85, and Wally Klosterman completed the day with a 98.

Low man for the day was from River Falls. The Falcon golfer, J. Hallen, hit a 37 and a 40 for a total of 77.

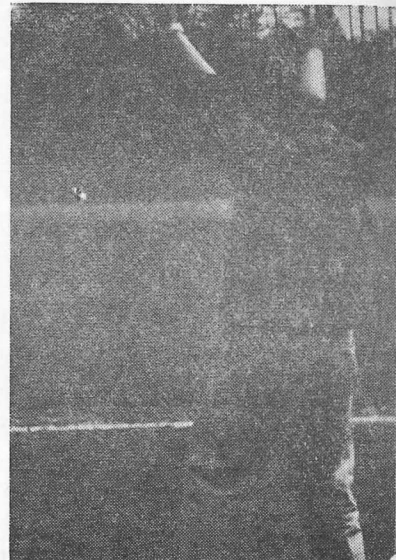

TABLE TENNIS DRAWS TO CLOSE THIS WEEK

Table tennis has proven to be one of the longest drawn out intramural sports this semester. Play started in January with the Men's singles matches. Since then the Men's doubles and Mixed doubles have been added to the list.

The Men's singles are drawing to a close with Frank Bucklin, Jim Schlumpf, Gerald Kellam, Woo Kok Keong, Fred Zweifel, Kirk Evenson and John Keyson scheduled for the final matches.

In the Men's doubles Bob Lorenz and John Kasper will meet Jim Schlumpf and Dave McNaughton; Frank Bucklin and Gerald Kellam will take on Wu Jung Tang and Woo Kok Keong, and John Kotek will play one of the above winners.

In the Mixed doubles the teams are composed of Julie Blank and Dave McNaughton, Karen Retzliff and Dick Bortz, Arlaine Skar and Woo Kok Keong.

Ken Gallenberg gives the hold sign to a base runner in Saturday's River Falls Baseball game.
